The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec  
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec  
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

- 26 The Croppy Boy (Diploma picture)..... Mrs. C. M. B. Schreiber.

The youth has knelt to tell his sins  
 " Nomine Dei " the youth begins,  
 At the Siege of Ross, did my Father fall  
 And at Gorey my loving brothers all  
 I, alone, am left of my name and race  
 I will go to Wexford to take their place.

Now, Father, bless me before I go  
 To die, if God has ordained it so.  
 The Priest said naught, but a rustling noise  
 Made the youth look up in wild surprise ;  
 The robes were off, and in scarlet there  
 Sat a yeoman captain with fiery glare ;  
 With fiery glare, and with fury hoarse  
 Instead of blessing he breathed a curse  
 'Twas a good thought boy to come here and shrive  
 For one short hour is your time to live.

" Of those great attributes, we call divine  
 The changeless strength—the space, none dare define !  
 How few the types, O, mortal globe, are thine !  
 Thou hast but two pre-eminent, that bear  
 To our dim vision of these things, a share ;  
 The Mountain and the Sea ; and of these twain.  
 With one alone, does changelessness remain.  
 The heights seem made for ever and abide ! " .....

I look upon a Northern Land,  
Bold mountains rising high,  
Below a tranquil Fiord in view,  
Above a dark blue sky.

So smooth the waters of the Fiord  
The clouds that o'er it pass,  
Appear as if in skies below,  
Mirrored as in a glass.

And boats that o'er its surface glide,  
So bright the waters there,  
Would seem with scarce dividing line  
As floating in the air.

While to remind us of the past,  
These lofty mountains shew,  
Chill remnants still upon their crests  
Of winter's robes of snow.

And lovingly the Fiord reflects  
Its rocky guardian shore,  
In light and shadow on its breast,  
And will, till time's no more!

    In shadow of that famed stronghold  
    Gibraltar, world renowned,  
    A fortress rising high and bold,  
    With British Cannon crowned.  
  
    A quoin of vantage by the deep.  
    To her who rules the sea,  
    A sentry grim on guard to keep,  
    The Mediterranean free.  
  
    And in the distance sail and steam  
    Fill up a picture bright,
