The copy filmed here has been reproduced thanks to the generosity of:

Stauffer Library  
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Stauffer Library  
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## MUNICIPAL LAW OF CANADA.

Is the 6th Edition of "Harrison's Municipal Manual," revised and almost entirely rewritten by C. R. W. BIGGAR, M.A., K.C., formerly Solicitor and Counsel of Toronto.

### IT INCLUDES:

- (1). "The Municipal Act" (Revised Statutes of Ontario, 1897, chap. 228) with the amendments made by 61 Vict. chaps. 23 and 36 (Jan., 1898); 62 Vict. (1st Session), chaps. 2 and 5, (Aug., 1898); 62 Vict. (2nd Session: April, 1899), chaps. 26 and 30, and 63 Vict., chaps. 9, 33, 35, 36, and 37 (April, 1900).
- (2). Full Notes of Municipal Cases reported to June 1st, 1900, in Canada, England and the United States:
- (3). Forms of By-laws (revised by ALEXANDER BRUCE, K.C., of Hamilton, and Z. A. LASH, K.C., of Toronto,) Debentures, Rules of Order, etc.
- (4). An Historical Sketch of the development of Municipal Institutions in this Province from 1788 to 1900.
- (5). A Comparative Table—showing (in parallel columns) such sections of the *Code Municipal* of the Province of Quebec, the Municipal Acts of Manitoba and British Columbia, and the Municipal Ordinances of the North West Territories as correspond to those of the (Ontario) Municipal Act or relate to the same subjects.
- (6). A Tabular Guide to the Counting of Ballots at Municipal and Provincial Elections, with references to all the reported decisions applicable thereto, etc., etc.

Although issued only a few months ago, the new "MUNICIPAL MANUAL" is already recognized as a text book of authority.

Chief Justice SIR WM. R. MEREDITH—himself a leading authority on municipal law—recently referred to it as "an accurate compendium of the law relating to municipal institutions in this Province;" Mr. Justice Moss of the Ontario Court of Appeal is equally commendatory; and the late Mr. Justice ROSE, in a judgment delivered last September, speaks of "Mr. BIGGAR's admirable text book, in which all the recent cases on the subject are carefully collected and clearly reviewed." Letters from many other Judges as well as from lawyers and municipal officers give abundant testimony to the accuracy and completeness of the "Manual."

The following letter to the publishers by Hon. Justice Dillon, Author of the work on Municipal Corporations, the standard treatise in the United States:

NEW YORK, Nov. 23, 1901.  
DEAR SIRS,—Allow me to say, respecting the eleventh edition of the Canada Municipal Manual, recently published by you, being founded on the sixth edition of Harrison's Municipal Manual, that it is, in my judgment, a work of the very highest merit. The extensive use which I made of Harrison's Municipal Manual and publicly acknowledged, in the preparation of my treatise on Municipal Corporations shows my high opinion of that work. The revision and additions of Mr. Biggar have brought down the constantly developing law of Municipalities to the present time. No lawyer or judge interested in the law of municipal corporations can consult the present edition, with its reference to more than two thousand Canada cases, without instruction and profit.

Very sincerely yours,  
(Sgd.) JOHN F. DILLON.

# SUCCESSION DUTY IN CANADA

BY R. A. BAYLY, LL.B.

*of Osgoode Hall, Barrister-at-Law*

LONDON, ONTARIO

.....

**S**UCCESSION DUTY is a tax which has come to stay. It has only been collected in Canada since 1892, but it is safe to say that it will continue to be enforced 50 years hence, probably in a more extended form. A text book upon the Subject of "SUCCESSION DUTY IN CANADA" must always therefore be a necessity; a Solicitor may not be called upon to advise a client in reference to this tax more than once or twice in a year, but cases which do arise must always be of importance, owing to the amount of money involved: and one case will pay for the text book many times over.

We have no hesitation in saying that the book will be of the greatest value to any one called upon suddenly to advise on any of the complicated questions which may arise in reference to the tax.

The book contains the text of the act in force in each Province of the Dominion, amended to date, with all judicial decisions rendered thereon.

The notes upon the ONTARIO ACT and amendments are most full and complete, and many questions are raised which have not heretofore been considered. The similarity of the various Acts (which are all more or less duplicates of the Ontario Act, except that in force in Quebec) makes this Book of Value in each of the Provinces.

Canadian, American and English authorities are carefully noted. The Acts enforcing the tax in Ontario and the other provinces were originally modelled upon American Statutes, but recent amendments have been Copied from "The (Imperial) Finance Act, 1894", with the result that neither English nor American text books are of much value to Students of the Canadian Acts, rendering this, practically, the only text book on the Subject

## CLARKE & SCULLY'S DRAINAGE CASES

The design of this work is to furnish the Legal Profession and Municipal Officers with the Decisions of the Drainage Referees and thus supply information not obtainable elsewhere and without which a drainage scheme can scarcely be carried through with safety. The decisions cover most of the difficult questions which arise under the Drainage Laws, such as the necessity for a Petition, the Proper Principles of Assessment for Benefit, Injuring and Outlet Liability, Powers of Repair, Improvement and Enlargement of Drainage Works without Petition, Liability for Damages, Mandamus and Injunction, Duties of Engineers, Natural Watercourses, as well as questions concerning the Prosecution of Claims and Appeals from Assessments arising under the Drainage Acts.

In addition to the Referee's Decisions, Judgments on Appeal therefrom are printed in full, as well as the important Judgment of the Privy Council in *Williams v. Raleigh* and one or two other decisions of great importance.

The decisions are prefaced by "The Drainage Act" and "The Ditches and Watercourses' Act" with reference to the decisions bearing upon the several Sections with the addition of a carefully prepared digest and list of the cases contained in the volume and also a list of the authorities cited in the different decisions. The work is a complete hand book for Lawyers, Engineers, County Councillors, Reeves, Councillors, and others in any way interested in the Drainage Laws.

The compilers, Messrs. A.H. Clark, LL.B., of Windsor, Barrister-at-Law, who has for several years had a large practice in Municipal and Drainage Cases, and E. I. Scully, of Windsor, Clerk and Stenographer, to the Drainage Referee, have spared no trouble in producing a work which they confidently expect will prove indispensable to Municipal men. The first volume of over 500 pages, containing the decisions from the appointment of the first Referee in 1891 to 1898 has been published on good paper in half-calf binding.

The price of the book, \$5, has been placed as low as possible, having regard to the cost of publication and the limited demand for a work of this nature.
