The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE York Committee of the Society for Promoting Christian Knowledge, take the earliest opportunity of announcing to the Subscribers, as well as to the Public in general, that a large supply of Books, (ordered in the course of last summer,) has been received from the Parent Society in London, and are now ready for sale, at the prices annexed in the following Catalogue.

By referring to the prices at which it has been decided to dispose of the Books to Members and Non-Subscribers, it will be seen that the former have a great advantage over the latter: but it should at the same time be observed, that to constitute a Member of this Committee an annual Subscription of not less than 12s. 6d. is expected.

For the convenience of persons residing at a distance, it is intended to form Depositories with the different Clergymen, as well as at such other places as may be considered expedient; and as soon as arrangements can be made for this purpose, notice will be given of the same.

Applications for Books from persons residing in York and its vicinity to be made at the DEPOSITORY, *Gazette Office*, King-Street, York.

☞ SUBSCRIPTIONS received by the Treasurer, and at the Depository.
