BILL DOWN TO \$85

Judge Armstrong Gives Decision In The Hastings Case

CLAIM WAS FOR \$1,349

St. John Probate Court Ruling in Matter of Interest—Nephew of Thos. Hastings Had Put in Bill for Board and Other Things

In the probate court today in the matter of the claim of James L. Hastings for \$1,349 against the Thomas Hastings estate, Judge Armstrong gave judgment today as follows:

Six months' board, lodging and washing—November, 1902 to November, 1908, at \$1 a week. \$1,248.00
One month's board \$120.00
Washing in summer of 1900 16.00
Six months' care and nursing, 1907, 1908 and 1909 60.00
Services at time of death 5.00

According to the evidence of the claimant and his wife, deceased, who had been living in this city paying the modest sum of \$3 a week for board and lodging, went to the house of his brother, father of the claimant, at Hampstead, Queens county, which house the claimant has been married, maintained, and stated that he would like to remain and pay the claimant for the \$1 a week. The items in the bill for care and nursing and services will be referred to later.

The other side of the claimant's bill, which he had never realized, that he had no liabilities, that during all the time he resided with his claimant, the claimant never once gave him a bill or asked him for or received money from him on account; that the will is dated April 8, 1909; that deceased died on September 8, 1909; that the claimant, and the estate of the late Thos. Hastings, and read to those present the will which gives \$2,500 in specific cash legacies, and the estate was then stated to be between \$2,000 and \$3,000; that nothing was then said to the executors about the claim; that on the 15th of the same month of September the claimant wrote Mr. Tilley, one of the executors; "I think I ought to have something for my trouble at the death and funeral of the late Thomas Hastings. I spent \$10 of my own money (his he submitted on cross-examination was incorrect), besides my trouble. If you think it is right for me to get my \$10 back you can let me know. If not I can live with it. My uncle spent six years here and I never received no recompense for it, and I always used him with as much respect and kindness as I used my own parents."

Mr. Tilley states that to the best of his knowledge there was a memorandum on a separate paper sent to him containing a charge of \$10 by James L. Hastings for services.

Mr. Thornton, the co-executor, said he recollected Mr. Tilley showing him a small bill or statement from Mr. Hastings for \$10.

On September 22, in reply to Mrs. Hastings, Mr. Tilley wrote her that he thought her husband's bill for \$10 was a perfectly just bill, and asking her to transmit the account and send it and it would be paid. To this no written reply was sent.

Under these circumstances should this claim be allowed? Should the testator, his estate, get the benefit of his living during the charge with the claimant for a period, not continuous, of over seven years. The testator is not here to give the version.

WOMAN IS DROWNED IN HOTEL BATHTUB

Body of Gertrude A. Lowering Found Floating in Water—Was Known as a Reader and Elocutionist

Boston, June 18—Miss Gertrude A. Lowering, reader and elocutionist, of 18 Falls-way West, Somerville, was found drowned in a bathtub in one of the bath-rooms on the fourth floor of Hotel Hollis at 247 Tremont street.

At 8.30 p. m. a man who gave his name as John Sullivan and said he lived at 383 Putnam avenue, Cambridge, walked into the bathroom and was startled to see the body of a woman floating about the tub, which was three-quarters full of water. Believing that she had fainted and fallen into the tub he lifted her to the floor and made every effort to resuscitate her, at the same time calling for assistance.

Occupants of the rooms on the floor came to his aid and the body was notified. For a time it was feared that the case might be one of murder but Medical Examiner Leary after viewing the body said that the drowning was probably accidental.

Miss Lowering went to the hotel at 3.30 in the afternoon and registered as Madeline Miller. She was assigned to a room on the fourth floor. That was the last the employees of the hotel saw of her until she was found dead.

In her clothing was found a piece of paper bearing the name "Gertrude Lowering, Somerville." The Somerville police were notified and the body was taken to the morgue for the coroner's office. He said that his daughter had been acting in a peculiar manner for the last few years, and to his grief over the death of her mother, Miss Lowering was 30 years old and had gained considerable reputation as a public reader and elocutionist.

KITCHENER ADVISER OF RAILWAY COMPANIES

They Take Advantage of His Knowledge of Engineering and His Powers of Organization

LONDON, June 18.—For Viscount Kitchener, Britain's great soldier, who was given supreme command of the troops and police during the coronation, there has not been found any regular occupation. The man who successfully carried out the Empire in Egypt, the South African war and re-organized the army in India has been mentioned for every high position in the Mediterranean, which the Duke of Connaught resigned, because the Emperor of the Ottomans wanted for a soldier to do there.

Two of the big railway companies have asked the late soldier for an advisory capacity. He was recently elected to the board of directors of the Chatham & Dover & South-eastern Railway Company. Apart from his technical knowledge as a railway engineer and his experience in the construction and control of military railway in Egypt and the Sudan, Lord Kitchener has given many proofs of powers of organization and knowledge of finance.

New York, June 18.—(Canadian Press)—The three little children of Louis Kicker, 43, of 100 East 74th street, died last night of starvation.

Kicker was arrested on the 15th and after last night's killing of his wife and the death of his three children, he leaped to his death from the fourth story window of his home.

BUILDING WORK IN CANADA DURING MAY

Toronto, Ont., June 18.—(Canadian Press)—The Financial Post's summary of building permits shows May as a month of spectacular increase.

The aggregate report of the twenty-five cities reporting has reached \$4.4 per cent over the same month last year.

Four cities show a decrease, including Montreal, Fort William and Port Arthur. In Calgary the percentage of increase is more than 64 and the increase in dollars in excess of \$3,000,000.

This increase is due to two very large buildings, one a hotel and the other a store for the Hudson Bay Company.

Measured by percentage, Guelph, Ontario, leads all the cities with 1216 per cent, and the second highest is Prince Albert, with 740 per cent, followed by Calgary.

Measured in actual dollars, Calgary leads, with Vancouver second, Toronto takes third place, followed by Regina, Hamilton, Brandon, and Edmonton in the order named.

ARRESTED AT NEWLY MADE GRAVE OF WIFE

Prominent Melrose, Mass., Man Charged With Forging a Check for \$28—Wife Was Daughter of Mayor

Boston, June 18.—Howard B. Gurney, a prominent young salesman of Melrose, and son-in-law of Mayor Eugene H. Moore, had just turned from the grave of his wife in Melrose cemetery, into which the last shovel of earth had fallen, when plain clothes men of the Melrose police department arrested him on a charge of forgery.

During the brief services at the grave they remained seated in the carriage. As the services closed and the friends gathered around to throw a few clouds upon the coffin the two policemen slowly approached the grave and the spot where the husband was standing.

They stood for some time behind him while the husband, as if in a daze, watched the men who were approaching. When his back had been turned slowly and started for the waiting carriage.

The warrant against Gurney was sworn out by Henry Millett of Stoughton, who alleges that three weeks ago Gurney paid him a bill of \$5 with a check of \$28. Millett says that he gave Gurney his change, but that when he tried to cash the check it was said to be worthless.

Ex-Pugilist is Bruised and Cut—Minister Opens Sunday Baseball Game With a Sermon

BALTIMORE, N. Y., June 18.—Robert Fitzsimmons, the former champion of the prize ring, was injured in an automobile accident here on Sunday afternoon.

He was severely bruised and cut and was unable to leave here for a day or two. He is now recovering at his home in Cleveland, N. Y.

Poughkeepsie, N. Y., June 18.—A new Sunday baseball game here will be marked by a semi-professional game here yesterday when Rev. J. W. Larkin, a local pastor, opened the game with an address to the crowd of a thousand men, women and children.

IMPRESSIVE CEREMONY SUNDAY IN ST. PETER'S

St. Peter's church, north end, was crowded to the limit last evening at the services in observance of the feast of Corpus Christi.

In addition to the vesting of the church, the offertory, the reading of the Little Sunday school children and the married and single men, with the priests and altar boys was held.

One hundred and forty-four little girls, prettily dressed in white, walked about the aisle of the church, carrying flowers in the way of the priests who were following, carrying the Blessed Sacrament under a silken canopy.

The altar boys with lighted candles, and the married and single men in large numbers, and wearing their distinctive badges, and the little boys of the Sunday school to the number of eighty-eight, formed the balance of the procession.

The canopy was held by R. J. Walsh, Wm. Murphy, Wm. Kelly and Isaac Buckley. Solemn vespers were sung by Rev. A. J. O'Neil of Silver Falls, who was assisted by Rev. A. J. Bergmann, C. S. R., and Rev. J. Holland, C. S. R., while the pastor, Rev. A. J. Duke, C. S. R., marshalled the procession.

PROOFS OF VITALITY

Mr. Peter Binks does not share the gloomy views of some persons that the church is decadent. He observes, he says, that at every conference or convention of one church the weaknesses of other churches are fully exposed. Thus they are all taught the virtues of humility, and also encouraged to keep a sharp eye on each other, which makes for the growth of the kingdom.

"I am convinced," said Mr. Binks today, "that my church presents the ideal which man should be. Anyhow it's right, and any man who disputes it is a barnstormer."

THE TIMES' NEW REPORTER

THE TRAITORS.
Mr. James Jones is somewhat disturbed over the news from London. He is convinced from what he hears that the British government is disloyal, and that the Empire treaties, never Laurier, Fisher nor Borden has as yet been thrown into the tower, or even sent into exile. Premier Aquilino really seems to enjoy their company. It appears to be reasonably certain that, so far as the home government is concerned, no effort will be made to defeat the Grit party in Canada. James regards this as the century. History says, will date the fall of the British Empire from the Imperial Conference of 1911, when the traitors went to London from Australia, South Africa and Canada, and refused to assist the Conservatives in Canada to climb into office.

"It means that I won't get a job for at least another four or five years," said James, as he thumped the sidewalk with his cane.

KING'S GUESTS REACH LONDON

Representatives From Other Nations All There Today

London, June 19.—A score of King George's coronation guests accompanied by their suites reached London this morning and with as many more from Belgium, courts and states due to arrive this evening, will complete practically the entourage of foreign missions. Throughout the day special after train rolled into the different London railway terminals, bringing in princes, special ambassadors, and their suites, from all points of the globe.

The night long work of the army of decorators served to enliven most of the streets in the centre of London. Flags, banners and streamers, the decorations and illuminations are on a scale never before attempted in England.

The German crown prince and his party, Prince Henry of Prussia, are among this morning's arrivals. The Duke of Connaught and other members of the royal family fitted from station to station to meet each new-comer, undeterred by the showers of mud that their swiftly moving vehicles tossed up.

The public appears smitten with the coronation fever. They throng the streets in such numbers as to make it difficult to walk anywhere in the centre of London.

COBB HAS GREAT RECORD FOR SEASON

'Ty' Reaches Century of Safe Hits, Leads in General Bating, Base Stealing and Making of Runs

Chicago, June 18.—(Canadian Press)—Ty Cobb of the Detroit American League Club is the first major league player to drive out 100 hits in the 1911 season.

His cent hit came in the eighth inning of yesterday's game with Chicago in Detroit. Not satisfied with gaining this distinction for the day, he raised his total to 101 with another safe one in the ninth.

Bating is not the only division where Cobb leads. His twenty doubles, twenty triples and eight home runs, make him the chief of the sluggers. His thirty steals put him at the head among the base stealers, and his record of fifty nine runs in fifty-five games has his opponents beaten by wide margin.

TIME OF BUSTLE AT CAMP SUSSEX BEGINS

Today and tomorrow will be busy days for the people of Sussex, as they are the opening days of the first military camp. The activities were commenced today, when the advance parties of the different bodies, which will be under canvas during the first camp, arrived in town and at once began to set things in readiness for the bivouacing of the larger detachments tomorrow.

It is the earnest hope of every militiaman that the first two days of camp will be fine, as with fine weather the opening of Camp Sussex is always a pleasing feature, and has much to do with the comfort of the troops for the remaining days of the encampment.

Tomorrow will see the final blows given the pegs at many a tent in the erection of the tented city.

Lord Mostyn, who has been appointed by King George to bear the standard of Wales at the coronation ceremony in Westminster Abbey on Thursday next, is the head of one of the most ancient and illustrious families of Wales, and holds the title of Vis-Admiral of North Wales and Lord of Aberystwyth.

Perhaps the antiquity of Mostyn Hall can best be realized when I mention that Lord Mostyn is still able to show the window through which Henry, Earl of Richmond (afterwards Henry VII.), escaped when pursued by a party of the followers of Richard III.

The latter subsequently declared in court that he had been prompted to become the guest of the place, by the representation that it was haunted by the ghost of Amy Robsart, and that while she "walked" the entire mansion at times, the room that was particularly affected by her nocturnal visitations.

SIR WILFRID'S CRITICS

It is now discovered that Sir Wilfrid Laurier has not been busy breaking up the Empire. The news that has hitherto come to Canada has come chiefly through Conservative channels, colored by Conservative partisanship. Sir Wilfrid has been attacked, but has quietly ignored the attempt of political foes to arouse prejudice against him.

MR. BORDEN AND THE WEST

It is not worth while for Conservative papers to indulge in glowing predictions about the great reception to be given Mr. Borden in the west. His tour has begun and the nature of his reception cannot remain in doubt. There are enough high protectionists and strong Conservative partisans in Winnipeg to give the leader a hearty reception, but the Conservatives are not the only persons who will bid him welcome.

went into politics, to be defeated as the Conservative candidate in Yale-Caribou; came back to New Brunswick, purchased two newspapers and took stock in some others; interested himself in politics and lumbering on the Miramichi; declined the offer of a constituency in Scotland; suffered reverses in the great financial panic of a few years ago; sold out his newspapers and lumber interests, and set out again upon travels which have now been terminated by his death.

The three principal ingredients of this great, soothing, healing ointment are the most potent known to the medical profession as a means of clearing out the pores and ulcers, destroying the germs, and assisting the discharge of poisons. It is almost as soon as applied, it often has almost magical effect. The time required to cure depends on the nature of the ailment, but, unlike internal treatment, the benefits are apparent to the eye, and you can note from day to day the improvement made.

THE CATHOLIC POSITION AS TO MARRIAGE

Letter From Officers of the Catholic Truth Society of the Archdiocese of Halifax on the New Proposed Decree

Dear Sir—We ask you to give to the public statement of the position of the Catholic Church on the marriage question the same publicity in your columns that you have given the pastoral letters of the Canadian Bishops and to the resolutions of various international associations condemning the action of the church.

M. B. DALY, President, W. W. PAGE, Honorary Secretary, The Catholic Truth Society Defines the Position of the Catholic Church on the Marriage Question

As there has been much misunderstanding and not a little misrepresentation of the position of the Catholic Church on the marriage question, the Catholic Truth Society of the Archdiocese of Halifax authorizes the following statement: 1. The Catholic Church does not, as has been falsely stated, regard as invalid the marriage of two Protestants by a Protestant minister. On the contrary she has always upheld the validity of such marriages as being contracted in good faith. The best proof of this is the fact that when married Protestants decide to enter the Catholic Church, they do not have to be re-married.

THE GEM

A drama of an exciting and exhilarating nature is billed for the opening show at the Gem Theatre this week in "A Klondike Steal" by the Vitagraph Company, a splendid story of the frozen north, in which the leading characters are three young women who have been left a mine in the Yukon, and who meet with various adventures and share in an interesting romance in establishing their rights. The Edison Company presents "The Two Homes," a funny comedy of two old soldiers and political rivals, bitter enemies who are united through the nuptial union of their children in an elopement.

THE LYRIC

The Lyric Theatre expects to do its share in making coronation week in St. John a memorable one, as it will announce performances of merit after every evening. The first of the special features booked is Miss May Roberts said to be a most clever young lady submitting a character act that has been the means of making her famous wherever she has appeared. Miss Roberts has an excellent voice which she will display appropriately in a large repertoire of new and old song hits. Four changes of costume are made during the performance and the impersonations of different life figures as exploited by Miss Roberts bring this attraction to a headline position. The picture element will be made up of four stellar subjects each selected with an evident desire to make the entire entertainment a grand one to every respect.
