

FRIENDSHIP OF AMERICA FIRST NEED

So Premier Meighen Tells the Conference at Its Last Session.

FAVORS ANGLO-JAP-AMERICAN ALLIANCE

Canada's First Minister Stands Firm for Cordial U. S. Relations.

London, June 29.—The feature of all the speeches at the Imperial conference, which continued the discussion of the Anglo-Japanese Alliance today, was the desire to promote cordial relations between Great Britain and the United States. There also was practical unanimity in favor of a conference of the powers chiefly interested in the Pacific to discuss disarmament, spheres of influence and all matters affecting their interests.

The premier of the overseas Dominions gave their views freely and frankly. The Canadian Premier, Arthur Meighen, who opposes the alliance, insisted that there should be no act that might possibly affect the good relations between the United States and Great Britain. He expressed admiration for the idea of international co-operation over alliances and the belief that great good would come from a conference between Great Britain, Japan and the United States.

Must Disarm Too He insisted upon the world's great need of disarmament and the aspiration that in time to come the relations between nations would be more and more based on good will.

General Smuts, Premier of the Union of South Africa, was especially favorable to such a conference, and is also believed to favor the suggested postponement of the renewal of the Anglo-Japanese Treaty for three months to allow negotiations and consultations between the powers concerned. He is said to incline to the idea that all questions of alliance should be considered in conjunction with larger questions, such as disarmament.

Premier Hughes of Australia argued in favor of renewal of the treaty on the ground that it was better to have Japan a friend than an enemy.

PAPER WORKERS TO ARBITRATE

All the Companies in the United States and Canada Reach Decision.

New York, June 29.—An arbitration agreement was signed today by Union workers at all the paper mills in this country and Canada with the exception of the International Paper Company. The workers had been on strike since May 1. John P. Burke, president of the International Brotherhood of Pulp, Sulphite and Paper Mill Workers, expressed the opinion that the mills signing the agreement would have resumed operations in full by July 5.

Talk With Canada On Empire Wireless

London, June 29.—Replying in the House of Commons today to questions respecting the position of the Imperial Wireless chain, Rt. Hon. F. G. Kellaway, the Postmaster-General, said that wireless stations at Leafside, near Bradford, and Abu Saba Sabal near, Cairo, would be ready by the end of the year. Labor difficulties were the main cause of delay. He did not agree with those who said that the first link was not yet mentioned and might be a dead end within some years after completion.

Churchill Pleads For Better Feelings

Joint War Advance in 1918 Makes Future Anglo-U. S. War Impossible.

London, June 29.—Making a plea for continued Anglo-American friendship, in speaking before English-speaking union yesterday, Winston Churchill declared:

"The joint advance of British-American and American troops in France on July 4, 1918, raised an impassable barrier to future quarrels between English-speaking peoples.

"We must never hesitate in our exertions to counteract the malicious people, who while professing to be friends of the British Empire on one hand and of the United States on the other are endeavoring to create divisions between the two countries."

STROMBOLI BURSTS INTO WILD ACTIVITY

Inhabitants Flee Before Molten Lava and Deadly Waves of Gases Now Pouring from the Mountain

Messina, Italy, June 29.—The volcano Stromboli, on the north coast of Sicily, burst into wild activity last night and terror fills the island. The molten rocks and sulphurous gases pouring from the crater, it is feared, may spell impending doom to the panic-stricken inhabitants. The people of the island, frenzied by the uncanny behavior of the volcano during the past three days, are congregating on the shores preparing for an attempt at flight, but waiting in the hope that the volcano will subside.

MAKES INTRUDER PAY FOR DAMAGE WHICH WAS DONE

Cow Moose Breaks Into Farmer's Garden and Destroys It.

PLACES ANIMAL ON EXHIBITION

Money Received from Curious Will More Than Make Good Loss Suffered.

Grand Mere, Que., June 29.—Armand Lavergne, a farmer residing in the neighboring village of Ste. Flore, by a bit of financial acumen converted what might have been a loss into a gain, using a cow moose as the medium. One day last week the moose drove out of the woods either by fire or by flies, got into Lavergne's vegetable garden, where it did considerable damage. Lavergne tried to shoot it away, but the moose tangled itself in a barbed wire fence while essaying flight. With the help of neighbors Lavergne drove it into his barn.

Decides to Exhibit. Mr. Elwood Wilson, head of the Forestry Department of the Laurentide Company, was informed over the telephone that a farmer at Ste. Flore had an elk in his barn that undoubtedly belonged to a herd of these animals owned a few years ago by the Laurentide Company, and which had escaped. He motored out, to find a cow moose. Mr. Wilson told the farmer that it was against the law to keep a cow moose in captivity, and that the farmer's idea of selling it to reimburse himself for the damage done was out of the question. The farmer thereupon decided to exhibit the animal until such time as he gets money enough to cover the damage done to his crop by the moose and then release it.

Did Thriving Business. Yesterday he did a thriving business. A sign on a tree outside his house noifies passers-by that a real live cow moose can be seen in his barn for twenty-five cents and all day long there was a procession to see the animal. It was estimated that he must have cleared almost enough to pay for the damage to his crop and fences. The sign is still being displayed.

The moose stands higher than a horse, is not troublesome and seemingly likes captivity. Lavergne reports that it has taken to hay, leaves and oats with the same eagerness it took to his vegetable garden.

Indian On Trial On Murder Charge

Crime Was Committed in September, 1914 — Body Found Two Years Later.

Vancouver, B. C., June 29.—Tom Williams, an Albert Bay Indian, has been arrested and committed for trial on a charge of having murdered Ernest Jack, a young fisherman and hand logger at Neatier Bay, Dickson Island, Sept. 2, 1914.

Prof. Gill Chosen Vancouver, B. C., June 29.—Professor L. W. Gill, Ottawa, director of technical education for the Dominion Government, has been appointed head of the mechanical and electrical engineering department of the University of British Columbia by the Board of Governors. It was announced today.

ONTARIO NEEDS RAIN

Toronto, June 29.—"Give us more rain," is the cry of farmers and growers in many districts of Ontario. While this week has produced heavy showers in some parts it appears that many districts are still suffering from long continued drought and no territory in Ontario has had sufficient moisture.

SYDNEY JUDGE DENIES EVERY ILLEGAL DEED

Takes Stand in Own Defence to Answer Charge of Bribery Brought Against Him.

KEEPS NO RECORDS OF CRIMINAL CASES

Declares He Will Be Able to Produce Papers in "Moonshine" Action.

Sydney, N. S., June 29.—Absolute denial of charges of bribery brought against him made by Magistrate Richard Harris, when he took the stand in his own defence before Judge L. X. Macdonald, this afternoon. Magistrate Harris testified that he keeps no books or records of criminal cases in his court, but said he would be able to procure the information and other papers in the moonshining cases which led to the present inquiry into his conduct of justice. Miss Ethel Daniels, deputy treasurer for Cape Breton county testified that since she took office in 1915, Mr. Harris has made two returns of fines imposed in his court. No returns were made for the years 1919 and 1920.

Elected Moderator. Rev. J. H. Hamilton, secretary of the Social Service Council, and leading figure in the bone dry campaign was today elected moderator of the Freebyery of Sydney. Rev. Dr. John Macintosh is secretary and R. L. MacVicar, L. L. B., treasurer.

SINN FEIN WILL BURN HOMES FOR CROWN ACTIONS

House for House is Order Issued by the Irish Republican Forces.

DE VALERA DENIES VISITING GRIFFITH

"No Such Indignity Offered" He Declares in Statement Regarding Alleged Visit.

Dublin, June 29.—The Sinn Fein organization today issued a statement denying that Eamonn De Valera, the Irish Republican leader, had visited Arthur Griffith founder of the Sinn Fein in Mount Joy prison as has been reported. The statement said: "No such indignity would be offered Mr. Griffith by the President as to seek a conference with him within the walls of a British prison."

Orders Retaliation. The Dail Eireann, or Irish Republican Parliament, has authorized retaliation measures against reprisals by members of the Crown forces. The order states that whenever a house or other property is destroyed by the "enemy," whether alleging military necessities or not, a similar number of houses belonging to the most active enemies of Ireland may be destroyed in the same area, except when the district concerned has been cleared entirely of the "enemy." No person shall be regarded as an enemy, the order adds, unless actively anti-Irish.

'Peg' Railroaders Have Wages Cut

Six Thousand Men Affected There by Twelve Per Cent. Reduction.

Winnipeg, June 29.—Officials representing the Canadian Brotherhood of Railroad Employees' organization, comprising clerks and station employees in Western Canada, were advised today by A. E. Warren, general manager of the western lines of the Canadian National Railways, of a reduction of approximately 12 per cent. in wages, to take effect July 1, an enemy, the order adds, unless actively anti-Irish.

Homeless Family On Vacant Field

Driven Out of Their Home by Rent They Take to Open Lot.

Toronto, June 29.—Forced to vacate a house which they had rented jointly for \$12 a month, two women with their families of one and four children, respectively, have been living in the open field since June 17. A real estate agent is selling lots on the city's outskirts on a \$2 deposit basis and the women got one of these sites and deposited their effects thereon. To a reporter, who visited them, they said they were hoping to get enough lumber to put up a shack. The women take turns going out washing at 39 cents an hour, the other remaining to care for the five children. On hearing of their plight, relief authorities started for the scene to round up the women and children and find shelter for them.

No Standard Tomorrow

Tomorrow being Dominion Day, a public holiday, The Standard will not be published.

News of the World

CANADA

Marine department sticks to plan to close the Partridge island wireless station.

Sydney magistrate denies all the charges of bribery made against him.

New Waterford, N. S., cripple is held on a charge of manslaughter in connection with a death in a street fight.

Mrs. Perry at Yarmouth pleads not guilty to charge of killing her husband.

Marshall Fayolle of France presents but to Canada as sign of French regard.

Premier Meighen repeats to conference his position that Japanese alliance must not endanger friendship with United States.

Sinn Fein announce a policy of reprisals against Crown for burning houses.

Stromboli breaks forth into wild eruption and all living near flee for their lives.

ITALY

Stromboli breaks forth into wild eruption and all living near flee for their lives.

STICKS TO PLAN TO CLOSE LOCAL WIRELESS PLANT

Partridge Island Not Included in New Plan, Government Announces.

Slight Changes in Original Plan Shipping Federation Secretary Claims All Necessary for Safe Navigation.

Ottawa, June 29.—Decisions of the Lighthouse board regarding the maintenance of wireless stations in the Gulf and river St. Lawrence were made public today by the Department of Marine, following two conferences with representatives of the shipping industry.

The shipping interests asked that the station at Health Point, Anticosti, remain in operation. The board recommended instead that wireless equipment be installed on the lighthouse which is maintained at Health Point. The station at Point Amour will be maintained permanently, either in its present location or in a suitable location on Canadian territory in that vicinity.

One Plant Continues. In regards to the station at Point Rich, on the Newfoundland coast, which the shipping interests asked be continued, the station will be continued for some time by the department. The lighthouse board did not make any recommendation in regard to this station.

The majority of the board reported in favor of discontinuing the station at Cape Ray, holding that it was not necessary as an aid to navigation.

Thomas Robb, Montreal, manager and secretary of the Shipping Federation, who is also a member of the lighthouse board of Canada, dissented from the findings of the board, holding that the maintenance of all the stations was necessary in the interest of navigation.

The view of the department and its technical advisers is that the recommendations of the board when they are carried out by the department of the naval service will meet the situation as far as aids to navigation are concerned.

This means, apparently, that the wireless station on Partridge Island will be closed. It was included in the original list of seven that the government decided to abandon.

CRIPPLE HELD FOR DEATH IN STREET FIGHT

Alleged New Waterford, N. S. Man Hit Assault on Head With Stone

Victim Lingered Two Weeks Prisoner, a Cripple, Declares He Feared Serious Injury and Acted in Self Defence.

New Waterford, N. S., June 29.—Alex. McIsaac is dead and Joseph Baxter is in the town jail on a charge of manslaughter as a result of a street fight here on June 11. According to the police Baxter was accosted by McIsaac and an altercation ensued in the course of which Baxter struck McIsaac on the head with a stone or a stick. McIsaac fell to the ground at the time, but next day was unable to go to work, and has since been under medical treatment.

Died From Injuries. Baxter was detained on a nominal charge of assault with intent to do grievous bodily harm. McIsaac died last night following an operation upon the brain and the charge against Baxter was changed to manslaughter. Baxter, who is a cripple, says he feared serious injury at the hands of McIsaac and struck him in self-defence. The deceased leaves a wife and seven children. Baxter's preliminary hearing begins tomorrow.

CHIEF RIDEOUT IS GIVEN PURSE OF GOLD

Token of Expression of Appreciation of Temperance People for His "Dry" Work at Sydney.

Sydney, N. S., June 29.—As a mark of their appreciation of his services during the first two months of the bone dry Sydney campaign, leading citizens of Sydney tonight at the Y. M. C. A. presented Inspector George R. Rideout with an address and a substantial purse on the occasion of his departure for Montreal to attend the annual convention of the Chief Constables' Association of Canada. The presentation was made by C. P. Moore, president of the local Social Service Council.

MARSHAL GIVES CANADA A BUST TO SHOW REGARD

Church, State and Society at Presentation Made by French Warrior.

Tribute is of Grateful France

Magnificent Example of Sculptor's Art Forever for Canadian People.

Ottawa, June 29.—Marshall Fayolle, in the name of France, this afternoon presented to the Canadian people Rodin's bust, La France Reconnaitrice (grateful France). The ceremony took place in the railway commission room of the House of Commons and was presided over by the leaders of the state, church and society. Mr. Hon. C. J. Doherty, acting prime minister, and Hon. W. L. Mackenzie King, leader of the opposition accepted the bust on behalf of Canada.

Bust is Detained. Unfortunately, as Hon. Mr. Doherty explained, through a most regrettable error, the bust itself had been detained in Quebec but would be forwarded to Ottawa immediately. Instead of the bust a photograph of it was placed on exhibition. Mr. Doherty voiced the feeling of the Canadian people when he said that the bust would be accepted, although it was not present, with the deepest spirit of gratitude and sincerity. The bust, as can be seen from the photograph, is a truly magnificent example of the sculptor's art and as Marshall Fayolle said, depicts France victorious. On it are engraved the words: "To Canada, which has poured out the blood of her sons for the liberty of the world, from grateful France."

TRIFLED WITH STRONG DRINK AND PERISHED

Thirsty Snake Laps up Bottle of "Hooch" With Dire Results.

HOME BREW WAS TOO MUCH FOR HIM

Fell off the Dock Into Lake and Disappeared Forever from Human Ken.

Green Lake, N. Y., June 29.—Donald Dwiggins, the six-year-old son of Claire V. Dwiggins, the artist who draws the "Schooldays" and "Ophelia" cartoons has a thrilling grocery store at his father's home across the Canada Lake here, from which he industriously peddles to imaginary customers such groceries as from time to time he can wheedle from the Dwiggins' cook.

Finds the "Hooch." Two or three days ago Donald acquired a half bottle of potent but discarded home brew, and he put it on the table at once, his young soul untroubled with the prospect of being a juvenile bootlegger. But he put it in the sun, and the sun was hot. Soon the cork popped out, the home brew "hooch" flew over the bottle and a thin stream of it ran down the plank which is the counter of the grocery store.

Enter The Serpent. A little while after the popping of the cork and the fizzing of the brew a foot and a half garter snake came along, having come down from the mountain to see what he could see. He sniffed the home brew, he gulped a bit of it, and he quickly drank his way along the bottle. Then he crawled up to the bottom. After that he crawled out again, fell off the plank when he tried to retrace his steps (or wiggles), and finally he made a very zig-zag course to the dock.

Booze Was Too Strong. It was perfectly obvious that the snake was frizzled, as the saying is, to the eyeballs. He crawled foolishly around the dock for a few moments, apparently with a very discouraged outlook upon life. Finally he tried to crawl along the edge of the dock, but wobbled so that he slipped and fell into the lake. He was seen no more.

Mackenzie King On Political Tour

Liberal Leader to Spend Week in Montreal and in the Eastern Townships.

Ottawa, June 29.—Hon. W. L. Mackenzie King, leader of the Liberal party, leaves here tomorrow morning for Montreal and the Eastern Townships. At Montreal tomorrow, Mr. King will be the guest of the Reform Club at an informal luncheon, and in the evening he will go to Knowlton, Que., where he will be the guest of A. R. McMaster, M. P. for Brome. On Dominion Day Mr. King will address a meeting at Brome and the following day he will speak at Bedford, in Missisquoi County. Mr. King is expected to remain a short time in Quebec visiting friends.

FIGHTERS END TRAINING FOR THEIR BATTLE

One Effort to Stop the Contest Has Been Abandoned by Reformers.

Dempsey's Day Quiet and Calm

Carpenter Finishes His Work in Secret Behind the Barn With Trainers.

Trenton, N. J., June 29.—All efforts to stop the Dempsey-Carpenter fight by injunction were dropped late today by the International Reform Bureau following a conference here between Rev. Robert Watson and Clinton N. Howard, respectively, president and secretary of the bureau.

Dr. Howard announced it has been decided to drop all prospective injunction proceedings for an injunction and rely upon the action taken by representatives of the reform bureau in Jersey City, who seek to stop the bout through the Hudson County grand jury.

Dempsey Ends Training. Atlantic City, N. J., June 29.—With a light fifteen minute workout, that included three rounds of boxing Jack Dempsey today ended ten weeks of training in preparation for the defense of his world's championship against Georges Carpentier at Jersey City on Saturday afternoon.

The champion took his final workout under the burning heat of a mid-afternoon sun, under such conditions as may prevail when he crawls into the ring to face the European champion. After working for the last two days in private Dempsey performed in public this afternoon in his open air arena instead of the old airplane shed in back of his camp. About five hundred or more spectators was James J. Corbett, a former world champion, who watched the title holder as he went through his paces.

Quiet and Tame. Dempsey's final day of training was exceedingly quiet and tame. After taking a long walk with "Mike" Train, over the paved highway leading west from the camp, Dempsey returned for a brisk rubdown and a big breakfast.

Before dressing the champion jumped on the scales in his rubbing room and balanced the beam at 133 pounds. He expects to shrink another two pounds of his big frame within the next 36 hours.

Dempsey will do nothing more than punch the light bags for a round or two tomorrow.

Carpenter Fit. Manhattan, N. Y., June 29.—Georges Carpentier boxed four rounds with as many sparring partners this afternoon. Francois Descomps, his manager, announced tonight that the identity of the four pugilists was not revealed.

Today's activities were largely shrouded in mystery. Carpentier went out on the road this morning for a light but lengthy workout. When he returned he was sent behind the barn with Trainer Wilson, Charles Ledoux, French bantamweight champion, and Paul Journee. He remained there three quarters of an hour. Strict orders had been given the manager, however, that no man, woman or child, except those who were invited, were to be seen.

Descamps came to the fence and said Georges had worked lightly and had not sparred.

QUEBEC'S CIVIC STRIKE IS OVER

Awarded from 75 Cents to \$1 Increase Although \$1.50 Was Asked.

Quebec, June 29.—"The strike is over and the bremen, as well as the police will return to duty," said Mayor Samson at twelve-thirty today. "The time limit which we gave them, we are willing to extend now that the affair is satisfactorily settled. The mayor stated that no man, woman or child, except those who were invited, were to be seen. The surrender of the bremen, the last to hold out, was finally decided upon at a meeting held at 11 o'clock today. Many aldermen attended the meeting and assisted in the final agreement being reached.

The men will see increases in pay of 75 cents and \$1 per week, according to length of service. The wage scale of the bremen and police now runs from \$18 to \$26 per week. The men want a strike at midnight Saturday demanding an increase of \$1.50 per week.

Canadian Airmen In Few Accidents

Flew 33,612 Miles in 1920 With Only One Birdman Injured.

Ottawa, June 29.—An approximate mileage of 33,612 miles was covered with only three slight crashes and one person slightly injured in the work of civil government flying under direction of the Air Board during 1920, according to statistics covering the year's operations issued by the air board. Government machines made 398 flights during the year and the number of hours flown was 480.10.

18,671 Flights Made. The statistical summary of civil aviation in Canada during the year shows 18,671 flights made and 6,668 machine hours flown. The average duration of civil flights in minutes was 21, and 15,265 passengers were carried in the flights made. Passenger hours flown were 5,164 and a total of 6,740 pounds of freight was carried.

The St. John Standard

OUR SECOND FRONT PAGE

THE STANDARD, ST. JOHN, N. B., THURSDAY, JUNE 30, 1921

PAGE 3

A PAGE OF NEWS ABOUT THE MARITIME

Not Guilty Is Mrs. Perry's Plea

Jury Picked at Yarmouth to Hear the Case of Murder Against Woman.

Yarmouth, N. S., June 29.—I am not guilty, declared Mrs. Clara Elizabeth Perry, when charged with the murder of her husband, Capt. George H. Perry, before Mr. Justice Mellish, in the supreme court here this morning. Her answer to the charge was clear and distinct, and despite the roar of a torrential rain, which beat upon the roof of the court building, where the trial is being held, it could be heard by everyone of the great crowd of spectators that thronged the building.

The Jury Chosen

The work of empanelling a jury was speedily completed, the following names being selected: Fred Porter, (foreman), Harvey Ellis, Thomas Ellis, Nehemiah Fous, Gordon Sweeney, Fred Symonds, Frank Butler, Percy Grant, Arnold B. Crocker, Ambrey Nickerson, Fred Swenson and Leslie G. Bala. In his address to the jury before the calling out of witnesses, Crown Prosecutor MacKay referred to the evidence of Nathaniel Adams, the witness who testified at the preliminary examination that Mrs. Perry had asked him to disarrange the collar steps and had given her impressions of the boys. This was some years ago. Mr. Landry, counsel for the defense, strongly objected to this evidence on the ground that it was not admissible, owing to its remoteness. The jury retired while this point was argued, the judge finally ruling its admission.

The first witness called was R. H. Lewis, the architect who made the plans of the Perry home since the murder. He was on the stand when the court adjourned until this afternoon.

A POISON STORE-HOUSE IN EVERY HOME

You may not think so, but that's what happens to everyone of us when the kidneys are affected. The kidneys are the filters that remove from the blood the waste matter that acts like deadly poison on the vitality and health of the system. Dr. Hamilton's Pills stimulate the kidneys, expel the matter from the bowels, restore the liver and stimulate all excretory organs. No medicine will clean up the system, tone the blood, make you feel fit and fine as quickly as Dr. Hamilton's Pills. Use as needed in every home. Dr. Hamilton's Pills of Mandrake and Butternut, 25c. Dealers, on The Catarbozoo Co., Montreal.

New Brunswick In Maine Courts

Charged With Rum Running—Must Answer Charge in December Circuit.

Bangor, Me., June 29.—Ludger Garrette, of Blue River, N. B., was arraigned before United States Commissioner Reid in Bangor on charge of unlawful transportation of 236 bottles of intoxicating liquor, the capture of the automobile at Howland by Deputy Sheriff Graves of Mars Hill and Deputy Collector Whitten of Mars Hill and McPherson of Bridgewater having taken place on Tuesday. The respondent was not represented by counsel and was held in \$750 for his appearance at the December term of the United States district court. He gave bail.

Fredericton

Fredericton, June 29.—Rev. George W. Tilley of Hillsboro, Rev. Samuel Howard of St. John and Rev. G. Stanley Helps of Hampton have been registered to solemnize marriage.

Woodstock Pastor Resigns Charge

Rev. W. B. Wiggins Ends Term of Service With Reformed Baptist Church.

Woodstock, June 29.—Rev. W. B. Wiggins, pastor of the Reformed Baptist Church, tendered his resignation on Sunday. With Mrs. Wiggins he left on Monday for Beulah Camp Grounds, Kings County, where the yearly meeting of the Alliance of the Reformed Baptist denomination is held in a beautiful tabernacle, for a period of ten days. Rev. Mr. Wiggins first came to Woodstock as pastor of the church in 1896 and remained for ten years. He then spent a year as evangelist, afterwards going to Moncton, where he remained as pastor for nine years, and again returned to Woodstock five years ago.

Revelations of The Microscope

Professor—"When you examine a dog's lungs under the microscope, what do you see?" "The seat of his pants, I suppose."

DILLS OFF FOR HALIFAX.

Montreal, June 29.—Owing to the hot weather Mr. and Mrs. Frank Dill abandoned the idea of walking from here to Halifax and left on the Maritime Express today. "Walk to Halifax in this weather, not for a million," said Mrs. Dill.

ALBERTA NOMINATIONS

Edmonton, Alta., June 29.—Kennedy Waterhole was nominated U. F. A. candidate for Peace River constituency in the Provincial Election by a convention of farmers held in Spirit River last night. Joseph Deschene was selected as U. F. A. candidate for Beaver River. Other Liberal nominations are: J. E. McCallum, for Vegreville; John J. Guetz, in Red Deer; H. J. Montgomery, in Westaskin, and W. J. Puffer in Lacombe.

ECZEMA

You are an experiment. If you use Dr. Chase's Ointment for Eczema and Skin Irritations, it relieves at once and gradually heals the skin. Sample box Dr. Chase's Ointment free! If you mention this paper and stamp for postage, 50c a box; all dealers of Edmondson, Baker & Co., Limited, Toronto.

Moncton Rotarians Hear About Shale

Speaker Points Out Great Value and Possibilities of the Albert County Deposits

Moncton, June 29.—The Moncton Rotary Club had as its guests at today's luncheon, the Messrs. Mathew Lodge, "The king pin of Albert oil and shale development"; Mr. John Henderson, of the D'Arcy Exploration Company, and Mr. George W. Wallace of East St. Louis, inventor of the retort and certain machinery now being used at the shale reduction plant of the D'Arcy Exploration Company at Roseville, Albert County.

Mr. Wallace was the speaker at the luncheon and pointed out some features of the shale industry, as well as forecasting a great future for Moncton in event of this industry being developed along the lines as was now proposed.

Give Much Employment.

He pointed out that shale development in Albert County would give aid to many unemployed men and benefit tradesmen of Moncton and its suburbs, two things which would be bound to occur. Touching on the shale in Albert County Mr. Wallace pointed out that his experience had brought him to the belief that the N. B. shales were the best. He compared them to the Oklahoma shales which he stated had a lower proportion of ammonia, lubricating oils and gasolines, than have the Albert County shales. He predicted a good market for the Albert County shale products, believing that the hearty co-operation of the business men of Moncton and vicinity as well as that of the provincial government.

The meeting closed with the rendition of the National Anthem with Mr. P. L. Higgins as accompanist.

APPEAL IS DISMISSED.

Ottawa, June 29.—The Supreme Court has dismissed with costs the appeal of the Halifax Graving Dock Co. against the award of the Exchequer Court denying further claim over and above the amount provided in the expropriation percentage for this property of some \$1,360,000.

EXPRESS THANKS.

Glassville, June 29.—Mrs. William McBrine and family wish to express their thanks to their many friends, and particularly to the firm of Fleming and Gibson, for the many kindnesses shown in their recent bereavement, the death of the husband and father, after only one week's illness.

Unveil Memorial To Chatham Hero

Former Pastor to Take Part in Special Service on Sunday.

Chatham, N. B., June 27.—In St. John's church here a memorial tablet in honor of the veterans of the war will be unveiled next Sunday. Rev. J. M. McLean, a former pastor of the church, will preach.

Local committees representing St. Andrew's and St. John's churches are at work arranging for the entertainment of the delegates to the Miramichi Presbyterial which will be held in St. John's Church on Wednesday and Thursday, July 6 and 7. The secretary, Mrs. Wm. Luke, reports that nearly eighty names of delegates who expect to attend have already come to hand, appointees of women's missionary societies in the Presbyterian congregations of the North Shore from Kent County to New Carlisle on the Gaspe coast.

Bernard Williston, Bay du Vin, reports the recent salmon catch to be the best in forty years. As many as 20,000 salmon were caught last week by the drifters who operate in the Straits off Point Escuminac. The boats earn from \$50 to \$270 a night. The price of salmon, which was \$275 a piece at the net, has dropped to \$1.

Why???

The question of the best ice cream was always open to argument until Purity won the approval of all good housekeepers.

The secret of quality in Purity Carbonated Ice Cream lies in the conscientious care and superior skill employed in the mixing and freezing. Cleanliness, purity, well-applied skill, courtesy and prompt delivery mark our methods.

EXCHANGE RATES BETWEEN COUNTRIES.

The adverse rate of exchange between Canada and the United States is not looked upon with good grace by the Canadian, who claims that his dollar should have the purchasing power of a dollar across the line, instead of being depreciated as it has been during the past few years. Some claim that the low-purchasing power is due to sharp business practice by our American cousins, but in reality it is doubtful if American business men would do anything to jeopardize business relations with his best customer by deliberate sharp practice. Currency is based on gold, but at the present time Canadian currency is not redeemable in gold in practice. When a country is unable to meet its obligations as provided by law, there is a tendency for currency to depreciate. One must remember that money is the measure of value, just as the pound weight is the measure of weight. The Financial Post points out that "if in buying meat the butcher uses a weight lighter than the standard, the customer gets only a nine-pound roast for his Sunday dinner when the scales show ten pounds. Our currency is in exactly the same position; the standard is gold, but the money used is not equal to gold. When the goods we exchange is measured as to value by the standard, as it must be when dealing in another country, the discrepancy is evident but we have no right to blame the standard." The exchange situation must be viewed from every angle. The currency of Great Britain, the pound sterling, is worth at par \$4.86 but is quoted in Canada at considerably below this. If the British people blamed Canada for the pound sterling not being valued at par, we would naturally resent it. The situation between Canada and the United States is very similar. Our dollar is at par in other countries when our currency is redeemable in standard currency.

WHEN THE LABOR LEADER BECOMES A CAPITALIST.

The average professional labor leader would resent the charge that he is a capitalist. And yet he gets a salary which puts him out of the category of laborer, apart altogether from the fact that he does not do anything in that class.

Recently an increase in salary voted by Warren Stone at the triennial convention of the Brotherhood of Locomotive Engineers, in Cleveland, makes him the highest paid labor official in the world. He is to receive \$25,000 a year and the grand chief engineer of the brotherhood. Mr. Stone began life as a fireman on the Burlington line, but like so many other successful labor leaders, he has ceased to labor, to better lead. In fact, he has become president of a bank. He is head of the Locomotive Engineers' Co-operative National Bank and his princely salary is paid him partly for his work as a banker.

There can be no particular objection to a union organizing a bank or to Mr. Stone becoming the head of it—so long as the laws of good banking and of sound finance as well as those of the nation, are observed without undue discrimination against the public interest. But it may not be amiss to point out that Mr. Stone has graduated into the class of capitalists, and is probably a "blasted bondholder" as well. Further, practically every locomotive engineer, every fireman, conductor or brakeman, like the workers in other highly paid industries, has had an opportunity to save money during the years of fat wages and by investing his savings, join the ranks of the capitalist.

CUTTING OFF BUYING POWER.

The value of farm and other natural products which Canada would normally export to the United States but for the Emergency Tariff barrier, is estimated at \$175,000,000. If this volume of our commodities must find a market elsewhere, our buying power so far as the United States is concerned is reduced not only to that extent, but more. Canada has been buying about a third of a billion dollars' worth more from the United States than she has been selling to that country. If our normal rate of exports were \$400,000,000, the cutting away of \$175,000,000 would be a loss of about 40 per cent., and

40 per cent. of our imports would be more than \$300,000,000. To even up matters, therefore, this year we should decrease our imports from the United States by \$300,000,000 to maintain the same relative balance. If we do not, exchange will go further against us, and our home conditions will be correspondingly depressed. The only way in which the selfishness of the Republican policy toward this country can be met is by a refusal to buy American goods that we can produce at home. The New York Journal of Commerce points out the futility of the United States seeking to improve its trade conditions, which now depend largely on export business—the country's production is overbuilt for home consumption purposes—while at the same time depriving foreign peoples of the chance of paying by goods for what they purchase. It is Washington that has taken the offensive in this respect toward Canada, and we can defend ourselves best by recognizing our reduced buying power in the United States, and cutting orders.

The esteemed Globe is very remiss in some of its comments. Referring yesterday to the rumored resignation of Senator G. D. Robertson, Minister of Labor, to become the head of the Railway Telegraphers, it concludes: "It would not be easy to fill his place." What is the Globe thinking about? Can it be that it has never heard of one J. A. McDonald, recently elevated to the Senate, at the behest of the labor party? Does the Globe not know that Mr. McDonald is, or was, a member of a labor union, and that it is commonly asserted and not denied, that he owes his Senatorship to an understanding that if appointed he would deliver the labor vote to Government candidates in the Maritime Provinces at the next election? Is he therefore not the "logical successor" to Senator Robertson?

The Times—"The Prime Minister should not prolong his stay in England. . . . It is his duty to give the Canadian people an opportunity without unnecessary delay to express their views as to who should represent them at such a conference 'as that in London.' We are glad to have this candid statement of opinion, because should Premier Meighen decide to appeal to the people before redistribution, The Times cannot now consistently blame him for robbing the West of its proper representation.

Premier Foster and his colleagues no doubt read with much pleasure the statement in the Baptist Temperance Committee's report that the Rev. W. D. Wilson had resigned his position as Chief Inspector on account of political intrigue and because he would not stand for interference by the provincial government.

The Rev. Mr. Tedford in his report to the Baptist Convention declares that the Baptist ministers have a great duty to perform in arousing the public conscience in the forthcoming referendum. We remember some years ago hearing the late Master of the Rolls, Lord Esher, ask Mr. Asquith, who had used that expression when arguing an anti-betting appeal, if he could define just what the public conscience was. We forget just what the reply was, but it did not satisfy the Bench. Perhaps Mr. Tedford could do better.

Muskrat Attacks Boy, Poisons Him

Tears Flesh from Child's Arm in June Battle.

Allentown, Pa., June 29.—Gay White, 14, son of Geo. W. White, is suffering from a serious case of blood poisoning resulting from wounds sustained yesterday in a fierce battle with a big muskrat.

The boy was walking through the tall grass on his way home from school, when the rat suddenly attacked him, fastening its teeth in his wrist. The boy tore the animal loose, but it at once renewed the attack, biting him five times.

Finally the boy was able to shake off the animal, throwing it ten feet, but in so doing he tore a large piece of flesh from his arm. He hurried home, bleeding from half a dozen wounds and was at once put under the care of a physician. He suffers great pain.

The boys says the muskrat was the largest he ever saw and believes it weighs at least four or five pounds. The boy's father is chief in a local hotel, having for many years been mess sergeant in the United States Army.

Cuticura Soap The Velvet Touch For the Skin

For the Emergency Tariff barrier, is estimated at \$175,000,000. If this volume of our commodities must find a market elsewhere, our buying power so far as the United States is concerned is reduced not only to that extent, but more. Canada has been buying about a third of a billion dollars' worth more from the United States than she has been selling to that country. If our normal rate of exports were \$400,000,000, the cutting away of \$175,000,000 would be a loss of about 40 per cent., and

Getting Inquisitive.
 What possible concern has the American Federation of Labor with the government of Ireland, and why? Buffalo Express.

A Composite Name.
 After church unions what shall we call them? Congressionists? How would Presconadians do? Or Metab-conterians? It seems to us that Congressionists is too cumbersome—Kincardine Review.

A Sad Moment.
 "This is a very sad moment," declared the Duke of Devonshire, the retiring Governor-General, at a farewell luncheon at Ottawa. And how curious persons are asking if he referred to his departure or to the fact that he had just signed an ordinance making Ontario dry on July 18.—Kingston Whig.

Arrogant Companies.
 The grain companies dub the royal commission reported that there were thousands of unnecessary employees in the Dominion Civil Service. It has taken the Government a long time to act on this report, but at last a start has been made and some 200 surplus heads have fallen into the basket. It is not pleasant to see men thrown out of employment, but neither is it right that the Civil Service should be used at the expense of the people to provide easy berths.—Guelph Herald.

Not For Easy Berths.
 A couple of years ago a government commission reported that there were thousands of unnecessary employees in the Dominion Civil Service. It has taken the Government a long time to act on this report, but at last a start has been made and some 200 surplus heads have fallen into the basket. It is not pleasant to see men thrown out of employment, but neither is it right that the Civil Service should be used at the expense of the people to provide easy berths.—Guelph Herald.

A BIT OF VERSE
 "WE ARE THE DEAD."
 By Willard Water, Road at the Dedication of Memorial Hall, Massachusetts Agricultural College.

The light of old South College one by Blossom in fire; across the quiet Pond
 A mummur stirs and whispers and in the North Star shines on Toby; and beyond
 The sorrow and the heartache and the scars
 Wheel the inviolable squadrons of the stars.

Across the shadows drifts the undertone
 Of laughter and of music and of talk;
 Great schemes are hatching, building stone by stone
 The future, and deep friendships where men walk
 Smoking along the paths where once before
 Strolled the undaunted dead we see no more.

Whether we faced them from the lecture chair
 Or shoulder to shoulder listened in the seats,
 We know one golden lad of yellow hair
 Walks on the wind and still his comrades greet,
 And all the gay young faces that we knew
 Have only changed to let the light shine through.

They are not dead, they do not, cannot die,
 They are as near us, nearer than before;
 We call to one who have so dim an eye
 We can't see them stamping out the door.
 Playing at ball and laughing deep and clear;
 Only our ear is dull, we do not hear.

About the Chapel still the ivy shades
 The green numbers of each social class.
 Never again to gather for those raids
 That shocked the village when they came to pass;
 And now we build a structure that will keep
 Alive our dead who in the Argonne sleep.

Their bodies rest outwreathed with the day;
 Hunger and thirst and agony they dying they smiled, for suffering could not slay
 The love they bore, the faith they held so true;
 And now they bid us still be comforted
 Knowing they live—"is we who are the dead."

THE LAUGH LINE

Gorgeous is Right.
 The lunch was served by eight boys gorgeous in white duck jackets and decorated with immense effervescent mums in two courses.—Herrington, Kan., Sun.

He's Hooked.
 That Gotham girl says when a fellow tells a girl that she is the only one who understands him it is safe for her to select her bridesmaids.

Small Town Stuff.
 A meat wagon from Middlesex called on us today.—Naples, N. Y., Record.

Little ? For Today.

Altered Epigrams.
 The hand that sets the table rules the world.
 The Daily Don't.
 Don't pass the buck—buck up.
 Ain't it the Truth?
 So, Portland Sage says a lot of people pray for more grace when what they need is more sense.

Benny's Note Book

BY LEE PAPE

STARS.
 Stars add variety to the sky. They also add life. If there weren't any stars there would be no life on earth. They would be so dark nobody could see whether there was any up there anyway.

For all we know nobody lives on the stars, but for all they know nobody lives on the earth either, proving ignorant don't prove anything.

Some people admire the stars because they twinkle, not being anything to be dissatisfied about on account of the earth would probably twinkle too if you got as far away from it as you are from the stars, only its not worth while taking a chance going that far just to find out.

The stars only come out at night, but they are up there in the morning and afternoon just the same. This proves nobody awt to work more than half a day.

If you see the first star that comes out and make a wish on it you are supposed to get your wish, which you are probably more likely to do if you take a wish on a star than if you wish to have dessert for supper than if you take a hard one like wishing you will find a bicycle that "does belong to anybody."

There are so many stars altogether that nobody knows just how many, but you would be lucky if you only had a cent for every one.

One of the main uses of the stars is so you can tell for sure if its stopped raining.

Hay Crop Ruined Around Quebec

Dry Weather Has Dried up Grass—Little Hope for Root Crops.

Quebec, June 29.—Farmers in the district of Quebec have given up all hope of a good hay crop this summer, owing to the dry season, and in many places are putting cattle on their hay fields to pull all they can, saying they will be obliged to sell their stock in the fall for lack of hay to feed them next winter.

The ground is so dry in many fields

in the district and stubble so bare up that it crushes and breaks under foot. The farmers say the only chance they will have for a medium crop this season will be a season of rain that cannot come too soon now.

That's what you need to back up your health and appetite. See the name, it's—

HAWKERS' DYSPEPSIA REMEDY
 A wonderful remedy which tends to relieve all persons suffering from dyspepsia, indigestion, or any form of stomach trouble.

It is also very effective for the kidneys, pains in the back, etc.

If you are nursing a poor appetite, caused by bad digestion—buy a bottle of this medicine and convince yourself of its ability to relieve your ailment.

Funerals

The funeral of Miss Mary Nannery took place at 7.15 o'clock yesterday morning from the Mater Misericordiae Home, Sydney street, to the Church of the Assumption, West Side. Rev. J. J. Ryan celebrated requiem mass, and interment was made in the Catholic cemetery, West End. Many beautiful wreaths and spiritual offerings were received, among them a

large wreath from the teaching staff of the St. John schools.

The funeral of William Smith took place yesterday morning from Mr. Brennan's West side. Rev. J. Hennessey conducted service, and interment was made in Cedar Hill.

The funeral of Frederick P. Kingston took place yesterday afternoon from the residence of his son, Rev. Dr. Hutchinson conducted the service, and the body was taken to Hoyt Station for interment yesterday.

Weddings

Ritchie-Lyons.

In St. John the Baptist Church yesterday morning Rev. Dr. A. W. Meehan who was celebrant at nuptial mass united in marriage his niece, Miss Elizabeth Agnes Russell Lyons, daughter of Mrs. Mary J. Lyons of Waltham, Mass., and Robert M. Ritchie, son of Mr. and Mrs. Robert J. Ritchie, 10 Duke street. The bride, was given in marriage by her only brother, John D. Lyons, assistant corporation counsel of New York City. The bridesmaid was Miss Winifred M. Ritchie. The groom was attended by his brother, Mr. Thomas R. H. Smith, sister of the bride, was matron of honor. The ushers were Lucien Ritchie, John Flood, Thomas R. H. Smith and George Flood. In the sanctuary were Right Rev. Monsignor J. J. Walsh, V. G., Rev. Edward Savage of Moncton; Rev. W. J. Holland of St. George, Rev. C. P. Carleton of Silver Falls, Rev. J. A. MacDougall of St. Joseph's University.

Mr. and Mrs. Ritchie left on the evening train for an extended trip to Montreal, Boston, New York and Washington and will be at home after September 1, at 128 Sydney street.

Weddings

Murchison-Bannister.

A very pretty wedding took place at three o'clock yesterday afternoon in Trinity church, when Miss Pearl Bannister, daughter of the late Mrs. Murchison, was married to E. Leopold Murchison of Grand Falls. The bride was given away by her brother, George Bannister, who was bridesmaid, and the groom was attended by his brother, John Murchison. The bridesmaid was Miss Winifred M. Ritchie. The ushers were Lucien Ritchie, John Flood, Thomas R. H. Smith and George Flood. In the sanctuary were Right Rev. Monsignor J. J. Walsh, V. G., Rev. Edward Savage of Moncton; Rev. W. J. Holland of St. George, Rev. C. P. Carleton of Silver Falls, Rev. J. A. MacDougall of St. Joseph's University.

Mr. and Mrs. Murchison left on the evening train for Boston. On their return they will reside at 117 Elliott Row.

Weddings

Gabraith-Kierstead.

At the home of the bride's mother, 250 Duke street, west side, at four o'clock yesterday afternoon, Miss Annie Kierstead, daughter of Mrs. Helen C. and the late J. W. Kierstead, was united in marriage to Burton Harold Gabraith of this city. The ceremony was performed by Rev. I. O. Kierstead, uncle of the bride. Miss Helen Kierstead, sister of the bride, was bridesmaid, and Jean Hoyt supported the groom. After the ceremony, a tempting luncheon was served, and the bride and groom left on the evening train for a wedding trip through the provinces. Upon their return they will reside at 220 Duke street, west side.

Weddings

Sweeney-McFadden.

A very pretty wedding was solemnized in St. Peter's church yesterday morning at six o'clock, when Rev. Dennis O'Neil, who was celebrant at nuptial mass, united in marriage Miss Ross C. McFadden, daughter of Mr. and Mrs. Hugh McFadden, and Thomas E. Sweeney, son of Mr. and Mrs. Sweeney, of Fairville. The ceremony was performed by Rev. W. H. Johnston under an attractively arranged arch. The bride was given away by her father. After the ceremony a reception and luncheon was served at the bride's home on Mr. and Mrs. Ganong left by automobile for their home in Nanawegauk.

Weddings

McGillivray-Bowes.

An interesting wedding took place last evening at 5.30 o'clock at the home of the bride's parents when Miss Sadie McGillivray, daughter of Mr. and Mrs. S. A. Jenkins of Hampton station was united in marriage with Howard Burnham Ganong, son of Mr. and Mrs. J. Henry Ganong of Mountain Dale, Kings county. The ceremony was performed by Rev. W. H. Johnston under an attractively arranged arch. The bride was given away by her father. After the ceremony a reception and luncheon was served at the bride's home on Mr. and Mrs. Ganong left by automobile for their home in Nanawegauk.

LINOLEUM

in Wide Design and Color

Choose the Pattern You Like Best

Would your kitchen floor, your bedroom, dining room or living room floor look better with a new floor covering? Have your dealer spread out for your inspection the many designs of Made-in-Canada Linoleum. Craft-Scribner.

A very pretty wedding took place yesterday afternoon in the paragon of Germain street Baptist church, when Rev. S. S. Poole united in marriage Miss Grace Annette Scribner, daughter of Mr. and Mrs. George P. Scribner, of Hatfield's Point, to William Leonard Craft, of Fairville. After the ceremony they left for the home of the bride's parents where a wedding supper was served. Among the out-of-town guests were Mrs. Emmeline Vanwart, aunt of the bride, and Miss Viola Craft, sister of the groom. Upon their return after their trip, they will reside at 43 Havelock street.

FOCH LIKELY TO COME.

Ottawa, June 29.—It is practically certain that Marshal Foch, commander in chief of the Allied armies in the late war, will be a guest and speaker at the Great War Veterans' convention, which is to be held the latter part of September.

FOR WOMEN

AMUSEMENTS

Marguerite Goes Shopping

Even if June is the month of weddings some people do get married in July and with this thought in mind I walked down town yesterday to search for a wedding gift for my best friend. There is not much need of my saying I walked, is there, for not possessing a motor and the airship lines not being as yet established, yesterday most of us had to be thankful that we were active enough to walk and that it was a fine day.

To the store of Messrs. Ferguson and Page I went and in their window I found spread on black velvet, a glittering display from which to choose. For its beauty alone the Early English shag silver tea service attracted me. Silver entre dishes were there, graceful silver smaller dishes for almonds or candies and tea pot stands as well as many other articles with which to set a well appointed table. I decided upon an entre dish. Passing to look at the clock my eye was attracted by the beautiful ropes of pearls without which no woman today feels well dressed and diamond rings in sparkling loveliness, but I had to hasten on up King street.

I wonder what will be the next style for sweaters. Have you seen the latest in the window of Messrs. F. A. Dykeman and Co. Charlotte street? A peach colored wool one, with deep fringed border and cuffs of black wool? Another vivid pink one is knitted in the new ladder stitch having tufts of the same stitch in the sleeves. There were many tie-backs as well as Tuxedo styles, one light blue pullover showing triangles of an orange shade. Everyone needs a sweater and surely everyone can find one to suit

Reformed Baptists Are In Convention

Rev. G. B. Grafton of St. John Elected Vice-President of the Meeting.

Special to The Standard.

Grand View, N. B., June 29.—The 32nd annual meeting of the Reformed Baptist church of Canada, opened its sessions here today on the Buelah camp grounds. Devotional exercises were in charge of the Rev. H. B. Clarke, of Calais. The following officers were appointed for the year: President, the Rev. G. B. Grafton, St. John; Correspondence Secretary, the Rev. W. B. Wiggins, Woodstock; Assistant secretary, the Rev. H. B. Archer, Melville; and Treasurer E. Cosman, St. John.

Afterwards nominating and devotional committees were appointed and the work of the sessions planned. The Buelah hotel reported an income of \$1,390.87 during the year with an expenditure of \$1,269.57, while the tabernacle and grounds committee had an income of \$349 in the last twelve months.

The meetings will be continued until Friday, and will be followed by a ten day camp session.

Healey Detz, of the Bank of Montreal staff, Yarmouth, N. S., is the guest of the Rev. C. T. and Mrs. Clark at the Fairville Baptist parsonage.

Their fancy this season. Fortunately good goods are purchasable for less than last year too.

REFLECTIONS OF A BACHELOR GIRL

By HELEN ROWLAND
Copyright, 1921, by The Wheeler Newspaper Syndicate.

After thirty, a woman is like a motor-car, constantly in need of repairs and fresh paint.

Love-making is the only occupation in which a man never becomes so discouraged that he hasn't enough self-confidence and hope left to "begin again."

When a man kisses a girl, it is only polite for him to say, "I love you," whether he does or not. Women are such sticklers for these little matters of form!

In this sort of weather, every woman would cheerfully canonize the inventor of rice-powder and build a stained-glass window to the discoverer of "permanent rouge."

There is bound to be a smash-up, when a woman goes into a love-affair, with 1920 theories and an 1830 model heart.

Medusa's little feat of turning her lovers into stone was nothing beside that of the modern girl who so often has to turn a human "stone" into a lover.

A woman likes to dally along the path of love and enjoy the fragrance of the flowers of romance, by the wayside; but, alas, a man always insists on rushing over it, "on high!"

Every time a woman extracts a promise from a man, she merely puts up another hurdle for him to jump over.

It takes half a druggist and three beauty-specialists to make a woman look as clean and innocent as a man does after a shave and a hair-cut.

A bachelor is in a dangerous way, on that day in June, when he can think of rice without shuddering.

MRS. MCCLUNG A CANDIDATE.

Edmonton, June 29.—Mrs. Nellie McClung, the well-known writer, Hon. J. R. Boyie, Attorney General, Alderman A. R. McLennan, Alderman J. Bowen and J. W. Heffernan were selected at the Liberal nomination convention here to contest the five Edmonton seats in the forthcoming provincial election. The independent labor party nominated ex-Mayor W. A. Johnston, 142 Charlotte street. The report also spoke of alleged misbehavior of justice in relation to the enforcement of the act when offenders were brought before some of the courts. It was decided to refer the report to a committee to decide as to the advisability of publication. After the meeting it was felt sure all the statements in the report could be substantiated and he thought before long there would be some other report which would open the eyes of the meeting.

Southern Baptist Assn. Sessions

Reports Received, Committees Appointed and Addresses Delivered.

continued sessions in Ludlow street Baptist church, West St. John yesterday. Reports were received, committees appointed, addresses delivered and a very successful convention was concluded last evening.

Morning Session.

Following the devotional exercises the following committee was appointed to examine the licenses of preachers: Revs. S. S. Poole, G. T. Clarke, J. H. Jenner, D. Hutchinson and W. C. Goucher. The report on Grand Lodge, western and home missions was received and adopted. The report on obituaries was read by Rev. D. J. MacPherson, and touching reference was made to Rev. W. R. Robinson and R. J. Colpitts.

The report on Temperance was submitted by Rev. A. L. Tedford. Disapproval of the action taken by the Government in giving so many licenses, and also for not raising the salary of Rev. Mr. Wilson to \$3,000 at the time of his resignation, so that he might have been retained, was expressed; also confidence in J. B. Hawthorne, the chief inspector, but deprecating his action in taking on inspection that had been laid off under the regime of Mr. Wilson.

The report also spoke of alleged misbehavior of justice in relation to the enforcement of the act when offenders were brought before some of the courts. It was decided to refer the report to a committee to decide as to the advisability of publication. After the meeting it was felt sure all the statements in the report could be substantiated and he thought before long there would be some other report which would open the eyes of the meeting.

Afternoon Session.

Yesterday afternoon the United Baptist Women's Missionary Aid Society met in the Ludlow street Baptist church. Mrs. Gibbons welcomed the lady delegates to the church and to the meeting. Mr. Tedford gave the greetings of the Western Missions to the meeting in a short address. A solo was very beautifully rendered by Mrs. Ferris, and a reading was given by Miss Jenner entitled "The Hindu Widow."

Evening Session.

At the last of the services held last evening the meeting was led by Licentiate R. M. Rushton after which a song service was held. Clyde Parsons rendered a solo most effectively. The Rev. D. J. McPherson, the fully-qualified moderator, was in charge of the meeting. A vote of thanks was given by the delegates to the Pastor and the members of the church for the many kindnesses shown to them. The Rev. E. S. Mason next spoke and took as his subject "Home Missions." He told of the great work being carried on by the churches and the Sunday schools of the province, and of the

Weddings

McGarrigle - Purcell.

St. Stephen, N. B., June 29.—Saint Stephen's Catholic Church in Milltown was the scene of a happy event Wednesday morning, in which the principals were J. Phillip McGarrigle of Calais and Mildred, eldest daughter of Mr. and Mrs. Michael Purcell of Milltown. Rev. Father M. Murphy officiated with nuptial mass.

The winsome bride was very beautiful in a costume of white georgette with hat to match, and was attended by her sister, Miss Kathleen Purcell, whose costume was of pink organdie. The groom was attended by his brother Gerald McGarrigle.

Breakfast was partaken of at the home of the bride's father, Mr. and Mrs. J. H. Jenner, of Calais. The bride and groom left for their honeymoon trip to Bar Harbor and New England points. On their return they will reside in Calais in a home newly furnished and the gift of the groom's father, R. J. McGarrigle, barrister, of Calais. The ceremony in which the young couple are unitedly held was expressive in many beautiful and valuable gifts.

Kierstead-Bonnell.

At the residence of Alfred E. Kierstead, Manawagonish Road, by the Rev. C. T. Clark, Mrs. H. A. Bonnell was married yesterday to Richard F. Kierstead, of Blaine, Me.

Mosher-Barker.

Last evening a pretty but quiet home wedding was solemnized by Rev. F. H. Bone at the home of the bride's uncle and aunt, Mr. and Mrs. W. A. Johnston, 142 Charlotte street. The contracting parties were Joseph Ira Mosher, of Loch Lomond, and Margaret Ellen Barker, of the same place. The bride was given in marriage by her uncle, the ceremony was witnessed only by the immediate members of the families concerned. After the honeymoon, the happy couple will take up their residence at Loch Lomond.

Will Appeal Judge Audette's Decision

Quebec Gov't to Carry Taxation of Indemnity to Privy Council.

Quebec, June 29.—Hon. J. E. Caron, Minister of Agriculture, who had convinced that such tax was illegal when applied to ministers' and members' seasonal indemnities. The case may be taken directly to the Privy Council by Mr. Charles Lanctot, K. C., who appeared before the exchequer court for the government, and who is at present in England pleading before the Privy Council.

THREE PRISONERS FREED.

Sligo, Ireland, June 29.—The jail here was broken into last night and three prisoners were removed from it. The removal was effected despite the fact that the full military guard was inside the prison.

Wonderful increase in members that had been received into the church this last year. Mr. Mason spoke of the scholarships that were offered at Acadia and of the theological students that were taking advantage of them to further their education along these lines.

Rev. F. L. Orchard

The Rev. F. L. Orchard, who has been in the mission fields in India and Bolivia, gave a very interesting address on the Foreign Missions. He spoke of the mission stations in Bolivia, and told of one-half million natives that the Canadian churches were looking after spiritually. In India the clergy were putting forth efforts through the native priests to teach them Christianity that they might instruct the native population in the fundamentals of the word of God. The many colleges in India were doing very good work and converts were being received from the upper and lower castes of the Hindus. The treasurer's report was next read showing a balance of \$37.68 and adopted. W. C. Cross led the meeting in prayer after which the congregation dispersed.

Doctor Surprised At Improvement

Told His Patient to Keep on Taking Tanlac — Tingley Had Suffered for Eight Long Years.

"Although I am sixty-four years of age I do not feel a day over fifty, and when it comes to work I am as good as man as I was thirty years ago," said John M. Tingley, Hopewell, Alberta, at 671 55th Avenue, East Vancouver, B. C.

"However, things were entirely different with me before I began taking Tanlac, which by the way, is as well known in New Brunswick as it is here in Vancouver. For eight years I had stomach trouble in its very worst form, and I searched high and low for something to help me, but had no success until I tried Tanlac, and that suited my case exactly. I used to suffer from heartburn, gas on the stomach, smothering spells and palpitations. Many a time out in the field I would be taken with one of these weak spells and would have to lie down right where I was. Finally I got so weak and despondent that life was almost unbearable to me.

"I am just like a new man today, thanks to Tanlac. After I had begun taking this medicine a while my old doctor met me and was very much surprised at my improvement, and when I told him it was Tanlac he said I had evidently found what I needed and to keep right on taking it, and that is what I did. It's a fact, I eat better, sleep sounder and work harder than I have in years, and feel fine all the time. I am glad to get on record as saying that Tanlac is a blessing to people who have stomach trouble."

"Tanlac is sold in St. John by The Ross Drug Company, F. W. Munroe and leading druggists."

GERMANY IS PAYING.

Paris, June 29.—Germany has paid forty four million gold marks to the reparations commission.

This makes a total of about one quarter of a billion marks that Germany has turned over to the reparations commission. The balance of the instalment, which is in thirty days drafts, is due at the end of July.

AT SATURDAY MATINEE
LORE
Gives Private, Confidential Reading to Every Lady

Do This Tonight

Watch the quick effects—see the change in a week

Present this coupon to your dealer. He will give you a delightful ten-day test of a new teeth-cleaning method which millions are employing.

Watch the effects, quick, pleasant and conspicuous. Watch the new luster that comes. In ten days let your mirror tell you the way to pretty teeth.

Leading dentists everywhere advise this method now. You will see and feel the reasons when you make this test.

End the dingy film

The chief purpose is to fight film. This viscous coat, which you can feel, causes dingy teeth and also most tooth troubles.

Film clings to teeth, enters crevices and stays. The old ways of brushing did not end it. So film-coats night and day threaten serious damage.

Film is what discolors, not the teeth. Film is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. All these troubles have been constantly increasing. Despite the daily brushing with old methods, very few escaped them.

Now you can fight it

Dental science, after long research, has found ways to fight that film. Able authorities there proved them effective. Now leading dentists everywhere advise their daily use.

The methods are embodied in Pepsodent, the new-day, scientific tooth paste. Millions of people now use it, and the use is fast spreading the world over.

That is the dentifrice we urge you to try. Your druggist has a free tube for you. Enjoy its effects for ten days, then judge them for yourself.

Also starch and acids

Modern diet makes other things essential. And those essentials are embodied in this scientific tooth paste.

Each use of Pepsodent multiplies the salivary flow. That is Nature's great tooth-protecting agent. It multiplies the starch-digestant in the saliva. That is there to digest starch deposits which may otherwise form acids.

It multiplies the alkalinity of the saliva. That is Nature's agent for neutralizing acids which attack the teeth.

Made in Canada

PEPSODENT

REG. IN CANADA

The New-Day Dentifrice

Endorsed by dentists, advised by leading dentists everywhere, and supplied by all druggists in the large tubes.

Free at These Stores This Week
Simply present the Coupon

The Ross Drug Co., Ltd.
190 King Street

Free

At your store this week

This 10-Day Tube of Pepsodent. Simply present the coupon. This test will prove a delightful revelation. It will show you the way which millions have found to whiter, cleaner, safer teeth. This offer is for one week only. It means much to you and yours. Act now.

An ideal diet would do these same things, but few people get it. So dental science now needs the tooth paste to bring these desired effects.

Pepsodent will daily bring you five great benefits which the old ways did not bring. Together they mean a new era in teeth cleaning.

Men's tobacco stains

Men who smoke stain their film-coats with tobacco. The use of Pepsodent brings them conspicuous effects.

Food stains with women make these film-coats dingy. The glistening teeth seen everywhere now show how Pepsodent removes them.

But children need Pepsodent most. Their teeth are most subject to film and starch attacks. Very few escape them. Dentists advise that they use Pepsodent from the time the first tooth appears.

Watch teeth whiten

The results of Pepsodent are quickly seen and felt. No user can long doubt them. A book we send explains the reasons for them. A very short test will convince you that this new way is essential.

Present the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear. Watch the other good effects.

Then you will see and feel and know that Pepsodent is necessary. You will realize that old methods were not right. And this discovery may bring life-long benefits both to you and yours. Present this coupon to your dealer this week. Cut it out now.

EVERY DESERT HAS AN OASIS

And the dreary day can be brightened wonderfully by taking time for the enjoyment of

NEW ATTEMPT TO STOP BIG FIGHT

Jersey City, June 29.—Rev. H. Wyatt, representing the clergy community club, of Jersey City, today before prosecutor Garvan a report of complaint to stop the Dempsey-Carpenter bout here Saturday.

A letter accompanying the report charged the principals and the motives with conspiring to "beat the boxing or sparring law and to violate the crimes act prohibiting prize fighting."

H. C. Gibson, of counsel for the clergy, said affidavits had been submitted and witnesses were named to appear before the grand jury or to testify in whatever court the prosecutor may take.

Assistant Prosecutor Clarke said Gibson to produce his affidavits.

Dominion Day Meet At Sussex

Over Fifty of the Best Athletes in Maritime Provinces Have Entered.

Special to The Standard.

Sussex, June 29.—The executive of the S. A. A. are sparing no effort or expense in putting together in tip-top order for what promises to be one of the best athletic meets ever held in the Maritime Provinces. Many of the best athletes ever seen in action at a Maritime athletic meet will take their places at the proper time and there will be no lagging. Spectators will have their eyes on something good all the time.

The day's sports will start with a baseball game at 10 o'clock in the morning between Sussex and Penobscot squish league teams. This should be a hot battle as Penobscot walloped Sussex good last season. Competition is bound to be keen for the laurels. Both teams are putting up great ball and the fans will see something worth talking in.

The sports in the afternoon will start at 2:15 o'clock. Entries have been pouring in from all sections, in the vicinity of 60 having been received up to Wednesday. Entries mailed previous to that date will also be eligible.

Prize and medals will be awarded in all the events and Senator George W. Fowler has presented a beautiful sterling silver cup for highest team aggregate. Competition is bound to be the best ever offered in Eastern Canada for an athletic meet.

An additional attraction and one that will no doubt draw a big crowd of visitors will be St. Francis Xavier church picnic, which is to be held July 1st. Rev. Father McDermott has made special arrangements for the accommodation of those attending this picnic and it will be a great opportunity for visitors to Sussex that day to secure a good meal at moderate price. A brass band will probably be in attendance and furnish music for the day.

NEW ATTEMPT TO STOP BIG FIGHT

Jersey City, June 29—Rev. H. B. Wright, representing the clergyman's community club, of Jersey City, today laid before prosecutor Garven a bill of complaint to stop the Dempsey-Carpenter bout here Saturday.
A letter accompanying the bill charged the principals and the promoters with conspiring to "pervert the boxing or sparring law and also to violate the crimes act prohibition price fixing."
H. C. Gilson, of counsel for the clergyman, said affidavits had been submitted and witnesses were prepared to appear before the grand jury or to testify in whatever action the prosecutor may take.
Assistant Prosecutor Clarke told Mr. Gilson to produce his affidavits

Curtain Raiser At Fredericton

Maine and New Brunswick Circuit Opens at Capital Today.

Special to The Standard
Fredericton, N. B., June 29—Horsemen are gathering here from all over the east tonight for the opening of the Maine and New Brunswick Circuit tomorrow, when the Fredericton Fair Association's curtain-raiser meeting will begin with the introduction of the first twilight racing ever offered in the Maritime Provinces, if not in Canada.

Every stall at the track is filled, and it is expected that newly formed circuit of four tracks in New Brunswick and an equal number in Maine will bring the best harness racing season that has ever been known in the east. R. M. Webber, of Milltown, is here to act as starter, and he has warned the horsemen already that he will put up with no scoring. The 2.26 pace, which will have first race started tomorrow, will be a field of eight or nine green paces, some of which have already worked miles in 2:16 with the last eighth in 15 seconds and better since they came to the local track. In this list are: High Knob Beauty, a bay pacing mare by Expedition, which Harry C. Jewett, of this city, bought in Chicago, and Confection, daughter of the Northern Man, which Chas. F. Dewitt, of Bridgetown, N. S., paid \$3,000 for at Long Island this spring. Raoul Potvin, the Montreal driver, will have May Gratton, a member of the famous pacing family, which he raced through the Maritime circuit last season, and H. G. E. K. the black pacer Essie Kay, which H. G. Kitchen, of this city, imported from Idaho this spring, together with Betty Gamage, a bay mare by Kempton, which Bill Brickley, the St. John driver, has in his stable and which is owned by H. C. Robertson, a St. John merchant, comprise the pick of the field; but other starters include: Little Jazz, one of Harry A. Nevers' stable, from Hamilton; Brittan, a bay pacing mare in the Cameron stable, from Massachusetts; Northern Lady, owned by S. Vienleau, of Bathurst, and driven by Jimmie Boutiller, of Halifax; and Mosak Gratton, a veteran campaigner that showed well on the ice here last winter.

The 2:18 trot and pace will be a significant race, because it will bring Border Prince, 2:13 1/4, and Alfred King, 2:13 1/4, together, with Togo M., 2:14 1/4. Alfred King, now in the stable of Harry Nevers, the Halifax trainer, won twelve races in eleven starts for Frank Fox last season, and Border Prince has proven a wonderful trotter since he was purchased here by St. E. Rice, of St. John, in the spring of this city, who lowered Moosepath Park records at St. John last fall with him. Togo M. was almost unbeatable early last season and was the fastest green trotter out in the east last season. Opposed to this bunch of bear-cat trotters will be two pacers, Signature, 2:18 1/4, owned by L. R. Acker, of Halifax, and Jeffrey, 2:16 1/4, owned by Dr. L. Dec. McIntosh, of Hartland. Saska, 2:16 1/4, the St. Stephen trotter, is the favorite in the 2:31 trot, but the Manor, 2:31 1/4, owned by H. G. Hitchcock, of this city, has shown ability to trot 2:15 this season, and it is liable to be a great race between this pair with Dolly Darce, second, 2:20 1/4, and Miss Peter Span, 2:30 1/4, as well as John D. Forbes, unmarked trotter, owned by Charles E. Smith, of Halifax, likely to be factors when either of the favorites make a mistake.

The racing on Thursday starts at six p.m., daylight time. There are four races on the programme for Friday, starting at two-thirty p.m.

CRICKET MATCH FRIDAY AFTERNOON

A cricket match will be played on the Barrack Green, Friday afternoon at two o'clock between the St. John Cricket Club and the City eleven. The following players are selected to represent the City Team:
Capt. Sgt. Weatherall, A. Parfitt, W. Rawling, Beck, T. Smith, H. Sweet, Laidlaw, Darby, Hudson, Jones, Ladworthy, Lennox, Keir Stockley.

IMPROVED TRAIN SERVICE WOODSTOCK-ARROSTOCK

Effective after June 26th Canadian Pacific trains 153 and 154, now operating St. Stephen to Woodstock and return, will be extended to run as far north as Arrostock. Train 154 will leave Arrostock at 4:10 A. M., Eastern Standard and run through to McAdam, making connections at that point with the trains east and southbound. Returning train 153, connecting at McAdam with all evening trains will leave Woodstock at 9:00 P. M., and arrive Arrostock at 11:20 P. M.

This service will be of great benefit to the travelling public generally, and more particularly to those located at points north of Woodstock up to and including Arrostock and they will now be able to make trip to St. John, Fredericton, St. Stephen, St. Andrews or other points in province and return the same day.
Mixed trains 155 and 156, which carry passengers between Woodstock and Arrostock have been cancelled.

and witnesses before the grand jury Friday afternoon.
He assured the attorney the matter would be given a fair and impartial hearing.
Mr. Gilson indicated that should the indictment be returned, he asked the procedure would be to arrest those named, both those without bail and those present the night.

Y. M. C. I. And Wolves Played Tie Game

Seven Innings of Fast Clean Ball—Pitchers' Battle With Score One All.

A large crowd who assembled on the East End grounds last evening were treated to one real fast game of baseball between the Intermediate League teams, Wolves and the Y. M. C. I. For seven innings it was close fighting, errors were practically nil and the betting small, with the result when the time limit was reached the teams were tie with the score one all. It was a pitcher's battle, stirring for the Y. M. C. I. having nine strikeouts, while his opposing pitcher, Davis, had eight. Cooper and Case proved most efficient umpires. The score by innings follows:
Y. M. C. I. 000100—1
Wolves 100000—1

The teams lined up as follows:
Y. M. C. I. Position Wolves
Pitcher Davis
Catcher Thompson
First Base Cunningham
Second Base Looney
Third Base Crat
Shortstop Gillespie
Left Field Bartlett
Center Field Burke
Right Field Brayson
The Y. M. H. A. team will meet the Saint Peters this evening. In what promises to be a fast game they will play on the East End Grounds, and the fans may expect real action as those who have been attending these games can testify to the fact that the teams in this League are putting up a very fine brand of baseball, worthy of better crowds than they have been playing to. The Wolves are occupying first position to date, but the Y. Boys hope to displace them in the very near future. Tonight's game will help decide the issue.

Imperial Oil Trimmed Royals

Oil Boys Showed Snappy Play and Won by Score of Eight to Three.

Before a large crowd last evening on the South End diamond, the Royals went down to defeat before the snappy nine of the Imperial Oil Co. The score being 8 to 3. In the last inning of the game while the Oil boys were at bat, Smith their mound artist was hit by a pitched ball, but was able to resume his place in the pitcher's box when his team took the field and finish the game. The batteries for the winners were Doreen and Smith; for the losers, Austen and Stewart. Umpires, McDevitt and Stewart.

INTER-SOCIETY LEAGUE
The Y. M. H. A. team will meet the Saint Peters this evening. In what promises to be a fast game they will play on the East End Grounds, and the fans may expect real action as those who have been attending these games can testify to the fact that the teams in this League are putting up a very fine brand of baseball, worthy of better crowds than they have been playing to. The Wolves are occupying first position to date, but the Y. Boys hope to displace them in the very near future. Tonight's game will help decide the issue.

SHAMROCKS VICTORIOUS

The North End Shamrocks defeated the East End Beavers, junior champions of the city, in a fast and exciting game on the government diamond last evening by a score of 11 to 9. Batteries for the winners, Collins and Coyle; for the losers, LeBlanc and Lane. Brookins, of the Shamrocks, knocked out two homers during the

game. The Shamrocks wish to challenge the Y. M. H. A. to a game to be played on the government grounds Tuesday evening at seven o'clock sharp.
The Daily Don't.
Don't stand still and be hemmed in by a small circle—unless you're a traffic cop.

COMMERCIALS VS. ST. PETER'S

The Commercial and St. Peter's will be the opposing teams on St. Peter's diamond this evening, when a fast game is expected. Arrangements have been made for a special jitney service for fans from head of King street to the grounds.

Doctor Surprised At Improvement

old His Patient to Keep on Taking Tanlac — Tingley Had Suffered for Eight Long Years.

"Although I am sixty-four years of age I do not feel a day over fifty, and when it comes to work I am as good as an man as I was thirty years ago," said John M. Tingley, Hopewell, Albert, N. B., while visiting his sister at 671 55th avenue, East Vancouver, B. C.

"However, things were entirely different with me before I began taking Tanlac, which by the way, is as well known in New Brunswick as it is here in Vancouver. For eight years I had stomach trouble in its very worst form, and I searched high and low for something to help me, but had no success until I tried Tanlac, and that did my case exactly. I used to suffer from heartburn, gas on the stomach, smothering spells and palpitations. Many a time out in the fields would be taken with one of these bad spells and would have to lie down right where I was. Finally I got so weak and despondent that life is almost unbearable to me.

"I am just like a new man today, thanks to Tanlac. After I had been taking this medicine a while my doctor met me and was very much surprised at my improvement, and when I told him it was Tanlac he said I had evidently found what I needed and to keep right on taking it, and that is what I did. It's a fact, I feel better, sleep sounder and work harder than I have in years, and feel so all the time. I am glad to go on record as saying that Tanlac is a better, sleep sounder and work harder than I have in years, and feel so all the time. I am glad to go on record as saying that Tanlac is a better, sleep sounder and work harder than I have in years, and feel so all the time.

"Tanlac is sold in St. John by The Gas Drug Company, F. W. Munro, a leading druggist."

GERMANY IS PAYING.
Paris, June 29—Germany has paid by four million gold marks to the Reparations Commission.

This makes a total of about one quarter of a billion marks that Germany has turned over to the reparations commission. The balance of the instalment, which is in ninety day bills, is due at the end of July.

ION
PAY FOR SOLDIERS
Ottawa, June 29—The militia department will still continue to charge at par, pay and allowances received by soldiers in English currency although the conditions surrounding the privilege have been made much more stringent. It was considered that it would be unfair to soldiers who might still be paid in English money to cancel the privilege. Sir Henry Drayton, Minister of Finance, said today.

At the annual meeting of shareholders of the Home Bank of Canada President Daily said that the heavy surplus stocks apparent a few months ago are rapidly disappearing and purchases on a broader scale by the distributors cannot be much longer delayed, and that there is every reason to anticipate a more active domestic trade in the early fall.

Members' Day At Millidgeville

K. Y. C. Has Completed
Arrangements for Aquatic
Sports on Dominion Day.

All arrangements have been completed for holding a series of all sorts aquatic races under the auspices of the Royal Kennebecasis Yacht Club. The members' day celebration, July 1st, is in charge of admission for the events or entertainment, club house and grounds are open to members and their guests who will be admitted through the gate on presentation of guest tickets. St. John Power Boats will anchor westward of Club House and their passengers at the landing barge west of Ferry Slip enter the club grounds on presentation tickets at gateway.
Automobiles will be allowed in grounds. Parking space provided Messrs. Giggie and Craft's cars.
All races start from Club Wharf. If course may be changed. Entries may anchor on each side of course, as directed by Police Boats.
Motor boats must not run wild when races are in progress.
Every one please try to make as little disturbance as possible at the greatest water sports St. John has ever had.

J. P. GREGORY,
General Chairman.
Says He Will Send
Car Owner To Jail
Fredericton, N. B., June 29.—Declaring that there was no provision in the motor vehicle law under which he would take away a man's license to drive his own automobile in New Brunswick, Judge Lamerick this morning announced his intention of sending a local man who had been convicted of operating his car while drunk, to jail for a term which would determine later.
The man had had an exciting week end. On Sunday afternoon he was being driven to his boarding house by a friend when he suddenly reached over the seat to strike a fire hydrant near City Hall, unloosing a flood of water. The next day he took another friend out for a drive and wound up by going over the river bank at Manserville. That night he was remanded yesterday afternoon with the case uncompleted until this morning. The judge declared that he would not allow the accused out of custody because he might go out in his car and kill somebody.

DEPARTMENT OF RAILWAYS AND CANALS, CANADA
WELLAND SHIP CANAL
Sections 1 and 2 Combined
Notice to Contractors

SEALED tenders addressed to the undersigned and marked "Tender for Sections 1 and 2 Combined, Welland Ship Canal," will be received at this office until 12 o'clock noon, on Monday, July 25, 1921.
Plans, specifications and form of contract to be entered into can be seen at or after this date at the office of the Chief Engineer of the Department of Railways and Canals, Ottawa, and at the office of the Engineer in Charge, Welland Ship Canal, St. Catharines, Ontario.
Copies of plans and specifications may be obtained from the Department on the payment of the sum of fifty dollars. To bona fide tenderers this amount will be refunded upon the return of the above in good condition.
An accepted bank cheque on a chartered bank of Canada for the sum of \$700,000 made payable to the order of the Minister of Railways and Canals, must accompany each tender, \$400,000 of which sum will be forfeited if the party tendering declines entering into contract for the work at the rates stated in the offer submitted.
The cheque thus sent in, will be returned to the respective Contractors if those tenders are not accepted.
The cheque of the successful tenderer will be held as security, or part security, for the due fulfilment of the contract to be entered into.
The lowest or any tender not necessarily accepted.
By order,
J. W. PUGSLEY,
Secretary,
Department of Railways and Canals,
Ottawa, June 24, 1921.

SIR JAMES CRAIG REFUSES

Belfast, June 29.—Sir James Craig, the Ulster premier declined today the invitation extended him by De Valera, the Irish Republican leader, to meet De Valera in Dublin.
The invitation was contained in a letter to the Ulster premier and four other eminent Irishmen outside of De Valera's party, asking them to meet him at the Mansion House in Dublin on Monday for a conference.

BABY POISONED

Quebec, June 29.—A two months old baby, child of Mr. and Mrs. Jos. Blouin, of Sacre Coeurs, Lotbiniere County, died Monday of poisoning.
At the coroner's inquest it was established that the six year old little sister of the baby had given him an overdose of soothing syrup. The verdict was one of accidental death.

Mount Carmel Holds Its First Closing
Young Ladies Made Good Progress in Commercial and Household Courses.

The closing exercises of the Mount Carmel Academy, Burpee avenue, were held yesterday morning and were attended by a number of friends of the pupils.

CITY LONESOME YESTERDAY WITHOUT STREET CAR RUMBLE

Not a Car Moved on New Brunswick Power Company's Tracks—Jitneys Did Profitable Business — Power and Gas Plants Did Duty But All Union Men Out—Dominion Police Here Today.

It was a lonesome day in St. John yesterday. The citizens missed the rumble of car wheels over the N. B. Power Company's tracks and the familiar whirr of the motor, interrupted now and then by the drum beat of a flat wheel. All this because the break between the Power Company and its employees came at six o'clock Wednesday morning when, acting on orders of General Manager Thomson, Supt. McLean informed the men reporting for work they would not be permitted to take their cars out unless they accepted the wage schedule and conditions of work which, according to notices posted by the company were effective that day. This they refused to do and not a wheel turned yesterday.

Others Walk Out
To other departments of the N. B. Power Company the news was quickly carried that the car men were done and there was a general walk-out by union men. Chief Engineer Henry and Chief Electrician Brown immediately took possession of the power plant and kept it going up to standard, and the supply of electric energy, for all purposes, continued uninterrupted. The gas works were idle the greater part of the day, but Manager Thomson announced there was sufficient in storage to carry patrons until this morning. The gas plant, out, however, a little after three this morning.

Police Protection
Every precaution was taken by the city authorities to give the company protection to property with the police force available. Officers were stationed at the company's plant on Mill street, where they were kept throughout the day and night. Police were stationed at the gas plant to preserve order should any disturbance break there. Mayor Schofield applied, through the attorney-general, for aid from the Dominion Police, and at late hour last night word was received that a squad would be here today.

Brownville Hosts Programme At Ladies and Gentlemen of Railway Organizations Return After Delightful Visit.

Two special cars attached to the Montreal express arrived at the C. P. R. yesterday afternoon carrying members of the Ladies' Auxiliary, also those from the Brotherhood of Locomotive Firemen and Engineers, and the Brotherhood of Railway Trainmen. There were about eighty-five in the party, and they came from Brownville, Maine, where they were guests of B. of R. T., Lodge Pineau No. 36, and B. of L. F. and E., Mount Katahdin Lodge No. 469, Auxiliary of B. of R. T., Primrose Lodge No. 316, also B. of L. F. and E. Lodge No. 373.

The special cars were placed at the disposal of the art of New Brunswick through the courtesy of the C. P. R., and left here on Monday afternoon for Brownville.

One Delightful Time.
When asked on their return yesterday how they all enjoyed the trip members of the party stated that it was delightful from start to finish, and their American brothers and sisters could not do enough for them. There was no chance to look for any exchange on the Canadian money, for the visitors' money was no good in Brownville, as the New Brunswick guests were not allowed to be under any expense. It was a pleasure from the time they reached the Maine town until they left.

Autos, Banquet and Ball.
On Tuesday automobiles were provided and the New Brunswickers were given a delightful outing through the country as far as Bangor. In the evening three hundred persons enjoyed a banquet in the Y. M. C. A. building, and at its conclusion the large party adjourned to the Brownville public hall where an excellent orchestra provided music for a lengthy programme of dances.

SEA SIDE PARK 'BUSSES'
Buses for Sea Side Park from foot of King street every half hour.

No Standard Tomorrow Tomorrow being Dominion Day, a public holiday, The Standard will not be published.

School entrance examinations, while others are preparing to take the Normal school entrance examinations. Besides the school course, a network both plain and fancy, has been cultivated. The pupils under the careful training of devoted teachers, have made great progress during the year.

OPPOSES OVERSEAS MINISTER
London, June 25—Australian papers are hostile to a proposal to place a representative of the overseas dominions at the British Foreign office, declaring they would exercise no real influence whereas they might become a "confounded nuisance" to British ministers.

Mayor Schofield Gives Explanation

July 14th Last Date for Discount Convenient — Falls Between City Hall Pay Days

The reason for the fixing of July 14 as the last day on which ratepayers would be afforded a discount on their tax bills was clearly explained by Mayor Schofield to the press last evening.

Citizens Were Aware
As to the citizens not having had sufficient notice of the date, he pointed out that all the ratepayers in the city were aware of the date which would be called upon to pay their taxes sooner or later, and those who were imbued with the true business spirit must have made provision for reserving each month an installment on the taxes they would be required to pay. He doubted greatly that any intended drawing the whole sum required from their mid-July pay envelope, and the paying out of the salaries of the city employees.

Another Change
The men are to be given one more chance to resume work. Those who make application today for their jobs will be given the preference. After today Manager Thomson will begin to fill the ranks with hundreds of applications from outside the city, but prefers to engage men residing in St. John.

City Will Save Money
When the recent council came into office it was obliged, His Worship said, to carry an overdraft of \$500,000 from May until August. By having the levy in July, the city will save approximately \$100 per day on interest charges alone, and instead of paying, will be drawing interest.

Interest Charges
To continue carrying this amount over the month of July would mean that the city would be obliged to pay on interest charges alone approximately one hundred dollars a day, whereas if the major part of this year's assessment is in by the 15th of July, instead of paying interest charges, the city will be able to collect it. Last year's levy amounted to \$1,319,000, and this year the city will realize \$1,500,000 more, so that with the overdraft disposed of, of an expenditure of \$400,000 will still remain, on which the city may collect interest.

Union of East St. John And City Will be Considered if East Residents Disposed to Unite at City's Rate of Valuation.

The fact that the rate this year is twenty-five cents less than last — something which few citizens anticipated — will more than compensate those who would have had the discount rate carried over into August. In regard to the discount limit, His Worship said the date was later than the majority of those which had prevailed in the last eleven years. The dates of other years were as follows: 1910, July 7; 1911, July 13; 1912, July 10; 1913, July 10; 1914, July 16; 1915, July 14; 1916, August 17; 1917, August 2; 1918, August 2; 1919; September 10; 1920, August 25.

RECREATION AT CAMP SUSSEX

An excellent feature of the Camp held at Sussex was the amount of recreation provided for the men. Rev. R. M. Legate and Rev. Gordon Lawrence of Hampton chaplains, co-operated with the Y. M. C. A. who had two representatives at the camp.
