

**The Doctor's First Question**  
 "How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows what a long list of distressing complaints result from constipation. He knows that headaches, bilious attacks, indigestion, impure blood, and general debility are often promptly relieved by a good liver pill. We wish you would talk with your own doctor about this subject. Ask him at the same time if he approves of Ayer's Pills. Do as he says. *J.C. Ayer Co., Lowell, Mass.*

CAMPBELLTON, NEW BRUNSWICK FRIDAY, MARCH 11th, 1910

**CANADA FIRST**

Despite all the assertions which have been published in the press, both in Canada and in the States, it seems desirable that it should be distinctly emphasized, once for all, that in all the negotiations which have taken place between the representatives of Canada and the United States, the guiding principle has been Canadian rights above and first of all.

While this can be confidently asserted, it can also be stated that there has been no serious difference of opinion between the conferees as to the changed conditions of the two countries within the past double decade.

There were days when Canada was a supplicant to Washington. These days happened under both Conservative and Liberal rule; and there was justification in those days, when population was stagnant, when trade did not progress.

But times have changed since ninety-six and now Canada comes to negotiations with a different spirit.

Whatever may be the result of the present negotiations, the people of Canada may be assured that the principle which is guiding Sir Wilfrid Laurier and his colleagues is that of Canada, first, last and all the time.

**AN ANTI-HALLUCINATION**

A lot of hysterical old women in masculine costume recently succeeded in working up a mad dog scare in Ontario. The consequence was that every animal of the canine species in the province became an object of suspicion and dread. It was chased and hounded until its life became a burden, a dog's life literally. The poor persecuted creature naturally took

**THE LAST RESORT**

When all else failed, the Doctors said, "try Fruit-a-tives"

**And "Fruit-a-tives" cured Mrs. Cadieux**

PLANTAGENET, ONT., JANUARY 31st, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 15 pounds down to 80 pounds and was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me to try Fruit-a-tives if they would not cure me, nothing would."

My husband bought "Fruit-a-tives" from Mr. Arthur Roland, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 130 pounds.

Mrs. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-tives." They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from it that the impurities, the dissolving fluid (or Gastric Juice) will be impure. These impurities may come from a congested liver, from Constipation, from weak "digestive powers" and "peppin tablets" will not cure the trouble, because they only help to dissolve the food—they do not get to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. "Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rid the whole system of all impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa and the regular size packages will be mailed you, postpaid, on receipt of price.

**UNION BLEND TEA**  
 the Tea that satisfies

YOU are the best judge of how much Union Blend Tea is worth—but you can't pass an opinion until you have tried it. You are in no position to say—no I say—that it's worth 40c a pound because it goes easily half as far again as any other tea. You don't know the truth of that until you use it for yourself.

But that's a fact. Sixteen ounces of Union Blend will make as much tea as twenty-four ounces of any ordinary kind. And not only as much tea, but better tea—tea that is more fragrant than that has more aroma, more smack to it.

There is only one way for you to prove this—buy a pound and try it. Or if you are in doubt, let a half pound packet tell the story. You will once again be convinced if you will give it the opportunity. Look for my picture on the end of the packet.

I Take all the Risk  
 THERE would be no sense in my spending thousands of dollars in advertising if I couldn't back up what I say. If you try Union Blend and don't like it, I am worse off than before, for I can never get you to try again. To make money I've got to make satisfied customers—and I do. Of all who once buy Union Blend ninety-five per cent. continue to use it. You know what that means, don't you? What will your decision be?

40c  
 Union Blend one pound packets—the pound packets only—cost money to you. But this is a very important difference. The half is worth the price, full.

Your money back if Purity Flour does not prove entirely satisfactory in the baking.

DON'T simply buy flour from the dollar and cent store of it. Buy high quality flour. That means PURITY FLOUR. The first little extra cost is more than made up by the extra number of loaves of bread it makes by the superiority of the bread and pastry in sweetness of flavor and nourishing qualities. Buying Purity Flour is a safe investment. You get large returns, not only on account of Purity's ability to produce more, but because Purity contains the greater nutriment and the vim of a strong hard wheat flour. Food made from Purity flour gives the consumer health, snap and force, which cannot be gained from the use of the weaker soft wheat flour.

**"MORE BREAD AND BETTER BREAD"**

**PURITY FLOUR**

You can buy as little as a 7 pound cotton bag or in 14, 24, 49, and 98 pound sacks. Also in barrels and half-barrels.

Purity may cost a little more than some flours but you'll find its more than worth the difference. To be genuine, it must bear the Purity trade mark.

### GAS DISTENDED HIS STOMACH

Caused Palpitation, and Prevented Sleep—When Health Was Gone, Cure Followed Use of "Nerviline."

"My last wish will be," writes Harry P. Pollard, a well-known boot and shoe traveler of Hartford, "that everyone with a bad stomach may learn as I did, before it's too late, that Nerviline is the one remedy to cure. Why, I was in my mighty bed, unable to digest, and with a sharp pain in my stomach, and a heart jumping like a thrashing machine. This was caused by gas on my stomach pressing against my heart. When I started to use Nerviline I got better right away. It will cure the ache and ailments of the entire family—refuse anything but Nerviline, 25c per bottle, five for \$1.00, all dealers or the Carthorone Co., Kingston, Ont.

### TEN YEARS' TEST OF ECZEMA CURE

During its ten years' test of ointment as compounded in D. D. D. Prescription has thoroughly and absolutely proven its merits for skin diseases.

Though on sale only a short time in Canada, it is rapidly duplicating here its remarkable success in the United States. Cure after cure, and the testimony of the world's leading skin specialists show plainly that the only way to cure the skin is through the skin, not, however, by means of a salve reaching only the outer skin, but with a penetrating liquid that gets to the inner skin, killing the germs and soothing the healthy tissue.

D. D. D. does just this. It cures and relieves instantly. If you have eczema, Dept. C. D. 23 Jordan St. Toronto, for a free trial bottle.

Enquiry from Australia for Views of Canadian Seeps

An enquiry recently received by the General Traffic Manager of the International Railway, shows how wide is the distribution of a good item of merchandise through the medium of the press. Last November an account of the display of I. C. R. views being shown on the New York Herald bulletin screens along with the returns of the Presidential election, sent the readers of the Canadian newspapers. It evidently travelled even further, for the other day a letter was received from Melbourne, Australia, containing about these views and asking if they could be obtained for lecture purposes. The views alluded to are beautiful color-plate stereoscopic slides and are selected from the views of the prettiest scenic features along the line of the International, such as "Quebec from Levee", "Bay of the most beautiful of the lower St. Lawrence", "Steamer at anchor", "Famous Matapedia Valley", "The old chateau", "Landing and sailing scenes along the North Shore", "Bore at Moncton", "Bevering Falls", "St. John", "Wentworth Valley", "Fort-Lévesque", "Habitat" and scenes on the Bras d'Or Lakes. Whenever these views have attracted great attention and have been widely admired.

**New Amberol Records by Slezak**

Leo Slezak, the great tenor, now sings for you in the Edison Phonograph the same famous arias from the Grand Operas that the New York audiences pay \$5.00 a seat to hear. Just how great a singer Slezak is, is told in the following remark, quoted from the New York World the morning after a recent appearance of Slezak at the Metropolitan Opera House: "Caruso now, has a rival."

Slezak has made ten records for the Edison, comprising the principal tenor songs from the more prominent roles of his repertoire—so that, while the New York opera goes pays \$5.00 a seat to hear Slezak in one opera, with the Edison Phonograph and Amberol Records you get Slezak at his best in his ten best roles, including Otello, Lohengrin, Tannhauser, Rhadames in Aida and Rodolfo in La Boheme.

Only on Amberol Records can you get a full length rendering of these great arias—and only on the Edison Phonograph do you get Amberol Records. Hear these great Slezak Records at any Edison dealer's today.

Edison Phonographs \$15.00 to \$200.00 Edison Amberol Records (play twice as long as Edison Standard Records) \$1.00 to \$1.50  
Edison Standard Records (play twice as long as Edison Standard Records) \$1.00 to \$1.50

There are Edison dealers everywhere. In the nearest and best Edison Phonograph play both Edison Standard and Amberol Records. Get complete catalogue from your dealer or from
