We don't ask you to encourage
home industry,—we ask you to see
the quality of goods we manufacture
and get our quotations. Goods man-
ufactured by us are considered High-
Grade in the leading cities of Canada.
Foreign woods imported direct from
the south.

MAIL ORDERS

We solicit out of town orders, which receive
our personal attention. The length of time tak-
ing to fill orders is governed very largely by how
busy we are in the department of our factory in
which the particular goods are made. While
we have exceptional facilities for promptly
turning out goods, it is important to place or-
ders as far ahead as possible. Orders are filled
by us in the rotation in which they are received,
and customers can always depend on our doing
everything in reason to give prompt despatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SE-
PARATE LINES INSURING PROMPT ATTENDANCE.
OFFICE HOURS—7 A. M. TO 6 P. M.

SPRING HOUSECLEANING

is now on and we can supply you with Alabastine,

FIRST MEETING OF NEW COUNCIL

Councillors Sworn in by Judge
McLatchey and Committees
are Organized

HEAVY SESSION

The first meeting of the new
council was held in the council
chambers on Tuesday evening. His
Worship Mayor Andrew presiding
over a full attendance.

After the councillors had been
sworn in by His Honor Judge Mc-
Latchey, the Town Clerk read the
returns of the election constituting
the council. The minutes of the
previous meeting were then read
and confirmed.

On motion the regular order of
business was suspended and a com-
mittee composed of councillors
White, Miller and Alexander was
appointed to draft the standing
committees for the current year.
The committee reported as follows:
By-laws and Legislation: The
Mayor chairman, councillors Alex-
ander and Miller.

Finance and Auditing: councillor
Miller chairman, the Mayor and
councillor Alexander.

Assessment and Appeals: coun-
cillor Ellsworth chairman, councillors
Quinn and Lunan.

Police and License: councillor
Lunan chairman, councillors White
and Quinn.

Public Property and Streets:
councillor Pinault chairman, coun-
cillors Miller and Ellsworth.

Water and Sewerage: councillor
Alexander chairman the Mayor
and councillor Ferguson.

Electric Light: councillor White,
chairman, councillors Lunan and
Alexander.

Fire Protection: councillor Fer-
guson chairman, councillors White
and Pinault.

Education and Improvement:
the Mayor chairman, councillor Fer-
guson and Ellsworth.

Public Charities: councillor Quinn
chairman, Pinault and Lunan.

The regular order of business was
then resumed.

Communication read from Police
officer Mann asking for an increase
in salary. Letter referred to Police
and License committee.

Communication read from S. W.
Dimock relative to license fee for
moving picture shows. He claimed
that the fee asked was too high and
looking to the fact that he was a
large rate payer in the town he sug-
gested a meeting to come to some
mutual arrangement and thought it
well to avoid litigation. Councillor
Pinault said that the council had
passed a resolution fixing the license
fee at \$300, and later had changed
it to \$200 per annum, and did not
see that anything further could be
done in the matter and moved that
the letter be placed on file. This
was seconded by councillor Alex-
ander.

Councillor Miller suggested that
the matter be referred to the Police
and License committee and get them
Confined on page 3.

CORONER'S JURY HOLD INQUEST ON DEATH OF FIREMAN JAMIESON

Evidence Given Shows That Engine and Track Were in
Good Condition.—Verdict of Jury Attaches no
Blame to Anyone.

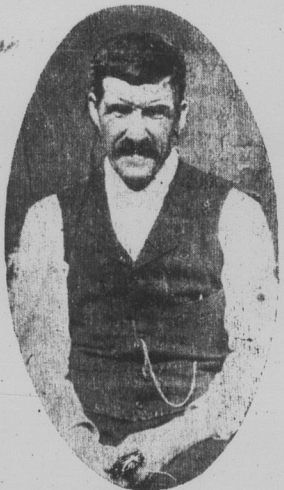

THE DECEASED JAMES JAMIESON

On Monday evening the adjourned
inquest into the death of James
Jamieson, fireman on the ill-fated
Dalhousie branch train which was
wrecked last Monday was held be-
fore the Coroner Dr. A. Martin, in
the Lacasse building the following
jury being in attendance, Messrs.
H. P. Doyle, F. C. Lutz, W. H.
Gray, W. H. Wallace, W. P. Gray,
D. R. Keddy and O. Smith, foreman.

Evidence was given by engineer
T. G. Scott, conductor Geo. Lamp-
key, brakeman A. McMillan, pass-
engers W. D. Duncan, W. A. True-
man, R. B. Keith, A. LaPlante, and
Messrs Stout and Devereaux of the
Intercolonial Railway and Dr. H.
Lunan.

It was established from the evi-
dence led that the cause of the ac-
cident which culminated in the death
of fireman Jamieson was neither ex-
cessive speed nor poor track.

Conflicting evidence was given as
to the speed of the train, which
latterly was established at between
15 to 18 miles per hour; not an
excessive rate of speed for a train
running even tender first.

FIREMAN JAMIESON

The track was found to be in
good order considering the time of
year, the rails usually showing slight
unevenness but otherwise were in
good condition at the point of the
run off, not a spike being out of
place.

From the evidence of foreman
Devereaux it was shown that the
engine was making its first run after
being in the shops for repairs, these
repairs being in no way connected
with anything that might cause de-
railing. As far as he knew, his
opinion was that the engine was in
good condition, having no wheel
trouble of any kind.

CURLING CLUBS FORM ASSOCIATION

North Shore Bonspeil Ar-
ranged for Next Season—
Held First in Chatham

INTERESTING MEETING

A meeting of representatives of
the Campbellton, Newcastle, Chath-
am and Bathurst Curling clubs
was held in Bathurst on Tuesday
evening when the North Shore
Curling Association was organized.

Mr. R. F. Matheson was elected
chairman of the meeting, and it
was arranged to hold the first Bon-
spiel in Chatham to be commenced
on the first Wednesday in February
1913, and continued to a finish.

The permanent officials of the
association were then appointed.
Mr. J. J. Burns of Bathurst being
elected president and Mr. Thos.
Wran of Campbellton Sec-Treas.
Other clubs than the four al-
ready entered will be welcomed in-
to the association on payment of
the necessary fees, and a suitable
cup will be procured and engraved.

CONTRACT AWARDED

We are informed that the contract
for building the new power station at
house has been awarded to Mr. D. A. Ste-
wart who is now all ready to deliver
and have the building finished by the middle
of August. We understand the contract
price is in the vicinity of \$80,000.

W.C.T.U. COLUMN

This department is conducted by the local Union, and is under the charge of an Editor appointed by them. This Editor assumes the responsibility for the statements and articles which appear in this column.

The strife is over, the battle won—and lost. But although we have been routed on one battlefield, "our friends the enemy,"—the liquor interest,—need not deduce that we are hopelessly defeated, and about to sue for peace. We are just as defiant and just as full of fight as ever, and though we have been put at terrible disadvantage by the result of the voting in Ward Three, we will still do our level best to stem rising tide of evil influence.

One word to those who voted for license, who worked for license, and who expect to obtain license and profit thereby. A sentence from the Bible is often thrown at the heads of those who seek to exact legal retribution for the misdeeds of this class. We are comfortably told: "Vengeance is mine, saith the Lord." Let us return the full text in answer to the 'alf "Vengeance is mine, I will repay, saith the Lord."

You rum-seller, who for the sake of your rotten gain, will sell your distilled poison to the man whom it maketh mad, to the boy whose unwary feet step into the snare his blinded eyes cannot see, the wretched sot who gives you the dimes that should feed his starving family, what will you do in the day of the Lord's vengeance?

You snugg, respectable citizen, you knew all the evils of this man's business; you knew he made gain of the bodies and souls of his fellow-men, you knew that little children starved and shivered, that women toiled beyond their strength to earn the food their husbands swore to provide for them and their babies, you knew that mothers wept over bright and talented sons; and knowing all this, you voted to make this a legal, respectable business. Say then, where will you stand in the day of the Lord's vengeance? What plea will you urge? Will your flimsy excuses stand before the eye of the Almighty who demands an account of your brother's soul?

Why did you do it? Was it because you really believed the piffle which the rum party put up for argument? It does not seem possible that any sane man could believe such statements as they circulated the day before the election. They issued a pamphlet giving fifteen so-called reasons for voting for license, and it is worthy of note that one of these was the simple argument. "It is a righteous business." We have boldly stated in this column that it is a most unrighteous business. The ministers of the four Protestant churches join in denouncing it. The Chief Justice of Quebec Bench calls it "the greatest existing foe of law and order." The employers of labour say that it renders their workmen less efficient. In reply to this wholesale condemnation, has any friend of the business ventured to say, "we do no wrong?"

Mr. Citizen, you say by your vote that this business which you know to be wrong, might be legal. How will you answer for your action in the pay of God's vengeance, when broken-hearted wives and mothers stand before God and point to you as the one who helped the work of destruction? Where, oh you modern Cain, where is your brother Abel? The voice of his blood will cry out from the ground against you. What will you do? What will you say?

FATALITY ON I.C.R. NEAR MONCTON

Body of Philip Gayne Found
Mangled on Track on Sunday Morning

Moncton, N. B., April 27.—Gasp- ing his last, his cut and mangled re- mains almost beyond recognition, Phillips Gayne, an employee of the I. C. R. water department, was found on the I. C. R. track near Hall's Creek bridge, half a mile or more from town, about 6 o'clock this morning. A few minutes later Gayne breathed his last without re- gaining consciousness, and leaving the circumstances surrounding his terrible death somewhat of a my- stery.

The unfortunate man was found by Alfred Orr and John Stultz, two I. C. R. employees, who were en route to their homes in Lewisville and Sunny Brae from work.

The unfortunate man had lost both legs and an arm and received several wounds around the head and body, but was still living when found. A passing train was signalled to carry him to the hospital, but he died before he could be moved. Gayne had been in Moncton the day before and returned to his home in Sunny Brae with his daughter about 10 o'clock. He seems to have left the house afterwards to re- turn to Moncton. His dog was found in the ditch nearby with a broken shoulder which was probably sustained while trying to rescue his master from the approaching train.

He was 49 years of age, and is survived by his wife, two daughters and a son. One of the daughters is Mrs. Llewellyn Mutler, of Sunny Brae.

HERE IS GOOD ADVICE TO TAKE

It will help those who have
Kidney and Bladder Trouble.
There are other "old enemies," similar to the one mentioned in this testimonial. Kidney and Bladder Troubles are always enemies to good health. As soon as you start to take GIN PILLS these ailments begin to disappear. It is the same in cases of Lumbago, Sciatica and like complaints. This letter illustrates the benefit of GIN PILLS.

"I have been a sufferer from Lumbago for some years past and during Christmas week had a very acute attack which confined me to the house. About the latter part of April, I met your Mr. Hill and mentioned my complaint to him. He advised me to take GIN PILLS. I have been taking them at intervals during the early part of the present winter, and up to date have had no return of my old trouble—in fact, I feel better than I have for years and think that my old enemy has vanished for good and all."
H. A. JUKES.

50c. a box—6 for \$2.50—money back if not satisfied. Sample free by writing National Drug and Chemical Co. of Canada, Limited, Toronto.

YOUNGEST PEERESS

A pretty 12 years old girl is now the youngest peeress, the King having called out of abeyance the ancient barony of Furnivall in favor of the Hon. Mary Frances Petre, daughter Lady Aurdrey Petre. The barony, created in 1295, has been dormant time 1777.

NEGLECT

To cleanse the system of undigested food, foul gases, excess bile in the liver and waste matter in the bowels will impair your health. The best system regulator is FIG PILLS. At all dealers 25 and 50 cents or The Fig Pill Co., Ltd., Toronto, Ont.

AN IDEAL UNION

Punch: Any attempt to brighten up the "Hatched, Matched and Dispatched" column of our newspapers is to be welcomed, and we tender our grateful thanks to the couple whose marriage was announced in The Times last week under the heading "Link Cuff." If ever there was an ideal union surely we have it here.

Sustaining

That's the big essential of all foods and Kellogg's Corn Flakes possesses this quality in a high degree.

Has a flavor all its own—as nutritious as heavier foods but, being more easily digested, is far more sustaining.

100 PERSONS CURED OF ECZEMA

Within the past few months over 100 persons have written to the Zam-Buk Co. reporting their cure of eczema, rashes and skin diseases by Zam-Buk! Does this not prove that Zam-Buk is something different?

Don't you need it in your household?

Miss Mary McCann, 913 St. Catherine Street W., Montreal, says: "I do not know words powerful enough to express my gratitude to Zam-Buk. Eczema broke out on my scalp and hands. The irritation of the scalp was so bad that I could not sleep or rest, and I feared I should have to have my hair cut off. On my hands the disease appeared in sore patches, the burning and itching of which drove me many times to spells of weeping. I went to the dispensary, but they referred me to a skin specialist, who said that it was not a case of eczema as he had seen. He gave me some ointment, and then a second lot, but neither gave me any relief. "I was in a very bad condition when Zam-Buk was introduced, but I soon found out that it was different from all the other remedies. I persevered with the Zam-Buk treatment, and each box did me more and more good. The irritation and itching soon disappeared, then the sore began to heal, from which skin grew over the parts which had been sore, and I am now quite free from all traces of eczema, both on hand and scalp. My hair has also been saved. "Zam-Buk is also a real cure for psoriasis, blood-poison, cuts, burns and all skin troubles. It is the best and most reliable skin medicine for the poor. Refuse substitutes."

NEWSY ITEMS FROM NEARBY PLACES

Gathered by Graphic Correspondents.—Contributions to this Column are Solicited from every District of the Bay Chaleur.

ST. JEAN L'EVANGELISTE

Miss Lorraine LeBlanc has taken charge of the valley school.

Miss Fitzpatrick who was visiting her aunt Mrs. LeBlanc has returned to Montreal.

The Mission Baptist from Carleton visited Mr. Barriau on Sunday.

Mr. Pierre Normand and Mr. Tom Lynch, Willie McDonald made a flying visit to Carleton on Sunday.

Mr. Ouellet of the International Harvester Co. was here on business Saturday.

We are having very warm weather for the season. This has caused a big rise of water in the Nouvelle River which is doing some damage to the highway and the farmers along the River. If it keeps on rising some of the farmers will have to leave their houses as last year.

Mr. Jackson Miller who has acted as foreman for Chappell Bros. of St. Omer has resigned his position. He intends going out West.

Mr. Albert Williamson has lost a valuable horse this week from inflammation.

Mr. and Mrs. Ferlotte have gone to Caplin where they intend to make their future home.

Mr. and Mrs. Jolicœur have moved to their house this week.

Mr. John Caissey has replaced Mr. Alex. LaBillette as postmaster at Miguasha.

Mr. Peter Cyr accompanied by his daughter visited here Sunday.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold give it a trial and become acquainted with the good qualities. For sale by all dealers.

NEW CARLISLE

The funeral on Tuesday afternoon of the late Miss Maggie Hall who died on Sunday at the age of 48, as the result of a serious attack of pneumonia was the most imposing ceremony ever witnessed in New Carlisle. The chief mourners were the deceased father Mr. J. C. Hall and brother Charles. The stores were closed during the funeral cortege. The ceremonies at the grave were very impressive. The floral offerings were—Crosses from the Rev. E. A. Dunn, former rector of St. Andrews Episcopal Church, New Carlisle and Mrs. Dunn. Also the Ladies Guild of St. Andrew's Church and Mr. and Mrs. John Hall Kelley. Wreaths from Mr. and Mrs. C. B. Scott, Mr. and Mrs. Menard, Mr. and Mrs. Couillard, and Mr. and Mrs. Elora. The sympathy of a large circle of friends goes out especially to her father and mother Mr. and Mrs. J. C. Hall who have lost a faithful and true worker.

We are sorry to learn that Miss Annie Caldwell is suffering from a serious attack of pneumonia.

Mr. and Mrs. Hugh Astels left Tuesday the 22nd, for Montreal.

Mrs. Moores and grand-daughter Frances left Friday the 25th, for Moores Settlement.

Miss Iney Kempfer left Saturday the 26th, for Quebec.

Mr. Percy Legallais of Paspéac West spent Sunday in New Carlisle.

It would surprise you to know of the great good that is being done by Chamberlain's Tablets. Darius Downey, of Newburg Junction, N. B., writes, "My wife has been using Chamberlain's Tablets and finds them very effective and doing her lots of good." If you have any trouble with your stomach or bowels give them a trial. For sale by all dealers.

DALHOUSIE

This year the 12th International Geological Congress meets in Canada. The object of the congress is, briefly, the advancement of knowledge concerning the earth both in the field of pure geological science and in its application to the arts and industries, through the association and co-operation of leading geologists and engineers of all nations.

The excursionists will leave Montreal on Sunday evening, July 13th taking in Quebec, Lévis, Sillery, Montmorency Falls, River du Loup, Grand Geyre and Percé and make a partial examination on Friday, July 18th of Black Cape, silurian section, (7,000 feet thick). Mr. Geo. Haddow, custom house officer here, has been notified by the secretary of the International Geological Congress from Ottawa that one hundred geologists will arrive at Dalhousie on Friday, July 18th. They will stay at Dalhousie over night and leave the following day about noon for Bathurst. The afternoon of the first day is to be spent on the Quebec shore, opposite Dalhousie, to examine the Upper Devonian of Escuminac Bay, with its remarkable fish fauna. During the morning of the second day they propose going to the Inch Arran, where in that neighborhood they will examine the Devonian beds and volcanic intrusives of Dalhousie.

In view of the approaching visit of so many distinguished and educated men from all parts of America, Mr. Haddow called a meeting of citizens, which was held in the custom house on Saturday to appoint committees looking forward to the reception, entertaining and transporting of the many visitors. Those present were: Mayor W. S. Montgomery, Geo. Haddow, Esq., M.P., Hon. C. H. LaBillette, H. A. Hilyard, A. J. LeBlanc, E. Rebe Richard, D. McDonald, John E. Dean, John B. Delaney, E. R. Gaudet, Charles St. Armand.

Miss Alma LaBillette, youngest daughter of Hon. C. H. LaBillette, who spent the winter in the West with her sister, Mrs. R. L. Lennot, and who joined the Saskatoon Amateur Dramatic Society, distinguished herself on the stage according to the Saskatoon Daily Star and Phoenix. On the 21st and 22nd April the society presenting the drama "A night off", a comedy in four acts by Augustin Daly. Miss Alma LaBillette took the leading part, as Angelica Damask, and distinguished herself according to the press. The Saskatoon Phoenix dated April 23rd published a splendid picture of her and added among other things that Miss Alma LaBillette proved adequate, her best opportunities being the domestic scene by the fireside, when the family peace becomes rudely shattered along the lines marked out by the three whose notion of the place to be that evening was not beside the fire.

The other ladies who took part were Mrs. J. Elliot Homes as Susan, the "brassiest", Mrs. J. H. Holmes, as Mrs. Zantippa Babbitt, professor of conjugal management in the Professor's household and Miss Phyllis Winterton, the youngest "imp" of the household.

Miss Annie Dickie who is teaching in Shannonvale spent Sunday with her parents Mr. and Mrs. John Dickie at Point la Nim.

Miss Bella Ferguson and Miss Murchie of New Mills spent sometimes last week with friends at Dalhousie Junction.

Mr. James Harvie, Nash's Creek, paid Point la Nim a flying visit this week.

Among those who were prize winners in the Dairy Contest of \$300 in gold and other valuable prizes in Dr. Chase's Almanac for 1912 for best dairy kept was Miss Grace G. Fullerton of Prince William, N. B., and formerly a resident of Dalhousie.

The Dalhousie Lumber Co. Ltd., have chartered two steamers, Lake Boats, to run between Dalhousie, Niagara Falls, and New York during the coming summer to carry pulpwood.

Interviewed this week Capt. F. J. Allard, stated that on Monday, May 5th the S.S. R.R. Call would begin her regular trips between Dalhousie and Upper Miguasha, Fleurant Point, St. Omer and Carleton. That in addition to last years time table he would make the same trips to Fleurant Point on Mondays as he did on Wednesdays giving the farmers of Fleurant Point and Escuminac two chances per week to attend the Dalhousie market. Messrs. Sam Pike, George Court, David Wafer, Benj. Court who were seen here this week speak in the highest terms of the progressive action taken by the Dalhousie people in giving them a good ferry service.

Mr. and Mrs. Charles Nelson are receiving congratulations on the arrival of a bouncing baby boy on Sunday morning.

Mrs. Dunn of Marinette, U.S. arrived here last week to visit her parents Mr. and Mrs. James Dunn. She has been away since twelve years.

Mrs. John Barberie and Mrs. S. J. Ballingham accompanied Mrs. R. J. Coleman to St. John this week to attend the Woman's Auxiliary Convention.

Miss Mona Neilson who spent the winter in Portland, has returned to Dalhousie to spend the summer.

Mrs. John McNeil who spent the winter at her old home in New Carlisle, P. Q. has returned to Dalhousie.

Miss Jessie Dunn of Lathosie Junction was a recent visitor to town.

Mr. A. T. LeBlanc, Campbellton was in town on Tuesday a guest at the Queen.

Mr. E. I. Harker of the J. & D. A. Harquail Company, Ltd., Campbellton was in town on Tuesday and registered at the Queen.

Mr. Felix Allain of Carleton, P. Q., is in town this week to see his brother Louis Allain who is very ill.

Mr. Ed. Martin of Carleton, P. Q. was in town recently renewing old acquaintances.

Mr. Alex. LaBillette of Miguasha paid Dalhousie a flying visit on Saturday.

Mr. P. W. Hamilton, River Charlo and Mr. Benj. Windsor, New Mills were in town this week guests at the Queen.

Miss McLean, Boston is here with her sister Mrs. James Jamieson and will visit another sister in St. John shortly.

Woodstock, April 29.—Fred E. Beemer, a well known farmer of Drumbo, died on March 25, after having taken a dose of salts, administered by his wife. At the adjourned inquest at Drumbo, the jury brought in a verdict to the effect that the deceased died of strychnine poison, and asked that the rigid investigation be made by the authorities.

The jury's verdict was based largely on the government analysis of the man's stomach, the report stating that one grain of the poison had been found which would have been sufficient to cause death.

Mrs. Beemer was questioned about several doses of salt which she had given her husband from time to time during his illness, but she denied having had strychnine in the house.

Electric Restorer for Men

Phosphonal restores every nerve in the body and vitality. It is the proper tension restores the gentle but certain action of Na-Drucolaxatives.

JUDGEMENT GIVEN IN DIVORCE CASES

Mrs. Susan Prince and Berton A. Johnson Given Decisions.

Fredericton, April 29.—At the divorce court this morning, Justice McKeown delivered judgements in the two cases tried before him at the February sitting of the court, namely, Susan Prince vs. Harold W. Prince, and Berton Arthur Johnson vs. Verna Elsie Johnson. Both cases were heard as undefended cases and the court on the evidence submitted by the plaintiff's proctors decreed that an absolute divorce be granted the complainants in each suit.

In Prince vs. Prince, the testimony presented at the hearing went to show that Harold W. Prince was married to one Susan McCutcheon on January the 1st, 1909, in the city of St. John by the Rev. Gideon Swim, a Baptist clergyman. The wife and other witnesses testified to the effect that the husband since the marriage had been unfaithful to his marriage vows and had been guilty of infidelity which had not been condoned by the wife.

THE SAILOR HAT

When I was a boy of about sixteen

The girls wore hats that were neither green

Nor purple nor blue nor pink nor pied.

And they didn't have birds at the top and side,

And they didn't have parrot or ostrich and plumes,

And they didn't have spinach or other blooms:

And I fell in love—and I still stand pat

For the old time girl in the sailor hat.

'Twas a simple contraption built of straw,

But the boniest bonnet that ever I saw;

For it wasn't as big as an umbrella,

And it wasn't as wide as the mouth of hell,

And it wasn't so floppy its brim came down.

And covered the half of the little old town.

Ye! it wasn't at all too small, at that—

Oh, the old time, gold time sailor hat!

'Twas a straight briar straw with a ribbon around

That was bought by the yard instead of the pound.

And it wasn't a teeny-weensy toque

As small as the point of a British joke,

And it didn't hang down and hide the ears

And the whole back hair of the dainty dears,

And it wasn't befurred like a coon or cat;

Oh, the dear old fashioned sailor hat!

I am going out now to hunt and find

The girl of the hat I have in mind:

And when that delicious delight I discover

I'll bow to her, vote to her, cherish and love her:

For her I can coddle and her I can kiss—

(And I'm hoping my wife won't happen on this,

For if she should read it she'll break me flat

For a nineteen thirteen sailor hat.)

NA-DRU-CO LAXATIVES

Women's commonest ailment—the root of so much of their ill-health—promptly yields to the gentle but certain action of Na-Drucolaxatives.

ROOM FOR ENQUIRY

For some time back a few of the merchants of the town have been greatly annoyed by goods which came in by freight being tampered with. From conversation with some of the merchants it appears that goods coming from Western points are more liable to this class of pilfering than those from the East, and it is said that no case which looks as if it were something good to eat or drink is free from depredation. The articles taken in all cases are small; the case is usually opened, a bottle or two, or a package removed and the case nailed up again.

It is felt by the merchants that it is a waste of time to file claims for such small amounts, and it is supposed by some to refuse the goods, return them to the shippers and let them fight it out with the railway people. The merchants consider that more time is wasted by making a claim for 50 cents than in letting the thing go, but the matter has come to such a pitch that something must be done, and the merchants consider it best to refuse the goods and let them go back to the shippers. It is admitted by all, that shipments from the East are received almost in all cases in good condition and this discrepancy is not necessarily blamed on our own freight shed staff but until the matter is cleared up they must take their share of the black cloud which hangs over the system from here to Lewis.

We are informed that one general merchant gets all his freight now over the C. P. R. and International, and if this course is the result of the complaint now made, it should be sufficient reason to show that there is some room for enquiry, and the attention of the officials should be directed to the clearing up of the matter.

BARBERIE-SLY

A very pretty wedding was solemnized at five o'clock Thursday afternoon, May the first, when Rev. J. E. Purdie united in marriage Miss Wenonah, daughter of Mrs. Oliver Arnold Barberie of Campbellton and Mr. Reginald J. Sandover Sly of Warminster, England, now the popular engineer of the town of Campbellton.

The bride who was attended by Miss Sophia Benson of Chatham, N. B. entered the church on the arm of her brother Jack, to the strains of the Wedding March, rendered by Miss Jessie Moore. The bride wore a becoming travelling suit of tan with hat to match and carried a lovely bouquet of roses, carnations and maiden hair fern. The groom was supported by Mr. Claude Brown of Dalhousie N. B.

After the ceremony a few of the immediate friends and relatives of the bride and groom gathered at the home of the bride, where a dainty lunch was served. The happy couple left on the Limited for Montreal, Toronto and other cities.

The church was tastefully decorated with potted plants, ferns and palms by the girl friends of the bride. The many handsome and costly gifts from friends both far and near show the popularity of the young couple. Among which was a purse of \$50.00 in gold from the congregation, and a bible from the Rector, Wardens and Vestry. This giving of a bible by the Rector, Wardens and Vestry to the first bride in a new church is an old historic custom.

LUMBER PROSPECTS ARE BRIGHT

With the early spring things are looking pretty bright for the mills, although the conditions were none of the best for the drives. Scarcity of men was the greatest drawback felt by the lumbermen but notwithstanding this the drives are coming well, encouraging reports being received on all sides. Shives drive from Bruntland Brook is the first down and is the earliest for some years. Hazen Brook drive is reported safe, and Five Fingers is reckoned about two thirds out and pretty safe. No definite word has been received from the others but report has it that they are coming well.

Richards No 1 mill started on Tuesday and the others are already to begin the seasons work.

Athol mills will start in about a weeks time, and the shingle mills here are likely to start sawing on the first of the week.

The cut this year will compare favorably with that of previous years and with getting an early start a good season is looked forward to.

The rebuilding of the Charlo mill recently destroyed by fire will be proceeded with shortly by the Richards Co.

DISTINGUISHED LECTURER MONDAY

The Rev. Walter Wynn of Chesham United Free Church, London, Eng., who is now touring Canada, will be heard in St. Andrew's church shortly. On Sunday Rev. Mr. Wynn will occupy the pulpit in St. Andrew's morning and evening and on Monday will lecture on "Great Preachers of Christendom." A collection will be taken up for the benefit of Mr. Wynn's work among the poor.

Speaking of his church, Mr. Wynn says:—The United Free Church, Chesham, is unsectarian, and ministers to Methodists, Baptists, Congregationalists, Churchpeople, and indeed all classes. It is on the extreme edge of the London Metropolitan area amongst poor people who have worked and raised 4000 pounds in six years. The building seats 1000. All sittings and hymn-books free. It is an evangelical work, and we work in love of all classes and churches. The name of our church indicates our idea of "The Church of the Future."

CAMPBELLTON MAN SWINGS BIG DEAL

P. M. Shannon has just concluded negotiations for 2000 acres of land in the vicinity of McGivney Junction.

This is the property needed by the Militia Department of Canada for the new militia training camp.

Military men who have looked the site over say it is the best for this purpose in the Dominion of Canada.

GOVERNMENT TO ACQUIRE BRANCHES

The resolution empowering the government to purchase or lease branch lines for the Intercolonial was passed after some discussion, during which Mr. Cochrane withdrew the resolution and substituted another form. This empowers the government to acquire railways, railway works, etc., in the provinces of Quebec, New Brunswick, Nova Scotia and Prince Edward Island; provides that prompt notice of the transaction shall be given to parliament; provides that the limit of line leased or bought shall be 200 miles and 25 if there is no parliamentary appropriation; and that the line must form part of the government railway system.

In reply to representations by Hon. Charles Marcell and Hon. Rodolphe Lemieux, the minister of railways promised that he would appoint a commission to consider the question of taking over the Bay des Chaleurs and Gaspé railways as part of the Intercolonial.

MAKING PROGRESS

The race track being built on the Duncan property near the Rifle range is taking shape, a number of men being employed grading, etc. It is hoped to have it ready for racing this season.

NEW GARAGE

Dr. Pinault is erecting a new garage on the property he recently purchased from the Presbyterian trustees. The doctor has sold his Ford car a Jacquet River party and has placed his order for a 1913 model.

ESTATE PROBATED

The estate of the late John Adams was probated before Judge Matheson last week. The estate was probated at \$11,000. Miss Minnie Adams was appointed administratrix under the will.

AUCTION

J. R. Henderson, Oak Point is offering his farm, stock, machinery, etc., by Public Auction on Friday May 23rd.

TO BUILD

Mr. D. A. Stewart is preparing plans and specifications for an up-to-date brick cased building for Mr. Theo. Ellsworth at the corner of O'Leary and Gerard.

SUFFRAGETTES NOW IN THE TOILS

London Police Raid Offices and Seize Documents. Active Leaders Arrested.

NOW IN CUSTODY

London, April 30.—The headquarters of the Women's Social and Political Union, the Militant Suffragettes' Society, situated in Kingsway, were raided in search of evidence against the militant leaders by a squad of police commanded by Supt. Patrick Quinn of Scotland Yard, who has been placed in charge of the department for dealing with the Suffragettes.

London, April 30.—The British home office today inaugurated a more active campaign to put an end to suffrage militancy. The headquarters of the women's social and political union, where many outrages are said to have been organized, were occupied by the police and all the active leaders taken into custody. Even General Mrs. Flora Drummond and Miss Annie Kenney, who were out on bail, were arrested on a fresh charge of conspiring with the members of the Pankhurst family to commit malicious damages.

Over 100 policemen and detectives from Scotland Yard where engaged in the capture of the militant offices. They had scarcely taken possession of the place when General Drummond, apparently ignorant of what had happened, arrived and was admitted, not realizing that she had voluntarily entered the lion's den until she found herself under arrest and on the way to Bow street police station, where she met Miss Annie Kenney, who had been caught elsewhere, and five active officials of the society.

Miss Barbara Kerr, the secretary of the women's Social and Political Union; Misses Lake, Lennox and Barrett, and Mrs. Saunders, all of whom are officials of the society and were in charge of the offices at the time of the raid, were arrested, while a large quantity of documents were seized.

Several typists and other clerks were ordered to leave the premises, which were then closed and police left on guard.

The women arrested are to be charged with conspiracy or with having committed offences contrary to the clauses of the malicious damage act.

SUNDAY SCHOOL EXECUTIVE MEETS

A meeting of the Executive of the Restigouche and Bonaventure Sunday School Association was held here on Wednesday afternoon. Mr. Thos. A. Clarke of Jacquet River presiding, arrangements were made for the tour of the Field Secretary, Rev. W. A. Ross, as follows:

- May 18th.—Tide Head, morning
- " " Flatlands, afternoon
- " " Robinsonville, evening
- " 19 —Matapedia, "
- " 20 —Eel River, "
- " 21 —Charlo, "
- " 22 —New Mills, "
- " 23 —River Louisa, "

The above is subject to final approval of the Field Secretary but will be followed as closely as possible. There was also some discussion as to the County Convention which is to be held this year. It was thought best to hold the convention within the first two weeks of July and the secretary was instructed to write Mr. Ross to ascertain if that time would be convenient to him. As soon as possible the date will be definitely decided upon, and it is hoped that this year's convention will be a most profitable one.

Estate Notice

Notice is hereby given that the undersigned have been appointed administrators of the estate and effects of Frank M. Murray, late of the Town of Campbellton, in the County of Restigouche, deceased. All persons indebted to the said estate are required to make payment forthwith, and all creditors of the estate are requested to file their claim, duly proven, within three months from this date.

BETTER THAN BLACK FOXES

The Black Fox Industry has proven to be an exceptionally good investment, but well selected Real Estate is better because safer. A \$10,000 fox may die or escape, but real estate in a city which is increasing in population at the rate of 14,000 per year which has a building program of \$12,000,000 this year MUST rapidly increase in value.

We have large holdings in seven of the best cities of Canada, ranging from St. John and Moncton in the East to Calgary in the West. Our last purchase is a most fortunate one, being One Hundred and Fifty Dollars per acre less than was paid for the adjoining quarter section. We buy at Rock-Bottom Prices and Make a Specialty of Syndicating Large properties.

You can get into one of our Syndicates at 75 per cent. less than you can purchase the same property from the ordinary lot vendor; and then we guarantee to resell the property, so that you know where you are to get off again. We have never made less than 75 per cent. for our shareholders.

Our last property is a quarter section in the Queen City of the West, Regina. This quarter has already been sub-divided, and is just across from the three-million-dollar Parliament Buildings, the G.T.P.R. million-dollar Hotel and the G.T.P.R. \$1,000,000 Depot, and at the present time can be retailed in lots at double our price to the Syndicate.

The Syndicate who bought the adjoining quarter made a profit of \$200,000 for the shareholders

\$40,000 worth of shares were sold last week to four prominent men of the Province

CARELESSNESS CAUSES ACCIDENT TO TWO PEOPLE

Charlottetown, P. E. I., April 29.—A serious accident occurred today at the home of Jeremiah Enman, Vernon River Bridge, when his sister, Miss Margaret, went to fill a lantern with kerosene. She took the oil to the table and when about to fill the lantern, Joseph McDonald, a neighbor, happened to throw away a burning match with which he had lighted his pipe. The match fell into the open can of kerosene and an explosion followed, with the result that both were badly burned about the head and face.

Mr. Enman snatched a quilt and wrapped it around his sister and took a rug from the floor and threw it over Mr. McDonald. A doctor was immediately called and attended to the injuries of both. It is thought that Miss Enman will recover, though she will be marked for life.

SUMMER WEATHER
The weather last Friday, Saturday, Sunday and Monday were real summer like, the thermometer registering as high as 86 in the shade. The unusual weather made the snow in the woods disappear rapidly and the rivers were very high for a few days. The cool nights have reduced the volume of water.

Mrs. James Jamieson and family beg to return thanks for the many kind expressions of sympathy received during their recent sad bereavement.

LIVE BEARS WANTED
Mr. Chas. Gray has received an order from New York for five live bears, and he will make an endeavor to catch them this season.

BAD NIGHT
The meeting of the Board of Trade called for Monday evening was postponed, there not being sufficient members to form a quorum. Monday is a bad night to have a meeting any way, as there are always other meetings on that evening.

BUSINESS FOR SALE
Richard Parker, Esq., who has for years conducted a grocery store at the corner of Andrew and Roseberry streets is offering his business for sale. Mr. Parker's health is not of the best and he wishes to retire. This is a rare opportunity for someone.

INTRODUCTION
Rev. S. J. McArthur, of Newcastle, Rev. E. E. Mowat, of Loggieville and Rev. J. M. McLean, were in Rexton, Thursday, in connection with the induction of Rev. C. A. Hardie into the ministry of St. Andrew's Presbyterian church there.

PROFESSIONAL
Dr. A. Pierce Crockett, eye, ear, nose and throat specialist of St. John, will be at the Waverly Hotel, Campbellton, FRIDAY, MAY 2nd, where he may be consulted professionally. May 2:2m

EXCAVATION
The water and sewerage department are busy excavating in Water street, preparing for the laying of a new six inch water pipe to Shivers mill, which is required for their new Grinnell Sprinkler System now being installed.

PRESENTATION
Representatives from Chatham, Newcastle, Bathurst and Campbellton, members of the Maritime Council, Knights of Columbus, gathered at Bathurst, Sunday, where at 8:30 p.m. they made a presentation of a handsome purse of gold to Bishop-elect O'Leary.

DISTINGUISHED VISITOR
There is no more devoted missionary or more eloquent speaker in the great Presbyterian church than Dr. Murdoch McKenzie of Honan. Dr. McKenzie has been nominated moderator of the General Assembly by many Presbyteries. He has been touring in the Maritime Provinces and will pay a flying visit to Campbellton on Friday the 9th inst, when he will give an address in St. Andrew's church. In view of growing interest in China the visit is most timely. All invited.

WORTH SEEING
"The County Sheriff" is a western comedy drama, and will be worth seeing.

NEW ROOMS
The Firemen's club have removed from the Bank of Nova Scotia building and are now housed in rooms above Mr. J. R. McKenzie's store.

GOOD CATCHES
The lobster season has opened well. Good catches being made down the bay, the crustacea being large and of good quality.

PNEUMATICA STOPS YOUR PAIN
Or breaks up your cold in one hour. It's marvellous. Applied externally. All druggists.

WATER OFF
The water was turned off on Ritchie street for a few hours on Wednesday to allow connections to be made in Water street for the new sprinkler main for Shivers Mill.

OCCUPIED PULPIT
Mr. Joseph Boucher, a graduate of Montreal Presbyterian College, and silver medalist of his class, occupied the pulpit in St. Andrew's church on Sunday morning last.

DAMAGE BY WATER
By an overflow of water from a kitchen sink in the dwelling house above his store, the dry good stock of Mr. J. F. Gallagher was considerably damaged last Sunday. The damage was arranged and paid by Mr. Wm. Glover.

MAN DROWNED
Bathurst, N. B., April 30—Thaddeus Viennieu was drowned and a man named Jamieson seriously injured at Middle Landing drive last evening, fourteen miles from here. The drives are coming along nicely.

CONSECRATION AT BATHURST
Bishop O'Leary, of Prince Edward Island, is to be consecrated at his home parish, Bathurst, N. B., on May 3rd. The Rev. John Whetten, late of Pokenouche, has been appointed by His Lordship Bishop Barry parish priest of Bathurst.

ANNUAL MEETING
The annual meeting of the Campbellton Rural Cemetery Company will be held in the hall of the Methodist church on Monday evening the 12th of May next, at 8 o'clock.

ARBOR DAY
The Schools Inspector has appointed Friday, May 9th as Arbor Day in the public schools. The co-operation of parents and all others in the district is invited, and attention should be given not only to the school grounds and premises but to the roadsides and other public grounds as well.

MOTHER'S DAY
Sunday, May 11th will be observed as Mothers Day. The movement which is rapidly spreading calls for the wearing of a flower on that day in memory of mother, a red flower if she is alive, and a white one if she is dead. The White Drug Co. will have a supply of carnations for this, and it would be well to give your order now.

RELIEF ASSOCIATION
There were eight deaths in the Intercolonial Relief Association during the month ended April 25. The deaths were as follows: Albert Tremaine, retired employee, Halifax, insurance \$250; Joe Moreau, clerk, River du Loup, \$250; E. Perron, conductor, River du Loup, \$250; J. Thompson, retired employee, St. John, \$500; James Jamieson, fireman, Campbellton, \$250; William Cochrane, netting inspector, Halifax, \$200; W. S. Poole, retired employee, P. E. Island, \$1,000; S. Saviole, carpenter, Moncton, \$250; total insurance for the month, \$5,000.

For Sale.

House finished up-to-date 25x30, 2 stories high, lot 50x125. A snap to the right party. Apply to

S. W. Dimock.

DROWNED

Report has been received here of the death by drowning of J. L. Bernier of Cap-sapou who was employed on the drive at Chatham Brook. The body of the lad who was only 20 years of age was taken in charge by L. F. Bernatchez. He was employed by the St. Laurent Co.

STEAMERS COMING

Three steamers are expected here for loading about the fifteenth of May, and the season opening so early promises to be very good.

WRONG TIME

Some of our people are very fond of music but they respectfully suggest that the young lads who want to have a sing song on Sugar-loaf Street might make the hour seven in the evening instead of three in the morning.

ANNUAL MEETING

The annual meeting of the Restigouche Rifle Association will be held on Wednesday 7th May in the firemen's new rooms above J. R. McKenzie's at 3 in the afternoon. Any persons wishing to join the club can hand in their names to Captain White at White's Drug Store.

Farm on Tobique Road, will be sold on easy terms.

Notice of Sale

To Lily Dittie, of the parish of Dalhousie, in the county of Restigouche and province of New Brunswick, wife of Joseph E. Dittie, of the same place, farmer, and to the said Joseph E. Dittie, and to all others whom it doth or may concern.

Notice is hereby given that on Saturday the twenty first day of June A. D. 1913 at the hour of two o'clock in the afternoon, in front of the County Court House, in the town of Dalhousie, in the county of Restigouche and province of New Brunswick, there will be sold at Public Auction under and by virtue of the powers of sale contained in a certain indenture of mortgage bearing date the twenty-eighth day of June, in the year of our Lord one thousand nine hundred and ten, and made between Lily Dittie, of the parish of Dalhousie, in the county of Restigouche and province of New Brunswick, wife of Joseph E. Dittie, of the same place, farmer, and the said Joseph E. Dittie, of the first part, and Timothy Robinson of Dalhousie Junction, in the county of Restigouche and province of New Brunswick, of the second part, which indenture of mortgage is duly registered in the office of the Registrar of Deeds in and for said county of Restigouche, in the book B.2 of the records of the said county of Restigouche, by the number 12,399 on pages 593, 594, 595 and 596 on the twenty eighth day of June A. D. 1910.

And under and by virtue of the property act.

Certain lands and premises in said indenture of mortgage, mentioned and described as follows: All and singular that certain lot or parcel of land and premises situate lying and being in the parish of Dalhousie, in the county of Restigouche and bounded and abutted as follows: that is to say, on the West by land in the possession of Peter McGowan on the front or North by the King's Highway on the East by land in the possession of Robert Wright and on the rear or south wilderness land and known as the said lot and containing fifty acres more or less, together with all and singular the buildings and improvements thereon and appurtenances to said land and premises belonging.

Default having been made in the payment of the principal moneys and the interest thereon secured by the said mortgage contrary to the provision for payment of the same in the said mortgage contained.

Dated at the town of Campbellton aforesaid, this tenth day of March, A. D. 1913.

CHANGES IN THE CABINET SOON?

Le Devoir Says That Three Ministers Will Resign at End of Session

Montreal, April 29.—Le Devoir, the newspaper owned and edited by Mr. Henri Bourassa, the Nationalist leader, and which is usually well informed on political affairs, today states that Hon. Bruno Nantel, Minister of Inland Revenue; Hon. Frank Cochrane, Minister of Railways, and Hon. Dr. Roche, Minister of the Interior, will resign their portfolios in the Borden cabinet to assume other "important positions." Le Devoir says that Mr. Nantel will become a judge. None of these resignations will take place until the end of the session. Mr. L. T. Marchal of Montreal, may succeed Mr. Nantel in the inland revenue department.

Le Devoir asserts that though Mr. Cochrane has administered his department well, he is not popular in the House nor among the Conservative members from the counties through which the Intercolonial Railway passes, and says he will be sent to Washington as the agent of the Canadian government. He is likely to be succeeded by Major Currie, member for Simcoe, Ont.

Mr. Roche will resign because of ill-health and will be sent to the Senate, says LeDevoir. His successor may be Mr. Arthur Meighen, member for Portage La Prairie. Mr. Albert Seivigny, of Dorchester, aspires to the position of solicitor general, a position also being sought by Mr. A. C. Boyce, of Algoma. Mr. Borden has not decided on an appointment to this office. The prime minister also would like to secure Mr. W. J. Hanna of the Ontario government, but is opposed in this by Sir James Whitney.

THE CANADIAN MAGAZINE for May is as inspiring magazine, for in the first article—"The Wooden Walls of Canada," by Charles S. Blue—it is shown that no matter what our naval policy may be, Canada built and manned and operated a navy of her own on the Great Lakes more than a hundred years ago. The article is unusually interesting, and it is illustrated with a frontispiece portrait of Sir Guy Carleton, who is called "The Father of the Canadian Navy." This article is followed by an artful little sketch, "The Shadows," by Magaret Bell, and a poem by Isabel Feckstone MacKay. There is also a finely ironical essay by Arnold Haultain entitled "Oxford and the Oxford Man" an article of national importance entitled "A National Purpose in Education," by the Inspector-General of Protestant schools in the Province of Quebec; "Upper Canada in Early Times," by the Honorable William Renwick Riddell; "Spring in the Beech Woods," by Duncan Armstrong. A fine selection of short stories by Peter McArthur, May Austin Low, J. J. Bell, Louis Joseph Vance, and others, a sketch of Archbishop McNeil of Toronto, by M. J. Hart, and poems by Duncan Campbell Scott, Arthur L. Phelps and Ewyn Bruce MacKinnon.

HOMESEEKERS EXCURSIONS

Every Wednesday until October 9th the Intercolonial railway will sell second class round trip tickets to Winnipeg, Brandon, Edmonton, Saskatoon and Calgary. These are good for return two months from date of issue and are a special inducement for those wishing a cheap trip to the West. The nearest ticket agent will furnish full particulars. SHE USED HATPIN AGAINST POLICE

Lively Times on Monday Morning at the Fire Sale in St. John.

The St. John Standard of Monday's date says:

The western papers, when a new section of land is thrown open to the public, tell how women as well as men battle for first places and even remain out all night. Long before the hour of the opening of Messrs. F. W. Daniel & Co's fire sale hundreds of women took charge of the sidewalk and half of the street. The women near the door held on to their point of vantage with much determination. The doors had hardly been opened when there was a rush and surge. The women on the outside kept forcing their way to reach the doors, with the result that many were pinned against the building and held there. In a very short time the premises were crowded and still the crowd grew larger on the outside. The policeman on the beat had the hardest time of his life. No amount of reasoning had any effect. One woman was jostled so badly that she became hysterical and hurled a big hat pin at the officer of the law. He fortunately escaped injury from such a deadly weapon. No thought was taken by the women, the great majority of whom had no umbrellas, of the rain. There they stood regardless of their feathers and laces. They were after bargains and they seemed determined no matter what the cost they would succeed.

Mr. Rainville suggested that a committee consisting of four or five members of the banking and commerce committee be appointed to make a thorough investigation of the matter.

Hon. W. T. White informed Mr. Rainville that he had sent the written charge to President Wilkie of the Bankers' Association. Mr. Wilkie had replied, stating that he had submitted the accusation to secretary Knight, who would report.

"We will not take any action on the matter," said Mr. White, "until we have received the report." Some discussion in connection with the charge took place. "What power," asked Mr. White, "has the association to close a bank?"

"I can prove that the secretary of the association compelled the directors to close their doors," replied Mr. Rainville.

"If a bank is solvent and pays its debts, how can it be closed?"

"By abuse of power," declared Mr. Rainville.

"You allege conspiracy?" asked Mr. White.

"I do," said Mr. Rainville. "I say that two days after the bank closed the Bank of Montreal was in possession of the premises."

Mr. White stated that he expected a report from Secretary Knight probably later to-morrow.

An amendment by Mr. McCurdy that bank statements of profit and loss should be in detail was adopted.

An amendment by Major Sharpe to tax bank circulation one-half of one per cent, was opposed by Sam Barker, A. K. Maclean and Sinclair, of Guysboro, and Nesbitt, and lost on a vote, 9 for to 16 against.

Dr. Steele submitted an amendment to sterilize all bank notes.

Dr. Thompson would compel banks to issue new notes in place of dirty ones coming back. The Minister of Finance depreciated any action and the motion stood over.

Riddles and Answers

Why has the shoemaker wonderful powers of endurance?—Because he holds on to the last.

Full to the brim, without crack or seam.—An egg.

What is that which, if you take away all letters remains the same?—The postman.

What is the greatest thing to take before singling?—Breath.

What flowers are always under a person's nose?—Tulips.

What belongs to yourself, but is used more by your friends than by yourself?—Your name.

What is that which makes every one sick but those who swallow better?—Flattery.

What to the table, but is often brought to the table, out, but never eaten?—A pack of cards.

What is a put-up job?—The paper on the wall.

Silver From Sweepings

In the manufacture of silver wares the loss of silver in floor sweepings would be great were it not for the methods of recovery. The smelting of sweeps requires a special plant which but few concerns can afford to have, therefore most of them prepare this material so that it can be sold. The most satisfactory method is to grind the sweeps to a fine powder, so that a fair sample can be obtained for assay. One assay of the material may then be made by the purchaser and another by the seller. Unless the sweeps are ground very fine, however, and then mixed thoroughly, there is but little chance of agreement between the two assays, as coarse material is filled with fine shot silver, which, when samples are made, is not evenly distributed.

BANK'S FAILURE DUE TO CONSPIRACY

Member of Parliament's Charges Against Bankers' Association

Ottawa, April 29.—When the banking and commerce committee resumed this morning, Mr. Rainville, French-Canadian member for Chambly-Verchères, informed the committee that he desired an investigation to be held into the circumstances surrounding the failure of the Bank of St. Hyacinthe and into the actions of the Canadian Bankers' Association in relation thereto. Mr. Rainville averred that the association had virtually forced the bank to close its doors. He declared that the association had been guilty of abuse of power and that there had been conspiracy in connection with the failure. The bank, he said, had been solvent when its doors were closed.

Mr. Rainville suggested that a committee consisting of four or five members of the banking and commerce committee be appointed to make a thorough investigation of the matter.

Hon. W. T. White informed Mr. Rainville that he had sent the written charge to President Wilkie of the Bankers' Association. Mr. Wilkie had replied, stating that he had submitted the accusation to secretary Knight, who would report.

"We will not take any action on the matter," said Mr. White, "until we have received the report." Some discussion in connection with the charge took place. "What power," asked Mr. White, "has the association to close a bank?"

"I can prove that the secretary of the association compelled the directors to close their doors," replied Mr. Rainville.

"If a bank is solvent and pays its debts, how can it be closed?"

"By abuse of power," declared Mr. Rainville.

"You allege conspiracy?" asked Mr. White.

"I do," said Mr. Rainville. "I say that two days after the bank closed the Bank of Montreal was in possession of the premises."

Mr. White stated that he expected a report from Secretary Knight probably later to-morrow.

An amendment by Mr. McCurdy that bank statements of profit and loss should be in detail was adopted.

An amendment by Major Sharpe to tax bank circulation one-half of one per cent, was opposed by Sam Barker, A. K. Maclean and Sinclair, of Guysboro, and Nesbitt, and lost on a vote, 9 for to 16 against.

Dr. Steele submitted an amendment to sterilize all bank notes.

Dr. Thompson would compel banks to issue new notes in place of dirty ones coming back. The Minister of Finance depreciated any action and the motion stood over.

To Our Friends and Neighbors

You know us. You know we would not—that we could not afford to—go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best bowel remedy ever made—the most pleasant-tasting, most permanently beneficial laxative for relief from the miseries and dangers arising from constipation.

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many severe cases in which they have proven their merit.

Just let the bowels fall in properly doing their work—just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that

should have been expelled remain to poison the system.

Headaches, indigestion, nervousness, irritability, all these and other ills are common when the bowels fail to act daily as nature intends. If this may be remedied, you will accept our advice.

Rexall Orderlies taste just like candy. They are soothing and easy in action. They do not cause griping, nausea, purging or excessive looseness. They tend to tone and strengthen intestinal nerves and muscles. They promptly relieve constipation, and help to permanently overcome it.

Rexall Orderlies promote better spirits and better health. In all old-fashioned, long-continued and other purities, which are not only unpleasant to take but which really worsen the bowels in worse condition than before. We particularly recommend Rexall Orderlies for children, and delicate persons.

Rexall Orderlies come in boxes of 10, 20, 30, 40, 50, 60, 70, 80, 90, 100, 120, 150, 180, 200, 250, 300, 360 tablets. Each box contains 36 tablets.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all drug-gists. You can buy Rexall Orderlies only at the Rexall Stores.

You can buy Rexall Orderlies in this community only at our store:

OPERATION IS PERFORMED ON DUCHESS

Was Borne Well, Her Highness is Doing as Well as Can be Expected.

London, April 29.—Another operation was performed this morning on the Duchess of Connaught, wife of the Governor General of Canada. The surgeons in attendance report that the operation was successful. The last attempt to remove the intestinal trouble, from which the Duchess has been suffering for some months, was made on April 10, at Clarence House, by William Arbuthnot Lane, surgeon to Guy's hospital. The operation was a severe one, but was borne well by the Duchess, who afterwards made rapid progress toward recovery, but on April 20, suffering a relapse owing to the abdominal obstruction returning. It was then decided by the surgeons to have recourse to another operation, which was performed this morning. A bulletin was issued later in the day which said:

"The operation performed on the Duchess of Connaught was severe in character. It was carried out to relieve intestinal obstruction due to widespread adhesions of an inflammatory nature. The Duchess is doing as well as can be expected."

SHOT A MOOSE

Thrilling Experience of an Edmonton Young Woman

Feira Plymate, an athletic young woman living with her parents, surprised a party of seasoned big game hunters by dropping in its tracks a big bull moose the third day out on a trip in the back country, about 100 miles from Trail, on the Vancouver line, north of Edmonton.

One shot from her 38-55 rifle did the trick. Miss Plymate was tramping through the brush four miles from camp when she heard the crackle of the underbrush as the moose came bounding through. The party had spread out to cover a wider area and there was no one within a considerable distance of her. Miss Plymate raised her rifle and took aim, hitting the moose square in the neck. The animal stumbled a few yards and fell.

BASEBALL SEASON WILL START EARLY

Expect League Games Will Begin About Middle of May. Big Match for 24th.

The good weather for the past few days has sent quite a flutter into the hearts of the fans who are now looking forward to an early opening of the season. The grounds are now in good condition and it is expected the practise will commence at once in order to have the opening league game about the fifteenth of May. It is expected that the Mechanics team which is now organized will enter the league at next meeting and it is hoped the Firemen will follow suit. They being more in the lime-light than others and looking to their splendid record last year, it will indeed be a pity if they do not get into line with the others and make a four team league. There is plenty of material to be had for no matter how many men are signed on a team only nine can play, and there are plenty of huskies waiting for a chance on some of the teams. Our season is all too short and the public deserve all the games they can get so let the officials get busy and get the schedule started immediately after the meeting on the 7th, and let us have the first foreign game on May 24th.

MIGHT HAVE BEEN SERIOUS ACCIDENT

Rev. T. P. Drumm, B. D., had a narrow escape from serious injury on Thursday afternoon. He was cycling down the hill at the back of the Manse which is very rough and rocky at that point, and when reaching the foot had the misfortune to run into a hollow made by a washout, causing his machine to swerve and throwing him right over the handlebars. Although receiving numerous bruises on the leg, side, and shoulder the rev. gentleman pluckily stuck with the machine and continued his ministerial visitation work.

Beyond feeling a little sore and stiff Rev. Mr. Drumm is all right now, and looking none the worse of his adventure.

FIRST MEETING OF NEW COUNCIL

Continued from page 1

thrash it out with Mr. Dimock. Councillor White said that it was the wish of the council and also the wish of the citizens to avoid litigation, and the doubt existed in his mind whether we could collect this fee of \$200. Was there not a provincial statute fixing the fee at \$50? If that was the case they had better go slow in the matter.

Town Solicitor McKenzie being asked his opinion said that he felt sure we had the right to collect if the fee was considered reasonable, and there was no discrimination, and was of opinion that the provincial statutes which governed other towns were not the same as our own which had a special incorporation act.

To bring the matter to a head councillor Miller moved in amendment that the matter be referred to the Police and License committee. Seconded by councillor Ellsworth on a vote the amendment was lost by the casting vote of the Mayor. For the amendment councillors Miller, Ellsworth, White and Ferguson 4. Against it councillors Pinault, Alexander, Lunan and Quinn 4. On the casting vote of the Mayor the amendment was defeated. The same voting applied to the motion to file the letter.

Communication read from Town Engineer R. J. S. Sly for one week leave of absence. Granted as one councillor put it "under circumstances over which he had no control".

Communication read from W. D. Lighthall, secretary of Union of Canadian Municipalities asking that a resolution be passed with regard to an interprovincial highway from coast to coast.

Councillor Pinault thought it should be proper on our part to pass this resolution and do something further as it was likely there would be strong action on the part of St. John people to have this road go through the St. John Valley. Other members concurred in this view and after discussion the resolution was passed with the rider that in the opinion of this council the proposed road should follow the line of St. Lawrence River and Intercolonial Railway along the Bay Chaleur to Bathurst thence along the I.C.R. to Moncton. Copies of this resolution were ordered to be sent to the councils and Boards of Trade in the various towns interested, and that they be asked to join together in sending one or two strong delegates to the convention which takes place in Saskatoon in July.

Communication was received from H. G. V. Farrar, manager of Electric Light department with regard to a number of shacks on Water St., which were still being supplied with electric light at a flat rate of 2 cents per light, and recommended that all these places have meters put in. Matter referred to Electric Light committee.

Communication from L. T. Joudry with reference to flooding of his property owing to inadequate sewers was referred to Water and Sewerage committee.

Communication from Alexander Lumbe enclosing plan of proposed water was discussed and referred to Public Property and Streets committee.

Petitions from Wm. S. Young and Felix LeCouffe for trucking licenses were referred to Police and License committee.

Board of Health accounts to the amount of \$112 were ordered paid. The Electric Light committee were authorised to purchase two arc lamps and time switch for the government wharf and a battery charging set at a price not to exceed \$250.

Councillor White from Electric Light committee submitted report recommending that the request of A. C. Bellisle for light and power in his premises outside the town limits be granted on consideration of a three year agreement being signed, the sum to be paid annually to be not less than \$25. Report received and adopted.

Councillor Pinault brought up the matter of O'Leary St., again. He said everybody was anxious to see

this matter finished once and for all, and stated that correspondence had been exchanged with W. J. O'Leary and a delegation had gone to Montreal to see if they could get the thing decided. O'Leary would give the same deed as had been before the council in previous years which was for the whole or none. All that the town was interested in at the present time was that part from Duke to Gerrard and in order to have the deal settled he moved that the last clause (with relation to deed of O'Leary St.) in the resolution to purchase of the Ellsworth property be deleted.

Quite a discussion was raised on question and in the end councillor White seconded the motion which carried. Councillor Alexander from Water and Sewerage committee submitted report recommending payment of accounts totalling \$366.98 also submitted contract with Shives Lumber Co. with relation to the installation of the sprinkler system. Both reports were received and adopted. In a further report Councillor Alexander submitted plan and estimated cost of new sewer at the subway. This plan was in accordance with the authority now vested in the Committee to provide another sewer outlet at McRae Hollow. This new sewer would drain an area of 2 1-5 miles. The estimated cost \$1848.80. The plan was accepted and committee authorized to proceed with the work when the necessary titles to the subway were received.

His Worship drew the attention of the public charities committees to the fact that the infant child of a woman prisoner was in Dalhousie jail, and the sheriff had notified the town to prepare accommodation for it. Some councillors made the remark that the sheriff had no right to allow the child to be taken there in the first place.

Councillor White promised to look into the matter of a meter for Mr. Farnsworth's house.

In reply to a question the Town Clerk stated that the Petros matter, was to be brought before Judge Matheson on Thursday.

Council then adjourned.
