SAD DROWNING AT SALMON RIVER

Usual Budget of Newry Notes From
Grand Falls

A sad drowning accident occurred on the Salmon River Sunday afternoon, when John Hansen, who was swimming with a number of other young men, got into deep water and drowned before assistance could reach him. It is thought that he took a tramp. He was nineteen years of age, son of Neil C. Hansen of Blue Bell. The body was recovered and funeral will take place Thursday. His brother, Soren Hansen, who is in training at Camp Sussex is expected home for the funeral.

Rev. James Rose, of Halifax, convenor of the Presbyterian Synod, registered at the Curries Hotel last Thursday.

Mrs. Lawlor, travelling under the auspices of the Women's Institute, gave a very interesting lecture on food conservation, etc., in McLaren's Hall last Thursday evening. The meeting opened with a couple of solos by Miss Driscoll which was greatly enjoyed.

Allan McLaughlin and Mrs. McLaughlin attended the picnic at Bath last week. Mr. McLaughlin was helping Mr. Demings in his prohibition work here.

Miss Kathleen McCluskey left on Monday to spend the remaining school holidays with her aunt, Miss McCann in Fredericton.

An auto party consisting of Mr. and Mrs. F. S. Murchie of Benton and Mr. and Mrs. Aaron Lawson of Edmundston spent Friday afternoon here.

Mr. and Mrs. G. G. Porter, Mr. and Mrs. Grey and Miss Janet Currie of Andover were in town Saturday by auto.

Dr. Chapman, who has been on the sick list this week, is going to Woodstock Wednesday for treatment.

Harry Wade of Perth is spending a few days in town.

Mrs. L. A. Estey of Woodstock is visiting her sons, C. A. Estey and W. B. Estey for a few weeks. Congratulations to Mr. and Mrs. R. P. Donald on the arrival of a young son.

Mr. and Mrs. A. A. Dixon, Miss Zeida Hallett and the Misses Watson went to Andover and Perth by auto last Sunday.

Mrs. W. F. McCluskey arrived home Thursday after spending a week with her son, Raymond at Bath.

Fred Pirie spent a few days in St. John last week on business.

Thomas Muirhead and bride arrived home Thursday.

Heavy Electric Storm

There was a heavy thunder and lightning storm late Saturday afternoon, accompanied by hail. Lightning struck a few houses

in town as well as the town clock but did little damage, tore down the barn of Thomas Cunningham at Newbridge, and broke some glass in different farm houses. The hail storm driven by a heavy wind, destroyed three acres of wheat on each of the farms of Fenwick Gartley and Guy Gartley at Watson Settlement and along the Houlton border, but adjoining farms in Watson Settlement, Bellville, Lindsay, were unharmed. — Press.

HARTLAND WILL BE INCORPORATED

If the Harmonious Spirit of Monday Evening's Indication

The meeting on Monday evening to consider the question of the incorporation of the town was attended by a large number of ratepayers. A fine spirit of harmony prevailed throughout and practically all opposition to incorporation has ceased. There are those, of course, who, before committing themselves to favorable expression want more information on various points. The whole tenor of the meeting would, however, indicate that Hartland would become an incorporated town in a year.

The consensus of opinion was that the proposed incorporation should embrace the present school district. Everyone seems to be of the opinion that the system of taxation be such that those whose property did not come within the range of the fire protection and water-works should not be taxed for these things.

A committee was appointed to engage the services of M. L. Hayward, L.L.B., as the solicitor for the town and prepare the constitution for submission to the government for its approval. It is understood that no special act of legislature is necessary but that the object sought can be attained under the existing Incorporated Towns Act. After some further discussions the meeting adjourned, all feeling certain that incorporation was at last within reaching distance.

The committee mentioned above consists of Clyde Rideout, Warren White and W. D. Keith. Before adjourning it was thought opportune to take up the question of roads and the bridge.

S. S. Miller, Frank Hagerman and E. O. Morgan were appointed a committee to lay before the government the claim of Hartland to having the proposed Trunk Road pass through this way and, what is more immediately important, to have one of the government road-making plants do much needed work on the Rockland road this season. The committee was also requested to place before the government the desire of some village people to have the proposed new river bridge at the foot of Maple street.

Rev. and Mrs. G. O. Howlett, motored to Hartland on Tuesday, returning by way of Centreville.

HORSE THIEF AND GENERAL BAD MAN

Visits Hartland, Bounces a Liveryman, Forges a Note and Plunges Deeper Into Crime

Carleton and Victoria has had a visit from a real buncer, genius and genuine bad man, if all the charges laid against him are proven. A horse and rig stolen from Edward Carl, proprietor of Windsor hotel, a cheque for \$100 forged with Henry Smith's name, and a grave assault on a young woman at Perth are the chief offences of Roy Garrison, alias Jim Goslin, alias Jim Mullens, alias Ed Smith, who will tomorrow be tried before His Honor Judge Carleton at Woodstock.

Last Thursday Sheriff Foster was put on the trail of the man on information laid by Edward Carl, who claimed a stranger had come to his place and hired a rig, which he had failed to return at the specified time. Sheriff Foster traced the man to various parts of the county and found that he had traded the horse with David Treacartin at Gordonville and got \$10 to boot. A little later he left the rig alongside the road and left a boy to care for it if he did not return in a short time, he did not come back. The next trace of him was found at Fielding where Mrs. Rachel Davenport said she had been approached by a stranger, who answered well the description of the man the sheriff was after, and who wished to cash a cheque signed with Henry Smith's name. The cheque was for \$100, Mrs. Davenport advanced him \$15 and held the cheque. Further trace of the fellow was lost until Saturday when he was arrested by Constable Miles McCrea at Perth on a warrant charging a serious offence against a young woman whom he had met at a dance.

His case comes up under the Speedy Trials Act and if proven guilty the man will doubtless get his deserts. He claimed Sussex as his home, but enquiry there failed to give any evidence of his ever living there. Letters have come to him here bearing post mark of Howe Brook, Me. He was well dressed, and good looking.

Hartland Ball Team Ties Mars Hill But Loses to Woodstock

Hartland has had some highly interesting ball games during the past two weeks. After shutting out the Bath team on July 12 with 14 runs to their credit the team went to Woodstock on the 17th and put up a rattling good game. The press says it was one of the best games played in that town this season. At first Hartland had the best of it and scored evenly but the finish of the ninth inning showed a score of 5-3 in favor of Woodstock.

The most interesting as well as the most scientific game of ball was when the Mars Hill team came to Hartland on July 19. The game belonged wholly to Mars Hill up to the last half of the ninth inning when Hartland evaded up with them by making three runs. Two more innings were played but the result was not changed and the game ended 3-3. The pitcher for the Mars Hill team did splendid work up to end of the eighth but in the ninth both his courage and his arm seemed to fail him. Two men walked to bases in succession. Goodwin was in fine trim all the way through and struck out more men than his opponent. All the runs in this game were made on errors.

Woodstock played Hartland a return game on Monday evening and sent a strong team. The Hartland team seemed to be hoodooed. It was plainly one of their off-days. Goodwin, who had made such a good showing in previous games was suffering from the effects of his strenuous play three evenings before when he pitched 11 innings. Woodstock was easily victorious and the score stood 13-1.

While the Hartland team fell down on this latest game the boys are by no means down-hearted and will redeem their reputation. It is hoped a game can be arranged on the local diamond each week throughout the remainder of the summer. The boys are a clean bunch and play a clean game. They deserve hearty support.

TYPOGRAPHICAL ERRORS

Owing to the confusing conditions occasioned by practically renewing The Observer plant without missing an issue, certain portions of this issue escaped the proofreader, who in the case of this paper is also the business manager, the editor, the foreman, and general burden-bearer for the whole show. An outstanding example of how type looks as it comes hot from the fevered hands of the compositor is what the editor intended for a report of the village meeting of Monday night. In its form as it appears, and as it was when the editor first saw it in type—too late to make any other correction than this humiliating apology—the reader will have to be a linguistic acrobat to follow the meaning. Of course the easy parts can readily pass as mistakes; such for instance as the use of the word "concur" which every one knows refers to a part of a flying machine but not of a town meeting. That the compositor responsible for this typographical outrage may not feel too badly it may truthfully be said that all the columns of type contain fully as large a percentage of errors, until they come to the proofreader, when an effort is made to detect them all. A compositor is entitled to and gets a full measure of commendation on the comparatively rare occasion when she gets a full galley without error.

Centreville Affairs

At the last meeting of the Centreville Lodge L.O.O.F., the members held their semi-annual installation of officers. Brother D. D. G. M. Montgomery of Woodstock was present and assisted in the ceremony. At the close refreshments were served. We are glad to see the work increase in the interest taken in the Oddfellowship here after a period of lethargy among a good many of the members. The Rebekahs might as well get their heads together and formulate some scheme for the rejuvenation of their sister organization.

Miss Vera West of St. John is the guest of her cousin, Alice Page.

Miss Fair of Fredericton has returned home after a pleasant stay with her friend, Miss Pauline Balloch.

Miss Ryan has gone to her home in Fredericton for the summer vacation.

Mrs. Clifford Rogers of Winnipeg, Man., spent Thursday and Friday at the home of Mr. and Mrs. Chesley Stevens.

Mrs. Amos Gregg is spending a couple of weeks at Fort Fairfield with her nephew, John Gregg.

Mrs. H. E. Hagerman returned on Thursday after a week's visit with relatives.

Mrs. Bessie Sherwood White of Fort Fairfield is visiting her sister, Mrs. George Beckwith.

Several of the young people attended the Catholic picnic and dance at Bath and report a good time.

Mrs. S. W. Burt is spending a week with her son, Dr. G. J. Burt, Fort Fairfield.

Mrs. Dr. Main left on Wednesday for a protracted visit with friends in Houlton.

Mrs. John Gilland is visiting her parents at Bath.

We are glad to hear that our old friends and neighbors, Mr. and Mrs. Chas. E. Vail, Florenceville, are contemplating coming to Centreville to locate, again, in the near future.

Miss Edna Anderson is back to

Every 10c Packet of
WILSON'S FLY PADS

\$8.00 WORTH OF ANY
STICKY FLY CATCHER

Clean to handle. Sold by all Drug-
gists, Grocers and General Stores.

work after a two week's vacation. Among those taking the Normal School Entrance Exams this year were the Misses Rowena Downey, Marguerite Campbell, Alice Champion, Evelyn Peppers, Alice Page and Leah Crone.

Mr. Wilson, a graduate piano tuner of the Halifax School for the Blind, has been kept busy here the past week.

G. E. Wilkinson, H. Stevens and their wives left on Monday for a three day's fishing trip on the Miramichi.

Miss Esther Weade, a student of the Winsted Hospital, is home on a two week's vacation.

Miss Rose White of Boston, Mass., is visiting at the home on Saturday for a holiday.

Miss Alice Phinney of Lynn, Mass., is visiting at the home of her uncle, David Reid.

A good representation of the sporting blood of the town attended the circuit races at Houlton on Friday. The racing, which was of a high class nature, proved too exciting for the weather man and a deluge of a shower necessitated the postponement of the races until Saturday after only a couple of heats in each class were run off.

Leonard Bartley of Lower Knoxford died suddenly of heart failure at his home on Tuesday. Deceased was 65 years of age and is survived by his wife, three sons and one daughter.

After a long illness of five years Mrs. Palmer passed peacefully away at the home of her daughter, Mrs. John Porter, Pioneer, on Sunday last. The kind old lady had reached the advanced age of 85 years. Another daughter, Mrs. Isaac Nelson, lives in the same community.

FLEMING MUST PAY IT BACK

About two weeks ago Sheriff Foster, acting as attorney for the provincial government made a demand upon Hon. J. E. Fleming for the return of \$100,000 paid to him by A. R. Gould and which should in the first place have gone into the public treasury. Mr. Fleming was given ten days to make payment. The money was not forthcoming and on Tuesday Sheriff Foster served him with a writ returnable within ten days. What Mr. Fleming proposes to do about it is of course a matter of conjecture. At the same time the Sheriff of St. John county served similar papers on Thomas Nagle asking for the return of a sum around \$20,000, and W. B. Tennant for \$123,000, all of which money should have been turned into the public treasury, it collected at all.

The action taken is the fulfilment of Premier Foster's pledge to the people of the province, and so long as he is Premier it would seem that pilfering from the public treasury will be a decidedly hazardous enterprise to go into.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks stop on your feet hereafter; was about a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority. He says that a few drops of a drug called frezone, applied directly upon a tender, aching corn, instantly relieves soreness and soon the entire corn, root and all, lifts right out. This drug is a sticky ether compound, but dries at once and simply sticks up the corn without inflaming or even irritating the surrounding tissue. It is claimed that a quarter of an ounce of frezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

Woodstock Deanery at Hartland

Woodstock Deanery of the Church of England met at Hartland yesterday and this forenoon. The clergymen present were Rev. J. E. Flewelling, Canterbury, Rev. Reese-Jones, Richmond, Rev. J. Robinson Belva, Andover, Rev. Mr. Budd, Southampton, Rev. A. S. Hazel, Woodstock, Rev. Fenton of McAdam, and Rev. N. Franchette of Hartland. Last evening Rev. Reese-Jones preached to the congregation, and this morning at nine o'clock there was celebration of the Holy Communion, with a session later, when a chapter of the New Testament was read in the original Greek and discussed. Rev. J. E. Flewelling is rural dean.

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as in the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand, the baby may be beyond all help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera infantum, dysentery and colic are most prevalent. Any of these troubles may prove deadly if not promptly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy.

The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brookville, Ont.

FENDERS

will be received by the undersigned up to Aug. 1st, for repairs on School House, Parish of Simonds, Disc. No. 1, near Sheriff Foster's.

Work to be completed Sept. 30. Specifications can be seen at Observer office and Russell Hatfield's, Simonds; 50% will be paid on work at intervals as work proceeds, balance at completion. Tenderer must assume responsible party as security. Lowest or any tender not necessarily be accepted.

The Prospect for Potato Prices is GOOD

Then why let your potatoes rust and rot when you can secure the celebrated Brown Sprayer?

This Sprayer was designed especially for spraying potatoes, beans, celery, or any other field crop that might need spraying.

It derives its power from the wheels by a convenient chain drive that supplies a maximum of power to the pump itself. The sprayer itself is designed to meet every condition. The wheels can be adjusted so that more than one crop can be conveniently sprayed. The spray boom can also be adjusted covering the variation of width in rows; and can also be raised or lowered in accordance with the height of the plants to be sprayed.

This sprayer will maintain a working pressure of 150 pounds with either four or six row attachment. We do not recommend using this sprayer with more than six nozzles.

The pump proper rests on the axle, doing away with the strain on the frame of the sprayer. The pump is so located that it enables us to build this machine in perfect balance.

The tank or barrel is also located over the axle.

The pump and air chamber are made of heavy iron castings which reduce the breakage to a minimum. This sprayer all the way through, is built of nothing but the best materials.

The frame is of two-inch ash re-inforced with angle iron, which insures perfect

alignment; the axle is made of one and three-quarters inch cold rolled steel shafting.

A strong axle is an important feature in a horse-drawn sprayer. The axle of a poorly constructed machine usually breaks when the grower is in the midst of spraying and oftentimes causes expensive and troublesome delays, since when the axle breaks it also allows the weight of the machine to break the axle boxes.

We assure you that there is no danger of the axle on the No. 39 AUTO-SPRAY becoming broken.

The valves and plungers of this pump are of brass and all of the working parts of the pump are easily accessible. The wheels are of hickory and of Sarven pattern. They last indefinitely.

To operate this sprayer after it has been set up it is only necessary to fill the tank and drive fifty or one hundred feet until a satisfactory pressure is produced and then drive over the field.

Overflow valve, relief valve, pressure gauge, shutoff all before the driver's seat.

The NON-CLOG Junior nozzle furnished with this sprayer saves the operator many hours of time that is usually spent in cleaning the nozzles. In an actual test these nozzles were used for spraying a solution containing sawdust and did not clog.

J. CLARK & SONS

The New Clark Building

Grand Falls Happenings

(Intended for last week)
 Mathew Burgess went to Montreal Tuesday on a business trip.
 Mr. and Mrs. O. B. Davis left here by auto Saturday for Portland and other places.

Miss Collins of St. John is visiting at the home of her brother, Major D. J. Collins.
 Murray Corey went to St. John Saturday to make arrangements to the Aviation Corps.

Mrs. G. A. McMillan and son Herman left here Monday for Old Orchard Beach, Maine, and New Hampshire.

Thos. Mulherin, our popular grocer, went away Saturday wearing a happy smile. It is rumored that he intends bringing a bride with him when he returns.

Mrs. Chas. Curless, Mrs. B. A. Puddington and Master Jack Puddington went to Old Orchard Beach on Monday, where they expect to spend a week. They will go from there to Intervale, N. H., to visit relatives for a few weeks.

Mrs. G. Fred Todd, who has been the guest of her mother, Mrs. E. G. Leslie, for the past month returned to her home in St. John Monday.

Mr. and Mrs. S. C. Merritt were on a fishing trip with Limestone friends up the Tobique this week.

W. McMonagle, barrister, arrived here from St. John Tuesday. He intends to open up an office in the D. J. Collins building on Broadway.

Mrs. Bennett returned to her home in Montreal Tuesday after spending a month here with her parents, Mr. and Mrs. Philip Bernier.

Mount Pleasant

William Craigmile and two daughters of Millinocket are visiting in this place.

Miss Alice Clark of Woodstock is spending her holidays at George Foster's.

Mr. and Mrs. Douglas Clark are rejoicing over the coming of a baby girl.

Miss Bessie Parent spent last week with friends at Prince William.

Mrs. J. B. Hopkins of Woodstock, Mrs. D. W. Brooks of Ashland, Me., and Frank Rideout of Peel were last week visitors of their sister, Mrs. H. Campbell. Miss Florence Caldwell and Mrs. Eddie Caldwell of Greenfield are also guests of Mrs. Campbell.

Miss Augusta Campbell is spending her holidays at Mt. Pleasant.

Carvell at Camp Sussex

Hon. F. P. Carvell, Minister of Public Works, paid a visit to Camp Sussex and was received by a guard of honor. An impromptu reception was afterwards held by the Minister in the Commandant's tent. Hon. Mr. Carvell was accompanied by his wife and their daughter, Mrs. Fisher. They proceeded to Halifax on the four o'clock train.

HUSBAND SAVES WIFE

From Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Pittsburgh, Pa.—"For many months I was not able to do my work owing to a weakness which caused backache and headaches. A friend called my attention to one of your newspaper advertisements and immediately my husband bought three bottles of Lydia E. Pinkham's Vegetable Compound for me. After taking two bottles I felt fine and my troubles caused by that weakness are a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound."

Mrs. JAS. ROXBOROUGH, 620 Knapp St., N. S., Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues," should accept Mrs. Roxborough's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

For over forty years it has been correcting such ailments. If you have mysterious complications write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Advertise in the "Observer"

More Words of Appreciation

The following letter from Bay City, Mich., speaks for itself:

"Just before leaving Hartland last summer I called at your office and paid for your paper for six months, to be mailed to Bay City beginning Oct. 1. Promptly on the time specified it came, and has been coming regularly ever since, nearly on Monday morning. I want to tell you that I am very much pleased with your paper and congratulate you very heartily on your success in the management of so interesting and newsworthy a paper. It certainly is growing in interest to its readers—or, it is to me. The news from all over the county is especially interesting to me, having lived there all my life, principally at Waterville in my boyhood and young man days, later at Jacksonville. It is always pleasing to me to be able to read in your paper the news from those places, along with the rest from all over Carleton and Victoria.

"Bay City, where I am at present, has a population of about 50,000 and is a live, wide-awake city. Over here in Uncle Sam's country they are just as determined to win the war as we are back in Canada. Nothing is too hard to undertake to attain that end, and we must and will win.

"Enclosed please find \$1 to keep my paper coming while I am here, and again wishing you increased success in your new quarters.

I am Yours sincerely,
 "C. W. Plummer."

SPECIAL ROAD WORK AFTER RAINS

Hon. P. J. Venor, Minister of Public Works has taken prompt action in the matter of improving the highways of the province after the heavy rains. All supervisors have been instructed to work on the highways with the splitting drag and the road plow as soon as the road surface was dry enough. This work will repair the damage done to the surface by the rains and will help in the shedding of fat ure rainfalls.

Particular stress is laid upon the fact that the drag should be used after every rain upon all roads subject to heavy motor-traffic. It is the intention of the Public Works Department to retain the reputation for better roads which was gained last autumn. Main Parish roads are not to be neglected but are to have the drag used upon them.

The practise of putting suds upon the roads is to be stopped. This is an old practise and it is reported that it has been followed in certain sections this year. Supervisors are particularly warned not to permit this.

"BUMMING" ADVERTISING

Our esteemed contemporary The Star-Herald of Presque Isle hints very broadly to the government that, if it wants to save in the use of print paper, it had better let up a little on sending out so much literature in the form of interminable and innumerable circulars to the different newspapers and to prominent men of the country. This is indeed good advice. If the local papers printed half of the matter that is sent them by the government to print, most of which is really free advertising, these papers would have no room at all for ordinary advertisements nor for ordinary news. And yet the government is making greater restrictions every year upon the freedom and privileges of the press—changes that make it much harder and less profitable every year to do business. Let us ask a minute what the government would do nowadays to help mould public opinion and to keep the public well informed if it were not for the papers of the country, big and little. The papers are certainly more than glad to help all they can, but they do not really appreciate being kicked for doing so.—Fort Fairfield Review.

NEW BRIDGE OVER AROOSTOOK RIVER

A new highway bridge has been opened for traffic over the Aroostook river at Aroostook Junction just above its confluence with the noble St. John river, and connecting Aroostook Junction with Four Falls, and Grand Falls, and about two miles below Aroostook Falls, where the Maine and New Brunswick Power Co's power plant is situated.

This bridge is one of the most beautiful and up to date bridges in the province.

The sub structure contract was let to engineers and contractors, St. John, and consists of two concrete piers and two abutments.

The superstructure, which is of steel, was built by the Dominion Bridge Co., Montreal, under the supervision of Superintendent H. D. McGovern, Ottawa, and consists of three spans of 138 feet each, with a reinforced concrete floor, a waterproof coating of asphalt paper and burlap, finished on top with a finishing surface of creosote wood blocks. The total length of the bridge is about 420 feet.

J. W. Shields, Esq., provincial steel bridge inspector for the provincial steel bridge inspector for the provincial government, has been in charge since the work on the superstructure commenced in February, 1918.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of ordinary white cream. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan, and is the ideal skin softener, whiter and beautifier.

Just try it! Get three ounces of ordinary white cream, any drug store and two lemons from the grocer, and make up a quart of this perfectly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

Between Your House and the Elements The Paint Brush Forms The Only Real Protection

If you neglected to paint your house in the Spring, make good the deficiency now—this very week—before the weather has further advanced its work of destruction. It is always extravagant to let a building "go to seed" for lack of a little paint; it is doubly extravagant for you to neglect the painting of it now, when materials are so high as to make your home worth nearly double what it was worth a few years ago.

B-H "ENGLISH" PAINT

You can depend upon B-H "English" Paint for lasting service; it is especially economical because of its great "covering" capacity. Paint with B-H "English" paint this season—and your house is protected for years. A gallon of B-H

For true economy, use
 70% Pure White Lead (Brand's Genuine B.B.)
 30% Pure White Zinc
 100% Pure Paint

goes so far that you'll buy less of it and yet do more with it. B-H English Paint is unconditionally guaranteed by its maker—unconditionally recommended by us, and we know paint.

We carry and recommend the following B-H products:
 For Interior Finishing "China-Lac"—The Perfect House-hold Finish.
 Staining the Roof "Anchor Brand Shingle Stain" in 19 different colors.
 B-H Porch Floor Paint For Porch Floors, Ceilings, and parts exposed to the weather.
 Plaster Ceilings and Walls B-H "Frescolette"—A flat tone oil paint.
 Finishing the Floor B-H "Floorlustr", excellent for interior floors.
 For Barns and Outbuildings, Imperial Barn Paint.

Sold by C. R. DeWitt

All the correspondence on this page was intended for last week.

Bristol Brevities

Joel Hartley has returned from Woodstock where he has been visiting relatives.

Miss Velma Shaw is the guest of Miss Gussie Brooks at Foreston.

Mrs. William Bell and son James have returned from Brunswick, Me.

Mrs. Quimby has returned to her home in Caribou.

H. H. Banks and son Garrett have returned from Fredericton.

Ziba Lockhart, Frank Brooks, Mrs. D. E. Brooks and daughter May attended the meetings at Mars Hill.

Congratulations to Mr. and Mrs. S. N. Banks—a son.

Mrs. William McIntosh of Esdras was the guest of her daughter, Mrs. S. N. Banks, on Tuesday.

Kilburn News

Mrs. B. L. Daggett and Miss Joyce Daggett left last week for Vancouver to spend a few weeks with relatives.

Mr. and Mrs. Thomas Everett and family of Everett, were recent guests of Mr. and Mrs. George Everett.

Miss Bernice Giberson of Holmesville who has spent the last few days here the guest of her sister Mrs. Jerry Imman and Mrs. Murray L. Grant returned home on Sunday.

Misses Bessie and Marion Kilburn and their guest, Miss Mary Chapell of Tokio, Japan, spent last week at Gulgus with a party of young folk at Ogilvie's Lodge.

Rev. C. O. Howlett, Mrs. Howlett and children of Bath were guests of Mr. and Mrs. Silas Grant on Sunday.

Mrs. Walter Atherton and two children of Vancouver arrived here on Friday and are guests of Mr. and Mrs. George Everett.

Miss Ota, Estabrooks of St. Leonards recently visited Miss Zeta Grant.

William Boyd of Lower Kintore has been doing mason work at the home of J. Wiley Grant the past week.

Miss Mary Chapell of Tokio, Japan, who has been the guest of Miss Bessie Kilburn for two weeks left on Monday for Shediac.

The appearance of the Methodist cemetery is much improved by the new fence which has recently been erected.

The Red Cross Society met on Friday at the home of Mrs. B. T. Gaskin, quite a large number being present. The supper money amounted to over \$4.10 being the usual charge for members.

Mrs. C. H. McLaughlin donated a handsome crocheted yoke on which tickets will be sold the following being for the benefit of the society. The following donations have also been received: 12 spools of thread from Mrs. Edythe Kelly of Grand Falls, several yards of towel from Mrs. Elva Kilburn. The members of the society much appreciate the interest shown and the kindly assistance given them in their efforts to provide comforts for our lads in khaki. This meeting was a very interesting one, giving an idea of the numerous activities of our local branch of the great work: \$15 was sent as a contribution on France's Day, \$50 or more has been voted in answer to the appeal from Lady Tilley on behalf of the Red Cross. An ice-cream sale was recently held at Mrs. B. Kilburn's which added \$25 to the funds. Another sale will be held this week, so it will be seen that the Red Cross workers, many of whom are also farmerettes this summer, are not weary in well doing. The next meeting will be held at Mrs. R. McCrea's on July 26.

Some improvements and repairs are being made on the Baptist church this week such as shingling the roof, building a new chimney etc.

Waterville Warblings

Miss Fay Brooks is the guest of Miss Erma Everett for a few weeks, Miss Brooks formerly taught the school at Upper Waterville.

A large number attended the picnic held under the auspices of the County Orange Lodge, on Friday, 12th. The Red Cross Society sold ice cream and also took the occasion to hold its annual tag day from which more than \$20 was realized.

Miss Bertie Knox of Houlton

is visiting Mrs. Abner DeGrasse and Miss Giberson of Bristol is the guest of Mrs. Huntley DeGrasse.

Mr. and Mrs. Edgar Carpenter attended the funeral of Mrs. Carpenter's mother, Mrs. Cunningham at Weston, on Saturday afternoon.

Mr. and Mrs. Moses Moore and daughter, Mrs. Speer, of Woodstock, spent Sunday with Ernest and Mrs. McElroy.

Mr. Mrs. Robert Wilson have moved into the house owned by Percy Britton. Mr. Wilson is engaged to teach here for the coming year.

Rev. J. A. Corey preached in Baptist church here on Sunday morning.

Miss Jean Miller, of Hartland has been the guest of her friend, Mrs. Wilma Palmer.

Mrs. Clyde Shaw who came from England to join her husband here, was met in Halifax by Mr. Shaw. They are at the home of Albion Shaw.

Death of Florence Edna Brewster

Florence Edna Brewster, the youngest daughter of Mr. and Mrs. Robert Brewster, died of whooping cough and pneumonia on her second birthday. She leaves to mourn their loss, her parents, seven brothers and one sister all at home except Miles who is in the military service.

The passing away of this child has cast a gloom over the whole neighborhood. She was loved by all and will be greatly missed in the community as well as in her own home. Her death marks the first break in the family of nine children. A large number of relatives and friends gathered in the Armand Baptist church to pay the last tribute of respect to the departed loved one. The funeral sermon was preached by the Rev. P. J. Quigg of the Primitive Baptist church assisted by the Rev. L. M. Bleakney of the Primitive Baptist church. Mr. Quigg preached a very helpful and comforting sermon from John 3:7.

The singing was conducted by Henry London of Armand. The hymns were carefully selected and all appropriate for the occasion.

Children Must Be Protected

The children must be safeguarded, for, if they do survive the frequent coughs and colds, it is often with the lungs so weakened that they become chronic sufferers from bronchitis or consumption. Being composed of simple ingredients of undoubted value Dr. Chase's Syrup of Linseed and Turpentine is admirably suited as a treatment for children. It is pleasant to the taste. So much so that children delight to take it on this account, as well as because of the quick relief it affords them.

With the Fingers! Says Corns Lift Out Without Any Pain

Sore corns, hard corns, soft corns or any kind of a corn can shortly be lifted right out with the fingers if you will apply directly upon the corn a few drops of frezone, says a Cincinnati authority.

It is claimed that at small cost one can get a quarter of an ounce of frezone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

This new drug is an ether compound, and while sticky, dries the moment it is applied and does not inflame or even irritate the surrounding tissue.

This announcement will interest many women here, for it is said that the present high-heel footwear is putting corns on practically every woman's feet.

Hartland Garage

Don't go to the expense of taking your Car to Woodstock just because it is Woodstock. We can do the work for you just as well as it can be done in Woodstock. We keep parts for Ford and Chevrolet Cars and one of the best motor oils made—National Motor Oil. Also Goodyear Tubes and Tires. We will work for you day or night, and are the most experienced automobile men north of Woodstock. If we cannot do the job for you no one else can.

Have your Motor cleaned out. We use oxygen gas and complete the work in 20 minutes. It is the only good way.

Don't go by—

Glass Bros.

Near the Bridge Hartland

Lower Windsor School

Following are marks made on June examinations by pupils of Lower Windsor school.

Grade V—Merrill Foster 73.9, Arthur Foster 70.5, Myrtle Foster 69.3.

Grade IV—Eldon Foster 87.5, Margaret Belyea 87.1, Lillian Vidito 86.3, Pauline Belyea 78.5, Lanson Belyea 77, Wilza Foster 74.3, Albert Foster 70.7, Burnam Glass 66.4, Grade III—Miles Crouse 86.6, Stella Paget 76.3, Ella Crouse 81, Faye Paget 84.2, Mabel Foster 90.5, Annie Glass 82, Dora Shaw 80.6, Oshier Ellis 77.7, George Paget 68.6, Bela Belyea 69.6, Glen Belyea 67.2, Pauline Crouse 50, Grade II—Hilda Vidito 79, Number enrolled 40, Average attendance 25.4, Percentage 63.6.

FAYE HALLETT, teacher.

James A. Gibson, of Northampton Instantly Killed

James A. Gibson, of Northampton, was instantly killed on Saturday afternoon at 5.30 o'clock while he and two other men were working on Willard Wright's barn. Mr. Gibson had put up the staking on which the men were supported; it suddenly collapsed and all three men were hurled to the ground which was twelve feet below. Mr. Gibson fell with great force and struck his head against a rock facturing the base of the skull. Dr. F. Brown, of Woodstock, was immediately called but said that death had been instantaneous. Mr. Gibson's wife died about two years ago and there are left to mourn one daughter aged eight years and five sons. One son is overseas, one is drilling at Sussex, one is in the west and two are at home. The deceased was fifty-seven years of age. Great sympathy is felt for the children and the whole community was greatly shocked by the terrible occurrence.

Jacksonville News

Haying has started but the laborers are few and the task looks like a difficult one, as some of the farmers only sons have been forced to the colors.

The death occurred recently of the oldest resident of this county, when Mrs. Benjamin Burr passed away. She was in her 99th year and lived her whole life in Jacksonville. Rev. L. A. Fenwick preached a touching sermon from Rev. 14:13.

The Red Cross held a picnic in Emery's grove. Proceeds for Red Cross work.

Mrs. David Phillips has been visiting her daughter, Mrs. F. D. Burpee.

N. B. Brawn has sold his entire stock and is going to close his store.

Mrs. H. P. Burpee is caring for Mrs. W. Estey, who has just returned from the hospital.

GIRLS! LEMON JUICE

IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold cream. Care should be taken to strain the lemon pulp through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

Your Health

Depends upon the condition of your Teeth and Gums. Good Teeth and Healthy Gums mean GOOD HEALTH. In having Dental work done have the best and always remember the man with a long experience is the one who can give you the best, as EXPERIENCE is the great teacher. What better do you want than to have a guarantee that all fillings crown, bridge work and artificial teeth put in by Dr. Manzer will wear you to years? The next time you require Dental work of a high class, done in a most modern and up-to-date office, come to the office of Dr. Manzer, where there isn't anything to good for his patients.

His motto is quality and not quantity of work. Office at his residence, Chapel street, which faces the Post Office and is opposite the Turner House and Armoury Woodstock, N. B. Office hours: any time day or night and Sundays.

COULD NOT STOP THE HEADACHES

Until She Tried "Fruit-a-lives"—Made From Fruit Juices

112 CONSUME ST., ST. JAMES, N.B.

"I feel I must tell you of the great benefit I have received from your wonderful medicine, 'Fruit-a-lives'. I have been a sufferer for many years from violent headaches, and could get no permanent relief. A friend advised me to take 'Fruit-a-lives' and I did so with great success; and now I am entirely free of headaches, thanks to your splendid medicine."

MRS. ALMA WILSON SHAW, 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price, postpaid, by Fruit-a-lives Limited, Ottawa.

Clark-Hartin

A quiet wedding took place on Wednesday afternoon, July 3, at the home of the officiating clergyman, Rev. P. J. Quigg, Pool, when Lottie J. Hartin of East Cloverdale became the wife of Thomas A. Clark of Mainstream.

Rheumatism Entirely Gone

After Twenty-seven Years of Suffering—Swelling and Pain—Pain or an Ache Left.

A most astonishing cure of rheumatism and eczema has been reported here, and Mrs. Ray is enthusiastic in telling her many friends how she was cured.

Rheumatism and eczema frequently go together, and in a case caused the most keen distress imaginable. All the swelling and puffiness resulting from many years of rheumatism have disappeared, and there is not a pain or an ache left.

Mrs. G. H. Ray, R.R. No. 1, Kinross, Ont., writes: "Mrs. Ray has been using your Kidney-Liver Pills. She was very bad with rheumatism and eczema, and had had that fearful itch for twenty-seven years. It was simply terrible what she suffered. I purchased her to try 1440 worth of Chase's Kidney-Liver Pills. She is now on the last box, and let me tell you she scarcely knows herself as in the old days. All the swelling and puffiness caused by the rheumatism has gone away, and she has gone down in weight 14½ pounds. She never has an ache nor pain, biliousness nor sick-headache all these months. She often says herself 'How glad I am that I know what to do instead of paying doctors so much to make me worse.'"

There is only one way that the poisons in the blood can be cleaned away and the cause of pains and aches removed, and that is by the healthful action of the kidneys, liver and bowels. Because Dr. Chase's Kidney-Liver Pills act directly and specifically on these organs and insure their activity they remove the cause of rheumatism and other dreadfully painful and fatal diseases. One pill a dose, 25 cents a box, all dealers or Edmanston, Bates & Co., Limited, Toronto.

Look for the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, on the box you buy.

SAVE TIRES VULCANIZED

We repair by latest and best methods any Auto Tire that can be repaired and often can make like new a tire that you might think is worthless. Bring or send your Tires and Tubes to us and we can save you money. We make a special point of quick service, but never slight a job. We can surely cut down your tire expense. Try us. Come see us when in town.

A. C. SHAW

King St. Woodstock

THE FALL TERM

of the

Fredericton Business College

opens on

Monday, August 26th, 1918

Pamphlet giving particulars of our courses of study, rates of tuition, etc., will be mailed to any address on application.

Address:

W. J. OSBORNE, Principal

Fredericton, N. B.

Sheep on Every Hill Side in New Brunswick

The New Brunswick Government through the Department of Agriculture has arranged with the Chartered Banks to help the Farmers—where assistance is needed—to buy Sheep.

The Department will not only arrange to buy Sheep FOR the Farmers, but will also buy good breeders FROM the Farmers—in other words, this branch of the Agricultural Department WILL SUPERVISE ALL PURCHASES AND SALES OF SHEEP.

IF A FARMER NEEDS CREDIT TO BUY SHEEP he should consult his local banker who has the necessary forms.

If you cannot buy sheep in your locality, inform the nearest banker who will notify the Agricultural Department, or, better still, notify the Department yourself and say how many Sheep you want.

KEEP YOUR EWE LAMBS

Every Ewe Lamb, Weighing 80 pounds and over and of reasonable quality, should be retained by farmers for breeding purposes. Sell the males and the inferior females for butcher purposes. If you have more ewe lambs than required, induce your neighbor to purchase.

THE VALUE OF WOOL

Unwashed wool of the best quality brought 80 cents a pound this spring, or about \$5.00 a fleece.

SIXTY MILLION SHEEP

Have been lost in Europe since the war started. Wool in enormous quantities is now required to clothe the soldiers, it will take an immense quantity to reclothe the returned men in civilian dress. Prices will likely be high for ten years.

New Brunswick has the pasture, hay, roots and a climate suited to sheep. Every farmer should consider investing in a small flock as a foundation. The first year will give approximately \$4.00 worth of wool per sheep, the sheep will cost about \$15.00. Is it not a good business proposition?

If you cannot purchase locally, place your order with your banker. Orders will be filled, if possible, in the order filed at this office through the banks.

For further information apply to

J. F. TWEEDALE,

Minister of Agriculture

See T. B. Thistle about the New Spring Suit. New Samples are now in and you will make a mistake if you buy before seeing them and getting the prices

Sale at Florenceville

House and lot containing a few acres of ground; nice spring near the house, also a good barn. The house is near the station, school house and post office. Reason for selling ill-health.

Local News and Personal Items

Big Picnic.—Hartland, Aug. 3. Wendell Boyd of Fort Fairfield was here last week.

On Sunday a son was born to Mr. and Mrs. Albert Howells.

Ed Smith, of the Bank of Montreal staff at his office, is home for vacation.

Harry Hagerman and John Gilling of Centreville were in the village on Monday.

Mrs. D. W. Gray and Miss Kathleen have been visiting friends at Bridgewater.

Weldon Ward left on Tuesday for Newcastle where he has accepted a position with J. Clark & Son.

Miss Ruth Smith of East Florenceville came down on Tuesday to visit her friend, Miss Nellie Nixon.

S. S. Miller has gone to St. Stephen, taking his family for their annual outing in their cottage at "The Ledges."

It looks as though there would be a shortage of sugar and flour before long. Buy while it is to be had—at Carr's—but don't overstock.

At the Baptist parsonage at Bath, on July 22, by Rev. C. O. Howlett, B. A., B. D., Arthur A. Foran of Muniac and Nellie M. Kenny of Mineral were united in marriage.

On Sunday services will be held on Bath Baptist Circuit as follows: Bath at 11 a.m.; memorial service for Pte. Demerchant at Upper Kent at 3 p.m.; preaching service at Kilburn at 8.30. Rev. C. O. Howlett, pastor.

Mr. and Mrs. Herbert Hay of Millville, with their son Donald, were week end guests at the home of C. S. Baker. Their daughter, Misses Pauline and Jean were at the same time guests of Miss Georgia Reid. The party came by auto.

Rev. Mr. Crisp, the newly appointed minister of the Methodist church, preached his first sermon to the Hartland congregation on Sunday evening, and made a most favorable impression on his hearers. He is a son of Rev. R. S. Crisp, one of the best known ministers in the conference.

The Women's Institute will have a public meeting on Friday evening, July 26, when Mrs. J. W. V. Lawlor, president of St. John Housewives League, will give an address. She is a pleasing speaker and very full of enthusiasm. There will also be a short musical program. Admission free.

The annual meeting of the N. B. Potato Exchange was held at the Company's head office, Woodstock, on Wednesday evening when the following officers were elected for the coming year: Guy G. Porter, Andover, president; John W. Bohan, Bath, vice-president; Charles F. Gallagher, Bath, secretary treasurer. The auditor's report was read, showing a satisfactory business for the year.

Bennie Dickinson, who for years has made his home with his uncle, W. B. Dickinson at Upper Brighton, but who during the past year has worked at farming at Fort Fairfield, has been drafted into the U. S. army. He came home last week for a visit and on Monday evening his young friends at Upper Brighton gave a party in his honor. He with 180 others will leave Aroostook county today for Camp Devens, Mass.

Mrs. L. R. Hetherington is a guest of her mother, Mrs. G. C. Watson.

Miss Ella Tompkins, R. N., of Boston has been visiting Mrs. H. N. Boyer.

Miss C. H. Davidson of Fredericton was visiting friends here last week.

If you wish to save money call on Keith & Plummer Limited for your binder twine.

Mr. and Mrs. William Amies of Fort Fairfield were guests of Mrs. A. Y. Dickinson last week.

On Sunday Mr. and Mrs. H. H. Hatfield and guest, F. G. Scott and M. L. Hayward left by auto for St. John.

Teacher Wanted: Second class female teacher for Ashland school. Dia No. 10. Apply to Marley Estabrooks, R.F.D. 2, Hartland.

Feeds are scarce. Shorts and middlings are off the market at present, but you can get bran, oat feed, cracked corn and corn meal at Carr's still.

Miss Jean and Muriel Miller were visiting in Woodstock last week. Returning on Saturday they were accompanied by their aunt, Miss Emma Henderson.

T. A. Craig, of The Observer staff, left on Friday for Sussex and returning tomorrow he will bring with him his wife and children, who have been visiting her old home at Sussex.

George G. Gray, the oldest resident of the town, and who is a wonderfully well preserved man, had an ill turn the other night which gave his friends some concern. He is again able to be out, apparently well.

Rev. M. H. Manuel, Presbyterian minister of Greenfield church, is on a visit to his old home at Hawkshaw. Mrs. Manuel is visiting her old friends at Debec. Mr. Manuel's churches will have no services next Sunday.

An automobile driven by a young girl collided on Sunday with an American car standing by the side of Main street. The young lady's car was somewhat damaged, the driver badly frightened, but further than that no injury of consequence was caused.

Fifty-seven different automobiles from Aroostook county passed through Hartland on Sunday. The owners evidently do not read the Woodstock Press or they might not have risked their cars over the fearful roads that paper constantly advertises the county to possess.

Phone your orders for advertising, printing or subscriptions if you can not write or call. Do not, however, phone orders if it is possible to send them in writing. Errors are very frequent in phoned messages, and while using every effort to get them correctly, The Observer will not be held responsible for such errors.

In the opinion of most people the work done on the Main street by Road Supervisor Pearson is excellent. The remarkable quick way in which the mud dried after the rains bears testimony to the efficiency of Mr. Pearson's scheme of grading. By the way, the rains were very hard on new made roads. The order from Hon. Mr. Veniot to put on the drag soon as mud commences to dry has had its good effect. On Sunday the roads most travelled by autos were in perfect condition.

Take your butter and eggs to Carr's and get top prices. Cash or goods.

For Sale at a Bargain one Karn Piano in excellent condition. Apply to C. A. Nelson, Hartland.

E. J. Alexander of St. John, a former principal of Hartland school, is visiting friends here this week.

Miss Grace Page and Chavala L. Savage of Williamstown are guests this week of Misses Thelma and Patty Hay, Millville.

Last week Rev. I. E. Steeves and daughters motored from Keswick and were guests at the home of Frank Hagerman.

The Observer offers for sale a quantity of two-inch bed moulding in pine and Douglas fir, also a small quantity of fir sheathing.

Mrs. J. W. V. Lawlor lectures before the Women's Institute tomorrow evening at the Armory. All are invited and admission is free.

Two umbrellas, found on the Rockland road on Saturday, may be had by the owner calling at R. W. Pratt's and paying for advertising.

Prices reduced on the following articles at Carr's: Boys' wash suits, boys' white and colored rompers, girls' and children's middies, etc.

Rev. M. S. Trafton of California is a guest of his brother, Rev. P. J. Trafton. Rev. H. S. Dow of Medford was also visiting friends here during the week.

The 15th annual camp meeting will be held at Riverside Camp Grounds, Robinson, Me., Aug. 2 to 12. Evangelist F. C. Hendrickson of Columbus, Ohio will preach twice daily.

Mrs. Paul Taylor, of Norfolk, Va., formerly Miss Bessie Burr of Hartland, has this week been visiting her brother, George F. Burr. Many old-time friends are very glad to meet her again.

Crops are looking very well indeed, very much better than seemed possible during the cold weather of June. Grain is coming along well, grass is much better than was looked for a few weeks ago, and potatoes are making a splendid showing.

Yesterday Mrs. J. L. Thornton received a letter from an army chaplain overseas informing her that her son Clifford was in hospital suffering shell shock. He enlisted in 1915 with the 15th and has been a long time on active service. He has been previously wounded and gassed.

Russel Boyer, fisheries inspector for the river between Andover and Meductic, left yesterday for Grand Falls. He was accompanied by "Doctor" Polchev, the Indian, and the two will bring down in canoes a party of five New York sportsmen.

During the week the weather has been very oppressive although the temperature did not go unusually high. The atmosphere has been so laden with moisture that the heat seemed greater than it really was. Heavy electrical storms have been frequent in various parts of the county. On Tuesday afternoon a severe storm visited East Brighton where hail did much damage to the crops.

The congregation of the Church of England will hold their second annual picnic at Hartland on Thursday, August 8. There will be ample provisions for feeding a multitude and all legitimate sports will be provided. In the evening there will be a special entertainment in the Star Theatre with a fine bill of feature pictures. A ball game is likely to be arranged for. The purpose of the picnic is to raise money for the church building fund.

STRAW HATS ARE READY

You couldn't ask for a better stock to pick from, because here are all the newest and most approved styles, together with the good old stand-bys that men ask for summer after summer.

English Straw Sailors, are made from the finest braids, with Bon-Ton Sweat Bands, which insure a comfortable self-adjusting fit.

\$1.50, \$2.00, \$3.00, \$3.50

Many other lines of Canadian and American Straws in fine and coarse braids \$1.50 to \$2.50

PANAMA HATS

We have spared no means to have our showing for this season finer and more attractive than ever, and our price will be found the lowest, quality considered. \$3.50

C. R. DeWITT Dealer in Everything Worth while in **HARDWARE**

McLaughlin High Grade Valve-in-Head Motor Cars

Now is the opportune time to place your order for a McLaughlin car and have it delivered at present prices.

The cars which are under construction at the Factory will be put on the market at present prices. The next batch, which is expected to be on the market in September, will be affected by a material advance. It is expected the war trade board will force a material curtailment in production for next season which will mean a further advance during the winter.

If it is your intention to purchase a good car within the next few years, it would seem you can save from THREE to SIX HUNDRED DOLLARS by getting in on present prices.

McLaughlin's 1918 production was greater than ever, consequently the advance to date on McLaughlin cars has been proportionately less than on other cars which were selling at the same price before the war.

McLaughlin popularity increases in exact ratio with the spread of Motor Car knowledge.

We sell service and satisfaction with every McLaughlin car.

McLaughlin cars are made by a staunch Canadian Company with Twelve Branches and Nine Hundred Dealers.

When better automobiles are made, McLaughlin's will build them.

J. W. Hall, Edmundston.
H. H. Hatfield, Hartland.
Bertelsen & Burgess, Grand Falls.
Arthur Drost, Bath.

Creighton & Riley, Woodstock.
M. L. Wright, Perth.
McCain & Trafford, East Florenceville.

F. O. CREIGHTON, District Distributor.

Before Breakfast

KING COLE ORANGE PEKOE

Do YOU take a cup of tea first thing in the morning? A great many people do, and know well its beneficial effect. They say it clears the head, and fits them better for the day's work. But at this time particularly, the Tea used should be of choice quality and purest flavor. KING COLE Orange Pekoe is eminently fitted for this special service. It is indeed "The Extra in Choice Tea".

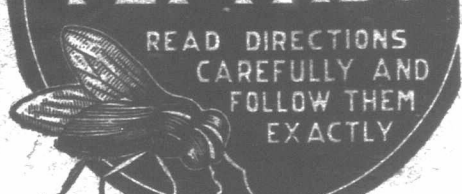

Ask your grocer for it by the full name. SOLD IN SEALED PACKAGES ONLY.

THE EXTRA CHOICE TEA

WHEN USING WILSON'S FLY PADS

READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY

Far more effective than Sticky Fly Catchers. Clean to handle. Sold by Druggists and Grocers everywhere.

FOR SALE

Farm of 150 acres in Bridgewater, Me. Good neighborhood. Conveniently situated. Possession at once. For particulars inquire of,

Dr. W. W. White, or Maurice A. Burr, Boundary, Me.

A WORD FOR MOTHERS

It is wrong for mothers to neglect their duties and pains and suffer in silence—this leads to chronic sickness and often shortens life.

If your work is tiring, if your nerves are excitable, if you feel languid, weary or depressed, Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build up your strength.

ANDOVER LOCALS

R. U. Grass and H. C. Baird went to Grand Falls Tuesday, to work on the W. U. Telegraph line. Mr. Grass spent Sunday at his home in Andover.

J. W. Witherly of Fort Fairfield was a business visitor in Andover and Perth during the past week.

Mrs. A. G. Ganter of Lower Perth and Mrs. Ashton-Warwick of Dorchester, Mass., were guests Thursday afternoon at the home of Mrs. H. N. McAlary.

Archie Dickson of St. John, traveller for W. H. Thorne & Co., is spending two weeks with Mr. and Mrs. C. Baird.

Red Cross Tea will be served Tuesday afternoon on the beautiful grounds belonging to Mrs. Ida Baird.

Mr. and Mrs. T. E. Allen motored to Presque Isle Friday evening.

Miss H. L. North of Boston, who has been visiting her sister, Mrs. E. M. Howard, left Monday for Canning, Nova Scotia, where she will visit relatives and friends for a week or two before returning to Boston.

Mrs. Andrew Aiton of Hartland passed through Andover and Perth Friday en route to Wapeke.

Miss Bessie Barton and brother Robert Barton of St. John have been spending the past week in town visiting friends. They returned to their home Monday.

Miss Margaret Sutton is spending the summer vacation with Mrs. Theo. Marsten of Plaster Rock.

Mr. and Mrs. D. R. Bedell and Miss Josephine Bedell, Mr. Peat and Beveridge spent Sunday at Woodstock. The party made the trip by automobile.

Mrs. T. H. Manzer and Miss

Alice Manzer of Aroostook Junction were calling on friends in Andover Saturday afternoon.

Miss Jennie Watson is visiting friends in St. John, Fredericton and Woodstock for a few weeks.

Mr. and Mrs. D. W. Pickett of Hillandale went to Sussex Friday to see their son Lewis who expects to leave this week for overseas service. The best wishes go with Lewis for his future safety.

Mrs. Ida Baird motored to Fort Fairfield Friday afternoon taking with her as guests Mrs. Gray and children.

Since the beginning of the war Mrs. S. P. Waite has knit 475 pairs of socks. Can this be beaten by any lady in Victoria county? Beside the socks Mrs. Waite has knit helmets, wristlets, bandages, knee warmers, etc. Miss Myrtle Waite has also done a good amount of work for the benefit of the soldiers. Mrs. Ernest Till and Mrs. Thomas Armstrong have also a fine record for knitting.

Miss Millicent Carter is visiting friends at Woodstock.

Miss Sophia Armstrong and brother Charles of Fort Fairfield were calling upon friends in Andover Saturday afternoon.

Miss Thelma Scott is visiting relatives at Centreville.

THE STORY OF THE STAIRS

Everytime you go up stairs you can test your state of health—the condition of your blood.

Do you arrive at the top of the stairs breathless and distressed? Does your heart palpitate violently? Do you have a pain in your side? Perhaps you even have to stop half way up, with limbs trembling and head dizzy, too exhausted to go further without resting. These are unfailing signs of anaemia. As soon as your blood becomes impoverished or impure the stair-case becomes an instrument of torture. When this is so you are unfit for work; your blood is watery and your nerves exhausted, you are losing the joy of an active life and paving the way for a further break down and decline. In this condition only one thing can save you. You must put new rich, red blood into your veins without further delay and so build up your health.

answer. To get this new, rich blood give Dr. Williams' Pink Pills a fair trial, and they will give you new vitality, sound health, and the power to resist and throw off disease. For more than a generation this favorite medicine has been in use throughout the world and has made many thousands of weak, despondent men and women bright, active and strong. You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Bristol Brevities

Mrs. George Davis of Woodstock is visiting Mrs. George Boyer.

Miss Reta Phillips spent the week-end in Fielding.

Mrs. Neville Jensen of Simonds visited her parents here this week.

Miss Maude Darkie is visiting relatives in Bridgewater.

Edward Dyer has purchased a new Grey-Dort car.

Miss Verna Jacques of Plaster Rock is visiting friends here.

Mrs. George Boyer and daughter Ruth spent Saturday in Upper Kent.

Mrs. Percy Snodgrass of St. John is the guest of aunt, Mrs. George Boyer.

Mrs. C. M. Shaw and son Cedric have returned from Simonds where they were visiting relatives.

Stickney News

Our pastor Rev. H. Bragdon held service here Sunday morning which was largely attended.

Miss Bessie Rideout of Lowell, Mass., is spending her vacation with her sister, Mrs. Ernest Tompkins.

Mrs. W. Montgomery and family are visiting her sister, Mrs. Campbell at Caribou.

Mr. and Mrs. Chas. Wilkinson spent Saturday in Woodstock.

Mrs. W. Adams of Walkerville Ont., is visiting her old home for a few weeks.

Misses Inez and Lydia Tompkins have returned from a two weeks' visit at Fort Fairfield.

Mr. and Mrs. Geo. Jones spent

C. S. Baker, Manager, Hartland Branch.

YOU want to sell Your FARM!

I want to help you!

I have made a careful study of the problem of bringing the man who wants to buy into communication with the man who wants to sell, and the results attained are a guarantee of the success of my system of operation. During the eight years of my experience in the Real Estate business nearly two hundred farms have been sold through my agency, representing values aggregating over half a million dollars. I have at present thirty-two applications for farms in Carleton County for the Spring 1918. If you want to sell your farm at a fair value, communicate with me at once.

Don't Waste Your Time and Mine if You Are Looking For More Than Your Farm is Worth.
