

Vol. LXXXXI

"Hidden River" Well Received

by Betty Archibald

Despite a small attendance, the D.G.D.S. play "The Hidden River" performed in the gym on Thursday (Friday, and Sat-urday, of last week, was very favorably received. The play, written by Ruth and Augustus Goetz, and taken from a novel by Storm Jameson, was well acted, and the students that did exert themselves to attend were full of praise for all who took part.'

It appeared that Dalhousie students showed the same apathy that accompanied last year's D.G.D.S. play, "The Admirable Crichton", in play, "The Admirable their small attendance.

The "Hidden River" recounted the "before and after" events of the re-turn to his home, of a man believed turn to his home, of a man believed to be a war-time traitor. John Chambers certainly made the most of this role, as he finally proved to his family that his son, not he, had done the betraying. Other leading parts were taken by Don Aitkens, playing Jean Monarie, Norm Rebin es Jean's brother Francis the real as Jean's brother, Francis, the real traitor, Julia Gosling as the head of the family, and Penelope Stanbury as Francis' flancee.

The play was the first serious drama to be performed by the D.G.D.S. in three years; in the past two years, comedies have been presented. Despite the small ordionee, which did increase on audience, which did increase on Saturday night, Julia Gosling, the director, felt that the reception was generally enthusiastic and that the cast and stage crew de-served much praise for doing so well in a rather difficult play.

Props, makeup, costume, lighting, and all the other unseen credits, helped the production go smoothly, and Julia Gosling proved to be an able director.

A review of the play will be found in the Features section of this issue.

WUSC Treasurer Van To Arrive Tuesday

The joint WUSC Committees of Dalhousie and Saint Mary's Universities have extended an invitation to all students and citizens in the Hali-fax area to its Treasure Van. This annual display and sale of interna-tional handicrafts will be held this year at Saint Mary's University from November 18 to 21.

Started several years ago by Mrs. Ethel Mulvany, the former "Indian Sale" now envelops the cultures of such countries as Brazil, India, Greece, Jordan, Japan, Germany, Peru, Mexico, Malaya, Canada, Jamaica, and Thailand.

Most of the proceeds go to the International Program of WUSC Action, a program of material aid to students in other countries, which includes such measures as housing and health centers.

Special efforts this year will be directed towards Egypt, Israel, Viet-nam, India and Japan. The remain- Christmas gifts.

Having been fed, fondled and feted by the Gazette staff, Pedro, the Upper Canadian stuffed shirt, exhibits no desire to be repatriated. However, when he began to expound upon how a newspaper should be run (above), editors decided to unload him on Bishop's University. When he goes down to the woods today he's in for a big surprise . . .

NFCUS PRESIDENT ANNOUNCES STUDENT DAY, SOVIET TOUR

The National Federation of Canadian University Students plans to sponsor a National Student Day, in accordance with the requests of university students who attended the 22nd Congress of NFCUS in Ottawa last month.

In an interview with Mortimer | proved tours for Canadian univer-

Bistrisky, National President of NFCUS, it was announced that plans were being made to hold National Student Day sometime in the second term. Mr. Bistrisky stated that, unofficially, such a project had met ap-proval when discussed with government authorities.

Mr. Bistrisky stated that the purpose of National Student Day would be to acquaint the public with the student, his activities and his problems. This would in turn stimulate action and results in gaining governmental and other benefits for students. One particular example of this would be the NFCUS Scholarship Brief which would gain wider publicity and consequently further action.

Bistrisky also reported that for the summer of 1959, NFCUS Travel Service has planned a series of im-

der of the proceeds will go to local groups in order to defray expenses. The quality and orignality of the handicrafts must be stressed, as they are unobtainable in our stores, and

sity students. This year NFCUS is offering

three tours. Two are tours to Western Europe, and the third tour is the "Soviet Tour" taking in a large number of Communist countries. The latter is the only such tour offered in Canada and is said to be much better than the "Soviet Tour" offered by the United States National Student Association, in that it stops at a greater number of places behind the Iron Curtain.

Students leave Canada by chartered ship, and return by ship or plane. If students choose to fly back to Canada, they can take advantage of stopovers to visit places not included in the tours.

Individuals planning to go Europe can make individual book ings through the NFCUS Travel Di rector in Ottawa.

All students interested in thes services offered by NFCUS are ask ed to see Doug Smith, who is in charge of NFCUS Travel for Dal housie.

NFCUS CENSORS UNIVERSITY FIRING OF STUDENT EDITORS

by Peter Green

Three editors of the University of Ottawa's French student newspaper LaRotonde, have been fired by the university administration, without a hearing, for publishing a report by a past editor who had been fired earlier this year. This brings to five the number of editors who have been dismissed.

Springhill Relief **Through Dalhousie**

Dalhousie's NFCUS organization has been the scene of intense activity during the past ten days. The reason: the nation-wide NFCUS Springhill **Relief Fund is being channeled** through our university. An open letter from National NFCUS President, Morty Bistrisky to every Canadian university appealed for funds and has received immediate response.

Following is an excerpt from that letter:

"The disaster in Springhill is a national tragedy. We, as university students, must contribute our small share to help ease the sufferings of our fellow citizens.

"We can show Canada that we are not mere adolescents but mature young adults who recognize our responsibility to the community.

"We ask each campus to raise a sum of money and forward it to the NFCUS Committee at Dalhousie University . . . which is close to the scene of the disaster. "The method employed for raising

funds is left to each campus. It does not matter whether the contribution is large or small, the important thing is that we do what we can according

The three, Louis Cliche, Pierre Trindel and Roger Roy, each re-ceived letters in the mail on the day following the first issue of the paper this term, from Rev. Leonard Du-charme, Dean of Students at the University. The letter stated: "The University regrets to be obliged to forbid to the members of the editorial board any participation in any way in the activities of La Rotonde". A public notice distributed on the campus announced the removal of the three from their posts.

The administration cannot dismiss the editors, since they are appointed by the Students' Federation, it can only exert pressure to have the move carried out. Following receipt of the letter, the editors filed their resignations with the Students' Federation. The Federation did not accept the resignations, requesting a meeting with the administration to clarify the matter. At the meeting the administration stated that its position was definite.

Mortimer Bistrisky, National President of NFCUS, has been in contact with officials at the University. According to Mr. Bistrisky, the univer-sity considers the matter "a closed case". NFCUS has taken a definite stand in support of the three students.

"La Rotonde" did not publish following the publication of the first issue, and publication is presently suspended.

Normand Racharite and Jean David were fired for the publication of a special anniversary issue in which they levelled heavy criticism This week, Dalhousie and the na. tion were working toward that end. at the university for "religious pa-ternalism".

BLOOD DRIVE DISAPPOINTING; APATHY OVERTAKES FACULTIES

The annual Dalhousie Blood Drive for 1958-59 came to a close last Thursday after receiving donations from only 513 students out of an eligible 1635. Herewith, the results in comparative form; and they speak for themselves.

A General Organization of Women

"Delta Gamma is the general organization of women students on the Dalhousie Campus." Thus reads the definition of Delta Gamma in the Students' Handbook, Dalhousie University and King's College.

A general organization of women students! On reading this a new student would think that the female population on the campus are still living in the 19th century, that women here have to band together in order to fight for or protect, their rights. It is strange to discover that the males on the campus have no similar organization to fight against these demands for rights.

Further investigation of this relic from antiquity is needed, the new student decides.. The best thing to do naturally is to ask the girls on the campus what the organization does. Nine out of ten girls questioned, however, have heard of Delta Gamma, a very commendable fact in itself, and although not too sure of what it does, think that it has something to do with the feminine portion of the students.

From the other one out of ten questioned, comes the answer. Delta Gamma is an organization on the campus to which all girls automatically belong. As for its functions, it enters a play in the Connolly Shield Competition, holds an Open House, organizes Co-Ed Week and this year is helping in the rink canteen.

On close examination we feel that this should not qualify it to spend an estimated \$316. of the Council's budget. Is it necessary to have this large, unwieldy club, having for its membership all the girls on campus, very few of whom take an active part, in order that a play can be submitted to the Connolly Shield Competition? Must we also have such an association so that it can put on an Open House, sandwiched between many other social events, at an estimated cost of \$83. to the Council? It is commendable that Delta Gamma is going to help in the Rink Canteen, but this does not provide a reason for its existence. A complex organization is not necessary in order to find 10 or 15 girls willing to help in the Canteen.

We will admit that Co-Ed Week should be a part of every campus' social events, but surely it could be arranged with more ease by having the Council set up a committee to arrange the functions.

We feel that there is no reason for the existence of Delta Gamma. It is a useless organization, whose very essence is ridiculous. It is a costly extra, serving no purpose which cannot be handled in some other way and we suggest to Council that it discontinue this extravagant waste of the students' money.

On Essay Prizes

The University has announced this week the donation of a \$300 a year essay prize by Mr. Samuel Jacobson, which will bear the name of the Dr. H. L. Stewart Memorial Prizes. In the past students have not taken sufficient advantage of the W. H. Dennis Competitions for prose and poetry and we hope that the same lack of interest will not be shown.. This is a very valuable prize and there should be a high degree of competition for it. Not everyone can win but the experience in competing will be reward enough and there is always a good chance to win.

Canada's oldest college newspaper. Member of Canadian University ERISCORE The Press. Opinions expressed editor-ially are not the official opinion of the Council of Students. Official publication of students of Dalhousie University, Halifax, Nova Fraser

> DEMOCRACY. An unimpressive word, perhaps. A word that to most people probably means only the right to vote or what politicians talk about.

> Yet in our nation's capital there has been a flagrant violation of some of the rights inherent in democracy. At Ottawa University the Editor and two of his associates have been dismissed from the college paper (La Rotonde) for criticising the administration. What is the amazing thing about this is that they were dismissed by the administration without hearing and without recourse to appeal.

I understand the facts of this story | outlet for electricity. are appearing elsewhere in this is-However, I cannot help but sue. comment on what appears to be a shocking and almost unbelievable situation. At Dalhousie there has been, is, and will be a difference of opinion between the administration and student leaders about some of the articles and stories that appear However, there has not, in print. from what I can determine, nor will there ever be, from the present atti-tude of the administration, any action to parallel the appalling situation at Ottawa University. We hope that the officials there will reconsider their moves and that the students will not accept such an act without vigorous protest. For an example of how democracy

works at Dalhousie we invite you to drop in on a Student Council meet-ing some night. At the last one they took twenty minutes deciding when to meet for the next time. The discussion was priceless

An encouraging note at the first Student Forum held not too long ago was the participation and interest of the Meds, who were there. The possibility of bringing the Med Journal under the direct jurisdiction of the Council met with favorable comment. Rumors have it that the Meds will be sponsoring an all-medical variety show in the spring. This would be a smashing success and would be a material contribution of our friends down that way. This year, as in the past, the Meds have strong representation on the Council with Byron Reid, Ike Boniuk, and John Stewart attend-

I believe that most of us will agree that modern buildings should contain modern features. However. there are some of the old standbys that cannot be dispensed with. An electric plug outlet for example.

At present the Dental students have acquired a soft drink machine for their use in the new building. Unfortunately the only room in which they are permitted to place this machine contains not a single.

At the time of writing the Dents had been informed that the cost of installation of any outlet must be borne by the Student Society. The cost—\$50.00 Now, no matter whe-ther the price be \$5.00 of \$50.00, is it unreasonable to ask that the Univer sity bear the brunt of this exepense The cleaners, who at the moment are using an extension cord will not hesitate to unplug the machine if and when an outlet is put in and make their own use of the outlet. When the Dental Society decides, will it be able to have the outlet removed and cut off? No. In other words, it does not own the outlet.

The University has at different times provided new lights for the Student Council office and other faciliies similar in nature to this.

resonable one, that the University should provide proper facilities in various buildings

LETTER TO THE EDITOR

Wednesday, November 12, 1958

Blood Drive

Council of Students Dalhousie University Halifax, N. S. November 7, 1958.

The Editor, The Dalhousie Gazette, Dalhousie University.

Dear Madame:

I should like to take this opportunity to thank all those who in any way contributed to the Blood Drive.

I do not feel that the Blood Drive could be termed successful this year, as the total number of pints donated was shockingly low. However registration, which includes all those who were rejected for age and medical reasons, was up from last year.

congratulate Pharmacy, who again received top honors, and the Engineers for their fine showing. Moreover I should like to point out that King's had 100% registration, Pine Hill almost as high. This and should illustrate again the need for a residence on the campus.

I doubt that our standing this year will place us at the top of the Intercollegiate Competition, and I sincerely hope that we shall not be at the bottom. Perhaps we can hope for better things next year.

I am sure that those who have donated blood will fell satisfied that they have done their part to help the Red Cross and fellow man in their fight to save lives.

JOAN HERMAN, Chairman,

Dalhousie Blood Service.

Pepcats See Spirits Surge —Police Permit Parade

The Pep Cats are at it again! Next Friday will see the first big evening spirit parade of the year, starting out from Shirreff Hall at 7:15. Designed to raise fan spirit prior to the start of the semi-final series with Shearwater, it is hoped that a large and exuberant number of students will turn out, and that a repeat of last year's successful venture will be brought about.

Dalhousie To Receive Russian Ambassador?

At the last meeting of WUSC which was held on October 29th, Professor Hoasman disclosed that it was more than likely that the Russian ambassador to Canada would visit Dalhousie in the very near future. The ambassador will be guest of this university and of Mount Allison university.

This intended call on Dalhousie by the Russian, has stimulated WUSC to form a new club, The International Affairs Club, an organization Dalhousie has not had a long time. Towards this end WUSC created a new ofice, that of Educational and Cultural officer, and Norm Rebin was elected to fill the new post. Norm will be co-chairing on a special committee to inaugurate the new club, which is to be affiliated with WUSC.

It is hoped that many students will join the new club and so become active members, not only there, but in the WUSC organization, since anyone interested in International affairs would be interested in WUSC.

WUSC was recently host to Patrick Deigh of Sierra Leone, West Africa. Patrick, who spoke to WUSC members on "The Influence of the West on Sierra Leone and West Africa" at Shirreff Hall, afterwards chatted very informally with those in attendance.

The formerly vacant posts of Secretary and Publicity Director were filled by Nancy Rice and Mike Steeves respectively. From the enthusiasm shown by its members at the last meeting, WUSC is in for a busy year.

This year the parade will have sanction of the local gendarmes, and it is hoped that this will prevent the possobility of the locking up of any spirited souls, thereby causing their tardiness at the Commerce dance. Incidentally, for those who have fears that the parade won't be finished in time for them to change for the dance, they may rest assured that, barring unforseen circumstances, the parade should be finished in time.

The tentative parade route will be up Oxford Street from the Hall, and thense east on Coburg, to a point which will probably be determined for us. Both band and cheerleaders will be in attendance, and it is hoped that one and all will come out and join what should be a decidely gay time.

Next Saturday's game will also see some innovations that should improve the cheering situation somewhat. The much maligned reserve section at Studley, which puts a hard core of non-cheerers in the best seats on the field, has been abolished for the playoffs, and it is hoped that the students will come early and fill it up to good advantage.

As a further help to the cause, a number of the fraternities, and societies, on the campus have been asked to sit as groups at the game, thus providing more concentrated yell-power. The megaphones should be on hand for the game, and both the band and the cheer-leaders have been working hard to improve themselves. Its up to you to do the rest. Support your team! ! Around the Campus

The Berman Memorial Scholarship Fund Dance will be held in the Dalhousie Gym on Friday night, November 14 from nine to one o'clock. Music will be provided by Les Singles and his orchestra. Price per couple \$1.25, stag .75.

A Spirit Parade will be held on Friday night, November 14. The band, cheerleaders and paraders will leave Shirreff Hall at 7.15 p.m. On Saturday afternoon at the football game students will be allowed to sit in the Dalhousie centre section, as the reserved section has been abolished. Some fraternities and societies will go en masse to make a stronger cheering section. Be there!

.

There will be a meeting of the Friendly Relations for Overseas Students in Room 218 at 12 noon on Thursday, November 13.

The Shirreff Hall Formal will be held Thursday. November 13 at the Hall from nine to one o'clock. Joe Poirier and his orchestra will provide the music.

Skating times for this week will be: Tuesday and Thursday from eight to 10:30 p.m., and Saturday from four to six p.m.

The Dalhousie-King's Canterbury Club will hold a regular meeting on Sunday night, November 16. Rev. Herbert O'Driscoll will discuss the topic "The Growth of the Prayer Book".

Delta Gamma will hold an important meeting on Tuesday, November 18, in Room 218 of the Arts and Administration Building at 12 noon. All girls are urged to attend.

ARCUP—The Atlantic Regional section of the Canadian University Press—will meet this year at DALHOUSIE from November 21st to 23rd. Gazette Sports Editor Bill Rankin, Atlantic regional Vice-president, is in charge of the policy conference, which will host representatives of the U. N. B., Mount Allison, St. Francis Xavier, and Acadia student newspapers. The Connolly Shield Play Competitions will take place in the Dalhousie Gym on Monday and Tuesday, November 17 and 18.

There will be an intercollegiate debate between Dalhousie and the University of New Brunswick on Tuesday, November 25th at 12 noon in Room 21.

At a meeting of the Freshman class last Tuesday, under the chairmanship of Jim Hurley, president, it was decided to hold a party in the West Room before Christmas. Elected to a committee to handle the arrangements were Sue Oland, chairman; John Baird, Frank Henson, Bob Cooper, Barbara Murphy, and Bobbie Wood.

The Engineers will hold a Hayloft Jamboree in the Dalhousie Gym on Friday night, November 21, from nine to one o'clock. Don Messer and his Islanders will play at the hard times dance (Wear your slacks). There will be modern dancing and a caller for some square sets.

Orders for the 1959 Pharos will be taken Tuesday and Thursday from 12 to 12:30 p.m. in the Pharos Office until November 27.

If prospective graduates wish to have their own biographies written by themselves or by a friend, Hugh Gorham, Pharos editor, asks that these be turned in to the Pharos office by November 23. The biographies should contain name, hometown, degree to be conferred, school previously attended, sports participation while at Dal, activities on and off campus, future intentions and personal characteristics. They should be as brief as possible (not more than 60 words).

Eat the best of foods in a cozy atmosphere where your Council Card gives you a 20% discount on all meals up to 6:30 p.m.

Jacobson Establishes Essay Competition

Through the generosity of Mr. Samuel Jacobson, formerly of Halifax and Dartmouth, and now of Montreal, a valuable essay prize has been established for annual competition in Dalhousie University, it has been announced by Dr. A. E. Kerr.

The subject each year will bear upon some aspect of international free trade in the Modern World. The prizes, a first of \$200 and a second of \$100, will bear the name of the Dr. H. L. Stewart Memorial Prizes. The late Dr. Stewart, for many years Professor of Philosophy at Dalhousie and an internationally known author, editor and commentator, was a close friend of Mr. Jacobson, and they often discussed the various. applications of free trade, the subject of the essays for the next few years.

Something must also be said of Baussan, did a reasonably competent job of speaking his lines, (but with obviously false straggling One rather felt it was a pity that

Dalhousie Glee and Dramatic Society presented "The Hidden River", a play by Ruth and Augustus Goetz, adapted from the novel by Storm Jameson. The audience was a small one and this might be charitably attributed to the inclement weather The play began with the failure of the sound system to produce more than the first four notes of the National Anthem. "Failure" is perhaps the kindest word to describe the play. Those who have read Storm Jameson's novel will' agree that its only merit lies in how well it keeps its secret. One never suspects how it will end. The play does not depart from the novel to conform to theatrical conventions. However, in this review, "The play's not the thing!" It is

simple one to construct, and requiring no changes, was well done. The acting, however, was something else tor and guiding spirit behind the a woman broken by grief at the death of her son. Miss Gosling has the reputation of a good actress, walks superbly, but a little too well; she can turn on any emotion, at too magnificently; her carriage and gestures are always eminently suitable; but again a little too suitable. Ilievable person. Like a diamond She succeeded in playing the part of among dross, he shone all the more the great actress marvellously. It is a pity she had not similar success in playing the part of Marie Regnier. Her portrayal is almost her moments, especially in that scene at the end of Act 2 where

Awhile ago, a gang of rampaging they are ordered to yell their heads Engineers attacked the goal posts, automobiles and other outside accessories of Kings College. They were met by an equally wild group of Kings Freshmen, still gooey and sore from a rough initiation, who defended their "alma mater" with a pride equal to that of any 3-year veteran. An onlooker remarked on the valiant defense. "I've never seen such college spirit", he said.

Even more recently two sophomores ambled into the Gazette Office with an idea for a features column. The idea was rejected, but the editor who had studied their work said, "Please don't stop trying. This is the sort of thing we need. The Dal campus is dead".

Both commentators were right Kings has good spirit and Dal is deader than the proverbial door-nail. Why? Surely this elusive quality of campus spirit is not produced only by a systematic maltreatment of all Frosh. Admittedly a feeling of belonging is produced at the end of such an ordeal, but the apathy at Dalhousie must have deeper roots than in her notoriously gentle initiation.

But what is spirit? Most will answer that it is a lovalty for one's university personified in support of college teams and in participation in the many activities about the campus. If this is so, then why is it that Frosh feel like idiots when

PHOENIX CLUB FORMED

The English Club, defunct for the past two years, was recently revived, and the first meeting was fine its use to conversation. held last Tuesday evening at Alexandra Hall. Dr. Kir over the organizational part of the meeting.

McSporran Gives Paper

It was suggested by Dr. Kinghorn that the club should bear a more imposing name. He thought that "The Phoenix Club" would be a good name as it would symbolize the new birth of the club risen from the ashes of intellectual decay. One dissenting voice—complained that Phoenix was difficult to spell. Al-

ident was felt to be unnecessary, but a secretary was elected: Mr. Charles Fanning, and also a treasurer, Miss Diane Scott.

The main business of the meeting was the paper given by Mr. Archibald McSporran, entitled Poets and Critics, in which he charted an approach to poetry between the Scylla and Charyod is of the "new" criticism, and enthusiastic amateurism. He felt that a proper attitude to poetry analysis and feeling, with the, latter ingredient preponderatthough nobody denied the legiti-macy of the complaint, it was agreed that the dificulty could be ready wit of Mr. McSporran are too literary interests.

the bit parts. Leon Cole, as Father his obviously bald pate, fringed

Perhaps the poorest part of last Thursday night's opening performance of "The Hidden River" was the fact that, up until about five minutes before curtain time, it looked as if the company was goto outnumber the audience. While the play wasn't perfect or the performance faultless, it merited an audience far larger than the few who managed to find their way to the Dal gym.

An adaptation by Ruth and August Goetz of Storm Jameson's novel, "The Hidden River" only claim to dramatic distinction is that it was one of the less notable flops of the 1957 Broadway season.

A melodrama set in post-war France, the professional failings became quite obvious in Thursday's staging. The basically good story of proud French family still trying to find the reason of war is fouled up with inept writing and thin characterizations. Because of this the best has to be made of any dramatic opportunities the script gives and the college group failed to do this on too many occasions. The play opens as the Monnerie freres, older brother Jean and young Francis, try to quell their aunt's objections to the release from prison of their uncle Daniel, who had served a sentence for collaborating with the Nazis.

The Aunt suspects that her former lover is the man responsible for the death of her son Robert, who lost his life when caught in the Resistance movement.

help. Otto Haenlein was obviously cast as General von Kettler on account of his accent and military bearing. However, in the short flash-back in which he appeared, he showed an acting ability far above his natural suitability for the part. His portrayal of the humanistic general carried refreshing conviction. Mitch Levine, as Doctor Montalti, also showed competence, though the part made little demands on him.

One must admit that the play got better as it went along. However, keeping the good wine till last makes one unable to savour its goodness. To sum up, one cannot help wondering, after being subjected to an evening of "entertainment" such as this, if there is not a real case for student apathy after

The success of the play is very much dependent on the acting of the two brothers and the aunt

Julia Gosling playing the aunt Marie Regnier, gave a strong, at times too strong, performance. But Miss Gosling perhaps can be ex-cused, for her drive at many times gave a pace to the place which helped it over rough spots where some of the more inexperienced members of the cast tended to get lost.

Don Aitken, as Jean, was by far the best actor on the stage. He spoke his lines in a fine resoundng voice with depth and understanding. In the second scene of the first act he noticeably drifted upstage a couple of times swinging the conversation rather awkwardly; but on the whole he moved well and at times saved the entire performance.

The younger brother Francis was played by Norm Rebin. Unfortunately Mr. Rebin seemed to miss the one characterization which authors had taken time to carefully draw. Mr. Rebin, who is quite adept at debating, perhaps got his nights twisted for his reading was much closer to public speaking than acting. He registered various phases of emotion solely by the volume of the voice, and this became a terrible downfall in the first act when he is trying to explain to his fiance his reasons for leaving the family home. He moved many times with hands to wave and nothing to wave them for.

Playing opposite Rebin as his fiancee-Lizie Regnier-was Penelope Sanbury. I thought the character should be more of the ingenue; she is supposed to be somewhat younger than the worldly Francis, but at times Miss Stanbury seemed to be one step ahead of the man.

I thought the characterization of Ken Clarke as Jean's wartime British Intelligence contact was excellent. His transformation from the 'pip-pip, all that sort of rot" chap the man of determination and vengeance was believeable. His accent had the ring of phony authenticism that a well educated Englishman gives.

As the erudite, philosophical uncle, John Chambers managed well considering the difficulty the part for a young person. His voice had a rather monotonous pitch, but in the flashback scene with his German general drinking compan-ion played by Otto Haenlein, he showed that he was capable of bringing depth to his acting.

Haenlein played down his bit very effectively in what could have been a rather inane scene.

Margaret Robbins and Mitch Levine, as the maid and the doctor, did well in their small parts. Leon Cole as the parish priest, not at all helped with a rather worn out bald plate, didn't really meet the potentialities of his part.

Technically the set was excellent; was pleasant to see that the curtains worked and the prop manager had taken time to put French mag- Lord Nelson pub.

October 11

Up betimes, and didst early betake me to the College-by-the-Sea. There not a soul to be met with. and very few bodies. Upon inquiry, (for methought it dangerously unhealthy for our population so suddenly to decine) informed that all had gone to the Battlefield. Did ask where, but only reply was the twenty-fourth letter of the Alphabet, whereby I assumed the place to be secret.

October 23

Did rise late. Did wend my feeble way to Fleet Street. Eagerly snatched up a copy of the Spectator, the which to employ as a napkin in the Coffee House. Herein the usual scurrilous crew. Did speak to Miss Volkswagen, who has recently been abroad. Was informed that the annual portrait mania was upon us, many having their likenesses done by the renowned artist Grave Promise, and thus being preserved for posterity. Did speak to one Rooms, also an artist, who gave me to understand that the Abbey Crew was intending a quick Return to Nature.

Extraordinary news from the field—that we had beaten the Navy. This so astonished me, it required two cups of Caughee to restore my senses. News also abroad that the Dainty Grabbers, headed by one of the celebrated Sin Twins, were that night to hold revels in the Jam Palace. The continuance of this ancient dishonourable organization is rapidly becoming a subject of public dispute, now that the question of Wren's Residence is no longer much with us (though there lack not those who would still be glad to see that a Burning Issue).

October 25

Fleet Street in confusion, as Goody and the Spectators endeavored to assemble and publish great stories of legal history, hence to be revealed in the disreputable publication. Many did speak with enthusiasm of the Legal Rites of the previous evening. Miss Englishtoo crowned thereat; many did Witness to her beauty, including some who were good Judges.

October 29

A Public Holiday declared with much rejoicing. Crowds of both common and the learned did flock to the James, there to see and hear great dignitaries.

azines on the desk, and that the wine botles were the real McCoy and not discarded empties from the

Inspired by much oratory, did quit the James, and all congregated in the Kings Square, there to witness an inspiring ceremony. All went well, except that at the last moment, it was discovered that a piece of stone chosen for our purpose was not strong enough; the situation was remedied by strengthening it, filling it in with an old copy of the Spectator. The Mason being absent, a Great Lady of the Land stepped forward and pressed the wedge of common stone into place with a silver cake-knife, which she fortunately had on hand. Much public felicitation and gratification

November 5

As I did rise, did fall to musing that this was the day of Guy Fawkes. Went forth expecting to see much celebration. St. James Street in great confusion; many were rushing about with various household articles and all was in disarray. Precious Duckling marshalling her chicks. The Players about to put forth a great Tragedy at which it is expected the Court will attend. Among this ribald crew did glimpse several notorious characters, ashamed to be seen in such low company did take my leave.

On walking down the Strand, was met by an astonishing sight. Spectre-like figures, clad in grey, walked among a prostrate populace, causing blood to flow freely. A most disgusting mass orgy. After stepping over the prostrate bodies of those ecstatic meditators upon the life force, did make further in quiries. Informed gravely that this was an annual Bloodletting to reduce the Sanguine element in our city. Invited to join corpuscular revels. Being informed that there was no expense, did so, undergoing the ordeal with usual calm and good-humor, and left the red and rude affray with nonchalance though 'twas a bloody business.

After having undergone this purgative, did think no harm to take a slight restorative. The Coffee--House prodigious crowded. Lawyers leaving the Inns of Court and came flocking to the Bar. Noised abroad that a great trial was taking place in the Bailey. Did take my place among the common spectators thereat. Chief Justice McRock presided, assisted by one Candid Digsworth, also Judge Toupee, a noted judge in Chambers. Wooly McFrenzy, Soup McFinish, and Harray Dazer were the appealants. They orated long and valiantly, but after an extraordinary long sitting, were de-feated by the repellants, the learn-ed counsels **Hacheson**, **Fall Spreein**, and Blossoming Symbol. Left the Bailey late, exhausted by their flow of forensic fury.

The lighting could at times have been in sharper contrast, especially in the flashback scene, which was played in a rather low key.

From the leaves of the Dalhousie Gazette

Dalhousie's junior varsity football team notched their first victory in two years when they trounced St. Patrick's High School 48-0 on the Dalhousie grid iron Saturday. The junior varsity squad sported a brilliant passing atack backed up by a stout defense.

Paced by their pass catching backfield star, Jamie Muir, who snagged three touchdowns passes the JV's opened with a 24-point first half lead.

Muir started the Dalhousie rampage when he snagged a pass from George Muiray. He rounded his successful afternoon by catching a 40-yard toss by Bill White and then grabbing his third of the game, this one being hurled by left handed Murray.

John "Scraper" MacIntosh followed Muir in the scoring parade. Mac-Intosh collected his first TD of the afternoon on a ground play and then added another "six-pointer" to his credit when he booted a St. Patrick's fumble into the end zone and then gained possession of the ball when it took a high bounce.

Deke Liddell collected his TD when Murray threw him a touchdown pass on a "sleeper play." Irwin Gordon and Frank Hensen each added majors to round out Dalhousie's scoring.

Urge Attendance For Swim Meet

Dalhousie students are invited to make use of the YMCA facilities for swimming every Tuesday and Thursday evening. At present only a few students seem to be aware of this opportunity as the turnouts have been very small.

Girls are urged to come out now, as this year, for the first time, Dal is entering a "Cross Canada Telegraphic Meet." This meet will be held in the near future. The results of an inter-class competition will be telegraphed to Toronto where they will be tabulated against university teams from all over Canada.

The Intercollegiate swimming meet will be held in March at UNB. Last year only girls were sent, as the boys failed to show enough enthusiasm to supply a team. This year it is hoped that more fellows will show some interest and come out to the practices.

Dal has the YMCA pool on Tuesday night from 7:30 to 8; and on Thursday from 8 until 9. These sessions are not sufficient, especially as we face a powerhouse from UNB who have their own pool and who practice daily. However if interest is shown more pool time will be secured.

Even those who can't swim are urged to come out. It is an excellent opportunity to learn and for those girls who aren't interested in racing, a synchorized swimming program is being planned. All in all it could be a big year for Dal. Let's make it one!

DAVE BRYSON JV COACH

KING'S SCORES BUT LOSE GAME

A sturdy team from Mt. Allison University defeated King's College in an Intercollegiate girls ground hockey match played at King's on Thursday.

Mount A showed their usual good form, and were leading King's by a score of 3-0 at the end of the first half. However, King's rallied in the second half to score their first goal of the season. Sharon Green made the lone tally for King's, and she will be remembered as the first girl to score a goal for King's in intercollegiate ground hockey for a number of years. We hope that this marks the turning point for the U.K.C. girls, and that more goals will be scored in the future.

King's defence played a brilliant game, and Torrey Langwith did a tremendous job in goal, showing a marked improvement over previous games. Other outstanding performances were turned in by Gail White, Susan Bell, Iris Bishop, Marian Huggard and Mary Archibald.

Following the game, a reception for the Mount A team was held at Alexandra Hall.

DAL ROAD RACE

The Annual Dal Road Race will be held Friday, November 14th; starting time 1:15. Those interested place name on Gym bulletin board. MAXIMUM—eight contestants per faculty. Commerce Upset Law; Meet A&S In Finals

by MIKE KIRBY

Comerce pulled the biggest upset of the touch-football season by downing the previously undefeated Lawyers 6-1 last week, in one-half of the sudden-death semi-finals. In the other section of the play-downs Arts & Science handed the Engineers a 6-0 set-back. Thus, Commerce will meet Arts & Science in this week's final.

Averaged 21 points per game

In edging Law, the Comercemen showed a superb defense by holding the opposition to a single rouge, by Young. The Lawyers, who in the regular season average better than 21 points a game, could not get their offense untracked, while their usually stalwart defence crumbled slightly and allowed a major by Jamie Cochrane. This was only the third time in six games that a touchdown had been scored against Law.

Meanwhile, Arts and Science took advantage of a third quarter touchdown by Tom Dobson to eke out a shut-out victory over the Engineers.

As a result of these games finishing in third and fourth place in the league standings.

HOCKEY STARTS NOVEMBER 29

Coach Witt Dargie has been busy for the last two weeks rounding the 1958-59 addition of the Dalhousie Tigers' hockey team into shape. Only five members of last year's team are returning this year. They are: Murray Dewis, John Graham, Claude Brown, Dave Gardner and Frank Sim.

The Tigers will have three players returning after a year's absence. Bill McLeod, who played for North Sydney last year, will return to bolster the defence. Walter Fitzgerald and Doug Cudmore, who was out with an injury last year, will return to take up duties on the forward line.

This year Dal's home games will be played on Saturday nights. The first game of the season will be on November 29 against Acadia. It is hoped this year to have Nova Scotia Tech and St. Mary's play their home games at Dal giving local fans plenty of action on Saturday nights.

With the opening game three weeks away Dargie is trying to put a strong team together. He has room for two defensemen and several forwards. He would urge all who can to turn out.

This year it is hoped to have a strong Junior Varsity team for there is a possibility of entering a league. Practices will start next Wednesday from 1-3.

The Inter-fac league will start after Christmas. There is ice time available on Tuesday and Thursday from 1-2 for teams to practice.

SIG SLASHES 3-1 WIN **MULTIPLE INJURIES**

Dalhousie girls' ground hockey team went down to their only defeat of the season last Tuesday, as the Sigma Chi boys raced to a 3-1 victory.

At first, the Sig boys, having taken to the field minus shin pads, were appalled by the roughing that they received from the girls. However, having recovered from their initial shock, they showed better form and began to play hockey. At a very tense moment, Cam Smith plowed his way through the stout Dal line, to open the scoring. Later in the half, Gavin Rainnie again came through for Sig, making good on a shot which rebounded off of what was Don Tomes' foot. Shortly after this goal, the timer was forced to end the half, as Sigma Chi showed signs of fatigue, having played only ten minutes of a scheduled twenty-five!

Most of the action in the second half took place in front of the girls' net, tended by Liz Cogswell in this half. Due to a slightly muddy field and to some especially rough play, several girls began to bite the dust. But not without revenge! Working even harder, the girls managed to ump a few Sigs, too! Incidental in this half were two more goals-one

ing shot a quick one past burley Sig goalie Doug Parker, and Sid Oland scored the finale for the winners. On the injured list after the

for Dal, one for Sig. Ruth Ann Irv-

game were: Don Tomes-suffering from a stiff neck as a result of a collison with Lorraine Lawrence, who ende up with a red ear! Margie Sinclair claims she was run down by an anonymous Sig steam roller; Gavin Rainnie got his shin in the way of a hard drive and suffered a bruised arm; and the Sig team complained of dented shins.

COMMENTS ON THE GAME:

Rumor has it that ground hockey is not as easy as it looks.

Dal's Ground Hockey team played the last game of their regular season Wednesday at Acadia, and came home with the league trophy which Acadia had held for the last three years.

The game was played on a very | the score at 1-1. The rest of the wet field and Acadia, playing with game was scoreless. plenty of spirit, kept control of the This game, however, will not be play for most of the first half. How-

the last of the season, because a sudden-death intramural competition will be staged, which will give the seniors a last fling and will provide an opportunity for some new players to get out and see what they can do.

AFTERMATH

In the dressing room after the game a shocking incident occurred when Janet Sinclair found-hiding behind the collar of her blouse-a mouse! Half of the team jumped up on the benches, while the other half went hotly in pursuit of the mouse, which took refuge under a radiator. (Editor's note: It is a question of who was more frightened the mouse or the girls.)

Volleyball Team Tryouts Held

Tryouts for the girls' Varsity Volleyball team were begun last week, and will continue for the next two weeks. About 25 hopefuls have attended each practice and the team looks as if it will be a good one.

This year the Intercollegiate tournament will be held at Mount Allison University on the weekend of the 28th and 29th of November. Teams represnting Mount A, UNB, Acadia and Dal will vie for top honors, won last year by Mt. A. The tournament will be run off on a round robin basis and in the case of a tie, a sudden death final will be played.

The physicial education instructress has asked that all girls interested come to the practices. She would like to have two teams, the second to play against the Varsity team. A small tournament between the two teams, and exhibition games have been arranged with QEH, St. Pat's and Acadia.

CAREER **OPPORTUNITIES**

The Proctor & Gamble Co. of Canada Ltd. will have employment opportunities for graduating students in the following fields.

BUYING	ADVERTISING
SALES	FINANCE
OFFICE MANAGEMENT	TRAFFIC

A carefully supervised program enables our trainees to learn on the job and advance quickly to responsible positions. All executive positions are filled from within the Company, thus a steady supply of talented young men is needed to fill such positions created by constant expansion.

Interviews will be held for students graduating in Commerce, Arts, Science and Law on

TUESDAY, NOVEMBER 18, 1958

For appointment, see your Placement Office

Liz Cogswell-I saw about 20

people in front of me, but no ball. Gavin Rainnie-That ball is hard! Linda Rood-Did you se him jump? Could they ever hit that ball. Gerry Irwin—Those girls are too rough for me.

Dalcom Dance To Aid Berman Scholarship Fund pression a Memorial Fund Dance at the Dalhousie Gymnasium, Friday,

One year ago, the hearts of Dalhousie students, and, indeed of all who had known Professor Bill Berman, were saddened by his premature death at the age of 37.

In appreciation of his tireless efforts to afford his students the realization of value in achievement, the Dalhousie Commerce Company set up a fund to provide a Wilfred Berman Memorial Scholarship Prize, for that student with the

November 14.

All students are urged to attend this dance, which promises to be a particularly enjoyable one. Les Single and his ten piece orchestra will be providing the music from 9 to 1. By being present en masse, you will not only have an evening of pleasure but aid an extremely of pleasure, but aid an extremely

Dutch Theologian Visits Campus

Dr. Ellen Flesseman, noted Dutch theologian arrives in Halifax today, Wednesday the 12th, for a week long visit on the Dalhousie-King's campus.

Dr. Flessman received her Doctorate in Classics from the Uni-versity of Amsterdam in 1937. After her marriage she and her husband came to the U. S. A. where she
