The copy filmed here has been reproduced thanks to the generosity of:

Library of the National  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Le bibliothèque des Archives  
nationales du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## BY-LAW No. 9.

A By-Law to regulate the proceedings in the Municipal Council of the Corporation of the city of Winnipeg, and the officers and committees thereof.

Passed on 6th April, 1874.

Amended by By-Law No. 123, on May, 3rd 1880.

By-Law No. 123 repealed by By-Law No. 131, on 17th January, 1821.

WHEREAS, it is expedient to pass a By-Law to regulate the proceedings in Municipal Council, and in Committees of the Municipal Council of the Corporation of the city of Winnipeg, and to define the duties of the several officers of said Corporation, and the manner in which said duties shall be fulfilled.

Therefore, the Municipal Council of the Corporation of the city of Winnipeg in Council assembled, enacts as follows :

### MEETINGS AND ADJOURNMENTS OF COUNCIL.

1. That in all the proceedings had or taken in the Municipal Council of the city of Winnipeg, the following Rules and Regulations shall be observed and shall be the rules and regulations for the order and dispatch of business in the said Council, and of the committees of the said Council, and shall define the duties of the officers and servants of the said Corporation, when not otherwise provided for.
2. That the Council shall meet every Monday in the year, at the hour of seven o'clock in the afternoon, unless otherwise ordered by special motion, or unless such Monday shall be a public holiday according to law, when the Council shall meet at the same hour on the next following Monday, which shall not be a public holiday.
3. That unless there shall be a quorum present in half an hour after the time appointed for the meeting of Council, the Council shall then stand absolutely adjourned until the next day of meeting, unless a special meeting be duly called in the meantime.
4. That the Council shall always adjourn at the hour of eleven o'clock, p.m., if in session at that hour, unless otherwise determined by a vote of two-thirds of the members present.

5. That the members of the Council shall not leave their places on adjournment, until the Mayor, or other presiding officer, leave the chair.

6. That as soon after the hour of meeting as there shall be a quorum present, the Mayor shall take the chair, and the members shall be called to order.

7. That in case the Mayor shall not be in attendance, the clerk shall call the meeting to order, until a chairman shall be chosen, who shall preside until the arrival of the Mayor.

8. That in the absence of the Mayor, one of the Aldermen present shall be chosen to preside, and shall take the chair and preside, during the absence of the Mayor, and at the meeting only at which he has been so chosen.

9. That immediately after the Mayor or other presiding officer shall have taken his seat, the minutes of the preceding meeting shall be read by the clerk, in order that any mistake therein may be corrected by the Council.

10. That the Mayor, or other presiding officer shall preserve order and decorum, and decide questions of order, subject to an appeal to the Council. The decision of the Mayor or other presiding officer shall be final, unless reversed by a vote of two-thirds of the members present, without debate.

11. That when the Mayor or other presiding officer is called on to decide a point of order or practice, he shall state the rule or authority applicable to the case, without argument or comment.

12. That the Mayor or other presiding officer may vote with the other members on all questions, and any question on which there is any equality of votes shall be deemed to be negatived.

13. That if the Mayor or other presiding officer desires to leave the chair for the purpose of taking part in the debate, or otherwise, he shall call one of the Aldermen to fill his place until he resumes the chair.

14. That every member, previous to his speaking to any question, or motion, shall rise from his seat uncovered, and shall address himself to the Mayor, or other presiding officer.

15. That when two or more members rise at once, the Mayor or other presiding officer shall name the member who first rose in his place, but a motion may be made that any member who has risen "be now heard," or "do now speak."

16. That every member who shall be present when a question is put, shall vote thereon, unless the Council shall excuse him, or unless he be personally interested in the question, provided such interest is resolvable into a personal pecuniary profit, or such as is peculiar to that member, and not in common with the interests of the citizens at large, in which case he shall not vote.

17. That when the Mayor, or other presiding officer is putting the question, no member shall walk across, or out of the room, nor make any noise or disturbance, nor when a member is speaking, shall any other member interrupt him, except to order, nor shall pass between him and the chair.

18. That a member, called to order, shall sit down unless permitted to explain, and the Council, if appealed to, shall decide on the case, but without debate ; if there be no appeal, the decision of the Mayor, or other presiding officer shall be submitted to.

19. That no member shall speak disrespectfully of Her Majesty the Queen, nor of any of the Royal Family, or of the Governor-General, Lieutenant-Governor, or person administering the Government of the Dominion, or of this his Province, nor shall he use any offensive words against the Council, or against any member thereof, nor shall he speak beside the question in debate, and no member shall reflect upon any vote of the Council, except for the purpose of moving that such vote be rescinded.

20. That any member may require the question or motion in discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.

21. That no member shall speak more than once to the same question, without leave of the Council except, in explanation of a material part of his speech, which may have been misconceived, but then he is not to introduce new matter. A reply is allowed to a member who has made a substantive motion to the Council, but not to any member who has moved an order of the day, an amendment, the previous question, or an instruction to a committee, and no member, without leave of the Council, shall speak to the same question or in reply, for longer than a quarter of an hour.

22. That upon a division of the Council, the names of those who vote for, and those who vote against the question shall be entered upon the minutes, when any member shall call for the yeas and nays.

23. That questions may be put to the Mayor, or other presiding officer, or through him to any member of the Council, concerning any bill, motion or other matter connected with the business of the

Council, or the affairs of the city, but no argument or opinion is to be offered, nor any facts stated except so far as may be necessary to explain the same, and in answering any such questions a member is not to debate the matter to which the same refers.

24. That when the doors shall be directed to be closed, all persons except the members and the clerk shall retire.

#### ORDERS OF THE DAY.

25. That the clerk shall have prepared, or printed, for the use of members, "The General Orders of the Day," containing :

- 1st. Reading of Minutes and confirming the same.
- 2nd. Original Communications.
- 3rd. Petitions.
- 4th. Reports of Committees.

26. That the business shall in all cases be taken up in the order in which it stands, upon the "General Orders of the Day" unless otherwise determined upon by a vote of two-thirds of the members present, and without debate thereon.

#### MOTIONS AND ORDER OF PUTTING QUESTIONS IN COUNCIL.

27. That no new matter, other than bringing up petitions, reading communications, and matters of privilege, or recommendations of committees shall be introduced, without notice of motion having been given of the same at a previous meeting of the Council; and no motion shall be discussed, unless such notice has been given, or the Council dispense with such notice by a vote of two-thirds of the members present, without debate.

28. That all motions shall be in writing, and seconded, before being debated, or put from the chair. When a motion is seconded, it shall be read by the Mayor, or other presiding officer, or clerk, before debate.

29. That after a motion is read by the Mayor, or other presiding officer, or clerk, it shall be deemed to be in possession of the Council, but may be withdrawn at any time before decision or amendment with permission of the Council.

30. That a motion for commitment until it is decided, shall preclude all amendment of the main question.

31. That a motion to adjourn shall always be in order, but no second motion to the same effect shall be made until after some intermediate proceeding shall have been had.

32. That when a question is under debate, no motion shall be received, unless to commit it ; to amend it ; to lay it on the table ; to postpone it ; to adjourn ; or to move the previous question.

33. That the previous question, until it is decided, shall preclude all amendment of the main question, and shall be put without debate, in the following words, " That this question be now put," and if this motion be resolved in the affirmative, the original question is to be put forthwith, without any amendment or debate.

34. That all amendments shall be put in the reverse order in which they are moved, except in filling up blanks, when the longest time and the largest sum shall be put first ; and every amendment submitted shall be reduced to writing, and be decided upon or withdrawn before the main question is put to the vote. That all motions for the appointment of any member of the Council, or of any other person, to any office in the gift of the Council shall preclude any amendments.

35. That when the question under consideration contains distinct propositions, upon the request of any member, the vote upon each proposition shall be taken separately.

36. That after any question is finally put by the Mayor, or other presiding officer, no member shall speak to the question, nor shall any other motion be made until after the result is declared ; and the decision of the Mayor, or other presiding officer, as to whether the question has been finally put, shall be conclusive.

37. That whenever the Mayor, or other presiding officer, is of opinion that a motion offered to the Council, is contrary to the rules and privileges of the Council, he shall apprise the members thereof immediately, before putting the question thereon, and quote the rule or authority applicable to the case, without argument or comment.

38. That members shall always take their places when any division is called for.

40. That previous to discussion on any By-Law or Report in committee of the whole, the same shall be read out by the clerk, who, on the request of any member shall repeat the reading of any clause, or clauses therein, as may be desired by such member.

41. That the rules of the Council shall be observed in committee of the whole, so far as may be applicable, except that no motion shall require to be seconded, nor shall a motion for the previous question, or for any adjournment be allowed, and in taking the yeas and nays, the names of members shall not be recorded, nor shall the number of times of speaking on any question be limited.

42. That questions of order, arising in committee of the whole, shall be decided by the chairman, subject to an appeal to the Council, and if any sudden disorder should arise in the committee, the Mayor, or other presiding officer, will resume the chair without any motion being put.

43. That on motion in committee of the whole to rise and report, the question shall be decided without debate.

44. That a motion in committee of the whole to rise without reporting, or that the chairman leave the chair, shall always be in order, and shall take precedence of any other motion. On such motion debate shall be allowed, and on an affirmative vote the Mayor, or other presiding officer, shall resume the chair and proceed with the next order of business.

48. That any by-law for the appropriation of money, brought in on the report of a committee of the whole, shall pass through all its stages, without being again referred to a Committee of the Whole.

49. That in proceedings in committee of the whole upon by-laws, every clause shall be considered in its proper order.

50. That all amendments made in committee of the whole, shall be reported by the chairman to the Council, who shall receive the same forthwith; after report, the by-law shall be open to debate and amendment before it is ordered for a third reading; when a by-law is reported without amendment, it is forthwith ordered to be read a third time, at such time as may be appointed by the Council.

51. That all by-laws, after having been printed, and finally adopted by the Council shall be passed and bound up, and shall have an index prepared for the same.

52. That every petition, remonstrance or other written application intended to be presented to the Council must be fairly written or printed on paper or parchment, and signed by at least, one person, and no letters, affidavits, or other documents shall be attached to it.

53. That every petition, remonstrance, or other written application, may be presented to the Council, by any member thereof, not signing or being a party to the same, on any day, but not later than the hour at which it would come up in the order of business, except on extraordinary occasions, and every member presenting any petition, remonstrance, or other written application to the Council, shall examine the same, and shall be answerable that it does not contain any impertinent or improper matter; and that the same is respectful and temperate in its language; he shall also endorse thereon the name of the applicant, and the substance of such application, and sign his name thereto, which endorsement only shall be read by the Mayor, or other presiding officer, or clerk, unless a member shall require the reading of the paper, in which case the whole shall be read.

54. That all petitions or other written communications on any subject within the cognizance of any standing committee, shall on presentation be referred by the Mayor, or other presiding officer, to the proper committee, without any motion; and no member shall speak upon, or shall any debate be allowed on the presentation of any petition or other communication to the Council; but any member may move that in referring said petition or other communication, certain instructions may be given by the Council, or that the said petition or communication be referred to a special committee, and if the petition or communication complains of some present personal grievance requiring an immediate remedy, the matter contained therein may be brought into immediate discussion, and be disposed of forthwith.

55. That any member may move to take up or refer any communication or petition made or presented to the Council during the year in which such motion is made, or during the year next proceeding such year, and whether such communication or petition has been referred to a committee and reported on or not; but no motion shall be in order to take up or refer a communication or petition made or presented at any time before the commencement of the year next proceeding such motion.

#### APPOINTMENT AND ORGANIZATION OF COMMITTEES.

103. That in case the committee has reason to believe that any member of the Council or officer of the corporation is interested in any account presented for the approval of such committee it shall be the duty of such committee to withhold a certificate, and to give the parties interested, or supposed to be interested in the

104. That the chamberlain, for the convenience of parties, shall provide printed forms for the necessary certificates and declarations, such forms being subject to the approval of the standing committee on finance and assessment.

108. That no contractor or other person found by the city engineer, or person in charge of the engineer's department, or by any committee of the Council or declared by a resolution of the Council or ascertained by a judicial decision, to have been guilty of defrauding, or of attempting to defraud the city shall again be employed in any capacity on behalf of, or receive any contract from the city, without the express sanction of the Council.
