The Clerk having declared Doctor M^{*}Aulay, duly elected, he was led to the Chair by Mr. Nelson, and Mr. Murray, whereupon he said. "Gentlemen,

"I return you my best thanks for the honor you have done me in voting me your Speaker. I intreat of you, (as I hope) that you will aid my slender abilities to support the Order, Rules and Dignity of the House."

The House having informed His Excellency, that it had made choice of a Speaker, a Message was sent down by the Usher of the black Rod, as follows, announced by the Sergeant at Arms, viz.

" A Message from His Excellency the the Lt. Governor."

The Gentleman Usher of the Black Rod appeared at the Bar, and said,

"His Excellency the Lieutenant Governor commands the immediate attendance of this Honorable House in the Council Chamber: the House attended accordingly with its Speaker at its Head, when the President of His Majesty's Council addressed the House as follows,

"Gentlemen of the House of Assembly,

"I am to acquaint you, by His Excellency's Command, that His Excellency is perfectly well satisfied, with the choice you have made of Angus M'Aulay, Esqr. to be your Speaker, and therefore His Excellency doth allow of, and confirm you Angus M'Aulay, Esq. to be Speaker of the House of Assembly."

The Speaker then addressed His Excellency as follows, viz.

"May it please your Excellency, "As you have had the Goodness to approve of the choice of the Lower House of Assembly in appointing me to be its Speaker, it now becomes my duty, as such, to request of your Excellency, as the privilege of the House, that the Members thereof, during the Session, may be freed from molestation, that they may have freedom of Speech in their Debates, have the power of pumishing their own Members—have free and easy access to your Excellency on all occasions; and I do also in their name and behalf beg leave to claim all their ancient Rights and Privileges."

The President of His Majcsty's Council, then replied in the following words, viz.

" Mr. Speaker,

"I am commanded by His Excellency to say, that His Excellency being fully assured of the prudence, loyalty, and good affections of the House of Assembly, does most willignly grant to them all their privileges in as full a manner as

they have at any time been granted or allowed by His Excellency, or any former Governors of this Island."

The House having returned Mr. Speaker reported, that when the House attended this day in the Council Chamber His Excellency the Lieut. Governor was pleaed to deliver the following Speech to both Houses of the Assembly, of which Mr. Speaker said he had to prevent mistakes, obtained a Copy, which he read and delivered in at the Clerk's Table, and is as follows, viz.

" Mr. President and Gentlemen of His Magesty's Council,

" Mr. Speaker, and Gentlemen of the House of Assembly,

MY first wish in meeting you in a new General Assembly, is to express my readiness to co-operate in Measures for the advancement of the welfare of the Island :- feeling it at the same time incumbent upon me most seriously to recommend attention to such essential points, to the utter exclusion of all party spirit, or personal animosity. Proclamation or other notice having given perfect publicity to the gracious decision of His Royal Highness the Prince Regent, on the subject of the Quit Rent due to the Crown, it is unnecessary for me at present to do more than to remark, on the great bounty of His Royal Highness, in establishing so reduced a Scale of payment, as he has been pleased to adopt, and to observe on the great advantage thus arising to property out of a definitive arrangement of any kind, having been brought to a conclusion

" The severe affliction he has experienced in the decease of Her Royal Highness the Princess Charlotte Augusta, consort of His Royal Highness Prince Leopold of Saxe Cobourg, with all its melancholy circumstances, has been nationally sympathised in and deplored throughout the British Dominious. Ł cannot better divert your attention from so mournful a subject than by calling it to the matters of congratulation afforded by the Nuptials of His Royal Highness the Duke of Clarence with the Princess Adelaide of Saxe Meinengen, eldest daughter of the reigning Duke of Saxe Meinengen. Let it be mentioned here with peculiar interest, of His Royal Higness the Duke of Kent, with Victoria Maria Louisa, consort of the late Prince of Leinengen, (sister of the reigning Duke of Saxe Cobourg, and of His Royal Highness Prince Leopold of Saxe

4

Cobourg,)—of His Royal Highness the Duke of Cambridge with the Princess of Hesse, youngest daughter of the Landgrave Frederick, and Niece of the Elector of Hesse,—and of Her Royal Highness the Princess Elizabeth with the hereditary Prince of Hesse Hombourg: as I am pursuaded you will participate in the general satisfaction these events have occasioned.

"Mr. Speaker, and Gentlemen of the House of Assembly,

" I have directed the Public Accounts to be prepared and laid before you, and I am at all times desirous, that the state of the Revenue, and the detail of its expenditure, should be communicated in the most full and satisfactory manner.

" Mr. President, and Gentlemen of His Majesty's Council,

"Mr. Speaker, and Gentlemen of the House of Assembly,

"Sensible as you can be yourselves of how essential good Roods are to the improvement of any country, I have in addition to the exertion of the Statute Labour, caused certain sums of money, out of the existing small Revenue, to be appropriated to the formation of them, and nothing but its not having been as yet practicable to enter into Contracts for carrying the design into execution has prevented their application to the Service in question—I have only to regret that more powerful means are not at my disposal.

"I have real satisfaction in observing to you the increase of industry, and the consequent great improvement in Agriculture, which the abundant crops the Island has been blessed with, sufficiently testify-yielding the means of ample support for its own inhabitants, and affording a considerable surplus for expor-The important object of the tation. printing and publication of the Laws has been accomplished, and carried on up to the latest period possible, as the present edition contains all the Acts which passed, even during the last Session; but it is necessary to specify that those which passed in the Session concluded in January, 1814, are the latest which have received the Royal Allowance.

"Whatever your collective wisdom may suggest either as to the enactment of new Statutes, or to the amelioration of existing ones, shall be met on my part with very calm consideration—pure constitutional principles and an carnest desire to do good and hinder evil."

Samuel Nelson, Esqr. moved that Mr. James Bagnall, be appointed Clerk to this House.

- " To His Excellency CHARLES DOUGLASS SMITH, Lieutenant Governor and Commander in Chief, in and over his Majesty's Island Prince Edward, and its Dependencies, &c. &c. &c.
- "The Address of the Lower House of Assembly, of Prince Edward Island, in General Assembly, convened,

" May it please your Excellency,

" TYE his Majesty's dutiful and loyal Subjects the Representatives of Prince Edward Island, in General Assembly convened, beg leave to thank your Excellency for your Speech at the opening of this new Assembly. We Highness the Prince Regent on the me-

lancholy circumstance which has taken place in the decease of Her Royal Highness the Princess Charlotte Augusta, consort of his Royal Highness Prince Leopold of Saxe Cobourg,---we join in that lamented event with the sympathetic feelings of every loyal heart, which have already been so deeply felt and expressed by the Inhabitants of this Colony, for the irreparable loss of such exalted virtue departed, whereby the chief hope of the nation was for a time disappointed; but from that mournful scene, in conjunction with your Excellency, we turn with pleasing satisfaction to the information communicated to us by your Excellency of the Nuptials of his Royal Highness the Duke of Clarence with the Princess Adelaide of Saxe Meinengen, eldest daughter of the reigning Duke of Saxe Meinengen, and it is with peculiar interest we learn that his Royal Highness the Duke of Kent, who is known and beloved throughout his Majesty's cis-Atlantic Colonies for the numerous benefits and attentions which have been experienced from his Royal Highness, has entered into marriage with Victoria Maria Louisa, consort of the late Prince (sister of the reigning of Leinengen, Duke of Saxe Cobourg, and of his Royal Highnesss Prince Leopold of Saxe Cobourg,) of his Royal Highness the Duke of Cambridge with the Princess condole most sincerely with his Royal of Hesse, youngest daughter of the Landgrave Frederick, and niece of the

Elector of Hesse, and of her Royal Highness the Princess Elizabeth with the hereditary Prince of Hesse Hombourg.

"We are particularly thankful to your Excellency, for the expression of your readiness to co-operate with us in measures for the advancement of the welfare of this Island, and we assure your Excellency, that nothing shall be wanting on our parts, to effect such measures as may conduce to that end, without suffering our deliberations to be retarded, cither by party spirit, or personal animosity, of which your Excellency appears to be apprehensive. The gracious bounty of his Royal Highness the Prince Regent, and his determination to reduce the Quit Rents exigible in this Island, has been received with such sentiments by all ranks of Proprietors here, that while it has enhanced their gratitude has more firmly cemented their attachment to the Person and Government of our beloved and most gracious Sovereign; at the same time we regret that it becomes our duty to state to your Excellency that the measures which were adopted here during the last winter to enforce payment of his Majesty's Quit Rents upon the original or old Scale, have produced the most distressing effects, particularly upon the lower classes of the community, arising chiefly from the ruinous costs and expendes thereby incured, while it appeared to the Inhabitants of this Colony by your Excellency's Proclamation dated 1st October 1816, that there was to be "a fixed Scale" and a new rate of Quit Rent to commence.

"We thank your Excellency for ordering the Public Accounts to be prepared and laid before us, to which we shall pay all due attention, and hope that this Branch of the Legislature will at no distant period in common with our neighbouring Colomes, have a Constitutional controlling power over at least part of the Public Monies of this Island.

"We are so truly sensible of the want of good Roads that we shall heartily do all in our power for their improvement, and deeply lament that the efforts of two branches of the Legislature, during the last Session of the General Assembly held in this Island, failed in meeting with Excellency's concurrence, when vour they presented a Bill grounded as we understand on an Act now and for many years in force in the Province of Nova-Scotia, which has rendered the Roads excellent throughout that Province, and which Bill besides affording us Gaols in two of our Counties would have highly improved the Roads in the third.

"The Inhabitants of this Island, are infantely indebted to Providence for conferring upon them the blessing of an abundant crop this season, and we hope, that with honesty, frugality, and industry, it will be acknowledged by them with gratitude to that Supreme Being from whom all blessings flow.

"We are happy to learn from your Excellency that the very important object of Printing the Laws of this Island, has been accomplished, and we are confident that the benefits resulting therefrom will be generally felt.

"We also return your Excellency our sincere thanks for your determination to meet such Bills as may be laid before you during this Session with very calm consideration, pure constitutional principles, and an earnest desire to do good and hinder evil, as we are convinced such disposition in your Excellency, will best accord with the genuine principles of our incomparable Constitution.

"ANGUS M'AULAY,

Speaker.

" Assembly Room, Nov. 5, 1818."

On Motion of Mr. Cameron, seconded by Mr. Coffin, That a Message bc sent to his Majesty's Council to know at what time and place their Committee will be pleased to meet the Committee of this House on the subject of the Address to His Royal Highness the Prince Regent.—Ordereded accordingly.

Ordered, On Motion of Mr. M'Laren, seconded by Mr. Kelly, That the Secretary or his Deputy, be ordered to attend this House with the late Writ of Election and Returnsfor King's County, forthwith.

"The Lieut. Governor in reply to a communication presented on Saturday the 7th instant from the House of Assem-

Did the objection to receiving it arise out of personal feeling alone, he would have a pleasure, and even a pride in sacrificing it to maintain political union; but the question is far different, involving a constitutional principle of the first importance, and therefore a point that cannot possibly be conceded.

"The Lt. Governor trusts this matter will not interrupt the harmony he so much desires, and repeats to the House, the assurance of his unaltered, and unalterable disposition, to co-operate with them in measures for the public welfare. "To the Speaker,

Which left a Balance in the hands of the Treasurer on the 6th of November, 1818, of £1306 1 74.

The Committee had also under their consideration the Accounts of the Collector of Impost of Charlotte-Town up to the 1st August last, and the Accounts of the Collector of Richmond Bay up to 1st of October last, and also the Accounts of the Collector at Rustico up to 6th August, all of which appear to correspond with the credits in the Treas. rer's Account.

That the Committee consider it their duty to make some remarks as resulting from their, investigation of the Public Accounts,

There appears to be a sum of £172 7 7 expended under the head of Militia Services, for Adjutant General, Adjutants, and Clerks, and although your Committee are by no means inclined to make unnecessary remarks on Expenditures in this Department, yet in time of Peace, your Committee are of opinion that the largest portion of that, sum might have been employed to more public advantage on the impassable Roads and Bridges of the Colony.

There appears a sum of £98 18 4 under the head of Chief Overseer, and Deputy Chief Overseers of Roads, to have - been expended in that Department is 

single in the state of the state of the state

with the the state

and your Committee regret that only the sum of  $\pounds 937$  12 0 has been laid out on the Roads, Bridges, and Implements, for the sume, when our present Revenue was primarily intended to have been chiefly laid out thereon.

Under the heads of Contingent Expences there appears the sum of  $\pounds 54$  14 5 to the Honorable William Johnstone, and the further sum of  $\pounds 700$  to the Honorable Robert Gray, to have been expended in the causes of Hill versus Palmer, and the Attorney General versus Palmer.

Your Committee cannot consistent with their duty refrain from observing that they conceive these charges of a most extraordinary nature, and a misapplication of the public money.

Under the head of Foreign Mails your Committee are happy to observe that the Receipts in that Department are nearly adequate to the Expences attending the same; and your Committee have great satisfaction in observing that the Inland Mails have been discontinued, as the advantage arising therefrom was tuifing in comparison with the Expences thereby incurred.

Your Committee observe the sum of £77 19 1 has been laid out on the Wharf, in Charlotte-Town, within the above period, and conceive that this sum together with the extravagant Wharfage paid by the Public ought to have made more repairs and better improvements.

The sum of  $\pounds$ 40 8 4 appears to have been laid out on the Market House, and paid to the Clerk; your Committee

Mr. Speaker resumed the Chair,

Mr. Solicitor General Chairman of the Committee, Reported, That they had gone through the Bill paragraph by conceive that it is a great public convenience and hope that under proper Regulations, it may be so managed as to defray the expences attending its establishment in future.

And your Committee are astonished to find that the sum of  $\int 316 \ 3 \ 11$  has been issued from the Treasury, for which no Warrants appear, and which issue your Committee are decidedly of opinion is in direct violation of an Act of the General Assembly of this Island, passed in the 25th year of his present Majesty's Reign, intituled an Act to amend, render more effectual, and to reduce into one Act the several Laws made by the General Assembly, relative to the Duties of Impost upon all Wines, Rum, Brandy, and other Distilled Spirituous Liquors; and for allowing a Drawback upon all Wines, Rum, Brandy, and other Distilled Spirituous Liquors exported from this Island.

And your Committee lastly beg leave to remark that the monies raised by operation of the above recited Act have been the subject of much discontent and want of harmony in this Colony; and an alteration in that Act giving this House its share in the appropriation of that money, would in the opinion of the Committee conduce in a great degree to the prosperity of the Island, and most certainly would produce in the House a spirit of liberality to meet the future exigencies of the Government.

Mr. Speaker resumed the Chair,

Mr. Cameron Chairman of the Committee reported, That they had agreed Resolutions, and that the to several Committee had directed him to ask when the House would be pleased to receive their Report,

Ordered, That it be now received.

Mr. Cameron, Reported the Resolutions to the House which were read and are as followeth, viz.

I. Resolved, That the unnecessary extension of the sitting of his Majesty's Supreme Court of Judicature of this Island, during the time Chief Justice Tremlett, has presided in that Court, has been a severe grievance to his Majesty's Subjects in this Colony.

II. Resolved, That Trinity Term, 1814, continued for 52 days, and only 12 Jury causes, were tried in that Term : that Hilary Term, 1815, continued 39 days, and 15 Jury causes were tried in that Term; that Michaelmas Term, 1815, continued 17 days, and only 1 Jury cause was tried in that Term; that Hilary Term, 1816, continued 44 days, and only 11 Jury causes were tried in that Term; that Trinity Term, 1816, continued 21 days, and only 4 Jury causes were tried in that Term; that Michaelmas Term, continued 18 days, and only 2 Jury causes were tried in that Term ; that Hilary Term, 1817, continued 33 days, and 13 Jury causes were tried in that Term; that Trinity Term, 1818, continued 21 days, and 9 Jury causes were tried in that Term.

III. Resolved, That the duration of the Terms of the said Court in the times of the last and former Chief Justices, seldom exceeded eight days, and that they were often less than six days.

IV. Resolved, That the protracted Sessions of the said Court have encreased the expences attending Law Suits, and induced the regular Jurors to desert the Court in the midst of the Business, rather than submit to the intolerable and ruinous attendance requi- ed for obtaining Judgment in respect of

with amendments, which he read, and description have been too frequently resorted to, and injustice to the parties has been the consequence, which has created great discontent throughout this Colony; and no small degree of contempt for the Court.

> V. Resolved, That in consequence of Trinity Term, 1814, continuing through the whole month of July (in which month the Statue Labour is to be performed) many Jurors and Constables were fined for not performing their Labour, while they were obliged to give their attendance in the Supreme Court; and in that Term the said Chief Justice kept the Court open and stayed proceedings, from the 26th July, until the 11th August, to accomodate two of the Baristers, who asked of him, and obtained leave, to gut the Court alternately.

> VI. Resolved, That in Hilary Term, 1818, the said Chief Justice did on the 18th day of that Term, after all Causes fet down for trial had been heard on a request made by the Attorney General, in behalf of the Acting Receiver General of His Majesty's Quit Rent, agreed to keep the said Court open for the space of 41 days longer, and did so keep it open for that period in order to enable the said Acting Receiver General to accomplish certain proceedings in that Court, under the Act of this Island for recovery of Quit Rent, against various lands in this Island; which proceedings were in consequence effected in that Term, whilst the Legislature never contemplated the same as possible to be done within a shorter period than two Terms.

VII. Resolved, That by reason of the said last mentioned Term being so extended, the said Acting Receiver General in the next term, being Trinity, obtained Judgments against many valuable Tracts of Land for alledged arrears of Quit Rent on the old Scale, and while a new Scale was generally expected-That under these Judgments so improperly and rapidly obtained, many extensive and valuable Estates would in all probability have been sacrificed, and several of them before the non-resident owners could be apprised of the Proceedings taken, and that impending ruin of these Estates by bringing them prematurely to sale, was only prevented by the most gracious Act of His Royal Highness the Prince Regent, in lowering the Rate of Quit Rent, and ordering the Proceedings for the old Rate to cease.

VIII. Resolved, That the Costs incurred of them, whereby Talesmen of any seven Shillings sterling for one Year's arrear of Quit Rent, against various Town Lots in Charlotte-Town, amounting previous to the sale to the Sum of  $\neq 7$  12s. sterling each, reflects in the strongest manner on the Court which allowed the same.

IX. That the conduct of the said Chief Justice in the aforementioned Proceedings, in respect of Quit Rents, was oppressive, illegal, and a violent infringement upon the rights of property in this Island.

X. Refolved, That the Judgments of the faid Chief Juffice Tremlett, in the faid Supreme Court have been tardy, fluctuating, and indicifive, and his appointment to that high Office, has been and is a misfortune ro this Colony.

XI. That the faid Chief Juffice has brought contempt on his high judicial fituation in this Colony, by often fitting alone publicly to do the duty of an inferior Magiftrate or Juffice of the Peace, in recovering from Privates and others of the Militia, fines for alledged neglect of duty as fuch.

XII. That the faid Chief Juffice in the important duty of annually nominating three fit and proper perfons, one of whom to be chosen High Sheriff of this Island, (which nomination is by Law imposed in the Chief Justice,) has often exercifed the fame illegally by nominating perfons who could not he required to ferve nor be fined for refufing; and in particular the faid Chief Justice has acted contrary to Law, and shewn his total difregard to the wellfare and internal peace of this Colony by nomina. ting the prefent High Sheriff of this Island, James Jackson, Ehir. to fill that fituation, well knowing him to be a perfon who had in last Hilary Term, and before fuch nomination, been indicted and thereupon tried before him the faid Chief Justice, and found guilty of a most heinous Offence against the public Peace, committed while the faid Jame Jackson was in the Commission of the Peace.

XIII. Resolved, That for the reafons aforementioned, it is unadvifable that the Chief Justice fhould be any longer contained in his Office, which he hath proved himfelf at leaft incapable of filling with that dignity, learning, propriety and independece, which are indifpenfibly requifite in fuch Officer, and which the British Conftitution demands.

On Motion that the Report of the Committee be agreed to, it was carried *nem. con.*

dress to be presented to his Excellency the Lieut. Governor, praying that he would be pleased to suspend the Chief Justice of this Colony, from the exercise of his Office, until his Majesty's pleasure shall be known : Mr. Campbell, Mr. Worrell, and Mr. Cameron, were accordingly appointed for that purpose.

A Message from his Majesty's Council, by Mr. Desbrisay, their Clerk,

Mr. Campbell, from the Committee appointed to frame an Address to his Excellency the Lieut. Governor, praying that the Chief Justice, should be suspended until his Majesty's pleasure shall be known, Reported, the same to the House, which was read, and is as followeth, viz.
