## NORFOLK COUNTY'S SHARE OF LOAN

\$1,100,000 to be County's Quota—Campaign in Offing

## OTHER SIMCOE NEWS

### 'Flu Not Causing Panic—Most Attacks Comparatively Light

### PTE. L. M. FLAG KILLED

(From our own Correspondent) Simcoe, Oct. 16.—Mr. Finch, of Toronto, district organizer for the Victory Loan campaign, was in town yesterday in connection with organization preliminary to the launching of the Victory Loan campaign. He explains how headquarters arrives at an allotment for the various counties; stated that Norfolk's share this year will be \$1,100,000, or slightly more than was subscribed last year. He urged that a bond be a mortgage, and a first mortgage over all others. (2) That purchasing Victory Bonds was lending to the country, not to the government, as the latter had no lease of life. (3) That even were the war ended now, it is essential to establish business credit, by way of loan in order to get a market for our produce.

Never Since the War Began His Honor Judge Bales, in introducing the speaker, observed that never since the war began had he attended any public or semi-public meeting under such happy auspices. A few weeks ago our men had their "backs to the wall." They had held on and kept faith with those at home, who in turn had provided food for the men over there and for their guns. The money raised last year helped to finance the success of our armies up to the present, and has kept the financial condition at home good. Continued success requires continued credit. He hoped for a magnificent response from Norfolk this year to assist in bringing the victory to a culmination in bringing our men home and getting the country back to conditions of peace.

Taylor Came Farther Edward Taylor is a county guest. He refused to respond to a summons served a fortnight ago in answer to a charge of stealing a few forkfuls of hay. The case was adjourned a week longer. Meanwhile Taylor and his family got out of the county. Chief Canning located them about Woodstock. The high constable of Oxford apprehended him, and the chief went up to assist him back to

MILK FOR SALE—The Simcoe Sanitary Dairy will give a reduction of five per cent for all cash purchases of milk tickets of one dollar and upwards made during the two weeks commencing August 17th, whether purchases are made at the office or from wagons. A32.

Simcoe. He got a remand from the magistrate's court. The Dominion Police found a man in town last week without the necessary papers on his person. He claimed to be a married man and was given a couple of days to produce his certificate. On Saturday he registered as a single man, 19 years of age. Yesterday he was apprehended and admitted to his housekeeper was not his wife. He failed to convince the magistrate that he was not evading military service or that he was ignorant of the law regarding registration. Mr. D. Kelly pleaded for his acquittal on the grounds that he had the necessary papers on his person yesterday when arrested, but to no avail. Ernest Kennedy will do less have papers on his person for some time now. He was engaged as a mechanic at the Chevrolet garage, and was looked upon as a married man.

Guess Where Harry Gerland will one of these days take his place behind the counter in a Robinson street store. This is a new departure for "Toot."

Dairy Merger The Simcoe Sanitary Dairy has purchased the city dairy business heretofore run by Fred Beaupre. The change took effect yesterday. The total service in the town is now under one management with a saving in delivery wagons and office help. This is a direct benefit to the public as well as to the management, and Mr. Swart, manager of the dairy, has decided to divide the profits with his patrons.

Pte. L. M. Flag was killed in action on October 1st, and his wife reached his home on Monday. Flag was a bandsman in the 133rd.

He was a son-in-law of J.W. Kitchen, of Metcalfe St., south, recently discharged from further service.

Pte. Robert Prentice, is also reported killed in action on Oct. 1st. He was single and a sergeant in the 133rd.

Wm. Cruikshank was able to leave his bed yesterday morning and was down town in the afternoon, though his demise was passed about town before noon. Simcoe has many

down with what very closely resembles the flu Grippé of the winter of 1931 but there are no grounds for outside rumors of wholesale disability in the town. The staff of almost every industry is somewhat affected, but every industry and business is carrying on.

As a matter of fact the talk about the epidemic is making well people unnecessarily nervous and perhaps some will get ill because they imagine they are unwell.

Most medical men claim that serenity of the patient has a deal to do with recovery and Dr. MacInnes, a physician of over half a century's practise when interviewed yesterday claimed that very possibly the progress of the malady was in part due to apprehension in the minds of a public already bearing a heavy nervous strain.

Spirits and Ointment Poisons. He condemned the use of alcohol and ointment as medicine. In over thirty-two years spent in charge of a hospital he had never found any use for alcoholic liquors. There were drugs for every purpose served by it, without its harmful effects, and ointment he said was of service only in liver trouble. At the same time the local supply of quinine is pretty well exhausted, and spirits are said to be hard to get.

Old Ends of News. It burning up leaves along the street and liberating large quantities of finely divided carbon into the air, has a purifying effect. Simcoe was the first of many localities, driving out the epidemic.

The last load of the 1918 corn crop passed over the scales yesterday. One car load of Norfolk grown flax left Simcoe east bound last week. The 4.30 car yesterday did not drop off a single evening daily at Simcoe. This was the first occasion since the opening of the service. The papers came later.

PLANNED TO WRECK CATHEDRAL. Paris, Oct. 15.—When allied troops entered St. Quentin they found that every pillar in the cathedral there had been excavated at level with the ground preparatory to placing explosives under them, according to the Liberte. The rapidity of the Allied advance prevented the Germans from carrying out their plans to destroy the edifice.

RESIGNATION OF M.H.O. NOT YET ACCEPTED Council Will Discuss Question at Special Session This Afternoon

The city council dealt very briefly with the resignation of Dr. F. G. E. Pearson, Medical Health Officer, at last night's meeting, owing to the pressure of other business, but will have a special session with the Board of Health this afternoon, to consider the question.

The emergency hospital is now prepared to accommodate 75 patients, according to a communication from T. J. Minnes, chairman of the Board of Health. Mr. Minnes asked the council to appoint a hospital committee to co-operate with the board.

Dr. Pearson wrote, tendering his resignation as Medical Health Officer, assigning his reason to the demands made upon his time by his private practise.

Ald. Mellen wished to know the cause of the doctor's resignation. If it were due to adverse criticism, an effort should be made to induce him to reconsider his decision.

Ald. Chalcraft supported this contention. He felt that the finance committee should approach the doctor in this regard.

Ald. Bragg declared himself opposed to accepting Dr. Pearson's resignation. He felt that the doctor was doing the city an injustice in resigning at such a time.

"We can't hold him if he wishes to resign," observed Ald. Baird. Mayor MacBride suggested that the finance committee confer with the Board of Health in the matter.

## REPORTED DEAD, STILL IS LIVING

Pte. E. E. Kitchen Wounded But is Expected to

Word was received here today by J. F. Kitchen, of the Kitchen Over-all Company, that his brother, Ward Kitchen, who was reported killed in action last week, had been wounded and admitted to hospital at Camiers with gunshot wounds in the chest. For several days Pte. Kitchen had been mourned as dead, and the official correction was received with joy by family and friends.

## Armed to the teeth

"Troops who travel alongside of them have their work cut out. General Currie seems to carry light railways in his pocket, and if the Canadians have to stop anywhere for a day or two, transportation facilities spring up behind them as if by magic. Germans will go miles out of their way to avoid the Canucks." CHARLES H. GRANTY, in N.Y. Times, Sept. 2, 1918.

The Canadian Army is fully equipped for War. Nothing that could help our army in their task is lacking. If this were not so, their great initiative and courage would avail them nothing. For this is "a mechanical war."

The Canadian Army as it stands to-day is a marvel of organization. In guns, in ammunition, in transport, in equipment for the grim work of war—for efficiency of man and beast—it lacks nothing. If a railroad is needed—one is immediately available. When the Canadian Army starts to move—the movement is accomplished with certainty and rapidity. When it attacks—there is no lack of ammunition. It has gas masks and aeroplanes of the latest and most efficient types.

The Canadian Army is a highly disciplined, efficient, thoroughly equipped engine of war. It unquestionably is—as the Hun very well knows—"armed to the teeth."

Canada's war loans have made the glory of the Canadian Army possible—they have been Victory Loans in fact, as well as in name.

It is unthinkable, is it not, that our men should lack any implement of war that money will buy!

It would be a greater shame than the mind cares to dwell on, that our men should suffer death or disaster—or just fall short of complete Victory, because we now hold back the money necessary to maintain their full fighting efficiency.

The money for the needs of our army will be provided by Canada's Victory Loan, 1918.

Canadians at home will see to that

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada

## Mr. Hoover "Citizen of Honour and Friend of the Belgian People" Pleads for the Belgian Children

Mr. Herbert Hoover, Food-Controller of the United States, has earned the title bestowed upon him by King Albert and the Belgian Government—"Citizen of Honour and Friend of the Belgian People."

The world knows what was accomplished under Hoover's administration before America's entrance into the War. In July of this year, he was in London in connection with his responsibilities as Food Controller, and took the opportunity to learn how things stood in Belgium.

So terribly serious are conditions there among the children that Mr. Hoover wrote an urgent plea, parts of which are quoted:

"On May 14th, 1917, I advised you of the financial arrangement with the United States Government whereby funds were provided for the general rationing of the civilian population of Belgium. . . . I stated my hope that the various committees of the Commission for Relief in Belgium that had already accomplished so much would hold together despite the new financial arrangement in order to support certain needed special charities. . . . It can be readily understood that in providing a general rationing for the whole nation the rigorous system necessary to handle such a great project can make little provision for special cases and for special needs. These cases, running into hundreds of thousands, of sick and defective children. . . . cannot be taken care of by the general funds. There is an increasing need for funds in these cases. The gifts are running low, and our last reports show that the soup lines of Belgium have increased from one-and-a-half to two-and-a-half million persons. . . . I wish particularly to remove any doubt as to the acceptability of contributions to the Commission for Relief in Belgium for the special purposes above indicated. . . . This transmission of money is absolutely guaranteed by virtue of an agreement between the belligerent Governments, the C. R. B. and the Neutral (Spanish and Dutch) protecting Ministers in Brussels."

Read between the lines of Mr. Hoover's letter to his associates, and you will realize the ever fresh tragedy of Belgium. You will see little babies, pinched with hunger, waiting in line for the bowl of soup and the two pieces of bread that form their daily ration.

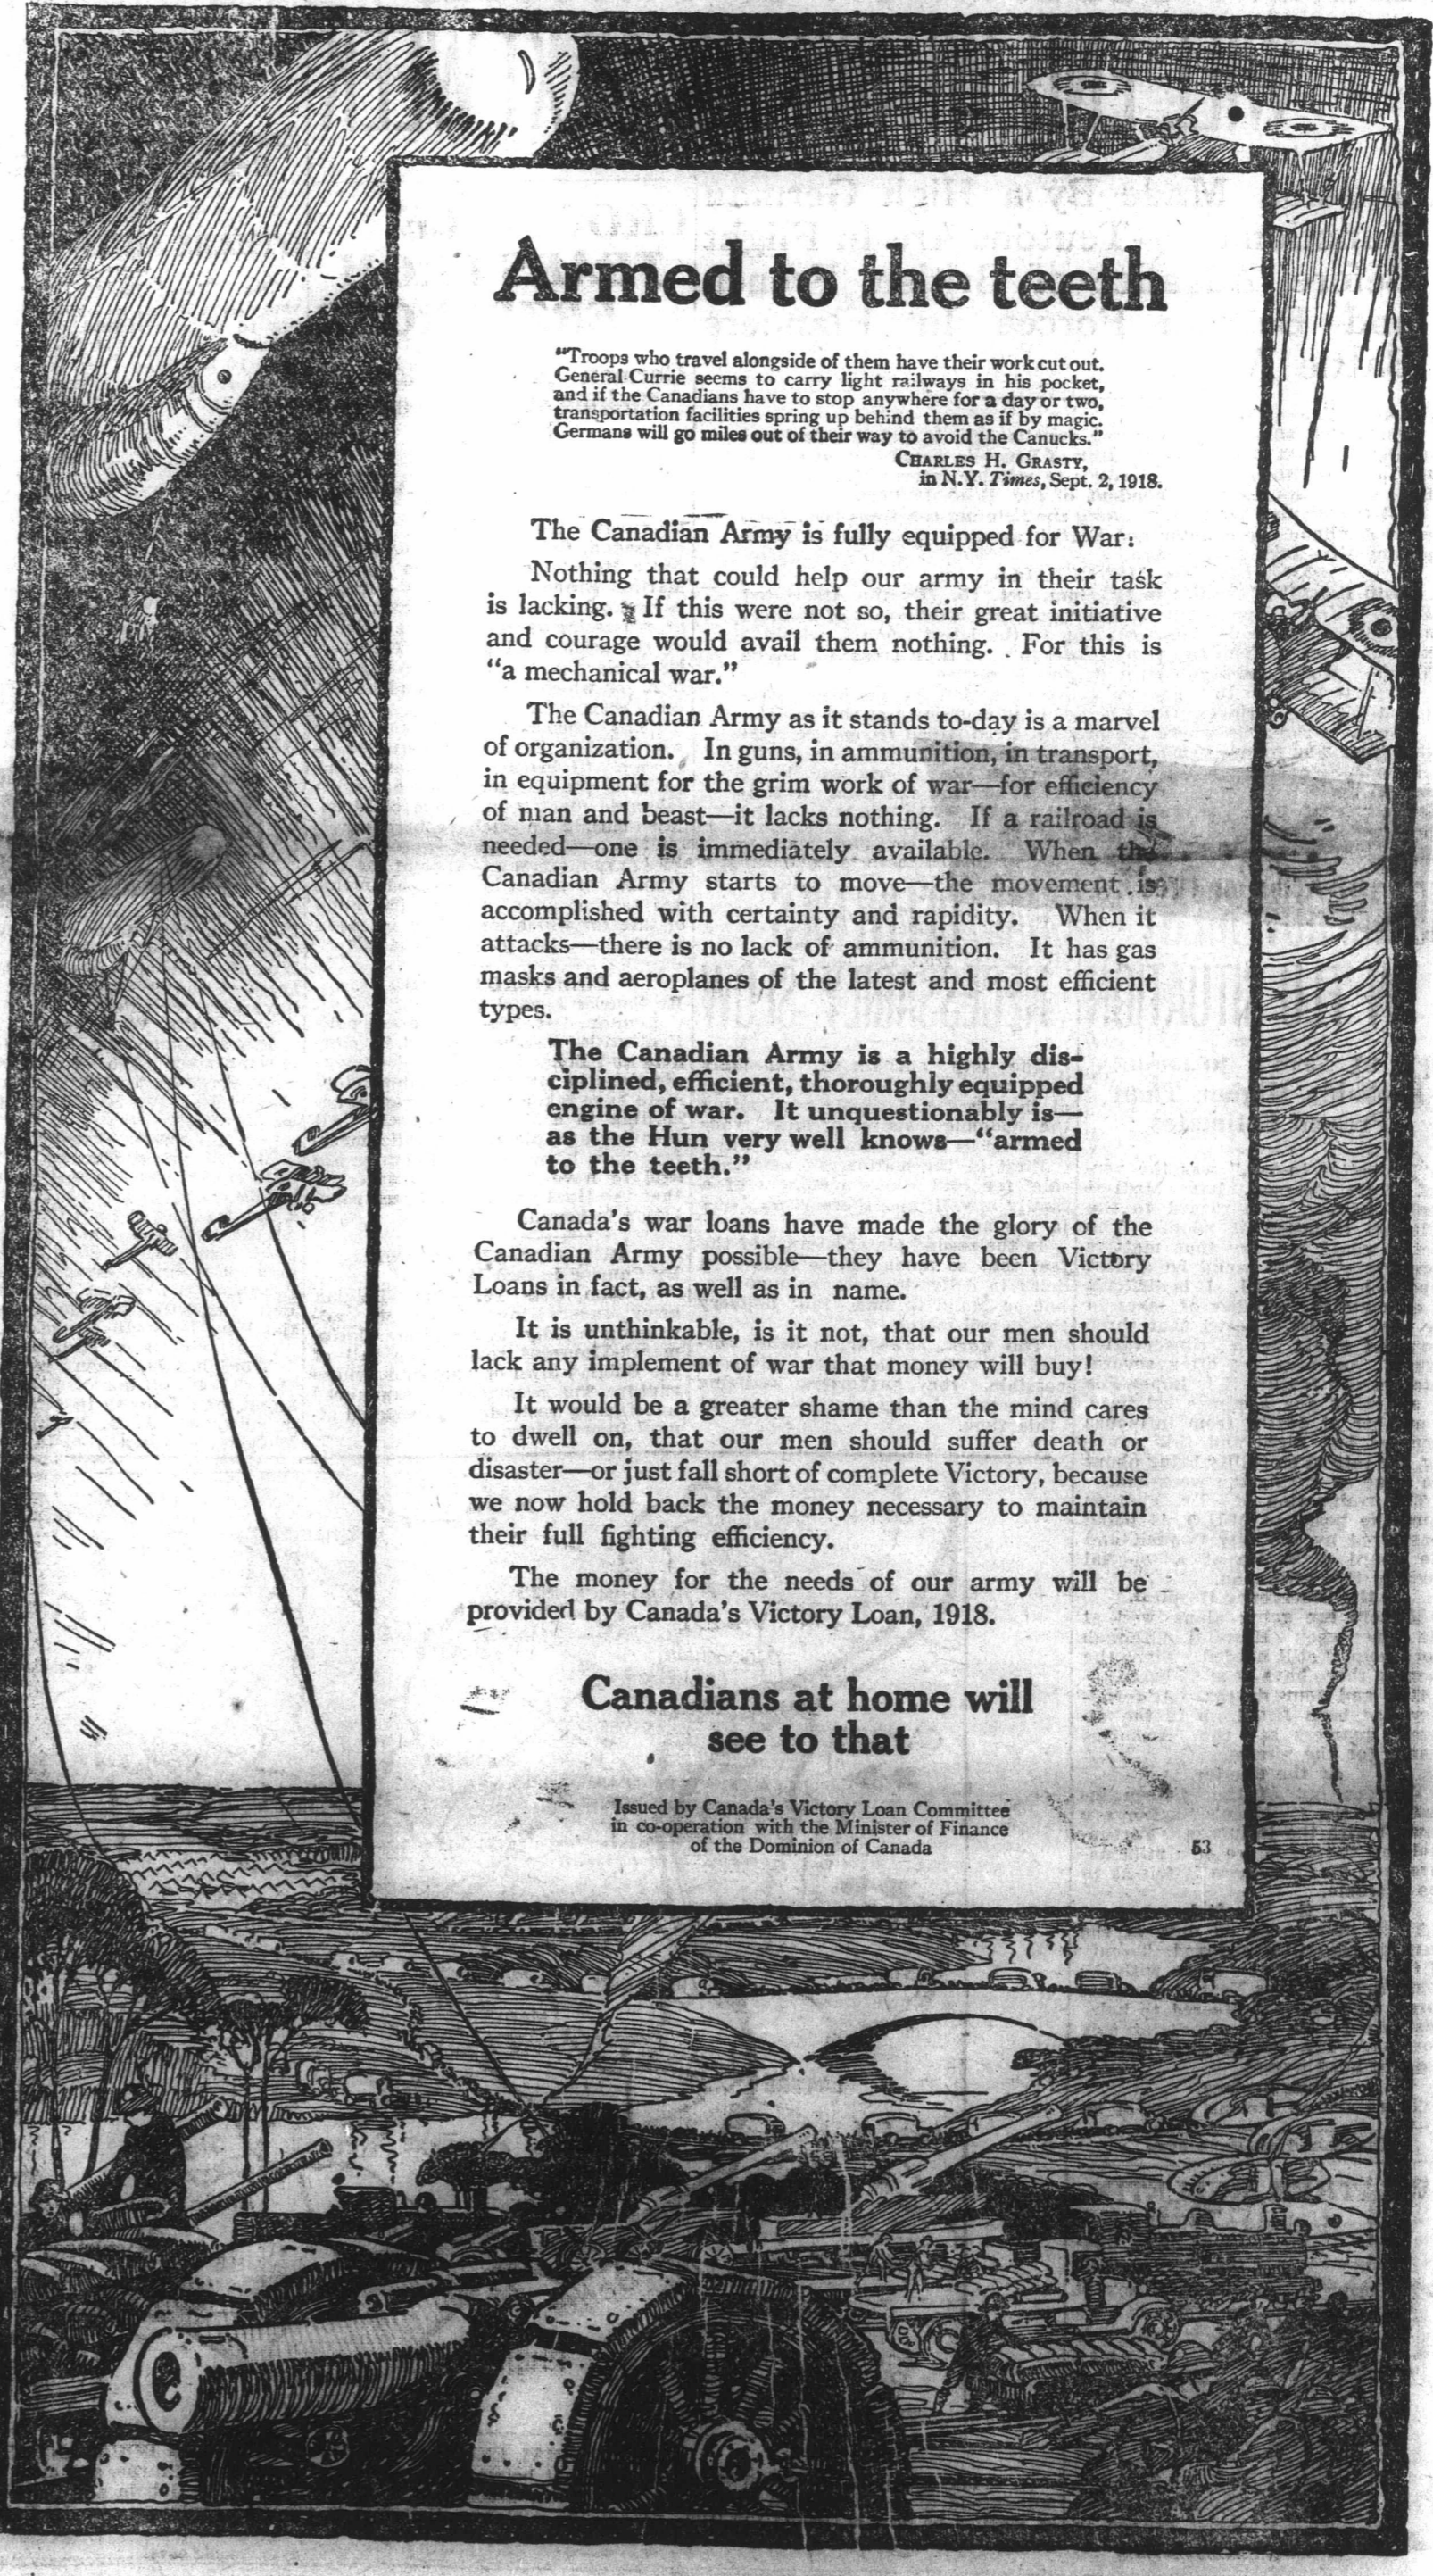

Think of it! Is it any wonder Consumption and kindred ills sweep through the stricken country, harvesting the starved orphans left behind by soldiers who died holding back the Hun in the first days of the War.

Put your sympathy into practical form. Don't shudder—and then do nothing! While you wait, children are dying. Be generous! Be quick!

THE COURIER
Published by the Brantford Courier Limited, every afternoon at Dalhousie Street, Brantford, Canada

THE SITUATION
The record from the Western front these days is simply one succession of German reverses.

Belgium, despite rainy weather which has turned the ground into a sea of mud, progress has been made on a wide front, and the important railway and road centres of Menin and Thourout have been taken.

Both Berlin and Essen there has been rioting, with cries of "Down with the War," and revolutionary songs. The police were powerless to control the mobs, and it is related that soldiers refused to fire upon the demonstrators.

AN OUTCAST
The unanimity with which civilized lands the world over have repudiated Germany's latest peace proposal, must have opened the eyes of the Hohenzollern outfit to the absolute and unmitigated abhorrence in which they and all their so-called principles are held.

The dewhiskered members of the Bolsheviks are commencing to get alarmed and have hastened to announce that they will release all the remaining British officials left in Russia.

"A Common Laborer" wants to know what prospect there is for him in this world or the next? "Your prospects are bright and they are getting brighter. Laborers are making more money than mechanics made up to four or five years ago.

### CONCERT CALLED OFF.

The monster concert which was to have been held last night by the Brantford and Regina I.O.F. was cancelled owing to Board of Health regulations.

### STILL IMPROVING.

Rev. J. N. H. Mills of the St. James' Anglican Church is to-day reported as in an improved condition. Yesterday he was considered in a critical condition, but has taken a turn for the better to-day.

### PIG PEN BURNS.

Yesterday afternoon about five o'clock a telephone call, stating that a house on Stanley street was on fire, took the attention of a long fruitless run. The conflagration, if such it might be called, was a pig sty, which was allowed to burn itself out.

### MATCH POSTPONED.

The postponement of the Provincial plowing match which was to have been held in Ottawa this week has been found necessary to check the spread of the flu epidemic. Several Indians from the reserve were purposing going to Ottawa to compete in the contest.

### "FLU" IN THE TOWNSHIP.

The "flu" has not been nearly so severe in the Township of Brantford as in the city. There are not nearly as many cases or deaths in proportion to the population as in the city. This is probably accounted for by the fact that the effects of influenza are weakened by a constant supply of fresh air.

### RUGBY TEAM AT WORK.

If lack of practice caused the defeat of the B.C.L. Rugby team last Saturday it will not have that effect in the game with Galt. Yesterday afternoon they held a lively practice at Agricultural Park, under the supervision of Coach Jack McKelvey. Under his able coaching the team will soon be rounded into non-losing shape.

### BUILDING PERMITS.

The following building permits were issued at the city engineer's office this morning: To H. J. Evans for the erection of an iron kitchen at 50 Alfred street, to cost \$70; A. G. Ludlow, for the construction of an addition to dwelling at 101 Murray street, to cost \$75; H. E. Larby, for the erection of a frame garage at 207 Rawdon street, estimated to cost \$80.

### WANT BAN LIFTED.

The Board of Health is in receipt of a letter from the Canadian Theatre Managers' Association, asking consideration for the management of the Grand Opera House in conditions that arise out of the closing of theatres. The communication points out that there is less danger of infection in a well ventilated and fumigated theatre than elsewhere, and requests that the order closing the theatre be rescinded.

### DIVISION COURT.

In the Court House this morning the Division Court met to hear several cases. The sitting was a lengthy one.

### GETTING BETTER.

The many friends of Mr. T. Hendry, who has been critically ill suffering from Spanish influenza will be glad to know that he now shows a marked improvement.

### RECOVERY HOPED FOR.

A cable received this morning from Pte. Messecar, by his parents, Mr. and Mrs. C. L. Messecar, Sheridan street, contains the tidings that, while his wound is bad, his doctor hopes for speedy convalescence.

### MORE ILL.

Two prominent men in the office of John S. Dowling are not to be found there at present owing to their illness with influenza. Mr. Joseph Dowling is improving, while Mr. Frank Blain is still in a serious condition.

### POLICE COURT.

In the police court this morning, John Toskowski was found guilty of the theft of \$386, and was remanded for a week for sentence. The charge against Frank Short of damage to property was dismissed, there being no ground for conviction. A case of non-support, in which Charles Anderson and his wife were involved, was settled.

## LOWER COUNTY'S OBJECTIVE FOR VICTORY LOAN

Brant's Quota Reduced from Four Million to \$3,500,000.00

### 'FLU' AFFECTS LOAN

Brant County's quota for the coming Victory Loan Campaign, which was at first set at four million, has been reduced to \$3,500,000. The "flu" has considerably hampered the operations and it has practically cancelled all meetings. For the coming campaign the County of Brant has been divided into seven canvassing districts, as follows: City of Brantford, town of Paris, Brantford, Brantford, South Dumfries, Oakland and Onondaga Townships. The board are at present busy discussing the quotas for each district and arranging committees. To each district that exceeds its quota a special honor flag will be presented. The flag has the national colors and across the upper corner nearest the staff are five stripes representing the fifth Victory Loan. On a white background the Canadian emblem is in full view, making a well balanced flag. The flag has been presented by His Excellency the Governor-General of Canada.

## TERRACE HILL RAILWAY WILL COST \$100,000

### By-Law to Raise That Sum Will Come up at Next Council Meeting

At last night's session of the city council, Ald. English gave notice of his intention to introduce at the next meeting of the council a by-law to raise by debentures the sum of \$100,000 to be submitted to the electors at the next January election, for the purpose of extending the street railway tracks in the Terrace Hill district.

Ald. English read a report from the city engineer estimating the cost of the construction of a street railway line to Terrace Hill at \$28,000 a mile. This is exclusive of equipment. The largest item is for steel rails, which are at present unobtainable, therefore the price estimated was an arbitrary one. The total cost of construction would likely be \$100,000.

### OBITUARY

(Continued from Page 1.)

fluenza at the School for the Blind. Pupils have not been allowed down town for a week. At the Mohawk Institute also the epidemic is light.

### MRS. HULBERT.

The death occurred last night of Mrs. Amanda Hulbert at the residence of her daughter, with whom she has been staying, at 28 Edward street. The deceased was a victim, after a short illness, of Spanish influenza. The funeral will take place Thursday afternoon to Mount Hope Cemetery.

### JOHN STEVENSON.

Death called an old resident of Brant County this morning, in the person of John Stone of his daughter, Mrs. Thos. Hill, at the corner of Charing Cross and Sydenham streets. The deceased was in his 72nd year, and was an earnest member of the Presbyterian Church. He was also prominent in I.O.O.F. circles. He came to Brantford from Paris some years ago. The funeral will take place on Friday.

### MRS. A. FEAST.

Mrs. Feast, relict of the late Alfred S. Feast, died this morning. The deceased had been ill for some time, and leaves two daughters and two sons, Mrs. A. E. Smith and Miss Kate Feast, of Eddy's drug store, W. R. Feast of Hamilton, and Fred of Baltimore.

### M. G. KENNY.

Another influenza victim was claimed this morning in the person of Milton G. Kenny at the emergency hospital. The deceased was aged 34 years and had made his home at 331 St. Paul's avenue. He was well known in athletic circles, having been a member of the old Alerts baseball team some years ago. Many friends will regret to learn of his demise.

### J. B. HAYMEN.

Spanish influenza was responsible for the death this morning at the Emergency Hospital of J. B. Haymen, son of Mr. and Mrs. John Haymen. The young man was aged 18 years and resided at 37 Mount Pleasant street. Funeral arrangements will be made later.

### HAROLD FOSTER.

Harold Foster, aged one year and six months, died this morning at the home of his parents, Mr. and Mrs. C. H. Foster, 25 Wallace street, another victim of the fatal malady, Spanish influenza. The funeral will take place on Friday afternoon at 4 o'clock to Mount Hope Cemetery.

### ALICE HELEN GOLDEN.

The death occurred at an early hour this morning of the little daughter of Mr. and Mrs. James Golden, of

### AUSTRIAN PREMIER TO QUIT.

By Courier Leased Wire  
Amsterdam, Oct. 15.—Dr. Wekele, the Hungarian premier, hinted in a recent speech that it was possible he would resign in the near future. It was in the course of this address that he stated that Hungary's attitude toward Austria had materially changed and that Hungary must be represented at the peace conference. He made it plain, however, that he did not mean that Hungary would conclude a separate peace.

### GAINS BY BRITISH.

By Courier Leased Wire  
London, Oct. 16.—Gains of ground by British patrols during last night in the Douai-Lille sector are reported by Field Marshal Haig in his official statement to-day.

### AMERICAN GAINS.

By Courier Leased Wire  
Washington, Oct. 16.—Substantial gains on both sides of the Meuse against stubborn resistance by a reinforced enemy was reported to-day by General Pershing in his communique for Tuesday.

### RE-ESTABLISH GUARANTEES.

By Courier Leased Wire  
Madrid, Oct. 15.—Constitutional guarantees have been re-established by the cabinet. There has been a modification of the rules of censorship by the Government. The cabinet has authorized the floating of a loan of 200,000,000 pesetas.

### ENGLISH TEXT PRINTED.

By Courier Leased Wire  
Paris, Oct. 16.—The original English text of President Wilson's reply to the German note was printed by The Temps yesterday. This is the first instance in which such a thing has been done by a French newspaper.

### RULERS OF GERMAN FEDERAL STATES CONFER WITH THE KAISER.

A despatch announces that Emperor William has called his royal colleagues to a conference in Berlin to talk over the reply which Germany will make to President Wilson's note. The Kaiser himself is King of Prussia. There are 25 Federal States altogether in the German Empire. Some of the other principal sovereigns not shown above are the Grand Dukes of Oldenburg and Saxony, the Dukes of Lippe, Saxe-Altenburg and Waldeck, and the two Princes of Reuss.

6 Alfred street. The little one, who was only ill a few days with influenza, was 18 months old, and an exceptionally bright child. The parents will have the sympathy of a host of friends. The funeral will take place Friday.

## COUNTY COUNCIL

Very little but routine business such as reading and dealing with communications, at the opening session of the quarterly meeting of the County Council, which opened in the Court House this morning.

A communication from the Brant Law Library Association, proposing the erection in the court room of a tablet in honor of the late Hon. A. S. Hardy, Premier of Ontario, was read. After some discussion it was decided to act with the Law Library Association in this matter. \$1,400 was ordered paid on account to the Brantford General Hospital. A grant was made to the Brant County Pet Stock and Poultry Association of \$25. The application of John Belysea, caretaker of the Court House, for an increase in salary was referred to the

Finance Committee. The prizes for winners at the 1918 Entrance examinations were ordered paid as follows: Girls—1, Anna Lloyd-Jones, Mohawk; 2, Nellie Pace, St. George; 3, Elizabeth Sugrue, Paris. Boys—1, Milton Pearl, Paris; 2, Chas. Ross, St. George; 3, Ashley Benson, St. George. The meeting then adjourned until the afternoon session.

### FIRES UNDER CONTROL.

By Courier Leased Wire.  
Duluth, Minn., Oct. 16.—The new forest fires at McGrath and White Pine and vicinity have been brought under control, accordingly to reports received here to-day.

**NEW AUSTRIAN CABINET?**  
By Courier Leased Wire  
Basel, Switzerland, Oct. 15.—Vienna newspapers announce that the Austrian Emperor has accepted the resignation of Baron von Husarek, the Austrian premier, and requested Count Silva Tarouca, minister of agriculture, to form a new ministry. This news has not yet been confirmed officially.

Mr. W. L. Hughes is a business visitor in Toronto to-day.

## WANTED!

**VOLUNTEER NURSES** for Tabernacle Hospital. Apply, Miss McNeill, 64 Alfred St. Phone 1683 or 559.

# Ontario Emergency Volunteer Health Auxiliary WANTED, VOLUNTEERS!

The Provincial Board of Health, with the authority of the Government of Ontario, has organized an "Ontario Emergency Volunteer Health Auxiliary" for the purpose of training and supplying nursing help to be utilized wherever needed in combating the Influenza outbreak. A strong executive has been formed in Toronto. It is strongly recommended that each municipal council and local Board of Health, working in co-operation, take immediate steps to form a local branch of this organization. The Volunteer Nurses will wear the officially authorized badge "ONTARIO S. O. S." (Sister of Service). This "S. O. S." call may be urgent. Classes taking lectures are already opened in the Parliament Buildings, Toronto—Private Bills' Committee Room, ground floor—where they will be carried on every day at 10 a. m. and 3 p. m. until further notice. Young women of education are urged to avail themselves of this unique opportunity to be of real service to the community. If they are not needed so much the better. If they are needed we hope to have them ready. All towns and cities are urged to organize and prepare in a similar manner.

A Syllabus of lectures is being sent to the Medical Officer of Health of all cities and towns. Further information may be had on application to John W. S. McCullough, M. D., Chairman of Executive, Parliament Buildings, Toronto, Telephone Main 5800.

COUNCIL ORDERED

Continued From Page One

retorted Mr. Spence. "I will allow no man to blackguard me as Mayor MacBride did over the telephone on Saturday, especially as there is no ground for it."

He reiterated his statement of two weeks ago, to the effect that the Mayor had not offered to obtain coal through the Patriotic Fund until September.

"The statement has been made to-night," continued Mr. Spence, "that the agreement of August 22 was the first made with the city. As a matter of fact, Mr. Kirby of the fuel commission had the full list of soldiers' wives in his possession two months before that time, and when the list was sent back to the Patriotic Fund we were informed that the city would be obliged to charge \$11.50 a ton."

F. W. Thompson. Ald. Harp asked that Mr. Thompson be heard. Mr. Thompson corroborated Mr. Spence's statement in every regard. He asked Mr. Kirby if he (the latter) had not had the list of soldiers' wives in his possession for some two months before August 22.

Mr. Kirby replied in the affirmative. Mr. Thompson explained that it had been found necessary to revise the list owing to the number of changes of addresses. He stated that as early as April the Patriotic Fund had offered to O. K. the accounts of soldiers' wives or mothers who desired to purchase coal and had not the money ready to pay for it.

"Is there any record on your minutes that you offered to pay for coal for the soldiers' wives?" inquired the Mayor. "Was the city notified in any way that you would pay for such coal?"

Mr. Thompson expressed doubt whether the offer had been placed in writing, but stated that in April the Fund had promised the Mayor to O.K. the soldiers' wives accounts. "Is there any official notification in existence, whereby the Patriotic Fund undertook the financial obligation of supplying coal to the soldiers' wives?" insisted the Mayor. "You have not yet answered my question. 'Did you ever ask us for any acknowledgment of such an offer?'" asked Mr. Thompson in reply.

"You are evading my question," insisted Mayor MacBride. "You were at the meeting in question," pointed out Mr. Spence.

Mayor Calls a Cop. Then the fireworks started. The Mayor wheeled round upon the last speaker.

"I will tolerate no interruption from you, Mr. Spence," he thundered. "You have had the floor—Mr. Spence. 'I still have it,' declared Mr. Spence. 'I have a right to speak' for Mr. Thompson, and—"

"I order you to your seat," belittled the Mayor. "I will deal with you later."

"I have a right to speak," protested Mr. Spence. "Mr. Bailey, call a constable," ordered the Mayor to the janitor.

"Go ahead," exclaimed Mr. Spence. "Let him call a constable. I am a magistrate in this city as well as you, and we shall see who wins out."

Ald. Harp rose to protest against such unseemly argument, but could not be heard in the din.

"This is not the first time you have hung the bluff of calling a constable," continued Mr. Spence, "but you can't bulldoze me."

"Nor can you bulldoze me," declared the Mayor. "You don't know how to behave yourself," declared Mr. Spence. "You've met one man at last whom you can't intimidate."

"I appeal to the Council," exclaimed Mayor MacBride. "Is Mr. Spence to come upon this floor and behave like a hoodlum?"

"It is you who are the hoodlum," retorted Mr. Spence. "The building, and may be still looking for a constable for no officer of the law put in an appearance."

Ald. Chalcraft protested objection to the Mayor's attitude of objection to a constable on slight provocation, declaring it beneath the dignity of the council to practice disapproved by the council.

"Not only we, but the public, I tell you plainly," he declared, "object to such an attitude on your part."

"As long as I am the chief magistrate of this city, I intend to have my mandates observed," thundered the mayor.

Ald. Chalcraft declared that Mr. Spence at the last meeting had been more than fair, and voiced a demand for fair treatment for every citizen appearing before the council.

"Do you charge that I do not give fair treatment?" demanded His Worship.

"I do, if you insist," declared Ald. Chalcraft. "I am prepared to cite instances of it."

"Get that," urged the mayor to the press. "Go far, far, you like," he added to Ald. Chalcraft.

The aldermen at this board are not here to take anything that is thrown at them, but to advise the aldermen. "I intend to insist upon proper treatment at your hands. On two occasions you have threatened to call a constable to escort members of this council from the chamber."

"Get that," exhorted His Worship to the press once more. He needn't have worried, the press were working at their desks.

Ald. Baird appealed for an observance of order. He felt that there was no need of argument in the present situation, and inquired whether the mayor nor the Patriotic Fund were to blame.

Mayor Repeats Question. Mayor MacBride repeated his question to Mr. Thompson.

"On the only occasion that we were asked by the city for an agreement we gave it," replied Mr. Thompson. "That was first asked for about Aug. 10, and was put into writing some ten days later. We would have carried out our share of the agreement just as faithfully had no written word been given."

"You admit that I did suggest supplying coal in April?" queried the Mayor.

"Yes."

"And that I was present at another meeting in May?"

"Yes."

"Then your statement coincides with mine," observed the Mayor. "But it was not until September that you guaranteed payment for the coal."

Mr. Thompson recalled that last winter the Patriotic Fund's O.K. had been accepted for fuel supplied to the soldiers' wives. He gave credit to Mr. Kirby for his services on the coal commission, declaring that he had worked in co-operation with the Patriotic Fund.

Ald. Harp recalled that at the last meeting of the council, Mr. Spence had avoided any criticism of the Mayor.

Ald. Kelly expressed his opinion that it was only at the request of the Kith and Kin association that the Patriotic Fund officials had appeared at the last meeting.

Ald. Simpson confirmed the fact that no criticism of the Mayor had been passed at the last meeting. He expressed strong objection to the Mayor's handed down by the Mayor.

Mr. Spence, declaring it equal to German militarism.

"You and Ald. Chalcraft are attempting to make a lecture," observed the Mayor.

"What would you advise me to do when a man refuses to obey the rules of debate in this council chamber?" "I do not advise any man to call and come of making such a parade of your authority," replied Ald. Chalcraft.

"I am making no parade of my authority," declared the Mayor, "but I intend to see that order is maintained."

Mr. Kirby inquired of Mr. Tom Kirby, assistant fuel commissioner, if he wished to speak on the question.

Mr. Kirby stated that the difficulty in filling the soldiers' wives orders was in the delivery, present facilities permitting of the distribution of no more than 25 tons a day.

"We have never made an excess profit," he declared. "The prices charged are outrageous, and the returns sent to Ottawa have been falsified. There are excess profits in the city's coal transactions; there is a rake-off somewhere, who is getting it?"

The Mayor promptly called upon City Treasurer Bunnell.

"Have we ever made an excess profit?" he inquired.

"Never over fifty cents a ton," replied Mr. Bunnell.

"Then I call upon the solicitor to prosecute Mr. Walsh for that statement and others which he has been making," continued the Mayor. He asked that an alderman draw up a motion instructing the city solicitor to prosecute.

Mr. Harp felt that Mr. Walsh had made no charge against the city, but had intended to imply that the profit was made before the coal came into the city's hands.

Ald. Kelly felt that Mr. Walsh was within his rights in making such a charge if he wished for an investigation.

Ald. Harp protested that this was not the intention of Spence's question.

"It makes no difference if you are paying that," declared Mr. Stander. "You are getting the coal."

"We have heard quite enough," declared Mayor MacBride, by way of proving that the members of the council are not a unit in support of our efforts to obtain coal.

"I plead guilty to calling Mr. Spence before the council for a showdown before the council," continued the mayor. "I consider it a considerably dirty bit of business for the Patriotic Fund to come here and assail me behind my back."

Mayor Issues Defl. "But Mr. Spence may use his powerful political influences as he chooses," MacBride is not afraid of J. H. Spence; let him do his worst. Mr. Spence denies that he had any conversation with him prior to August, with reference to supplying coal to the soldiers' wives; I think I have demonstrated that such a conversation did take place. Mr. Spence says I owe him an apology—I have nothing to apologize for. I feel that he has been guilty of a coward's trick, that he has stabbed me in the back."

"Those statements are false," declared Mr. Spence, who was on the point of leaving the room.

"They are not false," reiterated the Mayor.

"They are" repeated Mr. Spence. And you are no credit to the office you occupy."

"I am more credit to it than you were," flashed back Mayor MacBride. You ought to be ashamed of your conduct."

The following resolution moved by Ald. Harp, seconded by Ald. Mellon, carried.

That the city solicitor be instructed to enter an action against P.H. Walsh for his charges against the Mayor.

War on Profiteering. "Coal is not the only thing on which excessive profits might be made in Brantford," declared the

MAKING WAR.

For fifty years or thereabouts, on this, our native shore, no captains raised their martial shouts, or made demands for gore. Along the sunny paths of peace, we took our genial way, and dealt in poultry, eggs and grease, in bacon, corn and hay. Whatever we did, we did it well, we did with all our might, and all the goods we had to sell skinned every- thing in sight. At last we had to draw the sword and give a helping hand to nations which were being lored by Wilhelm's high command. And at this graft of war we went as we go being hay; we said, "A scrap was never meant to last till Judgment Day. Let's take the coat on the run, and shove the blamed thing through; since we must whip the greasy Hun, let's do it P. P. Q. Q." And all the planet is amaz- ed at how we do our stunts; a host of fighting men we've raised, and sent them to the front. Since we took hold the luck has changed, we're winning whoop, and H.H., his system disarranged, is neck deep in the soup. It is the good old Yankee way, to do things with a rush; it is the way we reap our hay, and hustle after cash.

CIVIL SERVICE EXAMS.

By Courier Leased Wire Ottawa, Oct. 5.—Competitive examinations under the direction of the civil service commission will be held at the following points in Eastern Canada on November 15: Sault Ste. Marie, North Bay, Windsor, Sarnia, London, Woodstock, Peterboro, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sorel, Sherbrooke, Three Rivers, Quebec, Fredericton, Charlottetown, N.B., St. John, Moncton, Charlottetown, Summerside, Yarmouth, Halifax and Sydney.

FOE IN FLIGHT.

By Courier Leased Wire London, Oct. 5.—Several of Germany's largest torpedo boats recently left Zeebrugge, one of the German naval bases on the Belgian coast, during a stormy night, according to a Dutch frontier message forwarded from Amsterdam on Monday to the Central News Agency. The German warships were filled to their capacity with soldiers and proceeded for Germany. The Germans are reported to be evacuating Ostend also.

SEPTEMBER IMPORTS.

By Courier Leased Wire London, Oct. 5.—September imports show an increase of £11,702,000, mainly foodstuffs except grain, according to the board of trade re- port. Cotton showed a decrease of \$4,406,000. Exports decreased £2,902,000 on miscellaneous articles.

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was unable to do my work. I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I am glad to recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong." Mrs. ALBERT SULTZ, 608 Olmsted St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

SPANISH INFLUENZA RAPIDLY SPREADING

Persons Weak and Rundown Easy Victims—Fortify Against it by Taking Tanlac

According to late reports issued by State and Federal health authorities of the United States, the Spanish influenza epidemic is rapidly spreading to all parts of North America, and it now seems that practically all of Canada will be seriously affected before it runs its course. It has not only become a great and terrifying menace to the public health, but unless checked, it is apt to seriously affect the progress of war work in all its various departments. Already the American Shipping Board has announced that ten per cent. of its workers had been affected.

The disease has made its greatest progress in the East, where it has claimed its victims by the thousands. Reports from other sections, however, are equally alarming, and both civil and military authorities have warned the public to take every precaution to prevent its further spread. In many cities schools, churches and theatres have been closed and public gatherings of all kinds forbidden.

Medical authorities agree that people who are weak and rundown are the earliest victims of the influenza epidemic. If you find yourself tired, weak and losing flesh, or if you are in a generally run-down condition, or if you catch cold easily this warning should be heeded promptly. You are really in great danger—because the germs of this disease is very catching and you are apt to fall an easy victim if you come in contact with the germs. People who are well and strong are not likely to contract the disease because they are able to throw it off. The common sense way to keep from taking ill is therefore to fortify the system against attack by building up the constitution.

In other words to use the old adage, "An ounce of prevention is worth a pound of cure." And if you are in a sub-normal condition the proper thing to do is to begin immediately to build up your powers of resistance to accomplish this, nothing on earth will strengthen you and build you up like Tanlac, the powerful reconstructive tonic, which in contact with the very elements needed by the system to give you fighting strength and ward off the influenza germ.

First of all Tanlac begins its action by creating a good healthy appetite for wholesome, nourishing food, and assists every organ of the body to perform its natural functions, thus helping to build up health and strength in the natural way. Tanlac is also the ideal strengthening tonic for persons who are suffering from the after effects of influenza, or from rheumatic troubles, and hundreds of thousands are using it daily with the most gratifying results.

In connection with the Tanlac treatment, it is necessary to keep the bowels open by taking Tanlac Laxative Tablets, samples of which are included with every bottle of Tanlac. It is also important that the every day rules of hygiene be observed; that is, sleep in well ventilated rooms, get plenty of fresh air and exercise and keep away from crowds. Tanlac is sold in Brantford by Robertson's Drug Store, in Paris by T.P.P.S. Ltd., in Mt. Vernon by A. Yee-man, in Midland by W.H.I.M. Peddie, in Onondaga by Neil McPhadden.

BERNHARDT GOES TO FRANCE. By Courier Leased Wire New York, Oct. 5.—Madame Sarah Bernhardt, the actress, arrived here last night from Cleveland on her way to France, where she is to undergo another operation. Madame Bernhardt said she will return in January or February to begin her new American tour, starting Boston.

WRITTEN ON THE WALL

The handwriting is plain, Don't ignore it. Free book of instructions on canning and drying may be had from the National War Garden Commission, Washington, D. C., for two cents to pay postage.

THAT SON-IN-LAW OF PA'S

BOUNDARY EXTENSION BEFORE CITY COUNCIL

Special Committee Appointed at Last Night's Meeting

The city council chamber has been equipped with a number of guaranteed burglar alarms, in the form of sky blue tin cupidoids, which are so placed as to get in the way of every alderman who attempts to leave his chair. The room last night was filled with a din like unto the reverberations of distant artillery.

Boundary Extension

The finance committee reported as follows: Your committee having been interviewed by a committee of the Board of Trade urging the immediate necessity for an extension of the limits of the municipality, especially in the direction of Terrace Hill and Eagle Place, report as follows: That your committee approve of the general principle of boundary extension.

2. That your committee recommend the appointment of a special committee consisting of Aldermen Kelly, Chalcraft, Simmons, Baird, and Harp, and that the Board of Education be asked to appoint one of their board to become the sixth member of this special committee.

3. That the Board of Trade be advised that this committee will meet with any accredited representatives of the districts desiring to be annexed and endeavor to arrive at some basis which can be submitted to this council for their consideration.

"This is a big question, and requires careful consideration in every detail," explained Ald. Harp, in submitting the report. The Board of Education, he stated, was greatly interested in the project. Ald. Clement inquired why Echo Place had not been included in the proposal. Ald. Harp replied that the residents of that district had not

approached the finance committee with any request to be included. Ald. English stated that the residents of Bellview were very anxious to be taken into the city, while those of Grandview were divided in opinion.

"It is desirable to take into the city all the suburbs that are willing," commented Mayor MacBride, pointing out that the city gave both fire and police protection to the districts outside the city limits. He felt that those suburbs, at present unwilling to enter the city, should be approached and the matter laid before them.

Board of Works

The board of works reported as follows: That the sum of \$10,698.74 be paid to Johnson, contractor for local improvement work at Lansdowne Park in accordance with the attached estimate No. 1 of the City Engineer.

That sewer connection be given at the corner of ... and Goodwin, at the corner of Drant and Oxford Sts. assessment therefore to be made under clause No. 9, of By-Law No 543.

The report carried. The council put in fifteen minutes' argument on the city potato question, means of conveying the potatoes grown at Harley to the local market being considered.

Wesley Jarvis, who had written the Canada Food Board asking for a grocery license, had been informed by that body that he must obtain the approval of the city council. The council, however, couldn't get over its habit of wrangling, and put in ten minutes' wrangling.

Ald. Baird occupied his seat at the table for the first time since his illness some months ago. The council adjourned at 11.30.

COUNCIL ORDERED

(Continued from page six)

authority to investigate the Hurley Company's fuel supply. Upon application, he had been reassured by Mr. Hurley, permission to inspect the premises of the company.

Ald. Hurley was not present at last night's meeting. "How many similar instances are there in town?" demanded Ald. Kelly.

"I single out this one because the manager of the Hurley Printing Company has been so anxious to obtain information," replied the Mayor. "I know of that one instance; do you know of any others?" Ald. Kelly replied in the negative, but objected to one firm's being singled out.

He asked that the words "and other similar cases" be added to the resolution.

"I do not like to make an inference against any man or any firm," explained the Mayor. "When I say anything, I say it openly. I ask for an investigation in this one case, because I believe it to be one requiring action. But I cannot consent to do as Ald. Kelly asks." The motion carried.

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

If cross, feverish, constipated, give "California Syrup of Figs."

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given to-day saves a sick child to-morrow.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

SAVE TO WIN

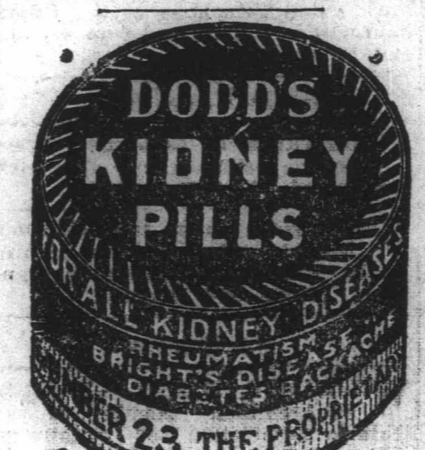

If you WANT paper, SAVE it. If you don't save it, you don't NEED it. If you don't need it, you can't use it. Canada needs the Money that buys it—save it to buy Victory.

OLD BOYS WON AT HAMILTON ON SATURDAY

Defeat of Junior Tiger Team of Ambitious City 12-10

(Hamilton Spectator) The Brantford Colgate old boys' rugby team romped into the city Monday and took a fall out of the Hamilton Junior Tigers, defeating them 12 to 10.

The game was a fair exhibition of rugby. It was clean and full of exciting plays. The Brantford aggregation was much heavier than the local team. The wings had a little the better of the bucking, but the Tiger's halves were far superior, both in running and kicking. Whittaker, who did all the kicking for Brantford at times, outkicked Galbraith, but his punts were not as well placed.

DOBBS' KIDNEY PILLS FOR ALL KIDNEY DISEASES. BRITISH PATENT. BRIGHTON, ENGLAND. TRADE MARK. DOBBS' KIDNEY PILLS. 23 THE PROPHET.

Stomach Acts Fine, No Indigestion!

Eat without Fear of Upset Stomach

Food souring, gas, acidity! If your meals hit back causing belching, pain, flatulence, indigestion or heartburn here's instant relief. No waiting!

Pape's Diapepsin is noted for its speed in ending all stomach distress. Never fails!

Keep it handy. Tastes nice and costs so little at drug stores.

UPSET? Pape's Diapepsin WILL PUT YOU ON YOUR FEET

Our Fall Lines of Wall Papers!

Are Now Complete

The Patterns are beautiful. The colorings lovely, and the values are even better than previously, but this condition will not continue long, as prices will advance again very shortly.

CASTORIA For Infants and Children. Mothers Know That Genuine Castoria Always Bears the Signature of Dr. J. C. Hathcock In Use For Over Thirty Years CASTORIA

GIRL'S JUMPER DRESS. The light foulards which have been brought out this year are quite suitable for very young girls to wear, but they are more effective when combined with another material in some way, for example, the jumper dress shown in No. 8845 has a glimpse of indestructible voile. The upper part or jumper section is cut out in a graceful U-shape at front and back, and the armholes are cut to the same depth. A one piece skirt with straight lower edge is gathered to the jumper. The separate gimp buttons at the back and may be made with long or short sleeves.
