NEW GENERAL AND COMMERCIAL
RAILWAY & STEAMBOAT TRAVELLERS' GUIDE.

In addition to the Time Tables and other information usually given in similar publications, this work contains many new and important features, the most prominent of which is the new ABC director, on reference to which the traveller who desires to reach any given point can see at a glance, without the usual puzzling reference to a lot of disconnected time-tables, the different routes by which he can go and return; the distance by each route: the different roads he will have to pass over; the time of departure and arrival; the time from point to point *en route*, and the fare.

Information is given as to Pullman and other Palace and Sleeping Cars, Baggage arrangements, &c.; also, useful suggestions under the head of "Travel Notes."

All the Canadian and principal United States Lines are represented in the ABC.

CONDENSED THROUGH TABLES

are carefully prepared for all the most frequented routes by which Through Tickets are issued.

THE TIME TABLES

will be under constant professional revise, and will be given with the greatest possible accuracy.

EXCURSIONS.

During the Summer Months, suggestions as to Holiday Trips will have a prominent place in the ABC, and information will be given as to places easily accessible by rail or boat, and suitable for

SUMMER RESIDENCES

for the families of business men, giving distances, time tables and rates for Season and Commutation Tickets.

No effort or expense will be spared in making this beyond comparison the best Travellers' Guide published in the Dominion.

Editions for Montreal and Toronto are published simultaneously.

J. THEO. ROBINSON, Publisher,
54 St. Francois Xavier Street, MONTREAL,

**The TORONTO NEWS COMPANY, Trade Agents for
the Province of Ontario.**

Entered according to Act of Parliament of Canada, in the year one thousand eight hundred and eighty, by J. THEO. ROBINSON, in the Office of the Minister of Agriculture.

NOTE.—The first number of the **A B C** has proved a most gratifying success—the Public and the Press having invariably pronounced it to be, in every respect, **THE BEST Travellers' Guide** published in Canada, the **A B C Directory** being specially commended. It will be issued as near the first of each month as practicable. When changes are announced to occur a few days later (as is the case this month, several lines of Railroads having advertised new time to take effect on the 10th inst.) publication will be delayed a reasonable time, in order that the very latest changes may be given.
