SEARCH FOR HELP

Nine Owners Give Notice of Termination of Wage Agreement

By HERBERT BAILEY, British United Press.

LONDON, June 24—A political storm—the outcome of the economic crisis which Britain is now facing—is rapidly brewing.

While Ramsay MacDonald is moving a vote of censure on the Baldwin Government, which will likely be taken next Monday, a special trades union congress has been called for July 24 to consider the whole problem of unemployment and the effect of the calling of this conference will undoubtedly be to stimulate opposition to the government unless the Prime Minister has something up his sleeve which gives promise of immediate amelioration of the situation.

THYROID GLAND TREATMENT IS NEW DISCOVERY

Greatest Contribution To Medical Science Since Insulin

EXPERIMENTS

Extract Obtained From Ox Controls Severe Symptoms In Animals

Canadian Press.

REGINA, June 24.—Hailed as the greatest contribution to medical science, since the discovery of insulin, the advance of experimental work in connection with the thyroid gland was outlined by Dr. J. F. Collins, University of Alberta, in a scientific address here last night before hundreds of doctors attending the annual convention of the Canadian Medical Association.

The researches today, he explained, had been confined to experimental work upon animals, particularly dogs. A peculiar form of convulsions had long been associated with operations on these glands. By injection of new extract, these severe symptoms could now be completely controlled, so long as regularly applied. Failure to administer the injection resulted in a recurrence of the convulsions.

TRAVEL IS FAR AHEAD OF 1924

Governor Todd Speaks of Auto Traffic at Border

Sees Province on Eve of Better Times—Prominent People at Beatty Leave.

Close observers of tourist traffic at the border declare that it is far ahead of last year's record performance, according to Hon. William F. Todd, Lieutenant Governor of New Brunswick, in an interview with the Times-Star this morning at the Admiral Beatty Hotel, where His Honor is staying while taking part in the inaugural ceremonies.

"We are just beginning a new era," said His Honor, "to the realization of what this traffic can do for us if we are alive to its opportunities and we must all congratulate ourselves that this fine new hotel has been opened. We have spent a lot of money on our roads to make transportation easy but hand-in-hand with such transportation must go convenience and service for our patrons and I think on one will disagree with me when I say we have those facilities now right here. This trade will take time to grow but if it can be made to yield a revenue running into millions of dollars annually it is worth our while to be patient. I feel confident the dawn of a better day for our province is at last in hand."

ONLY SURFACE TOUCHED. There was a feeling of optimism in the air, His Honor said, and he believed a great deal of the credit for this was due to the foresight and courage of the men who had made the Admiral Beatty a reality. This province, he felt, had barely scratched the surface of tourist trade and was in a commanding position to reap great benefits from it.

**ALL READY FOR SCHOOL EVENT**

Vocational Building Corner Stone Laying at 4.30 Today

Record of School and Other Documents of Interest to be Placed.

All was ready, it was reported this morning, for the laying of the cornerstone of the Vocational School in Douglas avenue. Bright weather promised for the event, which is one of importance in the life of the city. The opening of the ceremony was set for 4.30 o'clock with speakers and programme published yesterday. Dr. W. S. Carter, superintendent of education, arrived in the city last evening and will attend the laying of the cornerstone.

The work on the school began on April 20 and has advanced so satisfactorily that the contractors are now two or three weeks ahead of their schedule and the material for the work has been coming to hand without any delay. All of the walls are 20 feet above the ground at the present time.

The sub-contractors are as follows: Excavations, Telfer and Horan; plumbing and heating, William McDonough; electric wiring, Maritime Radio; painting and glazing, J. H. Pullen; metal work and roofing, James McDeer; tiling, William Neumann; mill work, Haley Brothers and Co., Ltd.; steel work, Dominion Bridge Co., Ltd.; Lachine, Que.; stone work, Miramichi Quarry Co. and hardware, W. H. Thorne and Co., Ltd.

The steel work contract is the only one awarded to a firm outside the province. All contracts except two were awarded to Saint John firms, the second exception being the stone work. The Miramichi company is supplying New Brunswick sandstone and the cornerstone to be laid today is of that material and has inscribed the date "1925".

**CONTENTS OF BOX.**

A large copper box will be placed in the cavity in the cornerstone and yesterday A. Gordon LeVitt, secretary of the Board of School Trustees, was getting together the articles and documents which will be placed in the box. These include the latest issues of the Saint John newspapers, specimens of the coins and stamps in present use, copies of the graduation and honor certificates issued by the School Board, samples of all the forms used in the school board office, the printed report, the programme of the Children's Festival Concert recently held in the High School Assembly Hall, the teachers' salary schedule, copies of the invitations to the laying of the cornerstone, addressed envelopes, a copy of the proceedings of the Interprovincial Conference on Vocational Education held in Calgary in April of this year, lists of the members of the School Trustees Board and of the local and provincial vocational committees and also a brief statement of the history of the Saint John Vocational School.

**HISTORY OF BUILDING.**

This statement contains the following information: "The architect was F. Neil Brodie. The general contractors were Messrs. J. A. Grant and Co., Ltd., the amount of the contract being \$886,830. The tender was accepted at

a special meeting of the board held on Monday, April 6, 1925. The land on which the building will stand was expropriated under the provincial schools act from 16 different owners, the awards amounting to \$14,711.21. Bonds were issued for the building and equipment for \$480,000 at 5 per cent. \$390 on account of building for 40 years and \$100,000 on account of equipment for 25 years.

"The building is 207 feet in frontage and 62 feet wide, having two cells, one 113 feet by 64 feet and the other 113 feet by 67 feet. In one cell there is the workshop building, the class rooms for applied arts and the heating plant. In the other cell there is the gymnasium, auditorium with stage and gallery, the shower bath and the swimming pool.

**MANY CLASSROOMS.**

"There is no basement as such in the building. On the ground floor there are 20 classrooms in addition to the boiler rooms and coal rooms, swimming pool, boys and girls shower baths, girls rest room and cloak room, the toilets, lecture room and blueprint room.

"On the first floor are 16 classrooms, the auditorium, gymnasium with apparatus room and instructor's room opening off the principal's room, teachers' room and the toilets.

"On the second floor are 10 classrooms, the cloak rooms and the balcony of the auditorium with its motion picture booth."

Secures Confidence Vote of 510 to 30; Sacred Union is Received.

PARIS, June 24—Premier Painleve at a nearly hour this morning obtained a vote of confidence in the Chamber on his Moroccan policy. The deputies supported him 510 to 30.

The Premier succeeded once more in renewing the "sacred union" of all parties behind him. By its vote the Chamber gave him carte blanche to prosecute the war against the Rifians until "peace with dignity" can be achieved.

The Socialists, who had been seeking for the last 10 days, again supported the Government, anxious to remain with the majority. They merely qualified their vote by expressing the desire that the Government "should make peace with the Moors as soon as practicable."

**NO OFFER OF DRINK FOR POLICE CHIEF**

New York Dry so Far as Edinburgh Man Was Concerned.

EDINBURGH, June 24—The testimony of Chief Constable Ross of Edinburgh that nobody offered him a drink while in New York attending the international police conference from which he has just returned, is cited by the United States delegates to the temperance convention here to show that prohibition in the United States is working.

Miss Anna Adams Gordon of Evanston, Ill., president of the world's W. C. T. U., is authority for the chief constable's story of his dry visit to dry America and she added that though the chief constable is not a teetotaler and did not deny to the white ribboners that he would have accepted liquor, he asserted that nobody offered it to him.

SAINT JOHN, N. B., JUNE 24, 1925.

FAITH AND CONFIDENCE JUSTIFIED.

A strong note of justified optimism regarding the future of Saint John ran through the speeches at last night's banquet marking the formal opening of the Admiral Beatty Hotel, which was a highly enthusiastic and successful function.

His Honor the Lieutenant-Governor, in warmly congratulating the city and province upon the possession of the Beatty, expressed his confidence that it would do great things for Saint John in the way of promoting tourist and business traffic, a view endorsed by other speakers.

Mr. Grant Hall, Vice-President of the Canadian Pacific Railway, after pleasing references to the hotel enterprise and its bearing upon the future of the city, had a serious word to say concerning the railway problem, pointing out that the services carried on by the railroads are of the most vital importance to the country, and submitting that in rate-making and taxation the railways are entitled to fair consideration and must be permitted to earn revenues sufficient to enable them to maintain their services at a high standard.

UNCLE SAM AND MEXICO.

The recent American warning to Mexico is a reminder that diplomatic relations between Great Britain and Mexico have been unsatisfactory for more than two years, and that the British, in view of the Monroe doctrine and other considerations, have been leaving largely to the United States the obligation of protecting British interests in the peppy republic.

The Mexican President has replied somewhat tartly to the public statement made by the United States Secretary of State, and his defiant attitude has commanded some support in South American republics, notably the Argentine, where there is a feeling, justifiable or otherwise, that the Americans desire to have too much to say concerning the trend of events in territory beyond their own borders.

plan, it seems to us, is to take advantage of the first clear opportunity to establish some such relation as exists between the United States and the Cuban republic. If this had been done, as probably might have been done in 1916, Mexico would have been able to forego now to stabilize and enter the path of substantial progress.

THE WAR DEBTS.

In a preliminary discussion of terms for the payment of Italy's war debt, American publicists are taking the ground that neither Italy nor France can be granted more favorable conditions than those which were given to Great Britain. It becomes more and more evident that when the British agreed to pay, their decision was a great step toward the restoration of normal financial relations between civilized nations.

Italy is to send a mission to Washington soon for the purpose of negotiating a settlement, and it has been intimated that the Italian Government, while it feels able to make no payments for some years to come, desires to have it provided that if any other nation hereafter receives more favorable terms than Italy, these shall be in turn extended to her. This request, it is asserted, is likely to meet with refusal, on the ground that it runs counter to the principle adopted, that of making separate settlements with each debtor nation.

"The British, for example, are sure to be resentful if we settle with the French on more favorable terms than with themselves. But if the principle were adopted and strictly applied, it would bring about that very cancellation which all the European nations have so ardently desired."

"Interest on the British debt at present is paid at the rate of 8 per cent. Supposing the settlement with France to be on a basis of 2 1/2 per cent, there should then logically be a reduction of one-half of one per cent in the British debt. If, now, Italy settled on a two per cent basis, the debts of both France and England should be reduced. Thus, by the time the last and poorest creditor was reached the debts of all nations would be virtually extinguished."

The Australian trade treaty passed its third reading in the House of Commons early this morning. Important trade interests in this country look upon this arrangement with strong favor, believing that its result will be to stimulate in no slight degree our interchange of products with Australia. The measure will very materially increase our sale of newspaper and

Other manufactured articles in the Australian market.

The killing of several more Europeans by Chinese agitators, and the news that the area of disorder is being widened, indicate that the Chinese situation is growing steadily more serious. European countries are reluctant to undertake armed intervention on a great scale, but the trend of events indicates that such a course will probably be necessary, even though its first effect would be to increase the feeling against foreigners which is already a highly dangerous pitch.

Odds and Ends

"You never know what you'll find among the odds and ends."—From "Notes by a Wayfarer."

Monte Carlo's "Thrills"

The real Monte Carlo is just a cheap imitation of the movie version, declares Homer Crox, after visiting the favorite hunting ground of the fiction writer. In the July Harper's, Mr. Crox writes: "I used to love to read stories of people staking their fortune on a turn of the wheel at Monte Carlo, losing, and then shooting themselves with a pearl-handled pistol. It stirred my imagination. I could see the splendid ladies and gentlemen in evening clothes; dukes, counts, earls, barons, and princes as thick as hops."

"Except for the Americans, the thing that astonished me most was the number of kindly, gray-haired grandmothers playing roulette and knitting. They had grown tired of sitting around in their spasiums and had come out to see life and finish up the troublesome heel."

"I began to hear about a sacred Inner Circle—the circle intime—a sort of club where only members are admitted and where ordinary players see only the thick leather doors. Through a friend, I was able to get a card and the next evening I was in the inner chamber, in the sacred precincts. I looked around, but there was the same royal security as in the main rooms. There were no more dukes than in Greenwich Village. I went over to the table, expecting to see chips stacked in heaps and mounds. But they were as far apart as the now famous mountains in Nebraska. What a disappointment—they were playing for a dollar a round."

"Some spirit of recklessness came over me and I had five dollars changed into chips and put it all down in one grand throw. It was the biggest pot on the boards; it simply staggered the other players. Even the stolid, bloodless croupiers looked at me with interest. 'Here,' they thought, 'is a millionaire who has walked into a million. Pretty soon the money was gone and I walked out, the most talked-of man in the room.'"

"But how different it is when you see a motion-picture version of Monte Carlo; hordes of people in evening clothes—women with ropes of pearls—mountains of money."

Why, the Monte Carlo over here is just a cheap imitation. If you wish a spectacular, thrilling, absolutely satisfying Monte Carlo, stick to the motion-picture version.

"But just as I was ready to leave there was a moment of tense excitement. It came suddenly and unexpectedly. A woman who had been playing rose abruptly and stepped to one side and thrust her hand into her bag with a quick, stealthy movement. My heart jumped. I expected to see the flash of a pearl-handled pistol right there in the mah gambling room, but I was mistaken. It was merely a grandmother who had forgotten her nine o'clock pill."

More Scout Troops To Camp This Year

Several more Boy Scout troops of the city will go to camp this summer than went last summer, reports at the quarterly meeting of the District Council of the association last night indicated. The meeting was held in the Y. M. C. I. with Dr. L. DeV. Chipman, president, in the chair. There was a general discussion of finances. The association needs \$500 more to carry on its work this year and the finance committee were empowered to continue the drive for funds.

It was said also that there would probably be six of the leaders attending the Scoutmaster's training course at the Gilwell camp at Keswick. A review of the winter activities was given by L. L. Johnson, district secretary.

ST. MARY'S FAIR.

St. Mary's Band fair at the tennis courts at Gilbert's Lane had the most successful night of its run last evening. The band gave several selections in front of the Admiral Beatty Hotel last evening. It also gave a concert programme at the fair. All of the attractions were much enjoyed and had very large patronage.

The Wonders of The Salad

At the Cooking School Class, Again, Tomorrow Afternoon

Whether it be for a formal occasion or merely for something light in the hot weather, the salad always reigns a favorite.

There is something more than a knack in preparing a salad. To secure the best results the correct ingredients, together with the correct utensils, are essential.

Tuesday afternoon Miss Mason prepared several of these dainty dishes, and the many ladies present followed her with the keenest interest, asking frequent questions and pronouncing the completed delicacies particularly fine.

So, at THE COOKING SCHOOL CLASS, at Gas Range Headquarters, tomorrow afternoon at 2.30 o'clock, Miss Mason will, again show the wonders of the salad. There are a hundred and one little things you will want to know.

Our Home Service Department Is Always At Your Service

Bring your cooking problems to Miss Mason. She will be glad to help you. It is wonderful what you can do in the art of cookery with just a little coaching and the right equipment.

OPTIMISM MARKS SPEECHES AT ADMIRAL BEATTY FUNCTION

GREAT BENEFITS TO CITY SEEN WITH HOTEL OPERATING

Lieut.-Gov. Todd, Grant Hall of C. P. R., Matthew Lodge of C. N. R. and Hon. Dr. Baxter Speak—Canadian Issues Have Reference

MARKING the formal opening of the Admiral Beatty Hotel, the Atlantic outpost of the United Hotels of America, citizens of Saint John to the number of more than 400 attended the dinner and ball last evening in the magnificent banquet room of the hotel and listened to eloquent addresses by Hon. William F. Todd, Lieutenant-Governor of New Brunswick, Grant Hall, vice-president of the Canadian Pacific Railway, Hon. Frank A. Dudley, president of the United Hotels, Matthew Lodge, director of the Canadian National Railway, and Hon. Dr. J. B. M. Baxter, K. C., M. P.

While the dominant spirit of the gathering of the shareholders Monday evening was unlimited faith in the new hotel, the prevailing note last evening was that of satisfaction that a dream had at last come true. This thought ran like a vein through the speeches of the evening and created noticeable enthusiasm throughout the brilliant assemblage.

SERIOUS NOTE STRUCK. A serious note was struck in the speeches of Vice-President Hall and Hon. Dr. Baxter, both of whom pleaded for a united Canada in bearing its burdens and facing the future. Mr. Hall's references to the immigration problem and the urgent need for greater efforts in this direction were received with loud applause.

The handling of the big gathering, which was again under the supervision of George H. O'Neill, general manager for Canada of the United system, was even better than that on Monday evening and reflected great credit on him and his assistants. The dinner, served by Calame, the French chef, was excellent and elicited many favorable comments. On Monday evening, many were unable to hear the speeches owing to pressure of space, but last evening this was overcome by Mr. O'Neill by removing many of the detachable tables in the rear of the room and placing chairs there for those who had dinner in the main dining room on the lower floor.

TABLES DECORATED. The tables were prettily decorated with flowers and the handsome gowns of the ladies present lent a graceful touch to the entire function. The menu was as follows: Assiette Parisienne, Celery, Essence of Tomato in Jelly, Half Lobster Stuffed Madison, Boned Squab Chicken, Venetian Potatoes Dauphinoise, Barquette de Fole-gras a La Gêlée de Port, Alexandria Salad, Bombe Romanoff, Friedzises, Demi-sauce.

MESSAGE SENT EARL. Chairman Ross, in proposing the toast to the King, coupled with it the name of the Prince of Wales, whose birthday was yesterday. The chairman also read a telegram he had dispatched to Earl Beatty, after whom the hotel was named, in which he informed the great British naval hero of the appreciation felt by the people of Saint John in allowing the use of his name and expressing the wish he would serve the Empire for many years to come. In his remarks, the chairman also took occasion to pay a warm tribute to the cooperation of the directors by the newspapers of the city. His Honor the Lieutenant-Governor was the first speaker of the evening. As the hour was late, he said, he would not speak at length. He would like to say, however, that he deeply appreciated the honor done him by asking him to be present at the formal opening. In his many years of experience, his Honor said he had never faced a finer assemblage and he commended most heartily their faith and enterprise in bringing to fruition the plans they had long cherished. He congratulated the citizens of Saint John and he congratulated the province on having such a splendid hotel and he looked to see a big impetus given tourist traffic as a result. The time was not far distant when Saint John would be the Mecca for many tourists, he said, in conclusion. His Honor was loudly applauded when he resumed his seat.

HALL'S SERVICES LAUDED. The chairman then called on Grant Hall. In doing so he paid a tribute to the assistance given the directors by Mr. Hall. Of the railway directors, none had been more sympathetic in listening to their plea for assistance than Mr. Hall. He, therefore, welcomed him for his ready assistance. Cause he represented a wonderful railway system, and second because he was Grant Hall. The Vice-President was given a tumultuous reception, the applause being deafening. The gathering sang "See Him Smiling" and it was several minutes before he was allowed to proceed. Mr. Grant Hall spoke as follows: "I am here in a dual capacity; first, as vice-president of a railway whose eastern terminus is this city, and which has a tremendous stake in Saint John, N. B., and secondly, as directly representing two shareholders in this enterprise in the persons of the Canadian Pacific Railway Company and the Canadian Pacific Steamships.

COVERAGE REQUIRED. "To finance and erect a hotel, even of moderate proportions, in a city the size of Saint John requires some courage and a great deal of faith in the extent of business which can be created locally or directed to your city. That Saint John has suffered from a lack of adequate hotel facilities for some years is apparent to you all, and now that these facilities have been provided, two factors will contribute to the success. The first is the increasing of the tourist and business visitors to the city and the Province of New Brunswick, and the second is the continuous patronage of the hotel by the citizens of Saint John. The investment of the Canadian Pacific and its subsidiary was not so much because of its reaching out for investments of this character but in order to evidence, if any further evidence were necessary, its interest in

nineteen million and so long as such a large portion of our earnings are diverted by way of taxes for Government purposes. Easterners and Westerners can agree upon these common and fundamental foundations of industrial and agricultural prosperity and these are more people and less taxes.

TELLS MARK TWAIN STORY. "We do not wish to be as poor as Mark Twain was said to be in his journalistic days. It appears that an elderly lady saw Mark standing in front of a store window with a cigar box under his arm. She approached him and said: "My dear fellow, I see you are smoking too much. Every time I see you lately you have a cigar box under your arm."

"Mark replied: "Madam, all that cigar box means is that I am moving again." "The grip and not the cigar box means in the case of many young Canadians who are moving to the United States where the opportunities are more immediate and where the problems of taxation and immigration have been solved, first by rigid government economy and the second by a vigorous immigration policy over a period of years that has ensured the prosperity and the wealth of production which that population has achieved."

HOTEL'S SUCCESS HOPED. "I sincerely trust that your pride in this new facility and your appreciation of the importance of its success will lead every citizen to use it to the fullest possible extent in order that the purpose of its construction shall not be defeated, and that the management will be able to maintain a hostelry which in service and equipment will be a credit to the City of Saint John and the Province of New Brunswick."

RAILWAY EARNINGS. "Much has been written and said of this problem in recent months, and much more will be written and spoken before it passes into the realm of complete oblivion, and if I speak from the standpoint of a railway official, I do so only after 40 years of railway service which has taken me from the Maritime Provinces to the Pacific coast, and given me a fair appreciation of its difficulties. I have often marvelled at the public, in the Houses of Parliament and in Legislative Assemblies, when questions pertaining to railways are discussed, such a great portion of the time so spent in the demands for additional facilities or greater service or lower rates and so little time spent in the elucidation of the results of the railways' operations and the necessity of their maintaining adequate earnings, unless the whole purpose of their construction will be vitally important public work they were created to perform."

RATES INQUIRY. "Quite recently the Railway Commission have been directed to hold an inquiry with a view to, so far as possible, equalizing railway rates in Canada. They have a task of great magnitude, complicated to a degree and the results of which will be of the utmost importance to the railways and the public. They will require to take into consideration the conflicting demands of various portions of Canada, keeping always in mind that the rates to the companies must be sufficient to enable them to satisfactorily perform their important public duties. With two important exceptions, they have unrestricted jurisdiction in those rate adjustments and if such a revision of rates is necessary in the public interest, I point out to you that it is equally so in the interests of the companies."

CONGRATULATIONS GIVEN. In no hotel that he had had the pleasure of taking part in the opening ceremonies had he received so many messages of congratulation as here and in this connection he read a telegram from the Chamber of Commerce Seattle, wishing the citizens of Saint John the best of luck. "That sentiment," said President Dudley, "prevails throughout the United States."

SAINT JOHN FELICITATED. Matthew Lodge, Moncton, director of the Canadian National Railway, was the next speaker. He said he was not a speaker but he would say he was very glad to be present and listen to such splendid addresses. The citizens of Saint John had every right to feel proud of their achievement. They had hoped for and longed for this day, and realization at last was at hand. He congratulated them most heartily. He would say also that he believed they owed a great deal to the Canadian Pacific Railway, an agency that had done a great deal for the advancement of the city.

DR. BAXTER WELL RECEIVED. Hon. Dr. Baxter was given a splendid reception on rising to speak. His remarks were frequently interrupted with applause and he was given an ovation when he resumed his seat. There had been so many reminders of the lateness of the hour, he said in opening, that he took no note of this. Personally, he said, he had been timed for anything running from three minutes to three hours (laughter) and, therefore, he begged his hearers to believe that the best things he had to say must remain unspoken. He had listened with a great deal of interest to Mr. Hall's address, but he felt compelled to disagree with him on one remark and that was that there was "no sentiment" in the feeling of that song "There's a Long, Long Trail Awaiting into the Land of our Dreams."

REALIZATION OF DREAM. "This palatial hotel," said Dr. Baxter, "is just a realization of that dream sentiment that held sway for so many years." Only recently, citizens had been reminded of the terrible fire that practically destroyed this city in 1877. At that time, the citizens had borne a heavy burden, but in carrying it, they had been impelled by a strong hope and faith in their city. The people of Saint John had seen the day of shipbuilding vanish forever, but they still retained that vision and had prepared for the development of their winter port. Aided by the patient, persistent and effective work of the Canadian Pacific, that dream had come true. It was fitting, indeed, then, to pay tribute now to the tireless energy of this great company whose character was imperial as well as national.

FAITH WORKS WONDERS. Then, there was the dream about the dry dock and today it is an accomplished fact, and not the least of the blessings it brought was the general presence of Frank Ross. There was the sugar refinery, and the dream about it that had come true. And, now it was the Admiral Beatty. Was Saint John a city, therefore, where men must look each other blankly in the fact and say "let us get out?" Rather, the reverse was true. Faith in dreams had worked wonders and would continue to do so, he said.

MILESTONE IN PROGRESS. "The Admiral Beatty, he declared, was only another milestone in the pro-

Formal Opening of New Hotel Is Brilliant Social Occasion

THE social features of the formal opening of the Admiral Beatty Hotel last night were distinctly enjoyable and will long be remembered.

Everything possible was done by the management of the hotel for the comfort and enjoyment of the guests and left nothing to be desired. During dinner an excellent orchestra provided a programme of the latest popular airs and old-time favorites. About 500 guests were seated at the innumerable tables at which covers were laid for from four to fourteen.

Quantities of roses were used for decoration and, as on the previous evening, each table was centred with flowers, carnations, fox and in fact all kinds of flowers, which were most wonderfully arranged, the stems being carefully trimmed.

Dr. Baxter then made a strong plea for Canadians to think nationally and heartily endorsed sentiments along this

Weddings

**Van Wart-Slipp.**  
A very pretty wedding was solemnized at the Baptist church at Upper Hampstead on Tuesday, June 23, when Kathleen Evelyn, eldest daughter of Mrs. Mina L. Slipp and the late Alfred P. Slipp, was united in marriage to Leslie M. Van Wart of Boston, Mass. The ceremony was performed by Rev. L. A. Fenwick.

The bride entered the church with her mother to the strains of the Bridal Chorus from Lohengrin, played by Miss Annie Bamford. She looked very pretty in a gown of white Canton crepe with veil and silver trimming and carrying a shower bouquet of Ophelia roses and lily of the valley. She was attended by her sister, Aline Slipp, who wore a beaded gown of ivory crepe de chine and large picture hat and carried a bouquet of yellow roses and white snapdragons. The groom was attended by his brother, Roy Van Wart, of Boston.

After the ceremony a reception was held at the home of the bride, after which a dainty luncheon was served by friends of the bride.  
Mr. and Mrs. Van Wart left by car for Saint John amid the good wishes of many friends. The bride's going-away dress was a navy and grey ensemble suit, with small hat to match. They will reside at 89 Wintham street, Dorchester, Mass.

**Geldart-Coles.**  
A very pretty home wedding will be solemnized this afternoon at 5 o'clock at the residence of the bride's parents, Mr. and Mrs. Fred G. Coles, Red Head, when their daughter, Miss Freda Myrtle Coles, will be married to James Vincent Geldart, son of Mr. and Mrs. Nelson C. Geldart of Saint John. Rev. W. J. Johnston, pastor of the Coburg street Christian church, will officiate at the ceremony, which will be performed under a pretty arch of white and purple lilacs with roses intermingled. The rooms are decorated artistically with the same flowers.

The bride, who will be given in marriage by her father, will wear a lovely gown of grey georgette over coral, with hat of grey and coral with smart plumes. She will carry Ophelia roses and lilies of the valley. Miss Bertha Stockford will play the wedding music. The bride and groom will be unattended. After the ceremony a wedding supper will be served to the guests, who will be relatives and immediate friends of the bride and groom. Mrs. Coles and Miss Vera Coles, mother and sister of the bride, will preside. Mr. and Mrs. Geldart will leave for a short motor trip through the province, and on their return they will reside at Millidgeville for the summer. Going away the bride will wear a fawn sport suit with hat to match. Many lovely gifts were presented to the bride and groom, who have a large circle of friends.

**Kean-George.**  
A pretty wedding was solemnized at St. Peter's church yesterday morning at 6 o'clock when Rev. J. A. Clouston, C. S. R., rector, celebrated nuptial mass and solemnized the marriage of Miss Helen Veronika, daughter of Mrs. James George, of the late James George, to James Chipman Kean, son of Mr. and Mrs. John Kean, of Campbellton. The bride, who was given in marriage by her brother-in-law, James

Hanlon, looked very charming in a powder blue satin faced crepe gown with platinum fox fur, grey taffeta, Gloria Swanson hat with coral facing, silver shoes and stockings and carried a bouquet of Ophelia roses. She was attended by her sister, Miss Evelyn George, who looked very pretty in a dress of grey satin faced crepe with American beauty hat and carried a bouquet of rose carnations.

The groom was attended by his brother, Evan Kean, who came to the city for the wedding. Miss Lydia McCluskey, a friend of the bride, sang Gounod's "Ave Maria" and Mrs. M. A. Quinlan, organist, played beautiful wedding music during the ceremony. After the ceremony a wedding breakfast was served at the home of the bride's mother. Going away, the bride wore an ensemble costume of papoose periwinkle and Canton crepe, with hat, shoes and stockings to match. Mr. and Mrs. Kean left for Montreal, Detroit and Toronto. On their return they will reside in Campbellton, where the groom is employed with the C. P. R.

**Richard-Murray.**  
In St. Patrick's church, Montreal, on Tuesday morning Miss Grace Mildred Murray, only daughter of Dr. S. C. Murray and the late Mrs. Murray of Albert, N. B., was married to E. Rene Richard, barrister of Sackville, son of the late Hon. A. D. Richard and Mrs. Richard of Dorchester. Nuptial mass was celebrated by Father McShane, rector of St. Patrick's church. Following the ceremony the party had wedding breakfast at the Ritz Carleton.

after which Mr. and Mrs. Richard left on a honeymoon trip to the White Mountains.

**ONE FRIEND TELLS ANOTHER**  
The fame of a successful remedy is often spread far and wide by women telling one another of its merits, as is evidenced by a letter written by Mrs. Wm. Riddsdale of Mt. Forest, Ont. She writes: "I was weak, miserable and in pain. A friend told me what Lydia E. Pinkham's Vegetable Compound had done for her, I tried it and am now well and strong. There is nothing equal to it for women's troubles." There are women everywhere who have been benefited by Lydia E. Pinkham's Vegetable Compound and gladly tell their friends and neighbors about it.

Children love these floating fairy grains at breakfast time

THEY are fairy ships, these tasty grains gathered in silver spoons by laughing children. Each one bears a cargo of health and happiness.

Don't coax children into eating foods they do not like. Make meal time play time. Breakfast becomes a great game when Puffed Wheat is served. The children revel and play as they eat.

There is a delightful nut-like flavour to these wheat and rice grains puffed to eight times their normal size. Being the whole grains, they contain all the elements which make bone and brawn. Served with milk or cream, valuable vitamins are added, making a dish complete in nourishment and full of flavour.

There are many ways in which these delightful cereals may be served. Keep both on hand, for pleasant variety.

For Home Made Candy  
Wherever the recipe calls for nuts, use Puffed Wheat or Puffed Rice in making candy. They are convenient to use and you will like their flavour and crispness.

BABE RUTH, MIGHTY KING OF SWAT, EMULATES CASEY AT BAT

IS STRUCK OUT WHEN ALL BASES ARE OCCUPIED

Fanned Three Times And Got One Double

NEW YORK, June 24.—Renewed sectional combat in major league baseball finds the leading contenders still jockeying for place.

Washington contributed to the Yankees' woes by landing hard on Shocker and Ferguson, to win, 8 to 1, in the initial meeting of a three-game tilt.

Ruth's double promoted the only run of the New York team, but he fanned in three other trips to bat, once when the bases were loaded.

Athletics Hold Lead. The Athletics kept their distance from the Senators by rallying in the ninth to score all their runs for a 3 to 2 victory.

Pittsburg's ambition to edge closer to the National League peak by taking both games of a scheduled double-header at St. Louis was delayed by rain yesterday, while the Giants continued to maintain a leadway of one and a half games by splitting a twin programme with Brooklyn, dropping the first, 8 to 5, and then taking the second by the same score.

Break Losing Streak. The Phillies started in earnest to make up for 11 straight losses in the west by pulling out in front in both ends of a bargain bill with Boston, 9 to 7, and 7 to 3.

Aided by the hitting of Brooks and Adams, the Chicago Cubs breezed through to a 6 to 2 decision over the Reds, setting the Hendrick's club back into a tie with Brooklyn for third place.

IT SEEMS LIKE old times to pick up a despatch and see Joe Neptune's name figuring in a ball game. This famous Indian player was seen on the old Shamrock grounds as a member of the Marathons and also with Houlton when they were in the New Brunswick & Maine League.

AN EFFORT on the part of the American League magnates to introduce Sunday baseball in Cambridge, Mass., recently ended in a failure.

BASEBALL FANS in Saint John will be interested in the big league debut of Owen Carroll, former pitching ace of Holy Cross University, due to the fact that there was considerable talk in 1923 of getting him to come here to play with St. Peter's team.

HE THEN took over as the Red Sox had secured six runs and nine hits off his delivery. The Tigers, however, won the game so he was not credited with a loss. He was at bat three times and secured one run and one hit in addition to one assist. He struck out three batters, walked four and hit one opponent.

TY COBB is certainly setting a hot pace for some of the younger players in the American League this season. He is batting for .423 and has the most three base hits to date, nine. He seems to be defying "old father time."

THE INTERNATIONAL LEAGUE is commencing to assume its familiar aspect, Baltimore first and then the field trailing far behind. Toronto a short time ago put on a fine spurt and jumped into the lead and looked like real champions opening up a margin of nearly five games over their nearest rivals.

NEW ORLEANS, June 24.—The State Supreme Court has upheld the decision of Judge Samuel Leblanc that a "co-operative" race track betting system using tickets but without machines is legal under Louisiana law.

THE ROthesay-Pair Vale League opened on the Pair Vale grounds last night before a crowd of about 300 fans. The evening also marked the opening of the new Pair Vale Community hall.

AT 7:30 the game started, the last year champions taking the field. Bruce Winchester, a new recruit on the Pair Vale team, was on the mound. His pitching was of the highest order, holding the Rothesay team to five scattered hits, three of them garnered by C. Rathburn.

THE NEXT game between these teams is scheduled for Thursday of this week at Rothesay.

THE following is the box score: Rothesay: B. Gilbert, 2b., 4; M. Sterling, 1b., 4; E. Rathburn, 1st, 4; H. Rathburn, s.f., 4; Dwyer, c., 4; Fiewelling, c.f., 4; Kirkpatrick, c.f., 3; Graves, p., 3.

PAIR VALE: M. Sterling, 1b., 4; McManus, 1b., 4; Craft, 2b., 4; Higgins, c., 4; White, c.f., 4; Spear, r.f., 4; L. Sterling, s.s., 4; Bishop, lf., 4; Winchester, c., 4; Sullivan, c.f., 4.

McNally Balks at Release To St. Paul

ST. PAUL, June 24.—Mike McNally, utility infielder with the Washington Americans, has been released to the St. Paul club of the American Association, it was announced today.

McNally went to the New York Yankees from Washington in the deal that sent Everett Scott to the Senators. The Yankees requested Washington to turn him over to St. Paul. McNally refused to report to the Saints, however, and word today was to the effect that he had left New York to confer with Manager Miller Huggins.

### BENTLEY RETIRES; CURREN AND ROSS COUNTY NOMINEES

**John T. O'Brien Named at Government Convention But Withdraws Before Vote Is Taken—Confidence in Veniot Administration Voted**

DR. L. M. CURREN, M.L.A., and W. A. ROSS were unanimously elected the standard-bearers for the Government party in Saint John county in the coming provincial election at the county convention last evening in the Government headquarters, King street. The convention was well attended by delegates appointed from the various parishes, who appeared to be unanimous for the nomination of Dr. Curren as candidate but, when A. F. Bentley, M.L.A., declined to accept nomination again, signs of a dispute commenced to appear when the convention called for nominations for the second candidate. The withdrawal from the field of Councillor John T. O'Brien cleared the way for the unanimous endorsement of Mr. Ross as the running mate of Dr. Curren. About a hundred attended the meeting.

A standing vote of confidence in the Veniot Government was unanimously given. A vote of appreciation was tendered Councillor O'Brien for his self-sacrifice in stepping out from the lists so that the convention could unanimously fix upon the candidates.

**WOMAN SECRETARY.**

After the meeting was called to order Joseph L. O'Brien was unanimously chosen chairman. Mrs. J. W. V. Lawlor, although not an official delegate, was chosen secretary.

The first objection arose when representatives from other parishes wished to know how East Saint John was entitled to 10 delegates. After some discussion a count was made of the total number of delegates sent by Simonds and they numbered 20. This check seemed to satisfy the other delegates and the list of delegates was allowed to stand as read.

**NOMINATIONS MADE.**

Dr. Curren was nominated by Murray Campbell and the nomination was seconded by John T. O'Brien. A. F. Bentley was next nominated by John Dalzell, seconded by A. Anderson.

At this point Mr. Bentley expressed his regret at having to refuse the honor tendered him. He said circumstances surrounding his business interests prevented his acceptance. He thanked the people of the county for the support accorded him in the past. He said that the welfare of the province depended on a victory for the Liberal party and he intended to support in every way the candidates endorsed by the convention.

**OTHERS PROPOSED.**

The chairman expressed the regret of the convention that the old "war horse" would not be a candidate again this time.

W. A. Ross was next nominated by Paul Atkinson and the nomination was seconded by Fred Boyle. Councillor John T. O'Brien was then nominated by Matthew McGrath, seconded by George Melanson.

Edward Purchase arose at this point and said that no weak candidates should be nominated or the party would be in serious danger of losing the county.

**TAKES OBJECTION.**

Michael Gleason took exception to Mr. Purchase's remarks and wished to know to whom he referred as "the weak candidate."

A representative from Simonds at this point said that Dr. Curren was recognized as representing the western part of the county and Mr. Bentley had been from the eastern section. He declared that if Mr. O'Brien should be successful both men would be recognized as from the parish of Lancaster.

**ANOTHER ARGUMENT.**

Another argument arose as to whether Dr. Curren had been chosen separately or if they would have to ballot on all three men. Several speakers urged that Dr. Curren be recognized as being unanimously chosen, as there was danger friends of the other two men might plump their candidate and thus leave Dr. Curren behind, although they all seemed to want him as one candidate. Others maintained that it was impossible to carry out the spirit of the choice in that way and all three men would have to be voted on.

**O'BRIEN WITHDRAWS.**

At this point Councillor O'Brien jumped to his feet and said that he wished to withdraw his name. He said it had been only at the earnest solicitation of his friends in Lancaster that he had permitted his name to come before the meeting and, after listening to the discussion, he had reached the conclusion it would be a hard county to represent so he would withdraw his name.

He pointed out that he had represented the parish of Lancaster for 14 years and he thought the parish showed considerable progress through his efforts ably assisted by his colleagues. However, he declared that he had the interest of the Liberal party at heart and he did not wish any further contention over his name.

**CALLS IT "MAGNIFICENT."**

Mr. Bentley said that the stand taken by Mr. O'Brien was a "magnificent" one. He declared that the councillor had placed the convention deeply under obligation to him in thus withdrawing his own name, not in his own interest but in the interest of harmony which meant so much to the success of the Liberal cause. A hearty vote of appreciation was given.

tion was unanimously tendered Mr. O'Brien by the delegates.

A delegation was then sent to interview both remaining candidates to see if they would accept nomination if it was offered them and on receiving their replies in the affirmative, John T. O'Brien moved and John Dalzell seconded a motion that they be tendered the nominations. This carried unanimously.

**DR. CURREN SPEAKS.**

Dr. Curren was given a rousing reception by the convention. In accepting the honor he spoke feelingly of the loss of his "right bower," as he referred to Mr. Bentley. He declared that the county never had a more honorable member to look after its interest than the retiring member. He expressed his pleasure at having Mr. Ross as a teammate and urged that the delegates support the whole ticket and not give him personal support only. He said he would sooner it was his name that would be left off his friends' ballots than that of his confere.

**MR. ROSS SPEAKS.**

W. A. Ross, in thanking the delegates, said that it was with reluctance he had accepted the nomination as he realized the work that would be needed in the next four years. He expressed his regret at Mr. Bentley's withdrawal from the field. He said that he was willing to withdraw in favor of any other candidate and would work just as hard for that man.

Dr. Curren then addressed the delegates on the need of organization and the importance of getting the women to the polls.

The meeting closed after giving a standing vote of confidence and three cheers for the Veniot Government. The motion was made by A. F. Bentley and seconded by Councillor O'Brien. Cheers were also given the two candidates.

Announcing **"Low-Pressure Tread"**  
a remarkable new development in Dominion Royal Cord Balloon Tires  
**Prevents early and uneven tread wear**

Imprint of a round tread balloon tire.—Note the limited tread area presented to the road. Compare it with that of the Low-Pressure Tread here shown. Due to the peculiar shape a round tread balloon tire takes when moving, this tread wears in two bands, one on each side of the tire, shortening the life of the tire to this extent.

Imprint of the new Low-Pressure Tread.—Note how each tread block continually keeps presenting its full surface to the road. The weight per square inch carried is greatly reduced. The tread wear is evenly distributed and is much slower, giving more mileage to the tire.

THIS new feature is exclusive to Dominion Royal Cord Balloons—the only Balloon Tires with the precisely correct tread necessary to meet the special requirements of a balloon tire.

The flat contour of the new Low-Pressure Tread presents to the road 15 to 25% more tread surface, permitting your balloon tires to wear slowly and evenly. It is the first tread ever designed to properly meet the requirements of a Balloon Tire. These essentials are decidedly different from those of a high-pressure tire, with its rounded tread, that wears so unevenly when used on a balloon tire.

Low-Pressure makes possible the low inflation necessary to ideal balloon tire cushioning and longer service. Low-Pressure Tread also gives better traction, better non-skid protection, easier steering and greater stability.

Look at the two tires tested under identical conditions except for mileage. (Drawn from photographs.)

Tire A, with its rounded tread, has worn down at the sides, while tire B, with the new "Low-Pressure Tread," has had the wear distributed evenly over the tread. It presents a flatter surface to the road. It gives more mileage.

Tire B carried the same load under the same pressure as tire A, but it went 1,000 miles more. What could be more convincing than this graphic story of wear quality!

Four or five pounds difference in air pressure greatly affects riding quality and comfort. The new Low-Pressure Tread in Dominion Royal Cord Balloons permits lowest inflation. No wonder Dominion Royal Cord Balloons stand alone for longer wear and riding comfort. In Dominion Royal Cord Balloons, alone, is this new high standard of tread wear available!

Dominion Royal Cords are the only Canadian tires with latex-treated web cords—  
—a cord construction in which the individual cords are webbed together with pure rubber latex without injurious chemicals.

## VISITORS HONOR SOLDIER DEAD

### Boston Canadian Club Members Place Wreath on Monument Here

### Impressive Scene at King Square—Addresses Made by Visitors and Governor.

The Boston delegation of Canadian Club and Woman's Auxiliary members being entertained here this week by the two local Canadian Clubs, grouped around the new Soldier Memorial, King Square, this morning and Howard L. Allen, of Boston, a member of Colonel Percy Guthrie's Kiltie Battalion in the Great War, placed a wreath of everlasting magnolia leaves at the base of the plinth with the words: "As a member of the Canadian overseas forces and in the name of the Kiltie Battalion to which he belonged and the American Legion I take deep pride in placing this simple memorial of honor to our brave dead boys and those who survived."

It was a deeply impressive moment and Mr. Allen, tall, soldierly and with prematurely white hair, delivered his brief tribute with a voice vibrant with emotion. All heads were uncovered and the circle of 50 Canadian Club people of both cities and several hundreds of the general public, reverently applauded the placing of the wreath. A ribbon bore the printed inscription, stating that the tribute was from the Woman's Auxiliary of the Boston Canadian Club.

**SEVERAL GAVE ADDRESSES.**  
Following the placing of the wreath, Mrs. Rupert D. Foster, president of the Boston Auxiliary, spoke, stating that it was with great pride the women of her organization were taking part in the simple little ceremony, a tribute so richly deserved by the brave men who gave their lives to make the world safe for all. The Boston Canadian Club Auxiliary members still loved the Canadian homeland and were loyal to its aims and aspirations and today's note of affection and honor was only a fitting one to sound.

**J. F. MASTERS HEARD.**  
John F. Masters, a past president of the Boston Canadian Club, and upon this visit representing President A. M. Johnston, was introduced by Mayor Potts, who outlined to the visitors the history of the memorial and commended the Boston delegation highly for their show of Canadian patriotism and international courtesy.

Mr. Masters said this occasion would certainly leave a deep imprint upon the minds of all visitors present. Canadians in Boston and elsewhere in the United States, did not forget the old home land. It was delightful to be again in the Loyalist city of Saint John and enjoy its famed hospitality. He congratulated the city upon raising so grand and artistic a monument to the revered memory of the brave boys who died in the war. Mr. Masters said that one of the Boston party, Mrs. F. C. Masters, his sister-in-law, had lost a son in the war, R. C. Duncan, whose name was inscribed on the memorial tablet in the Royal Bank here, where he was employed at the time of enlistment.

Mr. Masters conveyed the greetings of the Boston Canadian Club to the people of Saint John and said that in New England there are over 800,000 former Canadians.

**GOVERNOR SPEAKS.**  
Lieut. Governor Todd dwelt upon the splendid spirit displayed by today's tribute and in glowing terms spoke of the Anglo-Saxon element and its indissoluble bond cementing the whole North American continent.

David Sprague, chorus leader of the Boston Canadian Club, led the whole party through the British national anthem and a verse of the American national hymn and there was an exchange of cheers by the Canadians and Americans.

Besides the Canadian Club members and official group among those present at the ceremony were: Col. E. T. Sturdee, R. T. Hayes, President F. A. Dudley of the United Hotels Company of America; Vernon S. Cardy, manager of the Mount Royal Hotel, Montreal; R. A. Armstrong, several clergymen, Thomas Bell, many relatives of soldier dead and citizens who came specially to join in the tribute.

The party was photographed for news purposes, souvenirs for the Boston folks and for the movies, including the Pathe Weekly because of the international character of the event.

## WILL HAVE CLOCK

### Official Time to be Given From Old Post Office Building When Restored.

In the remodeling of the old post office provision is to be made for a clock, and it will give official time, as it will be connected with the observatory and regulates from there. The tenders for the restoration of the building will close on July 7. The amount of \$75,000 has been appropriated for the purpose of restoring and remodeling this building.

## Hotel Men Hold Conference Here

A short conference of members of the Maritime Hotel Association was held in the Admiral Beatty Hotel this morning and matters in regard to tourist traffic were discussed. A formal meeting, it was decided, will be held here on here. Hon. Frank A. Dudley, president of the United Hotels, George H. O'Neill, Canadian manager of the United system, Manager H. A. Peters, and George H. Clark, of the Boston News Bureau, spoke briefly. Others attending were H. C. Brown, John R. Alexander, A. C. Cox, C. B. Dixon, William Mumberquette, and P. F. Richard.

## Dominion Day at Post Office

At the Saint John post office Dominion Day, July 1, will be observed as follows:  
The money order office will be closed. The general delivery, registration and stamp windows will be open from 9 to 10 a. m. and 6 to 7 p. m. There will be no delivery of letter-carriers. The street letter boxes and parcel receptacles will be collected by team as usual. Mails will be despatched at the regular hours.

**PAVING WORK**  
Councillor O'Brien said this morning that good progress was being made with the paving in the Parish of Lancaster. One side of the road from Fairville corner to Tilton's corner has been completed and the other side is now being excavated. Early next week a start will be made on the paving of Prince street from Tilton's Corner to City Line.

**GIVEN SHOWER**  
Miss Elizabeth Bartlett was the guest of honor at a novelty shower given last evening at the home of Mrs. E. C. Flewelling, Cedar street. Pretty gifts were presented to Miss Bartlett on behalf of the company by Rev. G. MacDonald, pastor of the Victoria street Baptist church. The shower was given by members of the Sunday school class to which Miss Bartlett belongs.

**PORT CHARGES.**  
That the port committee would soon be called on to discuss the matter of rates for the season of 1925-26 was stated this morning by Commissioner Bullock. He said the agreement for the reduction of port charges on certain commodities would expire on November 30. The commissioner said the men of the department were making the usual repairs to the doors of the West Side sheds. While this work was being done by city workmen, he said, it was being paid for by the C. P. R. under an agreement with that company.

**GARDEN PARTY HELD.**  
The grounds of the United Church, Silver Falls Methodist, are gay with decorations today for a garden party being given under the auspices of the Ladies' Aid of the church. Three large tables are set for supper on the lawn with Mrs. Frank Bustin, Mrs. William Arthur and Mrs. Sydney Wyatt each in charge of a table. Mrs. E. J. Young and Mrs. LeBaron Jordan have charge of the fancy work. Mrs. Samuel Armstrong and Mrs. Fred Snodgrass are in charge of the refreshments. Mrs. A. E. Jesselyn of the scallops. The young ladies of the church are acting as sales ladies and will serve at the supper hour. The money raised will be used for church purposes.

## As Hiram Sees It

"Well, sir," said Mr. Hiram Hornbeam to The Times reporter, "old Saint John is comin' along fine. Here you got a noo hotel—an' the's gont to be a packin' plant an' a cannin' fact'ry an' a cigarette fact'ry—an' the insurance on ships has been brought down so's you'll get more steamers this way—an' it looks as if you'd get that there coke plant—an' you're layin' the corner stone o' the finest vocational school in Noo Brunswick—an' you got nice little peppy fight over church union. I callate no feller has any call to say the's anything wrong with the way this town is tryin' to make things better for this world an' the next. All you want now is fer Primer Veno to call on them there elections an' things'll whoop around here. I was thinkin' I'd write you a letter or two fer the paper—but Hamner says I'd make folks laugh at my ides of what we orto do—so I guess I'll jus' let you say that if anybody wants to know anything they kin send me a letter to The Settlement an' I'll tell 'em how to get rich or be saved or cure warts—yes, sir."

## MRS. M. WADE IS DEAD AT AGE OF 84

### Tragedy Marked Her Life 49 Years Ago, When Husband Was Drowned.

Laurence, Manawagonish road, died this morning, leaving besides her daughter, one son, John Wade, a sister, Mrs. Agnes Anderson, four grandchildren and four great-grandchildren, all of West Saint John. Mrs. Wade celebrated her 84th birthday last year. She was a woman of vigorous health and lovely character and her benefactions to the sick and bereaved are recounted by many.

## HUNDRED CASES OF LIQUOR ARE SEIZED

### Saint John Revenue Men Make Find in Barn Down The Bay.

A lot of liquor was seized yesterday afternoon by Canadian revenue officers at Dead Man's Harbor, on the N. B. coast south of here. The work of checking it was carried out today at a bonded warehouse here. The liquor was found in a barn.

The officer in charge said that large quantities of liquor were being smuggled in along the coast. The fact that the three-mile limit law was in force so far as Canada was concerned made efforts to stop the smuggling difficult. He said that at the present time there were three schooners loaded with alleged contraband cruising back and forth between Lepreux and The Wolves.

## THREE ARE SENT UP IN ASSAULT CASE

### Bail is Accepted For Harold Winchester—Case Likely to Grand Jury at Once.

George Winchester, Harold Winchester and Robert Short were committed to trial by Magistrate Henderson in the Police Court this morning. All three had pleaded not guilty of assault upon Mrs. Stratton. In the case of Harold Winchester, His Honor said the presumption of guilt was not so strong, and he admitted him to bail of \$4,000, \$2,000 himself and \$1,000 each from sureties. It is expected the case will come before the grand jury of the circuit court now sitting here. E. J. Henneberry appeared for the two Winchester and J. Starr Tait for Short.
