TALKING IT OVER
IN LONDON WITH
TURK DELEGATES

Latter in Two Factions at
Near East Conference

Some Belief, However, That,
While Outwardly Hostile,
They Are Working With a
Common Purpose—Revision
of Treaty of Sevres.

London, Feb. 23.—Consideration
of Near Eastern problems by Allied
and Turkish delegates began here this
morning. The Turkish representatives
entered the conference in two separate
bodies, the Turkish Nationalists envoys
refused to join the delegates of the
sultan's government.

Premier Lloyd George, Premier Brian
of France, Count Sforza, Italian foreign
minister; Earl Curzon, secretary of
state for foreign affairs, and the Japanese
delegates were present.

The Turkish representatives were
given a separate table. Tewfik Pasha,
representative of the Sultan's govern-
ment, looked feeble and ill when he was
assisted into the room by members of
his staff.

Behr Samy Bay, head of the Turkish
National delegation, accompanied by
his colleagues and a secretary, entered
the room after Tewfik Pasha.

The two Turkish delegations, although
in word and attitude hostile to each
other, nevertheless apparently have
a common purpose, many observers credit-
ing them with acting on the theory that
they can obtain more by acting apart
than by fusion.

The Anglo delegation has given the
French to understand that if the confer-
ence does not grant an adequate revision
of the treaty of Sevres, Mustafa Kemal
Pasha desires to negotiate direct
with France.

The nationalists affirm that they
have 60,000 men in reserve, well equip-
ped for field service.

London, Feb. 23.—At this morning's
meeting of the Allied Council, Lib-
eralism applied for recognition de jure, but
the council postponed the application un-
til "more important matters" have been
settled. The opinion is general here
that final adjustment of all outstanding
questions, including the Near East, must
wait a settlement of reparations with
Germany.

EXTENSION OF
TIME SOUGHT

Grand Falls Company Wants
Two More Years

Application to Be Made to the
Provincial Legislature Relative
to Time for Beginning
Development.

Fredericton, N. B., Feb. 23.—The
proposition which the Grand Falls Co.,
Limited, are making to the provincial
government for a renewal of their rights
in the water-power at Grand Falls on
the St. John River, is revealed in a notice
published in the Royal Gazette today.
The notice states that application will be
made at the coming session of the legislature
for the passage of an act providing that
the time limited for the commencement
of work by the Grand Falls Co., Ltd., in
the development of the water-power at
Grand Falls shall be extended for a
period of two years from May 1 next.

Premier Foster recently gave out an
opinion that the company's rights would
expire in April, 1921, because of their
failure to expend \$100,000 in actual bona
fide development work in Grand Falls
on or before January 10 last or one year
after the official stoppage of hostilities
in the great war.

The Grand Falls Co., Ltd., is con-
trolled by the International Paper Co.
and other pulp and paper interests have
been known to be anxious to secure the
power rights at Grand Falls. At the last
session of the legislature a special act
was passed empowering the government
to take over the power rights at Grand
Falls under certain conditions.

JUMP IN PARACHUTE FROM
HEIGHT OF 22,000 FEET

Fort Hill, Ark., Feb. 23.—What is
believed by aerial officers to be a world's
altitude record for a parachute jump
was established yesterday when Serg.
Easel Chambers jumped from an air-
plane, piloted by Lieut. Wagner, at a
height of 22,000 feet, during an aerial
circuit. The previous record is said to
be 20,900 feet. Chambers landed six
miles from his take-off.

AUSTRALIA BUYS BIG
LOT OF CUBAN SUGAR

Havana, Feb. 23.—The Australian gov-
ernment is making extensive purchases
of Cuban sugar, which is being shipped
from various ports. It is reported that
1,000,000 sacks of sugar have been con-
tracted for.

U. S. ARMY STRENGTH

Washington, Feb. 23.—A United States
army of an average strength of 176,000
for the next fiscal year was provided in
appropriations approved yesterday by the
Senate sub-committee on military affairs.
This strength compares with an average
of 160,000 as provided for in the bill as
passed by the House.

MONTREAL MILK
MEN CUT PRICE

Montreal, Feb. 23.—It was announced
today by several milk officials that be-
ginning on March 1, there will be a re-
duction of two cents a quart and one
cent a pint in the price of milk. The
price will then be 14 and 8 cents.
These dealers also announced similar
reductions in cream and buttermilk. The
distributors say that they intend to force
the producers to lower their price from
thirty eight cents a gallon to thirty
cents.

BONAR LAW ON
NAVY QUESTIONS

Not Desirable to Express
Opinion Till New U. S.
Government Takes Office.

London, Feb. 23.—Andrew Bonar Law,
questioned in the house yesterday as to
whether Great Britain would approach
Japan and the United States for the pur-
pose of conferring on naval construction,
replied that until the new United States
government has taken office it would not
be desirable to express an opinion or
suggestion.

Another query was raised as to
whether the cabinet had decided on any
policy concerning the building of capital
ships, in view of the Japanese and Amer-
ican programmes.
Mr. Law said the matter still was
under consideration by the committee
on imperial defence, and no decision had
yet been reached.

for Madawaska county, and his resigna-
tion has been accepted.

WING OF ASYLUM
IN HAMILTON,
ONT., BURNING

Hamilton, Ont., Feb. 23.—The Orchard
House, wing of the Ontario Hospital for
the Insane, is on fire. Five hundred pa-
tients confined in the building, it is be-
lieved, have all been rescued. The city
fire department has been called upon for
help.

Several more or less insane patients
secured their liberty, but all of the
others escaped injury.
The asylum is on a high eminence,
and a heavy northwest wind is blowing.
The fire brigade is fighting hard to save
other buildings of the institution. The
patients were marched into another
building.

TWO KILLED AT
A MEETING OF
A COAL COMPANY

Brother of One is Held—
Trouble Over Sales Below
Market Price.

Belleville, Ill., Feb. 23.—George H.
Beatty, thirty years old, of Belleville,
and Otto Klingenfuss, fifty-one, of Mas-
sacoutah, are dead, and Dr. James Beatty,
fifty-one, a brother of the dead man, is
held in the county jail here today as the
result of a quarrel at a meeting of stock-
holders of a coal company at Mascoutah
yesterday.

The three, with Roland Beatty, an-
other brother, are said to have differed
over selling of the company's coal below
the market price to the two men killed.
According to Roland Beatty, his elder
brother, Dr. Beatty, struck him with a
stove poker during the argument, and he
ran from the room, returning when he
heard two shots fired, to find his brother
George and Klingenfuss on the floor dy-
ing.

TRYING RELAY
MAIL SERVICE
ACROSS THE U.S.

Chicago, Feb. 23.—Jack Knight, east-
bound air pilot, left St. John today in
attempt at continuous relay of transcon-
tinental air mail, arrived at Iowa City,
Ia., at 4:45 p. m. today and left a few
minutes later for Chicago.

Pilot W. J. Smith, westbound flyer,
who arrived here at 8:20 a. m. yesterday
and left for St. John, will continue be-
cause of snow and high winds, resumed
his westward flight at 8:45 a. m.

Omaha, Neb., Feb. 23.—The United
States government mail services first at-
tempt at a continuous transcontinental
day and night flight resumed unbroken
this morning as far as the west-to-east
flight is concerned when Pilot Jack
Knight hopped off for Chicago at 1:50
p. m. and was expected to land at
North Platte and without taking any
rest.

The mail train which was taken
from the plane of Capt. W. F. Lewis,
killed at Elk, Nevada, yesterday morn-
ing, as he took off for the first lap of
the flight. Knight has never been over
the route from Omaha to Chicago.

Chicago, Feb. 23.—Completing more
than 1200 miles of flying Jack Knight,
arrived here at 8:40 this morning. Twen-
ty minutes later J. O. Webster took
the flight for the east.

TURN OVER TAX;
NO EXEMPTIONS

Winnipeg, Feb. 23.—M. C. Ellis, presi-
dent of the Canadian Jewellers Associa-
tion addressing the association's conven-
tion here, said that the government turns
over tax to be applied to all businesses
as a substitute for the excess profits
tax.

From such a tax he contended there
should be no exemptions.

OUR SKATERS PLAN TO
ENTER MORE RACES

Frank Garnett, Murray Bell, L. Floyd
and Lawson are going to Sussex tomor-
row evening to participate in a series
of races. Garnett and Bell are both en-
tered in the half mile and mile events
and the boys are going to enter races in
their class.

It is understood that the New Brun-
swick skating championships will be held
in Moncton in the near future and that
some of the local skaters will enter.
Clement O'Connor, aged twelve years,
and Bernard O'Connor, aged fifteen, ex-
pect to enter all the events and will wear
the colors of St. Peter's Y. M. C. A.

VACCINE AND THE FLU

Kingston, Ont., Feb. 23.—Prof. R. B.
Reed, who during the war was O. C. to
military laboratory for Military District
No. 3, and who has been conducting in-
vestigations at Queen's University into
the nature of influenza, addressing a
meeting of medical men and students at
the university yesterday, said that of
the work done at Queen's in parallel
groups, twenty-two per cent. of the un-
inoculated developed "flu," while only
six per cent. of the inoculated devel-
oped the disease. Statistics in other
places, he said, were similar.

The chief disadvantage of vaccine,
Prof. Reed said, seemed to be that the
protection it afforded was only of a few
months' duration.

DEPENDS JUDGE LANDIS

New York, Feb. 23.—Expressing the
belief that "in due time Judge Landis
will devote all of his talent and energy
exclusively to baseball," John A. Hey-
den, president of the National League, is-
sued a statement here last night criti-
cizing the men who seek impeachment
of the judge.

BUSINESS TROUBLE

New York, Feb. 23.—An involuntary
bankruptcy petition was filed here to-
day in federal court against the Leslie
Judge Co., Fifth Ave., publishing cor-
poration, on behalf of three creditors
with claims totalling more than \$800,
000.

As Hiram Sees It

"Hiram," said the
Times reporter to Mr.
Hiram Hornbeam, "the
sky is a little more blue
than it was—don't you
think?"
"What's made you
ask that question?"
queried Hiram.

"I am interested," said
the reporter. "I watch
it every clear day. It
has a message for us.
The winter has not been
severe, but it gets on
my nerves along toward
the first of March."

"Well," said Hiram,
"the sun is getting more
power every day."
"Are there long icicles
on the eaves of the barn
on the sunny side?" eagerly asked
the reporter.

"The Temps says:
"We regret that the first decision
taken in London should be an unjustified
concession to Germany. Such a
method will not ensure peace."
In politics circles regard is expressed
that the first step the French delega-
tion has taken in London "should be a back-
ward one."

"You can't forget it—kin you?" said
Hiram. "But we look after the hens and
the eggs better now—of the cattle, too—
yes, sir. The snow don't beat into the
barn through the cracks between the
boards like it used to. They've been a lot
changed since we was boys."

"Ah!" said the reporter. "How I would
like to see them—and go into the barn
and see the hay and the straw—and
think myself a little boy again, looking
for a frozen egg in some secluded cor-
ner."
"No," said Hiram, "they don't. An'
if you want to come out with me an'
help haul 'em in—you'll find the old bod-
ies 'em in on the job an' the woods the
same as ever."

"Tell Mrs. Hornbeam," said the re-
porter, "to prepare the pork and pan-
cakes—I'll be there."

HARDING FILLING
OTHER POSITIONS

Also Turns Attention to Ad-
dress for Inauguration.

St. Augustine, Fla., Feb. 23.—With only
a few formalities remaining finally to
close the election of his cabinet Presi-
dent elect Harding gave his attention
today to the preparation of his inaugural
address.

Several invitations and acceptance have
not yet been exchanged in regard to
three of the ten cabinet places. Den-
ver of Michigan, Herbert Hoover, of
California, and James J. Davis, of
Pennsylvania, slated respectively for the
war, commerce and labor.

WARE STORMS

Warning Sent Out to Atlantic
Points From New York
Bureau.

New York, Feb. 23.—Warning of more
storms along the Atlantic coast was is-
sued today by the weather bureau. A
northwest disturbance from New York
to Norfolk, Va., was predicted, and a
southwest storm from Bridgeport, Con-
necticut, to New York.

The warnings given out at nine thirty
a. m. said the storm centered over Lake
Huron "will move rapidly eastward, at-
tacking the coast of New England and
northwest gales today and tonight."

they may hold in companies, is to be
presented to the house by A. R. Mc-
Master, Liberal M. P. for Bromo.

SAY IT GIVES
ADVANTAGE TO
THE GERMANS

Paris Papers Dissatisfied With
Decision of Allied Confer-
ence in London.

Paris, Feb. 23.—Much dissatisfaction
has been caused here by a decision of
the Allied conference in London that in
the plebiscite in Upper Silesia to deter-
mine whether it shall be Polish or Ger-
man all the voting shall be held the same
day, it being declared the decision fav-
ors the Germans.

The Temps says:
"We regret that the first decision
taken in London should be an unjustified
concession to Germany. Such a
method will not ensure peace."
In politics circles regard is expressed
that the first step the French delega-
tion has taken in London "should be a back-
ward one."

Many members of the chamber al-
ready are preparing to interpellate Prem-
ier Briand on the subject when he re-
turns from London.

WITNESS IN THE
SPRACKLIN CASE
DEAD IN WINDSOR

Windsor, Ont., Feb. 23.—(Canadian
Press)—Ernest Desjippe, one of the star
witnesses in the Spracklin manslaughter
case, who has been with pneumonia,
died at Windsor evening, died at seven
o'clock this morning.

It is understood that the evidence
given by him at the inquest will be used
at the trial.

BOSTON POLICE
AUTO IS STOLEN

Boston, Feb. 23.—While the driver of
the city hall station motor wagon was
in the city hall, a witness at an up-town
branch last night some stole the police ma-
chine.

APPEAL AGAINST
THE TERMS FOR
REPARATION

Amsterdam, Feb. 23.—The bureau of
the international federation of trades
unions has despatched to Premier Lloyd
George of Great Britain a message on be-
half of 25,000,000 workers, appealing to
the delegates to the London conference
not to forget the effects their decision
will have on the working classes.

The message protests against the in-
demnities demanded upon the Ger-
mans, which, it is contended, would re-
duce the workers of Europe to slavery
for a lifetime, prevent the re-
construction of Europe, intensify national
hatreds and destroy civilization.

ERROR IN TELEGRAM
REPORTED MAN DEAD

Letter "n" Dropped in Dined Gives
Friends Bad Scare.

Toronto, Feb. 23.—Much concern was
aroused in local financial and commercial
circles when a false report circulated,
to the effect that a man prominent in the
business life of Toronto and in fact,
all Canada, had died suddenly while ab-
sent from the city. The news, which
spread rapidly among the members of
the two stock exchanges and the board
of trade, was given more ready credence
as it was known that the business man
in question had been in poor health for
some time and had gone south to
facilitate his recovery.

The mistake was due to an error in
the wording of a telegram which was
received by friends here, which read:
"Died at the table today." It was found
that the wording should have read:
"Dined at the table today," indicating
that the citizen concerned was doing
well and regaining his health.

I. O. D. E. TO HONOR WIFE
OF MISSING MILLIONAIRE

Toronto, Feb. 23.—Mrs. Ambrose

TWO STILLS ON THE
NORTH SHORE SEIZED

Fredericton, N. B., Feb. 23.—Two illi-
cital stills have been seized in North-
umberland county, according to infor-
mation received here today. Chief Inspect-
or Stewart, a returned soldier, recently appointed, reports
seizing a still on Monday, and this morn-
ing a telegram said that in co-operation
with Inland revenue officers another
had been seized.

IRISH QUESTION
BAR TO CORDIALITY

Viscount Gray Speaks of Re-
lations of Britain and the
United States.

London, Feb. 23.—Viscount Gray, at
a dinner given in his honor by the Na-
tional Liberal Club last night, said he
was one of those who believed there
would be little pleasure or interest in liv-
ing in the world if there was war be-
tween Great Britain and the United
States. The fact was plain to him that
there would not cordiality between the
two countries so long as the Irish ques-
tion remained unsettled.

He referred to the Anglo-American
peace treaty, requiring one year of de-
liberation before war was declared, and
added that he did not believe the two
great democracies would ever go to war
if the treaty was obeyed.

Viscount Gray regretted that the peo-
ple of the U. S. seemed very conscious
of the Anglo-Japanese alliance, but ap-
peared to be unaware of the Anglo-
American peace pact, which was still in
force.

DEATH OF HERMAN ALLEN
Herman Allen, a highly respected resi-
dent of the North End, died this morn-
ing at his home, 46 Adelaide street. Mr.
Allen was for many years an engineer
on the steamer D. J. Purdy and was one
of the best known men in the river ser-
vice. He was a man of sterling qual-
ities and high principles and his passing
is a loss to the community. He had a
great many friends who will sympathize
with the bereaved members of the fam-
ily. Mr. Allen was seventy-four years
of age and a devout Christian. He was
married to Mrs. E. Herbert Gregg and
Mrs. Archibald D. Duncan, all of this
city. The funeral will be held on
Friday afternoon from his late residence.

THE BUSINESS COLUMN

EDITED BY MANSFIELD F. HOUSE

This Plan Puts Pep in Grocery Sales.

Michael Bros. of St. Paul, Minn., are the first grocers in the United States to adopt the departmental idea to the merchandising of groceries. And they have found it to be a tremendous success.

To stand in their store on an average business day and study their method is to convince any one of that fact. And the trade which they do on a cash-and-carry basis from the store itself is eloquent testimony of the popularity of the departmental idea among the trade.

The departmental idea, as we have worked it out here, not only stimulates sales, but saves a great deal of lost motion in the store.

Instead of one clerk handling the whole order and running all over the store to fill it, causing untold waste motion, each clerk has his own back booth and there he stays. He can sell twenty times the goods in one day that he could if he had to chase all over the place for each customer.

Several New York storekeepers, alarmed by the frequency with which dealers have been held up recently by armed bandits, who enter the store in the guise of customers and proceed to help themselves to the merchandise.

Mrs. S. J. Casey and family wish to thank their many friends for kindness and expression of sympathy during their recent sad bereavement.

social organizations, the house committee of which has been anxiously considering the possibility of a dining band of "ladies" bandits entering the club premises and holding up some of the members. To guard against this contingency, the club has installed on the outside of its building a huge electric gong from which run wires to conceal floor push buttons in all parts of the clubhouse.

If an invader enters, any member of the club can step on one of these buttons. At once the gong will set up a great clatter which can be heard by policemen within two blocks in the day and within five blocks at night.

"Old Man Winter" Helps to Sell Coal.
The Utah Fuel Co. in Salt Lake City believes that the public has been taught to mistrust and dislike all coal concerns, and in order to fight the propaganda, it is trying out a good-natured newspaper campaign, with an odd trademark character playing the star part.

1921 MODEL BABY VEHICLES NOW ON DISPLAY
When you go forth to purchase your baby carriage for "the most precious baby in the world," you should always bear in mind the three cardinal principles of proper baby carriage construction. The first principle is that of comfort for baby and you. The second—and often the first considered—is beauty. Beauty means symmetry of lines; harmony of color in the body, running gear and upholstery; perfection of wicker weaving and general appearance. The third principle is the stability of the carriage. You will find these three attributes—COMFORT, BEAUTY, STABILITY—in our comprehensive showing of Baby Vehicles.

FOR RELIEF OF BRITISH IN NEW YORK CITY

Food and Lodging for British War Veterans Stranded in American Metropolis.

New York, Feb. 23.—(By Canadian Press.)—As the result of a meeting called by Capt. G. L. Armstrong, British consul general in this city, a committee has been formed for the relief of indigent British subjects in New York, in co-operation with St. George's Society, St. Andrew's Society and St. David's Society.

That there is urgent need for the relief of British subjects here—ex-service men, soldiers, sailors and civilians—has been brought home during the past few months, and the outlook is that in the near future this will be very greatly increased. While the societies above mentioned will continue to do their best for years, to carry on their charitable work, it is felt that the situation demands the aid of a united committee to organize and make still more effective the splendid work they have been doing.

Arrangements have been made for the immediate relief of pressing necessities for food and lodging, and for urgent cases with the British Great War Veterans, who will act as though members of the committee through their secretary. For the present, the generosity of the societies represented on the committee will provide the necessary means. There is an average of twenty-five applicants a day for relief, and the committee is able to get employment, so far, for an average of four or five men a week.

MORNING NEWS OVER THE WIRES

As a result of a collision between two trolley cars on the Bridgeport-Shelton line, near High Bridge, Conn., yesterday, eight persons were killed or burned to death and twenty-five injured. The collision occurred near a switch and the cars were traveling at a fair rate of speed. There was a five-gallon can of gasoline in the Bridgeport car, and witnesses said there was a loud report immediately following the crash.

At the Bathurst board of trade banquet last night several addresses were given, and the speakers referred to the proposed hydro-electric in the northern part of the province. Among those who spoke was H. E. Armstrong, secretary of the St. John board of trade.

Before Mr. Justice Chandler in the circuit court at Dorchester, yesterday, true bills were found against William Palmer, Willard Dow, Gordon Read and Harold Jamieson, all charged with theft from the Moncton post office; George Cameron of Moncton, charged with bigamy and Aquilla Melanson of Shediac, charged with theft. No bill was found in the Chester Cole case of Sackville. The William Palmer case was commenced, when the court adjourned. Among the lawyers interested in cases before the court is J. F. H. Teed of St. John.

Henry Starr, famous outlaw, died yesterday afternoon as the result of wounds received while attempting to rob the People's Bank at Harrison, Arkansas.

WHITE TUXEDO LATEST IN NEW YORK STYLES

New York, Feb. 23.—The tailors have thought of a new one—the white tuxedo. The New York Cutters' Club has announced that its fashion show on March 1st and 2nd will be featured by the display of white tuxedos. This style will be adapted to spring and summer weather, so they say, and will be of serge or gabardine. The waist coat will be of the same material as the rest of the suit and will have the more informal V shape bosom opening instead of the usual U shape.

PLAN TO PENETRATE TROPICAL REGIONS

Washington, Feb. 23.—Systematic exploration and research in the interest of natural science will be started in the near future in Central and South America should plans now being perfected by representatives of scientific organizations in this country meet with anticipated success, according to an announcement made by Dr. A. S. Hitchcock, of the Smithsonian Institution.

In addition to exploration along botanical, anthropological, zoological and geological lines, the institute plans to establish a system of research stations and laboratories in the tropics, at which scientific experimentation will be carried on. Because of the necessity of limiting the scope of the organization's activities, at least until the time when it shall be entirely equipped to branch out, Dr. Hitchcock explained, countries outside the two American continents will not be permitted to participate. While the cooperation of all tropical American countries will be sought, it is proposed at present to admit representatives of South and Central American scientific bodies only to associate or correspondent membership.

KILLED 1,000 DEER.
Washington, Feb. 23.—A mighty deer slayer, with a side line taste for sheep, is to be exhibited soon at the National Zoo here. He is a timber wolf trapped by a government hunter in the Cascade Mountains in the Pacific Northwest, after having killed a thousand deer. With its mate the deer slayer is credited with having killed twenty-seven sheep in a single night.

Senator Asks That It Be Disassociated From Condemnation of Government—Yesterday in Parliament.

Ottawa, Feb. 23.—(Canadian Press).—Yesterday, in the House of Commons, the debate on the throne speech was continued by Hon. C. J. Doherty, C. A. Fournier, Bellefleur, H. H. Stevens, Vancouver, Gendron, Arthur Tremblay, Nicolet, F. J. E. Fulton, Kamloops, Dr. Fontaine, Hull, H. E. Stevens called the leader of the opposition and the Liberal members to resign and seek a test in a general election.

Amendments to the regulations governing the Mackenzie River fields were approved by cabinet council.

Speaker Rhodes of the commons and Speaker Box of the senate were sworn in as privy councillors.

The report of the department of Indian affairs was tabled.

The Western Unionists held a caucus. The debate was adjourned by C. R. Harrison, Nipissing, at 10.30 p. m. in the senate.

In the senate, Senator Crosby and Hon. P. E. Blondin continued the address on the speech from the throne. The chamber rose at 10 p. m.

Senator Lynch Stanton gave notice of a bill to amend the gold and silver marking act.

Senator Doherty asked permission to disassociate the department of soldiers civil re-establishment from his condemnation of the government's administration. So far as he could learn, that department was very effective and its work creditable.

FIGHT FOR SEAT IN BRITISH HOUSE

Two Liberals and a Labor Candidate in Yorkshire By-Election.

London, Feb. 23.—(Canadian Associated Press)—The by-election in progress in Penistone, Yorkshire, as a consequence of the retirement of Sidney Arnold, is a shadowy replica of the recent contest in Cardiganshire in so far as two life-long Liberals are fighting one another, the one on behalf of the coalition Liberals and the other on behalf of the Asquith Liberals.

Sir James Hinchcliffe, coalition, has a long and honorable record in the social, educational and political service of the constituency, but the local convention of Liberals refused to recognize him, and apparently at the bidding of the London headquarters of the independent Liberals, decided to support William Pringle, who formerly represented Lanarkshire but has since been twice rejected by other constituencies.

The fact that the Labor party have a candidate in the field complicates the situation, and will undoubtedly affect Mr. Pringle's chances of success.

LEAVES 15 MILLIONS TO DAUGHTER

Alfred Tredway White, banker and philanthropist, who was drowned on Jan. 29 while skating at Central Valley, N. Y., left an estate of more than \$15,000,000, according to the estimate of a friend of the family.

The entire estate was left to the daughter, Mrs. Jean Van Sinderen of 42 Remsen Street, Brooklyn. William Augustus White, the banker's brother, and his son-in-law, Adrian Van Sinderen, were named as executors.

According to officials of the Brooklyn Trust Company, Mr. White made many other benefactions which were not announced at the request. The total amount of these gifts exceeded \$1,000,000.

Mr. White was a member of W. A. and A. N. White, 14 Wall Street, importers and exporters. He was born in Brooklyn in 1846 and was known as "Brooklyn's first citizen."

SCHOOL LEADERS TO HAVE CHANCE FOR TRIP TO U.S.

New York, Feb. 23.—(By Canadian Press.)—A hundred or more Canadian children picked from the class leaders in schools in every part of the Dominion each year will have an opportunity of spending a vacation in the United States if a project which has been launched by the Sulgrave Institute here is carried out.

The plan would provide for an interchange of visits by a certain number of school children of Canada, Great Britain and the United States. The details have not yet been worked out, but it is probable that arrangements would be made to enlist the support of leading citizens, who will be asked to act as hosts to the visiting children.

The object of the plan is to foster a friendly understanding between the people of the three countries. John R. Stewart, chairman of the board of the Sulgrave Institute, is going to London next month and will lay the proposal before the British branch of the organization, when it is likely that detailed plans will be formulated.

FAVORS IT. To the Editor of the Times: Sir: One of the speakers at Monday evening's citizens' meeting is reported in your paper of Feb. 22 as follows: "We have been in other cities where vocational work was carried on and have never opposed it, nor do I oppose it now. On the contrary, I will support any cause that will give enlightenment and that will increase the earning capacity of our young people. I believe vocational training will do both."

Yours truly, GEO. J. SMITH. St. John, Feb. 22.

RECENT DEATHS

The death of Mary J. Campbell, wife of George Campbell, occurred yesterday afternoon at her residence, 2 St. John street, West St. John, after a lingering illness of 49 years. She leaves, besides her husband, two sons, two daughters and one brother.

The many friends of Mr. and Mrs. James H. Worden will extend to them their heartfelt sympathy in their bereavement at the loss of their little son, Albert Beverly, who died yesterday afternoon after a brief illness at his parents' residence, 31 Summer street. The little boy was only four and a half years of age and leaves, besides his parents, two sisters and one brother.

Many friends in the city will be grieved to learn of the death of Mrs. Annie Elizabeth Thomas, wife of the late George B. Thomas, which occurred early this morning at her residence, 188 Queen street, after a short illness. The late Mrs. Thomas was the daughter of the late Asor W. T. Betts and leaves two sons, Mrs. James H. Purdy of Bell River (N. S.); Miss Matilda P. Betts, of Jacksonville (Fla.); Mrs. J. F. Betts, of this city, and Miss Josephine Betts, at home.

Dr. James Caswell, a well-known physician and formerly of Gagetown, passed away yesterday afternoon at his home in Digby, N. S., as a result of heart failure. He was a native of P. E. Island, and was sixty years of age. He was a graduate of the Bishop Medical College in Montreal, from which institution he was a gold medalist. He spent most of his life in Nova Scotia and New Brunswick, but practiced in Manitoba for a short time.

R. C. Wright, manager of the Royal Bank of Canada's Windsor, N. S., branch, died at his home last night after a brief illness. He was sixty-three years of age and is survived by his widow and four daughters.

The death of Mrs. Edward E. Benson occurred in Newcastle on Sunday evening. She was very popular among a wide circle of friends. She is survived by her husband and two daughters.

At Tracy's Mills, N. B., recently, the death occurred of Irene E. Harris as the result of burns received in an accident on December 30, 1920. She was seven years of age. She leaves her parents and two brothers.

DENIES MERCY TO WOMEN

Washington Judge Calls Penitentiary Only Cure For Razor Wielding.

Washington, Feb. 23.—Justice Ashley M. Gould of the District of Columbia supreme court, a student of the psychology of crime and criminals, in refusing to place on probation two women razor wielders, remarked: "This kind of an offence—committed with a razor, gun or a blackjack, is what has made Washington the most notorious city in the world for murder. There are too many acts of this sort which culminate in murder, and penitentiary sentence is the only cure I know for such a condition."

A SURPRISE PROGRAMME. The Women's Missionary Aid of the Main street Baptist church held a much enjoyed open meeting last night when the president, Mrs. David Hutchinson, was in the chair and a large gathering attended and an excellent programme was given. It was a surprise programme. Those who took part were: Miss Verta Wilson, Miss Eva Lettney, Mrs. F. E. Marven, Mrs. Hazlett, Miss Hazel Flewelling, Miss Matilda Bailey, Mrs. F. E. Flewelling, Mrs. D. Hutchinson, Mrs. W. F. Roberts, Mrs. Leslie McLennan, Mrs. McLennan, Mrs. Olmstead, Mrs. Perry, Mrs. Cowan, Mrs. Prince, Mrs. Flower and Mrs. Willard Wilson. At the close of the meeting the surprise was still carried on and "intellectual" refreshments were served. They were found to be very appetizing as well as intellectual. A substantial offering was taken.

KNEE SKIRTS DOOMED, SAYS FASHION EXPERT

Chicago, Feb. 23.—The knee-length or higher skirt is doomed and the brilliant colors that have dazzled for some time are a thing of the past according to Mme. Alla Ripley, president of the National Fashion Art League. The league will hold its annual convention here early next month and Mme. Ripley has just returned after a tour of this country and Europe to get a knowledge of coming fashions.

Silver gray will be the ultra smart tone in spring frocks and pastel shades will be preferable to the brilliant colors of last year, she says. Superfluous trimmings are to go and there will be no normal waist lines. The long straight effect, or very low belted frocks will supersede all other models.

REPORTS 20,000 CHILDREN KILLED YEARLY IN ACCIDENTS. Washington, Feb. 23.—Accidents take the lives every year of 20,000 children up to the age of fourteen years, so the Red Cross disclosed in a tabulation. It shows that 167 out of every 1,000 child deaths between the ages of five and nine are due to accident, while between ten and fourteen years the ratio is 177 to the thousand.

Statistics for 1919 showed more deaths from accidents than epidemic diseases among children. The percentages of total deaths were: Accident, 17.7; epidemic disease, 17.1. Of the accidental deaths in the five to nine year period thirty-nine per cent. were due to vehicles, and in the ten to four years thirty-two per cent. to the same cause.

MILD WINTER STIRS BIRDS

They Are Reported Singing, Mating and Breeding in North Woods.

Boston, Feb. 10.—Birds are singing, mating and breeding in the north woods. Edward Howe Forbush, state ornithologist, said that the unusual warmth and openness of the winter had stirred the birds much earlier than usual. Cross-bills have been singing for several days in the White Mountains and elsewhere in the north country, he said. Mating has begun and several nests of young have been found.

Mr. Forbush said there had been a fairly general movement of birds toward the north. Bluebirds were reported in flocks from the Connecticut valley and other points and the tree sparrows are beginning to appear in numbers.

THE KING'S DAUGHTERS. The King's Daughters, at a special meeting held at the guild yesterday afternoon, received very gratifying reports of the recent tea and sale held in aid of the Furline House for the Aged. Mrs. C. A. Clarke was in the chair. Several cash donations were acknowledged and it was thought that when all returns of the tea and sale were in that the objective would have been reached and perhaps exceeded. Letters of thanks will be written to all who had helped to make the event so successful. The death of Miss Pritchard was spoken of with regret and a tribute was paid her work for the order. She was a charter member of the ministering circle, the oldest circle in the city, and had given invaluable service to the city union also, having been its secretary for several years.

WOMEN'S CANADIAN BUSINESS CLUB FORMED IN NEW YORK CITY. New York, Feb. 23.—(By Canadian Press.)—A Canadian Business and Professional Women's Club has been launched in New York by a number of women from the Dominion who are engaged in business in this city. The object is to provide a medium of social intercourse for Canadian women resident here and, to provide a means for assisting those who may be temporarily in need of help. At a recent meeting the organization was formally launched and officers were elected.

RECEPTION TO CHARLES GORMAN

Fitting Tribute to Speedy Local Skater in Pythian Castle Last Night—Proposal for the Erection of New Arena Brought Out.

The great reception and complimentary banquet tendered Charles I. Gorman last evening in the Pythian Castle by the Athletic branch of the Commercial Club and the Knights of Pythias, brought together one of the greatest gatherings of lovers of good clean sport that has ever met in this city.

CHAMBERLAIN'S

The Best Cough Medicine

"I have used Chamberlain's Cough Remedy ever since I have been keeping house," says L. C. Harnes of Marbury, Ala. "I consider it one of the best remedies I have ever used. My children have all taken it and it works like a charm. For colds and whooping cough it is excellent." Keep Chamberlain's Cough Remedy by you—it is a friend in need.

COUGH REMEDY

Addresses were also given by Hilton Belyea, Frank Garnett and Murray Bell, three of the present-day speed skaters of this city; also Fred Bailey, Wilfred Campbell, W. A. Lockhart, Fred Logan and Hudson Beers, who in former years won signal honors on the steel blades.

In reply to the toast to other organizations, Thomas Nagle, for the Y. M. C. A., and E. R. Hansen, for the Y. M. A. of St. Peter's, all made brief speeches telling of the activities of their organizations and of their willingness to help in promoting sport. They all expressed willingness to help in the building of the arena.

old of its willingness to aid sport and help in all manners possible. A vote of thanks to the St. Mary's band was proposed by the mayor and one to the entertainers was proposed by B. L. Sheppard.

During the evening various choruses were sung under the direction of Dr. H. L. Spangler, and solos were given by David Lattimer, William Lanyon, John Rossley and J. E. Tull. D. Arnold Fox was an efficient accompanist.

The gathering dispersed at a late hour with the singing of the National Anthem. On behalf of the Commercial Club, H. R. McCallan presented to Mr. Gorman, a twenty-one jewel movement solid gold watch; Chancellor Commander John F. Kelly, on behalf of the Knights of Pythias, presented to him a gold ring with the K. of P. crest raised in colored enamel; Charles Baillie, on behalf of his local chums, a beautiful club bag; F. W. Coombs, on behalf of the South End Improvement League, a silver medal; W. J. Brown, an illustrated address from the G. W. V. A.

That St. John should have an up-to-date skating arena was emphatically brought out by Frank White, H. R. McCallan and others. The advantages which would be derived, and the opportunities for holding big championship skating meets, as well as hockey matches were clearly set forth. That an endeavor will be made to have this materialize was evident.

During his remarks A. W. Corey pointed out that all lovers of sport should bear in mind that next Monday a plebiscite will be taken on "Daylight Saving" and said that extra hour of daylight is absolutely essential during the summer months if sport events are to be held. His remarks were enthusiastically applauded.

LOCAL NEWS

In an interesting lecture before the Natural History Society, last night, Dr. George F. Matthew described the geology of the St. John district. He spoke of the fossils and plant life and the climate of ancient times. The president, H. B. Emerson, was in the chair.

Rev. T. Hunter Boyd gave an illustrated lecture on Czecho-Slovakia in the First Free-Byerian church, West St. John, last evening. He paid a high tribute to the University of Prague, which was founded in 1348 by Charles IV. During his stay in the city Rev. Mr. Boyd will give a series of lectures on the southern republics of Europe.

At a meeting of the executive of the St. John District Boy Scouts Association last night, the provincial commissioner, A. C. Skelton, in the chair, arrangements were made for a display of boy scout work at the armory about Easter time. J. A. Stiles, assistant chief commissioner for Canada, will address a meeting early in March. Commissioner G. L. Short reported the organization of a new troop.

At the afternoon session of the meeting of the St. John district of the Methodist church yesterday afternoon discussion centered around the paper read by Rev. G. F. Dawson on "City Problems and How to Solve Them." The drift towards moving planters, the present craze for social amusements and the tendency towards children keeping late hours were characterized as interferences with church work.

Describing the unlimited resources of Labrador, Dr. Padden of the Grenfell Mission gave an interesting address to a large audience in Trinity school room last night. He told of the immense amount of iron ore which could be shipped from there and the available water power to develop the mine. The most supply in Labrador is also unlimited. A vote of thanks was extended to Dr. Padden for his address, and to the church wardens for use of the hall. Dr. Murray MacLaren presided.

MARINE NOTES

With all her food supply gone and her coal bunkers virtually empty, the Canadian Signal cutter arrived in Boston from Fowey, England, a week overdue. Her engines broke down in mid-ocean, and for hours she was tossed about by the seas. Rough weather was encountered during the voyage.

SHIP NOW HERE FIGURED IN A RESCUE AT SEA

Proof positive of the value of direction finding apparatus for life-saving on the seas was furnished by an experience of the Head In steamer Panad Head, now lying at No. 5 berth on her last trip out of St. John. The Norwegian steamer Ontaneda was drifting helplessly about in mid-Atlantic with a broken down engine and a list of fifty degrees. Feeble messages from her wireless reached the Panad Head and Captain Finlay of the latter steamer was surprised to find that the disabled steamer was directly ahead of him and not very distant. The captain of the Ontaneda could not get his direction accurately because of the very thick weather, but the direction finding apparatus of the Panad Head performed

COLGATE'S RIBBON DENTAL CREAM

Do You Just Brush Your Teeth—

Or do you Clean Them Safely?

"Brush your teeth the way they grow." If you merely brush across your teeth, particles of food are left in between them, which decays and soon a good tooth is gone.

With your Colgate's Ribbon Dental Cream sweep up and down—from the gums. Get between the teeth. Then, with a brushing of the tongue, gums and inside your cheeks your mouth will be clean and wholesome.

Dentists recommend this Canadian product as a safe, wholesome dentifrice for every man, woman and child.

**BUILDING TOOK
DRASTIC SLUMP
DURING JANUARY**

Permits to Value of \$2,305,687
Issued During Month

Outlook Uncertain—Decline
Due to Series of Adverse
Facts—Building Loans Are
Scarce—Construction Costs
Continue High.

(Financial Post.)
Building undertaken in the open
month of the year was of small pro-
portions, and indicated clearly that, so
far at least, the downward movement
of prices of materials and labor has
progressed sufficiently far to stifle
building on a broad scale. The
figures for the month will prove a dis-
appointment to those who were looking
for the beginning of better times in the
building trades with the opening of
the year. The grand total of building per-
mits issued during the month amounted
to \$2,305,687, a considerable decline from

\$4,067,374 for the previous month, and
compared with \$3,774,137 for the cor-
responding month of the previous year.
The slump during the past month was
not unexpected, and can be attributed
to a variety of causes, among the most
important, perhaps, the great scarcity
of money for building loans. There is
no doubt that costs which enter into con-
struction are so shaping themselves that
the builder will before long be in a
position to undertake building with a
fair prospect of a reasonable return, and
consequently a fair degree of activity is
looked for in the spring. Whether it
will reach the volume attained during
the height of activity last year is con-
sidered highly improbable by many
builders.
A survey of the list of building figures
reveals some interesting information. A
number of cities report a large decrease

**LOWER PRICES ARE
STILL ESSENTIAL**

So Says the National Bank of
Commerce of New York—
Back to First Principles.

(National Bank of Commerce, New
York.)
Business sentiment is somewhat mixed,
and while in some lines there is improve-
ment, all signs indicate a period of hand-
to-mouth business, based upon immedi-
ate requirements for prompt delivery.
Whatever opinion may have been enter-
tained a month or two months ago, it is
now clear that the process of placing
business upon a level fairly comparable
with that which prevailed prior to 1914
is in progress. The process will be ac-
celerated by the readjustment of those basic
commodities which have as yet remained
almost untouched by the movement to-
ward lower prices. Particularly is this
the case with regard to iron and steel,
the necessary materials for practically
every industry.

Retail prices and labor costs have not
kept pace with falling commodity prices.
Labor costs must be readjusted to new
price levels in an orderly fashion with
the greatest possible recognition of the
social problems involved. Viewing the
matter as a whole, further lowering of
retail prices must come before the busi-
ness situation can be said to be once
more in stable equilibrium. Retail prices,
as is usual on a falling market, have
lagged behind the downward movement
of wholesale prices and their adjustment
has been delayed by the introduction
during the past few years of a temporary
speculative element into the circle of dis-
tribution. These speculative middlemen,
who for the most part serve no economic
purpose, have largely been eliminated by
rapidly falling commodity prices, but the
effect of their presence is still felt to
some extent in the unduly high cost of
much of the present retailers' stocks, as
well as in a general lowering of the
standards of commercial morality and a
disregard of trade conditions.

It is difficult to conduct business at a
profit in a period of sharply declining
prices. Precipitous declines in commodity
markets are believed to be passed, except
in the case of iron and steel and a few
other commodities where the full forces
of readjustment have not yet been felt.
Even with a continued declining tendency
normal business at a satisfactory profit is
entirely possible. The enormous expan-
sion in the United States during the
thirty years following the civil war was
carried on in just such an era of gradu-
ally declining prices.
It is time to come absolutely to a rea-
lization that the period of semi-specula-
tive business in staple lines has passed.
Not only must the machinery of trade
be readjusted to more normal price levels,
but there must be a return to the mental
attitude of the time when strict integ-
rity and a broad and thorough knowledge
of trade conditions were recognized as
among the necessary assets of the well-
established business.

SURPRISE PARTY.
A large number of friends gathered at
the home of Mrs. Pursey, 123 Adelaide
street recently and tendered her son,
Fred, a surprise party. The evening
was spent in games and music. He was
made recipient of a purse of money. Re-
freshments were served and the party
broke up at an early hour.

ACTS MEET WITH POPULAR FAVOR

Vaudeville at Opera House Has Much Comedy, Good Acrobatic Dancing, and Thrilling Revolving Ladder Offering.

With much comedy, catchy musical renditions and acrobatic feats and dancing the new programme in the Opera House last evening met with popular favor.

One of the most popular offerings was that of Irene, "The Risito Girl," who appeared in comic songs and stories. She is a clever little miss and made a decided hit with all.

Melton and Penn, in an instrumental and comedy offering, also won rounds of applause. One of the members played on a violin after which he gave a demonstration of acrobatic dancing, which would be hard to excel. His partner also sang and danced.

The Clairmont Brothers held undivided interest in a sensational revolving ladder novelty. They are clever performers and interspersed considerable comedy. They received appreciative applause.

Victor Burns and Adelaide Wilson appeared in an original comedy sketch, "The Untrained Nurse," and they won rounds of appreciative applause as well as evoking hearty laughter. It is an amusing skit and has many comic lines.

Conley and Cheeks appeared in comedy songs and breezy chatter and were well received. In addition there was another episode of the motion picture serial "The Veiled Mystery." This programme will be repeated tonight and again on Thursday afternoon and evening.

VIGOROUS PROTEST FROM WEST ST. JOHN

Emphatic protest against what was termed the unsanitary condition of the mill-pond in Carleton was voted at the annual meeting of the West End Improvement League, held in the offices of the Colwell Coal Company last night.

It was urged that the sewerage would have to be looked after in better fashion and W. E. Scully, M.P., the president of the league, and N. P. McLeod, secretary, were appointed a committee of two with power to add to their number to take up the matter with the city council and, if necessary, with the board of health. The conditions complained of were described as a nuisance to the public health.

Enthusiasm permeated the meeting and plans were made looking forward to a successful session. W. E. Scully, M.P., was elected president. W. L. Harding, vice-president, and N. P. McLeod, secretary-treasurer. Harry Belyea was made chairman of the baseball committee; Clifford Price, chairman of the grounds committee; E. R. Taylor, chairman of the games and athletic committee, and J. A. Gregory and J. P. Belyea, members of the aquatic committee. It was decided to hold a series of band concerts during the coming summer.

NEW YORK'S LARGE BREAD CONSUMPTION

New York, Feb. 23.—New Yorkers eat 2,800,000 loaves of bread daily and waste 1,000,000 loaves weekly, declared Mrs. Louis Reed Welschler, deputy market commissioner, at a meeting of housewives and wholesale bakers.

Washington, Feb. 23.—"Tandsticelsbriska" or "sakeren tandsticker," or similar words or symbols "suggestive of Swedish origin" are regarded by the U. S. federal trade commission as no proper markings for matches made in Japan to be sold in the United States. After trial, the commission found that such symbols have a natural tendency to deceive the public," and has ordered importers of the Japanese product to discontinue their use.

H. A. Porter left for Amherst yesterday to attend a meeting of the managers of the Hudson Coal Company. He was followed by H. J. E. Wilson who described the manner in which the company's tracks were laid out as a flymouth car was approaching. An investigation showed the passengers of the cars and passengers by that they had a narrow escape, as there was a cavity under the pavement 400 feet square.

It is possible that the next heavy vehicle would have crashed through the concrete. The company immediately set a large force of men to work filling in the hole with tons of ashes, and a large force of miners were dispatched to the danger spot underground for the reinforcing of the cave, and recently purchased twenty

WILKES-BARRE, Pa., Feb. 23.—A large section of State street, in the Larville section of Wilkes-Barre, dropped into the mines of the Hudson Coal Company, and only the concrete pavement held up. A slight settling of the traction company's tracks was noticed as a flymouth car was approaching. An investigation showed the passengers of the cars and passengers by that they had a narrow escape, as there was a cavity under the pavement 400 feet square.

"JUST SEND THEM TO SEE ME," SAYS BOURQUE

"If Anybody Wants to Know What I Think of Tanlac I'll Tell Them Pretty Quick," Says Moncton Man

"If anybody wants to know what I think of Tanlac, just send them to me and I'll tell them pretty quick why I think it's such a good medicine," said Edward E. Bourque, of 347 Luts street, Moncton, N. B., a well known bricklayer and life long resident of the city.

"I had indigestion for years, but last spring it got lots worse. I got to a point where everything seemed like poison to me and I suffered agony after almost every meal. I got nervous and out of sorts generally, but worried especially over a pain in my side. I actually thought I had appendicitis. I had no

energy and tired out so quick I couldn't do a full day's work. The fact is I was about 'all in' when I began to take Tanlac, and while I thought it would help me some, I was never more surprised in my life than I was at the way it completely knocked out my troubles. It gave me such an appetite I can hardly wait for mealtime, eat anything I want and don't worry about indigestion because my stomach was never in better shape in my life.

"I feel good now all the way to my fingertips, and I can say with many brick in my hand that I could all day long two months ago. That awful pain in my side has gone. Just put it all in a nut-shell, I am a healthy man and its on the right Tanlac I would get the credit. 'It's the best in the world.'"

Tanlac is sold by F. W. Munro, and the Ross Drug Co., 111 Alingham Campbell, N. B.; T. H. Wilson, Fairville, N. B.—(Adv.)

NOVA SCOTIANS IN BOSTON TRAGEDY

Boston, Feb. 23.—F. J. Travis, formerly of Halifax, is under arrest charged with murdering his brother, John B. Travis, also formerly of Halifax, who died of cancer, the result of a stomach wound, at a hospital here on Feb. 18. John was stabbed on Feb. 18.

Possess Good Health By Looking After THE BOWELS

A free motion of the bowels, once or twice a day, should be the rule of every one, as half the ills of life are caused by allowing the bowels to get into a congested condition.

When the bowels are allowed to become congested, the stomach gets out of order, and the liver does not do its work properly on account of holding back the bile so that it does not pass through the bowels, but is allowed to get into the blood, thus causing a poisoning of the whole system.

If you would escape constipation, sick and bilious headaches, heartburn, flaring specks before the eyes, coated tongue, foul breath, the nasty irritating bleeding piles, the nasty itching hemorrhoids, and all the other ailments which are caused by the bowels being out of order, you should keep your liver working actively, helping it to resume its proper functions, and thereby removing the bile that is circulating in the blood and poisoning the whole system.

Mrs. H. Barrows, Enfield, N. S., writes: "I was troubled with sick headaches and constipation. One day a friend told me of Milburn's Laxative Pills. I got two vials, and found they did me a world of good. I therefore have great faith in them."

Milburn's Laxative Pills are 25c a vial, at all dealers or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

NEW MEMBERS FOR CANADIAN CLUB

The executive committee of the Canadian Club held their regular meeting yesterday afternoon in the school board rooms with the president, A. M. Belding, in the chair. The secretary announced that he was getting in touch with some notable speakers whom he hoped to have address the club at an early date. Twenty-one new members were admitted to the club, bringing the total number of new members for the year up to eighty-nine. The following are the new members: W. H. Coleman, G. H. Peacock, W. D. Dunlop, Rev. L. T. Thompson, Percy Turcott, Rev. P. H. Bone, Dr. F. S. Sawaya, H. P. Breen, Dr. W. G. Campbell, E. P. Speer, F. M. Monsell, E. B. Lavelle, W. G. Morrell, S. E. Bryant, W. Pitt, A. E. NUXATED IRON Helps make rich, red blood and revitalizes weak nerves

A CAUSE OF WOMEN'S ILLS

WOMEN OFTEN THINK THEY HAVE HEART TROUBLE, INDIGESTION, NERVOUS PROSTRATION, ETC., WHEN IT'S SIMPLY IRON STARVATION OF THE BLOOD.

Many women believe that they are weak and nervous as a result of age, worry and overwork; they think that their disturbed digestion, headaches, heart palpitation, shortness of breath, pain across the back, etc., are due to some serious disease instead of the real cause—iron starvation of the blood.

This is proven by the fact that many of these same women take organic iron for a while all their alarming symptoms quickly disappear, and they become strong, robust and healthy. Iron is absolutely necessary to enable your blood to change food into living cells and tissue. Without it nothing you eat does you the proper amount of good— you do not get the strength out of it. If you are not strong and well do not wait until you go all to pieces and collapse in a state of nervous prostration, but take some organic iron—Nuxated Iron—at once. But be sure it's organic iron and not metallic iron which people usually take and which is made merely by the action of strong acids on small pieces of iron. Organic NUXATED IRON is like the iron in your blood and is like the iron in spinach, lentils and apples and it often increases the bodily and mental vigour of weak, worn out women in two weeks' time.

Beware of substitutes. Look for the word "Nuxated" on every package and the letters "N. I." on every label. Your money will be refunded by the manufacturer if you do not obtain perfectly satisfactory results. At all druggists.

A Stubborn Cough Loosens Right Up

Here is a home-made syrup which millions of people have found means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The syrup is made of honey, lemon juice, and chestnuts, and chestnuts are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex into a 16-oz. bottle and fill with water to the neck. Add 1/2 ounce of sugar syrup and shake thoroughly. If you prefer, use clarified honey instead of sugar syrup. Instead of sugar syrup, either way, you get 16 ounces—a family supply—of much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway spruce extract, known throughout the world over for its prompt, soothing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept any "thing else." Guarantee to give you absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

Hold-Ups Numerous Thousands Relieved of Colds

They are hold-ups alright but very different from the dangerous affairs we read of in the papers. In the hold-ups we are talking about, people are not relieved of their money by highwaymen. But Buckley's Bronchitis Mixture is relieving them of their colds, hacking coughs, bronchitis, chronic asthma and similar ailments. One Montreal man—Herbert Corri—was about to start South in hope that he might get rid of chronic asthma. Before going, he tried Buckley's Mixture as a last resort, and it literally held him up. He didn't go South. To quote Mr. Corri: "The cough disappeared, the wheezing ceased, and all the discomforts disappeared as if by magic."

What it did for him and for thousands of sufferers, it can do for you. Even the first dose brings amazing relief, and after a few doses the cough vanishes.

Ask your druggist for Buckley's Mixture. It is sold everywhere at 75c a bottle on a cash-in-advance basis. For sale at all drug stores or by mail from W. K. BUCKLEY Limited, 142 MUTUAL ST., TORONTO.

An easy way to get rid of headaches and break up colds.

If you are subject to Headaches; often have attacks of Neuralgia; or take cold very easily; you will naturally welcome information of any remedy which has been tested in hundreds of cases just like yours and has given thoroughly satisfactory results.

During the last influenza epidemic, and the wet, slushy days of last spring, DOMINION C.B.Q. TABLETS were recommended to be taken at the first sign of cold, when one falls a Headache or Neuralgia coming on.

MRS. WAGNER of PALM BEACH

Tells How She Found Relief From Pain

West Palm Beach, Fla.—"When I was 19 years old I was irregular and I had such terrible cramps it felt like a knife going in. I had such terrible cramps I took Lydia E. Pinkham's Vegetable Compound and I was well. After I was married I had the same trouble caused by the added work of farming and heavy washings so I told my husband to get 10 bottles of the Vegetable Compound and by taking it regularly my troubles ceased and now I never have a pain or ache, and an irregular. I recommend Lydia E. Pinkham's Vegetable Compound and think every young girl should take it. You can publish this letter and it may be the means of helping some other girl or woman."

Mrs. MARY M. WAGNER, Box 763, West Palm Beach, Florida.

While no woman is entirely free from periodic suffering it does not seem to be the plan of nature that woman should suffer so severely and when pain exists something is wrong which should be set right. Every girl who suffers from monthly cramps should give Lydia E. Pinkham's Vegetable Compound a fair trial.

WEST INDIANS GETTING TIRED OF THIS TALK

Kingston, Jan., Feb. 23—The Gleaner commenting on a resolution of Senator Reed in the U. S. Senate to ascertain whether Great Britain is willing to consider the cessation of all or any part of

Great Britain's possession in the West Indies to America, says: "These frequent questions and suggestions about us are beginning to get on the nerves of British West Indians and the people of England. Why should a great empire wish to sell any part of itself?"

GEN. CHEAPE TELLS HOW POLO STAR DIED

Captain's Squadron, Surrounded by Turks Near Jerusalem, Preferred Death to Surrender.

(New York Times) Brig. Gen. C. R. H. Cheape, C. M. G., D. S. O., M. C., who served through the war with the British Army, and his wife, the daughter of James Bruce Imray, former President of the International Mercantile Marine Company, were among the first cabin passengers who arrived from England yesterday on the White Star liner Celtic.

General Cheape, who is as tall as his brother, the late Captain Leslie Cheape, well known as one of the British polo team who played here three times, finally landing the cup.

"My brother Leslie was killed near El Arish on the desert road to Jerusalem in 1916. He was in command of a squadron of Yeomanry and was surrounded by the Turkish cavalry. Sooner than surrender they fought to the last and were wiped out."

"My eldest brother, Hugh, was a Colonel of an infantry regiment and went through the campaign in Egypt where he won the D. S. O., and the Military Cross and was mentioned in dispatches. He was homebound on a transport in charge of 2,000 troops

when the vessel was torpedoed in the Mediterranean. Hugh stood by with the Captain of the ship. They saved 1,950 of the soldiers and went down on the bridge together."

General Cheape said he hoped the American team would win the polo cup again because it would revive the interest in polo, which lagged a good deal in the war.

Another passenger was Dr. Marie Poubas from Prague, the capital of Czechoslovakia, who said that she had been sent here by President Masaryk to attend the School of Philanthropy and remain several months. Others on board were the Hon. Ronald G. Whitley, Captain John Reid and Miss Dorothy M. K. Waldron, daughter of the British Consul in Honolulu.

Bathurst Company Seeking Larger Powers

Increase of Capital Stock to Two Millions—What It is Proposed to Do—Utilities Commission Meeting.

The New Brunswick Public Utilities Commission, in session here this morning, heard an application from Hon. J. E. Byrne, attorney-general of the province, on behalf of the Bathurst Electric Light and Water Power Company, for authority to increase its capital stock, to change its name and enlarge its powers. On motion of the attorney-general an order was issued returnable on March 23, when the case will be presented to the commission.

Hon. Mr. Byrne explained that the intention was to transfer from the Bathurst Lumber Co. all its water power rights on the Nepisiguit River, at Great Falls, Chana Rock and Middle Landings on the north shore of the province. The Bathurst Lumber Company has already expended about \$1,200,000 on the work at Great Falls and desires to transfer the property to the Bathurst Electric Light and Water Power Co.

The new company asked for authority to issue \$1,500,000 in bonds and to increase the capital stock issue from \$145,000 to \$2,000,000. The purpose of the new company is to increase the size of the present plant at Great Falls, by enlarging the dam and storage capacity, so that current can be supplied to Jacquet River, Campbellton and other places on the north shore, as well as providing power for the operation of the mills of the Bathurst Lumber Company. The power which is sold to companies or municipalities other than the Bathurst Lumber Company will be subject to a royalty of \$2 a horse power to the provincial government.

C. F. Sanford, on behalf of the Woodstock Electric Light and Power Company, made application for certificate of approval for a plant to be situated on \$300,000 to cover the cost of the renewal of the dam at their power site. The order was made returnable March 23 in St. John.

An application received from the St. Croix Water Power Company was further adjourned until March 23 here. M. G. Teed, K. C., appeared for the company, and N. Mark Mills for the province.

In the matter of the St. Andrews Electric Light and Power Company, the hearing was continued today and an order and certificate of approval of the issue of shares of stock to the amount of \$8,900 was made by the board. M. N. Cockburn, K. C., presented the case for the company.

A. B. Connell, K. C., chairman, presided at the board and Commissioners Michael and Lewin, and the secretary, Fred P. Robinson, were present. The rest of the session was taken up with routine matters.

U. N. B. TO PLAY KINGS TONIGHT

Will Meet Dalhousie for the Maritime Championship on Friday.

Amherst, N. S., Feb. 23.—(Canadian Press)—The U. N. B. hockey team arrived here this morning for their championship game with Kings this evening. The Kings team will be here at noon. Frank Brown of Moncton will be here this evening, as it is probable he will be referee.

Manager Atkinson says that his men will not work out on their skates until just before the game, but this afternoon he will give them a stiff walk to limber them up.

The U. N. B. and Dalhousie have agreed to stage their maritime championship play-off game in Amherst on Friday night.

ONE YEAR MARRIED

Daughter-in-Law of Mr. Woodman of C. P. R. Dead.

Word of the death of Mrs. T. G. Woodman, daughter-in-law of J. M. Woodman, general superintendent of the C. P. R., New Brunswick district, reached here this morning. Mrs. Woodman recently contracted pneumonia and death resulted. Mr. Woodman is yardmaster of the C. P. R. in Montreal. Mr. and Mrs. J. M. Woodman are now in Montreal and will accompany the body to Fort Williams, the late Mrs. Woodman's former home. Mr. and Mrs. T. G. Woodman were married only a year ago and were in St. John at Christmas time. The sincere sympathy of friends here and elsewhere will go out to the bereaved family.

The Hercules Woven Steel Spring will Never Sag!

What's the use of spending less for a cheap, inferior, bed spring only to find in a short time that the spring acts natural only in spots. Not a pleasant sensation to feel tilted at a sharp angle in a lopsided bed. The Hercules Steel Spring is guaranteed never to sag or bag—to ever retain its comfort producing level.

The next bed you get let us equip it with a Hercules Woven Steel Spring and you'll never be satisfied with any other kind of a spring.

Speaking of beds—we are now showing most attractive bedroom suites for those about to start a home or for those who desire to renew or change the furniture in an old established home.
