UNIVERSITY OF TRINITY COLLEGE.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost, and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine, in the University:

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice Chancellor and four members of Convocation to be elected annually by Convocation, at the first meeting in the Michaelmas Term.

The University confers no Degree whatever, unless the candidate, being a British subject, has previously taken the oaths of allegiance and supremacy.

Subscription to the following declaration is also ordinarily required :—

“I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the Church of England.”

The Chancellor and the Vice-Chancellor are, however, empowered to dispense with this declaration, in the case of Degrees in Arts, Law, and Medicine, if such dispensation be sought by the candidate on the ground that he is not a member of the Church of England.

*For any Degree in Divinity, subscription to the Three Articles of the XXXVIth Canon is also required.

Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada passed in the year of our Lord, 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto, (or in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided), the Trustees of the College and the College Council.

On the 1st of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and, under the provisions of this Act, the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden, in King's College, now known as University College.

This important change in the Constitution of a foundation, which owed its origin mainly to the long-continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of this Province to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese inviting their co-operation in the good work. This appeal was nobly responded to, and about \$100,000 was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying

out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of four hundred pounds per annum; and also gave seven acres and a half of land within the precincts of the City of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds; and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid, and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England: and in 1852-3, the Rev. William McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church; and obtained, in books and money, little short of \$10,000.

Within the Diocese, successful efforts were at the same time made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins—the former, by the Bishop's appointment, undertaking the canvas of the Western—the latter, that of the Eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of \$24,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Stu-

In the year 1864, the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, was deputed by the Corporation of Trinity College, to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount in money and in books of about \$20,000. The books are mentioned in detail in the account given of the Library of the College. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling, in the following year, took up the unfinished work, and succeeded in collecting \$2,526.

The Hon. James Gordon, bequeathed to the College, in 1865, the sum of \$2,000.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College, \$8,000, payable on the death of his wife, "to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

Thomas Clark Street, Esq., bequeathed to the College, in the year 1872, the sum of \$4,000.

In the year 1876, the family of the late James Henderson, Esq., of Yorkville, desirous of carrying into effect the intention of their father, for which he had made no provision in his will, gave the College \$4,000 to be applied towards the erection of a Convocation Hall.

Other benefactors to the College will be found mentioned in connection with the Library, or under the head of Scholarships.

The College Library contains about 5,000 volumes, 600 of which were a gift from the Society for Promoting Christian Knowledge. About the same number were sent from England by private benefactors before the College was opened. Valuable additions have been made to the Library by the Government of the State of New York, from the Smithsonian Institute, and from Columbia College. The late Bishop of Toronto also presented upwards of 300 volumes including many valuable works in Theological, Classical, and General Literature, and at his death bequeathed to the College the remainder of his extensive and valuable Library. The University of Oxford made a munificent grant of books, published at the University Press, of the value of £150 sterling; and Trinity College, Dublin kindly presented copies of the works published by the University, amounting to upwards of 80 volumes.

During the year 1864, the following additional gifts were made to the Library:—

- The Widow of the late Rev. W. H. Ripley, 96 volumes;
- The Rev. E. B. Pusey, D.D., 46 volumes;
- The University of Cambridge, 63 volumes;
- The Rev. George Williams, B. D., Fellow of King's College, Cambridge, 45 volumes;
- The Rev. J. B. Mayor, B. D., Librarian of the University of Cambridge, 457 volumes;

Trinity College School.

"Beati mundo corde."

The School was first established in the village of Weston, near Toronto, and was opened May 1st, 1865. In consequence of the liberal offers of assistance made by the inhabitants of Port Hope, during the summer of 1868, the school was removed to that town, where it was established in buildings provided by the townspeople, free of rent for three years. Early in 1871, the property, consisting of ten acres of land, together with the buildings upon it, and situated on one of the most picturesque sites in Canada, was purchased by the School. The erection of large permanent buildings, designed by H. Macdougall, Esquire, Architect, Toronto, was then proceeded with. They furnished accommodation for about eighty boarders, with apartments for Masters, Matron, and Servants, and were occupied for the first time in January, 1872.

Trinity College School was, by an Act of the Legislature of the Province of Ontario, passed during the Session of 1871-2, constituted a corporate body, consisting of the Lord Bishop of Toronto, the Chancellor of the University of Trinity College, the Provost, and the Professors in Arts of Trinity College, the Head Master of the School, and such other persons as may

from time to time be appointed by the Governing Body.

In the year 1873, a large and handsome Chapel, capable of containing three hundred worshippers, and as spacious Dining Hall, were erected at the east end of the new School building. The Chapel was opened for Divine Service by the Lord Bishop of Toronto, on Sunday, March 29th, 1874; the Dining Hall was formally opened on the 5th of November, 1873, by the Most Reverend A. Oxenden, D.C.L., Lord Bishop of Montreal and Metropolitan.

At the western end of the original range of buildings there was added, during the year 1874, a large wing running north and south, with projecting towers on the west and south fronts. This addition contains spacious Class-rooms, School-hall, Dormitories for about ninety more Boys, and apartments for an increased staff of Masters and Servants. The completed buildings now present a south front of 300 feet in length, and a west front of 80 feet. They afford abundant room and every appliance for a School of at least 170 Boys.

During the year 1875, about ten acres of land adjoining the original School property on the west side were purchased, making the whole premises included over twenty acres. The new portion is now being prepared for spacious Cricket and Foot-ball Grounds with ornamental Shrubbery, &c.

Course of Instruction.

The Course of Instruction includes all the usual branches of a sound education in Classics, Mathematics, English, German, French, Natural Sciences, Book-keeping, Drawing, and Vocal Music.

Pupils are prepared for the Matriculation Examination of the Universities, and the Entrance Examinations of the Law and Medical Schools, the Military College, the Army, Navy, &c. In the Modern Department special attention is directed to preparation for commercial pursuits.

The discipline and general management of the School are based upon the English Public School System. Out-of-school government is, accordingly, to a large extent, vested in the hands of the Prefects, who are selected from the Senior Boys by the Head Master.

Fees.

\$225 per annum, or \$75 per term for Board and Tuition.

\$60 per annum, or \$20 per Term for tuition only.

The Piano-forte is taught as an extra. Fee, for tuition and use of instrument, \$10 per term.

Each new Boy, on admission to the School, is required to pay an entrance fee of \$4, which is devoted to the maintenance and improvement of the Boys' Library, and a fee of \$12, in lieu of bedding, &c.,

which are now supplied by the school, instead of, as formerly, by the pupils.

The above Fees are inclusive of all School expenses, except books, stationery, drawing materials, &c., and medical attendance.

The payments for Board and Tuition, which are apportioned between the School Terms, must be paid *strictly in advance*. All other School Accounts will be sent in the usual way.

A Half-Term's Notice must be given in writing before the removal of a Pupil. If such notice is not given, a Half-Term's Fees will be collected.

The following Rule respecting the payment of Fees was adopted at a meeting of the Governing Body of the School, held on August 18th, 1870:—

“The Fees for Board and Tuition in each Term, and any balance which may remain for Books or otherwise, from the previous Term, must be paid within a week after a Boy presents himself at the School. If this be not done, the Bursar is required to draw on the Parent or Guardian for the amount (with Bank charges,) at ten days, and should this draft be returned dishonoured, the Boy must be sent home by the Head Master.”

Books and Stationery are supplied in the School at the ordinary prices.

Boys over fourteen years of age will be admitted to the School only on the production of such testimonials of previous good conduct and diligence as shall perfectly satisfy the Head Master and the Governing Body.

Exhibitions.

THE VENERABLE JOHN WILSON, M. A., Archdeacon of Peterborough, offers TWO EXHIBITIONS, of the annual value of \$50 each, to the Sons of the Clergy in the Province of Ontario, tenable from year to year, during the whole period of the recipient's residence at the School, provided that his conduct and attention to his studies continue to satisfy the Head Master.

The Nomination to these Exhibitions rests in the hands of the Archdeacon, subject to the approval of the Head Master, to whom a letter testimonial of previous good conduct must be presented by the applicant.

Bursaries.

The Corporation offers to the Sons of the Clergy in the Dominion of Canada, TWENTY BURSARIES of the annual value of \$100 each, tenable from year to year, during the whole period of a Boy's residence at the School, so long as his conduct and attention to his studies continue to satisfy the Head Master.

The Son of any Clergyman who is, or was at the time of his death, actually engaged in Parochial or Missionary work, or in a Church School or College, in the Dominion, shall be eligible for a Bursary. Written application must be made to the Corporation by the Parent or Guardian of the Boy, certifying that, without the aid thus afforded, the educational advan-

tages of the School cannot be obtained for him. *Ceteris paribus*, preference will be given to the Sons of the Clergy in the Dioceses of Toronto, Ontario, and Niagara.

Boarding.

Boarders are received into the new School House, a building warmed and ventilated on the most approved modern system, and furnished with bath-rooms and all other appliances which can promote the comfort and health of the Boys. It is under the personal supervision of the Head Master, assisted by four Resident Masters, who direct the Boys' evening work. The household arrangements are attended to by experienced Lady Matrons.

It is particularly requested that parents should send their Boys to School with all their clothing, linen, and other requisites, carefully and clearly marked with the name in full.

It is desired that no eatables should be sent to the Boys during Term, with the exception of fruit.

Pupils from a distance are allowed, upon application, to remain in residence during the Christmas and Easter Vacations at a charge of \$4 per week for board. No pupils are permitted to remain during the summer holidays.

It is recommended that pocket money should be supplied to the younger boys only through the Head Master, instead of directly from home. A small sum
