The Bill to further regulate the sale of spirituous liquors in this City and County has been prepared, and petitions in its favor are being circulated for signature. The prominent provisions in the Bill require the applicant for a license to be recommended by six of his neighbors; the fees for a license are more than double the existing charges; no retail license to a wholesale dealer; no retail license to sell on premises where other goods are sold; no side or back entrances to retail rum shops; and all retail grog shops closed at 9 p. m. BY TELEGRAPH. From Ottawa, (Special to the Trilune.) OTTAWA, March 19. St. Patrick's Concert crowded the Rink o its utmost capacity last night. Some ould not get admittance; 1,500 to 2,000 vere present. ents of other National Societies, father)'Connor, the Mayor, and Sir John A. Jac Donald. hunders of applause repeated at every senence of his speech, and redoubled at the liose. He avoided politics and spoke in s umorous vein, claiming St. Patrick was a British and Foreign. [By Telegraph to Associated Press.] LONDON, March 18. In the Commons, to night, Gladstone tated that the reply of the American Government to Granville's note, received in the 14th inst., he was gratified to be he continued, are not adopted. Hence, in the opinion of the Government, an answer is required, which the Government of the United States appears to invite. This answer will be delivered to the American Minister in London before Thursday of present week. It would be inconsistent with public interests to lay correspondence before Parliament at present, particularly as Con gress of United States has declined to ask it of their President. The tenor of our communication while it shows that we are anxious to carry the Treaty into execution will, I trust, not fail in that sense of the State and the nature of the case which the honor of this country demands. The statement of the Premier was received with loud cheers. Earl Granville, in Lords, in reply to enquiry of Earl Malmesbury concerning correspondence added that papers would be produced as soon as possible.-He assured their Lordships that he was aware of the public anxiety on the subject and the grave responsibility attaching to last night to get drunk and break P. Morriseys windows, for which they had to pay \$12.00 each this morning. Michael Kelly, 28, N. B., drunk on Prince Wm. street, was fined,\$4.00. - The assassin of Earl Mayo, before bethe Viceroy was not the result of conspiracy, as he alone designed and carried out the murder. He said he intended to kill General Stewart, who accompanied the Earl, and was only prevented from executing his purpose by the promptness of his arrest after attacking the Viceroy. :Hotel Arrivals.
