Church of England
YOUNG MEN'S SOCIETY
Charitable Relief Fund.

THIRD ANNUAL REPORT.

Let us not be weary in well doing; for in due season we shall reap if we faint not. As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith."—GAL. vi. 9, 10.

The Committee of the Church of England Young Men's Society, to whom is entrusted the Charitable Relief Fund, beg to submit to the Subscribers an account of the manner in which it has been dispensed during the past year. The statements appended will shew a summary of what has been done, and, it is hoped, be sufficiently satisfactory to induce the patrons of the Charity to renew, if not to increase, their contributions, and to lead others who may not hitherto have supported it, to become subscribers. Although the Committee meet, as may be supposed, with many discouraging features in the work of dispensing this charity, and

not a little to tax both time and patience, they are amply rewarded by being made the medium of conveying relief to even a few of the poor, starving, shivering, ill-housed beings, to whom winter comes armed with such terrors—among whom, whatever may be their faults, are no long laid up stores of provisions, or fuel, or clothing.

If the Church people of St. John are disposed again to place in the hands of the Committee the means to alleviate the wants and deprivations of their poorer brethren, the Committee again tender their services for the distribution of such alms. All that they ask is, that whatever is given may be given cheerfully, and in the conviction that it will be wisely and carefully dispensed: and they pray the continued blessing of God on this humble effort to comfort some of his destitute ones.

Chairman.

N. B.—Subscribers are requested to send the Church poor, who may apply to them for aid, to any member of the Committee in whose District the applicant may reside. Lots, or parts of Lots in the Church Burial Ground, where not further required, may be made over to the Society, and are quite frequently wanted for the interment of strangers, and very indigent persons.
