Revenue

The whole revenue of this congregation is derived from weekly contributions by envelope and the plate collections.

All subscribers by envelope are supplied with envelopes on the first Sunday in each quarter.

Members and adherents who are not subscribers may be supplied with envelopes on application to any of the managers.

All subscribers are expected to contribute a fixed sum weekly, and if, from any cause, they are unable to do so, they shall be expected to make up all deficiencies at their earliest convenience.

Subscribers wishing to increase or decrease their contributions are requested to notify the managers, so that a corresponding alteration may be made in the books.

Subscribers are particularly requested to see that their envelopes are properly sealed and their names and pew number on the outside before they are handed in.

MISSIONARY COLLECTIONS

Collections for the Mission Schemes of the Church are received by envelope on the last Sunday of each month, and are placed in the boxes which will be found on entering the church, just inside the doors.

If not convenient to give on the last of the month, any other time will do.

Envelopes will be found by any who wish them, in the small boxes at the church doors.

It is expected that, as far as possible, subscribers will give a definite sum every month, and if subscribers fall in arrears they will be notified of the same as often as the committee think it best.

Session Statement for 1898

As a Session, in the kind providence of God, we are brought again to the season at which it is our privilege to make a statement of the happenings of the year. We have been able, not as a unit we regret to say, but as we are, to discharge the duties devolving upon us with a very considerable degree of satisfaction. Our membership continues as last year, with the exception that on account of continued absence from the city, the resignation of Mr. Laird has been accepted.

The Sacrament of the Lord's Supper was regularly observed each quarter. At the March communion, 738 participated; at the June one, 719; September, 589; December, 677.

Fourteen male infants were baptised during the year, eleven females; one male adult and four female adults.

The membership is 999. 44 were added on profession of faith and 24 by certificate. 42 withdrew by certificate, most of them leaving the city. 8 deaths occurred during the 12 months, some of them members of long standing.

The year has been one of decidedly mixed experiences, but on the whole we are able gratefully, as represented by this report, to thank God and take courage.

FIFTY-FIFTH ANNUAL REPORT
OF THE
Board of Managers of Knox Church
For the Year Ending December 31st, 1898.

Your Board of Managers take pleasure in presenting this their fifty-fifth annual report, and although we are unable to report any great financial gain, we have not gone back, and have a small balance to close the year 1898.

Your Board are pleased to report a small increase of \$46.88 in the envelope collections, but have to note a decrease of \$30.61 in the loose collections from those of last year, leaving a gain of \$16.27 on regular Sunday collections. The following are the exact figures as taken from the Treasurer's statement.

| | 1898 | 1897 |
|-----------------|-------------|-------------|
| Envelopes | \$ 4,751 57 | \$ 4,704 66 |
| Loose..... | 516 88 | 547 49 |

The number of subscribers by envelope for 1898 was 506 as against 452 for 1897. The average giving per Sunday by envelope for 1898 was \$91.37, and loose collections \$9.94, as against \$90.47 and \$10.53 for 1897.

There is still a large amount of arrearages on the books amounting to \$271.66, and allowing for those unable or unwilling to pay, your Board considers \$174.66 of this good and collectable. The rest will be marked off the books.

Your Board also wish to thank the members and adherents of the congregation who contributed so liberally towards the floating debt fund, there being 139 subscribers who gave a total of \$248.65.

The circulars sent out in regard to the weekly givings of pew holders and inviting those not having regular sittings to secure them and become subscribers to the church have been kindly received and quite a number have expressed their intention of becoming regular subscribers to the support of the church.

Your Board after careful examination of the furnace below the pulpit found it unfit for further use, and have replaced it with a new one from Messrs. Burrow, Stewart & Milne, which is giving good satisfaction.

The kitchen has been painted and papered, improving the appearance very much, and will greatly add to the comfort of those whose duty require them to use this room.

Your Board have paid \$1,000 on the mortgage on the Sunday School. Of this amount \$392.00 was contributed by special collections and the remainder, \$615.00, by the School.

The Managers who retire by rotation are Messrs. Walter Turnbull, John Robertson and John Gillespie. W. J. McFadden having resigned at our last meeting, it will be necessary for the congregation to elect a fourth Manager to serve out his term.

In conclusion your Board recognize with thankfulness the manifest signs of spiritual and temporal prosperity, and express the hope that such may increase and that as pastor and people our efforts may be successful in advancing the Kingdom of Christ in our midst.

All of which is respectfully submitted.

JOHN WRIGHT,
Chairman.

JAMES A. COX,
Secretary.

SIXTY-SECOND ANNUAL REPORT

—OF—

Knox Church Sunday School

For the Year 1898.

If there is any inference to be drawn by the casual observer from the record of Knox Church Sunday School for the year 1898 as it now stands before him, it must be that of the steady march of prosperity which has been characteristic of the sixty-second year in the history of this school. While no larger, perhaps, numerically, it has been greater in its attainments. Throughout the year strenuous efforts have been put forth for the furthering of the schemes of this School.

In the matter of attendance a recapitulation is herewith given, and it is left for those identified with the school and others less closely linked as regards regularity in attendance to judge for themselves whether or not the school is entitled to the sympathy and co-operation of the members of Knox Congregation, some of whom display little interest in the school work.

| | MEMBERS ON ROLL. | AVERAGE ATTENDANCE. |
|---------------------------------|---------------------|------------------------|
| Visitors..... | | 13 |
| Officers and male teachers..... | 19 | 14 |
| Female teachers..... | 39 | 31 |
| Boys..... | 228 | 148 |
| Girls..... | 348 | 237 |
| | <hr/> 634 | <hr/> 446 |

In a perusal of these figures the reader is brought into proximity with a very important detail of the school's working, and he should then allow the honor which is to be derived from such an admirable state of affairs to rest on someone, in which case it would inevitably fall to the lot of the Superintendent and his two assistants, together with the teachers and officers, who have striven long and laboriously for the welfare of the school.

As to the contributions for all purposes received from the scholars, a detailed account is given as follows:—General fund, \$253.74; building fund, \$189.94; Mission, \$340.23; a total of \$733.91, which speaks well for the generosity of the members of the school.

A scheme inaugurated within the last year, whereby teachers from both schools gather in the basement of the Church on Wednesday evenings, at 6.30 o'clock, to partake of bread and butter and tea or coffee, and which is paid for out of a fund collected by the teachers among themselves. An adjournment is then made to the Church parlor, where those who have gathered hear the facts and chronology of that part of the Bible pertaining to the following Sunday's lesson duly expounded.

During the year, by way of encouraging the scholars who take a lively interest in the Shorter Catechism, prizes were offered for the perfect memorization of that book, which seemingly small is in reality one of the most important appurtenances in the denomination of Presbyterianism. Alice Warrington, Jennie Anderson, Maude Lyddcote, Richard Garbett, Stella Slater, Andrew Warrington, Maggie and Mary Bonner are the ones who have received the proffered trophies as a reward for the diligence displayed in their search into a very important ingredient into the faith, for which the covenanters became martyrs centuries ago.

The last Christmas, save two, which this generation will see prior to the dawning of another century, was made memorable for families numbering about 40, who have been associated with this congregation. Being in less fortunate circumstances than is desirable at such a happy season of the year, it was proposed by the teachers that something should be done to alleviate the stress of hard times which had surrounded them, by sending them the proceeds of the donations of groceries and provisions, toys and candies which were contributed by the members of the school and amounted to about \$40.00 in value.

During the year twenty-seven scholars have joined the Church and three members of the school have passed to the great beyond.

After all the expenses had been met in connection with the affair, \$5.18 was realized out of the Sunday School picnic held at Grimsby Park on July 4th, and \$12.31 of a balance remains over and above all expenses in connection with the second school picnic at Toronto Island on July 27th.

The Chinese Department, started in the spring of the year, now has six scholars, with as many teachers. Some of the Chinamen are bright and learn quickly; but others are dull, one especially feigns ignorance when religious topics are discussed. Two can speak English fairly well and one taught the Sunday School lesson in Chinese. The men are visited at their places of business, and are made to feel at home while in the Church.

In conclusion I might state that the teachers and officers of the school wish to extend thanks to the parents of the scholars and others who have manifested an interest in the work of the school, and ask for a continuance of same during the present year, realizing that while not entirely dependent upon the church members for aid, still assistance, not necessarily financial, is always desirable.

Respectfully submitted.

DONALD R. MACPHERSON,

Secretary.

ELEVENTH ANNUAL REPORT

—OF—

Knox Church Mission Sabbath School

With gratitude to our Heavenly Father who has led us and blessed our efforts during the past year, we present the eleventh annual report of the Mission Sabbath School. The year just closed has been one of the most successful in the history of the school. Our attendance has not increased very much, but in many respects our school has improved. It is a cause of much encouragement to note the increasing interest of the scholars in the school. Changes are constantly taking place, teachers leave us and scholars remove from the city, but we are glad to report that there is always some one ready to step in and fill up the ranks. The following is the standing of the school for the year :

Thirty of our scholars attended Sunday school every Sunday during the past year, and each of them received a suitable reward for their faithfulness. Our Infant class continues to grow. At present it numbers 62. We found our primary room entirely inadequate to accommodate them, and we decided to raise money and build a suitable room. With this in view, each teacher was allotted a district of our church membership to canvass, and we are pleased to say we were able to collect \$266.00 in this way. Plans for our new extension were drawn up, and Messrs. Donaldson & Patterson, whose tender, \$399.00, was the lowest, erected two very handsome brick rooms. These rooms were opened

early in the fall entirely free from debt. One is used as a primary room and the other as a Young Men's Bible Class room. We take this opportunity of thanking all in the congregation and mission who so generously helped us.

Notwithstanding the large outlay for our new building, we were able to give \$25.00 towards the mission schemes of the church.

We are looking forward for greater things in the future, and our prayer is that God will make us faithful in this work, which He is so abundantly blessing.

More teachers are needed for a number of small classes,—
wont you come and help us?

THIRTIETH ANNUAL REPORT

—OF—

Knox Church Missionary Association

In presenting this report we rejoice to give thanks to God that we have been privileged to do something for the spread of the knowledge of the Gospel at home and abroad, and that our labors have been appreciated by those who have received the benefit. However, we cannot but think that much more could be done if our congregation were only in earnest in carrying out our Master's command "to preach the Gospel to every creature."

The amount given through the missionary boxes, \$552.77, is a little below that given in 1897, and the number of subscribers whose names appear on our books is also below last year, being only 126. We have also to report that instead of raising \$250.00 for the support of a Missionary in the North West only \$132.00 has been subscribed by members of the congregation, all of which seems to indicate that our interest in missions is on the decline.

During the past year a larger amount of missionary literature has been distributed in the congregation than for many years past, no less than 194 persons taking the Presbyterian Record. As a congregation we have been indebted to the Rev. Kenneth McKenzie, Missionary to Honan, for a very stirring address, and to Rev. John Young of this city, for two lectures on the mission fields of our church, viz: Trinidad and New Hebrides, accompanied with lime light views. A very interesting letter from Rev. Dr. Robertson, Superintendent of missions in the North West, was received and read, also two from Mr. A. E. Armstrong, a student of Knox College, laboring at Kippewa, Que. As a

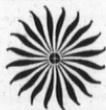

committee we have sought to lay before the congregation at the monthly prayer meeting such information as we could secure, and some interesting papers were read, which we hope were not without effect.

We sincerely thank the Young Ladies' Mission Band for canvassing the congregation for the Presbyterian Record, also for donating \$10.00 for the North West mission fund.

In looking forward to the work of another year we express the hope that a greater interest may be manifested in this important work, and that we may be found doing our best for those who are not so highly blessed as we are.

All of which is respectfully submitted,

R. A. BAINE,
Acting Secretary.

NINTH ANNUAL REPORT
OF THE
Auxiliary W. F. M. S.

812 15
Once more the passing away of another year calls on us to pause and review its events and consider our failures and successes that we may learn wisdom thereby.

To our Auxiliary 1898 has been a year of struggle and we hope progress. Our average attendance has slightly increased and so have our total givings, but both are far below what might be expected from a congregation like ours.

Much of our time and \$40.00 of our money was expended in providing complete outfits for a year for two pupils of Crowstand Indian school. All the work being done by our members when it was possible to do so makes it evident that the Dorcas spirit still lives among our women.

To meet these and other necessary expenses an entertainment was given in March, but a small amount had in addition to be taken from our regular contributions, which makes the sum to be handed to the Presbyterian Society somewhat smaller than in 1898.

12 15
In November our Thank-offering meeting was held in connection with the prayer meeting on the eve of Thanksgiving Day. Mrs. McWilliams gave us a very interesting paper, and the audience gave a very fair collection. Our regular meetings have been fairly attended, but it is felt that our time ought to be extended in order to do justice to the countries and subjects under our consideration.

surfer.

And now we enter upon another stage of our work. May our Heavenly Father be with us and may we remember that in due season we will reap if we faint not.

H. GIVIN,
President.

That the members might be better qualified to know where the most good could be done many papers and letters were read at these meetings to give instruction and information regarding the various mission fields.

The principal work at our meetings has been sewing, and a rag carpet has been finished and sent to Crowstand. At the present time a quilt containing scriptural texts is well under way but it has not yet been decided where to send it.

During the year we raised \$50 by means of our scattered helpers and monthly contributions from the girls.

Miss H. Fraser, Vice-President, and Miss Morrison, Secretary, have removed from the city and their loss to our band has been very keenly felt. It is hoped that others will now step forward to fill the breach in our ranks which at the present time seems very wide, and we herewith extend a cordial invitation to all the young ladies of the congregation to come and help us in our mission work.

TENTH ANNUAL REPORT
OF THE
Young Peoples' Society Christian Endeavor

Another year has rolled away and great or small, the work of it is finished.

We, as endeavorers, launch out into this new year with strongest desires that the coming year may be crowned with abundant blessing, that each endeavorer may be fired with the ambition to do more for the "Master" than ever before, so that the close of the year eighteen hundred and ninety-nine will mark one of the most active and brightest years our Endeavor Society has ever yet experienced.

The work of our our society this year has been carried on as usual by our respective committees, seven in all.

The Look-out Committee has been particularly busy this year we fear in looking after members who are apt to neglect their duties by not attending the weekly meeting, but we trust that right now on the margin of this new year all who of late may have been careless or indifferent will determine to be true to their pledge and be found always in their place, for by so doing they encourage the society more than can be expressed.

The Social Committee we feel has cheerfully done its best in welcoming strangers and visitors (all of whom are always welcome and appreciated,) to our meetings. This part of our work is one of the most important and is always thoroughly attended to.

The Prayer Meeting Committee has always faithfully performed its duties in looking after the topic for each prayer meeting, in selecting suitable hymns, and supplying a leader for each meeting. All of our meetings during the past year have been beneficial and bright, some particularly interesting and encourag-

ing, so that at this the beginning of another new year, we all feel anxious and happy as endeavorers to march forward and achieve yet greater things for "Christ and the Church."

Our Missionary Committee has cause to feel grateful for its year's work, as the members seem to have given particular attention to this branch of our work this year literally as well as financially. We trust that a still more devoted interest in this line will be manifested throughout this coming year.

The Visiting Committee has this year also done especially well. For all of their work this committee feels doubly repaid by the evident pleasure and happiness their visits seem to give to those they endeavor to cheer by an occasional call.

The Flower Committee have no end of blessing for their loving charitable work during the past year. Difficult indeed would it be to tell how many a sick brother or sister has been brightened and cheered by receiving a loving message from the "Master" with a dainty bouquet from our society. Though small to some this work might seem, we feel that the comfort and cheer it brings to the afflicted cannot at all be realized.

The Relief Committee has perhaps, however, accomplished more this year by real active labor than any of us. The members of the committee seemed never finished with their work of mercy, and one and all of them were ever eager to do something still to cheer and bring sunshine to some weary, heavy-laden heart.

The cottage prayer meetings held at the homes of those who have not the privilege of getting out to church, are appreciated in such a way as would rejoice the heart of any who attend them on Sunday evenings after church, and we wish that any one who has a desire to help in this way would do so, as any time so spent helps the work greatly and cheers the dying. A nobler or a grander work there is none.

We feel we cannot close our report before stating our deep regret at having lost some of our strongest endeavorers as Mr. Charles Truscott, Mr. Donald McLeod and others. Such gaps as these active, eager workers leave in our Society cannot easily be imagined; but will not some one come forward and take their place. "The harvest truly is great but the laborers are few

indeed." This is the right time to commence work of all kinds, this the sunrise of another new year. It may be our last, who can tell?

Young people of Knox Church, arise, buckle on your armours, come forward and take a stand in the battle, fight the good fight, help to bear the cross of Christ, and then look above you. Your crown in Jesus' hand is held out to you.

A fair estimate of our past year's work is calculated in the following table:

| | |
|---|-----------------|
| Active members | 63 |
| Associate members | 7 |
| Joined during the year | 15 |
| Left during the year | 10 |
| Average attendance | 35 |

| Missionary books in library | 24 |
| Bouquets distributed | 35 ² |

FOURTH ANNUAL REPORT
OF THE
Knox Church Junior Society Christian Endeavor

In presenting our report for this year we have many reasons to be thankful to our Father for the blessings we have received.

We have been doing some home missionary work, our juniors having made several picture books and articles of clothing which were distributed among the poorer children, and we believe they made the Christmas, to those, brighter.

There is still a great many things left undone, but we pray that we may do more real work for the Master during this coming year.

FIFTH ANNUAL REPORT
OF THE
Knox Church Mission Junior S. C. E.

✻

At 9.30 every Sunday morning during the past year we have met and held our regular meeting in the mission.

Our work for the year is now ended, and we gladly leave the results with the Master. We have tried to serve, for we know that He is able to make even the small efforts of girls and boys work to his glory and to the building up of His Kingdom.

Outside of the work connected with our meetings we can only report the regular work of carrying bouquets to the sick and of visiting absent Sunday school scholars. We have also been able to hand \$10.00 to the missionary committee of our church.

We cannot close our report without saying something of the deep gratitude we feel for God's goodness in having brought all our members safely through a year in which there has been much sickness around us.

Respectfully submitted,

CONSTITUTION
OF
Knox Church, Hamilton

1st.—The Church, Manse, Burying Grounds, and any other houses or real estate now belonging to or which may hereafter become the property of the congregation, shall be held in trust by three members of the said congregation, in full communion, in accordance with a Deed of Trust—bearing date the sixth day of September, in the year of our Lord, one thousand eight hundred and fifty-six.

2nd.—The members in full communion with the congregation shall have the sole power of choosing a Minister or Pastor and Elders of said congregation.

3rd.—The election of a Minister or Pastor shall take place at a meeting of the members of the congregation, which shall have been called from the pulpit of the Church by the officiating Minister on each of the two Sabbaths preceding such meeting. The majority of members present shall determine the election.

4th.—The method of the election of Elders shall be determined from time to time by the Session, as occasion may require, but the election shall be by the members of the congregation, and notice of meeting for such election shall be given as provided in clause third.

5th.—The constitutional duty of the Session to superintend the spiritual affairs and watch over all the interests of the congregation is recognized and reserved to them.

6th.—Nine Managers shall be elected to take charge of the secular affairs of the congregation, three of whom shall retire annually in rotation, but shall be eligible for re-election. In case of a vacancy occurring by a resignation or otherwise, the Managers themselves shall fill the vacancy at their earliest convenience; and a Manager absenting himself from three successive regular meetings, without leave shall cease to be a Manager.

7th.—The Managers shall select their own Chairman, Treasurer, and Secretary, hold regular meetings as often as their business may require, and may give notice of their meetings either from the pulpit on Sabbaths or by the Secretary to each Manager, when demanded by any three of them. Three Managers shall constitute a quorum. When the Managers shall themselves deem it necessary, or when requested to do so by seven or more members of the congregation in full standing, they shall with concurrence of the Session call a special meeting of the congregation, stating the object in the notice thereof; and no business shall be entertained at any special meeting excepting what is mentioned in the notice thereof. Should any Manager cease to be a member of the congregation he shall cease to be a Manager. The Treasurer shall open an account with some regular chartered bank in the city, and deposit in his own name, as Treasurer of the Managing Committee, moneys from time to time as may be convenient.

8th.—The use of the Church property for public and general purposes not connected with the congregation shall be under the control of the Managers with the concurrence of the Minister.

9th.—The whole revenues of the congregation from all sources shall be received and disbursed by the Managers in payment of stipend, salaries, and other expenses, including such as may be required for preserving the property and providing for the dispensation of Divine ordinances; but no repairs, improvements or alterations exceeding the sum of one hundred dollars shall be gone into without the consent of the congregation. The "Poor Fund," however, shall be distributed by the Session, and contributions for missionary and benevolent purposes shall be distributed by the Association appointed for these special purposes.

10th.—The members of the congregation shall choose their Organist and Precentor, and fix their salaries, and in the discharge of their duties they shall be under the control of the Session.

11th.—The Managers shall have power to engage or dismiss and regulate salary of any one who may act as Church Officer or Door Keeper; and appoint or pay such person or persons as may be required to keep the Church clean and comfortable.

12th.—The Managers shall be accountable to the congregation for their acts, and shall, at each annual meeting in January, submit a full printed, audited, articulate statement of the income and expenditure of the preceding year—copies of which shall be distributed in the pews on the Sabbath before the annual meeting; and said Managers shall be regulated as to the proportion of rev-

enue to be applied to any particular purpose by the instructions they may receive from the congregation at any special or annual meeting.

13th.—A committee, consisting of the Chairman, Secretary and Treasurer of the Managing Committee, two members of the Session, the Secretary of the Sabbath School, and Secretaries of all the organizations in connection with the congregation, shall annually arrange for the printing—in pamphlet form—of the reports of all the different organizations in connection with the congregation, together with the list of office-bearers, members and adherents, with their residences; said pamphlet to be distributed to the congregation as early as possible after the annual business meeting, and not later than March 1st. The Chairman of the Managers shall be chairman of the said committee.

14th.—The Managers or Trustees shall have no power to contract debt on property without the consent of the congregation.

15th.—At each annual meeting the congregation shall elect three Trustees and two Auditors to serve for one year.

16th.—The foregoing Rules shall be in force until altered or amended, and no motion to alter or amend said Rules shall be put unless due notice of such motion has been given at the annual meeting of the congregation. and when notice of motion shall have been made, a special meeting of the congregation shall be called to consider the same, not sooner than two weeks, nor later than two months after said annual meeting.

17th.—In the foregoing Rules no one shall be held to be a member of the congregation who is not in full communion with the same, and whose name does not appear on the Communion Roll of the said congregation, and no others than members in full communion shall be allowed to vote at any congregational meeting.
