The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Star Life Assurance Society,
CANADA BRANCH OFFICE,
48 KING STREET EAST,

Toronto, May, 1866.

Dear Sir,

I beg to inform you that the "Star Life Assurance Society" of England, has established a Canada Branch Office in the City of Toronto.

I forward you herewith a Prospectus and copy of our Report for the last year, and request your influence, as a Wesleyan Minister, in introducing the Society.

Many of the Ministers and Members of the Wesleyan Methodist Society are doubtless connected with other Assurance Offices, but the Star has peculiar claims to their sympathy and support.

In addition to the stability of the Office, the following statements will, I think, prove to you that the Star merits the support of Wesleyan Methodists:

1. By the Deed of Settlement it is distinctly provided that a majority of the Directors shall be accredited Members of the Wesleyan Methodist Body. At the present time there are 15 Directors, of whom 11 are Wesleyans.
2. Since the establishment of the Star in 1843, it has advanced £153,501, for the building of, or debts upon Wesleyan Churches, and at the close of the year 1865, there remained on loan £103,069; the greater part having been lent at a time when it was urgently needed.
3. More than 600 Travelling Preachers are, or have been, assured in the Star, and two-thirds of our Policy holders are Members or Hearers of the Wesleyan Methodist Society.

These facts alone commend the Star to every Wesleyan Methodist, but it possesses advantages of its own which render it one of the best Life Offices. For instance

Faint, illegible text at the top of the page, possibly a header or address.

Main body of the document containing several paragraphs of extremely faint and illegible text, possibly a letter or report.

- a. Its annual income at the close of 1865 was £1,111,874.11.9
and it is increasing year by year.
- b. Its Reserve, or Insurance Fund, at the same date was
£647,029.17.0.
- c. It has paid in claims the noble sum of £1,05,022.16.0.
- d. It has distributed in bonuses the amount of £239,804.11.4,
ninety per cent. of the profits being divided among the
Policy holders every five years.
- e. It issues Policies as low as £25. and as high as
£10,000 on a single Life.

It is most important that heads of Families seeking to
provide for those whom they may leave behind them, should be associated
with a Company of undoubted position, and whose Management is of
sterling character. As such I confidently commend the Star
to your regard.

Agents will be appointed in all the principal Towns
throughout Canada and the Lower Provinces, from whom (or from
the Office in Toronto) every information may be obtained.

I am, dear Sir,

Yours most truly,

J. Gregory

General Agent for British North America.

N.B.—To Ministers of all Denominations a reduction of 10 per cent. is made on the Premiums, if paid direct to the
Canada Branch Office, in Toronto.
