The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et se terminent soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et se terminent par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

RULES OF THE GAME.

1. The length of the Rink played shall be *forty-two* yards. The Tees shall be put down thirty-eight yards apart. In a continued strait line with the Tees, and four yards distant from each, a circle, eighteen inches in diameter, shall be drawn on the left hand side of said line (looking in the direction to be played) and its edge just touching it. Within this circle, whether standing on the ice, or on any rest, support, or abutment whatsoever, permitted by the Rules, each player, when playing his stone, shall place his right foot, and his left foot on the left hand side of the central line. (The circle to be on the opposite side of the line if the player be left handed.) When a hack or hatch in the ice is used, it must be *behind* the circle above described, and not of greater length than fourteen inches measuring from the central line. A circle of *seven* feet radius, to be described from each Tee as a centre, and no stone to count which is wholly without this circle. The Hog-score to be distant from each Tee one-sixth part of the length of the whole Rink played. Every stone to be a Hog, which does not clear a square placed upon this score; but no stone to be considered a Hog, which has struck another stone lying over the Hog-score. A line shall be drawn on the ice at right angles to the Rink, half-way betwixt the Tees, which shall be called "The Middle line." In no case shall the Rink played be less than *thirty-two* yards.

tly stated and fixed by the Skips, if they have not been previously arranged. These terms may either be, that the parties shall play for a specified *time*, or a game of a certain number of shots. Though the terms have been previously fixed, they should here be repeated.

2. Every Rink to be composed of four players a side, each with two stones, *unless otherwise mutually agreed upon*. Before commencing the game, each Skip shall state to his opposing Skip the rotation in which his men are to play, and the rotation so fixed, is not to be changed during the game. Each pair of players shall play one stone alternately with his opponent, till he has played both.

3. The two Skips opposing each other shall settle by lot or any other way they may agree upon, which party shall lead, after which, the winning party of the last end shall do so.

4. Each party, before beginning to play, and during the course of each end, to be arranged along the sides of the Rink, any where betwixt the middle line and the Tee, which their skip may direct; but no party, except when sweeping according to rule, shall go upon the middle of the Rink, nor cross it under any pretence whatever. The Skips alone to stand at or about the Tee, as their turn requires.

5. If a player plays out of turn, the stone so played may be stopped in its progress and returned to the player. If the mistake shall not be discovered till the stone is again at rest, the opposite party shall have the option to add one to their score, and the game proceed in its original rotation, or to declare the end null and void.

6. The sweeping department shall be under the exclusive direction and control of the Skips. The player's

party shall be allowed to sweep when the stone has passed the middle line, and till it reaches the Tee; the adverse party when it has passed the Tee. The sweeping to be always to a side, or across the Rink; and no *sweepings* to be moved forwards, and left in front of a running stone, so as to stop or obstruct its course.

7. If in sweeping or otherwise, a running stone be marred by any of the party to which it belongs, it shall be put off the ice: if by any of the adverse party, it shall be placed where the Skip of the party to which it belongs shall direct. If marred by any other means, the player shall replay his stone. Should any played stone be accidentally displaced, before the last stone is played and at rest, by any of the party who are then lying the shot, they shall forfeit the end; if by any of the losing party at that end, who have the stone yet to play, they shall be prevented from playing that stone, and have one shot deducted from their score. The number of shots to be counted at said end by the winners, to be decided by a majority of the players, the offender not having a vote.

8. Every player to come provided with a besom, to be ready to play when his turn comes, and not to take more than a reasonable time to play his stone. Should he accidentally play a wrong stone, any of the players may stop it while running; but if not stopped till it is again at rest, it shall be replaced by the one which he ought to have played.

9. No measuring of shots allowable previous to the termination of the end. Disputed shots to be determined by the Skips; or, if they disagree, by the Umpire, or, when there is no Umpire, by some neutral person mutually chosen by them, whose decision shall be final. All measurements to be taken from the centre of the Tee, to that part of the stone which is nearest to it. No stone

shall be considered *within* or *without* a circle, unless it clear it; and every stone shall be held as resting *on* a line, which does not completely clear it;—in every case, this is to be determined by placing a square on the ice, at that part of the circle or line in dispute.

10. Each Skip shall have the exclusive regulation and direction of the game for his party, and may play in what part of it he pleases; but having chosen his place at the beginning, he must retain it till the end of the game. The players may give their advice, but cannot control their director; nor are they upon any pretext to address themselves to the person about to play. Each Skip, when his own turn to play comes, shall name one of his party to take charge for him. Every player to follow implicitly the direction given him. If any player shall improperly speak to, taunt, or interrupt another, while in the act of delivering his stone, one shot shall be added to the score of the party so interrupted, and the end proceed as before.

11. If, from any change of weather after a game has been begun, or from any other reasonable cause whatsoever, one party shall desire to shorten the Rink, or to change to another one, and, *if the two Skips cannot agree upon it*, the Umpire for the occasion shall be called, and he shall *after seeing one end played*, determine whether the Rink shall be shortened, and how much, or whether it shall be changed, and his determination shall be final and binding on all parties. Should there be no Umpire appointed for the occasion, or should he be otherwise engaged, the two Skips may call in any Curler unconnected with the disputing parties, whose services can most readily be got, and, subject to the same conditions, his powers shall be equally extensive as the Umpire aforesaid.
