Tows OF Young Bass, averaging two and three to the pound have been caught and sold to shippers of the Northwest Miramichi during the present season. The price ruling on the ice has been from two cents upwards. It is a great shame that those who are most interested in the preservation of the fishery have been violating the law in a wholesale manner. We should not be surprised to hear of neither large nor small bass being caught next season in paying quantities. We = partment of the danger of our bass fishery being destroyed, so long as the facts are To the Editor of the Miramichi Advance: officially denied and the destruction

St. Mary's Chapel S. S. Loctures.

It is expected that the next lecture of the course will be delivered by the Rev. Canon Medley, Rector for Sussex, on Wednesday evening, the 19th inst.

The Southwest Boom.

Tenders for the leasing of the Southwest Boom were examined on Friday 7th inst., at the Secretary's office, Newcastle, Mr. James Robinson, who acted as foreman to the late lessee, C.C. Watt, Esq., being the successful competitor. He has been awarded the lease of the boom for a term of three years and is to raft logs for the Company at 33 cents per M. and timber at 9 cents per ton. Mr. Robinson is to keep navigation open and undertakes to indemnify the Company in any damage that may arise should the river be blocked. The Company are to maintain the Boom blocks. They are authorized by the amendment to their charter to charge 47½c. per M. for boomage and rafting, but have resolved to lower the charge to forty-three cents, which is quite a liberal concession in the interest of lumbermen, especially in view of the fact that the stockholders have, within four years, been obliged to being the successful competitor. He has

SANFORD'S RADICAL CURE For CATARRH A

I have recommended it to quite a number of my richards, all of whom have expressed to me their gight estimate of its value and good effects with hem.

WM. BOWDEN,
255 FIRE ST., ST. LOUIS. We have sold Sanford's Radical Cure for several years, and can say candidly that we never sold a similar preparation that gare such universal satisfaction. We have yet to learn of the first complaint.

S. D. BALDWIN & CO., WASHINGTON, IND.

No sooner did I begin to use it than my symptoms changed. It cleared my throat, it cleared my head, it cleared my mind. It operated on my system in a way that nothing ever before given me by doctors had done.

SAMUEL SPINNEY.

MEADOW VALE, N. S. MEADOW VALE, N.

The cure effected in my case by Sanfor Radical Cure was so remarkable that it see to those who had suffered without relief from of the usual remedies that it could not be t. I, therfore. made affidavit to it before Set Thomas, Esq., Justice of the Peace, Bosten.

GEORGE F. DINSMORE,
DRUGGIST, BOS

One of the best Remedies for Catarrh, may, the best remedy we have found in a lifetime of suffering, is SANDEND'S RADICAL CURE. It is not unpleasant to take through the nostrils, and there comes with each bottle a small glass tube for use in inhalation. It cleares the head and throat so thoroughly, that, taken each morning on rising, there are no unpleasant secretions and no disagree-

COLLINS, VOLTAIC ELECTRIC PLASTERS

Electricity with Healing Balsams the Curative Marvel of the Age.

They are imstantly soothing, healing and strengthening. Tracy begin their wonderful curative action the moment they are applied. In the Annihilation of Pain and Inflamation, in the Vitalization of Weak, Paralyzed and Painful Nervous Parts and Organs, in the Curing of Chronic Weakness and Inflamatory Ailments and Diseases, in the Absorption of Poisons from the Blood through the Pores, and the Prevention of Fever and Ague, Liver Complaints, Malarial and Contagious Diseases they are wonderful. Compared with them in astantaneous and positive curative action, the ordinary porous or perforated plasters, the voltaic bands and appliances, liver belts and/other costly contrivances sink into utter insignificance.

PRICE 25 CENTS. All the virtues of Electricity and Healing Balams and Gums are to be found in Collins' Voltain Liketric Plasters. Be sure to get them. Solo y all druggists.

LACTO-PHOSPHATE OF LIME Inis medicine can uncountedly be used with greater success than any other remedy now knowing in cases of Consumption, Coughs, Colds, Roarns, mess, Bronchitis, Scrofula, Chronic Rheumstism, General Debiitty, Wasting Diseases of Children and Adults, and whenever it is necessary to increase the vital forces and build up the system.

-WITH-

Nearly every person that has taken any prepara-tion of Cod-Liver-Oil, knows how very liable it is to disagree with them after a time; this is mainly due to the inability of the stomach (weakned by disease) to digest the full amount of the oil taken. To overcome this trouble we have added Panegr-atine to our Emulsion, which not only assists in digesting the oil, but is an acknowledged remedy of itself in the treatment of Consusption. In taking M. ttisou's Pancreatic Emulsion of Cod-Liver Oil with Laste-Phosphate o Line, you re-S,

IRON FRAME MOWERS

For the last four years, and are now offering to the farming community this, the Sole Agents for Maritime Provinces BEST MOWER. No. 17 ALEXANDRA BUILDINGS, NORTH WHARP,

combining grater excellence of mechanical simplicity begether with greater durability and entire reliability for all the requirements of the field, that any other Mower extant.—In construction they are similar to the celebrated Walter A. Wood's Iron Frame Mower, and the Richardson Buckeye, both American Machines. Of the former there are over 200,000 in use, and the extraordinary number of 20,000 for the same of the same of the wood Company of United States. We have ever 500 of our manufactured and sold last season, by the Wood Company of United States. We have ever 500 of our manufacture mow in use, every one of which (no exceptions) stands as a monument at the grand and unprecedented success of home manufacture and our enterprise. A list of our Agents in this sect in of the Province will be found appended, and farmers are requested to ask information of them relative to our Mowers in use in their respective localities, which will entablish beyond doubt their unquesti enable superiority over any other mower to be had in our market. The facility of procuring all parts or pieces within a nominal length of time must show beyond the shadow of a doubt the claims such an enterprise has upon the farmers of the Maritime Provinces.

For the coming harvest of 1877 we will manufacture LAR 3-1 in excess of our numbers of 1885 becason, and trust that our growing enterprise may find such inducements held out to it as will be commensurate with its merits. posts of 1885 season, and trust that our ing enterprise may find such inducements helt to it as will be commensurate with its merits.
