

HARMLESSLY INSANE" IN MATES OF DIGBY COUNTY POOR HOUSE MURDERED THIRD INMATE

Held the Victim While the Other Strangled Him to Death With Braces.

KEEPER THOUGHT DEATH NATURAL

In Preparing Body for Burial Marks of Violence Found—Confession Made.

Special to The Standard.

Digby, N. S., June 11—An inmate of the county poor-house, murdered by two other inmates, is the week-end sensation in Digby County. All three of those concerned were inmates of the harmless insane ward. The dead man is Boyd B. Pendleton, aged 25 years, and his murderers are Blanche Fidd, who strangled him with a part of a man's braces, and Harry Smith, who held Pendleton's legs while the deed was done.

Discover Foul Play

On Friday morning Pendleton was dead in bed, but, as he had been under the doctor's care, death was supposed to have been from natural causes. The keeper came to get a burial permit from the municipal doctor who was a passenger on the Empress from St. John. In the afternoon, while preparing a body for burial, the keeper noticed blood on some of the bed-clothes and that there was a mark on the neck of deceased. He looked deeper into the matter and finally told him that Pendleton had hanged himself with Smith's braces.

NO DISCRIMINATION AGAINST RETURNED MEN

Will Be Given Time Extension, Say Gov't, to Do Assessment Work.

Toronto, June 11—A dispatch from Cobalt to the effect that returned men are struggling to do their assessment work before the 15th of June so that their mining claims will not lapse, has been characterized by the Department of Mines at the Parliament buildings as being misleading. "Returned men, applying for time extensions to do their work, will be given every opportunity, it was stated. They have certainly never been discriminated against, and during the past year there were 506 permits issued granting time extensions. One hundred and eighty-five of that number were for returned men. This year their applications will receive the same consideration."

SALMON RETURNS TO NATIVE HAUNTS

Twenty-Two Pounder Caught at Fredericton Was from St. John Hatchery.

Special to The Standard. Fredericton, N. B., June 11—A twenty two pound salmon, thirty three inches in length, caught Friday night near Springhill and offered in the market here Saturday, had an aluminum tag through its dorsal fin. Fisheries Inspector H. E. Harrison identified the tag as one placed on the fish at St. John hatchery last autumn for identification purposes.

MEMBERS OF B.R.I. CABINET UNDER GUARD

Renewed Activity of Irish Extremists Makes Precautionary Measures Necessary.

London, June 11—Several members of the British cabinet are being closely guarded by special detectives from Scotland Yard, as a presumed result of renewed activity on the part of Irish extremists, said the Illustrated Sunday Herald today. Winston Churchill, Secretary of State for the Colonies, was declared to be one placed on the protection lists. Some ministers, the newspaper asserted, have received anonymous letters making serious threats against them, if the Irish negotiations do not result favorably.

SYDNEY LABOR UNIONS URGE RUSSIAN LOAN

May Sponsor Campaign Looking to Federal Aid for \$15,000,000 for Famine District.

Special to The Standard.

Sydney, N. S., June 11—A campaign among labor unions to urge the Federal Government to make a \$15,000,000 loan to Russia may be undertaken by J. B. McLachlan, secretary of the district No. 26 of the United Mine Workers of America, as the result of a promise received by him from the Russian Soviet Government to guarantee re-payment of such a loan.

Secretary McLachlan despatched an enquiry, by wireless, on April 27, asking if the Russian Government would guarantee re-payment of a \$15,000,000 famine loan if such were made by the Canadian Government. The reply arrived yesterday.

It is addressed to the miners' secretary and says: "In reply to your telegram we will welcome your offer of a loan of \$15,000,000 for relief of peasants of the famine stricken provinces. The need for this assistance is immense; the reconstruction of rural industry and agriculture will require large means. The Government will give guarantees for the fulfillment of the loan."

"On behalf of the Chairman of the Council of the People's Commissaries and the Council of Labor Defense."

"Lenine by his Deputy Rykov. (Sgd.) 'Polprod.'"

The McLachlan query of April 27 reads: "Will Russian people guarantee re-payment when possible of fifteen million dollars famine loan by Canadian Government? Loan to be spent in Canada for purchase of wheat, feed and food for Volga; and to be distributed under the Hansen agency." Although Mr. McLachlan expresses his intention of starting the loan campaign at once, it is considered doubtful that he would be able to do so because of pressing matters in the coal mining situation in Nova Scotia.

MARRIED MAN SAYS HE WAS "FRAMED"

Arrested on Charge of Attacking Two Girls in His Automobile.

Taunton, Mass., June 11—Edward J. Swig, thirty-four years old, married, is under arrest on a charge of attacking two girls one twelve years of age and the other eighteen years old, whom he is said by the police to have induced to ride with him in his automobile on the outskirts of Taunton. He was bailed in the sum of \$1,100 by W. J. Dana, a prominent Taunton business man.

Swig is a son of Hon. Simon Swig, of Boston, former president of the defunct Tremont Trust Company, denies the charges and declared that he has been "framed."

Upon complaint of Mrs. Maria A. Magano, mother of Alice Magano, no address given, he is charged with attacking the twelve-year-old child, on a second warrant sworn out by Police Chief James P. Crowley, he is charged with attacking Julia Crotty, eighteen years old.

On the charge of assault and battery the bail was placed at \$100 and on two other counts, the bail was fixed at \$500 each, making a total of \$1,100. The police say that Swig, while riding in his automobile in the mid-afternoon, accosted the two girls in the street and invited them to take a ride with him, incidentally commenting on the heat of the day and the enjoyment of an automobile ride. The elder girl evinced a willingness to go but the twelve-year-old girl is said by the police to have held back and to have shown a disinclination to accept the riding invitation.

The elder girl and Swig are said to have helped the smaller girl into the motor car. The party drove into the northern outskirts of the city and stopped in the rear of Mayflower Hill cemetery, where the police assert both attacks were made in the machine.

Upon her return home for supper, the younger girl complained to her mother and the mother, Mrs. Magano, hurried to the police station with a complaint. Upon investigation of the charges the police filed three complaints against Swig.

The police then telephoned to the office of Swig which is in the concern of the C. R. Dean & Co., wholesale and retail cigar dealers, and asked him to call at the police station. He answered the telephone message and when apprized of the nature of the police business declared his innocence and arranged for bail.

FRUSTRATED ROBBERY OF ARKLOW BANK

Dublin, June 11—Detectives attached to the newly recruited city guard, frustrated the robbery of the bank at Arklow yesterday when they surrounded the building while the bandits were inside. After chasing the robbers through the building, they made a number of arrests.

DEATH AND DEVASTATION FOLLOW IN WAKE OF STORM IN METROPOLITAN AREA, N. Y.

Storm Accompanied by Wind That Reached Velocity of 88 Miles An Hour.

24 PERSONS KILLED, HUNDREDS INJURED

Many Drowned, Others Killed by Falling Trees and Chimneys.

New York, June 11—A violent storm, accompanied by shifting winds that reached a velocity of 88 miles an hour, took the lives of 50 persons, injured more than a hundred, and caused enormous financial loss in the metropolitan section late today.

Killed Under Ferris Wheel

Five persons were killed and more than forty hurt when the wind caught a huge Ferris wheel, at a Coney Island amusement park and crashed it to the ground. A woman and her seven-year-old daughter were crushed to death, and several other persons injured when an oak tree blown by the wind crashed through the roof to the crowded dining-room of the Red Lion Inn, on Boston Post Road, carrying with it an old-fashioned stone chimney.

Canoeists Drowned

The bodies of seven canoeists caught in Long Island off City Island at the height of the storm, were washed ashore after midnight. Miss Egan Smith, 17, walking with a companion along the reservoir road at Cushing, was blown into the water and drowned. Charles Emerson, New Rochelle clothing manufacturer, was rowing in Echo Bay with his wife and three children when the storm broke. He managed to row ashore, then slid from a heart attack. A tree fell across a party of motorists seeking shelter on the Brookville road, and had combined Long Island, killing Harry Halloran, of Oyster Bay and seriously injured his three male companions. Change to reach shore in the still wind. Mrs. Lowenthal, 26, was drowned while swimming in East River.

Crushed By Trees

Concetti Badalazzo and his ten-year-old son, Anthony, of Mount Vernon, were killed when a tree, under which they had found shelter in the storm, was struck by lightning. Mrs. Egan Smith, 17, walking with a companion along the reservoir road at Cushing, was blown into the water and drowned. Charles Emerson, New Rochelle clothing manufacturer, was rowing in Echo Bay with his wife and three children when the storm broke. He managed to row ashore, then slid from a heart attack. A tree fell across a party of motorists seeking shelter on the Brookville road, and had combined Long Island, killing Harry Halloran, of Oyster Bay and seriously injured his three male companions. Change to reach shore in the still wind. Mrs. Lowenthal, 26, was drowned while swimming in East River.

Reports of Drowning

Thirty-eight persons are reported to have drowned off City Island Sound when the mad storm hit the city and capsized scores of small pleasure craft. Eight bodies have been recovered, and thirty more persons are reported missing.

Twenty thousand holiday makers went to City Island today and half went out on the waters of Pelham Bay. It was a jammed with people. A few had opportunity to get ashore. The known casualties occurred over Execution Point, which is about six miles east of City Island, and another island nearby. It is estimated that no fewer than ten thousand persons were fishing off those points, and when the sea cleared, the waters of Pelham Bay and Long Island Sound were dotted with overturned row boats, launch, canoes and yachts.

At nine o'clock eight bodies had been recovered and Lieut. Kelly said he was making a conservative estimate when he put the bodies to be recovered at thirty. Following the tragedy City Island became a scene of pandemonium. Many of the men who had gone out, in fish had left their wives and children there to picnic. As soon as knowledge of the drownings became general and heads of families, sons, and in some instances daughters, failed to return, the survivors became hysterical. All communication by telephone with the island was cut off by the raising of wires and telephone poles and this hampered the police. They improvised a morgue in one of the bathing pavilions, and as rapidly as the bodies were recovered they were taken there for identification.

NEGRO KILLS FARMER AND WOUNDS WIFE

Armed Men Scouring Country for Perpetrator of the Crime.

Fort Worth, Tex., June 11—Park Bayburn, a farmer near Carthage, was shot and killed, and his wife seriously wounded yesterday by a negro, Zack King. Armed men are scouring the country for King. Bayburn, it is said, went to King's house to rebuke him for breaking window panes. King chased him away with a knife. Bayburn armed himself, and accompanied his wife returned. The shooting followed.

FURY OF ELECTRICAL STORM THAT SWEEP NEW YORK BROKE SUDDENLY OVER CROWDED AMUSEMENT PARK

It Lashed into a Ferris Wheel Loaded With Young Merry Makers, Crashing It to the Ground, a Twisted Mass of Steel and Human Bodies—Five Killed, Forty Injured—Panic Followed Among Men and Women.

New York, June 11—The fury of the electrical storm that swept New York late today destroying property and life, broke suddenly over a little amusement park at Elson's Point, in the Bronx, lashed into a ferris wheel crowded with young people, crushed it to the ground and passed on leaving five dead and more than forty injured. shrieks of mirth broke from the steel cars of the wheel as it carried its cargo of youth high up into the breeze. Then the storm, and maddened cries of fear and agony as the upper half broke away and was catapulted by the winds into the shallow waters of Long Island Sound. The lower half buckled and fell a twisted mass of steel, wooden girders and human bodies.

Panic Followed. Then came a panic among the hundreds of men, women and children in the resort. Amid the lightning flashes, the thunder's roar and the rain torrents, women fainted and men fought and children were brushed aside in frantic efforts to reach shelter, and to loss sight of the ghastly pile that shortly before had been a wheel of merriment. But many rushed to the wreck and worked madly to extricate the bodies of the living and the dying efforts were made to telephone for ambulances and physicians, but the storm had taken the wires. Men in several automobiles were near the scene of the disaster, and soon a corps of physicians, surgeons and nurses were at the park. Four ambulances responded and they worked in relays removing the injured.

Property Damage at Syracuse was estimated at \$1,000,000, and it was believed that the city of Oneida was damaged to the extent of \$500,000. The residential and business sections of Syracuse were from six inches to a foot under water, and the tunnel under the Erie Canal, through which the New York Central trains pass, was flooded. One train was marooned in the low lands near the tunnel, but the passengers were removed to safety. Flood conditions at Oneida were worse than at any time since the record flood of 1891. The entire section of the city was like a lake, small out buildings and wooden garages were washed away, streets were ruined and the tracks of the New York, Ontario and Western Railway cut in several places near the city. The telegraph and telephone lines were not seriously affected.

STATE OF NEW YORK SUFFERED MILLIONS OF DOLLARS IN DAMAGE

The Full Extent of Destruction to Property Resulting from Series of Electrical Storms Not Yet Known—Flood Conditions Prevailed Along Mohawk Valley.

Albany, June 11—Two deaths and property damage, as yet unestimated but known to run into millions of dollars, resulted from a series of electrical storms that broke over Central New York last night and today. Flood conditions prevail along portions of the Mohawk Valley and westward through Oneida and Syracuse.

While most of the damage resulted from the heavy rains, which caused the streams and rivers to overflow their banks, wind and hail combined in the work of destruction. One person was killed by a falling tree at Cortland; a miniature tornado struck the village of Athens, on the west bank of the Hudson River, about 25 miles south of this city, and hail played havoc with many orchards and gardens.

At Syracuse, an aged woman was drowned when her home was swept away in the flood. Her body was found in the wreckage of the house which lodged against a bridge.

DE VALERA PLEADS SUPPORT OF RURAL CANDIDATES FOR PARLIAMENT

Declares Opposing Factions Have Many Things in Common and That is Why They Come Together.

Belfast, June 11—Eamon De Valera, in a speech at Malloy, Saturday, in support of the panel candidates for Parliament, emphasized the impossibility of acting as though conditions were normal. He said that while the opposing programmes differed fundamentally, they had many things in common, that the factions were coming together means that they were determined to lay stress on things they had in common.

STITCH IN TIME WILL SAVE NINE

Barn and Contents Insured Thursday Destroyed by Fire on Friday.

Special to The Standard. Fredericton, June 11—To have an insurance policy for fifteen hundred dollars placed upon the barn on their farm on Thursday, and to have the structure and contents destroyed by fire, caused by lightning, Friday afternoon, was the experience of Harry and Harold Brown of Bear Island, parish of Queensbury. The truth of the old adage "a stitch in time saves nine" never was better illustrated for twenty four hours is a very brief time to elapse between the writing of an insurance policy and a fire which would saddle the policy holder to a total claim.

ORDINATION SERVICE AT FREDERICTON

Five Elected to Priesthood Yesterday at Christ Church Cathedral—One Ordained Deacon.

Special to The Standard. Fredericton, June 11—Six children were ordained at the annual Trinity Sunday ordination service at Christ Church Cathedral here today.

W. D. C. Martin, who recently arrived in the diocese of Fredericton from England, and is to be located at Canterbury station, York County, was ordained deacon, while the following were elevated to the priesthood: Rev. C. J. Markham Chatham; Rev. James Bennett, Richmond; Rev. P. J. Haslam, St. John; Rev. W. P. Haight, Harland and Rev. W. B. Waddleton, Hammond River.

GHOSTS OF BROKEN PRE-ELECTION PROMISES ARE CONTINUING TO HAUNT FEDERAL GOVERNMENT

BANKERS MAKE REPORT ON THE GERMAN LOAN

Complete Agreement Among Allies on Reparations Essential Before Loan is Granted.

Paris, June 11—Complete agreement among the Allies on reparations, a solvent Germany and settlement once for all of the full reparations debt, the International Bankers Committee finds in their report to the Reparations Commission are essential to the success of an international loan to Germany.

In view of the fact that these conditions are lacking, and because of the objection of France to a revision of the total reparations due from Germany, the committee have decided to suspend their study of the question, though confident that a substantial loan to Germany could be floated if these conditions were fulfilled, and they hold themselves ready to resume consideration of the question on the unanimous invitation of the Reparations Commission.

Short Loan of No Use

The Committee recognized that there is a certain dependency of a reparation settlement upon the question of the interrelated war debts, which is outside of the Committee's jurisdiction, and they point out the danger of a collapse of German credit, if the negotiations for a settlement are too long delayed. A short term interim loan, however, could be made which would remove that danger. But a short term small loan, it is said, would be of no benefit to certain of the Allies who would receive none of the proceeds.

French Dissent

The French delegate, Chas. Sergeant, dissented from the report saying he was unable to accept any reduction in German liability under the Treaty of Versailles, or any diminution whatever of France's rights under the treaty.

MINISTER OF AGRICULTURE DECLARES HE WAS FORCED TO CHANGE VIEWS ON JOINING CABINET

STORM CENTRES OVER F. B. CARVELL

Progressives Start the Wind Which Was Breezed Along by Conservatives.

Ottawa, June 11—The ghosts of broken pre-election promises continue to haunt the Government. On Saturday it was the turn of Mr. Motherwell, who was suddenly confronted with his promise to dismiss Mr. Carvell from his post of Chief Railway Commissioner. Progressives and Conservatives joined, by turns, in demanding to know whether the Minister, now that he was in power, would carry out his pledge. For a time Mr. Motherwell sat stably silent, but the fusillade of questions continuing, and no progress being made with estimates, he finally was driven to the humiliating confession that, as a member of the cabinet, he had been compelled to abandon what had been one of his ideals as a private citizen.

Caldwell to Front

Then another ghost walked. Mr. Caldwell, of Carleton-Place, innocently inquired if the Canadian National Railway Board was the same as last year.

"It is," replied Mr. Kennedy, the Minister of Railways. Whereupon Mr. Caldwell produced Hannard, of Carleton-Place, and quizzed him with a lengthy speech by Mr. King in which he showed that several members of the board were members of companies that sold supplies to the National Railways, and denounced the condition as outrageous.

"In view of the Prime Minister's attitude in opposition," asked Mr. Caldwell, "is the intention of the Government to disperse with the services of the present board?"

Again, however, the Government hedged. "The question," said Mr. Kennedy in a feeble reply, "is receiving consideration."

MILLIONS VOTED FOR WELAND CANAL

Western Progressives Made An Unsuccessful Fight to Have Appropriation Reduced by Half.

Ottawa, June 11—The House of Commons yesterday carried a vote of eight million dollars for construction of the Welland Canal after western progressives members had made an unsuccessful fight to have the appropriation reduced by one-half. The motion for reduction of the estimate came from John Miller, Progressive member of the House, who argued that it would be better to build needed branch railway lines in the West. There were pleas also for economy. "It is no use talking economy," said Thomas Sales, Progressive from Saskatchewan, "when we are spending millions."

On the other hand, the Welland Canal was urged as part of the St. Lawrence waters scheme and here arose some questioning as to the recent correspondence between the Government of the United States and Canada and the negotiation of a treaty on the waterways scheme. Hon. T. A. Crear, leader of the Progressives, while pressing for economy, took the view that the Dominion Government should have conferred with the Government of the United States when opportunity offered. The proposal of the United States did not involve any great outlay and should not have been turned down.

Hon. Dr. Manion, Minister of Soldiers' Civil Re-establishment, in the late administration, declared that it was unprecedented for one Government to refuse to discuss with another a matter of international importance.

In reply, Mr. Hon. W. L. Mackenzie King, Prime Minister, said that the Canadian Government had not refused to discuss the matter with the Government of the United States, but had achieved such a result that the two sides to the controversy had come together.

KING FUAD HONORS PRINCE OF WALES

Confers on Him Highest Egyptian Honor—Prince First Recipient of It.

Cairo, June 11—King Fuad has conferred the highest order of Mohammed Ali on the Prince of Wales. This is the highest Egyptian honor and the Prince of Wales is the first recipient of it. The Prince leaves for Port Said tonight and will depart on board the Renown tomorrow morning.

METHODISTS "FED UP" ON PRESBYTERIAN DELAY

Disappointed That General Assembly Has Side-Tracked Church Union Another Year.

Ottawa, June 10—Methodism is just a wee bit "fed up" on the long delay of the Presbyterian church in regard to church union. The decision of the General Assembly at Winnipeg, yesterday, to hold it off for still another year has accentuated the disappointment of the Methodists, and, in views expressed by church leaders today, this feeling was quite evident.

The one exception to this was Hon. N. W. Rowell, who is one of the leading spirits of the joint committee negotiations.

"Patience in the thing," said Mr. Rowell smilingly. The Presbyterians are moving slowly, but we must be patient, for church union is a great world movement, and it will take time. But at the same time we should remember that church union has made more progress in Canada so far than anywhere else in the world."

BELFAST AGAIN EXPERIENCES INCENDIARISM

Ulster Specials Ordered to Kill or Capture the Enemy.

Belfast, June 11—Belfast Saturday night experienced another outbreak of incendiarism. Six fires were reported. Friday night the houses of Isabella McKeena and Patrick O'Neill, near Mather's set, County Derry, were set on fire and destroyed. Prior to the fire at O'Neill's house, O'Neill had been dragged from his bed and threatened with death. A circular issued to the officers of the Ulster special constabulary yesterday, in dealing with the possibility of open hostilities, says: "The main duty of the constabulary is to kill or capture the enemy. It is only by finally overcoming or evicting him from the six counties that peace can be restored."

BANKERS MAKE REPORT ON THE GERMAN LOAN

Complete Agreement Among Allies on Reparations Essential Before Loan is Granted.

(Continued From Page One) The committee decided that they could not usefully continue their study as they were extremely anxious that action of theirs should injure the interests of France, and that if France did not, at the present time, desire any inquiry into the more general conditions necessary for re-establishing Germany's external credit, the committee did not feel justified in undertaking that inquiry.

The committee observed that an essential condition of an external loan at any time is that the public must feel that Germany is making real and substantial efforts to place her finances upon a stable basis, and that a second essential consideration is removal of the uncertainty regarding the reparations obligations.

U. S. Demands

The committee had before them a statement to the effect that United States bankers and investors could be interested in a substantial degree in the purchase of German obligations, only if a further fundamental condition was satisfied, namely, that such a loan should be at the unanimous request and for the benefit of the Allied nations. Among the fundamental conditions of United States participation was unanimity among the lenders as well as the establishment of the credit of the borrower. The report touches upon the inter-related debts as being outside the competence of the committee and that subject could not be discussed.

Italo-Turkish Secret Treaty Stirs Washington

Officials Studying Text of Document—Further Atrocities in Anatolia.

Washington, June 8.—The London dispatches to the Christian Science Monitor concerning the news that a treaty of significant potency has been concluded between Italy and Turkey, the terms of which have been kept secret, has amazed official Washington. The State Department was informed of the existence of the treaty in May, and had made inquiries, but it did not have the full text of the treaty until it was read by officials in the Monitor today.

The contents of the treaty are being studied, with other data, which honor the announcement on Saturday that the United States Government would join with Great Britain, France and Italy in making an investigation of conditions in Asia Minor, and especially the atrocities complained of by the Greeks.

Embassy Studies Article

What complexion the disclosure of the agreement entered into by Italy with Turkey, by which aid and support of a substantial character were promised will have is not yet known, but it is understood that the representative on the commission would be appointed as the Secretary of State had previously announced.

The Italian Embassy it was said there had been nothing to hide, that there had been an economic treaty between her and Turkey but that further than that no information was available here. The article in the Monitor is being considered with close attention by Embassy officials.

The Greek Legation has received word of further atrocities in Asia Minor, indicating that the Turks are endeavoring to exterminate the Greeks as they have, practically, the Armenians. All that has been set forth in the Christian Science Monitor by Herbert Adams Gibbons is confirmed by official despatches.

Greeks Protest

The Greeks are protesting against civilized nations having friendly commerce and relationship with a nation which is carrying out traditional barbaric methods. Notwithstanding the well understood apprehension of the British in regard to India which affects their attitude toward the Turks and the similar position of the French with regard to their colonies in the Northern Africa, the Greeks hold it inconceivable that people claiming to represent the highest civilization should become parties to such extreme cruelties.

The following information has been received by the Legation here: "Official information from Smyrna is to the effect that the Greek Governor of Smyrna reports that five Greeks also escaped from Geronda (in the interior of Asia Minor), brought tidings that the whole Greek population in that part of the country has been deported toward the furthest interior, most probably to Mongolia. On the way they are being gradually massacred. The women and children are herded together in a few houses and there left. The treatment of women, girls and young boys is indescribable.

These tidings have filled Athens with a deep sense of horror.

"In my estimation," replied Mr. Baldwin, "that is the most important feature of the bill."

The last election demonstrated that 90 per cent of the voters composed of voters and farmers, composed of voters and farmers, and so on.

Mr. Baldwin, "that is the most important feature of the bill."

Mr. Baldwin, "that is the most important feature of the bill."

MORGAN STAFF TO CAMP IN THE WILDS OF MAINE

Backwoods Cabins Bought to Provide Real Vacation for 250 Employees.

New York, June 10.—From Broad and Wall streets and the clamor and nerve strain of New York's financial district to a hamlet of log cabins in the backwoods of Maine will be the interesting experience this summer of the 250 employees of the banking house of J. P. Morgan & Co.

The leasehold of the Spring Lake Camps in Somerset county, Maine, in the northwestern part of the great playground State, recently twenty miles from the duck flats from the Canadian border, has been taken over by representatives of the Morgan house for \$15,000. A dozen log cabins cluster on the shore of a small inland lake, the name of the village of Spring Lake, which was one of the camps of Benedict Arnold's northward march in his futile effort to reduce the strongholds of George III. in Canada.

It is in reminiscence of the Revolutionary War and in Indian lore. The young men and women of the Morgan firm, should they fancy rickety hunting, might uncover muskets, the soldiers of Arnold. Many of these have been found. Indian relics are common.

The trip to Maine will begin on June 24. Thereafter at intervals of three weeks other groups will go until the vacation schedule is worked out. The men are to go first, and the women, it is understood, will follow. The banking house pays all expenses for the woods vacation.

At Spring Lake the city folk will be instructed in the ways of the woods and in fishing lore by John Carville, a veteran guide and camp proprietor. There is first rate trout fishing in the lake and in nearby ponds and streams, and the bank clerks and clerks are not unlikely to get a look at red, blue and golden speckled square tail trout. In the camp life everything possibly is to be done for their comfort. Electric lights are being installed. The camp, as the log cabins are called, are being repaired and renovated. Spring water is being piped into every dwelling and the road into the woods is being smoothed.

The acquisition of a vacation camp in the true wilds in a forest country where deer, beaver, otter, mink, bear and other wild things still abound and where game fishing is first rate is in line with what is apparently a growing disposition on the part of big business concerns to insure a health making vacation to their employees.

Recently the New York Telephone Company purchased the Richard Conover estate of 143 acres at Bedford Hills for the rest and retreat of its employees.

HAWAIIAN DEMANDS CURB ON JAPANESE

Delegate Declares American Control of the Islands is Threatened.

Washington, D. C., June 10.—Control of the Hawaiian Islands by the Americans is menaced by the ever increasing Japanese population. Harry Baldwin, newly elected delegate from that territory, told the Senate Labor committee today.

Mr. Baldwin urged the passing of the Dillingham resolution empowering the President, for a period of five years, to suspend immigration laws in order to admit Chinese to perform agricultural labor as the best means of meeting the labor situation in Hawaii.

The Japanese population of Hawaii, constituting 40 per cent of the conglomeration of nationalities there, Mr. Baldwin pointed out, was obtaining an increasing control over the leading industries of the territory.

While the Americans were able to maintain their hold on the sugar industry, he said, the Japanese were gaining control over the growing pineapple industry.

Although about 6,000 of the Japanese in the territory, by reason of their birth there under the American flag, were entitled to vote, Mr. Baldwin pointed out that only 463 registered in the last election. The Japanese were not exercising their right of franchise, he said, he had been told, because of the opposition from the representatives of their mother country.

An extensive strike in 1920, Mr. Baldwin told the committee, demonstrated that highly nationalistic feeling of the Japanese, who, he said, acted as a unit on such occasions. This strike demonstrated, he said, that the Japanese were influenced by threats of ostracism in the Japanese communities in Hawaii and in Japan.

"Once a Japanese always a Japanese," said Senator Johnson (Cal.), who added that a four Power treaty would not change the situation with respect to that point.

The resolution was proposed by Edgar Wallace, representing the American Federation of Labor, on the ground that it was contrary to the long established policies of the country and would provide a system of peonage under which Chinese coolies would be tied to certain tasks.

"The Japanese control the labor," said Mr. Baldwin, "and what we are trying to do is to break that control. If things run as they have been going, with the Japanese obtaining more and more sugar stocks and extending generally their ownership, they will drive out the Americans."

"Is the real object of this resolution to prevent Japanese domination?" Senator Cull (R. I.).

"In my estimation," replied Mr. Baldwin, "that is the most important feature of the bill."

The last election demonstrated that 90 per cent of the voters, composed of voters and farmers, composed of voters and farmers, and so on.

Mr. Baldwin, "that is the most important feature of the bill."

Mr. Baldwin, "that is the most important feature of the bill."

Mr. Baldwin, "that is the most important feature of the bill."

Medical Board of Sweden Reports On Alcoholic Liquors

Declare It a Drastic Decree to Deprive Majority of Stimulants.

Stockholm, May 24.—(By Mail)—"To deprive the majority of citizens, who do not misuse alcoholic liquors, of what is for them an inalienable right because a small number of people abuse liquor seems to be rather a drastic decree."

This opinion is found in the official report just issued by the Medical Board of Sweden on the proposed introduction of total prohibition. It has aroused intense interest throughout the country which is now in the midst of a nationwide conflict between the prohibition forces and those who want to maintain the present so-called Bratt system, whereby only those who have opened their shops to alcoholics are deprived of its use.

Sweden will vote on the liquor question August 27 of this year.

The Medical Board points out further that a large number of physicians believe that under certain circumstances, and in the case of certain diseases, alcohol cannot be dispensed with, and that the greatest disadvantages, and it says that not only the fatal consequences of the abuse of alcohol should be considered, but also those effects that result from its withdrawal.

It declares that most of the so-called primitive races used alcohol and expresses doubt that a cultured community can suddenly dispense with stimulants. If the aim is to produce a non-alcoholic community, this end must be achieved through legislation imposing gradual restrictions, so that the present and possibly the next generation may be afforded time to change their habits.

In conclusion the board, while emphasizing the necessity for vigorously phasing out alcohol, recommends that the personal restriction system now in force in Sweden be further tested, developed and improved.

Sweden has been a member of the League of Nations since 1920. Under the terms of the League's prohibition treaty, which was signed in 1921, the country's inebriate record reached the lowest figures since 1918 during the first quarter of this year, according to the statistics of the League.

The inebriate record has been especially marked in about Stockholm, where it amounts to no less than 56.8 per cent compared with the national average of 1921. In some Swedish provincial towns drunkenness has decreased 55 to 60 per cent.

CAMPBELLTON

Campbellton, N. B., June 9.—Wesley Methodist Church was the scene of a very pretty wedding on Tuesday evening, June 6th, at 6:30 o'clock, when Miss Sadie Kerr, of Chatham, and late Mr. and Mrs. John Mowat, of Campbellton, became the bride of John Wesley Macdonald, son of the late Jas. A. Macdonald and Mrs. Macdonald, of the village. The bride was given in marriage by her brother, J. T. Mowat, and looked charming in a white tulle gown, with a train of blue and black roses, and with becoming French hat of crepe. She wore a platinum fox fur and carried a shower bouquet of opelia roses, sweet peas and lilies of the valley. The church was artistically decorated by friends of the bride with ferns, pink snap dragon and apple blossoms. Miss Greta Metzler presided at the altar, and played appropriate music before the ceremony and during the signing of the register. Immediately after the wedding the bride party motored to St. John's and Miss Greta Metzler, of Bathurst, returned by way of St. John's.

Mrs. Josephine M. Hutchinson, of Boston, and Mrs. M. H. Hutchinson, of Boston, were the guests of Mr. and Mrs. J. S. Benson last week.

Mr. R. H. Anderson, of St. John, was a visitor in town last week.

Miss Sadie Kerr, of Chatham, is the guest of her sister, Rev. Sister Kerr of the Hotel Dieu Hospital.

Mrs. F. W. Wetmore has returned from a pleasant visit with friends and relatives in Boston and Framingham, Mass.

Mrs. McDougall and Mrs. Price, of Montreal, are the guests of Miss Kerr at her cottage, Maple Green.

Miss Ella Gillis, who has been spending the winter in Springfield and Boston, has returned home.

Misses Ethel Murray and Jeannette Duncan spent the week-end in Bathurst.

Mrs. Wm. Gordon Motte held her post-nuptial reception on Friday last from four to six, at the residence, of her mother-in-law, Mrs. Geo. G. McKenzie, who received with her. The bride wore a beautiful gown of blue Canton crepe, heavily encrusted with beads and crystals, her carriage being decorated with American beauty roses. Mrs. McKenzie wore a canna and black Canton crepe. The rooms were prettily decorated with apple blossoms, violets and potted plants. The color scheme in the dining room was yellow, the room being decorated with yellow carnations and candles. Mrs. Joseph Dunstan and Mrs. Langley poured from four to five and Mrs. Mowat, Macdonald and Mrs. Hugh Carr from five to six. Those who assisted in serving were: Misses Helen Crockett and Freda Davison; Miss H. Macdonald and Miss Irene Murray ushered; Miss Margaret Motte replenished; and Miss Lois Langley attended the door.

On Thursday afternoon from 4 to 6 Mrs. O. B. Adkinson entertained at a tea and variety shower in honor of Miss Helen Mowat. Miss Nan Corbett presided at the table, and the refreshments were served. Among those present were: Misses Helen Mowat, Nan Corbett, Hazel Mowat, Harriet McDonald, Margaret Adkins, F. Murray, Freda Davison, Mrs. Mary Graham, J. Duncan and Mrs. Jas. Marton. Mrs. G. G. McKenzie, Mrs. P. B. Blackhall, Mrs. C. L. Prank Mrs. Herbert Henderson, Mrs. Fred McKee, Mrs. W. G. Motte and Mrs. H. B. Adkinson.

Mrs. Lewis Wolf of Halifax, is the guest of her parents, Mr. and Mrs. Charles Wolf, of St. John.

Mr. and Mrs. A. P. Crockett, of Fredericton, spent a few days here last week, the guests of Mr. and Mrs. G. S. G. Crockett.

Mr. and Mrs. H. B. Amos left Monday morning on an extended trip to Ottawa, Toronto and other Upper Canadian cities. While in Ottawa, Mr. Amos will attend the meeting of the Canadian Weekly Newspaper Association.

Mr. and Mrs. H. B. Amos left Monday morning on an extended trip to Ottawa, Toronto and other Upper Canadian cities. While in Ottawa, Mr. Amos will attend the meeting of the Canadian Weekly Newspaper Association.

Mr. and Mrs. H. B. Amos left Monday morning on an extended trip to Ottawa, Toronto and other Upper Canadian cities. While in Ottawa, Mr. Amos will attend the meeting of the Canadian Weekly Newspaper Association.

GHOSTS OF BROKEN PRE-ELECTION PROMISES ARE CONTINUING TO HAUNT FEDERAL GOVERNMENT

(Continued From Page One) Ottawa, June 10.—When a vote of \$221,536 for the Board of Railway Commissioners was under consideration in the House of Commons, just before six o'clock Saturday, G. G. Coote, Progressive member for MacLeod, asked the Minister of Railways whether Hon. W. R. Motherwell had taken any steps looking to the removal of Hon. P. B. Carvell from the post of chief of the board. Mr. Coote said that Hon. George Langley had appeared before a Committee of the House and stated that Mr. Motherwell had made an election promise to place a resolution on the order paper calling for the removal of Mr. Carvell.

Mr. Motherwell replied that he had a statement on the matter in his desk and would be ready to read it when the Premier arose and stated that Mr. Motherwell had made representations on the matter to the Government and they were receiving consideration.

Sentiment Against Carvell Mr. Coote went on to say that there was a very strong sentiment in the West in favor of the removal of Mr. Carvell, and there appeared to be good reason for this sentiment. Mr. Coote declared that the Western people were dissatisfied with the Railway Commission as it was constituted. He said that the Railway Commission had made a promise and should implement it.

"Does the country pay the chairman of the Railway Commission \$12,000 a year for his purpose of travelling around the country telling people that he would put no works in the word of a man who works for the farmers? Do they think we should have a different status for farmers and business men than for the farmer and business man who work the land? The item should stand over until Mr. Motherwell made his promised statement."

Hon. W. C. Kennedy said there was another way of dealing with the matter than asking that the post of the Railway Commission staff be stood over. If any charges were made they would be looked into.

Hon. J. A. Stewart (Conservative, Jananuk), declared that Mr. Motherwell had a right to know if Mr. Motherwell returned to make a statement.

Constitutional Method. Hon. H. H. Stevens (Conservative, Vancouver Centre), said that Mr. Motherwell had pledged himself to "be the Chairman of the Railway Board." The Railway Act provided the constitutional method.

Mr. Carvell could be impeached through an address of the Senate and House of Commons. An explanation was due to the House from the Minister of Agriculture, who was in the Chamber.

Mr. Motherwell was further pressed for an explanation, and said he had made his statement regarding Mr. Carvell in his capacity of a private citizen. He was now a cabinet minister and the position carried responsibility. This ended the discussion and the item carried.

Bottle With Note On Ocean Two Years

On the trip north from Demerara to St. John, over two years ago in the Chaleur, of the Royal Mail Steam Packet Company's line, Dr. M. P. Harrington, of Bridgewater, was a passenger. He wrote a note in a bottle, and the bottle was found in the water. The note was written in the following words: "On board the steamer Chaleur, on voyage Demerara to St. John, N. B., Sunday noon, April 11, 1920. The bottle was found in the water, and the note was written in the following words: 'Picked up at Castle Island Light Station, 3:15 p.m., 18th May, 1922. M. Sawyer, Light Keeper.'"

RUSSIAN LIFE REVERTING TO PLANE OF CZARS

There is, However, Complete Rearrangement of Classes, With Bourgeois Still in the Middle.

Moscow, June 11.—For all the troubles of the revolution, life in Russia is reverting to about the same general plane as under the rule of the Czars, according to the statement of old residents of Moscow. There is, however, a complete rearrangement of classes at the top and the bottom of the social scale with the bourgeoisie still safely placed in the middle.

Merchants and others of the bourgeoisie, who escaped the Red Terror, have again become merchants, and taken on pursuits similar to those they followed under the Czar. The less fortunate nobility, except its few members who have become bureaucrats, occupy the lowest rung in the economic ladder. The revolutionary workers who are employed in high official positions, occupy the privileged position that once belonged to the nobility.

The workmen who once walked side by side with the nobility, while the nobility now walks, but the bourgeoisie, just as always, rides in "droshkies" or one horse cabs. Less fortunate workmen who are not officially employed live on a scale even less than that of the bourgeoisie.

It is not only in this rearrangement of classes that the similarity of Russia today and before the war is becoming more pronounced daily. "Do as you would be done by" is the motto of the present, but not of the past. The general creed of Russian life under the old regime, since free trade has been restored, the creed of the Soviet regime might be expressed in the same words. If one did both with politics under the old regime, the old order police got him and did with him just about as they pleased. If one today opposes openly the Communist oligarchy which now rules Russia, its secret police get him and he has no recourse. In neither case was it there any freedom of the press or real freedom of speech. Just as before the revolution, persons desiring today to form political parties in opposition to the government, now meet in secret places and speak in hushed whispers.

Persons who have recently fallen into the hands of the "Soviet Political Department," as the successor to the "Cheka" is known, declared that just as this is nothing but the Cheka in a reduced form, so was the Cheka nothing but an outgrowth of the Czar's "Okhrana," or secret police. In fact, many of the principal operatives of these institutions have served in their same positions throughout the three changes of the name.

LI YUAN-HUNG AGAIN CHINA'S AGENT

Peking, June 10.—Li Yuan-Hung, the president deposed by the militarists in 1917, arrived in Peking today, and assumed the presidency. Li came from Tientsin in answer to an invitation to succeed Hu Shih Chang, resigned.

Geneva, May 25.—(By Mail)—A unique international club has just been established in Geneva. Membership is drawn in part from the staffs of the League of Nations and the International Labor office, and 30 nations are represented. China, Japan, Finland, Spain, Italy, Sweden, Greece, Holland, Czechoslovakia, Yugoslavia, India and France, are among the countries included.

The club will be a stepping place for visitors from all over the world. Arrangements have been made by which travellers bringing credentials from clubs of recognized standing may have the use of the Geneva club during their stay here.

Berna, Switzerland, May 20.—(By Mail)—Two hundred and fifty miles of electric mountain railways in the Canton of Grisons have recently been opened. These lines connect the resorts of St. Moritz and Pontresina with Davos and other points, including Coire, on the Rhine.

Switzerland has over a total of 1,600 miles of electric railways, many of which have been constructed from steam railways.

London, May 24.—(By Mail)—The Marquis of Londonderry has decided to move out of Seaham Hall, which the family have occupied for over 100 years, and sell the contents as surplus. The reason given is that owing to heavy taxation and the increasing cost of keeping up such a big place he can no longer afford to live in it.

Thus the Marquis becomes a recruit to the ranks of those noblemen who have been compelled recently to sell or close their ancestral seats because they can no longer afford to maintain them.

150 On Ship See 150 Whales Between Nips Of Chianti

Italian Liner Forced to Do Snake Dance to Avoid Collision With Monsters.

New York, June 10.—A vision that would have made the eyes of New Bedford whalers bulge like barnacles on the hull of a desecrated tropical island was encountered by the Italian liner Giuseppe Verdi, in yesterday, when she was off the Azores on Saturday. One hundred and fifty witnesses outside the commander, who officers and crew declared that they saw 150 whales clattering by the transatlantic lane from the Mediterranean.

Each witness did not see only one whale, as might be surmised, but all saw the 150. They said they were sperm whales, but did not reveal the method they used in determining the species.

The skipper of the liner which, by the way, served red wine at every meal, scorned the theory that the whole were of the Chianti species. He was inclined to side with the 150 passengers that the 150 whales were of the sperm variety, although one of his officers said that he felt pretty sure a few of the cetaceans were right Gordon intimated that the discussion was out of order, and Hon. George Graham stated that if Mr. Carvell's conduct was open to rebuke, there was a proper method of going about it. The provision was laced in the Railway Act to place officials, such as Railway Board Commissioners above political discussion.

J. T. Shaw (Ontario West), wanted to know if it was the intention of the Government to impeach Mr. Carvell?

Mr. Motherwell was further pressed for an explanation, and said he had made his statement regarding Mr. Carvell in his capacity of a private citizen. He was now a cabinet minister and the position carried responsibility. This ended the discussion and the item carried.

INTAKE CLEANED The intake to the big main at Lake Latimer was cleaned by a diver yesterday. The water was turned off at 7 a.m., and by 1 o'clock the work was completed, and the water turned on again.

REAL ESTATE TRANSFERS St. John F. K. Brown, et al. to W. J. Gray, property, Cranston Ave., property, property, Leinster St. City of St. John to Ella M. Burley, 460, property, St. John St. Lane H. Evans, et al. to Randolph and Baker Ltd., property, St. Martin's. E. Hogan to J. A. Davidson, property, Paddock St. E. Hogan to W. J. Steen, property, Paddock St. A. Lochery to J. Great Activity In Fair Vale

Large Double Tennis Court Under Construction, Baseball Club Busy, Considerable Building.

The community spirit has carried across the village of Fair Vale season in earnest. For a long time there was a feeling in that community that the Fair Vale Outing should add to their property a tennis court, and while the executive of the club were of the same opinion yet they felt that circumstances would not permit of going ahead with plans but that the opening of this season it was felt that the time had at last arrived when the club could, with the co-operation of all its male members, make a start on a double tennis court and main street. Saturday a number of the members could be seen with shovels, forks and rakes leveling the grounds preparatory to the spreading on of the soil.

The Fair Vale Baseball club, which is composed of members of the Outing club, has already got down to their spring practice, and are getting themselves into perfect trim to again bring championship honors to Fair Vale. Saturday evening had one game with the Rothesay team of which they were victorious. The Saturday night dances, which proved a pleasant feature, more particularly with the younger set, has again started, and is meeting with exceptional success.

The building operations which were started last fall are nearing completion, and what finished will add greatly to the summer population of this thriving little village.

POLICE COURT CASES ON SATURDAY

Two traffic cases were among the matters dealt with in the police court on Saturday morning. Albert Doherty pleaded guilty to the charge of making the wrong turn at the corner of Duggan's Avenue and Main street, and was allowed to go with a warning not to repeat the offence. The case against W. H. Turner, charged with speeding, was dismissed.

Three men pleaded guilty to charges of drunkenness and were fined \$4 each.

NERVOUS BREAKDOWN COULDN'T SLEEP NIGHTS

To those on the verge of a nervous breakdown the following symptoms present themselves: nervous headache, a feeling of depression, mental disturbance, restless and unrefreshing sleep, often troubled with frequent awakenings, avoidance of crowded places, dread of being alone, dizziness, etc.

When the nerves become affected in this way the heart becomes nervous, the system weakens, and the first signs of any weakness of the heart or nervous system, flagging energy or physical breakdown do not wait until your case becomes hopeless, but get a remedy that will at once quieten the nerves, strengthen the heart and build up the entire system.

HEART AND NERVE PILLS Mrs. M. Duggan, Young's Cove Road, N. B., writes:—"I was bothered very much with my heart and nerves, had nervous headaches and I could not sleep at night, and my appetite was all gone. Activity In Fair Vale

Double Tennis Court Under Construction, Base-Club Busy, Considerable Building.

Community spirit has certainly been in evidence in the village of Fair Vale in earnest. For a long time there has been a feeling in the community to do something to add to their property and to make the village a more attractive place.

The court is completed, will measure 70 ft. by 35 ft. and will be quite an addition to the progressive club.

Fair Vale Baseball club, is composed of members of the club, has already got on to their spring practice, and are trying themselves into perfect shape again for championship.

Country Returns to Normal Conditions As Result of Their Efforts.

Stockholm, June 10—Sweden has eliminated one of the worst curses which the world has brought to neutrals and belligerents alike, the alarming increase in juvenile delinquency.

Not a country in Europe escaped the epidemic which continued to infect the youth after armed hostilities had ceased.

Sweden took immediate steps to check the spread of youthful criminality which threatened to undermine the country's social structure.

Dr. David Lund, head of the social department of the Swedish Prison Board, and recognized as one of the foremost European authorities on criminality among youth, has now announced that the country has returned to normal in respect to juvenile crime.

Dr. Lund attributed Sweden's success in combating this evil to the excellent care taken of affected youngsters in special educational institutions whose inmates are given an exceptional opportunity of leading natural, healthy and active lives under the most wholesome influences and where they are given an opportunity to acquire not only some book learning, but to master the fundamentals of useful occupations.

Of these schools that of Hall, located near Stockholm, is the best known and probably the most successful.

Here farming, gardening, stock raising and various handicrafts are taught and here large numbers of youngsters, seemingly predestined to criminal careers and prison life, have been redeemed with such success that during the last nineteen years only 10 per cent of the youth discharged from the institution have later been arrested and convicted of offenses against the law.

Hall originally was privately endowed. It takes boys between the ages of 10 and 15.

The report of Sweden's reformatory system shows that 75 per cent of the youths discharged therefrom have proved to be entirely cured of their criminal tendencies, having turned in to law abiding citizens of regular habits.

But Dr. Lund states that this percentage can be increased. He declares that he has found that only 3 per cent of the morally defective youth coming under his observation is irredeemable.

Maritime Religious Educational Council

This is the time of year when every one who can is making plans for their summer camping expedition. Church Camps everywhere are proving a great success in definitely contributing to the life that binds the teacher to his class members for effective work during the following season, and to the best character building forces, for it is in the open, close to nature, that our religion seems most natural and appealing to the growing boys and girls.

St. David's Church, St. John, is planning for two weeks under canvas on the beautiful Holderness Point on the St. John River, first for their combined Trill Rangers and Tennis Boys, then for the C.G.I.T. girls and afterward for a group of business girls.

Two items have been noticed recently in regard to our programme. The excellent new educational magazine "The Torch" in its present issue states in its editorial page: "As we read Mr. Gregg's article on the Canadian Standard Efficiency Training for Boys, and realize that four thousand boys in the Maritime Provinces are at the present time enrolled in this training course, and that rarely does a boy who enrolls afterwards give it up, we feel that we need have no fears for the future of our country. In a few years these four thousand will be ready to take the place of those—our bravest and our best—who with such splendour gave their youth away." Four thousand youths,

many were going to Australia, the very best were coming to this country. He admitted a falling off in the church attendance in Scotland and stated there was a great difficulty in getting candidates for the ministry. He could foresee, however, a wave of spiritual reaction sweeping Scotland and moving westward.

Mr. McFarland and Mr. Kelly followed with short addresses of greeting, after which the Assembly adjourned until Monday morning when the board of publications and the general board will report. Discussion will also be held on the Home and Foreign Missions reports.

HAVE YOU STOMACH RISINGS, GAS, HEART BURN, SOURNESS? Tella of a Simple Remedy. It's really wonderful the quick relief you get from ten or twenty drops Nerviline taken in sweetened water. For cramps and spasms, Nerviline is equally efficient. To safeguard yourself against these ailments, keep handy on the shelf a bottle of trusty old Nerviline. It will relieve the minor aches and pains of the whole family. Good for internal or external use. 35c. at all dealers.

RADIO CONCERTS FROM HOLLAND FIND FAVOR IN BRITISH ISLES

Dutch Wireless Firms Broadcast Speeches, Music, Weather Reports and Stock Quotations.

Washington, D. C., June 6—Radio reports broadcast from The Hague are finding popularity among numerous audiences in the British Isles, according to Howard Adams, acting commercial attaché of the United States Government. These are being sent out in a radius of 600 miles by the Netherlands Radio industry, a firm that has regularly been transmitting orchestral music and speeches besides conducting part of their correspondence with customers by wireless. The Government is broadcasting weather reports, while the Amsterdam Stock Exchange, besides issuing quarterly-hourly quotations, is sending out news in code to subscribers of a press bureau.

A combined system of wireless and wired telephony between London and Amsterdam is also being developed, wires leading to transmitting stations, respectively, at Southend, Essex, and Zandvoort, Holland, operated by the Marconi Wireless Telegraph Company and a subsidiary.

Two concert series engaged in the production of radio instruments, the Netherlands radio industry, having an annual capacity of 500 sets, including sending outfits, and the Netherlands Signaling Apparatus Company, which makes only receiving sets.

SWEDEN CHECKS JUVENILE CRIME BY PROMPT WORK

Country Returns to Normal Conditions As Result of Their Efforts.

Stockholm, June 10—Sweden has eliminated one of the worst curses which the world has brought to neutrals and belligerents alike, the alarming increase in juvenile delinquency.

Not a country in Europe escaped the epidemic which continued to infect the youth after armed hostilities had ceased.

Sweden took immediate steps to check the spread of youthful criminality which threatened to undermine the country's social structure.

Fortunately the country was prepared, having many years before the war established excellent institutions for the training of children that showed criminal tendencies.

Dr. David Lund, head of the social department of the Swedish Prison Board, and recognized as one of the foremost European authorities on criminality among youth, has now announced that the country has returned to normal in respect to juvenile crime.

Dr. Lund attributed Sweden's success in combating this evil to the excellent care taken of affected youngsters in special educational institutions whose inmates are given an exceptional opportunity of leading natural, healthy and active lives under the most wholesome influences and where they are given an opportunity to acquire not only some book learning, but to master the fundamentals of useful occupations.

Do Doctors Agree On Any Subject

Sheffield Newspaper Comments on Webb-Johnson Declaration That Milk is Unnatural Food.

London, June 10—"Is there any one subject today upon which doctors agree?" asks a sceptical newspaper commenting on the advice of Dr. Cecil Webb-Johnson, who has said: "Never drink milk; it is an unnatural food, save for the young."

Giving his reasons for this revolutionary opinion Dr. Webb-Johnson, a specialist on diet, said to a questioner: "We are the only animals in the world who drink milk after infancy. The domestic cat, it may be pointed out, drinks milk after it has grown up, but this is purely a domestic habit."

"The idea has been handed down through generations that milk is a good thing to drink when you are ill. I think it is the worst thing, and I never allow my patients to have it. It causes constipation, flatulence, a dirty tongue and leads to rheumatism, headaches and tired feelings. Taken in excess it often causes appendicitis. Nature does not intend milk to be taken after the purpose for which it was provided has been fulfilled. I prefer hard food always. Frequently in excess it often causes appendicitis—sometimes habitually—people will go whole days without hard food of any description. That, for one thing, is bad for the teeth. Celery, apples and other things that make you bite should be on the table every day. "Nor is milk good for the body in addition to ordinary food. It makes one fat, and a fat person cannot be healthy."

Powerful sending equipment at Winipeg is now furnishing news bulletins, concerts and weather reports. Later market reports and other information will be added. It is necessary to the farmer to receive reports of produce according to market conditions and transportation facilities.

A radio convention will be held in Toronto late this summer, which is intended to bring together the experts from all over Canada.

Weddings

Jonah—Connor Hillsboro, N. B., June 9—At the home of the bride's parents Mr. and Mrs. J. T. Connor, of Hillsboro, N. B., an interesting event took place on Wednesday evening, June 7, when their daughter, Lavina, was united in marriage to Archibald D. Jonah, of Dawson. The ceremony was performed at 8:30 o'clock by Rev. A. S. Bishop of the First Baptist church, Hillsboro in the presence of the immediate relatives and friends of the contracting parties. The bride wore a becoming suit of navy with corresponding hat. They were attended by Mr. and Mrs. Emory Irving. After the ceremony the happy couple left on a trip to Fredericton. On their return they will reside at Hillsboro.

Obituary

Charles K. MacLeod Lynn, Mass., June 11—Funeral services for Charles K. MacLeod, sixty-nine, for twenty-eight years sexton of St. Stephen's Memorial church, of which Rev. William Appleton Lawrence, son of Bishop Lawrence, is rector, were held Friday afternoon from the chapel. The rector officiated. Mr. MacLeod died at his home at 11 St. Stephen's court, after an illness of two months. Shortly before his death he informed his family he did not want his friends to send flowers for his funeral but desired that the money be placed in a fund to repair the church organ.

He was born on Feb. 23, 1853, in Strath Albyn (P. E. I.) He went to Lynn fifty years ago and was employed at the General Electric Company's plant.

He leaves a widow, Annie F.; son, Malcolm G.; two daughters, Mrs. Helen M. Foster and Miss Mary L. MacLeod, the last named being the parish secretary at St. Stephen's church.

Dr. W. S. Duthie Moncton, N. B., June 11—Dr. W. S. Duthie died Saturday afternoon at his home in this city after an illness of over three months. The deceased, who was fifty-five years of age, was born at Aberdeen, Scotland, and came to this country some fifteen years ago. He practiced medicine in the south of England, and was also for some years physician on several of His Majesty's ships. For the past seven years Dr. Duthie has been in the employ of I. Walton Keirstead. Dr. Duthie is survived by his wife, who was formerly Miss Fisher of Shubunacade, N. S., and one daughter, Ellen, at home. He leaves also a sister, Mrs. Capt. Lea of Perth Australia, one brother Rev. Mr. Duthie, a Presbyterian minister, predeceased him in Aberdeen, Scotland, some years ago.

Funerals

Returned From Annual Meeting

R. E. Armstrong, President of N. B. Branch, Navy League, Speaks About Dominion Executive Session in Montreal.

B. E. Armstrong, president of the New Brunswick branch of the Navy League of Canada, returned on Saturday morning from Montreal, where he had been attending the annual meeting of the Dominion executive. Mr. Armstrong stated that the session of the Dominion executive awakened a great deal of interest on the part of those present, and was one that was calculated to make a new epoch in the history of the League. Every province in the Dominion, from the Pacific to the Atlantic, was represented, and all participated very closely in the subjects that came up for consideration. One of the principal features of the session was the retirement of Mr. Amelius Jarvis from the presidency of the board, a position he had filled for three years past, and the unanimous election in his place of Mr. Sam Harris, the president of the Ontario Division. Following Mr. Jarvis' retirement, Secretary J. C. J. and Treasurer Payne announced their withdrawal. General regret was expressed at their retirement. The new president was given authority to fill the vacancies. Mr. Harris is a man who has taken a most enthusiastic interest in Navy League work.

Interesting reports were submitted by all the provinces as to the character of the work they have been doing. A great deal has been accomplished in sailor relief work, in the strengthening of boys' brigades, in the teaching of navigation, and in the awakening of a spirit of sea consciousness. Further programmes were outlined, some of which will be taken up with the

government, as co-operation has been promised by the heads of the departments interested. General appreciation was expressed over the good work in seaman's relief that has been done by the St. John Seaman's Institute.

The executive was greatly pleased at the interest manifested in the League's undertakings by the representative of the Daughters of the Empire, Mrs. Wise, of Toronto, who attended all the sessions and all the functions, and who imparted considerable valuable information. The report, which she presented was received with great applause and a hearty vote of thanks was passed to the Daughters of the Empire for their valuable co-operation.

In discussing the future work of the League, it was impressed that it was the duty of the League to take an active interest in all that related to the development and utilization of our ports, the expansion of our ocean commerce and the dissemination of information throughout Canada as to the potentialities of Canadian ports.

DEEP HOLLOW COUGHS, ARE MIGHTY DANGEROUS. That same cough is everywhere you go, deep and hollow, why—because consumptive. First it was a cold, next came Catarrh, vitality decreased then the trouble was very serious. Never neglect a cold, not even a little one. Never trifle with sore throat or Catarrh. Get out your "Catarrhese Inhaler," breathe deeply into your lungs the healing, soothing vapor of Catarrhese. Let Catarrhese clear out the nostrils. "You'll wonder at the change when you use this healing remedy. It's really splendid for coughs, colds, bronchial irritation and Catarrhal trouble. Sold everywhere. Two months treatment \$1.00, small size 50c.

Consolation. Mrs. Greene—Surely you are wrong in thinking the birds a nuisance. They devour the insects and caterpillars. Mr. Gardner—I'm glad you told me. It's a great consolation to know that they eat my fruit merely for dessert.

Predicts Great Future For Presbyterians In This Country

Fraternal Delegate from Scotland Declares Canada Will Be Strongest Representation of Presbyterians.

Winipeg, June 10—"The Dominion of Canada, before many years are past, will be the strongest representative of Presbyterianism in the world," declared Very Rev. Thos. Martin, fraternal delegate from the Church of Scotland, who, with Rev. W. McFarland, representing the Highland section, conveyed the greetings of the Old Church to the Presbyterian General Assembly yesterday. Rev. Samuel L. Kelly conveyed the greetings of the Presbyterian Church in the United States. They were accorded a cordial reception. Mr. Martin said he was grateful for the hearty reception accorded the immigrants by Canada, and assured the Assembly that, although

many were going to Australia, the very best were coming to this country. He admitted a falling off in the church attendance in Scotland and stated there was a great difficulty in getting candidates for the ministry. He could foresee, however, a wave of spiritual reaction sweeping Scotland and moving westward.

Mr. McFarland and Mr. Kelly followed with short addresses of greeting, after which the Assembly adjourned until Monday morning when the board of publications and the general board will report. Discussion will also be held on the Home and Foreign Missions reports.

HAVE YOU STOMACH RISINGS, GAS, HEART BURN, SOURNESS? Tella of a Simple Remedy. It's really wonderful the quick relief you get from ten or twenty drops Nerviline taken in sweetened water. For cramps and spasms, Nerviline is equally efficient. To safeguard yourself against these ailments, keep handy on the shelf a bottle of trusty old Nerviline. It will relieve the minor aches and pains of the whole family. Good for internal or external use. 35c. at all dealers.

Dr. David Lund, head of the social department of the Swedish Prison Board, and recognized as one of the foremost European authorities on criminality among youth, has now announced that the country has returned to normal in respect to juvenile crime.

Dr. Lund attributed Sweden's success in combating this evil to the excellent care taken of affected youngsters in special educational institutions whose inmates are given an exceptional opportunity of leading natural, healthy and active lives under the most wholesome influences and where they are given an opportunity to acquire not only some book learning, but to master the fundamentals of useful occupations.

Of these schools that of Hall, located near Stockholm, is the best known and probably the most successful.

Here farming, gardening, stock raising and various handicrafts are taught and here large numbers of youngsters, seemingly predestined to criminal careers and prison life, have been redeemed with such success that during the last nineteen years only 10 per cent of the youth discharged from the institution have later been arrested and convicted of offenses against the law.

Hall originally was privately endowed. It takes boys between the ages of 10 and 15.

The report of Sweden's reformatory system shows that 75 per cent of the youths discharged therefrom have proved to be entirely cured of their criminal tendencies, having turned in to law abiding citizens of regular habits.

But Dr. Lund states that this percentage can be increased. He declares that he has found that only 3 per cent of the morally defective youth coming under his observation is irredeemable.

The Canadian Manufacturers Association (Incorporated) THE national organization of the manufacturers of Canada, will hold its Fifty-First Annual General Meeting in the Algonquin Hotel, St. Andrews-by-the-Sea, New Brunswick. JUNE 20, 21, 22 and 23, 1922 This opportunity is taken to give some information in regard to the history, objects and organization of the Canadian Manufacturers Association. History The Association was founded in 1872. It was organized on a national basis in 1899, incorporated in 1902 and divided for administrative purposes into five divisions in 1919. In 1899 the membership was 132; in 1905, 1,604; in 1910, 2,450; in 1915, 3,098; and at present 4,252. Objects According to the Constitution "the objects of the Association shall be to promote Canadian Industries and to further the interests of Canadian manufacturers and exporters and to render such services and assistance to the members of the Association and to manufacturers and exporters generally, as the Association shall deem advisable from time to time. Government The Association is governed between Annual Meetings by an Executive Council elected by ballot on the basis of one member to every fifty members of the Association. MEMBERSHIP IN THE MARITIME PROVINCES In 1900 the Association had 5 members in the Maritime Provinces; now it has 261 members, who are located in the following cities, towns and villages: New Brunswick BATHURST BATHURST VILLAGE BLACK'S HARBOUR BURTT'S CORNER CAMPBELLTON CHATHAM DALHOUSIE FREDERICTON GRAND BAY HILLSBOROUGH LOWER NEGUAC MARYSVILLE NANTON NASHVAKIS NEWCASTLE NORTH DEVON ORMOCTOVILLE PORT ELGIN REXTON RICHIBUCTO SACKVILLE SHEDAC ST. GEORGE ST. JOHN ST. MARY'S ST. STEPHEN SUSSEX TEMPERANCE VALE WOODSTOCK BRIDGEWATER CANNING CHESTER DARTMOUTH DUBY HALIFAX HANTSPOUR HEBRON IONA KENTVILLE LIVERPOOL LONDBERRY LUNENBURG LYONS BROOK MELANSON MIDDLETON NEW GERMANY NEW GLASGOW OXFORD PICTOU PORT HAWKESBURY STEWACKE SYDNEY TRURO WHITEHAVEN WINDSOR WINDSOR JUNCTION YARMOUTH Prince Edward Island CHARLOTTETOWN GEORGETOWN KENSINGTON MONTAGUE MURRAY HARBOR SOURIS SUMMERSIDE TIGNISH Latest available statistics show that 54,000 people normally earn salaries and wages in the factories of the Maritime Provinces. Add their dependents to realize what manufacturing means to the people. Over 225 million dollars of capital is invested in manufacturing in these provinces and the annual value of the articles made in the factories is 246 million dollars. The members of the Association in the Maritime Provinces are especially urged to come to the Annual Meeting of their national organization. Do you not think, Mr. Speaker, that if the tariff were removed it would have a very bad effect on these investments, and do you not think that capital which is easily driven away, would seek in some other country the return which it could not find in our land?
Even people who do not agree with Mr. Fielding politically, have a considerable regard for him as a man; and it will come as a shock to those to learn that he did not have the courage of his convictions at the convention, but for the sake of gaining the leadership kept silent on the platform, and later, for the sake of securing the votes of the Progressive did not repudiate the Liberal fiscal policy.

U. S. SENATE ORDERS INQUIRY ON WHY PRICE OF GASOLINE SOARS

Investigation, Directed by Mr. La Follette Will Fix Blame for Periodical Increases Oil Firms Announce.

Washington, June 10.—The Senate yesterday announced the manufacturers' committee, of which Robert M. La Follette (R.), Senator from Wisconsin, is chairman, to go to the limit in its efforts to fix the blame for the constantly rising cost of gasoline. In the opinion of Mr. La Follette, if there is a conspiracy among the oil producers and distributors against the American people, it should be shown up.

Under a previous agreement, the manufacturers' committee was instructed by the Senate in its intended investigation of the cost of gasoline and other petroleum products. It was to have these restrictions lifted and to be authorized to call before the Senate any person it might wish to examine.

Mr. La Follette is a believer in the power of public opinion. He feels that if his committee can shed light on the factors which have sent gasoline to 25 cents with threats to go still higher in recent weeks, it will have its effect.

In this connection, the Senator recalls that the Federal Trade Commission in 1916, 1916 and 1917 made an investigation and report on the gasoline industry, and that it had a palpable effect in bringing prices down.

Mr. La Follette believes capital is entitled to a fair and just return, but as he has declared several times, he believes the curse of the American people is over-capitalism in many industries. This is another phase of the oil industry into which the committee will inquire.

Assurances were given later by the Senator that the investigation would get under way without delay. Some of the heads of the big oil concerns in the country are to be called before the committee, it is understood. They will be supported by an array of attorneys.

Considering the fact that an increase of one cent in the price of gasoline adds \$50,000,000 yearly to the budget of the American consumers, Mr. La Follette declares that when this total is multiplied four or five times during

the course of a year it is high time Congress should learn the reason.

There is more than a suspicion in the minds of many members of Congress that the rising prices, notwithstanding the large stocks of gasoline on hand are due to the desire of producers for bigger profits rather than to natural causes.

For that reason, the profits of producers and distributors for each month during the last three years will undergo close scrutiny by the committee. Likewise, the committee will find out for itself the stocks on hand and the varying prices during that period, determining the causes for the increase.

Mr. La Follette is a believer in the power of public opinion. He feels that if his committee can shed light on the factors which have sent gasoline to 25 cents with threats to go still higher in recent weeks, it will have its effect.

In this connection, the Senator recalls that the Federal Trade Commission in 1916, 1916 and 1917 made an investigation and report on the gasoline industry, and that it had a palpable effect in bringing prices down.

Mr. La Follette believes capital is entitled to a fair and just return, but as he has declared several times, he believes the curse of the American people is over-capitalism in many industries. This is another phase of the oil industry into which the committee will inquire.

Assurances were given later by the Senator that the investigation would get under way without delay. Some of the heads of the big oil concerns in the country are to be called before the committee, it is understood. They will be supported by an array of attorneys.

SHEDDIAIC

Shediac, June 6.—Mr. Arthur McLaughlin who is taking a medical course at McGill, has arrived home for the holidays.

The Misses Macdonald, Moncton, spent the holiday at their old home in town.

Mrs. Arthur Shore, who is spending some time with relatives in Rexton, visited the town during the week.

Mrs. John Hebert was a visitor to Moncton on Monday.

A great many motorists from the surrounding towns come daily to the seaside to enjoy the refreshing breeze and good sea air.

Mr. H. A. R. is putting up a summer cottage on the shore, at the foot of Pleasant street.

A number of neat cottages have been erected on the shore, and others are in course of construction at Pt. Du Chene.

Mrs. J. P. Weldon is home from Montreal and at her residence, Water street.

Mrs. and Mrs. Alyce Cassidy are occupying the home recently vacated by Mr. and Mrs. R. D. Balloch and family, who have gone to the Point.

Mrs. C. H. Galloway spent the week-end with friends in Moncton.

Mrs. Alvina Richard of Moncton, is in town this week.

Mr. and Mrs. H. Irving and family, after some months spent in Shediac, left town this week for their home in Winnipeg.

Mrs. E. R. Macdonald, Mrs. Cloune and Mrs. W. A. Flowers were among motorists this week to Richibucto.

Mr. and Mrs. Edgar Bourque, Moncton, have taken up their shore residence in part of Mrs. Frank Smith's cottage "Siesta," Pleasant street.

The W.M.S. of the Methodist Church was entertained during the week by Mrs. R. W. Weddall at the parsonage.

"LINCOLN, POE, HARDING" SEE MARIE MARRIED

Americans Register Under Names to Circumvent Red Tape Regarding Tickets.

Belgrade, June 10.—Among the persons registered for seats in the stand to witness the king's marriage procession, were Ella Wheeler Wilcox, James J. Jeffries, James K. Hackett and William Jennings Bryan.

More interesting were other applicants for seats, namely, Abraham Lincoln, Edgar Allan Poe, Steve Brodie and James G. Blaine.

These notables had been introduced from their graves or imported without their knowledge to honor the Serbian king, owing to the strict regulations of the Belgrade police.

The American colony decided to erect a special grandstand holding 150 to watch the great procession to the church, but the committee discovered, after all arrangements had been made, that the police would not allow them to issue tickets except to well known persons.

The committee was anxious to have all their tickets issued under the names of Lincoln, Poe, and Harding, so as to circumvent red tape, so solemnly presented a list of applicants for every seat, containing mostly the names of leading statesmen, prize fighters and movie stars.

They were solemnly stamped with a large red seal by the police. An American arrival applying for a place to see the show received a card bearing the name of the Belgrade police.

Mrs. A. H. Hicks, from the Wisconsin Relief Organization, probably saw as President Harding.

A meeting was recently held in the vestry of Knox Church to reorganize the W.M.S. in connection with the church.

The meeting was addressed by Mrs. W. H. Irving of Moncton, president of St. John's Presbyterian and by Miss A. St. Laurent also of Moncton, assisted in the devotional exercises by Mrs. R. W. Weddall.

Dr. and Mrs. Sormany and members of their family motored to Transville and other points north, for the week-end.

Mr. H. S. Bell of Moncton, who recently arrived home after being four months away, motored to Shediac Monday evening, was the guest of Mrs. D. S. Harper.

Mr. and Mrs. Wilson Bell, Mr. Lawrence Bell and Miss Doris Bell.

Dr. and Mrs. H. W. Murray, Mr. Reginald and Miss Margaret Murray and Miss Beatrice Harper motored to Moncton Monday.

Mrs. J. C. Webster and Mr. A. W. McQueen were in Moncton during the week.

ANDOVER

Andover, June 8.—Mr. William Hoyt was at Edmundston and Plaster Rock this week.

Mrs. W. D. Forster, Provincial Organizer of the Anglican W. A., met the ladies of Trinity on Saturday afternoon at the home of Mrs. Patrick Hetherington.

Mr. Ross Flemington, who was a recent graduate of Sackville, has gone to Newcastle to work for Fraser Paper Company for the summer.

Mr. Fleming will return to Sackville to teach in the fall.

Mr. James McPhail and daughter, Mary, and Miss Wolfville attending graduation exercises. Miss Isabel McPhail is one of the graduates this year.

Mr. and Mrs. Vaughn Henshaw of Toronto, are guests of Mrs. Annie Gantner for the summer.

Mr. and Mrs. Harry Tibbitts and Miss Gestrin, Tibbitts motored to the Barony on Friday to visit friends for the week-end.

Rev. E. B. McLachey, Moncton, held services for the Baptist Church on Sunday in the absence of Rev. C. W. Howlett, who was attending dedication services at Plaster Rock.

Miss Emma Miller returned on Saturday from a pleasant visit at Edmundston.

Mr. Ray Girvan of the Bank of Montreal, is spending his vacation at the home of his parents in New Glasgow.

Miss Fletcher has gone to McAdam to visit friends for a few weeks.

Mr. and Mrs. Harry Hopkins, accompanied by their guides, left on Monday on a fishing cruise to Trouser's Lake.

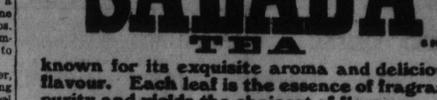

Mr. and Mrs. Charles Olmstead joined the newspaper delegation on Monday on their trip to Ottawa.

Miss May Armstrong of Boston, is spending a few weeks at her home here.

Mr. and Mrs. Ralph Estabrook and party left on Monday by auto for St. John to visit relatives.

Famed for Fragrance

Just as a famous rose is named for its subtle fragrance so is

known for its exquisite aroma and delicious flavour. Each leaf is the essence of fragrant purity and yields the choicest of flavours.

SWEDEN TO HAVE DIRECT RADIO WITH AMERICA

Wireless is Part of Dream to Establish Friendly Relations Between Countries.

Stockholm, June 10.—The cordons drive to develop closer and more friendly relations between Sweden and the United States was emphasized at the celebration here of the anniversary of the Sweden-America Foundation, when 200 Americans and Swedes exclaimed felicitations upon the progress made in this movement.

Efforts to make Americans and Swedes better acquainted with one another have been in progress for three years and now are about to culminate in the establishment of the high power radio station on the west coast of Sweden, by which direct communication with America will be attained for the first time in history.

The Sweden-America Foundation led the movement for the construction of this station, but its main function is to promote the exchange of scholarships between the two countries.

To show how the two countries are being brought closer together it was pointed out at the celebration that thirteen Swedish students will spend this academic year in American institutions of learning, while ten American students will study in Sweden.

Attention was also called to the increased accommodation for travel between Sweden and America, which will be provided by the addition of another big passenger vessel to a line flying directly between Swedish and American ports.

American motion pictures are more popular in Sweden than in any other country except Sweden itself, while Swedish films, which only a few years ago were unknown in the United States, are now said to be gaining popularity there.

Swedish scientists of note, especially astronomers, are visiting the United States for original research and those who have returned gave unstinted praise to American educational institutions.

Prof. Theodor Svedberg of Upsala University, a famous Swedish chemist, is going to the University of Wisconsin this year to do research work with American scientists in the field of colloid chemistry.

One of America's religious leaders, the Rev. Dr. Frederick Lynch of New York, is delivering lectures in Sweden. Next year Archbishop Nathan Soederblom, head of the Swedish church, will visit America.

American industrial leaders recently have visited Sweden to survey its industrial plants and hardly a week passes without a departure of some well known Swedish business leader for the United States to study commercial conditions and buy and sell in the American market.

The prime mover in the Swedish campaign to get together with the United States is R. A. Nordvall, High Commissioner to the United States during the war.

It is to be experienced in August. Yesterday a high temperature was recorded as high as 32, which high mark was recorded at De Vebers.

Kentucky Senator Against Commission To Survey Boundary

Refers to Commission As One of the Refuges for "Lame Ducks."

Washington, June 9.—(By Canadian Press.)—Representative Ben Johnson of Kentucky, declares that he plans to continue his campaign against the commission to survey the boundary between the United States and Canada.

He calls this one of the "five forward" commissions and refers to it as one of the "refuges for lame ducks." Pointing out that it has been in existence since 1914 and that the end of its work is not yet in sight, Mr. Johnson finds it has cost about \$800 a mile to survey the boundary.

Mr. Johnson says that the representative admits it will be difficult to get rid of it for it is alleged to be a convenient body on which to spend "lame duck" money.

Mr. Johnson says that the representative admits it will be difficult to get rid of it for it is alleged to be a convenient body on which to spend "lame duck" money.

Mr. Johnson says that the representative admits it will be difficult to get rid of it for it is alleged to be a convenient body on which to spend "lame duck" money.

ST. GEORGE

St. George, N. B., June 9.—Mrs. Daniel Gilmore and her guests, Miss Anna Sullivan, arrived from Montreal last week and are at present occupying Mrs. Gilmore's town residence.

Mrs. Daniel Russell and daughter have arrived from Buffalo to spend several months at "Pessamagouddy Lodge."

Mrs. Jas. Bryden, of Kenville, is the guest of Mrs. T. S. Kent.

Misses Mary and Kathryn O'Neill were recent visitors to St. Stephen.

Mrs. Henry Klopf arrived from Boston on Saturday to spend several weeks with her parents, Mr. and Mrs. Neil McMillin.

Miss Helen McMillin has concluded two months vacation which was spent in Boston, returning home on Saturday.

Mrs. Grace Watt returned home last week after several months spent in Los Angeles.

Thos. R. McIntyre left recently for Laramie, Wyoming, where he will spend a few months with relatives.

James Laurence, Misses Mary Laurence and Margaret Laurence have returned from Wolfville for the summer vacation.

Arnold Bowden has concluded two weeks' vacation and resumed his duties in the Bank of Nova Scotia.

Mr. and Mrs. Harry Burton spent last week-end in St. George.

NOTHING VITAL AT HAGUE WITHOUT AMERICA

Tchitcherin Hopes Washington Will Change Attitude and Decide to Participate.

Berlin, June 10.—Foreign Minister Tchitcherin of Russia who is now in Berlin, announced yesterday he would not go to the conference at the Hague unless the United States will participate in the reconstruction of our country.

The Soviet foreign minister declared Russia is unwilling to have foreign commissions enter the country to investigate a governmental affair and look into records.

Mr. Robert Black, Sackville, was recently in town.

Mrs. Wm. Stewart of Moncton, is in town and will spend the summer in town.

Mrs. Trempe and children of Moncton, will take a summer home here in the near future.

Mr. Emery Robidoux, a student of dentistry at McGill, and Mr. Arthur McLaughlin who is among those taking a medical course at McGill, who has been spending a vacation at Moncton.

Mr. Paul Robidoux has been on a motor trip in Quebec Province and in parts of the U. S.

Mrs. Drillo, Moncton, was the guest of friends in town this week.

At the recent meeting of the Quartet in connection with the business part had taken place, members of the board in complimentarity referred to the departure in the future of the pastorate of Rev. Dr. R. W. Weddall, who for the past five years had worthily and effectively held the charge of the Methodist congregation, but who is resigning from the active work of the ministry.

Rev. Dr. Weddall and family expect to leave town in July to reside in Fredericton.

Mrs. George Cooper, Moncton, was the guest this week of Mrs. James Scott.

Miss Gladys Smith, who sailed from St. John, early in the year for England, has been in town.

Copeland's Fat Class Shrinks At The Reunion

Twenty out of Thirty-Five Present; Half Ton of Flesh Gone.

New York, June 10.—"Dr. Copeland's Fat Ladies," who agreed last October to heed the advice of Dr. Royal S. Copeland, Commissioner of Health, on reducing their weight, were at the reunion of the Health Department Building. They talked over pounds lost, waist lines shrank, showed before-and-after snapshots and cavorted about for a half dozen movie men present in behalf of educational features.

The women pointed with greatest pride to the girl who has lost 31 pounds. She now tips the scales at 174. There were twenty at the reunion of thirty-five who accepted the tutelage of Dr. Copeland. These present said some of the absentees fell by the wayside, tempted by cakes and candy and pies and the annual of spring.

The twenty lost an aggregate of seven-and-a-half feet in waist lines and a full half ton in avoirdupois.

"Diet and do it" is Dr. Copeland's slogan for his pupils. He put the case in plain language: "A man, or a woman, fifty years old who is fifty pounds overweight has decreased his or her chance of living just 50 per cent."

My George Hefner, head of the Georgia Physical Culture Institute of 83 West Eighty-eighth street, has offered to aid Dr. Copeland in destroying surplus flesh. She will give free training to the first 200 women who meet her Saturday afternoon in Columbus Circle to take a run about Central Park.

Must Have It. "I suppose your wife always wants the best word."

Yes, especially the last word in clothes.

They might be retracting their steps and going over it again," persisted Mr. Stafford.

"No, that would be too much like work," Mr. Johnson replied.

Are they not retracting along lines to see if it is still there," asked Representative Walsh.

"I do not think that they are even retracting," said Mr. Johnson.

"That would require at least some effort."

Picture of a Girl. She had: Eyes of opal, Teeth like pearls, A throat of alabaster, Ruby lips, Cheeks like peaches and cream, And A head of pure ivory.—Richmond Times-Dispatch.

PIMPLES ON FACE DIDN'T LIKE TO GO OUT

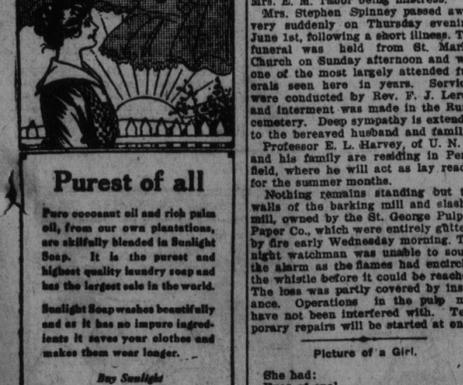

Those nasty, little pimples that break out on the face and other parts of the body are simply indications that the future is out of order and requires purifying.

There is only one way to get rid of this obnoxious skin trouble, and that is by giving the blood a thorough cleansing which can best be done by that old reliable blood medicine BURDOCK BLOOD BITTERS.

Miss Mary E. Flanagan, R. R. No. 3, Stella, Ont., writes: "I suffered for about two years with pimples and blotches breaking out on my face. The doctor said it was caused by bad blood. My future was so bad I didn't like to go out among a crowd of people. One day I was talking to a friend, and she told me to get a bottle of Burdock Blood Bitters and try it. I just took three bottles, and there was not a blotch or pimple of any kind left. Some of my friends asked me what I had used and I said, 'Burdock Blood Bitters chased them.'"

B. B. B. has been on the market for the past 46 years, so you are not experimenting with some new and untried remedy.

Put up by The T. Milburn Co., Montreal, Quebec, Can.

Purest of all. Pure coconut oil and rich palm oil, from our own plantations, are skillfully blended in Sunlight Soap. It is the purest and highest quality laundry soap and has the largest sale in the world.

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for infants and children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of infants and children that brought Castoria before the public after years of research and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS Bears the Signature of

In Use For Over 30 Years THE CENTAUR COMPANY, NEW YORK CITY

THE STANDARD'S SPORTING SECTION

Inter-Scholastic Annual Events

Rothsay Defeated St. John High School—Two Records Smashed and One Equalled.

Two records, the hammer throw, and the pole vault, were broken, and the 220 yards dash equalled at the annual Inter-Scholastic track and field meet between St. John High School and the Rothsay Collegiate School, on the latter's campus, Saturday. All three records were made by Rothsay boys, enabling their school to score a total of 43 3/4 points, to St. John's 41 1/4.

The pole vault record was made by Nase of Rothsay, who cleared the bar at 10 ft. 2 1/2 in., beating the old record of 9 ft. 8 in., which has stood since '09, when made by McDonald of Fredericton High School. Nase's performance was a revelation, as he continued soaring higher and higher until the very last hold in the standards had been reached.

Fraser of St. John also bettered the old record, going 9 ft. 6 in., at any other time, he would have received high acclaim, but his good work was outshone by Nase's wonderful record, which bids fair to stand for many years.

The hammer throw record was made by Brownell of R. C. S., who threw the hammer 112 ft. 10 in., breaking the record made by Lockhart, R. C. S., in '12, of 108 ft. 3 in. Brownell's was a wonderful exhibition, which bids fair to place his name amongst the "immortals" of Inter-Scholastic athletics.

The 220 yards dash was run in 24 3/4 secs. by Burbridge, R. C. S., who thus tied the record made by Barracough, St. J. H., in '15.

The athletes were favored with splendid weather, quite in keeping with the records they hung up in the events mentioned. The sports were witnessed by a good gallery. The summary follows:

100 Yards
1st, Burbridge, R. C. S.; 2nd, Campbell, St. J. H.; 3rd, Dunham, R. C. S. Time 11 sec.—Record, 10 3/4, McDonald, Fredericton H. S., '09.

Shot Put
1st, McInerney, St. J. H.; 2nd, Murray, St. J. H.; 3rd, Kitchen, R. C. S. Distance, 37 ft. 1 1/2 in.—Record, 38 ft. 11 in. Fliewelling, R. C. S., '18.

Broad Jump
1st, Ross, R. C. S.; 2nd, Donahue, St. J. H.; 3rd, Putnam, R. C. S. Distance, 19 ft. 2 in.—Record 19 ft. 11 in. Crease, R. C. S., '10.

220 Yards Dash
1st, Burbridge, R. C. S.; 2nd, Campbell, St. J. H.; 3rd, Dunham, R. C. S. Time 24 3/4 sec.—Tied old record, made by Barracough, St. J. H., '15.

Pole Vault
1st, Nase, R. C. S.; 2nd, Fraser, St. J. H.; 3rd, Hevenor, St. J. H., Carter, R. C. S. (tied). Height 10 ft. 2 1/2 in.—Old record 9 ft. 8 in. McDonald, F. H. S., '09.

440 Yards
1st, Burbridge, R. C. S.; 2nd, Goodwin, St. J. H.; 3rd, McInerney, St. J. H. Time 57 1/4 sec.—Record 54 sec. Foley, St. J. H., '12.

High Jump
1st, Heaney, St. J. H.; 2nd, Burbridge, R. C. S.; 3rd, Potter, St. J. H. Height 4 ft. 1 1/2 in.—Record, 5 ft. 3 1/2 in. Finley, St. J. H., '10.

Hammer Throw
1st, Brownell, R. C. S.; 2nd, Kitchen, R. C. S.; 3rd, McInerney, St. J. H. Distance, 112 ft. 10 in. (new record)—Old record 108 ft. 3 in. Lockhart, R. C. S., '12.

120 Yards Hurdles
1st, Brownell, R. C. S.; 2nd, Ross, R. C. S.; 3rd, Donahue, St. J. H. Time 18 sec.—Record, 16 1/2, Donnelly, St. J. H. S., '16.

1 Mile Run
1st, Wilson, St. J. H.; 2nd, Jones, St. J. H.; 3rd, Holder, St. J. H. Time 4 min. 51 3/4 sec.—Record, 4 min. 47 sec. Walsh, St. J. H., '16.

Points scored—R. C. S. 43 3/4; St. J. H. 41 1/4.

Review of the fact that St. John High and Rothsay Collegiate have confined their meets to entries from their own schools, the records made Saturday will not, in all probability, be allowed to stand as Provincial Inter-scholastic records, such as those made when all the High schools in the provinces were free to enter.

Yale Player Is Signed By Reading

Reading, June 11.—President M. G. Moore of the Reading International League Club, announced today that he signed Jim Kernan, star catcher and first baseman for the Yale nine this season. Kernan will report to the club in a few days.

JACK SHARKEY AND MARTIN MATCHED

New York, June 11.—Jack Sharkey and Vincent Pepper Martin, New York contenders for the featherweight crown of Johnny Kilbane, have been matched for a return bout here June 22.

They fought a draw several weeks ago.

HALIFAX BASEBALL

At Halifax Saturday—Crescents 60; Dartmouth 5, Wae Vasa 2, Wanderers 2.

Dorchester, Mass., Again Defeated

St. Johns Took Them Into Camp With Score of Nine to Two Saturday Afternoon.

The Dorchester, Mass., team put up a rather rocky game on St. Peter's Park Saturday afternoon and lost to the St. John's by a score of 9 to 2.

The visitors made eight errors and were only able to find Parlee for five safe blinges. The locals played a steady game and doubled the number of hits made by Dorchester.

The score and summary follows:

Dorchester		St. John's	
AB	R H PO A E	AB	R H PO A E
Forsythe, 3b	4 1 0 0 1 2	Nichols, lf	4 0 1 1 0 0
Hazelhurst, c	4 1 2 6 0 1	Lindsay, 2b	4 0 2 0 2 1
Fraser, ss	3 0 0 1 0 0	Ramsay, 2b	3 0 1 0 1 0
Murray, cf	4 0 0 4 0 0	Dwyer, lf	2 0 0 7 0 1
Dwyer, lf	2 0 0 7 0 1	Bullou, p	3 0 0 1 2 0
Bullou, p	3 0 0 1 2 0	Leahon, c	2 0 0 2 0 0
Leahon, c	2 0 0 2 0 0	Shine, 1b	3 0 0 1 0 0
Shine, 1b	3 0 0 1 0 0		
32 2 5 24 7 8		39 11 10 27 7 2	

Score by innings: 001001000—2
Dorchester, 0024302x—9
Summary—Sacrifice hits, Fraser and Parlee. Two base hits, MacGowan (2), Garnett and Lindsay. Struck out by Parlee 12; by Bullou 4. Bases on balls, of Bullou 2. Stolen bases, Sterling (2), Marshall, Ramsey and Lindsay. Left on bases, Dorchester 4; St. John's 8. Umpires, Howard and McLeod. Time of game 1 hour, 40 minutes. Attendance 1,000. Scorer, Carney.

Tennis Champion Was Defeated

E. H. Laframboise, Holder of Amateur Canadian Singles, Lost to J. W. Brown at Montreal.

Montreal, June 11.—E. H. Laframboise, holder of the tennis singles amateur championship of Canada, was defeated here Saturday afternoon in the finals of the Anderson trophy by J. W. Brown by 6-4, 6-1.

The Anderson trophy is emblematic of the singles championship of the Mount Royal Tennis Club. Mr. Laframboise was a member of last year's Canadian Davis Cup team.

Italy Must Cultivate The Friendship Of U. S. Says Schanzer

Believes American Intervention in Europe's Affairs Will Come Soon.

Rome, June 10.—Belief that American intervention of Europe's economic difficulties will come sooner than is generally expected was expressed by Foreign Minister Schanzer in a speech in the Chamber of Deputies in answer to interpellations concerning the Genoa Conference. "The Government fully agrees with the opinions expressed by several deputies that Italy must cultivate American friendship," he said. "We keenly desire the friendship of the great American people, of which we had unmistakable signs at Washington, and also afterwards in the Chamber of Deputies. We have not accepted our invitation to the Hague Conference, which we sincerely regret. Perhaps the hour has not struck for American intervention in the European economic reconstruction, but it is my firm conviction that this hour approaches more rapidly than is generally believed."

ITALY MUST CULTIVATE THE FRIENDSHIP OF U. S. SAYS SCHANZER

The Genoa Conference, he said, was a historic event of exceptional greatness. Some considered it a failure. Others that not only was it a success, but a turning point in the history of the world. Similarly, some are independent of Russia while others believe Russia would give little or nothing to Europe and that it was better to have nothing to do with her except to intervene against the Bolsheviks or to maintain a political blockade.

The Russo-German treaty signed at Rapallo had produced a profound impression, proving the necessity that the rest of Europe conclude an agreement with Russia or prevent her from falling into Germany's arms. Otherwise the economic understanding now linking the two hundred millions of Russians and Germans might become a political understanding.

After enumerating the important economic resolutions adopted at Genoa, M. Schanzer said: "Even the

Pillory Won The Belmont Stakes

Snob II, a Tired Second, Was Two and Half Lengths Behind—Hea Finished Third.

New York, June 11.—Pillory, carrying 126 pounds with C. H. Miller in the saddle, galloped home an easy winner of the historic Belmont stakes at Belmont Park yesterday. Snob II, ridden by C. Kummer, was a tired second, two and a half lengths back. Hea was an easy third, over Ray Jay, the only other starter. The time 2:18 4/5 was comparatively slow due to the deliberate early pace set by Snob II, who showed the way for a mile and three sixteenths with Ray Jay second, while Pillory and Hea alternated in third position. Entering the stretch Miller called upon Pillory who went into a quick lead. He was being eased up in the final strides. Snob II, though out to the last ounce, saved second by two and a half lengths from the equally tired Hea. Ray Jay stopped badly after a good mile and was beaten off. Pillory won the \$51,000 stakes at Pimlico on May 13.

Immediately after the Belmont stakes running, Morris was sent an exhibition mile in 1:23 with A. Johnson in the Benjamin Block colors in the saddle.

Pillory's preakness and Belmont victories enables him to top the money winners of the year.

Detroit, June 11.—Pilleite held Washington to two hits today and Detroit defeated the Nationals 8 to 0. Hallman hit his tenth home run of the

Members Of The French Tennis Team

Mlle. Lenglen, M. Cochet M. Borotra Designated by French Tennis Federation.

Paris, June 11.—Mlle Lenglen, M. Cochet and M. Borotra were designated by the French tennis federation last night as members of the French team which will compete in the approaching Wimbledon tournament. No decision has yet been reached by the federation as to whether a French team will go to Copenhagen to meet the Danish team in the Davis Cup play June 17, 18 and 19, as Cochet is unable to make the trip on account of his military service.

Edmund Petrie To Build Shells

All Halifax, St. Mary's Club's Rowing Shells Will Be Built at Home in the Future

Halifax, June 11.—All racing shells used by the oarsmen of the St. Mary's Rowing Club will be built in the future by the club's builder Edmund Petrie, according to the oarsmen's specifications and the club, if they so wish, it was decided Saturday after a new working boat, built at the club, was seen in action. Racing shells have not been built in Halifax for many years, but have been imported from England or the United States.

Reform Wave Threatens French Bathing Suits

New Regulations Are Based Upon Slogan "Hide Your Nakedness."

Paris, June 9.—The reform wave has reached the popular French bathing beaches, such as Desvauville, Trouville, Etretat and Paris Plage, and no longer will the single piece, tight fitting bathing costume be permitted to annoy the susceptible morals of summer visitors. The municipal officials of the French resorts have decided that the naughty reputation which has been gained by the Channel bathers since the war must be removed, and henceforward the slogan at all resorts is to be "Hide your nakedness."

In this campaign Deputy Harriot, who already has proclaimed himself the champion of the general reaction, has aligned himself with the beach officials. A law just promulgated at one Northern resort, to be a model for others, insists that bathers must wear suitable costumes, not revealing too much, and if they don their costumes in hotels they must not parade the sands unless adequately covered with a long bathrobe.

So stringent is this latest edict that bathers will be prohibited even from indulging in such gentle exercises as leaping or teaching maidens how to do the Australian crawl for fear that tawdry holiday folk may be shocked by ostentatious moral laxity.

The rules for the Riviera, where the beach season is in full swing, are as follows: "Nobody will be permitted to bathe who does not wear a complete costume. Dressing or undressing on the beach is forbidden. Bathing who remains on the beach in costume must preserve a proper attitude, doing nothing which will offend the susceptibilities of family parties. Games inimical to the moral tranquility or the safety of bathers are forbidden."

It is not stated whether the one piece bathing suit is considered a "complete costume" according to Riviera standards.

HALIFAX YACHT RACES SATURDAY

Halifax, June 11.—Lizet, owned by Harold Briggs, won the handicaps race here Saturday for the Brockfield Cup, in the opening event of the season of the Royal Nova Scotia Yacht Squadron. Seven boats competed.

SYDNEY BIKE RACE

Sydney, N. S. W., June 11.—Merrill Sherriff, Glace Bay, won the Daily Post's annual bicycle race Saturday covering the 12.1 miles from Glace Bay to Sydney in 37 minutes, 28 sec. and.

United States "Polka Dot" Won

E. A. Bull's Model Yacht Captured International Championship Trophy from English Rival.

Bayside, N. Y., June 11.—The Polka Dot, E. A. Bull's United States model yacht, gained possession of the international championship trophy for the small craft yesterday by decisively defeating its English rival, W. J. Danlele's Endeavor, for the third straight time. The victory made a clean sweep for the Yankee miniature craft which had won both previous races from the challenger.

Today's race proved the most interesting of the series and was the only one in which the British entry finished. The Endeavor withdrew after mishaps in the heats on Thursday and Friday.

Favored by brisk northwest winds, both yachts got off to a good start in the final race, Polka Dot opening up a gap on the first run to windward and never being headed. The United States yacht finished the three miles, twice over the course to windward and return, in elapsed time of one hour, 33 minutes and 22 seconds. The Endeavor's time was 1:43:13.

St. Stephen Won From Woodland

Border City Team Made Four Runs and Shut Out the Visitors.

Special to The Standard.
St. Stephen, N. B., June 10.—St. Stephen shut Woodland out in the first game of the league here today. Paul, the twirler for St. Stephen, had the game well in hand at all times. Features of the game were Anderson's hitting and Lesman's catch in left field.

French Derby Won By Ramus

Short Head in Front of Keefaling, Which Was Two Lengths Ahead of Algerien, the Favorite.

Chantilly, France, June 11.—Ramus with Stern up, today won the French derby. He finished a short head in front of Keefaling, ridden by Donoghue which was two lengths ahead of A. K. McComber's Algerien, the favorite, ridden by Frank O'Neill, the United States jockey. The race was 2,400 metres and carried a purse of 150,000 francs, offered by the Jockey Club. With the added value of the value of the stakes was worth 200,000 francs. The betting on Ramus was five to one. Best wags were in Algerien 3 to 1.

Carpentier Will Not Meet Greb

Offer from Rickard Too Late—Frenchman Signed to Meet Mills and Beckett.

New York, June 11.—George Carpentier will not defend his title of light heavyweight champion against Harry Greb in the near future. Fredrick Rickard, who recently called two offers to Carpentier to meet Greb here during the summer or fall, today received the following reply from Carpentier: "Thanks for the offers, but I have already signed to meet Mills in Paris in September and Beckett in London in October."

GAC BUGGIES—Some of 'Em Will Never Learn.

THE WEATHER

Toronto, June 11.—An important disturbance is developing over the Lower St. Lawrence Valley. Pressure is low over Alberta and New Mexico, and relatively high over the central and southern portions of the continent. Saturday has been unsettled over Eastern Canada and moderate to heavy rain falls are reported from most districts. Weather has been fair and warm in the west.

AROUND THE CITY

ON CATHEDRAL STAFF
Rev. Robert J. Nugent, who has been spending his vacation at his home here, has entered on his duties as a curate on the Cathedral staff. He was ordained on May 1.

CITY SENIOR LEAGUE
The Wolves and the Commercialists will play on the East End Grounds tonight at 7 o'clock. The batteries will be: Wolves, Stirling and Tansman, Commercialists, Kerr and Cox.

THEIR FIRST COMMUNION
At the Cathedral Saturday morning, Rev. Wm. M. Duke, P. P., celebrated Mass at 8 o'clock. During the service, 150 children of the parish, few more girls than boys, made their First Communion.

AUTOMOBILE DAMAGED
An automobile driven by Charles Cromwell and street car collided on the corner of Sydney and Britain streets Saturday night. The auto was badly damaged and was towed to the garage for repairs.

PRESENTATIONS TO MEMBERS
The last meeting of the session of St. David's Church with Rev. J. A. MacKeigan as moderator, was held last evening after the close of the service. After the business had been concluded, Rev. Mr. MacKeigan presented to each member of the session a fine cabinet photo of himself. These will be highly treasured by the recipients.

REV. J. A. MACKEIGAN
Rev. J. A. MacKeigan leaves here this evening for Moose Jaw where he will be inducted into his new charge. After spending a few days in the western city, he will return and spend his yearly vacation on the home farm in Nova Scotia, after which he will proceed to his new field to take up his duties.

HERE FROM PARIS
Among those to arrive in the city on Saturday was Rev. W. J. Boddy of Paris, France, who has been sent out by the Vatican as a missionary to the Ukrainian-Greek Catholics of Brazil and Argentine Republic. He spent the week-end in the city and will leave this afternoon for Halifax prior to making the journey to South America.

THE LAST WARNING
Mayor McNeil last evening asked The Standard to again call the attention of the motorists to his request that on evenings when band concerts are being given, while the bands are playing, they refrain from driving round the King Square and blowing their horns, as this interfered with the pleasure of those who went there for the purpose of hearing the music. This, he said, was the last request, and if they would not stop the practice voluntarily, steps would be taken to force them to do so.

BAND CONCERT TONIGHT
The St. Mary's Band, under direction of Bandmaster William King, will give a concert on King Square tonight.

PRESENTATION TO POPULAR PASTOR
Rev. J. A. MacKeigan Was Remembered by St. David's Choir and Sunday School.

Two presentations were made to Rev. J. A. MacKeigan, yesterday, one by the Sunday School, and the other by the choir of the Church. In the afternoon, at the close of the Sunday School session Robert Reid, superintendent, on behalf of the teachers, of boys and scholars presented to Mr. MacKeigan, a handsome gold "Eversharp" pencil suitably engraved.

At the evening service, Byard Curtis, organist and choirmaster on behalf of the choir, presented Mr. MacKeigan with a silk umbrella. Mr. MacKeigan, made suitable replies, thanking the donors for the kind words, and the gifts which he assured them would be treasured as souvenirs of many happy days in St. David's.

A. F. Bentley Was Elected In County

Defeated Dr. J. H. Barton by Majority of 271—About Half of Eligible List Voted.

A. F. Bentley of St. Martins was the successful candidate in the by-election, held on Saturday to choose a successor to Hon. J. B. M. Baxter, M.P., in the Provincial Legislature, receiving 271 more votes than his opponent Dr. J. H. Barton. This gives the present government one more supporter in the House and the Opposition one less. Dr. Barton put up a hard fight and made many friends for the clean campaign which he conducted and his pleasing personality. Saturday evening after the result of the poll had been announced, Dr. Barton expressed his appreciation of the work which had been done in his behalf by the friends of the Opposition and his thanks to those who had voted for him.

The vote cast was just over half the eligible list, the number entitled to cast their ballots being about 700 and the number exercising their franchise being a few over 3,000. Considering the size of the vote polled there was a large percentage of spoiled ballots. In two divisions there being 20 rejected, 10 in each.

Doctor Barton had a majority in Desconfides, Salmon River, Hardingsville, East St. John and Chace Harbor. Mr. Bentley leading in the other parts of the county. The banner poll for Dr. Barton was Hardingsville, where he received 23 to 8 for Mr. Bentley. Following is the tabulated result:

Table with 2 columns: Location, Bentley, Barton. Rows include St. Martins, St. Martins, Salmon River, Hardingsville, East St. John, Glen Falls, Black River, Loch Lomond, Lancaster, Lorneville, Beauséjour, Milford, Dipper Harbor, Chance Harbor, Musquash.

Celebrated The 94th Anniversary

Special Programme of Musical and Elocutionary Numbers Carried Through in Portland Methodist Church

The services at the Portland Street Methodist Church, last evening, partook of a special nature, the occasion being the ninety-fourth anniversary of the Portland Methodist Sunday School, which has completed one of the most successful years in its history. In addition to the usual exercises of a religious nature, a special programme of musical and elocutionary numbers was carried out, under the direction of H. W. Bromfield, which proved most enjoyable and inspiring to the large congregation present.

The anniversary sermon was preached by the pastor, Rev. Harry J. Clark, and a review of the year's work was given in a short address by B. A. Kirk, superintendent of the Sunday School. Assisting Mr. Bromfield with the programme were Miss Emma Chown and Miss Elsie Spence, while Miss Lillian Bromfield presided at the organ. In addition to the successful year experienced by the Sunday school the junior church organizations enjoyed a good year, the Portland C. G. I. T. having won the cup for the city, the Trail Hangers, the cup for the city and the shield for the province, and the Taxis Boys, the cup for the city and the shield for the province.

Rev. Mr. Clark took as his text Isaiah 11:6: "And a little child shall lead them." In the course of his address, he pointed out that the nineteenth century saw the first real discovery of childhood. Never before in history has so much attention been devoted to the study of the mental and physical development of children, the child welfare movement, the child clinics, and other steps being taken to further the development of the child physically. The speaker said that the church would be recreant in her duty if she did not devote so much intelligence and enthusiasm to the spiritual culture of children. He also pointed out that four lessons could be learned from childhood, viz., sincerity, faith, true brotherhood, and forgiveness.

The programme for the service follows: God Save the King. Prayer—Rev. C. N. Brown, B. A. Chorus—"Who is on the Lord's Side," School. Recitation—"Box of Smiles," Isabelle Williams. Scripture Reading—Charles McCoskell. Solo and Chorus—"Refreshing Rain," Doris Irons. Exercise—"Ten Light Bearers," Fern King, Frances Munro, Myrtle Jones, Louisa Bentley, Agnes Jones, Dorothy Ferris, Hazel Lessemore, Olivia Sargeant, Annie Lessemore, Beatrice McKeate, and Isabelle Williams. Solo and Chorus—"Hear the Songs," Isabelle McKeate. Recitation—"Fancies," Frances Munro. Chorus—"White Footh," School. Exercise—"How We Can Serve," Arthur McLaughlin, Willie Bromfield, Charlie Clarke, John Cowan, Walter Foulis, Eugene Irvine, and Malcolm Matheson. Chorus—"O'er the Meadows," School. Recitation—"Service," Isabelle McKeate.

Many Interested In Chinese Parade

Headed by St. Mary's Band, Local Chinamen Parade to Central Baptist Church.

There was probably never an occasion in the history of the city when a street parade was witnessed with so much interest, as when the newly formed local branch of the Chinese National Association formed up at their headquarters at Queen and Co.'s Chinese grocery store on North street yesterday afternoon and headed by the St. Mary's band, marched as a body to the Central Baptist Church, Leinster street.

The procession started shortly after 2.30 o'clock, marching by way of Mill, Market Square, King, the south side of the Square and up Leinster street to the church. There were sixty Chinamen walking in two following the band. The front ranks were dressed in the conventional frock coats and silk hats, those were the older and more prominent men of the Association. They were followed by younger men, and boys, bearing different banners. One was a handsome silk affair richly brocaded on Chinese inscriptions, another bore the words, "Chinese Deputation, Brussels street, Brite Class." There was a large flag of the Chinese Republic, a Canadian flag, and every member carried a small Union Jack.

On arriving at the church, addresses in Chinese were delivered by You You, president of the local branch of the Chinese National Association, who explained to his fellows, in Chinese, the objects of the Association. Following You You, the Chinese secretary, Hum Kay, delivered an address in Chinese, and was followed by the representatives present from Montreal, Quebec and Halifax. Hum Kay then thanked them for their attendance and addresses.

Following this, the pastor of Central Baptist Church, who had been invited to preside as chairman over the English section of the programme, delivered an address. He pointed out that the occasion was one unique in the annals of the city, and illustrative of the fusion of races under the present day conditions. He said there were 50,000 Chinese in Canada of whom 300 were located in the Maritime and from 100 to 120 in the city. The Chinese department of the Central Baptist Church, was but a central point of the work assumed from the Brussels street Church on amalgamation. A Chinese department had been established in the latter church some twenty-eight years ago by E. M. Jiprell and the late Arthur Starnes, acting on the suggestion of the late Mrs. Dr. Hooper.

Mrs. J. N. Gething, he said, had been the first president of the class, and was succeeded by the present incumbent, Mrs. B. D. Christie. Three of the original teachers, Miss Daniels, Mrs. Stewart and Mrs. Hoy, were still carrying on their work. The membership of the class varied from twenty to forty.

Miss Margaret Henderson, who was amongst the large number of interested spectators and friends present, spoke a few words of appreciation. He said he had always taken a keen interest and sympathy with the Chinese in the city, and humorously remarked that while there were many "Hum Jims" and "Hum Wings" amongst them, there were no "Hum Bugs."

Hum Wing, the English secretary of the Association, then presented the reports of the Association for the last year, and sympathetic hearing that had been given, and read telegrams of congratulation from branches in Vancouver, Montreal, Quebec, Halifax, and other centers. The meeting was brought to a close by the singing of a Chinese hymn, and the Association paraded back to their headquarters by way of Carmichael, King street East, Sydney, Union and Mill to their headquarters.

Serious Fire Started By Boys

Considerable Damage Caused in Rear of Vail's Globe Laundries, Charlotte St.

The fire department was called out at 9 o'clock last night, in response to an alarm rung from box 24, the fire being situated in a small building between the boiler-house and bag-drying house of Vail's Globe Laundries, Charlotte street. The blaze was found to have started among some sugar bags in the shed, and proved a stubborn one, about an hour elapsing before the fire was quenched.

Shortly before the fire started, the boys in the neighborhood were seen to be playing with a match, and it is believed that the fire was started by one of the boys. The fire broke out on one of the boys' legs, with the result that quite a fire broke out. One of the boys ran out by the street and notified a policeman, while someone else sent a still alarm to No. 1 station. The latter branch of the department were working on the fire when the other members arrived in response to the alarm from box 24. It was found necessary to chop away the roof in order to get at these bags, which were thrown clear of the building, and the blaze extinguished.

It is understood that the loss, which is in the vicinity of ten years of age, have been notified to appear in court to explain their actions of last night.

Death. Solo and Chorus—"Till the Old Story," Isabelle Williams. Exercise—"Batterings," Joyce Gato. Solo, "Foyles," Margaret Kennedy. Solo, "The Master's Call," Bita McKeate. Exercise—"Children's Service," Edmund Foster, Arthur Irvine, Arthur Thomas, Ronald Chetler, and Wilfred McConnell. Exercise—"Good Night," School. Recitation.

During the past year the total membership of all the Sunday school classes in the church was 700, and the average attendance numbered 291, the increase in the membership being 58.

Farewell Sermons From The Pastor

Rev. J. A. MacKeigan Preached to Large Congregations at Morning and Evening Services.

Yesterday marked the close of a ten year pastorate of Rev. J. A. MacKeigan at St. David's church and large congregations were present at both morning and evening services, to hear his last message in the future and greater progress for St. David's.

At the morning service he based his remarks on Deuteronomy 1: 8: "Behold I have set the land before you; go in and possess the land." His subject was "I'll go forward." This text was God's call to go forward to the Israelites and take up the job ahead. They, like the congregation before him, were faced with new conditions and new problems and God said to them go forward and possess the land. As Israel was not to live in the past but in the future, so must the church of today obey that command. Certain fundamentals must be kept in mind if the going forward was to be a success. The first of these was to remember that God's hand was always ahead. "Man never is, but always to be, blest." There was always a temptation to idealize the past and rest content. Looking back should always be an inspiration to go forward and perform greater things in the future, remembering that there remained yet much land to possess.

He then reviewed the progress of the church during his pastorate; the number of families had increased from 171 to 268, an increase of 57 per cent; the communications from 171 to 268, an increase of 57 per cent. During that period there had been 558 communicants received; the funds of the church, both for general purposes and mission work, had doubled during that time. These were very encouraging figures and should be a great incentive to greater efforts in the days to come.

God's call was to go forward in personal service. He had an promise for the deserver. The only way to claim His blessing was in going ahead and when in doubt the proper thing to do was go forward and give God a chance.

The command was also God's challenge to faith, that magic virtue by which we live. He counseled the church to have faith in itself and in the new minister who would come to them. He was to come to them as a leader, then let him lead.

He closed with the following vocation: "Forward, still forward, our conquering lives might for the truth we were taught to revere. The battle for all that is holy and dear. Not for one race, Not for one place, Not for one land, but for the world, And to I am with you away!"

At the evening service, Mr. MacKeigan said his public good bye to the congregation and expressed his sense of appreciation for the very kindly way in which he had been treated by all departments of the church during his term as minister. As it was the communion service the message was along the lines of remembrance, based on the words: "Remember Jesus Christ, who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar people, zealous of good works."

At the close of the service the sacrament of the Lord's Supper was administered to a large number of communicants.

It was a gospel of sacrifice. The willow serves as a symbol by a spirit of sacrifice, and as men heed the name of Christ they must follow in the footsteps of Christ or else give up the name. God was love, and His revelation in Jesus Christ proved that love. It had conquered the might of Rome, the culture of Greece, it was the only thing that had survived the centuries, and His word of advice to all was "remember Jesus Christ."

At the close of the service the sacrament of the Lord's Supper was administered to a large number of communicants.

At a special meeting of the Local Council of Women, held Saturday afternoon at the Board of Trade rooms, Mrs. R. J. Hooper, in the chair, reports were submitted from the mid-night concert and the sale of tags to raise funds for the expenses of St. John's premier coroner, Milton DeLeon, and Rev. J. V. Young was heard in connection with the appointment of women to the board of the Municipal Home.

The committee for the mid-night concert, held to raise funds for the furnishing of the kitchenette at the new recreation hut of the Lancaster Hospital, reported that the sum of \$200 had been realized. Letters of appreciation were ordered sent to all those who had taken part in making the night so successful. It was decided to use any balance left over for the mid-night concert and the sale of tags to be added to the list.

The committee in charge of the sale of tags for the fund to pay the expenses of Milton DeLeon, St. John's premier coroner, reported the net proceeds of the sale to be \$100.

Everything is Tennis in the Lawn Sports of Today. More tennis courts than ever—and still more to come. Rackets, Tennis Balls, Nets and Court Markers should be of the highest quality standard. Tennis champions prefer SLAZENGER'S ENGLISH RACKETS for balance and speed for which also Spaulding's Rackets are exceedingly popular. In Slazenger's Rackets we offer "La Balle," "Playe," "Pastime," "Tennis," "Varsity," in Spaulding—"Gentle," "A 1," "All-rounder," "Intelligence," "Model E. H.," "Tournament," "Fairfield."

Shower the Bride-to-be with bright, cleanly Enamelled Kitchenware which lightens culinary duties, retains all the natural flavor of foods and is so easy to keep clean. RELIABLE DEALERS WANTED in Hampton, Sussex, Chipman, Gagetown, Westfield and Fairville. Don't delay, make application now. Open Evenings. EASTERN MOTORS, LIMITED 166 Union Street, St. John, N. B. Queen Street . . . Fredericton, N. B.

GARLETON MILL POND A policy regarding the Mill Pond, West Side, will be made in committee of the Council next week, according to advice given out Saturday morning by Com. Bouchard.

HALF DOZEN DRUNKS Just a half dozen drunks will fill the prisoners dock in the police court this morning. Four of the inmates were committed by the police on Saturday. Two more inmates of the Hotel, who were brought in on the Sabbath, were one protentionist over the week-end.

At a special meeting of the Local Council of Women, held Saturday afternoon at the Board of Trade rooms, Mrs. R. J. Hooper, in the chair, reports were submitted from the mid-night concert and the sale of tags to raise funds for the expenses of St. John's premier coroner, Milton DeLeon, and Rev. J. V. Young was heard in connection with the appointment of women to the board of the Municipal Home.

The committee for the mid-night concert, held to raise funds for the furnishing of the kitchenette at the new recreation hut of the Lancaster Hospital, reported that the sum of \$200 had been realized. Letters of appreciation were ordered sent to all those who had taken part in making the night so successful. It was decided to use any balance left over for the mid-night concert and the sale of tags to be added to the list.

The committee in charge of the sale of tags for the fund to pay the expenses of Milton DeLeon, St. John's premier coroner, reported the net proceeds of the sale to be \$100.

YOUNG PEOPLE CONDUCT SERVICE Yesterday Was "Children's Day" at Waterloo Street Baptist Church.

Yesterday was "Children's Day" in the Waterloo Street Baptist Church, and the entire morning service was conducted by the young people. O Canada was sung at the opening, following which Margaret Hamilton, lead in prayer, Audrey Gregg then read the Scriptures, and Eugene Holt announced the hymns. The pastor, the Rev. J. A. Swetnam, pointed out the object lesson to be learned from the service. In the evening, Mr. Swetnam spoke of "The Great Need of Our City," which he said was men of vision, and used his remarks on Saul's vision while on his way to Damascus. He also rendered the solo, "Because He Loved Me So."

LABOR FAIR HAD GRAND OPENING The Labor Fair was opened in St. Andrew's Hall Saturday night by Commissioner Wigmore in the absence of Mayor McNeil. He was unable to be present. About seven hundred people were present and a choice programme of music was rendered by St. Mary's Silver Band. All the usual games were in full swing and all present were delighted. Ticket No. 2000 won the door prize, a half ton of coal. Tonight the City Cornet Band will provide music and the door prize will be a ton of coal.

At a special meeting of the Local Council of Women, held Saturday afternoon at the Board of Trade rooms, Mrs. R. J. Hooper, in the chair, reports were submitted from the mid-night concert and the sale of tags to raise funds for the expenses of St. John's premier coroner, Milton DeLeon, and Rev. J. V. Young was heard in connection with the appointment of women to the board of the Municipal Home.
