## TRAGEDY IN PARKDALE

Mysterious Shooting of Frank Westwood—The Inquest.  
TORONTO, Oct. 8.—A tragedy attended by circumstances of an unusually sensational character was enacted on Saturday night at the residence on Jamieson avenue, Parkdale, of one of the most prominent citizens of this city, Mr. Frank Westwood, whereby his son Frank, aged 19, received probably fatal injuries.  
About 11 o'clock on Saturday night while Mrs. Westwood and Frank were sitting in the parlor the curtains were drawn by the door bell, and immediately afterwards Mrs. Westwood was startled by seeing the face of a man peering through the window.  
Frank at once rose and went to answer the summons. He had no sooner opened the door than a pistol shot rang out on the night air, startling the already frightened mother and rousing the entire household.  
Mrs. Westwood ran to the door, but for a moment could not see her son or anyone else for the smoke from the powder. When it cleared away she saw the form of her son lying prone on the ground in his life blood oozing from the wound in his side.  
All kinds of rumors are in circulation, but mystery hangs about the tragedy as to whether he was killed by a burglar, or whether he was known to his victim, who perhaps was a stranger. The police are making a gaining incident or jealousy is said to be at the bottom of his reluctance.  
TORONTO, Oct. 12.—Frank Westwood died at six o'clock Wednesday morning. Around his bedside were gathered his father, mother and two brothers. The night long an anxious watch was kept in the silent chamber, for the physicians had intimated that the patient was unfortunately dead, would not live through the night. His youth and vitality held out for hours against approaching death.  
TORONTO, Oct. 13.—The curtain was rung up on another act in Parkdale's tragic drama evening when the inquest into the cause of the death of Frank B. Westwood was opened at No. 6 police station.  
The witnesses were numerous and among them several members of the Westwood family and a number of prominent Parkdallians.  
Dr. Griffin was first sworn. He had nothing to report except that he examined the body of Westwood on Monday afternoon at 8.15 Saturday evening and secured a prescription for his removal from his home. After the shooting the victim had told him that he did not know who shot him. He knew deceased intimately, but had not the slightest knowledge of anything which might account for the shooting in any way.  
Edward Bowers, who shot young Cain in Biddulph some time ago, was Thursday sentenced in London to five years in penitentiary for manslaughter.  
At Detroit, Mich., Julius Lichtenberg, one of the members of the Board of Education, charged with accepting a bribe, shot himself. He will recover.  
A Port Huron Mich., dispatch says the Mrs. T. H. Allen, of that city, is said to be blocked with grain, and there are no cars available to relieve the glut.  
The United Cloak and Suit Cutters' Union, of New York, comprising 700 men, went out on strike Friday morning in New York City.  
Mr. Alf. M. Gustin, son of Dr. Gustin, of St. Thomas, was on Wednesday morning shot in the chest by James H. Harris, M. W. B. Webb, the famous elocutionist.  
The amount paid for pensions in the United States for the ending June 30 was \$138,304,465, leaving a balance of \$23,307,712 of the appropriation.

At New York in the suit of William H. Laddlaw against Russell Sage, brought to recover damages from Sage, growing out of the explosion of a dynamite bomb in the latter's office, in which Laddlaw, who was then the secretary of the corporation, was generally held to be a party to the explosion, the judgment of the court was reversed and an order was made for a new trial.  
NAPLES, Oct. 15.—Railroad & home goods' furnishing store, was entered on Saturday morning from the back door by a man who attempted to steal an overcoat but was detected by Geo. Gordon, a young man in charge, who made a rush for the store and during the scuffle that ensued Gordon was stabbed below the heart. The wound is not thought to be dangerous. The police have not been able to capture the would-be murderer.

## U.S. STAMP ROBERBERIES

Systematic Stealing in the Printing Bureau—Government Employees Implicated.  
WASHINGTON, Oct. 13.—The stamp robbery at the bureau of engraving and printing has not yet been traced. It is now believed that it is a part of a scheme involving the stealing of 200,000 stamps of various denominations. The stamps are now being distributed all over the country, it is thought, have received fewer stamps than they ordered and failed to notice the deficiency. When their quarterly reports are made up these shortages may be found.  
The stealing has been going on for thirty days and seems to have been the result of a plot. William B. Smith, formerly of Philadelphia, and George W. Longstreet, who were employed in the stamp department of the bureau of engraving and printing, are under arrest, and detectives are looking for Wm. A. Beach who was until recently employed in a hotel in New York City, and a man whose name is believed to be Sin-namille.  
Both men left Washington on Wednesday for the purpose of selling stamps. Smith has made a proposition and the authorities to turn over evidence and make a full confession if they would sign a paper guaranteeing them immunity from prosecution. The authorities are at a loss what to make of Smith's offer as he has sold many conflicting stories since his arrest.  
VANCOUVER HAS A SCANDAL.

One of the Wilmsham Team Dying in Vancouver From a Knife Wound.  
VANCOUVER, B.C., Oct. 13.—Frederick Turner, a member of the local families of New Westminster, is dying from a knife wound inflicted on him by Gracie Irwin, with whom he had been living. He was a fast bicyclist and a crack rifle shot and went to Wilmsham with the Canadian team.  
Turner told the woman that they were to separate. He is in an unconscious condition and the doctors have no hopes of his recovery. His mother is dying from the shock. The woman was arrested. It is said her real name is Bononus and that she was born in London.  
NEW WESTMINSTER, B.C., Oct. 13.—Fred Turner, the young real estate and insurance agent, who was stabbed by his mistress, Gracie Irwin, is pronounced by his physicians to be out of danger. The woman has been remanded for a week.  
SOPSUP ACCIDENT IN A. 77.

ATB, Oct. 13.—An accident which may prove serious happened here to Mrs. John Guthrie and her daughter Bessie. They drove to Baker & McColl's store, where Mrs. Guthrie alighted from the buggy and Miss Guthrie turned to proceed into the store. Her horse took flight, turning suddenly, throwing her under the buggy, which overturned. She was carried into Mr. McGee's drug store and afterwards to Mr. John Wylie's house, where she still lies unconscious.  
BOLD ESCAPE FROM WHITTY JAIL.

WHITTY, Oct. 13.—An accident which occurred in the night in the county jail here turned Alex. Bruce, who was being held by the police, and a derby hat, was of medium height, had dark hair and a tall complexion and was dressed in a suit of brown cloth. He was seen to enter the grounds of Lakeside Hall—this was his positive. Her young son heard a pistol shot a few minutes later, but he did not see who was positive it was not Frank Westwood who entered the gate.  
The evidence of Miss Carl was in some respects contradictory to the evidence of the other witnesses. She stated that she still the Crown attaches some importance to the latter's story.  
Shortly before midnight the inquest was adjourned until Monday evening.  
EASTERN PRESS ASSOCIATION.

CARLETON PLACE, Oct. 13.—The Eastern Press Association met here and afternoon, the meetings being held in the hall over the Central Canadian office. It was decided to reduce the limits of the association to that formerly covered by the Ottawa Valley Press Association and to appoint the following officers: President, W. J. A. Macdonald, At-Large, Toronto; Vice-President, W. H. Allen, Carleton Place; Secretary, James Macleod, Almonie Gazette; Executive Committee, G. F. McMillan, Hamilton; J. P. Pollard, Newmarket; W. The date of meeting for the next year was fixed on Friday in June, 1905, at Carleton Place.  
The Wild Man of Aylmer.

OTAWA, Oct. 13.—Alymer had a wild man, who, if he does not reside within the limits of the town, lives in such close proximity to the town as to be a nuisance. No one knows who or what he is. He is only known as a wild man and everybody who has seen him has reported that he is on the farm of the late John Newman, about a mile and a half above the town. Every morning for about two weeks past the Pontiac and Pacific Junction railway train has passed through the farm on its way to the north. He has made an appearance in a field at the side of the railway track, stark naked. He has not threatened to do harm, but merely stood and watched the train. He is a middle-aged man of good build and has a long black beard reaching to his waist. No one knows where he sleeps and the people in the neighborhood are even more perplexed to know what he lives upon, for he never asks anyone for food.  
New Bridge Over the Trent.

TRENTON, Oct. 13.—The new steel bridge known as Gordon's bridge, across the river Trent, about a mile north of the town limits, has been inspected by Warden Parry and the county bridge committee and accepted from Mr. Robert Weddell, the contractor. The bridge is 400 feet long and was finished fifteen days ahead of the time called for. The bridge is a credit to the County of Hastings and to the noble river it spans.  
Twenty Years for Firebugs.

PERDUE ISLAND, Oct. 11.—The life body of Wm. Todd, of St. George's N. B., was found on the track six miles south of here. His head was completely severed from the body and presented a ghastly sight. How the accident occurred is not known, but particulars may be brought out at the inquest to-day.  
Big Blaze in Goodwood.

GOODWOOD, Oct. 15.—The carriage shop, blacksmith shop, shoe room, dry-house, stables and dwelling house, the property of W. H. Todd, were burned. Cause unknown; loss about \$10,000; insurance \$4,000, also equally divided between the Gore District and London Mutual.  
The Death of an Aeronaut.

NEW WESTMINSTER, B.C., Oct. 13.—The coroner's jury investigating the death of Charles Marrie, alias Ray, the aeronaut, who lost his life here by falling into the Fraser river with his balloon rendered a verdict that death was caused by drowning and that no one was to blame.  
A Steamer's Officer Drowned.

FROOT MOUNTAIN, N.S., Oct. 11.—Robert Wylie, second-engineer of the steamer Wylie, was found drowned yesterday. He probably fell overboard as his company's plet going on board the night before.
