The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Reference Library
Baldwin Room

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE BEST GRAMMARS FOR OUR SCHOOLS.

Adopted in the Upper Canada College and Model Grammar School, Toronto ; and largely in use in the Province.

Morell's Essentials of English Grammar and Analysis. 55 pages. Strongly bound. Price 20 cents.

A series of Graduated Exercises adapted for the above. 61 pages. Strongly bound. Price 20 cents.

Or the two books bound in one. Price 40 cents.

Morell's Grammar of the English Language, together with an Exposition of the Analysis of Sentences. ½ bound. 60 cents. Do. with exercises, 75 cents.

"The whole of the book is planned upon the idea that Grammar is to be taught in Schools as a **PORELY INTELLECTUAL EXERCISE**. I have avoided useless detail, being convinced that, if what is here given be well impressed and understood, quite as much of grammatical knowledge can be gained from it, as it is at all consistent with any ordinary scheme of an Elementary English Education."—*From the Author's Preface.*

NOTE.

ROLLO & ADAM have much pleasure in presenting **Educationists and Students** with this **Price List of EDUCATIONAL TEXT BOOKS** in use throughout the Province. Their design, in its compilation, has been to furnish students and all interested in Education, with a classified reference list of approved Educational Text Books, and, generally, to extend an acquaintance with the bibliography of the best English and American School and College Class Books. An inspection of their stock by Teachers and Students visiting the city is respectfully solicited. Orders entrusted to them, by mail, will receive their careful attention.

R. & A. also call attention to their large and well selected Stock of Miscellaneous Books, comprising the Standard and recent important works in Law, Medicine, Theology, and General Literature, catalogues of which may be had on application.

A complete stock of **STATIONERY, Educational, Office, and Fancy, always on hand.**
