ANNOUNCEMENT

As noted elsewhere in the columns of the MONITOR, I have taken over the BOOT & SHOE business formerly conducted by by J. H. Longmire & Sons and will hereafter continue this business under my own name.

I take this opportunity of thanking many friends and customers for their kind patronage extended to me while associated with the above firm and I turst to receive a continuance of the same support. Being now in a position to devote my entire time to this business, I will endeavor to improve the Service to my customers by continuing to carry an up to-date stock of GOOD SHOES and by giving strict personal attention to the fitting qualities of every pair of shoes sold.

My prices will be as low as the high standard of my stock will allow. This store never has, and never will, under my management, offer customers "uncertain Shoes" in order to name a seemingly low price.

I'm Yours For Good Shoes,
