There were 23,214 consultations in the General Out-door Department, and 6,709 new cases ; in the Eye and Ear Department, 4,746 consultations, and 1,458 new cases ; in the Nose and Throat Department, 2,834 consultations and 686 new cases ; in the Gynæcological Department, 1,570 consultations and 1,322 new cases ; making a total of 32,364 consultations.

The following Life-Governors have died during the year: Sir John J. C. Abbott, Alexander Douglas, Sir A. T. Galt, William H. Hutton, John Harris, Samuel E. Molson, John McLennan, Samuel Penniston, Peter Redpath, James W. Skelton, Hollis Shorey, John G. Sidey, and Charles S. Watson.

The foregoing list includes the names of several life-long friends of the Hospital, one of whom, Mr. Peter Redpath, was for six years President of the Institution.

Forty-four gentlemen have been constituted life-governors during the year: Herbert B. Ames, John Allan, Tobias Butler, B. A. Boas, Moritz Boas, Edmund H. Botterell, R. H. Bethune, Hugh Brodie, George B. Cramp, John B. de Lorimier, S. Davis, Maurice E. Davis, William Davidson, L. R. Dowker, William S. Evans, George B. Fraser, Robert Gardner, Jr., John Gault, Charles G. Hope, John W. Hector, Thomas Ligget, Thomas H. Love, William J. Learmont, W. de M. Marler, T. B. Macauley, John MacIntosh, Robert Mackay, William E. Muir, Alexander McArthur, H. E. McIntosh,

E. L. Pease, S. O. Shorey, Harry Stikeman, William Tees, M. Vineberg, Joseph C. Wray, John C. Hodgson, D. McIntyre, Jr., Colin McArthur, Alex. C. Clark, G. M. Kinghorn, Chas. F. Smith, A. W. Grant and William H. Lavers, Jr.

The most important event of the year has been the removal of the infectious diseases from the brick building and the commencement of the long projected re-arrangement and renovation of the old Hospital buildings in accordance with plans drawn by Mr. A. T. Taylor, architect, and laid before the Governors at the Quarterly Meeting, held in February last. The City having assumed the responsibility of caring for patients suffering from infectious diseases which require isolation, the Hospital is now permanently relieved of this charge. Thanks to the generosity of many friends of the Hospital, the money required to defray the expenses of the proposed alterations has already been almost entirely subscribed and the work has been in progress since the first of April. It is hoped that within the year the alterations will be completed, and the entire hospital brought up to the standard of modern requirements.

Dr. W. F. Hamilton, after having served the Hospital most acceptably for two and a half years as Medical Superintendent, has resigned the position in order to commence private practice. He leaves the Hospital with the best wishes of the Governors and is succeeded by Dr. S. R. Mackenzie, who has rendered good service during the past year as one of the resident medical officers.

Of the resident medical officers elected last year, one gentleman, Dr. A. D. McArthur, broke down in health after two months' service, during which he earned a reputation for enthusiasm and devotion to work. It is feared that he is permanently invalided. His place was filled by the appointment of Dr. W. H. Jamieson, who, with the other resident medical officers, Drs. J. A. Henderson, S. R. Mackenzie, J. W. Lawrence and J. L. Walker, served faithfully throughout the year.

These positions, together with that of the anæsthetist, ably filled during the past year by Dr. E. W. Aylen, and those of the non-resident clinical assistants, Drs. J. D. Cameron and S. W. Hewetson, have been filled by the election of Drs. A. T. Bazin, W. G. M. Byers, C. W. Gorrell, G. H. Manchester, George Fisk, Hugh McL. Kinghorn and F. E. Rimer.

W. Shepherd, Jr.; Centre Ward, Mr. W. E. Cheese; East Ward, Mr. Daniel Hatton; St. James Ward, Mr. J. Hamilton Ferns; St. Mary's Ward, Mr. W. F. Borland; St. Louis Ward, Mr. Joseph C. Drs. Frank Buller, William Gardner and James Bell, having resigned from the Attending Staff in order to accept positions on the staff of the Royal Victoria Hospital, the vacancies thus caused will be filled at the approaching Annual Meeting.

Respectfully submitted,

JAMES BELL, M.D.,

Secretary.
