The system of management used in conducting the School during the past year has been the same as that of the previous one—no improvement having suggested itself, and everything having been found to work satisfactorily.

The usual number of changes in the staff of Teachers, which must always be looked for in the course of a year have occurred, but the school is still to be congratulated in possessing a most desirable staff in every sense.

In the removal of the late Secretary, Mr. Geo. S. Hodgins, to British Columbia, the School lost a most efficient and painstaking officer.

The usual Pic-nic and Christmas Festival were held on 7th July and 30th December, respectively—and passed off pleasantly.

During the much regretted but forced absence of the Superintendent in England, both in the spring and fall of the year, his place has been as usual ably filled by Mr. W. Bridgeman-Simpson.

During the Summer the School Building was repaired and tinted, and the expense thereof very kindly paid by the Executors of the late Mr. Geo. Grasett. The large School room and Class rooms now present a very attractive appearance. A most important improvement made was the introduction of a ventilator in the ceiling. For these most useful improvements cordial thanks are due to the Superintendent as Executor of his late brother. The organ has been ordered from Messrs. Lye, and will soon be in position. The necessary fund to pay for it has been subscribed and banked.

YOUNG MEN'S BIBLE CLASS.

The class has been well attended during the year and great interest has been taken in the lesson, some of the members having well prepared the subject beforehand. We believe and trust that the Divine blessing rested upon us during the year. Two members at their own request and desire received the Sacrament of Baptism, and three were amongst the number of those confirmed. The class has supplied three teachers for the afternoon school, and three for the morning, and in the Band of Hope, Young Men's Society, etc., its members are amongst the most active and faithful workers. Mr. Bishop who was rarely, if ever, absent was called suddenly from our midst to his eternal home. In the morning he was with us in the class, and in the evening his earthly course was closed. The class sent a floral offering, and followed his remains to the grave.

RECTOR'S BIBLE CLASS.

The Class has met weekly since Oct. last. The Subjects considered were the Sunday School lesson for the following Sunday. Many Teachers have attended, and have been thereby helped in their work. Although intended primarily for teachers, this Class is open to all. A Biblical Subject does not lose its general interest because it happens to be selected and used for a Sunday School lesson. The Rector would therefore be glad to see at his Class all members of the congregation desirous of searching the Scriptures. The time of meeting is Thursday, at 3 p.m.

The Afternoon Sunday School was opened on Sunday, October 3rd, 1886, and has since prospered most satisfactorily.

At the outset our finances were very low, but owing to the kindness and help of the Young Ladies and Young Men's Societies, who gave us the proceeds of a very successful concert, our means were considerably increased, so much so that we were able to give to our scholars at Christmas an entertainment and Christmas tree.

The amount we realize by collection is hardly sufficient to meet expenses, and as the season is now approaching in which it will be necessary to give a picnic, we would say that our treasurer is prepared to receive subscriptions towards this cause.

On April 17th a children's service was held in the Cathedral. It is intended to repeat these services, and a cordial invitation is extended to all parents and those who take any interest in this work.

The infant class, under the efficient teaching of Miss Clark, is making rapid progress, having now on the roll over sixty children.

The following statement gives the averages weekly attendance of the meetings :

118½ Duchess Street—About 34.

34 Sherbourne Street—About 26.

99 George Street—About 51.

It was resolved that one night a month should be set apart as a temperance evening in each of the meetings. This has worked very successfully. The opening of our winter's work was marked by a social gathering, at which all the attendants of the Cottage meetings assembled, partook of tea and coffee, and a social evening together. The meetings for the season closed in like manner. Thanks are due to the Ladies' Aid Society for undertaking the meeting, and to those members of the congregation who kindly sent donations of tea, coffee, and other necessaries. Mrs. W. H. Beatty kindly gave the magic lantern entertainment.

REPORT OF THE LADIES' AID SOCIETY.

President, Mrs. Dumoulin ; Vice-Presidents, Mrs. Gzowski, Mrs. Brock, Mrs. E. Blake, Mrs. Hobson ; Treasurer, Mrs. Morgan Baldwin ; Secretary, Miss E. F. Green ; Committee for cutting out and arranging work, Mrs. W. T. Boyd, Mrs. Merrick, Miss Burnham.

The Ladies' Aid Society held their first meeting of the season on November 2nd. As last year the Ladies' Aid and Dorcas held their meetings at the same time, but little work was done for the Ladies' Aid until after Christmas.

We are continuing to work for the improvement of the Church. The meetings were only fairly well attended. Almost all the work done this year has been ordered work. Last year we gave \$400 towards the Memorial Window to Mrs. Grasett. When all accounts were paid, it was found that \$110.34 were over, which the treasurer of the Memorial Fund, Mrs. John Ridout, handed back to us, as had been agreed.

THE LADIES' AUXILIARY.

The first meeting of the Young Ladies' Auxiliary to the Parochial Missionary Association was held in November, 1886, and from that time until Lent the meetings have been held every second Friday in the school-house, from 2.30 till 5 P.M. The second Friday in every month the Auxiliary meets with the P. M. A. During Lent the meetings were held every week, and a considerable amount of work has been accomplished.

An "At Home" is to be given by the Ladies' Aid in May next, at which the Y. L. A. is to have a table of fancy work, flowers, and candies. It is decided that from the sale of the fancy work \$30 is to be given towards the expenses of the lady missionary who is to be sent to the North-West. The amount realized from the tickets, candies, and flowers, is to be given to the Ladies' Aid for the cleaning of the Church.

There are 27 members of the Y. L. A. The office-bearers are :

- President*—Miss Vickers.
- Treasurer*—Miss Edith Galt.
- Secretary*—Miss Manning.
- Buyers*—Miss Marshall, Miss Brock.

CHURCH OF ENGLAND TEMPERANCE SOCIETY.

In presenting the Annual Report of the St. James' Cathedral Branch of the C. E. T. S., I have to record the holding of four open meetings during the past winter, which met with more or less in the cause to which this branch of the Church work is aiming.

We are greatly indebted to the Lord Bishop of Algoma, Mr. Hoyles, Rev. D. V. Lucas, and Rev. J. M. Milligan, for lectures and addresses delivered at our several meetings, and to a few ladies of the Church for the kind assistance they have given us from time to time.

The interest taken in our branch of the society is not as great as it might be. We have found great difficulty in raising money to carry on this work, the people the work is done amongst being comparatively poor, and can give but little, and unless the wealthy members of the congregation see fit to assist us financially, the prospects for this work being successfully carried on are very small.

ESTEN WILLIAMS, *Secretary.*

THE BAND OF HOPE.

The Band of Hope began its winter's work on the 1st of October, 1886, and we are glad to be able to state the weekly attendance this year has been larger than last. We have at present on the roll over five hundred names. The choir numbers forty voices, and is well trained owing to the painstaking care of our organist Miss Dumoulin. We are thankful to be able to state that the conduct of the children on the whole, has been pretty good, when we consider the number of children present, sometimes over three hundred. The programme of each evening consists in recitations and singing by the children, and an occasional address is given to the children by some friend of the temperance cause. Stories are at times told to the children by the President, Rev. H. P. Hobson, and for the best written account of which prizes are given by the President.

YOUNG MEN'S ASSOCIATION.

The Association was reorganized, and held its first regular fortnightly meeting on the 4th of October, 1886.

Secretary,	G. W. F. SHAW.
Treasurer,	H. J. McMULLEN.

Committee, Messrs. Fryers, Ball, Mills, Lawrence, and Cavanaugh. There are thirty names on the roll. The programme of the evenings consists in the reading of a portion of Scripture, which is commented upon by the Chairman, then follows readings, recitations, or a debate. The Rev. H. P. Hobson has given a lecture on the early history of the Church in Great Britain. We would here take occasion to deplore the loss of our third Vice-President, Mr. John S. Bishop who always took an interest in our Society and also in its members. On Monday evening, March 21st, a branch of the White Cross Army was formed in connection with this Society, the same officers, except 2nd Vice-President John Beattie, and the names of Messrs White and Lacon substituting for those of Messrs. Ball and Cavanaugh, on the Committee.

THE HOME.

At the close of the year the Home was greatly disturbed and disorganized, owing to the unworthy conduct of some of its former inmates. It was found necessary to exclude these, and to procure rooms outside for some others, retaining only the aged and helpless. The Rector has called to his assistance a committee consisting of the following ladies, by whom the Home is managed: Mrs. Dumoulin, President; Mrs. Strachan, Secretary and Treasurer; Visiting Ladies, Mrs. Fred Grasett, Mrs. Kingstone, Mrs. Mulholland, Mrs. Percy Galt, Mrs. Dewdney, Miss Greene, Miss Joseph, Miss Turner.

The ladies have entered into this good work with great interest, and without any additional expense to the Church, have engaged a

respectable man and his wife to take care of the Home and watch over the inmates. This they do with great kindness; and, altogether, the Managers are glad to report the Home is now a comfortable and quiet resting place for the aged and worthy inmates who occupy it.

THE CHOIR.

The Choir, under the direction of Mr. W. Elliott Haslam, has greatly improved in members and efficiency. The rehearsal is held in the Church every Friday evening at 8 o'clock, at which Mr. Haslam desires to see all the members of the choir present regularly and punctually.

CHURCH OF ST. JAMES THE LESS.

The services have been maintained as usual. There has been an increased attendance during the past year. The petition of this congregation and of residents in the neighbourhood for the formation of a new Parish has been granted, and the new Parish has been set apart. Hence our work in connection with St. James the Less comes to an end.

SUNDAY SCHOOL ST. JAMES THE LESS.

In presenting the annual report I have much pleasure in stating that our work continues in a very prosperous condition. The average attendance of 135 has been fully maintained during the past year, notwithstanding the want of a more suitable building and the presence of two other Sunday Schools in the neighbourhood.

The Library has been worked up to a most satisfactory state.

The finances of the School are very nearly balanced.

I feel deeply indebted to the teachers and many friends who have always given ready help in carrying on the work.

I regret the loss of valuable fellow-workers, whose places it is difficult to fill.

In closing this report I would with all thankfulness acknowledge the blessing of Almighty God our Heavenly Father in the past, and pray that His Holy Spirit may be poured out upon us and our Sunday School in the future, for Jesus Christ's sake. Amen.
