## Notes and Comments.

A daily aerial mail service is now in operation between Paris and London because of the British railway strike, which has interrupted mails to and from the continent.

Field Marshal Haig's automobile, used by him on the Western Front, has been sold at auction for \$18,000. The car was a Rolls Royce Phantom limousine with Barker body.

Authoritative denial has been given by Hon. C. J. Doherty, Acting Premier, to the report current throughout Canada that General Sir Arthur Curry had been or would be given a grant of half a million dollars in recognition of his services overseas.

All will hope the doctors are right in saying that we are not likely to have a return of the influenza. But, as the Boston Transcript says, it will be no serious reflection on our faith in them if we keep our feet dry and look after our health generally.

The announcement that 'national' clothing is to be put on sale in France to reduce the cost of living is not more interesting than the statement that the cloth is to come from the reconstructed mills at Roubaix, in the invaded district, near the Belgian border. France is recovering.

An official return just issued shows that British war-ships lost during the war number 254, including thirteen battleships, three battle cruisers, six light cruisers, sixty-four destroyers and fifty-four submarines. Auxiliaries lost during the war totalled 815, including 244 colliers and 249 trawlers.

The apple movement over the Dominion Atlantic Railway is very heavy at present. Solid trains out to Halifax and Truro, at all hours, day and night. The business is being handled with expediency, thus enabling the shipments to reach their destination in good time. The apple crop this year is large and of good quality. Plums are not so plentiful. Pears are very abundant.

Charles M. Schwab, the late Sir Cecil Spring-Rice, former British ambassador to the United States; Lord Fisher, of the British admiralty; the late Lord Kitchener, and the British vice consul at Ensenada, Mexico, were marked for assassination by agents of the German government, according to sworn testimony given by former First Lieutenant Wilhelm von Brincken, formerly military attaché of the German consulate in San Francisco, to Commissioner of Immigration Henry White, of Seattle, Washington.

It is going to be almost as hard to get out of as to get into the United States hereafter. The inland Revenue authorities have issued a new regulation that Americans going abroad must pay their income taxes before they will be permitted to leave the country. In the case of aliens this includes all income tax obligations up to and including the month preceding their departure. In the case of American citizens they must have paid all instalments of the income tax due up to the time of sailing and have made arrangements for the payment of future instalments as they fall due. The way of the 'tax-dodger' will not be easy. There will be a toll-taker at every shipping pier.

Profiteers in London, at least some of them, are getting their desserts. A baker was fined \$500 for exposing for sale thirty-four loaves of bread, each two ounces less than the regulation weight. A butcher was fined \$100 for selling imported mutton at the home kind price and making an over-charge of eight cents on four lamb chops. A saloonkeeper was fined \$15 and \$10 cost because his barmaid charged thirty cents instead of twenty-six cents for two large glasses of stout. The recent slight fall in prices is largely due to a clever journalist writing an article in his paper which other papers copied, saying prices were down. The public went forth after reading this all over the City and demanded reductions which the merchants had to grant.

## Song Recital by Miss Curry.

(The Yorkton, Sask., Press.) A most enjoyable Song Recital was given in the Town Hall on Thursday evening last by Miss Eunice Davison Curry, recently appointed choir leader of St. Andrew's Presbyterian church.

Miss Curry is the possessor of a rich mezzo-soprano voice of good range and sweetness, a voice which shows long and careful training, her enunciation being particularly clear and distinct.

Her program consisted of a varied and well-chosen number of songs by good composers, particularly well suited to her voice and to all of which she had to respond to entreaties.

Where every song was so well and pleasingly rendered by Miss Curry, it is difficult to single out any one song for special mention but the manner in which she rendered the difficult number 'How wonderful it must be' by Ries calls for special praise as does also Foote's setting of that old Scotch favorite 'I'm wearin' aw'.

The 'Lullaby' by Hanscom with violin obligato by Mrs. B. W. Wallace and the encore number were also very pleasingly rendered especially the latter which appeal-

## McClary's Sunshine

A FURNACE easy to manage; a furnace that is economical of fuel; a furnace that will heat your home comfortably.

This is the proposition we offer in the Sunshine.

McClary's heating experts will plan a heating system for you without charge—a heating system that they guarantee will heat your home comfortably.

If you want to be sure of COCOMO, ask about the LITTLE DRAFT-MAN that turns on the drafts and regulates them automatically.

Sold by L. W. SLEEP

ed very much to the audience.

Miss Curry is a young lady with a good stage appearance, who will certainly be an acquisition in the musical world of Yorkton.

The accompaniments were very ably and sympathetically played by Miss Edna Schramm assisted by Miss Gertrude Guthwaite.

The citizens of Truro have decided to borrow \$50,000 on their electric light plant.

Price of Bacon Ordered Cut Down in Canada.

Toronto, Sept. 29—Definite action to reduce the price of Bacon and other products of the hog, was taken today by the Board of Commerce at present sitting here, when an order was issued that from October 15th next, pork and hog produce sold for consumption in Canada by the Canadian packing houses and other producers, shall be sold at prices practically the same as those which prevailed on March 10 of this year.

The Board further orders that the prices of such products shall be still further reduced if conditions warrant it and an intimation is given that they will keep the industry under close surveillance to make further orders along this line, if found necessary.

It is better to be everything to somebody than something to everybody.

# The Expenditure of \$610,000,000

### How the last Victory Loan was spent

### For Demobilization

### For Trade Extension

BEFORE buying Victory Bonds again you may want to know how Canada used the money you loaned her last year

Canada borrowed the money to carry on the war and to provide credits for Great Britain and our Allies

CONSIDERABLY more than one-half of the Victory Loan 1918 was spent on our soldiers. This included \$312,900,000 for paying them, feeding them, bringing them home, separation allowances to their dependents, maintenance of medical services and vocational training schools

\$59,000,000 of the Victory Loan 1918 was paid on account of authorized Soldiers' gratuities

\$9,000,000 was spent at Halifax for relief and reconstruction after the disaster

Other disbursements were not strictly speaking expenditures, but National Re-investments

To Great Britain for example: \$173,500,000 was loaned for the purchase of our wheat and cereals.

\$9,000,000 for our fish

\$30,000,000 for other Foodstuffs

\$2,900,000 for Canadian built ships

\$5,500,000 to pay other British obligations in Canada.

Making in all \$220,900,000 advanced to Great Britain

To our Allies, we loaned \$8,200,000 for the purchase of Canadian foodstuffs, raw material and manufactured products

The Re-investments will be paid back to Canada in due time, with interest

These credits were absolutely necessary to secure the orders for Canada because cash purchases were impossible

They have had the effect of tremendously helping agricultural and industrial workers to tide over the depression that would have followed the Armistice, had we not made these credit loans

As far as money is concerned, 1919 has been, and is still—just as much a war year as 1918. Our main expenditures for war cannot be completed until well on into 1920. Thus another Victory Loan is necessary—Get ready to buy.

# Victory Loan 1919

"Every Dollar Spent in Canada"

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

WOLFVILLE, N. S., OCT. 10, 1919.

## Publishers' Notice.

The undersigned having purchased the plant and good-will of THE ACADIAN will continue its publication under the firm name of Davidson Bros. The new firm assumes all liabilities and will collect all outstanding debts. Those indebted to the paper are requested to make immediate payment. It will be the endeavor of the new publishers to furnish a paper that will be a credit to the town and county. THE ACADIAN has made many friends throughout the county and we bespeak their continued support and assistance in their endeavor.

We have a number of plans for improvement under consideration which will be disclosed as time goes on. In the meantime we want newsy items from all parts of the county and will be glad to publish brief articles on matters of public interest. THE ACADIAN will not be published in the interest of any party or interest, but will aim ever to serve the public weal.

Yours for progress,  
H. P. DAVIDSON,  
W. B. DAVIDSON.

## A Missionary Convention.

The Women's Baptist Missionary Convention will be held in the Baptist church, Wolfville, next Wednesday and Thursday, Oct. 15th and 16th. Over 200 delegates are expected to attend.

The sessions are all open to the public, but the evening meetings will be of special interest. Tuesday evening an informal reception will be held when old friendships will be renewed and new ones formed. Good music and a social hour.

Wednesday evening Dr. Patterson, of Winnipeg, will speak on "Western Missions". Dr. Patterson is an eloquent and enthusiastic speaker and will amply repay all who can hear him. Mrs. J. E. Wilson, of Woodstock, N. B., will also give an address on "Young People and Missions".

Thursday evening there will be a farewell meeting for our missionaries who leave for India immediately after Convention.

Dr. Perry and Mrs. Eaton, Misses Blackadar, Machum and Eaton will be present. Mrs. M. S. Jones will be in charge of the Union.

The Executive will meet Monday evening, Tuesday morning and afternoon.

## Baby's Own Tablets of Great Help.

Mothers, if your baby or growing child is sickly; if he does not sleep well at night; if he cries a great deal; is constipated and his little bowels and stomach are not working right, give him Baby's Own Tablets—they have proved of great help to thousands of mothers. Concerning the Tablets Mrs. W. H. Decator, Corson, Siding, Ont., says:—"I have used Baby's Own Tablets and have found them excellent for the little ones and would not be without them." The Tablets are a mild but thorough laxative and are guaranteed to contain no harmful drug—that is why they always do good and never harm. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## I. O. D. E.

There was a meeting of the Sir Robert Borden chapter on Tuesday afternoon, twenty-five members in attendance. The treasurer reported on hand \$220.50. It was decided to hold a Rummage Sale on the 24th and 25th of this month. Mrs. Elliott Smith, Mrs. Fitch and Mrs. H. D. Johnson were appointed in charge of this sale. A motion was carried to the effect that the Chapter send a contribution of money to the Colored Children's Orphanage in Halifax. Each member of the Chapter is asked to contribute a small sum for this purpose and such amount may be left with the treasurer, Mrs. A. B. Batoon. The report reported 12 lbs. of I. O. D. E. wool on hand to be knit, and spoke of the need of knitted articles for our boys in the home hospital. Mrs. Black reported for the War Savings Society and showed a very satisfactory result from the summer's effort.

Newspapers, from an advertising standpoint, have everything in their favor. They reach the masses and the classes, and they reach them with a regularity and frequency that can mend itself as a shining virtue to the man who has something to sell. Moreover, a favorite newspaper, like THE ACADIAN, cannot be supplanted in the hearts of its constituents by any sort of publication, which insures it a permanency of circulation that cannot be duplicated.

## Acadia University Opening.

Acadia University opened last week with the largest attendance in its history, the total registration being over 300. The largest previous registration was 246. Among the students is a large number of discharged soldiers, over sixty in all. Over eighty students are registered in the engineering department.

A feature of the opening this year was the Fall Camp conducted by the Y. M. C. A. The students of the University, especially the new ones, were invited as guests of the Y. M. C. A. to Evangeline Beach on Sept. 26, and remained there until the morning of October 2nd. This gave them all a splendid chance to get acquainted. On Monday evening, Sept. 29th, the Campers gave a concert in the pavilion at the Beach, which was attended by quite a number from Wolfville and the outlying districts. On Wednesday, Oct. 1st, all the students were invited down to the beach, the professors also attending, and registration was conducted there.

Two new appointments have been made to the staff of the college, marking departures and advances in educational work in the Maritime Provinces. Miss Anna B. MacIntosh has been appointed Dean of Women and Instructor in Social Service. Miss MacIntosh graduated from MacMaster University, took post-graduate work at Yale in Social Science, and was superintendent of the Lowell House in New Haven, and was afterward in Social Service and war work in New York. Miss MacIntosh will reside in the College Women's Residence, having an oversight over 83 young women in residence and will take classes in the University.

Dr. C. E. A. DeWitt has been appointed College Physician and Sanitary Officer, and has retired entirely from the general practice giving his whole time to Acadia students. Each student will have a physical examination, and so far as possible, curative and preventive measures will be instituted.

## A Great Violinist.

Negotiations are being carried on, we hope, to a successful conclusion by which Signor Scapiro, the great violinist, will appear in Wolfville.

There is reason to believe that he is the greatest violinist who and the music loving public will await his coming with enthusiasm. He will appear under the auspices of the A. S. C. M. Watch for a fuller announcement.

National prohibition has been adopted in Norway by the vote at a general plebiscite held on Monday.

## A September Wedding.

Alfred J. Lake (of the 85th Batt.) and Ethel K. Taylor, of Margate, England, were married in St. John's church on Sept. 27th, at noon. Rev. Mr. Woodruff, rector of Cornwallis, officiated in the absence of Rev. Mr. Dixon. The church was appropriately decorated for the occasion with flags and cut flowers. Mrs. Moore played the wedding march and the choir sang "Voice that Breathed O'er Eden" during the ceremony.

The bride looked lovely in crepe de chine over white satin. The bridal veil was fastened with orange blossoms and bride's bouquet was of asters and roses. The groom wore Highland dress of costume. The bride was given away by Mr. Lake. Mrs. Lake was maid of honor and little Lilian Purdy, dressed in crepe de chine with poke bonnet to match, was very pretty as flower girl, and carried a basket of sweet peas and verbenas. A reception was held at the home of the groom's parents in the evening.

There were numerous presents from friends and relatives of bride and groom, including furniture, silver, cut glass, china, linen and cheques. Telegrams of congratulations were received from relatives in England. Mr. and Mrs. Lake enjoyed a short tour by auto. They will reside with the groom's parents at Lower Wolfville.

Give us your order for Christmas Private Greeting Cards. We have the best.

## MARRIED.

PORTER-AYER.—At the Baptist parsonage, Gasperau, on the evening of Oct. 8th, by Rev. G. D. Millbury, Walter A. Porter, of Wolfville, and Miss Violet R. Ayer, of Hantsport.

## An Interesting Visitor.

Mrs. Nalder, who has travelled over the whole christian world in the interest of Pandita Ramabai, engaged in such wonderful work for the child widows of India, spent the week end in Wolfville. Through the courtesy of the Wolfville Baptist church Mrs. Nalder addressed interested audiences on Sunday, both in that building and in the Tabernacle. Twice during her stay she held the breathless attention of the girls of Acadia Seminary, when she unfolded to them in master strokes of description the work of the "most wonderful woman in the world", Pandita Ramabai. Voluntary offerings poured in from overflowing hearts to the magnificent call. Mrs. Nalder has given up home and home comforts to present this noble cause to the Christian world at large, having visited within the past two years the United States, Australia, England, New Zealand, and India itself, where she lived in intimate touch with The Pandita. Mrs. Nalder receives no salary in recompense for her own life so poured forth. All she will accept is the assurance from her hearers of their continued interest in the cause she represents and their earnest prayers for her own up-keeping. Many friends had her godspeed in her mission of unselfish devotion when she left Wolfville on Tuesday afternoon for Halifax to complete her itinerary in Nova Scotia. Mrs. Nalder will tour the winter.

W. H. Chase and Roy Joudry of Wolfville, have purchased the two warehouses at Brickton and are building an extension with the object of opening an evaporator at that place. W. K. Beals has the contract to build the extension. —Middleton Outlook.

WOLFVILLE, N. S.

Boots, Shoes, Clothing, Trunks, &c. Acadia Sweets.

**News Notes from Greenwich.**

Recently one of the Wolfville doctors visited our school one afternoon and vaccinated 86 of the pupils. Several of them had been through the experience before. About 50 pupils are registered at our school this year, a good number to work for prizes for the school exhibition next fall and we hope for the best of success. Try hard boys and girls, as the age limit is as high as 18 years. There may be others beside our pupils. Do a share of work for exhibit, and thus help along a good thing.

The news of a birth last Wednesday morning, Oct. 1st., at the Private Hospital, of the Misses Wood, Port Williams, was of much interest to our residents. We refer to the birth of a daughter to Mr. and Mrs. Harlan Forsyth, of Church Street. Mr. Forsyth is a son of the place and Mrs. Forsyth, nee Miss Stella Neary, was a former school teacher here, having taught for two successive years. Congratulations.

Miss Charlena Pearson, of the telephone office staff, Wolfville, spent Sunday at her home.

The apple evaporator of Forsyth Brothers commenced work about three weeks ago, giving work to a large number. They expect to have a very busy season.

Miss Dorothy Williams, of Acadia College, accompanied by her sister, was the guest of Miss Lillian Bishop, one day last week. On Monday evening, Sept. 22nd, Mrs. Lorne Pudsey gave a party in honor of the birthday of her daughter Greta. Dainty refreshments, including ice cream, were served and a very pleasant evening was enjoyed by the good number of boys and girls present.

One of the prize orchards of the place is that of Mrs. Fred Forsyth. This orchard was leased three years ago by Mr. George Gates, Port Williams, and this year Mr. Gates is being well repaid for his time and good care spent upon it.

On Wednesday evening Sept. 17th, a reception was given in the church, in honor of our returned soldiers. A good programme of music, piano, violin and vocal solos, was given and much enjoyed. Two splendid addresses were given, one by Rev. Mr. Watts, of Wolfville, and the other by Cap. (Rev.) J. D. Spiddell, of Kentville, recently returned from a long service overseas. He spoke in the

highest terms of the good work of the Canadians overseas. Two other speakers were expected but did not come. Ten soldiers were present, four others being unavoidably absent. Ice cream and cake in abundance was socially enjoyed. The church was prettily and patriotically decorated. The committee in charge of the reception did good work, which was much appreciated.

In a recent issue of the Halifax Herald we noticed an article on a Banquet and Rally given the evening of October 2nd at the West End Baptist church, by the Men's Baraca Class. More than one hundred sat down to well filled tables after which a short programme was given. The leader of the class is the pastor, Rev. G. F. Bolster. The speaker of the evening was Rev. A. J. Prosser, of Upper Canada, his subject being 'Musing and Mean-doings,' and for three quarters of an hour, he held the closest attention of his audience, while he related facts about our great Dominion of Canada. Parts of the address were humorously given and much enjoyed by the audience, who were frequently convulsed with laughter. Rev. Mr. Prosser was well known in this place when the Port Williams Baptist church was included in his large circuit and it will be remembered he favored our 'Community League' on two evenings, with splendid and much enjoyed lectures. He also used to conduct prayer meetings in our hall. Mr. Prosser is a regular 'live-wire' and a very energetic man.

**The Boy Scouts.**  
At the meeting this evening plans will be made for the winter's work.  
The College Y. M. C. A. has offered to assist in Boys' Work throughout the county and as a starter it has been arranged to have a committee of three or four assist at the Club Room each Friday evening. This will give a chance for better and more systematic work than we have ever had before. The Avonport boys will be the guests of the Wolfville Scouts this evening.

**DIED**  
MURPHY.—At the home of her brother, Mr. Charles Murphy, Wolfville, N. S., on Oct. 2nd, Margaret Murphy, aged 85 years. (Nova Scotia papers please copy.)

**Personal Paragraphs.**

Mrs. W. A. Chipman is on a short visit to friends in Bridge-town.

Mr. and Mrs. W. C. B. Harris left on Friday last on a short trip to Boston and New York.

Mrs. C. M. Vaughan left on Saturday for Boston, Mass., and expects to be gone until after Christmas.

Mr. Malcom Pitman, who has been teller in the Royal Bank here, has been transferred to the bank in Halifax.

Rev. G. W. Miller is in Fredericton, N. B., this week attending the Maritime Synod of the Presbyterian church.

Mr. T. L. Harvey left on Monday for Quebec, en route to England on business for the United Fruit Companies of Nova Scotia.

Mr. and Mrs. Frank E. C. Lownds, of Halifax, spent the week end at the home of the former's sister, Mrs. H. E. Flick, Prospect street.

Mr. Ralph Donaldson, of Port Williams, who recently returned from overseas, left last week for Newfoundland on business for the United Fruit Companies of Nova Scotia.

Miss Greta Harvey, who has been visiting at the home of her parents, Mr. and Mrs. J. W. Harvey, Port Williams, returned last week to Somerville, Mass., where she is training for a nurse.

Mrs. H. A. Henshaw and two sons, who have been sailing from one southern port to another with Capt. Henshaw since the first of July, have returned to Wolfville, in order that the boys may resume their studies at Acadia.

The Rev. F. Stuart Kinley, pastor of the Western Baptist church, R. I., has accepted a call to the Windsor Baptist church. He will begin his pastorate November 1st. Mr. Kinley is a graduate of Acadia and a Nova Scotian. He was a visitor to Wolfville this past summer and preached in the Baptist church.

Mrs. (Prof) Kirkpatrick, of Kingston, Ont., is visiting Wolfville, her old home.

Mrs. Nalder has recently been the guest of her former Windsor friend, Mrs. Rachel deW. Archibald.

Editor F. E. Cox of The Outlook, Middleton, left last week on a vacation trip to Tacoma, Washington, and Vancouver.

Miss Evelyn Smallman left on Tuesday for St. John en route to Boston, where she will take a course in elocution at the Leland Power School.

THE ACADIAN had a pleasant call yesterday from Rev. R. Os-good Morae, who is making a brief visit to old friends in Wolfville. He is now settled on Grand Mannan.

Mrs. George Webster, who recently sold her property here, left on Saturday last for Boston and will make her future home at Farmington, Mass. Mrs. Webster was one of our oldest residents and many friends here will follow her to her new home with best wishes.

THE ACADIAN had a pleasant call on Tuesday from Mr. Samuel Davidson, of Lincoln, Mass., who is visiting relatives and old friends in this vicinity. Mr. Davidson spent his boyhood in Wolfville and left here over forty years ago. He is much impressed with the improvements made in Wolfville and finds the town has grown almost beyond recognition.

The New York Light Opera Singers, who appeared at the Opera House on Thursday evening of last week, under the direction of the Give Service Girls, presented a lively and entertaining program which was greatly enjoyed by a good audience. Those who failed to attend missed a treat. The company consisted of three charming young ladies and a humorist, Mr. Lockhart, and their program was bright, catchy and witty, and was interspersed with delightful solos and trios. They were indeed artists.

LOST.—Scotch Plaid Rug, on Prospect street, about August 1st. Will finder please return to or notify F. C. Bishop.

**When buying a WATCH**

The first thing to consider is the works. You want a dependable time-piece, one that will last you a life-time. You want one that can be repaired and parts replaced in case of mishaps.

The WALTHAM will stand every test. Come in and see us and we will explain the merits of Waltham watches more fully.

**G. W. V. A.**

The G. W. V. A. held a very successful meeting on Friday evening last. A large amount of business was transacted and much progress made towards getting the association firmly on its feet. Mr. J. W. Williams was appointed first vice president. The membership up to date numbers 60 and hopes are entertained for a large increase shortly. Any veteran wishing to make application for membership should communicate with the secretary or any of the members who will gladly forward the application. There will be a member in the Club Room each night to take charge of such matters.

The Club Rooms were opened over the Acadian office on Wednesday evening and will until more definite arrangements are completed, be opened to members from 6.30 to 11.30 p. m. week days. The rooms at present are composed of a lounge room, fitted for reading and writing; a room fitted with small tables for games, etc.; an office and canteen. It is expected, as soon as the prosperity of the Association warrants it to open a fourth room for billiards. The Association is grateful for a fine mouse head from Mr. Starr Fullerton, also curtain from C. H. Porter.

Second hand, up to date magazines will be appreciated if left at THE ACADIAN office, for use in the reading room.

Owing to the high price of apple barrels throughout the province a number of growers have started to import them from Ontario. It is said they can be landed in the valley cheaper than the local product.

# TORTURED BY RHEUMATISM

"FRUIT-A-TIVES" Brought Quick Permanent Relief

MR. P. H. MCHUGH

108 Church Street, Montreal.  
December 10th, 1917.  
"I was a great sufferer from Rheumatism for over 10 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use 'Fruit-a-tives'; and in 15 days, the pain was gone and the Rheumatism was better. Gradually, 'Fruit-a-tives' overcame my Rheumatism and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-tives' relieved me of those complaints; and gave me a good appetite; and in every way restored me to health."  
P. H. MCHUGH, Esq., a box, for \$2.50, trial size 50c. At dealers or sent post paid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.

## W. C. T. U. Notes.

### Danger.

A very interesting visitor from overseas at the world's gathering in Toronto, was Dr. C. W. Saleby, the eminent English sociologist and eugenicist.  
In the course of his address in Massey Hall and to the Toronto press, he said, in part:  
"Drunkenness is the least of the evils of alcoholism, and he explained that he spoke as a medical man. 'Alcoholism leads to venereal diseases, those twin evils about which doctors have been shamefully silent too long, he asserted.  
"Is alcohol in any way necessary?" he asked, in reference to the doctor's special mission to Toronto.  
"Not at all—except for industrial purposes. It has been invaluable during the war as a great source of energy. It is nothing but injurious to man, either in small or large doses. No animal drinks it—the whale, the tiger, the eagle.  
"What is the effect of alcohol upon the race?"  
"It is a racial poison," replied the doctor; "lead poison is another. Its effect is seen in stunted offspring, rickets, tuberculosis and other diseases.  
"But are not the Germans a virile race, yet they are great drinkers?"  
"This question roused the doctor. 'Do you know there was more infant mortality in Germany than in any other country. Tubercular rate is higher. No, the Germans are not a physically healthy race. If you want physique go to the Dominion tropics. You should have seen them when they marched through the streets of London—they stood out as men of true physique. That is because they got plenty of good milk and wholesome food.  
"Is prohibition possible in Britain?"  
"We have a long way to go," replied the doctor, with a far-away look. "You see, labor is hostile. They think it is a trick of the capitalists to get more work out of them. The fact is the other way, for alcohol has been used to keep them subdued and contented with their conditions; it is an industrial narcotic. There could be nothing more beneficial to the working man than prohibition. If it were brought about in some of the factory districts in the Midlands they wouldn't know they were in the same world."

## THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which led to my weak condition. I was so worried about it that I could not sleep. I heard so much about Lydia E. Pinkham's Vegetable Compound that I bought a box and tried it. I took it for a week and felt a little better. I kept it up for three months, and feel fine and can eat anything now without distress or nervousness."—Mrs. J. WOODMAN, 1942 North Taylor St., Philadelphia, Pa.

The majority of mothers nowadays, however, there are so many demands upon their time and strength, the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Woodman.

Minard's Liniment Cures Burns, Etc.

## Notes and Comments

The railways of Canada will go back to the old time on Oct. 27th. King Albert of Belgium, Queen Elizabeth and Prince Leopold arrived at New York on Oct. 2nd.

The French Chambers of Deputies on Oct. 2nd ratified the peace treaty with Germany by a vote of 372 to 53.

Canada is at present paying war pensions to nearly 90,000 individuals, at an annual cost of over \$24,000,000.

Glasgow cleansing department has made over 89,000 pounds during the past 20 years from the sale of old tins, waste paper, scrap iron, etc., sent to the city's refuse destructor.

Owing to the high rate of exchange in New York, the Dominion Postoffice Department has issued instructions that no further postal notes whatever will be sold for remittance to the United States.

Capt. Bertram Hayes, commander of the troopship Olympic, which carried many thousands of Canadian soldiers to and from the war zone, has received the Knight-hood Order of St. Michael and St. George.

Canton, S. D., has an Old Clothes Club, the members of which are pledged to wear old clothing, to reduce the cost of living. The official badge of the club is a patch, which must be worn in a conspicuous place. Any member may wear several patches, if he wishes.

A laundryman laughed when he saw a Philadelphia society girl wearing a most individual frock, rather uniquely embroidered in Chinese motifs. "I wonder," he said, "if she knows that the trimming on her gown spells 'Good morning.' I live with my mother-in-law. Good night!"

The days of the bugbear numbered as a result of the discovery that poison gas intended for use against the Germans can be utilized to kill vermin, according to Professor Roux, director of Pasteur Institute. It is suggested that the gas or chemicals that form the gas can be sprayed into a closed room and left to asphyxiate the bugs.

Steamer men along the Maumee river in Ohio say that they are having trouble running their boats because of great schools of gold fish. Paddle wheels of side-wheel steamers, river men say, throw up bushes of the little fish at every revolution. Sun striking on the red gold of the fish made persons ashore think one boat was on fire and an alarm was turned in to the Fire Department.

Cigarette smoking among London women is now being varied by the occasional sight of a woman in a restaurant, smoking a cigar. Another development of smoking by women is street smoking and frequently one may see a girl at the lunch hour in the city sauntering along enjoying her cigarette, while during the evening young women may often be seen in the West End streets smoking.

Rumors are current that Princess Marie, the beautiful daughter of the King and Queen of Roumania, may become the bride of the Prince of Wales. Princess Marie is nearing her twentieth birthday. She is thoroughly English in her tastes, fond of English literature, games and social life, and during her recent visit to London with her mother became very popular with the English court and society.

The average Canadian citizen, probably, finds himself divided in mind between love and duty in regard to the proposed grant to our brave soldiers; between love for the lads who did so much for the country; and the duty which we all owe, and must discharge, to our common country. The war is over, but its worst effects, so far as good or bad times are concerned, are yet to come. The proposal to add eight hundred millions to the national debt at this time is a very serious matter; and raises financial difficulties of which little conception has been shown by speakers and writers who have supported the demand. For our part we see no objection to the demand for an investigation of the whole question; and we hope it will be made. But to grant, off-hand, in our present financial position, \$2,000, \$1,500 and \$1,000 to every man who was at the front, overseas, or on service at home, is not to be thought of. We conceive that it becomes the duty of those who propose this huge expenditure, to justify it not only on grounds of gratitude which is easy, but also on grounds of good and wise financial government of the nation, which may not be so easy. If they are prepared to do this before an investigating commission, we should like to see the chance given them.

## It Helps Others Will Help Me

With This Belief Many Thousands Have Learned the Exceptional Value of Dr. Chase's Nerve Food.

You hear people talking about Dr. Chase's Nerve Food. You read about it in the newspapers. You wonder if it would benefit you. And while you are hesitating others are using it to great advantage.

This treatment for the restoration of the blood and nerves is so different to most medicines that you may not realize why you can be so certain of benefit from its use. In order to maintain the vigor of the nervous system an abundance of pure, rich blood is necessary. When the nervous system becomes exhausted and you are easily tired and suffer from headaches, sleeplessness, irritability or indigestion, it is because the blood is failing to supply proper nutrition to the nervous system.

By forming new, rich blood, Dr. Chase's Nerve Food naturally and certainly restores the vigor of the nerves. Since it cannot fail to be of benefit, and there is no reason why it will not help you just as it has helped thousands of others, you may be sure of its value.

Mrs. Stephen J. Thomas, Box 206, Jordan, Ont., writes: "For about a year I was troubled with nervousness, and took many medicines, but it did not seem to relieve me. I could not sleep nor content myself to do anything. I had severe headaches, was tired all the time, and afraid to stay alone. I also tried several nerve medicines until almost discouraged. At last I discovered Dr. Chase's Nerve Food, and found relief in this. I had only taken one box when I began to feel better. I continued using this treatment until my nerves were restored to perfect health. I think the Nerve Food splendid for nervous troubles of any kind, and cannot recommend it too highly."  
(Rev. S. P. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thomas' statements are correct.")  
Dr. Chase's Nerve Food, 25 cents a box, a full treatment 6 boxes for \$2.75, at all dealers, or Edmanston, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

A most extraordinary naval surgical operation has been performed by naval engineers at Chatham, England. During the war the British ship Zulu was torpedoed in her bow by a U-boat. At the same time another British ship the Nubian, was torpedoed in the stern by another submarine. These two boats were placed in the dry docks at Chatham and the engineers decided to make one whole ship out of two damaged ones. This there has been launched the Zuban a combination in name and fact of the Zulu and the Nubian.

## Where Mexico Leads Nova Scotia.

In order that a scientific knowledge of reforestation and the protection of existing forests of the country may be obtained, the Mexican Government has established a National Forestry School at Coyacan Federal District. The course of instruction will cover a period of three years. The students came from nearly all the states and the school was opened on March 1 with a large attendance. The forest areas of Mexico are very large, but up to this time no scientific regulations or knowledge have been applied to the cutting of timber. The government plans to reforest the more barren sections of the country as rapidly as the work can be carried on.

A despatch from Winnipeg dated Sept. 5th, says that the Great War Veterans Association is considering the organization of a chain of co-operative stores in Manitoba under the management of a Veterans Co-operative Store Company. If the scheme is carried out it will mean the establishment of 100 stores in Manitoba. It is planned to make Winnipeg the clearing centre for all the outlying branches, with a system of co-operative purchasing, selling and exchange in all commodities, including beef, pork, dairy and farm produce, general groceries and clothing. Funds are to be secured by the sale of shares, the total capital to be pooled and profits divided. The association is considering the appointment of a managing director to place in charge of the scheme. This is good news, and very encouraging to those who have long been advocating co-operative action in business.

Bear Island, Aug. 26, 1918.  
Dear Sirs,—Your traveler is here today and we are getting a large quantity of your MINARD'S LINIMENT. We find it the best Liniment on the market making no exception. We have been in business 13 years and have handled all kinds, but have dropped them all but yours; that sells itself, the others have to be pushed to get rid of.  
W. A. HAGERMAN.

## \$30,000.00 Farm At Blomidon.

One of the largest farm properties to change hands in the Annapolis Valley so far this season has recently been sold to Major F. R. Henshaw, of Halifax, by the Valley Real Estate Agency of Wolfville.

The property which comprises over five hundred acres is made up of three farms formerly owned by Mr. N. W. Eaton, Mr. J. D. Bennett, and the J. A. Doyle Estate, respectively.

Mr. Henshaw, who made the sale, says that if he can't sell a farm as it stands he either splits it up or else gets some more to go with it.

The former report that a Montreal Syndicate had obtained options on these properties was incorrect. Mr. Henshaw had all three places regularly listed.

## To Prevent Unemployment.

Next year will be well advanced before Canada's main expenditures for war, can be completed. Every dollar that can be raised for the Victory Loan 1919 will be required.

Although hostilities ceased in 1918 the war expenses went on.

This is just as much a war year as last year was, as far as the money is concerned. Pressing liabilities incurred by the war and involving vast sums of money have to be cared for. The simplest and most profitable manner in which this can be done is for the people to provide the money themselves.

## Moncton Has Built 30 Houses Under Housing Scheme.

Any doubts of the practicality of the housing scheme might well be set at rest by reports from Moncton which has not only adopted the scheme, but has already built thirty houses under the new plan, and found the idea a highly satisfactory one. The town approved of the theory and worked it out with excellent results and they are now loud in praise of the housing scheme. Moncton is to be congratulated upon its energy and progressiveness.

## Wedding Anniversaries.

Following is the list of wedding anniversary days, generally observed throughout the civilized world:  
1st, Cotton.  
2nd, Paper.  
3rd, Leather.  
4th, Fruit and Flowers.  
5th, Wooden.  
6th, Sugar.  
7th, Woolen.  
8th, India Rubber.  
9th, Willow.  
10th, Tin.  
11th, Steel.  
12th, Silk and fine linen.  
13th, Lace.  
14th, Ivory.  
15th, Crystal.  
20th, China.  
25th, Silver.  
30th, Pearl.  
40th, Ruby.  
50th, Golden.  
60th, Diamond.  
Some authorities call the 75th anniversary the diamond wedding, but it is preferable, in Canada at least, to apply it to the 60th anniversary, which some married couples here live to celebrate. One would probably have to go to Bulgaria to find a couple who lived long enough to celebrate the 75th anniversary of their wedding.

## Dreaded Influenza

MEDICAL MEN BELIEVE IT WILL AGAIN VISIT CANADA THIS AUTUMN AND WINTER

There is a widespread belief among medical men that the epidemic of the grippe, or influenza, which swept over the world last year will again appear in Canada during the autumn and coming winter. This dangerous trouble spares neither age nor sex, but it naturally finds its easiest victims among those who are run down in health or whose blood is weak and watery, and it is among the latter class in which the greatest number of fatalities occur. The surest way to prevent an attack of this dreaded trouble is to keep the blood rich and pure, and the safest and best way to do this is through the use of Dr. Williams' Pink Pills.

No reasonable precaution to avert an attack of influenza or the grippe should be spared. The disease itself is deadly, but its after-effects, among those who are spared, make the life of the victim one of constant misery. Ask almost any of those who have been attacked by influenza what their present condition of health is and most of them will answer, 'since I had the influenza I have never been fully well.' This trouble leaves behind it a persistent weakness of the limbs, shortness of breath, bad digestion, palpitation of the heart, and a tired feeling after even slight exertion. This is due to the thin-bloodedness in which the grippe almost always leaves its victims after the fever and influenza have subsided. They are at the mercy of relapses and complications, often very serious.

This condition will continue until the blood is built up again, and for the purpose of building up the blood and strengthening the nerves nothing can equal a fair treatment with Dr. Williams' Pink Pills. From first to last these pills make new, rich blood, which reaches every organ and nerve in the body. Thus the lingering germs are driven out, and the weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

But better still, you can put yourself in a condition to resist an attack of influenza by enriching the blood through the use of Dr. Williams' Pink Pills, and this, it seems, is the sensible thing to do at once.

Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail at 50 cents a box, or six boxes for \$4.50, by The Dr. Williams' Medicine Co., Brockville, Ont.

Pointed Paragraphs.  
Just the same, some homely people are awfully thick skinned. There are times when a rounder finds it difficult to square himself. The average man believes in future punishment—for his neighbor.

## SUMMER COLDS

Many have their worst colds during the warm months. A very little of Scott's Emulsion after meals, puts that quality into the blood that helps thwart that ravenous condition that is so depressing. Build up your vitality—try Scott's.

If people had to think twice before acting lots of actors wouldn't get a chance to act.

Our idea of a smart salesman is one who can sell a fountain pen to a man who can't write.

A girl never likes to see a young man she admires squander his money on another girl.

A girl is never satisfied until the right man comes along and says the right thing at the right time.

## Winter Protection of Plants.

(Experimental Farm Note)

Alternate freezing and thawing may be the cause of plants winterkilling, or the winterkilling may result from continued cold drying out the wood. This latter killing is noticeable in the case of raspberries and roses. The more mature the canes or wood the less the liability to injury. Conditions favourable for late fall growth may produce wood that will lessen the injury due to a low temperature. To protect raspberry canes they are bent over along the row and covered with soil. Care is necessary not to break the canes. The canes are bent over and the tips covered and soil filled under; parts that do not touch the ground mounding up until the whole plant is covered. This covering is removed gradually early in the spring. Climbing roses may be taken down and covered as indicated for raspberries, and the bush roses mounded up one shaped to a depth of eight to ten inches around the plant. The branches above this may be killed but the necessary buds will be kept alive below the covering and all the dead branches can be cut out to good buds the next spring. Over this mound around the rose plants a mulch of three or four inches of straw manure should be placed. This should be done just before continuing cold weather sets in, and removed as soon as the sap begins to flow in the spring. In mounding avoid leaving deep holes for water to lodge in near the roots of the plants.

Perennials are better of a light mulch about two inches deep. However, care should be exercised in not making it too deep to cause rotting of the crown. This is particularly liable to happen with the biennials such as digitalis or foxglove, campanula, pansies, sweet william and hollyhock, for which a light covering of straw just sufficient so that the plants can be seen through the straw is what we find the best, or just sufficient to prevent excessive freezing and thawing but not enough to hold the crown wet during a continued mild spell.

W. S. BLAIR, Superintendent, Experimental Station, Kentville, N. S.

## The Food Profiteer.

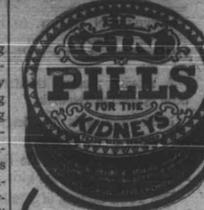

Just consider the value of these food-profiteers to the country which has the misfortune to own them as citizens. What is their worth to us? Have they any love of country? Certainly not when money is in question. Have they any human sympathies for their fellow men? Apparently none which will hold them back from running their two hands through poorly furnished pockets. The thing to do with these men is to put them in jail; to mark them as social outcasts; to seize their excess profits, and to go as far as possible to prevent them from again exercising their predatory instincts.

There is no cruelty like the cruelty of the greedy, German crimes in the war were done in passion, in hot blood, or as a part of a system which had at least some sort of shadow of an excuse in fighting for their country; but the cruelty of the greedy profiteer has no shadow of excuse or extension of any sort whatever. Mean contemptible greed; an itching desire to lay one banknote on another, a sordid love of gain that is not needed these are causes and the motives of profiteering excesses.

## CASTORIA

For Infants and Children In Use For Over 30 Years

Movers in New York are charging from \$10 to \$20 an hour for every van they use; so that it often costs \$100 to move the furniture of a modest three or four room apartment, even for a short distance.

## Help the Kidneys in Time

As soon as that warning backache comes, get a box of CinDills, which will promptly put matters right. Begin to urinate. It may result in an operation. Now is the time to help the kidneys to keep strong. CinDills relieve pain and congestion like magic to the kidneys. CinDills are sold at \$2.50 a box with money-back guarantee. Send for free sample.

There is something wrong with the woman who says there isn't a spark of jealousy in her makeup.

## Children Cry FOR FLETCHER'S CASTORIA

Belgium is in need of cats. The necessity is urgent, says the 'National', which adds that 'during the war we had no cats, but we had no mice, either. They had all died of hunger. Now that food is more plentiful the mice have reappeared in thousands. Unhappily the same cannot be said of cats. The result is that a dollar is being paid for a mere atom of a kitten.'

## The Best Health Insurance

Men exposed to the elements forget the damp, piercing chill of the salt sea air when clad in ATLANTIC Underwear.

All men whose work exposes them to extremes of temperature should wear this heavy, comfortable underwear. Its extra heavy weave keeps out the cold, cutting winter winds and yet it neither binds nor bunches, but allows full freedom of movement.

Sold in five different weights and qualities. Our lower-priced lines are not equal to the more expensive ones, but each is guaranteed to be the best value of its class. Compare them with others of like price and see for yourself.
