Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below

L'Institut a microfilmé le meilleur qu'il lui a été possible de se procurer de cet exemplaire qui sont peut-être de ce point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent nécessiter une modification dans la méthode normale de filmage, sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks
to the generosity of:

Library of Congress
Photoduplication Service

The images appearing here are the best quality
possible considering the condition and legibility
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed paper covers are filmed
beginning with the front cover and ending on
the last page with a printed or illustrated impres-
sion, or the back cover when appropriate. All
other original copies are filmed beginning on the
first page with a printed or illustrated impres-
sion, and ending on the last page with a printed
or illustrated impression.

Maps, plates, charts, etc., may be filmed at
different reduction ratios. Those too large to be
entirely included in one exposure are filmed
beginning in the upper left hand corner, left to
right and top to bottom, as many frames as
required. The following diagrams illustrate the
method.

L'exemplaire filmé fut reproduit grâce à la
générosité de:

Library of Congress
Photoduplication Service

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filming.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode

By the Honourable

COL FRANCIS NICHOLSON, and Col. SAMUEL VETCH

A PROCLAMATION

WHREAS Her Majesty hath been pleased to Intrust ~~us~~ Her Royal Commands and Instructions to the Honours of Her several Provinces upon the Continent of America, who are to furnish their respective Contributions towards the present Expedition, which Her Majesty hath fitted out with so great Care and Expence, for the Relief and Safety of Her Good Subjects upon the said North Continent of America; and that it is a Time when both Men and Money are so much wanted in Her several Armies in Europe; and that there might be no ground, either from the Surmises of Her Enemies, or the Doubts of Her Subjects, to Suggest any thing that might cast a shadow for a scruple, or hinder Her Loyal Subjects from joining Unanimously and Cordially in such and such Expedition, Her Majesty hath Intended wholly for the Safety of Her Subjects upon the North Continent of America.

WE do therefore in Her Majesty's Name, Assure all such as shall go upon the said Expedition, that as they shall be under the Command of their own proper Officers during the said Expedition; so as soon as it is over, they shall all Return to their respective Homes. And further as a particular mark of Her Majesty's Favour, She hath sent to all such of Her Subjects as shall Go as Volunteers on the said Expedition: She hath sent over by the said Ship, a Pocket-lock, Cartouch-box, Flints and Ammunition, to be delivered to every man, as soon as he shall Enlist for the said Expedition, to be his own for ever thereafter; And that Her Majesty will moreover put distinguishing Marks of Her Favour on the Gentlemen and others, who shall go as Volunteers.

Lastly, To Confirm all Her Majesty's Favours to Her Subjects in these Parts, She hath Impowred us, by Letters under Her Royal Signature, to Assure all Her several Colony's, who shall Contribute towards the Reduction of which the present Expedition is designed; that when it shall please God by the Success of Her Majesty's Arms to Her Subjection and Obedience, which Great Work seems by Heaven to be Reserved to be done by Her Majesty in all the Wondrous Actions of Her Glorious Reign; all those Persons and Provinces, who shall have been the first in the Reduction of the same, that they shall have a preference, both with regard to the Soil and Trade, before all other Her Majesty's Subjects whatsoever; and when they shall Form any Reasonable Request, for Securing the Trade of the said Country to their respective Colony's, Her Majesty shall

Blank leaves added during restoration may appear within the text. Whenever possible, these have been omitted from filming.

Il se peut que certaines pages blanches ajoutées lors d'une restauration apparaissent dans le texte, mais, lorsque cela était possible, ces pages n'ont pas été filmées.

Pages wholly or partially obscured by slips, tissues, etc., have been filmed as they appear in order to ensure the best possible image. Les pages totalement ou partiellement obscurcies par un feuillet d'écrit, etc., ont été filmées à nouveau afin d'obtenir la meilleure image possible.

Additional comments / Commentaires supplémentaires

This item is filmed at the reduction ratio checked below/
Ce document est filmé au taux de réduction indiqué ci-dessous.

A horizontal number line with 15 equal segments. The top labels are 10X, 14X, 18X, 22X, and 26X. The bottom labels are 12X, 16X, 20X, 24X, and 28X. The 10th segment from the left is shaded gray.
