FIFTY YEARS OF FAITHFUL SERVICE

Rev. Dr. MacLaren Presented With Casket of Silverware and Address.

The ceremonies attendant upon the fiftieth anniversary of the ordination of Rev. Dr. MacLaren of Knox College were begun in the Bloor-street Presbyterian Church last evening. The ladies of the congregation provided a bountiful supper, which was partaken of in the basement of the church, an informal program of music and short speeches being also carried out. With the pastor, Rev. Mr. Wallace, in the chair. Afterwards the gathering adjourned to the auditorium, where the Rev. W. C. Clark of Brampton, Moderator of the General Assembly, presided. The guest of the evening sat on his right, and the Hon. W. Mortimer, citizen and anti-governor, was on the platform with Prof. Ballantyne and others.

Dr. MacLaren was presented with four illuminated addresses, the first from his first church, the Amherstburg Presbyterian Church. Rev. R. C. Tibb, clerk of the Toronto Presbytery, read the congratulations of that body. Rev. J. M. D. Duncan, president of the Knox Alumni Association, presented the regards of the men who had learned their theology at the professor's feet, and Prof. Ballantyne, on behalf of the Senate and College Board, read an address dwelling on their cordial relations with and high appreciation of their fellow worker.

Rev. Dr. Milligan then spoke on behalf of the Toronto Presbytery and the Board of Foreign Missions, and His Honor the Lieutenant Governor, also chairman of the Board of Knox College. Both gentlemen had enjoyed intimate relationships with Dr. MacLaren and spoke of his fidelity, frankness, reasonableness and sincerity.

Prof. Wallace of Victoria University spoke on behalf of sister churches and colleges and paid a great tribute to the Presbyterian Church for its history and its progress. He asserted Dr. MacLaren's respect and love of the Methodist denomination.

The most affecting scene was the presentation by John L. Blakey, on behalf of the congregation, of a beautiful casket of silverware. Mr. Blakey spoke of Dr. MacLaren's services, as well as those of Mrs. MacLaren, to their church in many capacities, to the church and of its founders and being still active as an elder at the present time. Prof. MacLaren's reply was given in a touching tone, as the presentation was evidently an entire surprise. He modestly went over his connection with the church and the college and hoped he had earned a title of the good things that he had heard during the evening. His first feeling was one of humiliation that he had done so little in fifty years of service, but he also felt a profound thanksgiving that he had been so long connected with his thirty years in Knox, he had seen 225 students graduate, and there had been an increase in each decade.

The meeting closed with a hymn of praise.

WATERFRONT

Cool, clear weather yesterday followed the blow of the last few days. The fact that summer is almost here is pointed to by the transference of the sick children from the Victoria Hospital to the Lakeside Home at the Island. About 120 children were moved, being taken over on a barge in tow of the ferry Ada Alice. As a rule, this migration does not take place till about the end of the first week in June.

General Manager Gildersleeve and Mechanical Superintendent Captain Johnson of the R. & O. are in town, making a final inspection of the Toronto before she starts on her trips on Monday next.

Steamer White Star started on her daily trips yesterday at 5 p.m. and will make one trip daily till June 6.

Steamer Ocean leaves here at 2.30 to-day for Montreal.

Steamer Advance tied up at Sylvester's yard yesterday and had her mast shifted a little forward. She cleared last night for Fort William and Port Arthur.

Russ and Brook's drifter has departed for Argoport, going by rail.

It will be three weeks before the Clifton is out of the hands of the repairers. She is being thoroughly overhauled.

Schooner Beulah Hunt cleared last night for Fairhaven for coal for Cleveland.

The Harbor Commissioners' dredge is busy dredging out Church-street slip. The Harbor-master says that nothing definite has appeared with regard to the parties wanting to get control of Queen's Wharf for coal yard purposes. No speculation, this official says, has as yet been made for the property.

Waterfront. (Continued from page 12)

As a part of the formal entertainment which will be given here by the Indians will show their various dances on elevated platforms. There will be canoe races, swimming races, and tilting matches. At the last game, the Indians are the world's champions, and the champion of the world in this picturesque water tournament, Shawanaw, will be among the challengers.

It is expected that the flotilla of brightly colored canoes which will float down the lake will be one of the most picturesque sights which Chicago has had the opportunity to view.

On the night of the 29th, the Indians who do not take part in the performance will make a variety of articles usually offered for sale by the tribes. These will include mats, porcupine quills, canoes, baskets, etc. The many tribal and religious customs of the Indians will be fully illustrated at the village.

Many of the Indians have been approached on the subject of making the canoe trip to Chicago, and have expressed themselves as anxious to have a part in the celebration. The story of the trading post and of the fort is well-known to many of the older Indians, whose fathers were among the hunters and trappers who came to Fort Dearborn for their supplies.

A part of the original Fort Dearborn will be used in the reconstruction. The South Park Commissioners have in storage a large section of the old block-house, which stood at 23rd and State streets for many years, having been taken there from its original site, where Henry E. Weaver saw this part of the destruction and presented it to the Commissioners.

BANQUET TO LORD DUNDONALD. Col. Otter, C.B., and the officers of the Toronto Garrison, gave a dinner last night in honor of Lord Dundonald, General Officer Commanding the Canadian Militia, at McConkey's. His Excellency the Governor-General was also a guest. All the city regiments were largely represented among the officers present.

Lord Dundonald, in a short speech, made slight reference to criticisms passed upon him of encouraging militarism in this country. Nothing was said from his intentions, he said. What he desired was to improve the militia of Canada, and his experience and instruction of the regular force so that proper facilities for instruction would be forthcoming for the use of the volunteer army service.

Both the General's speech and the few brief remarks of Lord Minto were very well received. The dinner proper was over by 10.30, but an enjoyable time was spent in songs and conversation for some time after.

LOCAL BREVITIES. The pulpit of Elm-street Methodist Church will be occupied to-morrow by a courtesy delegate and at 7 p.m. by the pastor. At the latter service an address will be delivered by the Rev. J. W. T. Fairweather, who will be in charge of the musical program. The annual meeting of the Ontario-Huron Society will be held at the Hotel Toronto on June 3 and 4. The train leaving Toronto at 10.15 a.m. on June 3 will be the last of the season. It is anticipated that the attendance will be large. Those going to the meeting should see for themselves the extent of the departure to enable them to reduce fare. The famous Scotch-made carriage will be visited.

The Simpson-avenue Methodist Church to-morrow will be occupied in the morning by the Sunday representative to the conference and in the evening by the Rev. J. W. T. Fairweather, who will be the representative of the Ontario-Huron Society.

This Is Hard Lines. New York, May 29.—The death of her husband and her penniless condition led Mrs. Christie Gaveling, a young French woman, to kill herself today by inhaling illuminating gas. The sad case came to this country several years ago, leaving a child in Paris. A month ago, the husband, having saved enough, sent his wife for the little one. When she reached France she got a cablegram that her husband was ill. She returned without the child, only to learn her husband had died. The woman had sold all her furniture save a couch, on which her body laid.

C.P.R. INDIAN CARNIVAL.

Canadian Enterprise Responsible for Unique Chicago Display.

By the early part of September there will be heading for Chicago a fleet of Indian canoes. They will coast down the west shore of Lake Michigan and land near the mouth of the Chicago River, just as their ancestors did a hundred years ago.

From a half-dozen different tribes, hunters and traders will come to Chicago and seek Fort Dearborn for supplies. The fort is to be reconstructed, and the Indians are to be received as their forefathers were when the fort was a trading post.

The tribes represented will be the Ojibways, Potawatomies, Algonquins, Ottawas and Menomies. The plan to have this Indian display was proposed for the celebration of the Chicago Centennial this fall, by L. O. Armstrong of the Canadian Pacific Railway.

He proposes to bring 400 Indians, whose ancestors traded at Fort Dearborn a hundred years ago, back to the site of the old fort, and have them re-enact the scenes of the older days, exactly as they were. It is possible to have them encamped on the lake front, if possible, and to give daily exhibitions.

Upon their arrival in their bark canoes, they will pitch camp and trade supplies with the post traders at Fort Dearborn. They will cook their meals at open campfires, and show exactly how the trading Indians used to live about the fort.

As a part of the formal entertainment which will be given here by the Indians will show their various dances on elevated platforms. There will be canoe races, swimming races, and tilting matches. At the last game, the Indians are the world's champions, and the champion of the world in this picturesque water tournament, Shawanaw, will be among the challengers.

It is expected that the flotilla of brightly colored canoes which will float down the lake will be one of the most picturesque sights which Chicago has had the opportunity to view.

On the night of the 29th, the Indians who do not take part in the performance will make a variety of articles usually offered for sale by the tribes. These will include mats, porcupine quills, canoes, baskets, etc. The many tribal and religious customs of the Indians will be fully illustrated at the village.

Many of the Indians have been approached on the subject of making the canoe trip to Chicago, and have expressed themselves as anxious to have a part in the celebration. The story of the trading post and of the fort is well-known to many of the older Indians, whose fathers were among the hunters and trappers who came to Fort Dearborn for their supplies.

A part of the original Fort Dearborn will be used in the reconstruction. The South Park Commissioners have in storage a large section of the old block-house, which stood at 23rd and State streets for many years, having been taken there from its original site, where Henry E. Weaver saw this part of the destruction and presented it to the Commissioners.

BANQUET TO LORD DUNDONALD. Col. Otter, C.B., and the officers of the Toronto Garrison, gave a dinner last night in honor of Lord Dundonald, General Officer Commanding the Canadian Militia, at McConkey's. His Excellency the Governor-General was also a guest. All the city regiments were largely represented among the officers present.

Lord Dundonald, in a short speech, made slight reference to criticisms passed upon him of encouraging militarism in this country. Nothing was said from his intentions, he said. What he desired was to improve the militia of Canada, and his experience and instruction of the regular force so that proper facilities for instruction would be forthcoming for the use of the volunteer army service.

Both the General's speech and the few brief remarks of Lord Minto were very well received. The dinner proper was over by 10.30, but an enjoyable time was spent in songs and conversation for some time after.

LOCAL BREVITIES. The pulpit of Elm-street Methodist Church will be occupied to-morrow by a courtesy delegate and at 7 p.m. by the pastor. At the latter service an address will be delivered by the Rev. J. W. T. Fairweather, who will be in charge of the musical program. The annual meeting of the Ontario-Huron Society will be held at the Hotel Toronto on June 3 and 4. The train leaving Toronto at 10.15 a.m. on June 3 will be the last of the season. It is anticipated that the attendance will be large. Those going to the meeting should see for themselves the extent of the departure to enable them to reduce fare. The famous Scotch-made carriage will be visited.

The Simpson-avenue Methodist Church to-morrow will be occupied in the morning by the Sunday representative to the conference and in the evening by the Rev. J. W. T. Fairweather, who will be the representative of the Ontario-Huron Society.

This Is Hard Lines. New York, May 29.—The death of her husband and her penniless condition led Mrs. Christie Gaveling, a young French woman, to kill herself today by inhaling illuminating gas. The sad case came to this country several years ago, leaving a child in Paris. A month ago, the husband, having saved enough, sent his wife for the little one. When she reached France she got a cablegram that her husband was ill. She returned without the child, only to learn her husband had died. The woman had sold all her furniture save a couch, on which her body laid.

His comrades in the Veterans and other military organizations are requested to attend at Bolton's undertaking rooms, 493 West Queen-street, on Monday, at 2 p.m. Interment will take place at St. John's Cemetery, Norway.
