BYE-LAWS
OF THE
INCORPORATED
DIOCESAN CHURCH SOCIETY.

1st. At all the meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-Laws, nor any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect, notwithstanding such dissent.

4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and the Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as here-

after provided; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.

- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

15th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

PRAYERS

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES,"
BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honor and glory. Prosper with Thy blessings the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all, for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ: to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; Thy Kingdom come; Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive those that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

IN accordance with the wish of the Society, expressed at the last General Meeting, the Executive Committee again publish their Report as soon as possible after receiving the returns from the Local Committees. The earlier issue of the Report has been found to afford the clergy greater facility in making the collections at the season of the year best suited to their respective parishes; and it ought to remove every excuse for irregularity in sending in the returns. The Executive Committee request the attention of the country clergy to the necessity of forwarding their lists of subscribers before the end of March in each year. Several lists have been omitted from the present Report in consequence of their not being received in time for publication.

The Executive Committee learn with regret that the payments to the Church Endowment Fund are often given as a reason for lessening or withdrawing, the subscriptions to this Society, and they would earnestly beg every churchman to consider that that fund is not intended in any way to interfere with the support of the Diocesan Church Society; and also to remember that the good work which this Society is now doing in the Diocese will be much hindered if the usual contributions of its members are devoted to any other object.

The Executive Committee desire to express their sense of the loss which our Church and this Society have sustained, by the recent death of three from among the number of the Clergy,* and to express their sympathy with those who mourn their bereavement of personal friends and relatives.

Two of them had worked for many years in their sacred duty, and we trust their labor has not been in vain in the Lord. As these clergymen were in great part supported by the Government allowance, and by the S. P. G., no little difficulty will be found in providing for those who fill their places.

* The Rev. J. Shreve, D.D., Rector of Dartmouth; the Rev. J. M. Campbell, A.M., Rector of Bridgetown; the Rev. A. W. Millidge, A.M., Assistant at Bridgetown.

The grateful thanks of this Society are due to the Society for the Propagation of the Gospel, for its continued liberality to this Diocese, and particularly for the kind and considerate manner in which, when compelled to lessen its aid, it still consults the benefit of our Church.

In addition to its other acts of kindness, this venerable Society has lately granted the sum of £50 a year, for the next two years, for the support of a missionary to be employed at the gold district near Leunburg.

The influx of population at the several mining districts calls for the especial attention of our Church, and the Executive Committee regret that the means of this Society have not yet been sufficient to enable them to embrace the opportunity thus offered.

Our gratitude is also due to the Society for Promoting Christian Knowledge, for the grants which it continues to make toward the building of churches in the poorer districts.

The Executive Committee cannot congratulate the Society upon an increase of income for the past year, yet they are aware that the small deficiency is not caused by any diminution of interest or want of confidence in the Diocesan Church Society, but rather by the additional calls which have been made upon the people, and by the depression which the neighbouring war has caused in every part of the Province.

The returns from the Parishes, including the reserved fourths, have amounted to \$4,227.86, and in connection with this Society the people have also paid about \$2,000 to the missionaries, in part supported by the Diocesan Church Society.

The total receipts of the Society during the year 1861, amounted to \$7,079.66, for the following objects:

Widows and Orphans' Fund	\$1340.89
Treasurer's Reserve Fund (inst.)	46.07

WIDOWS' AND ORPHANS' FUND.

The amount received for this fund is somewhat less than in 1861, and the Committee regret to say that the deficiency is caused by the omission of the collection in many parishes, and the smaller returns from most others. Annexed is a memo. of the parishes from which collections have been received during the past year.* The income has been derived from the following sources :

Special in subscription lists	\$14.00
Donations	54.00
Premiums of Clergy	475.40
Collections in N. S.	286.69
Do. in P. E. I.	11.50
Interest and dividends.....	499.30
	\$1340.89

From the above there has been paid one pension, \$100, and the Secretary's salary, \$60. The remainder has been added to the capital and invested.

The Society will perceive that while the income from interest of the capital fund and from the premiums of the clergy both exceed the expected amount, the collections in the parishes fall short of it.

The Committee hold in trust for this object :

Owing to a recent death among the clergy another pension of \$140 must now be provided for.

BISHOPRIC ENDOWMENT FUND.

The Executive Committee have received \$312.80, to be added to the capital of this fund, and they are informed that there are subscriptions yet unpaid to the amount of about \$180. The Society hold in trust for this object securities to the amount of \$7,718, and money uninvested, \$318.23.

ENDOWMENT OF PARISHES.

The amount added to this fund (\$1219.44) has been received from the following sources: Fourths of returns, reserved by the parishes toward their own Endowment, \$704.94; special subscriptions, \$15.50; received in trust, \$60; interest on money invested, \$439.

The reserved fourths accumulate at four per cent. interest, for the benefit of the respective parishes to which they belong. Upon the money held in trust the Society has been able hitherto to pay interest to the several incumbents at the rate of five and a-half per cent.

The Society holds now for this object various securities to the amount of \$12,735.55, part of which the Committee have been enabled to invest at six, while the remainder is producing but three per cent.

The Committee have returned the following amounts, to be invested in the respective parishes toward their endowment: Truro, \$61.32; Antigonishe, \$80; Weymouth, \$123.45. They have used every precaution as to value of the property, and the security of the title, and have at the same time been careful that the money should so be invested that the proceeds can be used only for the benefit of the incumbents of the parishes. The rules by which the Committee are guided in such matters will be found in the appendix to the Report, together with the amounts in the hands of the Committee belonging to the several parishes.

The Committee have paid as interest on money held in trust, the following sums: Incumbent of Horton, \$40.70; Antigonishe, \$18.70; Aylesford, \$11.30; Digby, \$22; and Newport, \$75.

Nearly all the rural parishes devote the fourths of their remittance to this object, and are thus accumulating a small, but permanent endowment for the support of their clergy.

SUPERANNUATION FUND.

The Executive Committee have lately framed rules for the management of this fund. These they will submit to the general meeting of the Society in October next, and if approved of the fund will be considered established on the 1st of January, 1863. Meantime they request the members of the Society, and especially the clergy, to give the subject careful consideration, as one in which they and their successors are deeply interested.

As a commencement of a capital fund the Society has already received from various sources \$1500. The object is earnestly recommended to all churchmen, and it is hoped that many will be found willing to unite in raising sufficient to ensure at least three pensions of \$200 each, from the interest of the fund.

CHURCHES.

The Executive Committee think that at present the funds of the Society should be devoted rather to the support of the clergy than to the building of churches. They have therefore for some time past been obliged to withhold assistance under this head, excepting a few particular cases. They have paid during 1861 the first and second moieties of a grant to a new church at Kennetcook, \$50; and second moiety to a church at Wallace, \$20.

MISSIONARIES.

The sum of \$2,647 has been paid during the past year toward the support of clergymen. Care has been taken to stimulate and encourage the exertions of the people for the support of their own clergymen.

Nearly all the grants are made upon the condition that the people contribute an equal amount, and the payments are never made by the Committee without a certificate that the conditions have been fulfilled.

The sum thus raised to meet the grants of the Diocesan Church Society equals, during 1861, \$2020.

The Rev. W. S. Gray has removed from Sherbrooke, and now occupies the position of Assistant Missionary at Annapolis, in part supported by this Society. The vacancy at Sherbrooke has been filled by the Rev. D. S. Moore, from the Diocese of New Jersey. He has entered diligently upon his hard work among the warm-

hearted churchmen of that mission. Their attachment to their Church amid great difficulties is worthy of encouragement. Were their means proportionate to their will they would not ask assistance but grant it to others. They are now making an effort to build a parsonage, which will tend to secure the permanent residence of a clergyman among them.

The following is a memo. of the payments of the Society toward the support of the clergy :

The Executive Committee have also paid during 1861 for Books, as part of reserved fourth, to Lunenburg, \$4; and Yarmouth, \$8. To meet the expenses of the preacher of the Annual Sermon before the Society, \$20; for printing the twenty-third Report, \$170; for the use of the Temperance Hall in 1860 and 1861, \$28; Secretary's salary, \$120; and for other incidental expenses, \$41.28. * The sum of \$400, which had been voted for the support of missionaries, but not used in consequence of vacancies, the Executive Committee have thought good to reserve for that purpose. These payments left a balance in the hands of the Treasurer at the close of 1861 of \$1514.38. From this balance should be deducted, grants to missionaries not called for at the end of the year, \$717;* unpaid grants to churches, \$55; contributions through the D. C. S. for the benefit of the heathen, and sent during 1862 to the S. P. G., \$91.50; leaving a balance of \$250.88.

In concluding this account of the business entrusted to their care, the Executive Committee express their humble and hearty thanks to Almighty God, for the protection and support which he has given, and for the blessing which has attended their labors; and

Annexed are a few extracts from letters from the clergy, which may be interesting to the members of the Society :

FROM THE REV. J. FORSYTHE, GUYSBORO.

I regret that this amount is not larger, particularly as there was no collection made for the Society in 1860, owing to the parish being vacant, and since, moreover, this mission has been so much indebted to the Society :

to say nothing of what it may be in time to come, you will be pleased, however, to observe, that the amount is somewhat larger than that contributed in 1859, and it would, I can have no doubt, been still larger, had not the year (owing to the ravages of the army-worm, the low price of fish, and other cases of a like kind), proved to be of such an extremely trying nature to all classes amongst us, while it is not to be forgotten that the Congregation, besides paying off a considerable part of a debt upon the Parsonage, have been called upon to make up £20 more for my salary than was paid by it to my predecessor. Another year I hope the country people, and those upon our shores, will be able to do something for the Society; this year they have been scarcely able to maintain themselves; many on the shores being in a state of extreme want and destitution. I trust also that with the blessing of God upon all of us, both spiritually and temporarily, there will be found amongst us in coming years both greater ability, and more willing hearts; and that by increased subscription we will be able more fully to evince our gratitude to the Diocesan Church Society, to whose liberality, coupled with that of the Society for the Propagation of the Gospel not only this large and comparatively helpless mission, but so many others in the Diocese, stands so much indebted.

FROM THE REV. H. STAMER, HUBBARD'S COVE.

For the last year calls for money in this parish were very frequent; as for instance in the month of May, Widows and Orphans, £1 17s. 6d.; in the month of July, as a first instalment of a debt of £120 on the parsonage house, £10; in the month of October, premium of insurance on parsonage house, £1 10s.; in the month of January, second instalment of debt on parsonage house, £10; besides a collection every Sunday at all the churches and stations, amounting to £12, to meet the current expenses of the places. And now in the month of March, to go from house to house, collecting money, and at a time too when I know four out of five were not in possession of a dollar; however, the work had to be done, and there was no one to do it but myself, and I am in a position to say that it was neither a failure, nor was it the disagreeable task I at one time thought it would be. The people one and all were expecting me, and would consider themselves slighted if I passed their place without calling; some of them had their subscription ready to hand me, and others who were not prepared promised me to have it (if possible), within the time appointed; scarcely any were found to grumble. And now I feel very great pleasure in forwarding to the funds of the Diocesan Church Society the sum of £20 1s. 10½d.; so that for the last six months there has been collected in money in this *poor mission* for Church purposes, (not including the missionary's salary,) the sum of £55 9s. 4½d. This is perhaps one of the best proofs, that the people appreciate the means of grace, and are willing to make sacrifices to have the ordinances of religion continued among them.

FROM THE REV. J. J. HILL, NEWPORT.

The state of things here this spring is very bad, in a money point of view, owing to the complete stoppage of the plaister trade. It has caused a great deal of distress among the poorer people, and a great deal of caution in those who are better off; and as in the spring of the year the farmers think themselves poor, in expectation of their outlay on their planting and sowing, their barn and their coffers empty, I deem it wiser this year especially, to wait till the autumn, when, with the harvest in, and I hope better times, they may feel disposed to give more liberally.

FROM THE REV. W. MEEK, SYDNEY MINES.

The increased demand on the congregation in providing for the salary of the minister, and the large subscription to the Endowment Fund, with some heavy local expenses, in some degree affect the means of the congregation, but on the whole the present list from this small congregation is, I think, satisfactory.

I have much satisfaction in stating that during the seven months of my incumbency the congregation has very considerably increased, and that the number of communicants has been enlarged from five or six to thirty.

As I have been so recently in charge of this mission, I am not prepared to say more at present than that it appears to be making a steady and satisfactory progress.

FROM THE REV. T. H. WHITE, SHELBURNE.

You will perceive that our offering has increased a little. This is the more satisfactory from the fact that about \$800 has been raised for other church purposes, exclusive of the subscription for the general Endowment Fund, which, although not what we ought to have done, compares not unfavourable with other country parishes. There is one name we miss from the list of "Church Over," which has hitherto appeared there regularly from the commencement of the Diocesan Church Society. It is the name of a poor widow upwards of four score years—one who has always earned her living by the sweat of her brow, and that not only by the domestic labours of in-door life, but by the rougher and harder labour of the field. Her yearly contribution to the Diocesan Church Society was five shillings, exclusive of twenty more she gave for church purposes. Oftentimes I am sure she must have deprived herself of what are usually called necessaries of life, in order to make this pious offering. Others indeed give of their abundance, she of her penury; hers was indeed the "widow's mite." She is still alive, and when I last saw her she said to me with deep feeling, "I have nothing now to give to the Diocesan Church Society but my prayers." "The effectual fervent prayer of

a righteous man availeth much." "Pray ye the Lord of the harvest," &c.
With such support the Society must flourish.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society, if it should hereafter become incorporated.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension.

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a Resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

CHURCHES.

Every application for aid in the erection of a Church must contain the following information:—

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made in the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished.

"The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given."

"It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society."

Form of Legacy.

"I give to the Diocesan Church Society of Nova Scotia the sum of _____, to be applied to the general purposes of the Society." And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society."

"The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that parish."

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:

"That in future all subscription lists received before the 31st March, in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

At a meeting of the Executive Committee, April 18th, 1856, it was directed:

"That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

The attention of the Local Committees is particularly requested to the above resolutions.

ANNUAL GENERAL MEETING, OCTOBER 9TH, 1861.

The Annual General Meeting of the Diocesan Church Society was held in the National School, Halifax.

The Right Rev. the President took the chair at two o'clock, p. m.

After prayers and reading the Minutes of the last general meeting,—

The President stated the principal subjects to be brought forward for consideration.

The following officers for the ensuing year were appointed: The Rev. Edwin Gilpin, A. M., Secretary; H. Pryor, Esq., D.C.L., M.P.P., Assistant Secretary; W. C. Silver, Esq., Treasurer. Also, as new members of the Executive Committee: T. A. Brown, Esq., E. D. Meynell, Esq., W. Hare, Esq., J. T. Lordly, Esq., G. E. Harvey, Esq., and Capt. Lytton.

The hearty thanks of the Society were tendered to the office-bearers, for their services during the past year.

A letter was read from the Secretary of the "Church Endowment Fund," stating that about £18,000 had been subscribed, and expressing a wish to resign his office, in consequence of his proposed departure from the Province.

Some discussion having taken place relative to the Endowment Fund, it was determined that an effort be made to raise the subscriptions to £20,000.

"It was resolved, that the action of the Executive Committee in publishing the Annual Report early in the year, be approved, and that they be directed to follow the same course in future."

The meeting adjourned to Wednesday, October 30th, then to take up the subject of the Endowment Fund.

ADJOURNED MEETING, OCTOBER 30TH, 1861.

The Lord Bishop announced that he had drawn the £1,000 stg. from the Society for the Propagation of the Gospel and paid it to the Church Endowment Fund.

It was moved by N. Clarke, Esq., seconded by the Venble. the Archdeacon, and unanimously resolved :

Whereas, The Endowment Committee has reported that the minimum sum of £20,000 has been exceeded, this meeting desires to express its thankfulness to Almighty God, for the success which has thus far been vouchsafed to the Endowment Fund ; and while recognizing the valuable services of other assistants, would especially record its sense of the generous devotion and unwearied assiduity, during the last eighteen months, of J. R. Mosse, Esq., to whose gratuitous services, under God, the present success of the fund, to a great extent, appears to be attributable."

The Bishop announced that his sister, Miss Binney, had given £500 toward the next £10,000 of the Endowment Fund, to be paid when the fund by subscriptions or accumulations, shall have reached the sum of £29,000 ; and that meantime the interest on the £500 should be paid half-yearly at the rate of five per cent. per annum, to the Treasurer of the Endowment Fund, from the first of January, 1862.

Also, that Miss Binney had given £50 toward the necessary expenses attending the collecting of the Endowment Fund.

Whereupon it was moved by A. M. Uniacke, Esq., D. C. L., seconded by J. C. Cogswell, Esq., D. C. L., and unanimously

"*Resolved*, That the grateful thanks of the Society be offered to Miss Binney, for her liberal donations, and that the Bishop be requested to convey their sentiments to the donor."

The meeting adjourned.
