SYNOPSIS OF MINUTES OF THE ANNUAL MEETING OF THE CONGREGATION.

The annual meeting of the congregation was held on the evening of Monday, Jan. 16.

Before commencing the business, devotional exercises were conducted by the Rev. Dr. McTavish, who then announced his intention of vacating the chair. Mr. R. Donald was, thereupon, requested to preside, and the Secretary of the Managers was appointed Secretary to the meeting.

The report of the Session for the past year was presented by Dr. McTavish, who moved its adoption, seconded by Mr. H. Meldrum. Carried.

The adoption of the annual report of the Managers was moved by Mr. Donald, seconded by Mr. Creelman and carried.

Reports of the results of the work carried on during the year by the various organizations connected with the church, were presented and adopted, and it was decided that these, in addition to the reports of the Session and Managers, should be printed in pamphlet form and distributed among the members of the congregation.

It was also decided that a full list of the names of all the members and adherents of the congregation, together with the names of the members of their respective families, should be embodied in the printed report.

A motion was made to the effect that the number of Managers should be reduced from sixteen to twelve, six being elected this year instead of eight, and six next year. The proposition was not acceptable to the congregation, however, and the motion was withdrawn.

The following gentlemen were elected by acclamation to act on the Board of Managers during the next two years, viz., Messrs. C. B. Petry, I. M. Livingston, Jas. Hedley, A. H. Crawford, W. D. Wilson, Donald Bain, F. C. L. Jones, and G. H. Meldrum.

Votes of thanks to the members of the choir and auditors for valuable services rendered during the year, and to the ladies of the church for providing the excellent entertainment which preceded the meeting, were unanimously passed.

Messrs John Ferguson and Peter McCulloch were re-appointed auditors for the ensuing year.

REPORT OF THE SESSION.

The year that has just closed has been marked by opposite experiences of sorrow and gladness. Death has visited a number of our homes and carried off some whom we would all naturally have wished to have continued with us. The "In Memoriam" list appended to this report, containing as it does the names of Mrs. Robert McPherson, Miss Minnie Jeffrey, Dr. Hugh Robertson, John Mather, Mr. and Mrs. J. H. Beard, and Kate and Olive Loudon, besides the dear little children gathered home, shows how heavy has been our loss. Some of our brightest and best have gone but we do not "sorrow as those who have no hope." Sickness more than usual has brought anxious hours of pain and watchfulness to many a home.

But causes of special joy have not been wanting among us. The work of renovating the church, which was undertaken with a little anxiety, has been carried on to a most successful completion, and the liberality with which the people have contributed to this work is very commendable. It gives us now, without extravagance, one of the neatest and most comfortable churches in the city. Then we have had the regretful pleasure of bidding God-speed to another of our dear young people, who has gone to the Foreign field. Miss Minnie Hodgins, one of our most faithful Sabbath-School teachers and workers left us in October, and is now the wife of our beloved Missionary, Rev. N. H. Russell, B.A., at Mhow, Central India.

The work in the domestic mission on Elizabeth St. is being carried on with more than usual evidences of success. A gratifying report has come through Rev. Dr. Robertson of the work at Whitewood, N. W. T., where we are helping to support a missionary, Rev. M. Turnbull. All departments of the Church's work have been carried on with efficiency. The regular services and the Sabbath-School and Bible Classes were upset a good deal during the summer by the renovating of the church, and we were unable to hold our August communion. But the advantages arising from the improvements, will, we are confident, more than compensate for any diminution, in the near future. Owing to the depression in some branches of trade and business, a good many—especially young people—

have been obliged to leave the city. Hence, though there has been a considerable addition to the membership, the removals have been so numerous, for the reasons stated, that the net membership is only a little in advance of last year. The membership is now 558. The Sacrament of Baptism has been administered to two adults, and to nineteen infants. The attendance at the various Communion was as follows: February 314; April, 317; June, 330; October, 316; December, 336.

As the various reports will partly show, a large amount of faithful self-sacrificing work has been done in connection with the congregation during the year, but much of the very best work cannot be tabulated in reports.

With all these evidences of activity the Session feel the need of more spiritual power to overcome the deadening influence of worldliness, to lead unconverted sinners to Christ, and in short to make our beloved church what we all desire it should be, a centre of real spiritual life and activity in this city.

HENRY MELDRUM,

Session Clerk.

ANNUAL REPORT OF THE MANAGERS FOR THE YEAR 1892.

In presenting their Report for the past year the Managers have to record a slight increase in the deficiency which existed at the close of 1891, and which now amounts to \$111.07. On comparing the financial statement of the year with that of its predecessor, some few differences are observable, but the only one of these to which reference need be made is the item of "Special Collections," which it will be seen amounted, in 1891, to \$520.28. This item has disappeared from the statement of receipts for 1892, owing to an understanding arrived at with the congregation, that if a substantial increase were made in the weekly envelope contributions, this method of augmenting the ordinary revenue of the church, would be discontinued. The increase asked for was made in quite a number of cases, but it was not as general as was hoped for.

There are now on the contributors' list the names of 219 members, giving weekly by envelope the sum of \$101.08, as

It is estimated that the expenditure for the ensuing year
will be about \$6,150, necessitating a weekly revenue of \$117,
and the Managers have pleasure in stating that if the present rate
of giving is maintained, this amount will be forthcoming.
With the view of keeping the envelope contributors informed
as to the state of their accounts with the church, the Managers
would advise that a quarterly statement be sent to every contri-
butor, showing the amount paid and amount due (if any) at
the end of each quarter. It is almost necessary that some
such plan as this be adopted, owing to the irregular manner in
which a number of the members make use of their envelopes.

It will be remembered that on the 11th May last the con-
gregation, at a meeting duly called for the purpose, authorized
the Managers to proceed with the work of renovating and
improving the interior of the church, on the lines of a proposal
which was submitted at the meeting. The work was com-
menced during the first week of July, and was so far finished
by 18th September that public worship was resumed in the
church on that date. The estimated cost of the improvements,
leaving out of account the sum of \$492.95 for new plumbing,

names of 219
of \$101.08, as

etc., which was paid early in the year, was about \$6,000; the actual cost, including the item for plumbing just referred to, was about \$7,800. The Managers estimate has therefore been exceeded by about \$1,300, and in explanation of this it may be said that it became apparent as the work progressed, that if a thoroughly satisfactory result were to be attained, outlays would be required, which were not at first thought necessary. That the result has fully justified the additional expenditure, the Managers think there can be no doubt. Cash subscriptions have been received towards the cost of the improvements, to the amount of \$1,964.67, and a further sum of \$2,779 has been promised, so that there still remains about \$3,100 unprovided for. The Managers would recommend that a strong effort be made to pay off this amount either by special quarterly collections, or by weekly sums, contributed in special envelopes, which could be furnished those members who have not already subscribed a definite amount. This plan has been adopted by other churches, and is found to work very satisfactorily. The cash receipts have only been sufficient to pay off a portion of the indebtedness incurred, and it was therefore found necessary to arrange with the bank for a temporary overdraft to pay the contractors accounts. A statement of the cost of the improvements is appended to this report.

No change has taken place in the mortgage on the church property during the year, the subscribers towards this object having consented to allow their subscriptions to go into the Renovation Fund. An effort is being made to have the rate of interest now paid on the mortgage reduced, with good prospects of success.

For some time past the question of reducing the number of Managers has been before the Board, and a resolution dealing with the matter will be presented at the annual meeting.

The following Managers retire by rotation at this time :
Messrs. Petry, Bain, Hedley, Livingston, Denoon, Peter, Wilson and Meldrum.

SABBATH SCHOOL REPORT.

The Superintendent, Officers and Teachers herewith submit the eighteenth annual report of the Sabbath School.

The average attendance was 154, which is less than last year. This in some measure is to be accounted for by changing the hour of the school during July and August to 10 o'clock in the morning, as we found during these two months a very slight attendance indeed, showing that a larger number of our scholars than usual had left the city to spend their holidays.

The collections for Missions were \$222.40, also less than last year, and have been allocated as follows:—

Home Missions	\$50 00
Foreign Missions	50 00
Augmentation Fund	20 00
Point Aux Tremble School.....	25 00
Jewish Mission	15 00
Sick Children's Hospital.....	50 00
Tract Society	12 40
	\$222 40

We have lately received a very encouraging letter from the Principal of Point Aux Tremble School, stating that our pupil (Adjutir Sioui) is making very satisfactory progress in his studies.

As observed by our contribution to the Sick Children's Hospital, we are now supporting a cot in that Institution.

We have heard also this year several times with pleasure from Rev. Norman H. Russell, at Mhow, India. One of our teachers (Miss Hodgins) left us this year to be a helpmeet and co-worker with Mr. Russell.

Our scholars have again been successful in passing creditably the Higher Religious Instruction Examination, ten having received diplomas, one a prize and one a medal.

The Junior Young Ladies' Bible Classes, taught by Mrs. Stephens and Mrs. Crombie, have been very encouraging, their attendance being most regular.

During the year there have been a great many changes in

our teaching staff, no less than twelve having left us, viz. :— Mrs. Stevenson, Miss McCallum, Miss McIntosh, Miss Bayne, Miss Hodgins, Miss English, Miss Mitchell, Mr. Meldrum, Mr. Bowman, Mr. Fulton, Mr. Cram, Mr. Blainey.

It is with especial regret that we part with Mr. Meldrum, who has been a teacher in the school for fifteen years, having always taken a great interest in its welfare. He is giving up teaching, as he does not feel able to make the journey to the church from his residence three times each Sabbath. Mr. Meldrum's deep interest in the Sabbath School will remain unabated, as he has promised to teach occasionally, and we still keep his name on our teaching staff.

Mr. Frank G. Anderson, for some years our efficient secretary, has also left us during the year, having withdrawn from the congregation.

The work in the Junior Society of Christian Endeavor continues encouraging, and is conducted by Misses Maggie and Willa Anderson, assisted by Mr. Alex. Creelman.

We are indebted again to Mr. A. R. Creelman for his annual contribution to the Infant class. He never forgets us.

We have to lament the death of two of our most gifted pupils, Misses Kate and Olive Loudon, daughters of the Principal of Toronto University.

It is a pleasure to say that, during the year, seven of our scholars have united with the church by profession of faith.

Undaunted we go forward, trusting in the promise, "Lo I am with you always."

during that time, had the privilege of studying under our esteemed teachers Mr. J. K. Macdonald and Dr. Wishart, to whom we would convey our best wishes for a happy and prosperous New Year, and hope that the Master whom they serve so faithfully may long permit them to continue their labor of love at the head of our classes. We regret that many more, even of the older members, of our Church, do not avail themselves of the opportunity of studying God's word with our Bible class, and we would ask those who are members, to be as regular in attendance as possible, both for their own benefit and the encouragement of our teachers. Several of our members, during the past year, have left us to become teachers in our Mission and Sabbath Schools, among whom are, Miss McLennan, Mr. C. Gordon and Mr. F. Anderson.

The Junior Bible class, during the past year, undertook the support of a pupil at the "Indore Boys' School." This idea of a special object for their contributions, has considerably increased the givings of the class as well as the interest manifested therein.

The number of members on the roll is as follows :

A very enjoyable "At Home," was given by Mr. and Mrs. Macdonald, in January last, and a very profitable evening was spent, most of the members being present.

The usual vacation also was taken during July and August.

In closing this report we would ask the members to take with them, as their Bible Class verse for the coming year : 2 Tim. ii : 15. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

honesty of purpose, in that our collections are very nearly as large as last year, despite the fact that no calls have been made. The committee have repeatedly called the attention of the congregation to the fact that there are a number of members who do not contribute anything and who must be able to do something—if it is only 5 cents a month. We will not dwell on it this year, further than to say that “There is that withholdeth and yet tendeth to poverty,” and as a congregation we cannot expect a full and perfect blessing until we present our bodies a living sacrifice upon God’s altar. When we do that we will withhold nothing. For the coming year the committee have prepared a set of envelopes for each contributor, consisting of 12 blue envelopes (monthly) for the general schemes of the church, 4 red envelopes (quarterly) for salary of our foreign missionary, and one envelope (yellow) for salary of our North-West missionary. If everyone would try and use these envelopes on the dates as printed on them, it would save a great deal of confusion and trouble. We have held our missionary prayer-meetings monthly and without a doubt they have been well attended and ably conducted, and the committee have to heartily thank those members who gave us such excellent papers throughout the year. Our foreign missionary, Mr. Russell, has kept us in full touch with his work in India, and we can only thank God for His goodness to him and take on renewed courage for the future.

In October we had the not unalloyed satisfaction of bidding God-speed to his (then) intended wife, and are happy to say that the “Unification” meeting referred to by Mr. McKay, has taken place. During the summer we had the pleasure of having our North-West missionary fill our pulpit and give us a graphic description of his work in that vast field. The work of our domestic missions is set forth in another part of this report, and we need not further dilate on it, than to say, that surely God’s hand is in the work and His presence very near to those who have the burden of the work on their shoulders.

Your committee would suggest that the amount contributed be allocated as set forth in the Treasurer’s statement. All of which is respectfully submitted.

JAS. P. DONALD,
Secretary.

ANNUAL REPORT OF LADIES' AID SOCIETY.

At the close of the twelfth year of its existence, the annual report of the Ladies' Aid Society is presented for the approval of the congregation.

Fifteen regular meetings, with an average attendance of twelve members, and one emergency meeting, have been held. In 1891, our average attendance was sixteen, but we trust that the falling off during last year was not due to a decrease of interest in the work. We have attributed it to the large amount of sickness prevalent in the city during the early part of the year.

It is with regret we chronicle the fact that our very efficient, devoted and self-sacrificing second Vice-President, Miss Mickle, has left the city, and so been obliged to sever her connection with us. We also grieve to say that one of our most active members, Mrs. George Burns, has been an invalid for months.

The year's work has been extensive. Sixteen families have been assisted in different ways. Food for the hungry, fuel for the cold, clothing for the naked, as well as nurses and medicine for the sick, have been provided.

Owing to the kindness of the City Council, we have been able to obtain admission to the Hillcrest Convalescent Home for three of our people.

As in former years, a large quantity of clothing has been made at our meetings and sold at the Mission on Elizabeth Street, the price charged barely covering the cost of the material. The plan of charging a small sum for articles of cast-off clothing has worked admirably, quite preventing any feeling of jealousy on the part of those benefited.

We have supplied work to some of those needing help, and thus prevented any tendency to pauperism.

We would thank the congregation for the handsome collections taken up on New Year's Day and on Thanksgiving Day. We do not think that there is any direction in which the well-known liberality of our people can be better extended than in helping our *own* poor.

A special vote of thanks is due to the members of the

choir who so kindly gave their services last May at a concert for the benefit of our Society.

We are again called upon to acknowledge our indebtedness to friends in the congregation for donations of ready-made garments, material for work, groceries and vegetables, besides numerous large parcels of cast-off clothing.

Before closing this report, we would urge upon all, especially the women of the congregation, the needs of this Society. Though money is a very necessary agent in the work we have to do, we would impress upon each and every one the idea that "hearts and hands" are also very important factors. Interest is needed, and we feel convinced that if the lady members of the church would only come to our meetings and hear of the many cases of suffering humanity needing our assistance, a great impetus would be given to the work.

Secretary.

REPORT OF THE AUXILIARY OF THE WOMEN'S FOREIGN MISSIONARY SOCIETY.

In presenting the twelfth Annual Report of the Auxiliary, we do so with a deep sense of gratitude to our Heavenly Father, for all His mercies to us, as the years come and go, with their joys and sorrows. Several of our members have been sorely afflicted in their homes, yet our roll of membership remains unbroken by the hand of death. We feel also, that the work we are engaged in, has a deeper hold on our interest, and at the close of the meetings we feel "it is good to be here," banded together in our efforts to send the Saviour's message to distant lands.

There are now on the roll 74 members; 43 of whom belong to the General Society; 9 to the Auxiliary; 22 are on the Life Membership list, three having been added this year, viz:— Miss Cobban, Mrs. Archibald, in loving memory of her husband, and through the kindness of one of our members, Mrs. Stephens has also been made a life member in tender remembrance of her daughter, Mrs. McLachlan, who died in far off Tarsus.

In October the annual thank-offering meeting was held, when the sum of \$53.08 was realized, each offering being accompanied by an appropriate text of Scripture.

During the year we have had \$218.64 given in; also a box of good clothing, and \$3 to be sent to the North-West.

May the year we are entering upon, find us more anxiously striving for the "best gifts," and the realizing of our motto, "The World for Christ."

REPORT OF MISSION BAND.

In presenting the eighth annual report of Central Church Mission Band, we are glad to say that, although our attendance has not increased, a deeper interest has been shown by our members. The annual thank-offering meeting of the Band, held in October in connection with the Auxiliary, at which Mrs. Hodgkins gave an address on Africa, was most interesting. The offering amounted to \$13.85.

A new departure in regard to raising funds was adopted. Ten cents was given to each member to be held in trust and increased, if possible, during the year, with the result that \$28.56 was raised.

The Band is indebted to Rev. Mr. McKay, of Parkdale, for a lecture on "A Walk Through the Picture Galleries," and to Mr. C. B. Petry for an exhibition of views of Scotland given during the year. A box containing dolls, books, work-bags, etc., was sent to Mr. McLeod's school at Regina.

The sum of \$25 was raised by the members to establish a memorial to the late Miss Jeffrey, our former Secretary, which took the form of a life membership in the W. F. M. S., and at the request of Mr. and Mrs. Jeffrey was presented to Mrs. N. H. Russell, of Indore, India, who has been Vice-President of our Band for the past year.

At this new year may each of us be taught by the Holy Spirit of God how in all our darkest and, apparently, unfruitful hours of toil, done for the sake of our Lord, we are bearing forth good seed, and that "in due season we shall reap if we faint not."

REPORT OF THE MUTUAL HELP ASSOCIATION

The Association has continued the work this year as in previous years, with a marked increase in attendance and interest.

The usual number of meetings have been held, but more work accomplished. Dr. McTavish has frequently been present at our meetings, and was always welcome. We have been able to send a much larger parcel to the North-West, composed of quilts, stockings, mittens, girls' dresses, under-clothing and pillow-cushions.

The members have taken great pleasure in preparing the parcel, most of the work being done at the monthly meetings. Many of the members have kindly done some of the work at their homes. In the month of July, Mrs. Crombie entertained the Association at her home, where a most enjoyable evening was spent.

The funds raised by the Association have exceeded last year's amount, and are always voluntary, being used to purchase material for work, etc. We are glad to present this report, feeling sure it is acceptable in the eyes of Him who values the smallest service rendered for His sake to His needy children.

ANNUAL REPORT OF THE YOUNG PEOPLE'S SOCIETY OF CHRISTIAN ENDEAVOR.

As a Society we have every reason to be thankful for the success which has attended our efforts in endeavoring to help our pastor and our Church in every way we can.

The Committees have each been enlarged so that more efficient work may be done in every department. During the past year thirty-four active members have been added to our roll. The membership is thus well maintained, although a number have left the city, principally students who have completed their term of studies in Toronto. We have eighty-four active, eight associate, twenty-nine junior and five honorary members making a total of one hundred and twenty-six. Two delegates were sent to the Christian Endeavor Convention in New York, in July, and three represented our Society at the Provincial Convention at London in October.

Socials are held at intervals, when we have the opportunity of meeting a number of strangers, whom we invite to our weekly meetings. The first Sunday of each month the meeting is held in the church and is conducted by the pastor, in order that he may come in contact with those who have been impressed by the evening service.

At each weekly meeting some mission field is considered and presented at the throne of grace in prayer. The sum of

The Christian Endeavor Society has assumed the responsibility of the Thursday evening prayer-meeting at the Mission since October 1st, which meetings have of late been specially interesting. In the Mission district, cottage prayer-meetings are conducted as before, with an average attendance of about fourteen. Mr. and Mrs. Kirk have kindly allowed these to be held in their house, 37 Elizabeth St., where a cordial welcome is extended to all who attend. Open air meetings were held during the summer months when the weather permitted, and the results were very encouraging to those engaged in that work.

The Society is now engaged in making a house to house visitation of the neighborhood of our Church. Every house between College, Yonge and Bloor streets and the Queen's Park will be visited. This district has been sub-divided into smaller districts some of which have already been visited. It is astonishing the number of people who take no interest in any special Church. These are invited to our Church. A list is kept and they will be called on by our pastor.

The Junior Society of Christian Endeavor meets every Sunday afternoon at 4.15, and lasts half an hour; a suitable subject is studied, and with the assistance of two or three of the Seniors, proves to be very interesting and instructive. Many poor homes were made glad at Christmas time by the visits of our Juniors.

As individuals we are endeavoring to live up to our pledge, and as a Society we desire to show that we are in earnest in our endeavor "FOR CHRIST AND THE CHURCH."

SABBATH SCHOOL.

Notwithstanding the many changes which have taken place in our Sunday school during the year closed, the teachers have to thank God for tokens of blessing to themselves, and also to their scholars. During the year we lost quite a number of our old and valued teachers, some of them having removed from the city, and others having entered into other fields of usefulness, but we are thankful to say that others have been found to take their places.

Of the work among our scholars, we cannot speak definitely as to results. Two or three of our scholars during this year made confession of Christ publicly, which gives us great encouragement in the work. Quite a number of our most regular scholars have shown greater interest in the study of God's Word, and have committed many texts to memory.

The number of scholars on the roll at the close of the year is 130; average attendance, 88; average attendance of teachers and officers, 22; total average, 110. The first half of the year would show a much larger average than the above, but during the summer months the attendance fell off considerably. We have also lost quite a number of our scholars by removal to other parts of the city.

Superintendent.

SABBATH AND THURSDAY EVENING SERVICES.

The Sabbath evening services were conducted by Mr. Forster during the early part of the year. He, sometime in August, was laid aside from his active duties by severe illness. The Session on the first of October made arrangements with Mr. Pogue to take charge of providing the supply for the winter months. The attendance at these services is good and steadily increasing, much interest being manifested by those in regular attendance.

the year amounts to \$104. The regular weekly prayer meeting is again being conducted by the young people connected with the Society of Christian Endeavor. The quiet but steady increase of interest shown gives us great encouragement in looking for even greater interest and larger attendance for the future.

COTTAGE MEETINGS AND OPEN AIR SERVICES.

Through the kindness of Mr. Kirk, we are again permitted to hold the cottage meetings at his house, but we are sorry that so few take advantage of coming out to these meetings. The open air meetings held during the summer months were well attended.

MOTHERS' MEETING.

We are thankful to note a deeper interest shown by our members and a clearer idea of the work in which we are engaged, and we do so with thankful hearts to our Father who has helped us in the past, for we have had a year of great blessing. This year we are studying the Gospel of St. John, giving the women a lesson every week to prepare at home—we think it helps them to study God's own Word. Then we have our testimony meetings once a month, and it is such a help to us to hear these mothers talking of the answers to prayer they have received, and what comfort and benefit they receive at the mothers' meeting.

We had our annual social on Good Friday afternoon, and we enjoyed it very much. We had also a little love token to give to our dear Miss Mather—an illuminated address—our hearts going out to her in the time of her bereavement and great sorrow for the beloved brother.

We would especially thank the Ladies' Aid Society for so generously providing us with our weekly teas, also for the warm quilts and garments furnished ready-made at a cost less than the material used—a kindness much appreciated by the mothers—also for the cast-off clothing, that has been such a comfort to many a mother and her children, although they pay a trifle for them. We get many a "God bless you" as they go out of the hall with their bundles.

Many thanks to the friends who gave us donations amount-

ing to \$5 for the aged members, and for the jellies and nourishing food during La Grippe time last winter.

We collected \$5 for Foreign Missions, and sent the offering to Mr. Gale, the dear friend of the women, who visited them in their time of sickness and sorrow. We also presented a handsome clock for the use of the Mission Hall, and \$5.64 for helping with the repairs of the hall. And so our Father has prospered us week by week, and for all His blessings we give Him our loving and thankful hearts.

SARA C. MACDONALD,
Secretary.

REPORT OF TRACT SOCIETY.

The tract distributors have been carrying on their work similar to former years. The attendance at the monthly meetings as a rule has been small. Far more interest might be taken in these meetings and in the work generally. There are about twenty districts, and for these there are only *twelve* distributors. We ask for more laborers. Any one who wishes to work for the Master, can do good service here; they will find the work, we are sure, both interesting and helpful to themselves.

We would again express our gratitude to the "Mutual Help Society" for their kind donation of money.

 REPORT OF GIRLS' SEWING CLASS.

The Girls' Sewing Class, which has for its object the training of the girls in useful needle-work, is progressing favorably. Attendance is larger, and deeper interest shown than in former years.

We greatly regret that Miss Esther Burns, to whose efforts the class owes much of its present success, has been obliged to withdraw from the work.

V. ROBINSON,
Secretary.

In thus giving a brief outline of the work done in our domestic mission during the past year, we would ask for the continued sympathy and support of the congregation in this trying and yet most encouraging work. And may our prayer be, to be more faithful in the path of duty, that at last it may be said of each one of us, "Well done, good and faithful servant."

CHRISTINA McINTOSH,
Sec.-Treas.

SEVENTH ANNUAL REPORT OF THE CENTRAL
CHURCH MISSION PENNY SAVINGS BANK.

At the close of this our seventh year, we are able to report a satisfactory amount of business done, though we cannot show the same progress which we were pleased to report for the previous year. Deposits made by those who use our savings-bank to accumulate money are liable to be drawn upon during a year such as this has been, and this fact will partly account we think for the difference between the receipts for this and the previous year.

Our deposits during the year, inclusive of interest, amounted to \$1,543.18, while withdrawals, totalling \$1,774, were paid out. This leaves the balance now due depositors \$1,551.75, compared with \$1,782.57 at the end of November, 1891. To meet this liability we have cash deposited in the Bank of Commerce, and People's Loan and Deposit Co., and on hand amounting to \$1,291.11, and a mortgage of \$300, with accrued interest of \$7.56. We have also an investment of \$35 in a fire proof-safe, which we purchased to protect our books in case of fire. Recognizing our obligations to those who had improved our facilities for doing business we voted \$25 towards the expenses of the improvements. Our current expenses for the year were \$5.25, and the profits from interest \$27.12. This now leaves a surplus of cash and investments, over the amount due depositors of \$81.92. The members of the staff have given good attention to the work of the Bank on Saturday evenings, and we trust that during the coming year we will be able to keep the duties so light that no one will have reason to be absent.

ENVELOPE CONTRIBUTIONS.

Members and adherents of the congregation are particularly requested to note the following :

Pews and sittings are free, although as far as possible allotted to the families and persons who attend the church. Any who have not secured sittings are requested to make application for them on any Wednesday evening before or after prayer-meeting service, when the seat-letting committee will endeavor to meet their requirements.

The congregational expenses are met by voluntary contributions given for the most part weekly by envelope. All who have not adopted this system are earnestly requested to do so, applying to the Treasurer for envelopes. The Managers suggest that each contributor shall take his or her supply of envelopes home, keep them in a safe place, use them regularly with due regard to the dates printed thereon, seal them securely, and write the amount enclosed in every case on the face. Each contributor who follows these suggestions can ascertain by a simple examination of the envelopes remaining on hand, precisely how his or her account with the Church stands at any time, and they are asked to make such an examination periodically, and supply any omissions which may have occurred by reason of absence or otherwise.
