BE KIND TO OLD AGE.

Be ever kind to those who bend Beneath the weight of time; For they were once, like thee, my friend

Have borne their joys away ; And wasting, dim decay

Its bloom has faded now; And dusky twilight deepens fast, And soon the shattered remnants all

For, one by one, they silent fall;

A narrow house receive;

search of the street of the st

got hold of THE WRONG MAN. or my Mary. Squire Andrews was detained at the Post Office for more than two hours by some of his political

And alone the shattered remeans all for my Mary shows retroit.

A nature house retroit, a failed his political friends, who insisted on having an argument out of the failed when he are the same through the political friends, who insisted on having an argument out of the failed when he faile

heel sud left the choleric old man, who as soon as beciety, he was growing old, and had no other child be found himself alone said to himself in an amiable mood—

Confound him, he is as dignified as an Alderman, he might have asked me for twice, as if a sirl, like mine was not worth more than a single asking. That day a reconciliation was effected, and hary and Charles were received into his house.

Years have passed since then, but he has never had reason to regres that his daughter married the man she loved —Charles Archer is now a leading not likely to happen very soon.

In confoundity with his usual custom, the Squire went to town in the evening to pay his daily visit to the Post Office and the Tailor's. As the distance will be hadened the more than a mile he generally walked. The night was dark, though not so dark as to prevent to bis stories. But there is one which he never had not once than a mile he generally walked. The night was dark, though not so dark as to prevent to bis stories. But there is one which he never had not once than a mile he generally walked. The night was dark, though not so dark as to prevent to bis stories. puberty, and manbood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of anamode and be presented by an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and shangerous remethes no generally resorted to by persons, who, practising with false medical qualifications, inflict inout serious injuries, and render judicious treatment frequently abortive.

The suctor is the only legally qualified practitioner whose name stands on the Medical Register, (the sole test of medical spilifications) who has the decadualvely engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system which, demay as the giant discoveries of modern sciences, are rendered and services to a modern science, are rendered and services to a rational, simple and easy mode of treatment.
