any no shoddy mixture, unable to be detected. All wool suits are cheaper at \$15 than shoddy is at a quarter that price. We are not asking \$12 for our wool suits, although they're well worth the money, but are offering them at from \$8 to \$10. These are high gains, because the price is really low and the quality (all wool) is really high. When you get high quality at a low price you get a bargain. That makes it a stroke of business to examine our all wool suits, which we're showing in the latest styles for the season of 1894. Try us. The Best is the Cheapest.

DON'T buy low grade, inferior Oil because it is a little cheaper in price than the highest grade. It is false economy as you will find it to be the dearest in the long run. Poor Oil will not burn stably so long as the better grades, and besides it will smoke your chimneys and make a very disagreeable odor in the house. This fall we are selling the BEST AMERICAN WATER WHITE OIL, cheaper than ever before, and we guarantee every gallon of OIL we sell T. O. BE THE BEST AMERICAN WATER WHITE. Epps's Cocoa

BREAKFAST-SUPPER.

"By a thorough knowledge of the natural laws which govern the operation of digestion and nutrition, and by a careful application of the fine properties of the purest Cocoa, Mr. Epps has provided for our breakfast and supper a deliciously flavored beverage which may save us many doctors' bills. It is by the judicious use of each article of diet that a constitution may be gradually built up until strength is reached which will enable us to resist every tendency to disease. Nothing is so good as a little Epps's Cocoa to make a weak stomach strong, and a sick stomach healthy. It is a weak point which may be cured by taking a little Epps's Cocoa with each meal and a glass of water or milk. Sold only in packets by Grocers, identified thus: JAMES EPPS & Co., Ltd., Homage House, London, England." Oct. 4, 1894.
