VALLEY HOCKEY LEAGUE MEET

Splendid Meeting at Wolfville—Officers Elected—Schedules—Geo. E. Graham Presents Cup

Hockey prospects are bright for a banner season in the Valley League which held its annual meeting at Wolfville on Thursday night. The towns which are putting in teams for the Winter's contest are Digby, Annapolis, Bridgetown, Middleton, Kentville, Windsor, Canning and Wolfville. The first four named clubs will comprise the Eastern section, the last four named the Western section, and Western champions will play off for supremacy and the possession of a handsome silver cup presented by that public spirited citizen, Mr. Geo. E. Graham, General Manager of the Dominion Atlantic Railway. The announcement of this gift was made by Mr. K. L. Chipman, and was received with great approbation by the League delegates assembled.

Bridgetown alone favored a one section League, but arguments of various kinds against this plan were advanced and the local representative found no support in his proposition. The matter is a difficult one to settle satisfactorily. As far as the Western towns are concerned the one section plan would give much better attendances. Special trains will be run for Valley fans during the season. Regular games in the League fixtures must be finished before Feb. 17th, when play off games, best two out of three, will take place for the championship of the Valley.

Officers of the League elected on Thursday night are as follows:—

Hon. Pres.—Geo. E. Graham, Kentville.
President—Mayor A. E. H. Chesley, Kentville.
Vice-President—G. W. Holdsworth, Digby.
Vice-President—J. B. Harris, Wolfville.
Secretary—G. C. McElhiney, Windsor.

Executive—F. R. Henshaw, Canning; J. R. Christie, Kentville; M. T. Jackson, Bridgetown, others to be named.

The Eastern schedule was drawn up as follows:—

- Jan. 1—Windsor vs. Kentville
- 5—Wolfville vs. Canning
- 8—Canning vs. Windsor
- 11—Kentville vs. Wolfville
- 15—Wolfville vs. Windsor
- 19—Canning vs. Kentville
- 22—Canning vs. Windsor
- 25—Kentville vs. Windsor
- 29—Windsor vs. Wolfville
- Feb. 1—Kentville vs. Canning
- 5—Canning vs. Wolfville
- 9—Wolfville vs. Kentville

The Western schedule is being drawn up at Digby some hours after we go to press.

The General Meeting was called by Dr. Colt, of Wolfville, and was well attended and most harmonious and there were all the hearty evidences of desire to play the game for the games sake, the essence of true sportsmanship.

VARIETY IN LOCOMOTION

Bare Ground in Yarmouth Co. Heavy Snow in Annapolis Delays Auto Party.

Change of weather conditions in the space of comparatively short distances in this Province were well illustrated within the past few days by a trip made by Mr. and Mrs. A. M. Lyceet, of Kentville, Yarmouth Co., on a visit here to Mrs. Lyceet's sister, Miss Agatha Troop.

Mr. and Mrs. Lyceet left Kentville 90 Sunday in their car. Bare ground prevailed in the Yarmouth village, but all went well till the party reached Deep Brook, where snow was encountered. However they got towed to Annapolis, but found conditions becoming more and more unfavorable to the driving of cars.

From Annapolis to here they made the journey by train, returning home on Tuesday after quite an experience with weather vagaries within a comparatively short area.

CORRECTION

Mrs. Judson Balcom, a respected lady of Lawrencetown, has been poorly for some little time. In our last issue her age was stated wrongly. It should have been 83 years not 43. Mrs. Balcom is one of the oldest ladies in the entire county.

M. W. G. M., J. H. WINFIELD ON OFFICIAL VISIT

Excellent Address on Principles of Masonry—Refreshments

J. H. Winfield, M. W. G. M., of the Masonic Order in Nova Scotia, paid an official visit on Thursday night to Rothsay Lodge, A. F. & A. M. This was one visit in the course of an itinerary which has been during the past week or so by the Most Worshipful Grand Master during which he has met with all the principal Lodges.

He gave a very interesting talk on the principles of Masonry and this was followed by dainty refreshments served by the members of the craft. The evening's proceedings were thoroughly appreciated and enjoyed by all present.

COUNTY INSTITUTION'S CHRISTMAS TREE

We would remind our readers of the annual Christmas tree entertainment planned for the evening of Thursday, Dec. 23rd. The Churches of the town are dividing the responsibility of providing the programme and a worth-while evening may be anticipated.

We are asked to say that contributions for the County Institution's Christmas tree, both in cash and kind, will be gladly received by either of the Superintendents, Mr. A. F. Hillis and Mr. J. H. Myers, or the Rev. E. Underwood, the Secty.-Treasurer of the Recreation Hall fund, and that either of these will give any information desired.

ALBERTA REFUSES DOM. GOVT. OFFER ON ITS NAT. RESOURCES

Edmonton, Alta.—Alberta does not find the Dominion Government's offer on natural resources satisfactory and will not accept it as a settlement of the question. This decision was reached at a meeting of the Cabinet Tuesday when Premier Greenfield reported the results of the recent conference in Ottawa.

The other members of the Government concurred in the dissatisfaction with the offer expressed by the Premier and Attorney-General at the conference and were all agreed that it could not be accepted.

The stand taken by the Government is that Alberta is justly entitled to compensation for such of its resources as have been alienated for Federal purposes, its claim being based particularly upon the 600,000 acres disposed of, shortly prior to the creation of the Province, for Federal purposes.

This land, capitalised at the rate of \$1.50 per acre, and repaid in annual instalments for a term of years, would approximately equal the present cash subsidy for ten years, instead of the three years offered by Hon. MacKenzie King.

PHINNEY COVE

Mr. Gordon Hudson spent the last week of November visiting friends at Brickton and North Williamson. Returning on Dec. 1st he was accompanied by Mr. Robert White, who spent a few days with his brother, Mr. Joseph White.

Mrs. William Israel and children, Parvotta, Leona, and Ralph, returned home on the 6th, after spending three weeks with her parents, Mr. and Mrs. Alden Bent, of Beauséjour.

We were pleased to have our former neighbor, Mr. Alton Bent, of Beauséjour, with us on Nov. 26th.

Mr. Murray Bent, of Beauséjour, called on Mr. W. K. Crisp on Nov. 19. The pie sale at Mrs. Frank Chute's was held on the 2nd inst., the 1st being stormy. The sum of three dollars and ninety-five cents was realized for church purposes. The next pie sale will be due Dec. 23rd, and is to be held at Mrs. Maud Banks'. In case of storm, friends can always expect the pie sales to be held the first suitable night following.

Miss Edna Banks left on the 1st for the U.S.A., where she will remain for the Winter.

Miss Lavena Banks spent a week with friends in St. Croix Cove during the latter part of November.

Mr. and Mrs. Caleb Sarty, of Parkers Cove, spent a recent Sunday with Mrs. Maud Banks.

Mr. Watson Bent recently killed a very fine pig—fourteen months old, and dressed five hundred sixteen lbs. We have some more freaks to report this year. Mr. Otis White has port two pairs of twin apples and a third pair was given to Mr. Crisp by Rex White, of Young's Cove. Mr. Edmund Bent raised a double turnip, one growing out of the top of the other.

MURRAY DURLING HAS NARROW ESCAPE

Only Strength and Presence of Mind Saves Him from Death in Hay Press.

Mr. Murray Durling, some few days ago, had a close call for his life, and the fact that he got away with only a torn coat and some bruises is a great tribute to his presence of mind and good muscular development.

Mr. Durling, at the time of the accident, was superintending the pressing of hay at the farm of Mr. Herbert Marshall, of Granville. While stooping to get a wrench out of the tool box, his coat tails caught in the cogs of the press and he came within an ace of being drawn in and crushed to death. When he felt his predicament he exhibited speed and great presence of mind as he felt himself being rapidly moved to a certain death. He seized a lever and put forth his full strength in a tremendous struggle. His coat was torn from end to end and he received a number of bruises, but beyond these got thru the misadventure O. K.

BEAR RIVER

Mr. Wendell C. Chute was a passenger to Boston Tuesday, Dec. 5th. Mrs. F. A. Rand, who has been spending the last two weeks with her sister, Mrs. J. T. Davidson, returned to Parrishboro on Friday.

Mr. and Mrs. Willis Rice made a business trip to Halifax on Thursday, returning Monday.

Mr. and Mrs. David O'Keefe left for St. John on Wednesday, where they expect to remain the Winter.

Mr. and Mrs. Lindsay Boudreau and little son Joseph, left for St. John on Saturday.

Miss Mildred Harris, who for the last four years, has been employed in the telephone office, has resigned her position. The vacancy is filled by Miss Clara Campbell.

Mrs. Judson Chute, an aged resident of Bear River, had the misfortune to fall a few days ago, hurting herself quite badly.

Mr. T. G. Bishop, of Lawrencetown, has been visiting his mother, Mrs. Bishop, at the home of Mr. and Mrs. George Croscup.

Mr. and Mrs. L. V. Harris are spending a few days in Annapolis, having been called by the death of Mrs. Harris' mother, Mrs. Lenfest Engle.

The clam supper and sale of fancy work, held by the ladies of the Methodist Church on Tuesday evening, was a splendid success, the sum of \$65.00 being realized.

Sorry to report Mr. Charles Wilson sick with pneumonia at time of writing.

Mr. Robert E. Fetus, of Lawrencetown, has been spending a few days in town.

Mrs. Walter Romans was 'At Home' for her friends on Tuesday afternoon.

Mr. and Mrs. Alexander Snow and daughter Doris, left for Montreal on Wednesday.

Miss Bessie Rice left for Boston on Friday, Dec. 1st.

Mrs. Robbins, of Smith's Cove, has been visiting Mrs. Valentine Robbins.

The Parlor Concert held on Friday evening, Dec. 1st, at the home of Mrs. Litchfield, was a great success in spite of the stormy weather. The sum of \$19.00 was realized to enlarge the school.

The neck connecting them being bent so that the root end of the lower one and the stem end of the upper one both pointed up. Evidently it grew out of the underneath side of an overhanging sod. Mr. Vernon Bent has a double cabbage, a small one having grown out of the top of another one after it was put in the cellar.

Miss Muriel Grimmer, of St. Andrews, N. B., is visiting Mrs. W. C. Anderson.—Spectator.

SPLendid MEETING ECLECTIC SOCIETY

'Evolution of English Novel' Well Treated by Miss A. B. Troop.

At the monthly meeting of the Bridgetown Eclectic Society, held in the Board of Trade rooms, on Monday evening, Dec. 11th, Miss A. B. Troop read a splendid paper on the "Evolution of the English Novel".

This was one of the best meetings of the Society, and speaks well for a successful future.

Next month Mr. Clarence Fitz-Randolph will give a paper on "The Rural Question", on Monday, Jan. 8th, 1923.

HAMPTON

Winter weather has set in for sure. Sledding is here before many are ready for it.

The W.M.A.S. held their annual Crusade meeting on the evening of November 27th at the home of Mrs. Norman Milburn. One new member was added, after which a short programme was submitted, followed by refreshments. A very enjoyable evening was spent by all present. Collection amounted to \$4.05.

"Flashlight Division" which has been closed for the Summer, re-opened Saturday evening, Dec. 2nd, with Bro. Sherman Marshall as W. P. Now the start is made and it is up to ourselves whether we have a real good time this Winter or not.

Mr. Mills, C. O. F. Organizer, visited our village last week, but owing to the very bad weather he was unable to start a Court here. He intends visiting Hampton again in April.

Sorry to report Mrs. Louise Foster very sick at time of writing.

Mrs. Allen Beanson has been visiting her parents in Clarence. Mr. Beanson went to Amherst, Dec. 9th, to attend the "Winter Fair".

GET ADS. IN EARLY

Owing to unusual pressure on our advertising columns we must have all changes of ads. for next issue in the office by Saturday noon to ensure insertion.

PORT WADE

Lumbering is going on quite extensively at this place. The Port Wade Lumber Co. have their teams getting out some very pretty timber. The infant child of Mr. and Mrs. George Kinghorn, of St. John, N. B., was buried in this cemetery on Friday last.

Mr. Ernest Balcom, of Lawrencetown, has been in this village the past week, setting up machinery in the lumber mill.

An epidemic of colds is raging in this vicinity. Only thirteen of the fifty scholars in attendance at the school.

James Sloum and son Carl arrived last week from Westfield, N. B., in their large car, coming round head of the Bay. They claim it was "some journey". Now they are keeping bachelor's hall at the old home.

Some of our friends are expected home for Christmas, while others will leave to join their families and friends in Uncle Sam's.

E. H. Johns leaves for Lynn, Mass., on the 15th.

Mrs. John Ebyden returned last week from Lynn, Mass., after a visit of about four months.

Miss Lizzie Dakin, of Centreville, Digby Co., visited her sister, Mrs. James McWhinnie, last week.

The Ladies' Aid of the United Baptist Church held a Crusade meeting and 10c tea at the home of Mr. Howard Burke on Saturday evening. The sum of \$10 was realized.

Our minister, Mr. Heister, has been laid by with a sprained ankle the past week.

BEAR HUNTING AS A WINTER SPORT

Ralph Bent Secures Splendid Specimen. Many Others Still at Large.

The bears on the South Mountain are up against all kinds of trouble, their numbers being gradually reduced from the time the Brooks boys shot three in one day up to last week when Mr. Ralph Bent secured another one whose tracks he and Mr. Newman Daniels followed along the Eugene Morse Road and into the woods for about three miles. Brutal pursued his pursuers first, and springing on a rock, ran behind a tree. This was made evident by his tracks followed some moments later. Circling around the tree and keeping out of sight he doubled coming around behind his pursuers and getting a point of vantage with a huge rock between him and them. Alas for his miscalculations! He put his nose up above the rocks and this was seen, proving his undoing. He would not expose enough of his person to make a target.

So the hunters cut birch bark and placing this on the end of a stick pointed and landed it where the bear was supposed to be. This failed to start him out. Mr. Daniels recognized and perceived that brain was between two rocks. Arming himself with a long sharp pole, he ventured around and gave him a vigorous prod, while Mr. Bent stood erect waiting a chance to shoot. His bears hip feeling the jab from around the rock moved into the open where four shots in quick succession despatched him. The animal was yet black, about two years old, and a handsome pelt one could not wish to see.

The hunters, by dint of hard exertions, moved the bear for a mile or more, when they heard the lamentations of another bear, a mother or a mate, which had scented the dead companion. They went back after this one, but the afternoon was growing late, and they had to abandon a fruitless search. An exceedingly large black bear has been seen in a short distance from the Main Road in the West Paradise section, and his name and number are being looked for by many hunters. Mr. Bent made a generous distribution of bear steak and according to unauthenticated reports some wild men are being developed. Some five or six bears have been killed near here since early Autumn and still the supply keep up.

SHELBURNE LADY TO TOUR THE WORLD

Mrs. Hattie Dawson, of this town, leaves next month for a tour of the world as a member of the Clark tour party. The party will sail from New York on the Empress of France, a palatial steamer of 18,500 tons. Havana will be the first port of call, then Panama, San Francisco, Honolulu, Yokohama and then on to India, Egypt, Gibraltar and Europe with a finish at Quebec, probably in May.

Miss Blanche Patton went to Halifax last Friday to spend the Winter with her uncle, Rev. Canon Harris.—Spectator.

MEMORIAL SERVICE AT LAWRENCETOWN

In Memory of Soldier Dead. Memorial Organ to be Dedicated.

Lawrencetown—A memorial service is to be held in the Baptist Church in Lawrencetown on Sunday evening, December 17th, at 7.30, in memory of the young men of that town and vicinity who made the supreme sacrifice for King and Country. In the service will be included the dedication of a new memorial organ recently purchased by the church from the N. H. Phinney, Co., of Wolfville.

Special music of a patriotic nature will be rendered by the choir and a memorial address will be given by Rev. H. G. Mellick, of Hantsport, a former pastor. The public are cordially invited to these services.

FINE RECITAL BY PUPILS OF MISS HORTENSE GRIFFIN

The Court House was filled to the doors last Thursday evening by a most appreciative audience, upon the occasion of the recital given by Miss Hortense Griffin's pupils in piano-forte.

The programme was well chosen and included such variety and difficult selections as Heller's "Tavantele" Mozart's "Rondo in D" and the Polonaise from "Mizium". The numbers were rendered in a manner which presented the highest testimony to Miss Griffin's ability as a teacher. Both technique and expression were equally good.

The programme was varied by several vocal solos which were pleasingly given by Miss Shafner of Mount Allison, a number of delightful readings by Miss Stuart of Acadia, and several piano solos, including the "Scherzo" B minor from Chopin which were brilliantly and sympathetically rendered by Miss Miriam Colt of Acadia.

Special mention must be made of the youngest performer of the evening, the baby daughter of Mr. and Mrs. Kenneth Leslie, Dressed as a butterfly she fluttered about on the stage, in the butterfly song which was sung by Miss Rhoda Hyson during the intermission. She completely captivated the house by her baby grace and she seemed almost as pleased with her audience as the audience was with her.

Miss Griffin is to be warmly congratulated upon her first recital in Bridgetown. It was an unqualified success.

DOMINION ATLANTIC HEATED CAR SERVICE

Heated Car Service to accommodate lessening perishable freight for Halifax has been established by the Dominion Atlantic Railway, commencing Tuesday, December 13th, leaving Annapolis on that date and each Tuesday thereafter, picking up shipments that may offer from all stations between Annapolis and Kentville.

The fact of this car being forwarded from Kentville to Halifax on Fast Freight Tuesday night, enabling consignees to obtain delivery of such perishable shipments, as fruit, vegetables, etc., Wednesday morning, best speaks the best support and appreciation of Annapolis Valley shippers.

ST. CROIX COVE

The P.E.I. Baptist Conference was held at Cavendish on October 16th and 17th.

The special feature of the Monday evening service was the ordination of Lic. Myron O. Brinton, pastor of the entertaining church. Rev. Ross E. Eaton preached the ordination sermon. The speaker took for his subject "The Church". The charge to the candidate was given by Rev. R. W. Lindsay. Rev. J. S. Millett gave the charge to the church. The ordaining prayer was offered by Rev. A. K. Herman. Special music well rendered by the choir added much to the service.

SCHOOL FOR BLIND TURNS 1921 DEFICIT INTO 1922 SURPLUS

Halifax—Turning a 1921 deficit of \$14,000 in current expenditures into an income over expenditures of \$8,000 in 1922, was the experience of the management of the School for the Blind here, according to the report presented at the fifty-second annual meeting of the institution. Of the surplus of \$7,500 had come from sums collected. The report of the superintendent, Sir Frederick Fraser, showed that one hundred and forty-five students were registered on Nov. 30th of this year.

BRIDGETOWN BAND ELECTS OFFICERS

Enthusiasm in Musical Matters Growing—Splendid Meeting. Everyone Boost Band.

Bridgetown's re-organized band is coming. Its members are enthusiastic and are leaving no stone unturned to re-develop an organization in which the town may take pride and pleasure. As the old saying goes "The Gods help those who help themselves." The MONITOR believes that the band deserves and will have a good measure of support from citizens generally. No philanthropic citizen who is looking forward to doing something to delight his fellow citizens and in create the joy of living need overlook the matter of a little judicious assistance financial or otherwise for the band. This is only an independent suggestion made by the MONITOR without the slightest hint or suggestion from others, but we believe that there are good public spirited citizens who will think this over.

Now for the meeting which was held in the Council Chamber on Friday evening. The seat of the Town Fathers was filled with bandmen, ex-bandmen, bandmen yet to be, and other interested citizens. Mr. C. B. Longmire presided, and officers were elected as follows:

Honorary President—Mr. Horace Bishop, now of Kentville, but for many years Bandmaster of the old Bridgetown band, and very popular in musical and social circles. The presidency goes to his son, an enthusiastic bandman and musician.

Vice-Pres.—W. E. Reed, Secty.-Treasurer—P. W. Longmire, Executive Committee—H. C. Young, Percy Burns, Percy Sloum.

Mr. Kenneth Leslie is being extended a cordial invitation to become a member of the band.

Mr. Percy Burns was appointed Librarian. With the conclusion of these business details and a membership assessment, the band settled down to a good practice, and will hold regular sessions in this regard on Wednesday nights at 7.30. Success to the band. Bridgetown needs a good band is now in line to have it.

Mr. John Buckler left here for Boston, Dec. 8th.

SCHOOL BOARD HOLD MEETING

Bills Passed—Repairs to High School—Other Matters.

The School Board held a meeting last Friday evening and passed a number of routine bills.

There was also some discussion of repairs recently made to the High School building, but this was along the line of the best way of arranging the financial side of work which had not been foreseen so as to provide for in general estimates early in the year. Extensive repairs to foundation as outlined in last week's MONITOR have been made and it is probable that some further repairs will have to be made next Spring or Summer.

The Maxwell Motor Corporation was the successful bidder for the Chalmers Motor Co., bidding \$1,937,000 at the receiver's sale.

POTATO MARKETING PROSPECTS

It is quite apparent from the reports given out in the Bulletins of Agricultural Statistics that there has been in 1922 an overproduction of potatoes.

Looking over the estimates for various countries of the world and their requirements for home consumption, we notice the following:—

United States requires 3.6 bushels per capita or about 260,000,000 bushels. The estimated production this year is 433,000,000 bushels, thus leaving a surplus of approximately 73,000,000 bushels.

England has, this year, a crop yield 15% greater than the average of the past five years. This represents about 34,000,000 bushels more than last year and about 30,000,000 bushels more than required for consumption.

In Canada the average crop is about normal which would represent approximately 40,000,000 bushels or about 10,000,000 bushels above consumption requirements.

Summing up, it would seem that between England, United States and Canada there are about 113,000,000 bushels of over-production.

What effect will this have on our present marketing conditions? With such a quantity of potatoes in stock, unless a large percentage is destroyed before reaching the market by such agencies as frost or rot, there is likely to be no appreciable rise in price by next Spring.

This report is not intended to discourage the potato grower. It is meant more to give him a statement of present conditions. There is one obvious lesson to learn this year by the farmer who has been leaning more towards specializing in potato growing than following general farming. Specializing should be practiced by specialists who know the ins and outs of the business, its demands, factors that influence the marketing, etc.

Under present conditions the farmer who sticks to general farming, and has a place on his farm for a good number of dairy cows, some hogs, sheep and poultry, has ten chances to one better than the potato specialist to make ends meet.—J. E. McIntyre, in Maritime Farmer.

UPPER GRANVILLE

This community was shocked and saddened by the sudden passing on of Mrs. Samuel Mack, mourns her loss as a kind neighbor and ever ready friend to aid in time of trouble, her gentle inassuming personality endeared her to many and she was universally esteemed for genuine worth.

Many a kind deed done in a quiet way will be remembered by those who knew and loved her as a true woman whose life fully portrayed Christian virtues. To those near and dear we extend sincere sympathy.

The first real snow storm of the season is upon us looking at time of writing, Winter-like.

Mrs. Ingles Austin has returned from a month's sojourn with relatives and friends in Boston and vicinity.

Mr. John Parker is home for the Winter after being employed in Houlton, Maine, since October.

Mrs. Edwina Dodge is spending a few weeks at the home of Mr. and Mrs. R. P. Parker.

EAST AND WEST AGREE

Lydia E. Pinkham's Vegetable Compound is Helping Sick Women to Health.

The two letters which follow clearly show the broad field covered by this well-known medicine. Women from every section—you know some in your own neighborhood—praise Lydia E. Pinkham's Vegetable Compound as a wonderful medicine for troubles women often have.

From Prince Edward's Island—East

Miscouche, P. E. I.—"I had female troubles for two years. I always had a headache and a pain in my side and sometimes I felt so weak that I could not do my work. A friend advised me to take Lydia E. Pinkham's Vegetable Compound and I have taken six bottles of it. It has done me a lot of good and I am still taking it. I will tell my friends of your medicine and hope they will try it."—Mrs. CAMILLE DES ROCHES, Miscouche, P. E. I.

From Saskatchewan—West

Wadena, Saskatchewan.—"A friend in Rose Valley recommended Lydia E. Pinkham's Vegetable Compound to me and it has been a great help to me. I recommend it and you can use this letter as a testimonial if you wish."—Mrs. PETER NORMAN, Wadena, Saskatchewan.

A WOMAN PRAYS

God, make me worthy of the little things;
The thin, new moon, the little bird that sings,
The whimsy dream with every-ready wings—
God, make me worthy of the little things.

Lord, let me feel the glory of the small;
The hidden path, the bud, the breeze' call,
Those little hours that have no spur at all—
Lord, let me feel the glory of the small.

God, make me worthy of the little things;
The little silences that loving brings,
The routine tasks, the little hand that clings—
God, make me worthy of the little things!

—Glad Madone.

CAN TREBLE COAL OUTPUT OF WEST IF MARKET GOTTEN

Ottawa.—The output of Canadian mines in the West can be trebled so soon as the necessary market has been established, according to Dr. Charles Camsell, Deputy Minister of Mines, who returned from a prolonged inspection tour of the Western coal fields. The average output at present was 5,500,000 tons a year and, as the demand warranted, the output could be increased to 12,000,000 to 15,000,000 tons yearly, he said. Dr. Camsell said that Canadian coal was taking the place of American coal throughout the West and, except for the district in Southwest Manitoba, Canadian coal was being used practically exclusively in the three Prairie Provinces this year.

THE N. B. GOVTS LIQUOR PROFITS FOR THE YEAR

Fredericton.—Profits to the extent of more than half a million dollars have apparently been realized by the Province of New Brunswick during the past fiscal year from the distribution of liquor under the Prohibition Act by the New Brunswick Liquor Commission and receipts under the Commission and receipts under the New Brunswick Liquor Exporters Tax Act.

MAIL YOUR CHRISTMAS PARCELS EARLY

Remember that thousands of other people are mailing an unusual number of letters and parcels, too, at this season, and if they all pile up together the last few days it is impossible to get everything handled and delivered on time, and somebody is bound to be disappointed. Mail early, and see that your friends get your Christmas greetings before the day's festivities are over.

"DRY NAVY" OUT ON THE HUNT

For Rum Runners With a Stock of Christmas Liquor.
New York.—The United States "Dry Navy"—that fleet of ghost ships which tries to keep the prohibition laws intact on the high seas, put out to check a great flotilla of rum runners which started for New York and other points along the eastern seaboard with a stock of Christmas liquor.

Re-inforced with extra boats hastily pressed into service, the regular fleet has taken to the ocean to lay for nearly 100 boot-legging craft, which is known to be tearing up from the Bahamas with 50,000 to 100,000 cases of liquor, or to be laying off-shore waiting for the sea-going rum-runners to arrive. Orders have been issued to halt every ship which looks suspicious.

DEVELOPMENT OF CANADIAN LITERATURE

Boston.—Canada did not begin to develop a truly distinctive literature until after the world war, just as American literature began to have a distinct identity after the Spanish-American war, John Murray Gibbon, President of the Canadian Author's Association, declared Tuesday night, before more than 800 members of the Canadian Club of Boston, assembled at their annual banquet.

The cause of the post war development of literature in Canada, the speaker asserted, was the growth of a national consciousness as the result of the war.

He said that the reason Canadian literature has grown so slowly was that Canadians were listeners, rather than readers and depended rather on the spoken than on the written words.

APPLE SHIPMENTS DURING NOVEMBER

Twenty-Three Ships Loaded Quarter Million Barrels For U. K. Markets.

During the month of November there were twenty-three steamers loaded apples at the port of Halifax, taking a total of 235,708 barrels for the markets of the United Kingdom. Up to the end of November a total of 545,607 barrels of apples had been exported this season from the Annapolis Valley through the port of Halifax. This is about seventy thousand more barrels than were exported for the same period last season, when up to the end of November 468,861 barrels were shipped. In November, 1921, a total of 238,074 barrels were shipped. This season the shipments in November were lower, but the total shipment to date is much larger than that of last year.

BIG SEIZURE OF NARCOTIC DRUGS

Captured By Mounted Police at Montreal Valued At \$70,000.

Ten thousand ounces of narcotic drugs, valued at wholesale druggist prices at \$70,000 and at the price of \$100,000 when sold by peddlers at nearly a million dollars, were seized by officers of the Royal Canadian Mounted Police. Morphine was the bulk of the huge supply, which was packed in two large packing cases.

It was ascertained that the drugs were shipped from Switzerland on the S. S. Minnetonka, disguised as merchandise.

HEALTH OFFICER HATTIE RESIGNS

Taking Position On Staff Of Dal. At Halifax.

Halifax—(Announcement was made Thursday of the resignation of Dr. W. H. Hattie, Provincial Health Officer for Nova Scotia, and the appointment of Dr. A. C. Jost as his successor.

Dr. Hattie has been for years one of the leading authorities on public health in the Province, and for 30 years was superintendent of the Nova Scotia Hospital.

He has now taken the professorship in public health at Dalhousie University, where he has lectured on health subjects for several years.

Henceforth he will give his full time to university work.

Dr. Jost was formerly Provincial Health Inspector for Nova Scotia.

SIXTY-ONE COWS CONDEMNED

Result of Tuberculin Test in Vicinity of Moncton.

As the result of the tuberculin test being applied by Dominion Government veterinarians to the milk herds in the vicinity of Moncton, N. B., some sixty-one cows have thus far been condemned and shipped to Sussex to be slaughtered. The inspection has been going on for a week and many more herds in the Moncton district have yet to be examined.

People often given three cheers for something they would not give anything else for.

C.N.R. FLAT CARS CONVERTED FOR COAL HANDLING.

To meet the C.N.R.'s demand for flat cars in the Maritime Provinces, 32 flat cars were set to work to convert flat cars into cars suitable for the carriage of coal. The cars were converted to a height of 4 feet 2 inches; the width is 8 feet 7 inches, and the length 32 feet 7 inches. Spruce planking 2 1/2 inches thick and hardwood posts 4 inches by 5 inches were utilized.

First converted one was completed ready for service August 24, and since that date 127 have been turned over for operation. The cars are boxed up to a height of 4 feet 2 inches; the width is 8 feet 7 inches, and the length 32 feet 7 inches. Steel draft arms were applied and the cars were equipped completely with safety appliances.

WINTER TRIPS TO CALIFORNIA

Services of Canadian National Railways Offer Fine Opportunities for Comfortable Journey.

Those who desire to escape the rigours of a Canadian winter are now planning a trip to British Columbia, or to Southern California.

It is a long journey, but distance is overcome in large measure by the splendid train services of the Canadian National Railways, and the traveler can enjoy the comforts afforded by the finest of through trains on the Continent.

Discuss this tour with any passenger agent of the Canadian National and learn the advantages of making this trip through Canada by the Canadian National Railways. It will teach you to know your own country better, and it affords views of the finest mountain scenery in America. Think of visiting in the winter months, and spending the period where the grass is green, where the flowers are blooming, where summer pastimes are being indulged in, and where nature welcomes you with the smile of smiles.

From the Maritime Provinces there is the finest rail connection by the Ocean Limited or Maritime Express, with the famous "Continental Limited" leaving Montreal at 9 p.m. daily for Winnipeg, Saskatoon, Edmonton and Vancouver.

Particulars of this fine rail service will be furnished by any passenger or ticket agent of the Canadian National Railways.

WINDSOR CURLING CLUB OFFICERS

The Membership of the Organization is Increasing.

In the Progressive Club rooms the Windsor Curling Club held their annual meeting for election of officers and appointing of committees, and a general discussion on the new rink, which is almost finished.

The election of officers resulted as follows:—President, Jas. Barnes; Vice-Pres., J. D. Currie; Secretary, H. S. Anslow; Treasurer, C. Manning.

The Skips for the year elected as follows:—Seniors, J. D. Currie, H. G. Goudge, H. S. Anslow, C. S. Forsyth, J. W. Blanchard, W. H. Roach, P. A. Curry and Jas. Barnes. Juniors: G. V. Smith, I. D. Pickard, H. S. Smith, G. P. McElhiney, John Wilcox, F. H. Dodge, A. Mounce, and Dr. O. B. Keddy.

The names of twenty-six new members were proposed and elected to become members of the Club.

In recognition of the prominent place in athletics that Windsor holds in Eastern Canada, through the efforts of Vic. McAnlay by winning all the middle and long distance running events in which he started, held in the Maritime Provinces during the past Summer, and establishing two new records, the members have extended to "Vic" the privileges of the Club.—Chronicle.

FISH STORIES EXTRAORDINARY

The MONITOR is indebted to some kind friend at present unknown for a copy of the Trinidad Weekly Guardian, a readable paper made up in old country lines. We reproduce stories from it that would almost outdo the famous Baron Munchausen King of liars:

I see in the paper that some woman living on the north coast of Cornwall enticed a seal to walk or flap, or whatever a seal does, up the beach to the gate of her house in order to listen to her playing the piano. "When she ceased playing" says the report, "the seal somewhat reluctantly returned to the beach and dived into the sea."

That's not nearly such a good story as that of the experience which befell some people here who had gone for a holiday at one of the smaller bays on Gasparée. They took with them, of course, a gramophone, without which no island party is complete and as usual whenever they were not in the sea the gramophone was turned on and ground conscientiously through the dozen or so records which constituted its accompanying repertoire. The house they were staying in is quite close to the water's edge, and one day when they had come in from bathing and were sitting in the little gallery with the faithful gramophone playing for the umpteenth time "Who's Baby are You," they noticed a pelican on the water about twenty yards away apparently listening to the music with as near a rapt expression as a pelican's countenance can be expected to assume.

They kept the gramophone going for about half an hour and all the time the pelican sat motionless. Breakfast was announced and they stopped the gramophone. The bird immediately began to show signs of dissatisfaction. It flapped off the surface and flew in small circles in front of the house. Eventually it made a wider turn, executed a spectacular high dive, caught a fish, but instead of gobbling it down at once flew straight back to the house and dropped the fish with a flop on the landing stage. It then returned to its original listening post and settled down with an air of contentment.

EAT APPLES

"When a man bits into a mellow, sour apple, he does something more than absorb a pleasant mouthful," remarks the Rural New Yorker. "He cleans his teeth with the most sanitary tooth-brush in the world. Perhaps the worst enemy of the teeth is pyorrhea. In these modern days this trouble seems to be worse than when we were children, but that is because we know more about it now, and increased knowledge means increased advertising. The bacteria which go with this disease, if unchecked, cause the gums to recede and the teeth to loosen. The acids of the apple act to destroy or injure the work of these bacteria. A solution of weak vinegar makes a good mouth wash, and the flesh of the apple, when driven in around the teeth and gums, as is forcibly done by a good strong bite, is about as effective and very much more agreeable. Yes, a good sour apple is a sanitary tooth brush; there is no danger that someone else will use it after you have finished. By using three such brushes every day you will keep your teeth and the rest of your body in fine condition, and also provide a market which will give a great industry from lost. Eat apples! Remember that there must be lime to fill our children's teeth, and milk supplies the lime."

EARLIEST SKATING IN TWENTY YEARS HELD IN HALIFAX

Halifax.—The earliest skating in Halifax in twenty-two years was reported when the local Arena opened its public sessions a few nights ago. A hockey practice was held in the rink on Saturday.

CLEMENTSPORT

"THE QUEEN OF THE BASIN"

Winter seems to have announced its arrival with a preliminary flourish on Wednesday, 6th inst., when a heavy fall of snow took place. Autos for a time were held up and are yet for the most part. Sleighs and sleds and road shovelling parties took their place. The swamps are not yet frozen so that not much wood can be taken out yet. Cold weather followed the snow fall—the thermometer falling to zero on two consecutive days. Again we hear the earliest snow fall for years, etc., yet on turning up last year's diary, we read of going thru snowdrifts on Nov. 25th, while on our way to a birthday surprise party for Capt. Amos Burns. Then, too, we recall the date of the great explosion in Halifax, Dec. 6th, 1918, when it was blizzard weather with zero temperature. So, after all, folks, it is just the same old season, with but little variation—the chief change is in our memories. To prove this, just check the weather by your diaries of the past few years.

The following members of the Annapolis Deaneery were present at the Chapter meeting held in Clementsport on Monday and Tuesday, Dec. 4th and 5th. Rev. Rural Dean Driffield was a guest at the rectory. Ven. Archdeacon Watson and Rev. E. Underwood, guests of Mr. and Mrs. Wm. Mills; Rev. J. Reeks, guest of Mr. and Mrs. Stewart Roop; Rev. T. C. Mellor, guest of Mr. and Mrs. Herbert Hicks; and Rev. Canon Morris, guest of Mr. and Mrs. L. V. Shaw. The Rev. Morris Taylor was unable to be present, due to the funeral of Mrs. Goodwin, he was to have been entertained by Mr. and Mrs. H. C. Vroom, who were disappointed, as were the members of the Deaneery, that he was unable to be present. Monday night a service was held in St. John's Church, Bear River, when Ven. Archdeacon Watson took the service, Rev. E. Underwood the lessons, and Rev. Wm.

Driffield gave an excellent Advent address. Other clergy present were the Rev. T. C. Mellor, Rev. John Reeks, and the rector, Rev. A. W. L. Smith. After service the Masons among the clergy attended the Keith Lodge, while the others were entertained at Mr. Wm. Roman's. Tuesday, at 8 a.m., a celebration of the Holy Communion was held in the Parish Church. The Rev. Rural Dean Driffield, the celebrant, the rector assisting and the Rev. T. C. Mellor giving the "ad clerum" sermon. The Deaneery dinner was given at the rectory at 12.30 noon. At 7.30 evening in the Parish Church, Rev. Canon Morris giving a most suggestive Advent message. The sessions were taken up with the reading of papers, and routine business. Altogether a profitable session was held but Clementsport would like to have the Deaneery in Summer when the visitors could have opportunities of seeing her beauty and the weather is more favorable for people to attend the services.

People are killing their pigs at this season and of course are figuring the times and weights. Mr. Walter Chute tells us he killed a 7 months old pig which weighed 400 lbs. Who can beat this?

We regret to learn that Mr. Harry Low is confined to the house with a severe cold. The doctor has been in attendance, and at the time of writing this Monday, 11th inst., he is decidedly better.

Mr. George Gilliat came home from his vessel in the United States, ill, and is, we understand, a little better. We trust he will soon recover his health and strength again.

Mr. Wm. Watson has purchased the Reg. Wier property on the Waldeck and is residing there. We welcome him to the community and trust he may be so pleased and successful that he may make a permanent residence here.

OBITUARY

Mr. Robert Lowe.

The death occurred on Monday at Victoria General Hospital of Mr. Robert Lowe, at the early age of 35 years. His remains were brought here on Tuesday's express and services were held in the afternoon from St. James' Church, where they were conducted by the rector, Rev. E. Underwood, assisted by Rev. John Reeks, of Round Hill. The funeral was under Masonic auspices, and the officers and members of Rothsay Lodge conducted the service at the grave, and was largely attended.

The deceased enjoyed a high degree of popularity in Bridgetown and previous to his illness about a year ago, was for ten years a member of O. P. Cover's staff. A native of Halifax, a son of Mr. Benjamin Lowe, he leaves a sister and several brothers. So much was he attached to Bridgetown that he was buried here at his own special request.

MOTOR MAKERS HAVE WAR ALL THEIR OWN

Drop In Price of Ford Cars is First Step, It is Said.

New York.—The Wall Street Journal forecasts a price cutting war among the manufacturers of the smaller types of automobiles as a result of the reductions in the prices of Ford cars, announced recently. "The Ford price reduction is looked upon in many quarters in New York as another step in the survival of the fittest in the automobile industry," the paper says.

It is practically certain that both the Star and Gray cars will be reduced to the Ford level, the Journal adds. These cars are not yet in the hands of the U. S. public in any quantity, but have been sold extensively in several Canadian cities. While the other manufacturers of cars in the low-priced field have always maintained that they did not actually compete with Ford, the paper points out, each time that Ford had made a price reduction other producers in the low-priced group have followed suit. A prominent motor executive is quoted as saying: "Several big producers who have not reduced since last mid-winter will probably be compelled to make reductions soon."

Rev. Dr. Steele, who has been a Baptist clergyman in Amherst for over 50 years, received an address on the 4th from his friends and also a purse of gold.

FIGHT TO SAVE LIFE OF MYLES IS CONCLUDED

No Definite Date For Decision Set.

Argument in the Crown case resumed of Ralph Myles, now sentenced to be hanged January 4th, for the murder of Florence Myles, was concluded before the full bench of the Nova Scotia Supreme Court.

No definite date for a decision was set.

The argument centres around the admission as evidence at the trial of a statement made in hospital, when he thought he was dying, to the effect that the death of the girl and his own injuries were the result of a suicide pact.

At his trial, Myles said he made this statement to protect the girl and that

in reality the girl had been responsible for the double shooting, first firing at Myles and then killing herself.

I. C. Doty, counsel for Myles, submitted that remarks made to Myles at the hospital by Police Detective Tough were sufficient to create the desire on the part of the accused to shield the girl.

"If the suicide pact statement," had not been admitted as evidence, Mr. Doty contended, "the accused might not have been called to testify, and there would not have been two conflicting stories by their possible effect on the jury."

The People's School for 1923 will open in Antigonish on Monday, Jan. 15th, and will continue in session till Saturday, March 10th.

W. C. T. U. NOTES

Women's Christian Temperance Union first organized in 1874.

Aim:—The protection of the home, the abolition of the liquor traffic and the triumph of Christ's Golden Rule in custom and in law.

Motto:—For God and home and native land.

Badge: A knot of white ribbon.

Watchword:—Agitate, educate, organize.

Officers of Bridgetown Union:—

Vice-Pres. Mrs. Duncan; 4th Vice-

Pres. Miss Newcombe; Cor.-Sec'y,

Mrs. M. Wentzell; Rec.-Sec'y, Mrs.

R. Chute; Treas. Mrs. Harry Magee.

The W.C.T.U. holds its meeting in

the Board of Trade room at 838.

Meets held in Board of Trade

room. Miss Crighton read a paper

on "Why Should I Belong to the W.

C. T. U.

Committees appointed and usual

routine business transacted.

Will the ladies of the town who are

interested in this work kindly come

to the next meeting, Dec. 18th, and

join the W.C.T.U.?

Why Should I Belong to the W.C.T.U.?

(By Julia C. Turnbull)

Why? Because the sympathy of

every Christian woman is needed in

a work having for its object the pro-

tection of the home. Why? Because

in union there is strength. In union

there is power. The most delicate

threads when sufficiently multiplied

will form the strongest cable. Forces

when acting singly, says Salter, are

utterly impotent but are, when act-

ing in combination, resistless in their

energies, mighty in power. This truth

has been established by the forces

of the W.C.T.U., the largest organiza-

tion of women in existence—a soci-

ety beneficent in purpose, and bless-

ed by God from its commencement.

The Women's Christian Temper-

ance Union was born of prayer and

has been based upon Christianity.

"Make a chain, saith the Lord, for

the land is full of bloody crimes and

the city is full of violence." The W.

C. T. U. is a woman's chain that is

organized to be added link and every

member gives additional strength to

the chain. By co-operation many

things are possible that single in-

dividuals cannot bring about, and by

it women are being helped socially

and intellectually. This woman's

chain is for the protection of the

home, of society, and of all human-

ity. "For God and home and every

land."

"Why should I belong to the W. C.

T. U.?" Because you are a woman,

and to you is entrusted the moulding

of the men and women of the future.

The home is woman's kingdom, and

the Christian work must begin in the

home. Society is composed of house-

holds, and a woman reigns in the

household. She must therefore mould

society. If woman forms society, she

must aid in forming society. To do

this individual effort is not sufficient.

Organization is most effectual. "Every

wise woman buildeth her house, but

the foolish plucketh it down with her

hands." Not only does the wise woman

build her house for the present, but

for the future. It is not enough

to build our own walls, but we must

look to the walls of our neighbor.

"The Master is come and calleth for

thee."

Had I heard aright? Was the call for

me?

Was it I who was wanted? I listened

again,

And my heart incredulous filled with

pain

That was keen and bitter and hard to

bear.

No doubt there were others waiting

To answer the summons—the good,

the strong,

And those who had served the Master

long

Yet it seemed that to me the message

came,

For coupled with it I heard my name.

"The Master is come and calleth for

thee."

I felt at last the call was for me,

And timidly answered the darkness

through

"Lord, what wilt thou that I should

do?"

This is the question for every woman

to ask, when she enquires: "Why

should I belong to the W.C.T.U.?"

THE HORRORS OF INDIGESTION

Relieved by "Fruit-a-lives" the Fruit Medicine Indigestion, Weak Digestion or partial digestion of food, is one of the most serious of present-day complaints—because it is responsible for many serious troubles. Those who suffer with Indigestion, almost invariably are troubled with Rheumatism, Palpitation of the Heart, Sleeplessness and excessive Nervousness. "Fruit-a-lives" will always relieve Indigestion because these tablets strengthen the stomach muscles, increase the flow of the digestive juices and correct Constipation, which usually accompanies Indigestion. 50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

CHRISTMAS APPEAL FOR NOVA SCOTIA SANATORIUM

To our friends throughout the Maritime Provinces:—Another Christmas is close at hand, and busy as you are with personal interests, we know there is a place in your hearts for the boys who are still paying the price of the war. They, and our civilian patients also, who are here, isolated from their normal surroundings, but making a brave and cheerful fight for health, have had each year a gala celebration of the season of goodwill, which has warmed their hearts and filled us all with gratitude to those who have helped out with gifts. We confidently hope that this Christmas the spirit of giving will not be less generous than formerly.

Gifts of money, or of "treats," small "comforts," etc., reaching us from now up to December 31st, will be greatly appreciated and personally acknowledged. Several Societies and Clubs, including Red Cross Auxiliaries, Local Councils of Women, I. O. O. F. Chapters, Women's Institutes, etc., were kind enough last year to fill colored tartan stockings, from a dozen to twenty-five each, and so enable us to keep up our custom of giving each on Christmas morning. We should like to do it again this year. Then we have our Christmas Tree in the evening. This year we shall have about two hundred patients at Christmas time, about fifty of them women. We specially request that individuals or Societies intending to send a contribution will be kind enough to let us know, at the earliest possible date, just what we may count upon from them. This can be readily understood as necessary so that we may know what purchases we ourselves must make, before the Christmas season is upon us.

Address: The Medical Superintendent, Nova Scotia Sanatorium, Kentville, N. S.

BEAR STORY A TRIP

A very thrilling story was in circulation last week giving a most vivid description of a man by the name of Martin Hiltz, of Dalhousie, being killed by a bear. It was reported that Mr. Hiltz shot the bear but only wounded it, and that owing to his automatic rifle refusing to work after the first shot the wounded bear attacked Mr. Hiltz, when a fierce struggle ensued, which was supposed to have lasted for two hours. When found both Mr. Hiltz and the bear were dead lying side by side. This story is absolutely groundless as Mr. Hiltz has been reported as being alive and well, and had not even seen a bear this Fall. So much for the profident story teller.—Berkwick Register.

REPORT ON HANGING OF BENNIE SWIM

Commissioner's Investigation Into Case of Man Who Had to be "Executed" Twice.

The report of J. Bacon Dickson, who, as commissioner, conducted an investigation into the circumstances surrounding the execution of Bennie Swim, at Woodstock on October 6th, when the condemned man had to be twice hanged before the death sentence was fully carried out, was tabled at a recent meeting of the Provincial Government.

Concluding portions of the report follow: "While not a part of my duty, I feel that having been in close touch with the facts regarding this regrettable affair, it would be well for me to deal briefly with our system of capital punishment. The sentence of the court is that the prisoner be hanged by the neck until he is dead. The duty of carrying out this sentence is placed on the sheriff. He receives no instructions from any official source as to how the details of this gruesome task are to be carried out. As our sheriffs have no knowledge of hanging and as no official information is available, they are obliged to secure the services of a professional hangman and this practice has become almost universal in Canada. But the sheriff's difficulties do not end with the decision to employ a professional hangman. There is no official of this description. He must employ some person on the recommendation of others without any responsibility in the matter, and quite naturally, dependable citizens are not making their livings by hanging. The wonder is that there are not more affairs of this nature.

"Again, our Criminal Code provides that the execution take place within the walls of the prison. In most of our prisons no provision is made for the execution of prisoners and this section is interpreted to mean that the execution must take place on the prison premises. Many of our prisons are situated in the residential sections of our cities or towns. There is nothing to obstruct the view of the residents or the public from what takes place there. The gall at Woodstock is a striking example of this. The yard is small, bordering on the street, and there is nothing to obstruct the view of the public from what takes place therein. The swim hanging would have been hardly sprung the first time, although it is admitted that nothing seems to have been very definitely established in regard to what actually happened, and says that life was nearly extinct at the time and Swim would have died from strangulation within a few minutes if allowed to remain hanging."

The commissioner says that the evidence showed that Gill, the second hangman, actually cut the rope the first time, but says that Doyle had become "very officious at this time," and explains that it "was necessary for the Sheriff to request him to go into the jail." "I have come to the conclusion that it was on Doyle's order that the rope was cut," says the commissioner, who adds that Doyle "should have obtained definite instructions from Dr. Giffin, the physician in charge before giving such an order."

"Nothing was disclosed at the investigation to show discredit on any person taking part in the execution," reads one paragraph of the finding, referring to Doyle. Regarding reports that Doyle was drunk or under the influence of liquor, the commissioner says: "I have come to the conclusion that if Doyle had taken any liquor he did not show signs of it to any marked degree on the morning of the execution" and that "it certainly had not affected him to such an extent as to interfere with his carrying out the execution."

Regarding charges that Doyle had been brutal to Swim, the commissioner finds that the hangman "did not look upon the affair in a proper light" and that Doyle was "not as considerate of Swim's feelings as he might have been" mentioning his remarks on the scaffold to Swim and the springing of trap while Swim had not finished his prayer.

The report completely exonerates Sheriff Albion Foster, of Carleton County from any suggestion of neglect of duty, the commissioner saying:—"I am fully satisfied that the Sheriff did all in his power to have a capable man on hand to carry out the execution."

The report commences by reviewing the appointment of the commissioner and the holding of the sessions of his court at Woodstock, naming the witnesses.

LAWRENCETOWN

Sunday, 3rd. Impressive sermons. Good music at the morning and evening services. The attendance good.

Methodist Sewing Circle met at Mrs. Elvin Shaffner's home Monday evening, where a busy happy time was spent. At the close of the working hour dainty refreshments were enjoyed. The same evening a strong committee of the Methodist S. S. met to consider plans of greater help to other valuable branches of the church. Rev. Mr. Rackham, the superintendent; the teacher of the Men's Bible class; teacher of the Young Women's class; also teachers of the other classes. All the children will be glad to hear that among other subjects discussed was that of the evergreen Christmas tree. And, perhaps Mr. Porter will send a radio message to Santa not to forget the good children of the town.

The Baptist ladies met at the home of Mrs. R. Morse. They did a great deal of useful and pretty fancy work for a Christmas sale.

In the evening the Social Circle had a happy evening at the home of Mrs. W. Freeman. Papers were read, speeches and music, made the gathering a success.

Mrs. Day, of Liverpool, has decided to spend the Winter in Lawrencetown. Mrs. Rayo spent a day at the home of Mrs. William Prince.

Mr. Bruce, of the Royal Bank, has gone to Port Williams, Kings Co.

Mr. W. B. McKewen marked the date and his name on a turtle he found on his farm 1878. Mr. Graves purchased the place and recently the turtle was found in good health, date and letters distinct.

Meeting of the Library friends was very much enjoyed by the brave ones who ventured out. Rev. Mr. Underwood gave a fine address. Old songs were sung, refreshments were provided by the ladies, a collection was taken, and new members joined. All see the great value of this popular institution.

The windows of the stores are prettily dressed. Christmas goods are greatly in evidence.

The Morning Chronicle, being given over to religious letters, and The MONITOR getting heavy doses of Church, Circle, Aid Societies. Thinking a little worldly but not wicked news would be a change to the readers we went forth, but not a scent of home brew, no riots, no clothes

abstracted from the lines,—all peace, prosperity and happiness.

Mrs. Pearl Pidgeon has returned to town from a case in Waterville.

A good move has been made by the Imperial Theatre in having a Matinee. It gives those who do not venture out at night an opportunity to see the pictures.

Mrs. T. Porter and daughter returned to their home last week.

Mr. and Mrs. J. Taylor, of Bridge Street, with Miss Taylor, have gone to Halifax for the Winter. They will be a loss to the church and society of the town.

A valuable gift of books was presented to the Public Library by these kind friends who took a real interest in the welfare of the town.

Mr. Willoughby Phinney had the misfortune to break his leg.

Saturday—deep snow and cold. Items were hard to find.

Mr. and Mrs. Clarence Young are spending a day or two with Mrs. D. M. Balcom.

DEEP SBOOK

The many friends of Mrs. H. E. Snell, of Bear River, will be glad to know she is making a good recovery from a second operation within six weeks. She has been under the care of Dr. Chandler, one of the leading surgeons of the Homeopathic Hospital, Boston, and her niece, Mrs. Vernon C. Orde, graduate nurse. Mrs. Snell is expected home before Xmas.

The W.M.A. Society will meet on Thursday, Dec. 14th with Mrs. Bessie McBride. The meeting was postponed on account of storm.

Miss Margaret McClelland spent the week-end at her home here.

Miss Emma Baird, who is attending the Academy at Annapolis, was an over Sunday guest of her aunt, Mrs. Robert Curtis.

We were sorry to receive word of the sudden death of Mrs. Emma McKinnon, of Brockton, Mass., on Dec. 7th. She was a daughter of the late Mr. and Mrs. John Nichols and sister of J. M. Nichols, of this place.

The Bank of England discount rate remains unchanged at three per cent.

PARADISE

An unusual feast of musical genius was enjoyed by nearly 100 persons, Monday evening, Dec. 4th, at Burn Brae, the spacious home of Mr. and Mrs. E. G. Morse. The artists, Mr. St. Elmo Selfridge, of Aylsford, N. S., gave the following recital:—

Sonata, "Moonlight" — Beethoven
I am thy Harp — Woodman
Little House O' Dreams — Speake
The Horne — Flegler
Cecilia Blanchard Selfridge.
Rhapsodie in G minor — Brahms
St. Elmo Selfridge.
Negro Spirituals: —
Deep River — Burleigh
O' Didn't it Rain — Burleigh
I Stood on de River O' Jordan — Burleigh
Standing in de need O' Prayer — Reddick
Cecilia Blanchard Selfridge
To Spring — Greig
Clair de Lune — Debussy
St. Elmo Selfridge
At Dawning — Cadman
I Know a Lovely Garden — Hardetai
My Thoughts — Hewitt
Cecilia Blanchard Selfridge
Scherzo, Op. 31 — Chopin
St. Elmo Selfridge
Invictus — Hubn
Cecilia Blanchard Selfridge

The Selfridge brothers are now touring Nova Scotia, their next concerts being reported for Canning and Hantsport. After Christmas they will appear in a number of recitals along the South Shore, thus giving many of our Nova Scotia towns a chance to hear and see rare genius and talent well developed.

St. Elmo Selfridge is a graduate in music of both Acadia Seminary and the Royal College of Music, and promises fair to become a Canadian Paderwaki. Cecilia Blanchard Selfridge has studied under Arthur J. Hubbard, of Boston and Provand, the operatic baritone. Like his brother, at the piano, he has perfect control of his listeners, making so vivid his interpretations that one can feel and be lost in each thought and mood of his song. While these brothers are near lovers of good music will do well to hear them if possible.

Mr. and Mrs. E. G. Morse, who entertained the musicians, have certainly given Paradise a treat not soon to be forgotten.

WHY THE PASTOR RESIGNED

Rev. M. P. Montgomery, pastor of the Second Baptist (colored), of New Glasgow, to a large congregation gave his reasons for resigning, that he was not receiving as a minister of the gospel, that he was not given the support of the officers and members, that the Second Church did not have the power it should have to uplift mankind and effect the salvation of the world, that the spiritual life of the church was being paralyzed, that those who constituted the congregation were incapable of imbibing moral and religious truth, that he was deprived of encouragement and inspiration derived from contact with other ministers, that he had too great a difficulty in getting his salary.

GERMANS WEIGHING ON DELIVERIES OF COAL

Berlin.—Germany's coal imports during October amounted to 2,298,371 tons, according to official statistics, while 1,500,000 tons were delivered to the reparations commission. Besides the latter, 203,321 tons of German coal were exported. The reparations demands included 1,600,000 tons monthly in addition to 125,000 tons of Upper Silesian coal and twenty per cent. of any surplus production over 8,300,000 tons.

The German press declares fulfillment of the entire demands impossible especially those involving the Upper Silesian coal, as many mines have been lost to Germany through the partition of the district.
