REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION
FOR 1885.

Your Council beg to submit their Annual Report for the year 1885.

The Annual Prize Meeting which took place on the Association Ranges, Toronto, on 24th August, and three following days, proved one of the most successful ever held in the Province so far as the management and working details were concerned, not one protest being entered, nor was there a single instance of irregularity or loss of time.

For this happy state of things the credit for arrangements previous to the matches is due to Lieut.-Col. Alger, District Paymaster, with Captains Macdonald and Mutton of the Queen's Own Rifles, who during the absence of the Secretary, undertook to perform his duties, and to the zeal and attention shewn by the Officers charged with the conduct of the meeting during its continuance.

Financially the meeting was not up to previous years but for this there were two very good reasons, viz., the lengthened absence of many militia corps in the North-West, doing duty during the rebellion, prevented a number of both Officers and men from giving any more time to military matters for the remainder of the year, and secondly the Railway Companies, who for years past have granted those attending the matches the privilege of travelling at one fare for the double journey would not concede this rate again, but increased it to one and a third fare, this increase debarred several would be competitors from attending

The only new feature in the programme was the abolition of the Small Bore match, and substituting for it a second stage for the Martini at 800 and 900 yards, the change proved a most satisfactory one and should be continued.

The financial state of the Association is very sound, a good cash balance being to its credit; there are no liabilities and the assets foot up to a respectable sum.

Considerable money has been and will have to be expended yearly upon the ranges, but every effort is made to keep the expenditure as low as is consistent with efficiency.

To its many friends and supporters the Association is under great obligations, and your Council have to acknowledge with grateful thanks the donations and contributions below named.

His Excellency the Governor-General, silver and bronze medals.

The Dominion Government its annual grant of \$1,800, the Ontario Government a similar one of \$1,000, the Canada Company the donation of twenty-five guineas, which for many years past it has given, and the sum of \$100 from the President of the Association, Lieut.-Col. Gibson, M.P.P., 13th Battalion.

The following Municipalities for the sum of \$10 each, viz. :—
Counties of Haldimand, Huron, Lincoln, Oxford, Renfrew, Prescott and Russell, Stormont, Welland, Wentworth, Wellington and York, with the cities of Hamilton, St. Catharines, and Toronto.

And Prizes for the "Extra Series" Match from Messrs. Copp, Clark & Co., Russell & Son, Thos. Crean, Brown Bros., Fulton, Michie & Co., R. Hay & Co., Sheffield House, Toronto Silver Plate Co., H. E. Clarke & Co., C. A. Stark & Co., Bowmanville Furniture Co., Lugsdin & Barnett, *Mail Printing Co.*, *Globe Printing Co.*, *Telegram Co.*, *The World*, Jno. K. Macdonald, Esq.; Major Mason, 13th Battalion; Captain Cooper, 12th Battalion; Major Dawson, Royal Grenadiers; Major McLaren, 13th Battalion; Captain Blain and Captain Mutton, Queen's Own Rifles.

Your Council also desire to place on record the efficient and valuable services rendered by the gentlemen below named in the management of the Prize Meeting, viz. :—Lieut.-Col. Jones, Dufferin

ONTARIO RIFLE ASSOCIATION.

To the managers and proprietors of the various daily newspapers of Toronto for the full and accurate accounts published of each day's proceedings the Association is under many obligations.

6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.
7. Two guns will be for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance in all matches; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.
11. No "fouling" shots will be allowed.
12. Competitors may wipe out or clean out their rifles during any competition between distances only.

13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry"); nor shall a competitor change his rifle during a match, unless it becomes unservicable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise specified, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions restricted to the use of breech-loading rifles, competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. Where only one competitor is present, he must necessarily fire his shots consecutively and without undue delay.

19. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

20. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

21. In matches shot for by "representative" Teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, provided that their doing so does not delay the firing.

22. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

23. Any competitor protesting against the ruling of the officer of the Range, or feeling aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

24. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order.

W. D. OTTER, LIEUT.-COL.,

Secretary.
