The Compound Investment Policy

Possesses all the advantages of the Company's favorite Semi-Tontine plan, with the addition that after it has existed for ten years, the Company will loan to the holder, if he so desires, the premiums payable for the remainder of the term, to enable him to keep the policy in force to the end of the Investment period. Should death occur any time after the tenth year the full amount of the policy is payable, and the loan (if any) cancelled.

The 7 Per Cent. 15 and 20 Years Bonds

Provide that at the end of the period, fifteen or twenty years, the insured can draw out his cash surplus, have a paid up policy for the full amount of the Bond and in addition draw an annual income of seven per cent. on the face of the Bond so long as he lives.

The Company offers to intending insurers all the ordinary plans of insurance as well as those specially mentioned.

The Company is noted for prompt payment of death claims immediately on completion of proofs.

Its policy contract is a simple one, free from onerous conditions and incontestable after three years.

OBJECTS OF THE COMPANY.

The Company's Charter gives it power to execute every kind of Trust and Financial Agency. The following are some of the more important offices which the Company undertakes:

1. Trustee under the appointment of Courts, Corporations or private individuals.
2. Executor, Administrator, Guardian, Committee, Receiver or other fiduciary function.
3. Agent for any person holding any of the foregoing offices.
4. Agent and Attorney for the management and winding up of Estates.
5. Agent for the issuing and countersigning of stocks, bonds and other obligations, and for receiving and managing sinking funds.
6. Agent for investing money, collecting interest, dividends, mortgages, and generally for performing any financial offices.
7. Receiver and Assignee.

The necessity for some suitable corporate body, authorized to discharge the various important, responsible, but generally thankless and onerous offices above enumerated, had long been keenly felt in Ontario; and the large and steadily increasing number of cases in which the Company is called upon to exercise its several functions shews clearly that the public fully appreciate the boon which the creation of this Company (the first in the Dominion established for the purpose), has conferred on the community.

The appointment of the Company either as Executor, Trustee or Administrator, is now indeed a matter of almost daily occurrence, and these important duties, it is believed, have in every case been discharged to the satisfaction of the parties interested.

BUSINESS DIRECTORY

MIGHT'S DIRECTORY CO., PUBLISHERS.

Head Office: 18 Wellington Street East, Toronto, Ont.

Seeing the need of a complete and reliable Business Directory of the Dominion of Canada we decided to issue this work. We have the largest and most efficient staff in the world to handle a work of this kind, and our patrons can depend upon receiving a correct and reliable report, alphabetically arranged, in Provinces, of all Trades, Professions, Merchants, Manufacturers, etc., including all businesses carried on in the Dominion. To the above are added the name of Railway, Express, Telegraph, Tele phone, Steamboat or other means of communication, or nearest Bank, etc. Having canvassed all the Cities, Towns and Villages in Canada, we have had a large circulation, also liberal patronage in the way of advertising. Price of book $10, which is exceedingly cheap, considering the enormous expense in a work of this kind, the demand has been so great that only a few are left. We intend to publish another in due season, the book will be sent to any address, per express or post, prepaid, on receipt of price. The book contains 2,800 pages of useful information that no business man should be without.

Following will be found a list of Directories and Gazetteers, published by us, any of which we will be glad to forward to your address on receipt of price, express or postage prepaid.

Dominion Business Classified Directory, 1890, price $10; Ontario Gazetteer and Directory, price $5; Toronto City Directory, price $5; London City Directory, price $3; Ottawa City Directory, price $3; St. John's Newfoundland City Directory, price $2.50. Address

St. Lawrence Hall,

MONTREAL.

FEW Hotels in the Dominion or on the Continent have won the wide-spread popularity for prompt and satisfactory management as has the ST. LAWRENCE HALL. For over 38 years the travelling public have found the "Hall" the best and most complete equipped house in the Country, in all its departments. Every want that human foresight can supply, for the comfort and convenience of guests, the Management has ever provided for, and it is this attention that has given to the "Hall" its fame as the leading Hotel of Canada, both in the United States, Great Britain and the European Continent. For over a quarter of a Century the "Hall" has held this proud position, and has had as its guests the most illustrious representatives of Royalty and the Peerage, who have in that period visited the Metropolis of the Dominion.

The Location of the "Hall" on James St., the principle thoroughfare of the city, cannot be surpassed in a sanitary point of view, and is the most centrally situated for all travellers.

IMPROVEMENTS.—The growth of Montreal in the past few years, and the ever-increasing demand for first-class accommodation required by the travelling public, has called for large additions to the "Hall" which have been carried out and just completed. The Massive and Elegant exterior—five storeys high, with mansard roof, and a clear frontage of 125 feet, on the most fashionable street of the city—at once attracts the attention of the Tourist, and a visit inside soon leads to the conclusion that for polite attention and satisfactory management, the "Hall" has no superior. The new improvements have increased the accommodation for guests to over 300 well-lighted and airy rooms, furnished in the most tasteful style and with every modern convenience. Passenger elevators are also provided, and the whole of the corridors, reading and other public rooms have been lighted, furnished and decorated in the most artistic manner.

THE DRAWING-ROOMS.—The "Hall" is now provided with two of the handsomest Drawing-rooms in the city. The New room is one of the recent improvements, and is a marvel of beauty and elegance in its Decorations, Frescoes and Furnishings. The whole of the wood work is of red cherry with Lincrusta Walton panellings in gold, rich mirrors adorn the walls, and massive Gas Candle Chandeliers are suspended from the ceiling. The upholstering is of the richest and most luxurious description—the Carpets, Chairs, Sofas, Ottomans, etc., being specially made to suit the adornments in the room.

THE DINING-ROOM has been enlarged, making it 100 feet long by 50 feet broad, and capable of seating 400 guests, The room has been thoroughly renovated and decorated by the best Italian artists, and is lighted by Gas and Electric light.

Billiard, Hair-Dressing, Sample and Bath Rooms are all Connected with the Hotel.

All trains and steamboats are met by the "Hall" busses, and polite and attentive porters always in attendance to look after guests' baggage.

Rates from $2.50, $3.00 to $3.50 per day, according to location.

Mr. Hogan, the genial proprietor, still gives his personal supervision to all Departments, thus securing for the guests every attention required.

INTRODUCTION.

WHILE the name of the publishers of Toronto 1891 Directory is entirely different from the name under which it has appeared for the last ten years, the only change is the substituting of Mr. E. [illegible] C. Clarkson in the place of Mr. R. L. Polk, making it an entirely Canadian institution.

Mr. J. M. Might who was the first man to place the Toronto City Directory as a permanent annual publication in 1877 and following years until 1889, under the name of Might & Taylor and Might & Co. Through overwork, Mr. Might lost his health and injured his eyes, his physicians advised him to sell out. Messrs. R. L. Polk & Co became the purchasers and published it until 1890, when J. M. Might repurchased an interest in the business, and took the management. To him we are indebted for the successful issue of the recent Classified Business Directory of the Dominion of Canada and Newfoundland. A work that will be found very useful to Manufacturers and Merchants, Importers and Exporters. It is said to be the largest book ever printed in Toronto; it contains over 2,800 pages. The information of this gigantic work has been taken, compiled and printed in the short space of nine months, which is considered marvellous by men who have a knowledge of the amount of labor there is in producing a reliable work of this kind. We have a few copies on hand that will be forwarded express charges prepaid on receipt of price, viz, $10.00.

We still claim, notwithstanding imperfections that must always be expected in Directories, that our Toronto City Directory for useful information is the most complete Directory published and the best value for the money charged.

It is our intention to issue a map with our Toronto City Directory for 1892, shewing the New division of Wards (if so divided) in different colors, also all the suburbs given in our Directory, such as Little York, West Toronto Junction, Mimico, Eglington, etc. The price of the Directory including this map will be $5.00.

Although the population of Toronto is still steadily increasing we have by dropping out what we consider useless names and by placing the 1890 Mortuary List on the back pages so that our book will be found not to vary much in the number of names in 1890. Our estimate of the present population is 225,000, although we do not expect that the census enumerators will be able to find them all.

Thanking all those who have so kindly assisted us in procuring information for our book, and trusting that no evil will befall the one or two who were ignorant enough to refuse us the privilege of securing the names of their employees. We now trust our Patrons will assist us by getting their money ready as soon as our men enter their offices with the Toronto City Directory for 1891. C. O. D. is the only way that we can satisfactorily deliver our book, and we trust that none will take objection to this, as we use all alike.

Our book is later than we intended, owing to inability of our printers to secure type-setters. As usual our canvassers will call on you early for the purpose of allowing our old advertisers to secure their regular space, and to releive us in our hurry in getting out the work at the end of the year, which we are determined to do, and think we can safely promise that our 1892 will be ready for delivery on the 1st day of January next.

Yours truly,

MIGHT'S DIRECTORY CO.

Entered according to Act of Parliament in Canada, in the year one thousand eight hundred and ninety-one, by the Proprietors, in the Office of the Minister of Agriculture.

A SPECIAL DISCOVERY

(SPECIAL BY ATLANTIC CABLE.)

PARIS, JANUARY 1ST, 1891.—An extraordinary astronomical discovery has just startled the scientific world. Last night Prof. Seefar caught sight of a Comet of the first magnitude. As its brilliant tail flashed through the heavens, the Professor, to his profound amazement, found that the name of **THE C. F. ADAMS Home-Furnishing House** was inscribed on it in fiery letters, together with a full list of their latest styles of **Furniture, Carpets, Stoves, etc.** Almost as wonderful as the celestial display itself was the low prices at which their goods were offered, and more wonderful still is the fact that this firm, in addition to the big values, offer very liberal terms to the Credit Buyer, without interest or extra charge.
