HAMILTON, 2nd April, 1860.

TO THE GRAND WORTHY CHIEF, OFFICERS AND REPRESENTATIVES OF GRAND TEMPLE, I. O. OF G. T., OF CANADA.

The Committee appointed at the Annual Session of this G. T., to co-operate with the Sons of Temperance in getting up Petitions to Parliament, for a Prohibitory Liquor Law, and also to memorialize Ecclesiastical Bodies on the subject of Prohibition, beg leave to report:

That said Joint Committee met in the City of Hamilton, on the 6th January last, and in a most harmonious manner, discussed the several matters referred to them. They agreed to Petition by Temples and Divisions, under seal and signature of Presiding Officers and Minute Secretaries, also stating the number of members. This has been carried out, and the Petitions forwarded to the Hon. M. Cameron for presentation to the House. They also decided to send form of Petition to each of the other Temperance Organizations. In view of the wish expressed by the Montreal Temperance Society, to establish a Canadian Prohibitory Liquor Law League, the matter was considered; they could not recommend either Order to unite in that movement; but expressed their approval of a Provincial Convention of all existing Temperance Organizations. The Sub-Committee to draft a Bill, did not approve of Mr. Linton's, but preferred one offered last year, with some amendments and additions, which has been handed to the Hon. O. Mowat, who agreed to put the same in legal form, free of charge. The Memorial to Religious Bodies is prepared, and at the proper time will be presented to them respectively. It was resolved that the expense of meeting, &c., of Committee, be equally borne by the two Orders. Your Committee recommend the thanks of this G. T. be sent to Hon. M. Cameron and O. Mowat.

The whole respectfully submitted in F. H. & C.

GRAND WORTHY SECRETARY'S REPORT.

BOWMANVILLE, April 5, 1860.

G. W. CHIEF, OFFICERS AND REPRESENTATIVES:

We are permitted once more, under the guidance of a kind Providence, to meet in Grand Temple assembled.

We are always pleased to meet friends and acquaintances, under ordinary circumstances, when separated from them for a season; but how much more gratifying to meet those with whom we are associated as brothers and sisters in the great cause of humanity.

The Constitution does not require of me to present a report at a semi-annual Session; but it having formerly been the practice to do so, I therefore avail myself of the privilege, it being in all probability the last time I shall ever have the honor to address you.

I am pleased to meet so many of the old and tried friends of our cause, coupled with so many new recruits in our ranks, clearly demonstrating our future prosperity, and fairly shewing that wherever a blank may be created by the absence of old and familiar faces—through force of circumstances, such blank is fully repaired by the attendance of new members.

At our last Annual Session, and during the interim, circumstances transpired that have considerably agitated the entire ranks of our noble Order in Canada; and whatever course of action may be taken at this Session relative to the same, permit me to entreat, that all our discussions be tempered with a spirit of forbearance; and I trust each and all Representatives will weigh well the responsibility resting upon them, before discharging the trust reposed in them by their respective Temples, remembering that, in the event of any evil resulting from hasty legislation, we are individually held responsible to Him who knoweth our most secret thoughts for whatever may be impure in the motives which prompted our action. Let us, therefore, fully understand our obligations and responsibilities, and in all our actions be guided solely with an eye single to the advancement of our glorious Cause, and the redemption of the inebriate from the thralldrom of Intemperance.

The manner in which the motives of our members have been impugned, and our acts misrepresented through the public press, by professed temperance men, is to be deprecated. Other good causes have suffered through the baseness of traitors, and we need not expect to escape. But ours is the glorious privilege of writing all injuries in the sand. Persecution may howl, and the blast of envy detract, yet we can say, "Father forgive them, they know not what they do."

Brothers and Sisters—the principles of our Order are founded on right, and are therefore perfect in themselves, and capable of overcoming all opposition. They are like the rock of Horeb, when touched by the magic rod of Moses, they gush forth with streams of refreshment to the weary and the dying—they often make the solitary place glad—they teach lessons of forgiveness, as we hope to be forgiven. Those virtues were conceived of the infinite wisdom—heaven-born and soul-redeeming. The evil may condemn that which is too pure for their society or sympathy; but we will march upward and onward, over all opposition; as God lives, we shall triumph: "the wilderness shall bud and blossom as the rose." We may have many a weary ascent to climb, and find many thorns in our pathway, but a cheerful prospect of fragrant flowers greet us; the smiles of the good and great cheer us; we are made happy by

the shouts of joyous ones, redeemed from bacchanalian festivities, through the influence of our noble Order.

Since our Annual Session, we are able to report fifty new Temples organized, with a membership of twelve hundred and fifty to be added to our former number, with two old Temples resuscitated: making our number of Temples over four hundred, with a membership of over 19,989. During the same period only four Temples have surrendered their Charters, which calamity was caused solely through the pressure of hard times, being unable to collect sufficient dues to meet their expenditure for rent, wood and light. I am happy to state that many of the newly organized Temples are the spontaneous result of public sentiment in favour of our Order and Cause; and notwithstanding that we now have a Temple in almost every town and village in Western Canada, our numbers could be more than doubled, would our Deputies work with the same zeal to present our claims, that our *enemies* shew in *endeavouring* to mar our prospects. Had each Deputy organized one Temple in every Quarter, it would have more than doubled our best effort; but while we have one Deputy (Br. W. Campbell,) who has organized twelve good and efficient Temples, during the last six months, twenty-three others have organized none; and I am fully convinced, if there was a good and efficient lecturer employed, who would attend to visiting the unoccupied territory, and organize Temples, much good would result: at the same time I trust the Representatives will give their unqualified disapprobation against those self-constituted Temperance Lecturers, unknown as tried Temperance men.

The following will shew our Financial condition :

The dut
stant care :

Brothers and Sisters, if we reflect that while our Order in Canada was in its infancy, our financial condition was such as to cast a gloom over our entire ranks, and as then prophesied by some, would eventually absorb our existence as an Organization, we cannot but contemplate our present prosperous condition with pride and satisfaction; and when we consider, that by a system of strict economy, and prudent legislation, we have been enabled, since 1856, to liquidate a debt, then owing, of some \$1700, and place our assets at over \$1,000, with a constant decrease of taxation, and, at this time, with a less assessment on Subordinates than any other similar organization in the world, it affords, in my opinion, sufficient evidence to silence all the base slander, as to our reckless expenditure, and to establish a perfect confidence in the administration of your Executive.

Ever since I have had the honour of being a member of this Grand Temple, it has been my highest ambition and constant study to see secured for the Grand Temple of Canada the proud and honourable position she now occupies; to be the first to claim the palm of victory over all the other seventeen Grand Temples under the jurisdiction of the R. W. G. L., and entitle her to four Representatives, the highest position which can constitutionally be attained by any Grand Temple; and I am happy to say, that our sister Grand Temples freely accord to us the honor we are so justly entitled to; and if my humble efforts have, in the smallest degree, contributed toward securing the much-coveted boon to Canada, the result more than compensates for all the care and thought bestowed, as I warmly feel the poet's inspiration in the following glowing lines:

"Breathes there a man with soul so dead,
Who to himself hath never said—
This is my own, my native land."

And I would here state for your information and satisfaction, that the R. W. G. Templar has, in very complimentary terms, adopted our code of Constitution for Subordinate Temples, as the best which has come under his notice, and ordered a supply printed for the use of the Subordinate Temples under the immediate jurisdiction of the R. W. G. L.*

The duties of the G. W. S. are duties which demand constant care and incessant labour; if I have not been able to dis-

charge those duties to the satisfaction of all, permit me to say, they have been discharged at all times to the best of my abilities; and I take this opportunity of returning my sincere thanks and deep-felt gratitude to one and all, for the kindness and courtesy shown me during the four years I have been an Officer.

Grand Worthy Chief, Officers and Members, I now, most respectfully, tender you my resignation as G. W. S., and trust my successor will be chosen to the satisfaction of all; but although resigning, as one of your Chief Officers, I do not resign my intention of meeting with you, as I dearly cherish that privilege.

I have attended every Session of the R. W. G. Lodge, since its organization, and with those meetings I couple some of my happiest recollections. When I contemplate the noble principles displayed at the altar of Faith, Hope and Charity, there all political preferences and National pride give way to nobler feelings; and we freely unite and exchange sentiments as Brothers and Sisters in the great and glorious Cause—the redemption of man from the thralldom of Intemperance.

I have also attended every Session of this Grand Temple, but one, since its organization, and I am this day forcibly struck with the fact, that I stand here as the only Charter member present; but notwithstanding that the original branch of this noble Temperance tree in Canada has almost become withered and decayed, it is pleasing to reflect that sufficient vitality remained to sustain and invigorate the numerous grafting which were being yearly made; and while my health and strength is spared me, by a kind Providence, I trust I will always be found doing my duty as a Good Templar.

When I can be permitted to behold fields waving with bright and golden grain, never to be crushed into the accursed distillery; when vineyards, under trellised vines, with grapes in all their purple glory, never to be pressed into that which shall debase a man; when orchards, with trees hanging thick with their golden pulpy fruit, never to be turned into that which can injure and degrade humanity; when the last fire in the last distillery shall be put out; when the last drunkard's wife's tears shall be gently wiped away; when the last drunkard's child shall be lifted up to stand where his Crea-

Moved by Rep. D. Abel, P. G. W. C. T., and seconded by H. H. Stovel, G. W. M.,

Resolved,—That this Grand Temple desires to record its disapproval of the action of the Executive Committee, in withholding a part of the proceedings of the Peterborough Session from appearing in the Minutes; as well as preventing the well-understood wishes of the members of the said Session being carried out.

On motion of Rep. W. Ollington, the Grand Temple went into Committee of the Whole on the above resolution; Rep. J. L. Tucker in the Chair.

Committee of the Whole, after a lengthened debate, rose and reported progress.

On motion, the G. W. C. T. declared the Grand Temple adjourned until 2 P. M.

which were sent by the G. W. S. to Br. D. B. Ross, an Officer of the Temple at Innerkip, we fail to find anything therein contained that calls for action on the part of the Grand Temple.

Your Committee have further to report, that a resolution passed by Ashburnham Temple, alluded to in a letter from the G. W. S., which letter, your Committee are of opinion, ought to have been received, as fully satisfactory, embracing, as it does, the information required, and therefore they cannot recommend any action to be taken on the correspondence submitted for their consideration in these matters, inasmuch as there does not appear anything calling for the interference of this Grand Temple.

With reference to that part of the communication read by the G. W. S., from W. J. Patterson, Montreal, in relation to the desire expressed by that correspondent, to have a Temple organized in that city, under the jurisdiction of the Independent Order of G. Templars, your Committee would recommend that an efficient member of the Order be appointed by the Grand Temple, to go to Montreal to organize a Temple, and fully instruct them in all the workings of the Order, when called upon, in order that the influence and benefits of our Order may spread, and become richly productive of good in the Eastern section of the Province.

Nevertheless, all of which is respectfully submitted.

C. G. CURTIS, *Chairman*,
J. McWHINNIE, *Secretary*,
J. M. VANNORMAN.

On motion of Rep. J. McWhinnie, seconded by Rep. C. G. Curtis, the report of the Committee on Correspondence was adopted.

An amendment offered by Rep. A. Tolmie, seconded by Rep. A. Graham, to the effect, that the Report be not adopted until the papers on the Innerkip and Ashburnham Cases shall have been read, was lost.

REPORT OF COMMITTEE ON APPEALS.

BOWMANVILLE, April 4th, 1860.

TO THE G. W. C. TEMPLAR, OFFICERS AND MEMBERS :

Your Committee on Appeals have had only *one* under their consideration, namely, from Fingal Temple, No. 43. After deliberation on the case, they are unanimously of the opinion, that the Temple, in the first instance, acted unconstitutionally, in not imposing a penalty—but that the Temple, according to Constitution, has not the power to re-obligate the second time for the same offence, nor inflict a penalty after re-obligation.

The appeal is therefore sustained, and the decisions of W. C. T. and D. G. W. C. T. reversed.

The whole respectfully submitted in F. H. & C.

R. D. WADSWORTH,
JOHN WEIR,
J. W. GIFFORD,
J. M. MAYELL,
JAMES ADAM.

Report on motion was adopted.

A communication, read by Rep. A. Tolmie, signed Renfrew, Peterborough, was declared out of order, relating merely to private matters.

On motion of Past G. W. C. T., Abel, the Grand Temple resumed the consideration of a previous question, in Committee of the Whole. After considerable discussion, the Committee rose, reported progress, and asked leave to sit again, which was granted.

The time having arrived, the Grand Temple adjourned until 10 P. M., for the purpose of attending Good Templars' Soiree.

Eveing Session.

BOWMANVILLE, April 4th, 1860.

Pursuant to adjournment, the Grand Temple met in Session at 10 P. M. Officers all present. Prayer by the Grand Chaplain.

The adjourned debate was then resumed, in Committee of the Whole.

Committee rose at half-past 3 A. M., and reported the following resolution, which was unanimously adopted :

Resolved,—That this Grand Temple sincerely regrets the necessity felt by its Executive Committee, in consideration of the latitude given by the wording of a resolution, and in view of their obligations, of suppressing a portion of the minutes of Peterborough Session ; and although of opinion that no such power belongs directly to said Committee, nevertheless, this Temple is fully satisfied that the action taken was conscientious, and with a view to the best interests of our Order, on their part. This Grand Temple, therefore, entirely exonerates the Executive Committee from all censure, in relation thereto ; and further, that said action shall not be regarded as a precedent for the future.

On motion, the G. W. C. T. declared the Grand Temple adjourned to 9 A. M.

Your Committee, to whom was submitted the charge of Morning Lilly Temple, No. 347, against D. G. W. C. T., James F. Wright, beg leave to report, that the documents, and other evidence presented, go to prove the said J. F. Wright guilty of making false statements in reference to the amount he received from the G. T. for organizing

the said Temple; and your Committee would recommend that James F. Wright apologize, personally, to the Morning Lilly Temple, and likewise return, or re-fund, the said Temple the overcharge made; and would farther recommend that the said J. F. FINANCE REPORT.

BOWMANVILLE, 4th April, 1860.

TO THE G. W. C. TEMPLE, OFFICERS AND REPRESENTATIVES OF
THE GRAND TEMPLE OF CANADA, I. O. OF G. T. :

Your Committee on Finance beg leave to submit their first Report, and, in so doing, they have great pleasure in being able to testify to the accurate and satisfactory manner in which the Financial matters of the Grand Temple have been conducted by the G. W. Secretary and G. W. T. After a careful examination of the accounts and vouchers, submitted by both these Grand Officers, it is our pleasant duty to report them correct, and corresponding in every particular; while we congratulate your Grand Temple on the pleasing aspect which the Financial statement of the G. W. Secretary presents of the finances of the Order.

Your Committee further report, that, in their humble opinion, it does appear that the expenses for attendance on the Grand Temple, in some instances, are, to say the least, somewhat large; and your Committee, therefore, respectfully invite the attention of the Grand Temple to the propriety, nay, the absolute necessity, of husbanding the resources of the Order, and adopting a judicious economy in the

expenditure of the Grand Temple, being fully convinced that there is room for retrenchment, without impairing the efficiency of the operations of the Order. Your Committee questions the propriety of the Grand Temple paying for the attendance of P. G. W. C. T.'s at the Grand Temple, inasmuch as that is but an honorary office in the Grand Temple, and, in the opinion of your Committee, ought not to be remunerated for attendance; nevertheless, your Committee feel it a duty devolving upon them to bring these suggestions under the consideration of the Grand Temple, to be dealt with as the majority of the Grand Temple may deem right and expedient.

Committee on Petitions presented the following Report:

COMMITTEE ROOM, I. O. of G. T.

Bowmanville, April 5th, 1860.

G. W. C. T., OFFICERS AND MEMBERS:

Your Committee on Petitions beg leave to report as follows: In reference to the Petition of Warpath Temple, No. 408, your Committee are fully convinced, from evidence already produced in this Temple, that the assertions of Mr. Savage, in reference to A. Tolmie, are without foundation; and, as members of the I. O. of G. T., consider it unwise and imprudent to take any notice of assertions coming from persons who are our enemies, and, we believe, are doing all they

can to weaken our ranks and injure our character. Your Committee fully endorse the sentiments expressed in the Petition from Pioneer Temple, in reference to the practice of dancing in our Halls, and believe it to be highly injurious to the Temperance Cause, and not in keeping with the interest of our Order; but consider the subject entirely within the jurisdiction of the various Temples.

All which is submitted in Faith, Hope and Charity.

JAMES CRYDERMAN,
WILLIAM BEST,
GEORGE SMITH,
G. S. SHAW,
M. A. HAWLEY.

On motion of Rep. E. Cameron, the report was adopted.

I hereby give notice that, at the Annual Session, to be held in Hamilton, I will introduce a motion to alter Sec. 2nd of Art. Moved by Rep. E. Thorne, seconded by Rep. S. Morrill, and

Resolved,—That we hail with the greatest pleasure the return of our old co-worker and brother, Wm. Allington, to our midst, after his highly successful tour, in furtherance of the principles of our Cause in the neighboring Union; and while we are happy in having this opportunity of re-affirming our confidence in him as a consistent and upright Temperance Lecturer, of no ordinary ability, we cannot but hope, that he will find it compatible with his interests to make Canada the field of his future labors.

REPORT OF COMMITTEE ON THE STATE OF THE ORDER.

BOWMANVILLE, 5th April, 1860.

TO THE G. W. C. T., OFFICERS AND MEMBERS:

Your Committee on the State of the Order, have great pleasure in performing their duty, because this noble Institution, with which we have the happiness of being connected, continues to enjoy the smiles of Heaven, the sunshine of our Redeemer's countenance, and the inspiring energy of the Holy One, who is the author of every good and perfect gift.

It is worthy of note, that the Independent Order of Good Templars, of North America, in all jurisdictions of Grand Temples, has been marked with progress from the beginning; and in no jurisdiction has the same amount of progress marked our heaven-inspired efforts, than in Canada.

When we reflect on the powerful influence of the Drinking Usages of Society—the prevalence of Drinking Customs—the power of habit, and the tenacity with which those in the Traffic cling to the Bible-condemned and God-cursed business, not to speak of other kinds of opposition; and then look at the cheering facts furnished in the able Report of the Grand Worthy Secretary, we cannot but rejoice: our Faith is strengthened, our Hope is raised, and our Love to God—to our fellow-laborers, and to all mankind—is increased, and calls forth thanksgivings from every heart and tongue.

It is not for us to say to what extent the cheering success of our Order, in Canada, is attributable to the indefatigable exertions of the G. W. S. It is true, that many others have labored zealously,

untiringly, successfully; yet it is just to acknowledge that a very large proportion of our success, financially and otherwise, stands identified with the faithful discharge of the duty of the G. W. S., by Br. Ferguson; and he enjoys the entire confidence of the members of this Grand Temple. While we recommend that the resignation of Br. Ferguson, G. W. S., be accepted, we think we express the prevailing opinion, that the members regret that any circumstances should exist requiring his resignation.

The employment of suitable and efficient Lecturers has often engaged the attention of this Grand Temple, but we do not think the state of our Finances sufficiently prosperous to warrant any special action on our part at the present time. We can, however, and do recommend that such brothers as the Rev. B. Parsons, and G. C. Curtis, be encouraged to continue laboring in this good Cause, and that the G. T. give them whatever assistance may be in its power.

There is a very proper allusion to the disappearance from our midst of some of the standard-bearers in our Cause; we are glad to believe, that they are still true to our principles, and "live to fight another day."

The attention of your Committee has been specially directed to the approaching visit of H. R. H., the Prince of Wales, to this Province, and the desirableness of availing ourselves of that opportunity to bring before his notice the principles of our Order, and especially the subject of Prohibition. We therefore recommend, that proper steps be taken by the Executive Committee to hold a Grand Demonstration on the occasion, if practicable.

The whole respectfully submitted, in F. H. & C.

APPENDIX.

At a meeting of the Executive Committee, held in the Good Templars' Hall, Hamilton, C. W., the following resolution was unanimously adopted:

Resolved,—That the I. O. of G. T. hold a Grand Demonstration on the occasion of the visit of H. R. H., the Prince of Wales to Hamilton, and that an address be prepared and presented to H. R. H., on said occasion, by the Order; also, that an invitation be cordially extended to all friends of the Order to engage in said demonstration.

Further notice of action, will, in due time, be sent by Circular, to all Subordinate Temples.

In ordering books and property from this Office, it should be remembered that pre-payment must be made; and that to relieve the Grand Temple from an enormous postage bill per annum, sufficient surplus money should be sent to pay the return postage; or Subordinate Temples ordering such parcels will be liable to letter postage therefor, which would amount, in many cases, to more than the cost of said articles.

I hope all parties corresponding with this office, will, in every case, give the number of their Temple, the Post Office address, and their names, in *clear, legible characters*, as we often receive important communications, to which we cannot reply from defects in one or more of these respects.

The Band of Hope Ritual will be issued with the next Quarterly Passwörd, according to instructions.

Your's Faithfully, in Bonds,

J. M. VANNORMAN,

G. W. S.
