COLONIAL BOOK STORE, To the Electors of the City St.

CENTLEMEN,—I am again a Candidate to represent you in the Dominion Parliament, and solicit a continuance of the support so generously accorded me in the past. If elected, I will give my best energies to the development of the varied interests of the Dominion, and expecially those of the City I have so long had the honor of representing.

On the day of nomination I will refer at length to the important subjects that have engaged the attention of Parliament during the past five years. Your Obedient Servant. TILLEY.

the Electors of the City and County of Saint John. GENTLEMEN:

GENTLEMEN:

I ber to offer myself, a Candidate, to represent you in the Dominion Parliament, and to solicit your votes and support for the purpose. The great and advancing interests of the City and County—as the front door of the Confederacy—demand the highest attainments and best efforts of a representative. I respectfully trust that my qualifications may suit you, and that my intimate acquaintance, not only with the City but with every part of this Province, and the interest I have long taken in great measures to improve it, may recommend me to your favorable consideration.

If elected I will interest myself in the agricultural and mining interests of the cuntry, and it shall be my pride to elevate the condition of this City and County, and to place us first in the Dominion for manufacturing and fishing, shipping, and mercantile prosperity.

The encouragement of your manufacturing interests of every description, which I have long advocated, more especially as employments for retaining our children, working people and wealth in the Country, shall have my best exertions, and the making of the Bay Verte Canal, and the enlargement of our Harbor; upon which I have written so much, shall engage my unceasing efforts for the speedy accomplishments of these very desirable ends.

Finally, Gentlemen, my desire is to increase the wealth of every family and individual in this City and County, and to enact such just and equal laws as will produce harmony, contentment and happiness. I will further express myself on nomination day.

Your truly, ob't, servant,

St. John, July 13th, 1872.

To the Electors of the City of St.

A N response to your urgent request that I should allow myself to be put in nomination at the fortheoming election of a member for the City of St. John to represent you in the Dominion Parliament, after due consideration, I cheerfully accede to your wishes, and consent to place my services at the disposal of the electors of the City of St. John, particularly in the interests of our own City, Province and people, whose rights and claims I consider have been completely ignored during the past five years. J. S. BOIES DEVEBER. To the Electors of the City

and County of St. John. GENTLEMEN,—At the request of many of your number, I have been induced to become a Candidate at the approaching Election, and having nearly all my many invested in fere with the rights reserved to the several Provinces.

I will also try to lighten the taxes upon the country, as well by introducing greater economy in the public service, as by every other means in my power, for I believe that our pewer to successfully compete with our neighbors in manufactures and all other industries mainly depends upon our ability to keep our people free from burthens, and, by consequence, to make the cost of living cheap in the Dominion. I will labor to bring about freer trade relations with our neighbors, the citizens of the United States.

I will support whatever I believe will be for the interest of the Dominion generally and for yours in particular; and I respectfully solicit your support.

Your obedient servant,
A. L. PALMER.

If you have confidence in my ability to serve you and should elect me as one of your representatives. I assure

confidence in my ability to serve you and should elect me as one of your representatives. JUST RECEIVED: Nursery Rhymes, No. 13. BLOCK RIVETS.

All the wor'd's a pill box,
And all the men and women merely swallowers
of nauseous drugs, cunningly hid in capsules.
And one man at a time takes many pills.
At first the baby struggling and kicking in
its nurse's arms,
With thumb in eye and fist on nose, wailing
aloud a lond
For *Winslow's Syrup and a box of pills,
And then, the school boy, who won't go to
school,
Sut shame sick, and stays at home with feverish

NEW brain.
The doctor comes, and through his lantern jaw:
Inserts a † large and well-made pill.
And then comes forth the lover,
Seeking the ungicienn's art or sorcerer's aid.
Seeking some patent ‡ powder from the god of Seeking some patent? powder from the god of love.

And he receives it, rounded in a mass,
Pitular in shape and sugar-coated.

Then the loose sailor, with | shivering timbers,
And sanguineous eyes roating for pills,
Seeking pills, loudly, with a reputation
fiven at the *** Pharmacoutist's,
And then the fat alderman, with his dog tax,
And night mare visions of an unbuilt hall
Dancing fore his eyes, while his nose scents
A musty offal from ¶ Piscator's mart,—
And he, too, wants a pill, to ease his troubled
conscience.
