Ad of Small Things

Small things are very useful, or at least some are. We have these useful things at our Store: Pins, safety pins, domestics, hooks and eyes, whisks, scribblers, writing tablets, umbrellas, thread, spool silks, pocket books, scissors, tooth brushes, watches, thimbles, buttons (large assortment), tin pails, burners, wicks, creamers, iron white lined pots, carpet tacks, shoe tacks, half soles and heels, granite ware, bean pots, teapots, tumblers, salt and pepper shakers, syrup jugs, lux, gold dust, bouillabaisse, ammonia powder, soap, starch, grit and shell for hens, shoe dressing, soap, stove polish, lantern and lamp chimneys and other small things too numerous to mention. Nearly everything in light groceries. CALL AND INSPECT.

4 Specials — 11c each

Clark's 250-yard Real Thread
Coal's Mercerized Crochet Thread

Snap Hand Cleaner
Celluloid Starch, regular package

Out of Stock: Light Weights

A man that will sell to his own hurt and then squeal
A woman that will make old butter into prints and sell for new
A man that says he has no faults but sees lots in others
A woman that will sell preserved eggs for fresh
A man that does not feel comfortable in seeing parcels leaving any store but his own

A man that tries to monopolize trade
A man that won't buy goods from any firm that sells to his neighbor
A clerk that keeps his eye on the clock and not on trade
A manager that thinks he knows it all
A preacher that will compromise to save his pocket book or head

Overalls, we carry them and jackets too, but none small enough for these light weights. These light weights may lead a prayer meeting or teach a Sunday school class providing topic was on Tennessee or Longfellow, but what would they do if the subject was "As ye would that men should do unto you do ye even so to them." If this pinches corners, "Blue Jay" won't cure as disease is not located in feet. Guess—

Still have Seeds, Fertilizer, Paints, Gasoline, Feeds, Car of Salt, Car of Flour and Feeds to Arrive

HARTLAND BRIDGE TO BE REPAIRED

Almost Immediate Resumption of Traffic is Assured by the Local Government.

On Friday Superintendent D. A. Campbell and R. C. Fletcher went to Fredericton to interview the Minister of Public Works with regard to the Hartland bridge. They found that as serious as Hartland's calamity is, the government could do or say nothing until the whole effect of the trashed bridge has been reported. Fredericton bridge was in imminent danger while the International bridge between St. Stephen and Calais called for the immediate attention of all engineers available. It will not be possible for any official of the government to come to Hartland within a week or longer. But Messrs. Campbell and Fletcher were assured that every endeavor would be put forth to provide a means of transportation across the river at Hartland.

The people absolutely insist upon the resumption of traffic across the river. Means of crossing the river at this point is so important that in the past the people themselves built a bridge. Only a government that desires to commit suicide would withhold the means of crossing the river at this point. If the government intends to restore traffic here they should notify the people at once for if they do not the people will themselves provide means of communication as they were forced to do years ago.

The very latest information that the Observer can secure is that the government will provide temporary spans immediately and will proceed at once with construction of concrete piers for the bridge with the idea of rebuilding of steel.

It is expected that traffic will be resumed not later than May 15.

Big Races for Woodstock

The Woodstock horsemen are very much alive and several enthusiastic meetings of the Derby Club have been held lately. For May 24 a match race has been arranged. There will be three classes and races will be run off on the three heat plan, every heat a race. Probably only Hartland and Woodstock horses will race on that date. On July 1 there will be four classes—a 2.15 or 14, a 2.19 or 24 and a 30, all mixed trot and pace. Purse in each event, \$200. These races will also be run off on the three heat plan. These ought to be quite classy, as in addition to the large number of local horsemen there will be horses from Aroostook and some of the circuit horses on the way to Houlton for the 1st circuit race on July 6-6. A number of horsemen have announced their intention of training on the Woodstock track and they will also be ready for a little easy money on July 1. A circuit has been formed which gives 13 weeks continuous racing. This starts at Houlton July 5, with Woodstock July 12 and 13, when six classes will be run off with attractive purses. St. Stephen is next, then Fredericton, Chatham, Moncton, Springhill and St. John. Most of these places have two meets during the summer. The second circuit in Woodstock will be during the Provincial Fair to be held in Consett Park Sept. 13 to 17—five days continuous racing with at least three classes each

day. Look out for records at this meeting as the best horses in New Brunswick and Aroostook will struggle for supremacy and the racing will be for blood.

We already have a good number of race horses here but we expect more before the season gets underway. There is strong talk of a free-for-all being brought here to clean up everything in sight. It will be a flying machine for there are some very good horses racing in Maine and New Brunswick.

REAL ESTATE AND BUILDING

C. R. Violette has purchased the store being rebuilt on the Boyer lot on Main street. He has sold his residence to C. W. McQuarrie.

J. F. Murdoch will build a residence on his finely located lot on the east side of Main street. This building will be of concrete.

James W. Tompkins, a retired farmer of Mount Pleasant, has bought from Marly Estabrook, the concrete building on Hillcrest erected by H. N. Dickinson a few years ago.

It is an assured fact that the Bank of Montreal will this season erect a building of their own that will be a credit of dignity to that grave institution. The site will be the Main street front of the Thornton lot purchased last season by S. S. Miller and later resold to the Bank. A Woodstock report states that the new Bank building will be exactly like the one just completed in that town. But this seems hardly likely as one is on a corner lot while the other is not. Local officials of the bank can give no information as to whether the new bank is to be of concrete or brick. The bank will not, however, undertake to build until the city fathers have discovered where the Main street of Hartland is situated.

R. R. Linton has sold his house to W. D. Keith.

David Shaw will undertake the completion of his fine residence at the west end of the bridge road as soon as traffic is restored across the river.

J. M. McLeod has moved into the tenement over the store lately purchased by G. Murray McLeod and H. N. Dickinson has moved into the S. Hayden Shaw house.

The Observer is almost daily in receipt of inquiries for rents in town. The further growth of Hartland is at a standstill until there is an increase in housing facilities. It is true that the cost of building is higher than it has ever been, but even at the certain high cost of materials and the relatively high cost of land, building houses in Hartland should be a profitable industry. There is no false boom to the town. It is a desirable place to make a home and many farmers are retiring and looking to the towns and villages for a home wherein they may spend their declining years.

C. of E. Easter Meeting

The Easter meeting of the Church of England was postponed until April 12 on account of bad weather conditions. F. H. Stevens will be re-elected senior warden and T. E. Thistle, junior warden. Vestrymen are the same as last year. T. E. Thistle was appointed lay delegate to Synod which meets next week in Fredericton with Joseph Howells as substitute.

PERTH TO HAVE BIG PAPER MILL

Fraser Industry to be of Gigantic Proportions, Employing 1000 Men.

The Fraser interests, represented principally by Archibald and Donald Fraser, already incorporated as the greatest lumber company in Canada, are asking for a charter to incorporate Fraser Paper Co., Ltd., with a capital of \$5,000,000.

It is the purpose of the Fraser Paper Company, Limited, if granted authority by the Legislature, to establish a power plant at the Tobique Narrows "to generate, manufacture, use, develop, transmit, store and sell electricity, electric, pneumatic, hydro-electric and other forms of power, to use, sell and otherwise acquire and dispose of store, transmit and other wise deal in and with hydraulic power, electric power, electric heat and electric light, for any and all commercial and other lawful purposes."

The main purpose of the new company is to dam the Narrows for the purpose of generating power to operate an immense paper and sulphite pulp mill to be built adjacent to the power plant. It is expected that the mill when in operation will employ 1000 hands in which case a new town must spring up. It is estimated that the total outlay for the mill at the time it is ready for operation will exceed \$15,000,000.

It will of course require two or three years of constant work, night and day, summer and winter, to get this gigantic enterprise in operation. The residents of Perth, of the Tobique, of Victoria county nor of the province as a whole in a moment comprehend all the possibilities that this great undertaking presents.

The people have looked for this and that government to help along industrial projects and are quite unprepared to learn that an industry so stupendous in its magnitude is to be launched with so little preliminary agitation.

On Tuesday a meeting was held at Perth and was attended by more than 100 residents of the immediate vicinity. The whole gathering was heartily in accord with the Fraser interests and prepared a petition for the local government asking that the application of the Company be granted.

A very strong delegation was also elected to go to Fredericton to impress the government with desirability of having the project go through.

In a New Role.

"Mr. Sutton makes Budget Speech" is the caption which the Woodstock Press put over a report of the speech delivered in the House last week by the junior member for Carleton. In the parlance of the street, that is going some. Surely opposition critics will no longer complain of Carleton's lack of representation in the present House.—Press.

Fleming—Braun

A quiet wedding took place on Wednesday afternoon, March 31, at the home of Chas. Corey, Woodstock, when Albert Fleming and Reta Braun were united in marriage by Rev. P. J. Quigg. They will reside at Millville.

HAD NOT A WELL DAY IN 17 YEARS

Halifax Woman Gave Up Hope and Is Soon Restored To Health by Tanlac.

"Honestly, I don't remember a single day during the past seventeen years that I could say I was well, but since I have taken Tanlac I feel twenty years younger," was the statement made the other day by Mrs. Mary Brunt, who lives at 865 Barrington St., Halifax, N. S.

"For seventeen years I had been troubled with indigestion," continued Mrs. Brunt, "and had fallen off until I weighed only ninety-three pounds and had given up all hopes of ever being rid of my troubles. Often I would give way and faint purely from weakness, and I was so bad off that I would be in bed two and three weeks at a time. I had almost no appetite at all and it seemed that no matter what or how little I ate I couldn't retain it. In just a few minutes after I had eaten anything I would feel sick at my stomach and at times I went for months hardly able to keep a bite of food down and was continually belching up a sour liquid. Most of the time all I ate was a small piece of dry toast and a cup of tea, but even this would come up again, in fact, I couldn't retain even a dose of medicine. I was troubled with terrible headaches and my nerves were in a dreadful condition, and night after night I would hardly close my eyes at all. I tried every medicine and treatment I knew of and to say I was discouraged wouldn't begin to express it. Not long ago I spent six weeks in a hospital, and although I felt better while I was there, as soon as I came out it was the same old story again. I even took a trip down to Boston and through the New England States, hoping the rest and change would help me but all the time I just kept getting worse and worse.

"A neighbor of mine had taken Tanlac and it had done her so much good that she persuaded me to try it, but I will admit I took it more to please her than anything else, for I had about lost all confidence in medicine. I am certainly glad now that I took it, for before I had finished my first bottle I began to improve and by the time I had taken my fourth bottle I was feeling so fine I could hardly want to feel any better. I have a splendid appetite and for the first time in seventeen years I am able to eat a good meal and enjoy it and already I have gained seven pounds. I can retain everything I eat, for it digests perfectly with no bad effects at

all, and I feel better than I have in twenty years. The headaches are gone and my nerves are so steady that I can sleep all night long like a child. I am perfectly delighted with the way Tanlac has given me back my health, and as long as I live I will never be able to praise it too highly."

Tanlac is sold in Hartland by Estey & Curtis Co., and by the leading druggist in every town.

N. B. Teachers' Association

A meeting of the executive of the N. B. T. A. was held in Fredericton on April 2 and 3. The last year's schedule of the Association was carefully gone over and a new one approximately 25 per cent. higher, was drawn up. When printed it will be forwarded to the members of the Association, Trustees and newspapers for publication.

The executive also decided that as the Association was now in working order and proving a success, they were in a position to invite second and third class teachers to join. This was not done before simply because the Association thought it would be too unwieldy at first when they had no experience. At present the Association consists of 525 out of the 575 grammar school, superior and first class teachers of the province.

The matter of asking the government to increase the teachers' pensions from a maximum of \$400 to a maximum of \$800 was also discussed. It would seem that this ought not to be a difficult matter when one considers that the present pension scheme only requires an outlay of \$8,800 per annum by the province. Some of the pensions at present are as low as \$125.

The desirability of a disability clause was also discussed. A committee was appointed to go into the pension matter and report at the June meeting.

Those present at the meeting were: Dr. B. C. Foster, president; A. S. McFarlane, secretary, Fredericton; W. J. S. Myles, Miss Stella Payson, St. John; W. McL. Barker, Moncton; A. B. Brooks, St. Stephen; W. T. Donham, Bathurst; Miss Annie McInerney, Rexton; G. H. Harrison, Chatham; Miss Bessie Fraser, A. D. Jonah, Grand Falls, and D. W. Wallace, Woodstock.

The next meeting will be held in Fredericton on the evening of Monday June 28.

Foreston Facts.

Our school opened after the Easter vacation with an enrolment of service. Arthur Durost spent a few days here this week.

Gallagher & Co. are loading potatoes at Juniper.

Welch's mill has closed down for the present.

James Miller, jr., was here on Tuesday.

Mr. and Mrs. Bert Scovil returned from Houlton recently.

Thos. Darkis and family after spending the winter here have returned to Bristol.

Miss Aline Rowley, who has been attending Kerr's Business College, went to St. John on Saturday.

Jacksontown News.

Mr. and Mrs. Wilmot Burt have recently sold their farm and have moved to Upper Woodstock.

Sorry to learn that Mrs. Ernest Ebbett is ill with typhoid.

Miss Myrtle Lawrence, who is teaching near the Tobique, spent Easter holidays at home.

Arthur Burpee has returned from Boston where he had spent the winter. Mr. and Mrs. John Mallory are visiting friends in Boston.

Mr. and Mrs. Edwin Estey spent Easter at Fredericton.

Leigh Estey is visiting in Boston in the interest of the A. A. C. Fertilizer Co.

The roads are in a very bad condition but not too bad to haul potatoes to the station for \$8.00.

Fred Smith's mill is turning out good work, but owing to the shortage of cars he is unable to ship any lumber yet.

Braun—Love

A pretty wedding took place on Wednesday, April 7, at the home of William Ketch, Woodstock, when Daisy A. Love became the wife of Horace G. Braun. The ceremony was performed by Rev. P. J. Quigg.

John Billings

The death of John Billings occurred on March 31 at his home in Central Hainesville after a short illness from

Got Rid of Your Cough

Ordinary Remedies won't reach a deep-seated cough or chronic bronchitis. What you should take is a cough-and-body-builder like OLIVEINE EMULSION, so made good, and blood, and fish and iodine, and vitality, so that your system will have the power to throw off the cold.

OLIVEINE EMULSION

The Great Health Restorer will help you just as it helped this lady in Des Moines. "I cannot recommend your excellent medicine highly enough. It has done me so much good. I had a cold; was weak and run-down; but OLIVEINE EMULSION has completely relieved me and I feel better than ever."

KATE McDONALD, Druggist and General Store, Hainesville, N. B. Insist on having the genuine OLIVEINE EMULSION. Prepared by Fraser, Thomson & Co. Ltd., Cobalt, Ont.

Public Notice

Under Sub-Section 2 of Section 78 of the Highway Act 1918, no motor vehicle is allowed on any highway of the Province in the Spring of the year, while the frost is coming out of the ground, without permission of the Supervisor, with the exception of physicians, clergymen and ambulance drivers. Sub-section 1 of the same section of the Act forbids the carrying of loads over 3000 pounds and the hauling of portable mills or wheels between the fifteenth day of March and the fifteenth day of May, in any year, without a written permit from the Supervisor of Roads. This notice will remain in force until the Supervisor is satisfied that the roads are fit for motor traffic as applied to sub-section 2, and until arrangement be made with the Supervisor in compliance with the Act, as applied to sub-section 1.

McLaughlin Valve-in-Head Service

McLaughlin Valve-in-Head motor cars are so designed and manufactured as to render them capable of great serviceability under a wide range of motoring conditions. Yet they are backed by a service organization of more than 2000 Canadian dealers, so thoroughly organized as to make that serviceability continuous. Every McLaughlin owner is entitled to and receives prompt and efficient service—the kind that insures the uninterrupted use of his investment. Our service department is in charge of a first class mechanic with special training in the McLaughlin line. While we are not soliciting more garage work, in fact we always have more than we can attend to, we are particularly anxious that McLaughlin owners get in touch with us in case they are not getting entire satisfaction. Our interest in McLaughlin owners does not cease when the car is paid for. The importance of service is something the man buying his first car does not realize. With the stock of parts we carry, and the stock at the McLaughlin branch at St. John, McLaughlin owners on this territory have access to at least \$100,000 worth of parts which can be secured within a few hours. McLaughlin parts cost less than others, taking weight and quality into consideration.

Andover News Notes

William H. Baird is spending a week with his sister, Mrs. Archie E. Dickson, of Digby.

Bruce Waugh of Five Fingers was a business visitor in the two villages during the past week.

Mrs. T. R. Cameron is quite ill with a severe attack of neuralgia.

Misses Violet Gillett and Marie Scott, and Cecil Turner and Humphrey Flemmington went to Upper Kent Saturday on the early morning train and for the day were guests of Misses Salmon. They visited the sugar camps of Messrs Hillman where they were most delightfully entertained. The party returned to Andover by evening train.

Wilnot Curry who has been acting as bookkeeper for the Fraser Lumber Co. in Edmundston came to Andover Monday and for the summer months will remain at his home.

Sandy McAlary is enjoying a week's visit in Andover with his parents, Mr. and Mrs. H. W. McAlary.

Miss Rose Hoyt spent a day or two recently with friends at McAdam Junction.

Mrs. T. B. Bedell entertained the younger set Tuesday evening for the pleasure of her son George and his guest Jack Scammel of St. John. A most pleasant time was spent with dancing and music. At eleven o'clock dainty refreshments were served by the hostess.

Claude Knapp, who has spent the winter months trapping in the woods of the Tobique, was in the two villages the early part of the week.

E. H. Hoyt's friends are glad to welcome him home again after his recent stay in Montreal. Mr. Hoyt was operated upon in the Victoria Hospital for cataract on the eye. The operation was very successful and all are pleased to know that he has recovered the sight of the eye that was operated upon.

Mr. and Mrs. Edward J. Waugh and little granddaughter Dorothy have returned to Andover after spending the winter at Five Fingers.

Master Kenneth Matheson spent the past week-end in town, the guest of Mrs. McAlary returning to Edmundston Monday.

Dr. A. F. MacIntosh was at Birch Ridge on professional business last Thursday.

Fred Cox of Upper Kent was a business visitor in the two villages during the past week.

Mr. and Mrs. Guy Porter returned Thursday from St. John where they had spent the past ten days.

John Kelly and John Lynch were at Plaster Rock on business last Thursday and Friday.

Mr. and Mrs. Richard Harvey have moved into the house recently occupied by Walter Leitchford and family.

The Easter Ball given in the Specialty Thursday evening by the G. W. V. A. was a most enjoyable affair. A large number was present. Most excellent music was furnished by Knowles' orchestra comprised of five pieces—piano, cornet, violin, saxophone and drums. Refreshments were served at twelve o'clock.

Burton McAlary of Van Buren spent the week-end at his home in Andover.

Dr. A. F. MacIntosh was at Fort Fairfield Sunday morning where he assisted in a surgical operation on a patient in the Fort Fairfield Hospital.

Mrs. S. P. Waite entertained a few friends at the tea hour Tuesday evening.

Mr. Wiggins of Centreville, who has been spending the past week in Andover at the home of Mr. and Mrs. J. J. Scott, returned to his home Thursday.

Mrs. H. A. Murphy and Mrs. Bay Murphy spent Saturday with Mrs. T. R. Cameron.

Herman Jamer has purchased the property lately owned by Walter Leitchford.

J. W. Niles spent a few days recently at Grand Falls.

Alex Stevenson, who has been ill with rheumatism during the winter, is able to be out again.

Mr. and Mrs. George Bell, who have been living in Perth during the past year, have moved to Andover and are now occupying the house owned by Mrs. G. B. Peat at the upper end of the village.

The Women's Institute met Tuesday afternoon with Mrs. W. A. Gillett.
Mr. Robinson of Hartland and Ralph Hayden of Woodstock were business visitors in the two villages the early part of the week.
Mrs. Gaunce of Upper Kent was

visiting Mrs. H. K. Tibbitts a few days recently.

Mrs. Maurice Pickard of Four Falls was the guest Thursday of Mr. and Mrs. Wallace McLeod.

Jesse Estabrook of Grand Falls was in town last Wednesday and Thursday.

Miss Cecil Sisson was visiting Fort Fairfield friends during the past week.
Rev. Gordon Pringle of Kincardine was in town calling upon old friends during the past week.

Frank Burns of Fort Fairfield was in town Sunday.

LeBaron Hopkins of Aroostook Junction, who has been spending the winter months in Boston, returned to his home during the past week.

Rev. Charles Flemington went to Upper Kent and Kibbun Sunday afternoon, where he conducted divine worship.

Robert Slat went to Fredericton Monday where he will enter the military hospital for medical treatment.

Plaster Rock News

On Sunday, April 25, it is announced that the Oddfellows will celebrate their 101st anniversary, by marching from the hall to the Baptist church where a special service will be held at 3 o'clock. All members are requested to be at the hall not later than 2 p.m.

Mrs. John Hawkes has returned to the telephone office again and will take the place of her sister, Mary Patterson, who has resigned.

Mrs. C. L. Bent and son, Douglas, are both on the sick list.

Bert Burridge has removed his family to his own house for the summer.

Jack McMullen left on Tuesday with his family for Aroostook where they will reside.

Annie Bedell is boarding with Mrs. Fred Barten while Mrs. Hubert Brown is away on a visit.

Mrs. Hollie Post is staying at the Queen hotel while her husband is away.

Bert Inman went to Grand Falls on Saturday for the week-end to visit his little daughter who is in the hospital there.

Jack Merritt is tooting to the Clearwater depot.

Howard Jacques has been on the sick list.

George Bradford has returned from Nelson.

Alonzo Curry is staying at the Queen Hotel having come out from Sisson Branch Depot.

It is announced that the W. A. supper and sale of work has been postponed until further notice.

McLaren—Hennigar

A marriage of much interest to many people took place at the home of Mr. and Mrs. Hennigar at Grand Falls, on Wednesday morning, when their eldest daughter, Elmina, was united in marriage to William Rex McLaren. The ceremony was performed by Rev. W. K. Read, pastor of the Presbyterian church. On account of the recent death of the bride's brother, the wedding was a quiet one, only the immediate relatives of the bride and groom being present. The bride wore a suit of reindeer serge, with hat to match, and carried a bouquet of pink roses and maiden-hair fern. They were unattended. After the ceremony, luncheon was served. Mr. and Mrs. McLaren left by the C. P. R. express for a trip during which they will visit Mr. McLaren's former home in St. John, and will also visit several places in Nova Scotia. The best wishes of their friends for a happy and prosperous future go with them.

Used for Shaving.

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its anti-septic qualities this ointment prevents and cures Barber's Itch.

Miss Marion K. McLean

Florenceville was deeply grieved to hear of the death of Marion Kathleen, third daughter of John McLean, which occurred at her father's residence at 6 o'clock on Friday evening, April 9. Miss McLean contracted a

New Man

If you are suffering from dyspepsia or other stomach trouble, you will appreciate a medicine that will relieve and correct your condition.

HAWKES' DYSPEPSIA CURE

regulates and invigorates the digestive organs, prevents acid fermentation and souring in the stomach, and promotes digestion and assimilation of the food.
Try this extraordinary medicine—it will make you feel like a new man.

St. John, N. B.

heavy cold in December from which she never rallied, tuberculosis setting in almost immediately. Toward the last influenza increased her suffering, but through it all she was patient and cheerful to the end. Miss McLean was a bright and lovable girl, nineteen years of age and will be missed by a large circle of friends. She is survived by her father, mother, five sisters and four brothers. The sisters are Mrs. Charles Hunter of Bristol, Mrs. Arthur Hossain of Aroostook Junction, and Misses Nettie, Jessie and Dorothy at home. Her brothers are Donald of Bristol, Alexander and Robert, at home. These sorrowing ones, the hearty sympathy of the community is extended.

Miss McLean was an employee of the N. B. Telephone Co. at Andover and Florenceville for some little time. Her funeral was conducted on Monday afternoon by Rev. E. A. Wignam, assisted by Rev. Murray Munroe of the Methodist church.

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only.

Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household helper of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

All Dealers, Etc. Box

House for Sale at Andover

A good home, known as the Jubon Messer home, right at Andover station. Good front yard; 12 room house, water in house and barn. Bath and electric lights all through. Good cellar with furnace and 5 cubic feet of seasoned wood in it. Two acres of nice lawn flat. This is a beautiful home for somebody, as it is splendidly finished, floors of hard wood and four large plate glass windows. Also 100 acres of good hardwood land 2 miles from Perth. Will sell both together or each separately. Phone or write for particulars. Wishes to sell as I am going west.

 Items and correspondence on live local topics are invited. Address all communications and make all orders payable to Observer Limited, Hartland, N. B.

HARTLAND, N. B., APRIL 15, 1920

GOVERNMENT AID FOR TOWN ROAD

The Town Council seeks to get a grant from the Provincial Government to rebuild the Rockland road from Cross Creek into the town in the same excellent manner in which the government built the road from Rockland to Cross Creek last year. Everybody but Hartland Town Council appears to know that the roads within an incorporated town are as far outside of the jurisdiction of the provincial government as the roads in Thibet. The people living on the extension of this road leading east to Windsor might have a very real complaint against the government if they made a grant to build Hartland streets, for the doing of which they have no precedent and no authority.

It is quite certain that the government would have completed the road to Hartland if the town incorporators had not taken over this piece of highway. It may be recalled by those who attended the first meeting to discuss incorporation that the original motion to incorporate defined the eastern boundary at a line running just east of the reservoir. The idea of this restriction was to avoid having to maintain the Rockland Road. The people who are responsible for making the boundary at Cross Creek are now squealing because they have a bad piece on road on their hands; but they should build it at their own expense rather than ask the Provincial or the Dominion government to do it.

THE BRIDGE

No one was responsible for the earthquake that scared San Francisco out of its boots a few years ago. No one but the Author and Giver of all things is responsible for the most destructive freshet the St. John Valley has known. It is stated by men of unquestioned judgment that no wooden piers could have withstood the terrific strain of last week's record-breaking ice-floe. There are those who gleefully blame the government and Hon. P. J. Veniot, in particular, because nature played such a trick this spring.

It is true that the bridge piers were in bad condition and the damage done to them shows that they were in a worse state than anyone thought. It is an even question if all the piers might have escaped or if they all might have been swept away, if the main channel of the river had not become jammed and the whole torrential flood was forced to seek an unnatural course striking the piers at an angle which no piers are built to withstand. As Superintendent Fletcher remarked "it was the first time I ever saw a river run crosswise." During 1918 and previously Superintendent Campbell and A. D. McCain urged upon the government the necessity of rebuilding the bridge and in the autumn of that year soundings were taken for concrete piers and the government engineers began plans for a new bridge of concrete and steel. There came a day in the early winter when one of the spans broke and traffic was suspended. There was a panic among the people and the cry arose that nothing but a brand new bridge right off the shelf would be satisfactory.

Those who have lived in the town long enough know that a ferry at this point is impracticable and no means of crossing is intolerable.

When the Minister of Public Works arrived here on the first of January, 1919, he was laid hold of by a delega-

tion of nearly 100 men who urged without a dissenting voice that the old bridge be rebuilt of wood and at once. The Minister declared that his engineers were already completing plans for a concrete and steel bridge and that its construction could not be completed for two or three years. The delegation, representative of the territory on both sides of the river, insisted that while a steel bridge might be desirable we must have a bridge right away. The Minister said he would take the matter up with his colleagues in Council and make an early report. The answer was favorable to the peoples wishes within a week. Within another week Superintendent Fletcher was here and the work of reconstruction in wood was in progress.

There has been much local criticism that the bridge is being rebuilt of wood but those critics who advocate steel—and there are a number in town—were careful not to attend the meeting with the Minister, for if they did they would have had to ratify the government's proposals.

It has been and is the intention of the government to rebuild the piers of the bridge with concrete this summer.

Town Council

At the April monthly meeting of the Town Council Marshal Murdoch submitted a more stirring report than usual, showing that during the preceding month he had put out one dangerous fire, arrested three men for being drunk and one young boy for using indecent language to a girl on the public streets.

C. S. Baker, manager of the Bank of Montreal, was heard by the Council and requested that the line of the street opposite the post office, be established before the new bank building is erected. A blue print of the new building was shown to the Council, and on motion the matter was left to the Street Committee.

S. A. Barter and E. A. Britton were also heard on behalf of the G. W. V. A. asking that returned men be exempted from poll tax for 1919, and the matter was referred to a committee consisting of Ald. Baker, Morgan and Aiton.

The following estimate for the year were approved:

Assessors,	\$ 45.00
County Purposes,	1,556.00
Poor,	200.00
Salaries,	1,300.00
Printing,	50.00
Fire,	300.00
Streets,	2,000.00
Water Extension,	2,500.00
Water Bonds and Sinking Fund,	1,000.00
Miscellaneous,	500.00
Discount on Tax,	549.00
Total,	\$11,000.00

A. E. Plummer, town manager, tendered his resignation.

It was decided to send a committee to interview the government with regard to securing a grant of money for road between D. E. Morgan's corner and Cross Creek. A. D. McCain, of East Florenceville, who is at present intermediary between the county and government came to Hartland on Friday and met a committee of the Council and people. He suggested that a regular monthly meeting of the government during recess would assure more careful attention than a delegation sent during the session of Legislature and recommended that a strong delegation be sent down to the regular monthly meeting in May.

Keith-Sipprell

A quiet but extremely pretty wedding was solemnized at the home of H. A. Sipprell yesterday at 1.30 p. m. when his niece, Elsa Maud Sipprell, was united in marriage with Kenneth Webster Keith of the same place. The bride, smartly attired in a suit of navy blue tricotine with hat to match, carrying a bouquet of carnations and ferns, entered the parlor to the strains of the Wedding March, from Lohengrin, played by Miss Helen Raymond, piano, and Miss Grace Everett, violin. The ceremony was performed by Rev. E. A. Triton while the happy couple stood under an evergreen arch decorated with white ribbon and sprigs of purple violets. The bride was given away by her uncle, H. A. Sipprell, in the presence of about twenty-five immediate friends

Not Done For if the Bridge is Gone

I want my customers to know that I am not done for yet. Of course I will not be able to handle the Town end of the business for a while, but you will find two obliging young men in charge of that at the Hartland Drug Store. Just go in and try. I think you will be satisfied to trade with them both in phonographs, Hyman books, etc. If you have pictures to be framed, have them there for me, and when I get them framed I will leave them there for you.
 HENRY J. SEELEY.

and relatives. The presents were beautiful and well selected. Among the gifts was a chest of silver, containing one hundred and seven pieces, given by Hatfield & Scott Co., Ltd., and their office staff. Miss Sipprell was previously an employee of this company.

After the ceremony a buffet lunch was served. The bride and groom left on the evening express for an extended trip through the Maritime Provinces. On their return they will reside in Hartland.

Late Locals

Fred H. Stevens desires to secure a competent builder to make an estimate on a job of work and to undertake to complete the same under contract. For specifications and particulars call at The Observer office during daylight.

During the freshest last week the new bridge across the Desaguimac opposite Stockford's mill at Carlisle was washed away as also was Stockford's dam.

D. H. Nixon is making slow but steady recovery from his low but severe illness. Dr. Curtis is now able to walk about the house and verandah.

Word was received from Montreal last week to the effect that Henry Tedlie who went to a hospital there for a serious operation, was in a very critical condition. His son, Wendell, went immediately to him and later reported that his condition was improved.

The Evangelistic campaign in the United Baptist church closed on Sunday evening and Rev. H. R. Bell returned to his home on Monday.

DRESSWELL

You may dress well and dress well if you wear a Dresswell Suit.

Our Spring and Summer line of samples are bigger, brighter and snappier than ever.

Strange to say, these hand-tailored Dresswell Suits are no higher in price than garments of inferior make. They are priced to retail at figures that will appeal to men who know and wear good clothes.

Our prices are as low as any prices could be in consideration of the quality of cloth and the quality of workmanship that goes into our garments. Furthermore, every inch of cloth that goes into Dresswell clothes is bought direct from the mills. No middleman handle or profit by those fabrics. The Dresswell Label. The handsome, silk woven, red, black and gold Dresswell label is the sign of quality and indicates the highest possible production in hand tailoring, in fit and comfort, in attractive appearance and workmanship. It is also the purchaser's guarantee of satisfaction or his money back. This label will be found on the inside pocket of every Dresswell Suit. Superficially all else in purchasing the correct fashion for men is our keen desire to embody the characteristic touch demanded by critical men. Our styles are designed from authorized fashion authorities.

This season's models include many new styles for the young men, in addition to our more conservative models. The fabrics shown represent the largest and most exclusive collection of moderns priced wools obtainable. Our tailoring is of such elegance as to create favorable comment from the most fastidious dressers.

We never fail to please.

CAMBRIDGE OVERTURNED.

Housing Situation in English University City is Acute.

The housing difficulty is being felt at Cambridge, England, owing to the enormous influx of undergraduates. Rooms which have been unoccupied for years are being put into a habitable condition, though this is being effected under considerable difficulties, owing to a local strike in the building trade. Considerable additions were made to college buildings just before the war, notably at Emmanuel, Pembroke, King's, Magdalene, and Sidney, but these are all proving inadequate. College officers have been touring the town to obtain rooms out of college, and are still conducting their canvass, with indifferent success. The University Lodging House Syndicate have been appealed to for help and have consented to grant licenses for rooms in houses situated within two and a half miles of Great St. Mary's Church, near

or in a direct line, provided that such houses comply with the general regulations as to suitability laid down by the senate. The effect of this concession will be to bring in wide areas which have hitherto been out of bounds for university lodging purposes. The collegiate authorities are now trying again what can be done, but it appears that even under these changed circumstances many hundreds of would-be Cambridge freshmen will be unable to obtain admission to the university this October.

A novel feature of the coming term is the number of married undergraduates. These require rooms for their wives and families. All the naval and military headquarters have been elected from the rooms they occupied in the colleges, and have found accommodation in private houses. The increased laboratory and lecture-room space which will be needed next term is another difficulty, with which the university is having to cope and is being met by the putting up of army huts as temporary accommodation, work which has also been impeded by the strike.

Brindle an Extinct Color.

"Time was when no farm was complete unless there was a brindle steer in the lot and no home was what it should be unless you could find a brindle dog in the yard," said a man from the country. "At the time when I was growing up the boy who didn't have a brindle dog to chase rabbits and hunt coons with was simply not in the race with the other fellows of the countryside, and the man who didn't have a brindle steer among his lot—well, he wasn't in it either. Brindle steers and brindle dogs were a part and parcel of the countryman's outfit. Now we rarely find these creatures at the country home. What has become of the brindle steer and the brindle dog? Steam and electricity may have crowded the steer out of the business to some extent, but there are still steers abroad in the land, and they are toiling as of old, pulling wagons, dragging logs and doing other useful things. But they are not brindle steers. As for the brindle dog, steam and electricity and other things of this sort could have had no possible connection with his disappearance, but he has disappeared just the same. I do not know why it is, but he has gone, gone with the brindle steer, and I would like to know just why it is that these old friends of the country boy are counted among the things that are no more, and perhaps forever."—New Orleans Times-Democrat.

Discovered Many Planets.

Jerome Coggia, whose name is attached to the great comet of 1874, died in France, where he served as assistant at Marseilles observatory from 1866 to 1917. He was the discoverer of seven comets besides the one that bears his name; also of two minor planets.

AFTER 20 YEARS

Remarkable Experience of Mrs. Ripley

Mrs. Millner P. Ripley, of Willimantic, Conn., has good news for all who suffer from aches and derangements caused by Kidney Trouble. Read her letter:—

"Before taking Gin Pills I had suffered dreadfully with my back and headaches, and had suffered for 20 years. I tried almost everything but got no relief until I got Gin Pills. I have taken 6 boxes and now I have not a sign of a ache or pain. I can now do almost as well as when I did in my life."

Gin Pills is the valuable diuretic Juniper element in the Gin has been utilized and the alcohol eliminated. Combined with other highly efficient diuretics and antiseptics, Gin Pills present the most scientific and effective remedy for Kidney and Bladder trouble that can be secured. They give sure, quick and safe relief. If you have back-ache, headache, highly-colored urine, rheumatism, lumbago, sciatica, neuralgia, dizziness, insomnia, floating spots before the eyes, unaccountable weakness of mind and general debility, lose no time. Treat yourself with Gin Pills before it is too late. At all druggists and dealers, 60c. Money refunded if not relieved. Free sample on request.

F.O.B. CHATHAM
WAR TAX EXTRA
GRAY-DORT

Immediately the armistice was signed, Gray-Dort executives began working towards a readjustment of motor car values.

Last fall we were able to put in production the present Gray-Dort—the first car to offer you heaping, peace-time value.

Overshadowing Other Light Cars
Ordinary light car standards did not satisfy us in building the Gray-Dort.

So we built a bigger and better motor—with 3½-inch bore and 5-inch stroke; with a heavy crankshaft—weights 40 pounds, as against about 25 pounds in other light cars. Specially-designed, quiet valves; extra-large wrist-pins; extra-light, three-ringed pistons.

As in the motor, so it is throughout the chassis. A cellular-type radiator and extra big water jackets for cooling. A heavy, safe steering gear which is unusually easy on the driver. Frame heavier and sturdier than the light car standard. Rear axle specially strong and fine—and built right under our supervision here in Chatham. The long springs are built here, too. The gas tank is big and is placed in the rear for convenience and appearance. The emergency brake is on a lever, as in big cars—and the brake lining is Thermoid.

Convenience has not been sacrificed to sturdiness in the Gray-Dort. The side-curtains open with the doors as in cars costing \$2000 and up; and they fit smoothly. The tonneau has very much more leg-room. A shorter, smarter cowl does the

same for the driving compartment. The gears can be shifted with the pressure of two fingers. The brakes are positive in action. To drive a Gray-Dort is real pleasure.

Clothed in Beauty
Completing this high-grade chassis is a body wonderfully good-looking. The smooth lines do not force themselves upon your attention. They are not extreme. But always you are aware of their supreme good-looks. And Gray-Dort design is the type which remains in favor for many years.

And then the wonderful Gray-Dort finish! We have spent 60 years developing this finish for vehicles. It is applied as only master craftsmen can finish a job. It is lasting and lustrous. It is one of the outstanding features of the Gray-Dort.

You will notice, too, the rather high hood with its many long, narrow, louvers. The smart top, hand-tailored in our own shops. The French pleated upholstery. The full sweep of the heavy gauge fenders.

At \$1365 the Gray-Dort will be the fastest selling car of the year. The output has been doubled. Yet there is every sign of a shortage. We advise you to see the Gray-Dort dealer now.

Features marked with this asterisk are some of the improvements new to this Gray-Dort.

Rideout Bros.—Grand Falls

Save the surface and you save all Paint & Varnish

Add years to the life of your house

TIME was when the "appearance" of a freshly painted house was the only thing that counted, but now we must also realize the importance of the protection good paint affords against wear and tear. Any paint will give some protection, but if you want paint protection for years—not merely months—use

B-H PAINT "English", 70% Pure White Lead
30% Pure White Zinc
100% Pure Paint

A 100% formula (70% of which is Brandram's Genuine B. B. White Lead) providing a coat of such body, brilliance and "toughness" as to defy rain, sun or snow, where cheaper paints will chip, peel and crack.

If your house is painted this Spring with B-H it actually has a surface-protection which renders it impervious to the decay of passing years.

You have the choice of 36 attractive colours as shown on color card which is supplied on application.

ONE CENT SALE!

Another Example

Buy a 50c. box of Stationery and we will give you another box of this high-grade Linen Paper and Envelopes for

1c. or the

2 boxes for .51

Sale - THURSDAY, FRIDAY and SATURDAY - Sale

This ONE CENT SALE Plan was originated by the United Drug Company for the Rexall Drug Stores. The United Drug Company are the largest manufacturers and buyers of Toilet Articles, Remedies, Chocolates, Perfumes, Rubber Goods, Stationery and Drug Sundries in the world, and this is an advertising plan pure and simple, of which they bear most of the expense. Instead of spending money in the regular way, such as Free Samples, etc., it is their desire that we place full size packages, or articles, in your hands, giving you an opportunity to judge the real value of these goods, the cost of which they charge to advertising. We will only be permitted to run this sale occasionally. Beware of imitations in other stores, and take advantage of this exceptional opportunity. We can not afford to charge or deliver goods during this sale. So please don't ask us to do it. These prices do not include the War Tax.

35c. tubes REXALL PEARL TOOTH PASTE. Cleans and whitens the teeth, prevents decay and sweetens the breath. 2 for .36

Pure Air is as
Necessary as Pure Food

THE ENTERPRISE
BLAZER FURNACE
heats your home in
Nature's way. It draws in
the sweet pure air from the
big outdoors, moistens it
thoroughly, turns it into
heat and comfort and pas-
ses it on to every corner of
your home.

The best that base burners and radiators can do is to heat the air that is already in the house—that has been breathed again and again. Stoves choke the air with dust and in real cold weather they fall short of their job. Another reason for the

ENTERPRISE BLAZER WARM AIR FURNACE

is economy. For thirty-five years we have been learning how to take all the heat out of a piece of coal; and then how to make most use of it. The Enterprise Blazer is the result. And it costs a great deal less to install than a hot water boiler, pipes and radiators.

An Enterprise Blazer will wear for years and years. Every part is made a little better than it need be, and it carries the famous Enterprise guarantee of satisfaction. Get your dealer's advice and write us today for our free booklet "Warmth and Comfort".

Andover News Notes

(Intended for last week)
Mr. and Mrs. Guy Porter are spend-
ing a week or ten days in St. John.
Patrick Lynch spent Monday at
Upper Kent returning to Andover by
evening train.
Stanley Ebbett, of St. John, was in
Andover Monday. While here he re-
ceived a message saying that his
father was dead. Mr. Ebbett left
Tuesday for the Barony, his father's
late home.
Mr. and Mrs. William Hoyt spent
part of last week at Grand Falls.
The ladies of the Baptist Sewing
Circle had a supper Friday evening at
the home of Mr. and Mrs. Titus.
Robert Curry went to Edmundston
Friday to bring a team of horses for
working purposes.
James Hutchison, of the Scotch
Colony, was calling upon Andover
friends Wednesday.
Charles Innis, of Kintore, was in
town during the past week.
The last meeting for the season of
the Andover Bridge Club was held at
the home of Mrs. Howard. The lov-
ing cup, nicely engraved, given by the
president, Mrs. Cora Wootton, was
won by Mrs. Grace Niles.
Cecil Turner, principal of the An-
dover High School, is spending the
Easter holiday with his parents, Dr.
and Mrs. Turner at Meductic.
Mr. and Mrs. N. A. Hanson and
son, Perley, are visiting friends in St.
John for a week.
Mrs. Craig and daughter, Miss Cas-

sie Craig, of Aroostook Junction,
passed through Andover Thursday
en route to Toronto to see the son
and brother, Fred, who is so very
seriously ill. Mrs. Craig has the sym-
pathy of all in her trouble.

Dr. A. F. MacIntosh and F. M.
Howard went to Fort Fairfield Fri-
day. Dr. MacIntosh assisted in an
operation for cancer of the lip on Er-
nest Miller, of Andover.

Mrs. R. B. Wallace, who has been
the guest of her daughter, Mrs. Mac-
Intosh, left Friday for her home in
Fredericton.

Miss Annie Fraser, of Grand Falls,
is the guest of Mrs. J. A. Perley.
Thomas Bedell, of St. John, spent
Easter Sunday with his family in An-
dover.

The Woman's Auxiliary, of Trinity
Church, had a good sale in the Curry
building Saturday afternoon.

H. A. Murphy, of Aroostook Junc-
tion, received word Friday that his
son, Harold, who is in St. John, is
very ill.

Carl Flemington, of the staff of the
Bank of Montreal, Fredericton, spent
the week end in Andover the guest
of Rev. and Mrs. Charles Flemington.

Mr. and Mrs. H. H. Tibbits spent
Good Friday at Upper Kent the guests
of Mrs. William Gaunce.

Miss Katherine Flemington spent
several days recently with friends at
Upper Kent and Maplehurst.

John Holman, of Arthurette, was
in town on business Saturday.

Mrs. Damaris Squiers, of Upper
Kent, visited Mrs. Frank Burns, of
Fort Fairfield and Mrs. F. M. Howard,
of Andover, during the past week.

Miss Giberson, of Upper Kent,
spent the week end with Mrs. H. B.
Murphy.

Mr. and Mrs. Gray and family left
Andover Saturday for their new home
in Montreal.

Miss Vi Gillett spent a few days of
the past week with friends at Upper
Kent.

Rev. J. Robinson Belyea, conducted
Easter service in Trinity Church Sun-
day morning. The decorations of
jonquils and narcissus were beautiful.
Porter & Manzer are paying \$7
per barrel for potatoes.

Jack Scammell, of St. John, a stu-
dent at Rothesay college, is spending
the Easter season with George Bedell
at the home of Mr. and Mrs. Jas.
Tibbits.

The girls of the Andover basket
ball team go to Plaster Rock Monday
where they will play with Plaster
Rock. The party will be chaperoned
by Miss Vi Gillett.

Somerville School

Easter exams covering the work of
the past three months were held
March 30 and 31. Results are as
follows:

Grade I.—Mabel Hovey, 97.
Grade II.—Donald Hovey, 92;
Hubert Hartley, 89.8.
Grade III.—Fern Hovey, 84.6.
Grade IV.—Marjorie Neales, 91.6;
Mabel Bideout, 78.6; Lillian Hovey,
77.1.

Those making the best attendance
of the 61 days are Fern Hovey and
Marjorie Neales each being present
58 1-2 days. Those making perfect
attendance for the month, 22 1-2 days,
are Mabel Hovey, Donald Hovey,
Lillian Hovey and Marjorie Neales.
Those not tardy for the term are
Mabel Bideout, Hubert Hartley and
Fern Hovey. Those not tardy for the
month are Fern Hovey, Mabel Bide-
out, Hubert Hartley, Floyd Seely,
Helen Seely, Lillian Hovey, Donald
Hovey and Mabel Hovey.
IDELLA F. McISAAC,
Teacher.

New Spring Goods are arriving
daily at S. W. Smith's and are
good values and right in price.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross"
are Genuine Aspirin

If you don't see the "Bayer Cross"
on the tablets, you are not getting
Aspirin—only an acid imitation.
The "Bayer Cross" is your only way
of knowing that you are getting genuine
Aspirin, prescribed by physicians for
over nineteen years and proved safe by
millions for Headache, Neuralgia, Cold,
Rheumatism, Lumbago, Neuritis, and for
Pain generally. Made in Canada.
Handy tin boxes of 12 tablets—also
larger sized "Bayer" packages can be
had at drug stores.
Aspirin is the trade mark (registered
in Canada), of Bayer Manufacture of
Monocacetic Acid of Salicylic Acid.
While it is well known that Aspirin
means Bayer manufacture, to assist the
public against imitations, the Tablets of
Bayer Company, Ltd., will be stamped
with their general trade mark, the
"Bayer Cross."

Williamstown Whispers

Some of our farmers are planning
on increasing their potato acreage this
year, if sufficient fertilizer is forth-
coming.

E. M. Smith has 650 cans hung to
catch the saccharine juice of the maple.
Colter McEgan and W. J. Page are
also in the business on a small scale.
The weather has not been propitious;
too cold and windy.

Mr. and Mrs. Roy McAnley have
returned to their home after a pleas-
ant visit to St. Stephen.

Mrs. Colter McEgan and son,
Charles, were recent visitors to Fred-
ericton.

Our school is under the efficient
management of Miss Pauline Toms of
Long Settlement.

John Porter has been quite ill with
a blood distemper.

George Stoddard is engaged with
George Prior in putting on the wood-
work finish on part of the interior of
his house.

Colter McEgan is preparing to erect
a residence this summer to replace the
one destroyed by fire in May, 1919.

Mr. and Mrs. Isaac Nelson attended
the funeral of Fred Nelson at Montic-
ello last week.

A number of brawny wielders of
the axe gathered at Isaac Nelson's on
two afternoons this week and carved
up a very substantial pile of wood.
They report the cuisine of the kitchen
very satisfying after their gratuitous
labors.

Three Brooks

Beatrice Seymour, who has been
staying with her sister, Mrs. A. Nich-
olson, spent the Easter holidays at her
home in Birch Ridge.

Chester MacGinn and Harry Copp
have returned from Houlton where they
spent the winter.

Mr. and Mrs. Wm. Tardy enter-
tained a party of friends at her hom-
e in Upper Three Brooks on April 3 in
honor of Mrs. Tardy's birthday. A
very enjoyable evening was spent.

Patrick Toner and two sons of
Grand Falls were guests of his daugh-
ter, Mrs. H. Mason, part of last week.
Mrs. A. Nicholson is on the sick-
list.

Be Ready for Emergencies.

The best way is to always keep a
bottle of Dr. Chase's Syrup of Lincod
and Turpentine in the house, ready
for emergencies. Then when croup or
colds come suddenly they can be
promptly cured before they have time
to reach an acute and dangerous
stage. To meet this requirement we
have put the syrup up in family size
bottles which contain nearly three
times as much as the 25-cent bottle
and sell at 60 cents.

FARMS WANTED

We want from fifty to one hundred good farms in the counties of Carleton, Victoria and York. Last year we sold thirty-two farms and we expect to more than double that this year. We already have a long list of applications for our new 1920 Catalogue.

If you want to sell your farm it will be to your advantage to communicate with us. We charge you a small commission only and we pay all the expenses connected with the sale.

We are now starting on our new catalogue and want to complete it as soon as possible. It will not cost you anything for full particulars and terms.

Farms in Victoria county may be listed at the law office of **Hayward & Squires, Perth, N. B.**

LOCAL AND PERSONAL ITEMS

Saturday was the 77th anniversary of the founding of the Centreville U. B. Church. The church was first instituted in 1843 by some of the pioneer pioneers and has gradually broadened and extended its influence from that date until the present. Eighteen pastors have administered to its people during that long period. On Sunday morning the present pastor, Rev. S. Johnson, preached an appropriate sermon showing many relative resemblances between it and the early churches.

Mr. and Mrs. Ames Downey entertained all the members of the younger set in their home on Tuesday evening for the pleasure of Douglas and Ravens Downey who were spending their Easter vacation at home. A very happy evening was enjoyed by all the guests.

Mr. and Mrs. Theo Hennessey have disposed of their home here to Mr. and Mrs. Farley and contemplate sailing for their home in England next week.

The automobile season has fairly opened here. Jack Lee had his new Chalmers out for an hour's spin on Sunday.

S. T. Gallagher has something practically unobtainable in the line of horse flesh. On Saturday he drove a three-year-old pure bred Percheron colt on the scales that just tipped 1950. This is no fairy story of a baby elephant, but the colt can be seen any moment in his barn.

Mr. and Mrs. J. I. Gallagher and Miss Helen Gallagher spent Sunday with Mr. and Mrs. G. F. Briggs.

Robert Lee, who has completed three and a half years in the service of the Bank of Nova Scotia, has resigned his position and is enjoying a vacation with his parents Mr. and Mrs. A. J. Lee.

C. E. Vail of Centreville, is planning on going west and has for sale one washing machine, shop coal stove, bed lounge, two fancy rockers, office clock, show case, one dresser, one stand, road wagon, one sleigh. Will be sold at private sale. Also sheep to rent.

Attractive agency openings in Carleton and Victoria counties offered by an up to date Life Insurance Co. If interested write to Insurance, P. O. Box 96, Hartland, N. B.

Attractive agency openings in Carleton and Victoria counties offered by an up to date Life Insurance Co. If interested write to Insurance, P. O. Box 96, Hartland, N. B.

Friends of the late Mrs. Wesley Burke, of Knoxford, will regret to hear of her decease on Tuesday. Though she had been in failing health for some little time, death came rather unexpectedly. Deceased, who was formerly Miss Hills, daughter of Mr. and Mrs. Chas. Reid, of Centreville, was about 35 years of age, the last eight of which she had spent in Knoxford. Besides her sorrowing husband she is survived by her parents, five sisters and three brothers. The funeral was held from her late home and interment made in the cemetery adjoining the church wherein she labored. Rev. W. J. Harlow, of Tracy Mills, was officiating clergyman.

All the several vacationists who spent the Easter holiday at their homes here have returned to their usual occupations.

Miss Nancy C. Bart returned from Fort Fairfield on Friday.

Mrs. Warren, who has been spending the winter months with Mr. and Mrs. R. W. Dolloch returned to Woodstock last week.

F. K. P. MacKenzie is being congratulated by his friends on the recent invention of a most useful little article which by proper application will fill a long felt need.

"The Winning Girl" a charming little photoplay in five reels was shown by C. A. Nelson on Saturday evening and was much appreciated by all present.

Card of Thanks

We wish to express our debt of sincere gratitude to our neighbors and friends for the many administrations of love and sympathy which they, with such evident kindness and largeness of heart bestowed to make the last hours of our loved one pleasant and peaceful.

WESLEY BURKE,
MR. AND MRS. CHAS. REID
AND FAMILY.

The Kangaroo Nearly Extinct.
G. T. Lloyd, who has written a book of his early days in Australia, says that the big forest kangaroo is now nearly extinct. He once measured several successive leaps made by one of these animals in a slight declivity and found them to average thirty feet each, although the kangaroo had to rise five or six feet with each jump to clear dead trees and limbs.

Beware of Imitations

If you are thinking of Rodding your buildings this spring insist on getting Dodd & Strutter equipment. No difference where you get it don't accept any new fangled stuff, which is on the market today. The original, which was patented and perfected by Professor West Dodd of Des Moines, Iowa, one of the greatest electrical scientists in America today. Over three hundred thousand buildings in America carry this equipment and the first dollar's worth of damage has yet to come to these buildings by lightning. The best is always the cheapest at any price. Get your order in.

CENTREVILLE BRANCH

TENDERS FOR COAL

SEALED TENDERS, addressed to the undersigned and endorsed "Tender for Coal for the Dominion Buildings, Maritime Provinces" will be received at this office until 12 o'clock noon, Monday, May 3, 1920, for the supply of coal for the Dominion Buildings throughout the Maritime Provinces.

Combined specification and form of tender can be obtained from the Purchasing Agent, Department of Public Works, Ottawa, and from the Caretakers of the different Dominion Buildings. Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p.c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,
R. F. DESROCHERS,
Secretary,
Department of Public Works,
Ottawa, April 1, 1920.

Trafalgar Men Had Fewer Medals.
The Trafalgar medal was struck in pewter for the lower deck. The seamen were annoyed at its shoddy appearance, and most of the recipients threw their decorations into the sea.

The Sudan medal of 1896-7 has a ribbon in which yellow and black are separated by a narrow stripe of scarlet. These colors were chosen to symbolize the driving out of the black Dervishes from the yellow desert by the "thin red line."

Another ribbon which has an interesting significance is the yellow, blue and yellow suspender of the Khedive's Sudan medal. Here we have typified the Blue Nile running

Farm for Sale

Consists of 110 acres of land in cultivation, free from stone and no hills; good water supply; one barn, 32x50 and another 40x50 under way. Good house and granary. Half interest in threshing machine and sprayer. Middle age team and some small tools will be thrown in. Two miles from Valley R. R. and six from Houlton. Good neighbors nearby. Telephone in house. About 35 acres of land ploughed. Reason for selling, ill-health of owner.

Belville, N. B.

"POLONIUM" FOR SALE

This purchased registered Hackney Stallion is now offered for sale. Has some beautiful colts in his vicinity. Has long stood here for four years. Will be sold cheap. Apply to

E. T. SHAW,
Hartland, N. B.

through the sandy plains of Egypt. The authorities have never been in a hurry over issuing medals; there are two instances on record when those entitled to receive have been called upon to wait fifty years for their decorations.

The Victoria Cross was designed by Queen Victoria and the Prince Consort. For a long while it was made of the bronze obtained from cannons captured in the Crimea. Now, the makers use cannons taken in the Boer rising.

For Jellalabad a very ugly medal was struck, and those who received it grumbled in no measured terms. A really artistic piece was then provided, and all who possessed the first were requested to exchange it for the second. Not one per cent. of the recipients applied for the better medal.

Until the year 1914, the Long Service ribbon for the army was similar to that for the Victoria Cross. The only difference was in width, the in-

ter being a tricolor of red, white and blue. Such was official intelligence.

No less than eleven ribbons recognized by the authorities are entirely blue.

After Waterloo the Chief Engraver of the Mint was commissioned to prepare a fitting medal for presentation to the leaders of the victor's armies. He did so, but took thirty years to complete the work.

The medal for Gallieni was the first to be provided with a ribbon of definite pattern. Before then each wearer suspended his decoration with any sort of ribbon he pleased.—E. B. M.

Generous Freddie.

Deciding that he was tired of being scolded, Freddie informed his mother if it he was going to run away. At last his mother began to pack a suitcase for him. Noticing her suitcase he became alarmed and said: "Don't pack it now, mamma, I've decided to give you another chance."

Not That Kind.

Client—I want to see for a divorce and an allowance of \$1,500 a year.

Lawyer—What is your husband's income?

Client—It's about that. I wouldn't ask for more than a man makes. I'm not that kind.

From Humility.

Mrs. Jones—"Will you stop to lunch with us tomorrow while Mrs. Lee is here?"

Mrs. Lee—"I'm sorry I can't do it. He has to go to the office."

We Invite Farmers' Accounts

Our service to farmers is as complete as 87 years of growth and knowledge of Canada's agricultural condition can make it.

We collect or discount sale notes, cash produce cheques—by mail when desired—and make advances to responsible farmers.

We extend courteous, friendly service to our farmer customers at all times.
