## **Technical and Bibliographic Notes / Notes techniques et bibliographiques**

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Ins lui a exemplifié bibliographie reproduite dans ce document.

**The copy filmed here has been reproduced thanks  
to the generosity of:**

**York University  
Toronto  
Scott Library**

**The images appearing here are the best quality  
possible considering the condition and legibility  
of the original copy and in keeping with the  
filming contract specifications.**

**Original copies in printed paper covers are filmed  
beginning with the front cover and ending on  
the last page with a printed or illustrated impres-  
sion, or the back cover when appropriate. All  
other original copies are filmed beginning on the  
first page with a printed or illustrated impres-  
sion, and ending on the last page with a printed  
or illustrated impression.**

**The last recorded frame on each microfiche  
shall contain the symbol → (meaning "CON-  
TINUED"), or the symbol ▽ (meaning "END"),  
whichever applies.**

**Maps, plates, charts, etc., may be filmed at  
different reduction ratios. Those too large to be  
entirely included in one exposure are filmed  
beginning in the upper left hand corner, left to  
right and top to bottom, as many frames as  
required. The following diagrams illustrate the  
method:**

ced thanks

L'exemplaire filmé fut reproduit grâce à la générosité de:

York University  
Toronto  
Scott Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## MURRAY'S BROADSIDES No. 4

### Laurier or Tupper, Which ?

Sir Charles Tupper, Baronet,  
Some call him Old Sawbones,  
Aspires to be our Premier  
But for cheers he'll get groans.

He put McKeazie Bowell out,  
A better man than he,  
And what the Tories see in him  
Has always puzzled me.

He talks of John McDonald,  
And would like to fill his shoes ;  
But he'll never be our Premier  
Till all tyrants get their dues.

He has two sets of speeches  
For the west and for the east,  
So let me as a question—  
"Is the owl a bird or beast ? "

You must have heard the story  
Of the owl, the birds and cats,  
So when Tupper toots his horn  
We'll answer back, " Oh rats."

I read a lot of speeches,  
And heard some in my time,  
But for pure nastiness  
He beats the serpent's slime.

You all know the manner  
Of campaign in ninety-six,  
How Tupper with the clergy  
Tried Laurier to fix.

But as no one believed him  
Or his talk about the schools,  
You'd think he'd learn the lesson  
That the people are not fools.

But now he starts again  
And he's got another cry  
To fool the French Canadians,  
But they wink the other eye.

(OVER)

When he's with the Orangemen  
He sports the yellow leaf,  
But when he's with the Romans  
He displays another "brief."

This method seems to me, too much  
The methods of a thief,  
And those who take such methods  
Always come to grief.

Last year he raised a riot,  
He and Dal'b'y with the *Star*,  
And managed by buffoonery  
Our local peace to mar.

He then accused the Frenchmen  
Of being disloyal to the core  
He now finds fault with Laurier  
On quite another score.

He found some fault with Laurier  
When speaking at Quebec,  
And said Laurier was too British,  
So he should get a check.

I could excuse a Frenchman  
And some others talk like this,  
But from either Scotch or English  
Such talk stinks worse than —\*

He must surely think we are asses  
If we cannot guess his scheme,  
But by and by I think he'll find  
That he only had a dream.

The Liberals are not all faultless,  
But they have a splendid chief.  
He is a gentleman and scholar  
To the best of my belief.

If I am not much mistaken  
Laurier is of Norman stock,  
And is constituted by nature  
To be leader of the flock.

He dont have to condescend  
To hypocrisy and cant,  
Trying to bulldoze the people  
By blatherskiting rant.

\* If you cannot fill in the blank, ask for a key.
