

This paper is issued at the beginning of every month. Its purpose is to be a record of events of local interest, and a medium of information to persons attending the services. It claims only to be *semi-official*, and the Dean is not responsible for its contents.

The ceiling of the Crypt hall is in course of being lathed and plastered—a great improvement, the expense of which is provided for by the Sunday School, chiefly in coppers.

The School continues to make satisfactory progress, and to increase in numbers. Mr. Matthews expended the greater part of the receipts for the first term in furniture and equipment.

The whole of the Cathedral close north of the See House has been ploughed and levelled by the Cricket club, who evidently seem determined to have a fine ground next year.
