The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaires. Les diagrammes suivants illustrent la méthode.

INTRODUCTION.

OTTAWA is still increasing in its population and putting up new and improved buildings, improving its roadways and sidewalks.

We are glad to be able to state that our patronage has materially increased this year both in the Circulation of the Ottawa Directory and in its advertising matter.

This is satisfactory to us, as it shows the public are beginning to appreciate our efforts in giving them an up-to-date and superior Directory of Ottawa City and its suburbs, as well as the City of Hull.

Although our book is smaller than usual this year, it contains more names and pages than last, but we have used a lighter but better quality of paper.

The number of names commencing with the different letters of the alphabet are as follows:

A.....	592	J.....	379	S.....	1055
B.....	2288	K.....	498	T.....	684
C.....	1837	L.....	1662	U.....	17
D.....	1376	M.....	2057	V.....	189
E.....	296	N.....	253	W.....	859
F.....	736	O.....	498	X.....	—
G.....	1205	P.....	1058	Y.....	65
H.....	1170	Q.....	61	Z.....	2
I.....	50	R.....	1082		
TOTAL			21,160		

You will notice that this total is not much larger than last year's, but we have omitted at least one thousand names that were in the last edition, being names of young ladies who live with their parents, domestics who do not remain more than one month in a place, and the names of mill hands who are only in Ottawa for a short time during the summer.

As we have in the past been accused of over-estimating the population of Ottawa we will still use the multiple of three to the number of individual names given in the Directory, and although we know that the increase during the last year has been over 3,000, we will call Ottawa's population 63,480, but will not take off another one, as we are fully satisfied that this is under the correct number.

Thanking all our patrons and those who so kindly assisted us in securing the necessary information,

We remain, yours truly,

The MIGHT DIRECTORY CO. of Toronto, Limited,

J. M. MIGHT, President.

The RUSSELL

is not only the largest and best appointed Hostelry west of Canada's metropolis, but that its location makes it particularly convenient for the transaction of Departmental or other business, or as a base for excursions to the picturesque country surrounding Ottawa.

FOR A SUMMER SOJOURN its situation is admirable, while a private entrance to Ottawa's newest and finest Theatre adds another feature to its attractiveness as **A COSY WINTER HOME.**
