The copy filmed here has been reproduced thanks to the generosity of:

National Gallery of Canada,
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Musée des Beaux-Arts du Canada,
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par le dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par le dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE WINNIPEG SCHOOL OF ART

Director: Alex. J. Musgrove.

The Winnipeg School of Art is organized for the purpose of teaching the principles and practice of art and design in their several branches. The school is conducted in accordance with the most modern ideas, while the severity of practice dictated by experience is maintained rigorously in the various courses and subjects. Thoroughness and precision of workmanship are the keynotes of the instruction. Senior students furthering their studies at the larger art centres will find themselves in accord with the best practice.

The Winnipeg School of Art provides carefully devised courses of training in the several arts. Though the general art studies are carefully attended to, the curriculum is arranged along the two main lines of Commercial Art and Fine Art. In these courses the first year is devoted to a general art training which is planned with great care and provides a thorough training in the fundamentals and principles which form the basis of all successful work. Following this, students specialize along the lines which they desire to follow.

The School emphatically teaches correct Drawing (the groundwork of all branches of expression) and Color, and aims to develop students to express themselves personally along modern practical lines.

Students are advanced according to the ability which they display, and hence progress depends on study and not on length of time attended. Students having previous knowledge or study will be placed in the advanced stage which their abilities merit.

THE WINNIPEG SKETCH CLUB

The Winnipeg Sketch Club meets on Tuesday evenings for Costume Sketching from life. Monthly Criticism Evenings are held and this season a splendid series of talks will be given by artists and others. An Annual Exhibition of sketches (excluding School studies) is held in the Art Gallery, at which prizes are awarded.

The main purposes of the Club are to further a community spirit and good fellowship among the members and students, and to get all interested in art to become members. By keeping together, mutual enthusiasm and understanding will create a better working condition and feeling, thereby encouraging the spirit that produces good effort.

The Membership is open to all. Full information respecting the Club may be obtained from the Secretary, Miss A. R. Collie, at the School or on application at the Art Gallery.
