HARTLAND WINS FROM FLORENCEVILLE

Interesting Game Played at Hartland on Friday Goes to Home Team

One of the most interesting ball games of the season was played on Hartland diamond on Friday evening between Florenceville and the home team. The visitors were accompanied by a large crowd of supporters who showed great enthusiasm in the first innings but who grew moody and silent as the game progressed. It looked as though Florenceville had a dead snitch on the game in the very first innings, when they knocked out a score of five easy as anything. In Hartland's half of the game innings they made four runs, and steadily gained thereafter, the visitors making but one more run. Florenceville played Tompkins and McManus, accredited with being the ablest players of Woodstock. Two members of Hartland regular team were absent and three players were brought from Woodstock—Blake, Book and Judge. Judge pitched the first inning. Fortunately for Hartland, Billings, the regular pitcher, returned to town and was able to go into the box at the second inning. The crowd would have enjoyed the game much more if it had been an all-Hartland team. Following is the line-up:

Florenceville	Hartland
McManus c	DeWitt Judge
J. Davis 3rd	Hatfield
B. Tompkins ss	Buck
N. Tompkins o.f.	Ward
J. Tompkins 1st	Blake
N. Perkins i.f.	Kyle
R. Hunter 2nd	Stevens
E. Saunders i.f.	Billings
B. Davis p	

The score by innings:
Florenceville 5 0 0 1—6
Hartland 4 1 1 0 1—7
The games announced for the picnic at East Florenceville next Wednesday forenoon and afternoon will be watched with interest.

Last week there came to The Observer, too late for the issue the following:

"About the Big Carleton League that was written up in The Observer last week. It would look as if Florenceville was a bad one. I have my doubts about it being a very big league. It seems that Hartland, Centreville and Bath have been trying to play base ball all summer. Florenceville had neither a team or a diamond; could not get players. Late in the summer Billy McManus from Woodstock took charge of the Western Union here and Billy is just about gone on base ball and he and some others got to throwing the ball around the street and got a game with Centreville, with no practice except a bit on the street. They did very good at Centreville. Althey wanted was the nine men. Billy sends for Neville Tompkins to come up and, Neville's just about about ball as Billy as up to come, got a job with Harry Smith. At this time Hartland have about Florenceville being at Centreville. Hartland wants a game and the boys hustled around with the old men and boys and got a diamond and played Hartland and trimmed them. That night the so-called Big Carleton League was formed. The first game Florenceville played was with Centreville. Neville Tompkins was not there as he went to Woodstock to play against Fredericton (both McManus and Neville have been playing on the Woodstock team).

"Next game Florenceville had with Bath. Neville played. Bath team made no objections. About this time it began to appear that Florenceville was winning right along and they had won from Hartland and Centreville without Neville playing they might as well call it off. So it turns out that Florenceville's imported man was born in Florenceville some twenty years ago. But he was too fast a ball player to put up against our local team. There is something about that. However, the boys did not feel like turning Neville down after getting him to come and help them. Since Florenceville has the best team I would suggest that the other three teams of the league pick

nine of the best and see if they could make the Florenceville team extend itself a bit.

"What is the reason the Hartland writer on the games don't give all the information? When Hartland played Bloomfield and lost they explain that they were playing a picked team from from MacMillan, Monticello and Bloomfield. All right; you are, and you need not feel ashamed of being beaten by a team that plays under the name of Bloomfield, or one playing under the name of Florenceville, as they are good teams. A picked team from Woodstock, Monticello and Hartland playing under the name of Hartland played a team calling themselves the Fredericton team—lost to the picked team called Hartland. We readers were thinking that Hartland team won the game but it was the picked team of imported men that won the game."

"P. R. SEMPLE."

Mr. Semple, who evidently claims to know every little thing about the whole situation, would oblige us if he would submit for publication the score of the Hartland-Florenceville game at Florenceville the day the league was formed. He also seems unaware of the fact that the league was entered into with the distinct understanding that no outside players were to be secured. Nobody in Hartland and no article in The Observer begrudged the game to Bloomfield. Plainly Mr. Semple is sorely incensed against everything about Hartland and it would be a sorry thing if his attitude was representative of the whole of East Florenceville. The writer exhibits about the most painful symptoms of gastralgia witnessed this summer, and last Friday's game could not have helped him any.—Editor.

Brilliant Nuptials at Waterville

The home of Mr. and Mrs. William E. Gubberson of Waterville was on Wednesday of last week the scene of a most happy event when their daughter, Fern, became the bride of Louis LeRoy Everett, also of Waterville. The house was a bower of flowers, and the parlor where the ceremony was performed was tastefully decorated in a scheme of yellow and white flowers and potted plants. Gowned in white georgette crepe with white silk trimmings, and carrying a shower bouquet of white roses and maiden-hair fern, the bride entered on the arm of her father. She was otherwise unattended and the ceremony was performed in the presence of more than 80 guests by Rev. C. N. Barton.

As the bride entered a wedding march was played by Miss Emma DeWare, who after the ceremony sang "The Voice that Breathed O'er Eden." Followed a solo, "O Promise Me," sung by Miss Mary Birmingham with Miss Hazel Birmingham as accompanist.

After congratulations the merry company repaired to the dining room, which was beautifully decorated with pink and white flowers. Here a bountiful spread was partaken of and after a period of happy conversation the newly wedded pair departed to their own home with the best wishes of all.

Among numerous gifts of silver, furniture and linen was a handsome dining room set from the bride's father, a generous cheque from the groom. Mrs. Duncan Hannah of Riverside, Calif., was one of the guests.

FATALITY WAS NARROWLY AVERTED

When Train Strikes Auto at Perth Crossing

What might have been a fatal accident occurred at Perth at about 10 o'clock, Friday night, when Franklin Morehouse, only son of Mr. and Mrs. George Morehouse, with Rilla Nixon, clerk in H. N. Dickinson's store, were passing over the railroad crossing at Perth in an auto. They were run into by the way freight, the auto being driven onto the bridge and smashed to atoms. Mr. Morehouse escaped with a broken leg and some bad bruises, and for a time it was feared that he was fatally injured. He was sent on a special train to Woodstock hospital where every thing is being done for his comfort. Miss Nixon, although having no bones broken, received a bad shaking up and several bruises, and when last heard from was suffering from nervous shock. All sincerely hope that their injuries may not be of a very serious nature and that they may quickly recover, as it was a miraculous escape from death. Miss Nixon is a daughter of George Nixon of Lower Brighton and is well known in Hartland, where she spent most of her time during the last two or three years.

Mrs. Matilda Henderson

On Aug. 31 the death of Mrs. Matilda Henderson took place at the home of her daughter, Mrs. Henry Smith, of Windsor, after a long illness of heart trouble at the age of 67 years. She was born in Argyle, N.S., and when young came with her father, Jacob Spinney to South Knowlesville and endured with them the hardships of the early settlers. In her young girlhood she married Robert Henderson, who predeceased her two years ago. To this union were born ten children of whom but two survive, Mrs. Henry Smith of Windsor, and Armand Henderson of Armand.

Her last days were days of suffering, but she endured with the courage and faith in the Unseen which had supported her through her arduous and toilsome life. She was a member of the United Baptist church and was ever ready to assist the needy and sorrowing in any way she could.

During her last illness she was tenderly cared for by her daughter, and she was borne to her last resting place by four of her nephews, George and James Simma, and Edmund and Addison Spinney. There we left her in earthly shape in the sure hope of a glorious resurrection.

At her request the Rev. G. A. Gubberson officiated at her funeral.

Hartland Drug Co. Ltd.

A charter has been granted to the Hartland Drug Co., Ltd., a new company incorporated with capital stock of \$9,000, for the purpose of carrying on, in Hartland town, a retail and wholesale drug store. The incorporators are James William Plummer, George Moray McLeod, Roy A. Hall and Dr. S. S. King.

As announced last week, the new store will be located in the N. B. Telephone Co. building on Main street, and will be managed by Mr. Hall, lately dispensing chemist with Kestey & Currie Co., Ltd., with whom he has served since 1913. The new company expects to have their store open for business by Oct. 1.

UNITED FARMERS' CONVENTION

(Official Report)

Farmers convention met in the Farmers Hall at 2:15. President T. W. Caldwell in the chair. A large delegation being present, showing 25 branches represented. Gordon Sharpe, Secretary of the Association, read the Farmers' platform also platform of the Canadian Council of Agriculture. President Caldwell said: "Ladies and Gentlemen: I say, ladies as you see we have one in the person of Mrs. King, who I take pleasure in introducing to the members who have not as yet met her. Mrs. King is the secretary-treasurer of the United Farmers Co-operative Co. and has kindly consented to act as stenographer for us again. I assure you she is capable of the position she holds with the Company in every way. I will now endeavor to take up some of the planks in our platform, will take up some of the last things first. Alienation of natural resources: I have in mind one case in particular that of Grand Falls. Grand Falls has the second best water power in the province. Some 12 years ago a firm was given power to develop its water supply to the extent of \$280,000. If that power was used every Farmer would have his home and barns lighted with electricity and better lights for our town. Another firm wanted to develop it and said they would give \$100,000 to relinquish its charter. It has never been done. He wanted a million dollars on a \$280,000 investment. Our platform wants these charters cancelled unless developed in a reasonable time.

Tariff: We do not know how deeply we are affected by the tariff. Duties

that are imposed do not go to help pay the bills of the country. Duty on farm machinery amounts to about \$90 per year. Duty on fertilizer \$60 per year. The farmer pays this to the manufacturer and we hardly realize we pay it and if we were asked to pay it out of our pockets not a man would stand for it. As it is now it is added to the cost of the article, and we pay it willingly. We manufacture machinery in Canada as cheaply as in United States. Before the war a Canadian binder was sold in England \$25 less than in Toronto. The liberal policy was not consistent as it did not provide any way of supplying the revenue lost by taking duty off of farm machinery. The Canadian council of Agriculture have proposed to have something to take the place of the revenues lost. The United Farmers' platform supplies that by a graduated tax on large estates. Income tax: Rate of income tax for single men on \$1000 to \$1500, a tax of 2 per cent; 4 per cent on net income over \$1500. Married men 2 per cent over \$2000 to \$3000, 4 per cent over \$3000. In addition a super-tax of 2 per cent over \$3000 to \$10,000; 5 per cent over \$10,000 to \$20,000; 8 per cent over \$20,000 to \$30,000; 10 per cent over \$30,000 to \$50,000; 50 per cent on \$1,000,000. The government would not have adopted this tax if the farmers had not demanded it and by adopting this measure the wealth of the country will pay the taxes instead of poverty as heretofore.

Mortgage property: A large number of returned soldiers are asking for land. Many of these men were boys when the war started. Their pay was small, and they could not accumulate much money while the war lasted. In order to settle on lands they have to mortgage for large part of value of land. These men have to pay tax on the full value of the land regardless of

A CRIPPLE FOR THREE YEARS

Held in Bed With Rheumatism Until He Took FRUIT-A-TIVES

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont. "For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit.

Finally, I decided to try 'Fruit-a-tives'. Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

the fact they do not fully own it, or in other words they are in position of paying tax on property which they do not own. In the Farmers' platform provisions are made to exempt a man from tax on mortgaged property to the amount of mortgage still due, holder of mortgage to pay tax on same in district wherein the land lies. Would like to compare this with law passed by Union Government regarding business profit tax which provided for the taxing of excess profits by manufacturers which look good on the face of it, but on closer personal we find that this does not apply to any firm doing business with a capital of 50,000 or less, which means in the case of a number of our large corporations who are doing business under the head of four subsidiary Companies they get by this act with a capitalization of \$200,000 without paying any excess profit tax which is in line with all our other legislation which is intended to make the rich richer, and the poor poorer. Such acts are not to keep the farmers from being robbed but to keep him still while he is being robbed.

Prohibition: The United Farmers stand for total prohibition of the manufacture and sale of intoxicating liquors as a beverage. The Farmers plank with regard to running an election is that they will use no money or undue influence to secure votes for their candidates as they consider this has been the prime cause of all political graft and corruption which has been so much in evidence in Canada. Some of the schemes to side-track the Farmers party: One suggestion has been that the Farmers compel the two old political parties to put Farmers on their ticket as candidates so that no matter which party was returned to power you would be sure to

GOES 25 MILES FOR MORE TANLAC

Farmer Says It Restored Wife's Health After He Had Spent Hundreds of Dollars

"Well, sir, it is twenty-five miles from here to where I live, and I came all that distance just to get some Tanlac," said W. M. Nance, a well-known and prosperous farmer who lives at Irricana, Alberta, Canada, while i. the Liggett-Findlay Drug Store in Calgary, the other day.

"You just ought to see the way this Tanlac has brought my wife out," continued Mr. Nance, "and here of late I have been feeling mighty bad myself, so I thought about the best thing I could do was to get started on Tanlac as quickly as possible. Now, my wife's trouble was of five years standing, and during that time I spent hundreds of dollars trying to get something that would help her, but it was just that much money thrown away. She had a bad case of stomach trouble, and everything she ate would cause gas to form so bad that she could hardly get a good breath. Then she was so nervous and restless that she couldn't sleep at night. She also suffered from headaches, and sometimes she would get so dizzy that she couldn't stand on her feet. She just kept getting worse all the time until she was just past going altogether.

"Well, I noticed that Tanlac was highly recommended for that kind of trouble, so I bought a bottle of it and she commenced taking it. In all my life I never saw anything to equal the way my wife improved after she commenced taking Tanlac. Why, she has gained at least fifteen pounds in weight, and is as well and hearty as she ever was in her life. She has a fine appetite, and eats just anything she wants and she never suffers a particle afterwards. She does all her housework now, and it doesn't seem to tire her a particle. Now, that is what Tanlac did for my wife, I am sure that it will soon put me on my feet. Yes, sir, Tanlac is a real medicine and you may count on me to say a good word for it every chance I have."

"Tanlac is sold in Hardhead by Ester & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centerville by Stevens Bros., and in Woodstock by E. W. Mair, in Benton by W. E. Porter, and in River de Chute by Daniel B. Baird."

Comfort—and Fit

A SHOE that fits properly is comfortable. But a shoe that is comfortable (at first) is not always a proper fit. Footwear that is too large may cause no immediate discomfort. But it will not give service nor retain its neat appearance. And it may cause foot troubles into the bargain.

Do not overlook this important point. Go to a reputable dealer who can advise you on the type of shoe you should be wearing, and let him fit you correctly. Thus you may obtain lasting comfort as well as long wear and neat appearance.

And if you will look for the manufacturer's trade mark on the shoes you buy, you may be assured of good value for your money.

A.H.M. Footwear is sold by more than 5000 retailers in all parts of Canada, and is distributed by the A.H.M. system of Branch Stocks. Popular styles are therefore quickly obtainable anywhere in Canada.

end pain, prevent festering and heal. This is why those who have once used Zam-Buk will never use any other ointment.

Miss Viola Hubley, of Upper Goshen, N.B., writes: "My sister had sores on her foot that commenced like boils and then discharged. She suffered such intense pain that she could not wear her shoes and had to remain in the house. We commenced using Zam-Buk and the pain soon disappeared. Then the sores stopped discharging and before long the places were entirely healed over. We shall never be without Zam-Buk again."

For eczema, blood-poisoning and piles, cuts and burns Zam-Buk is equally good. All dealers, 50c box.

Only a **GOOD White Lead** can hold **World Supremacy** for 200 Years

TWO hundred years ago—when the sign-painter was an artist of every high standing—the best white lead for any kind of painting was Brandram's Genuine B.B. Today, the most fastidious painters still choose this world-famous white lead for their most important work.

Brandram's Genuine B.B. White Lead

The reason is not far to see. Most white leads are produced by one process of corrosion—such as the so-called "Old Dutch" process, "Chamber" process, or some more or less mechanical process. But Brandram's Genuine B.B. White Lead is a combination of different processes. Thus, particles of different shapes and sizes are merged so as to form a product of wonderful smoothness, capacity and covering power.

Measured in terms of cost per hundred pounds, Brandram's Genuine B.B. White Lead is the most expensive lead on the Canadian market. But, considered from the standpoint of covering capacity and length of service, it easily outclasses all other white leads, and proves the most economical in the end.

"Save the surface and you save all."

FREQUENT HEADACHES

A Sure Sign That the Blood is Watery and Impure

People with thin blood are much more subject to headaches than full-blooded persons, and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich, red blood made by these pills will remove the headache.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment, and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain and under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition, every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The boys are home again—Make them glad they're back

THEY'RE home again—victorious. And how thankful and happy you are. Of course they're glad to be home. But still—sometimes it must seem a little dull. How to keep them entertained: how to make the home so attractive that it will hold them:—that's your problem. And the answer:—

The New Edison

Coming Bye-Election

United Farmers are Active but Neither Liberals or Conservatives Have Made Announcement

President Thomas W. Caldwell of the United Farmers of New Brunswick, who was last week nominated to fill the vacancy in Parliament caused by the resignation of Hon. F. B. Carvell, and his cohort of supporters have been busy every day since the convention, and from all reports they are putting it all over the old-time parties in the way of creating enthusiasm. Meetings at Andover and Grand Falls have been largely attended, and the farmers all over the constituency express the belief that their candidate will win over any opposition that may come into the field.

The United Farmers is a young organization, and their decision to run a candidate for parliament at this time means their making or their breaking. If they hang together to the finish their chance for electing their man, and thus solidly establishing themselves, is apparently very good. If at the last moment they split on the old party lines, it would seem that everything would be about over for the United Farmers.

The names of George W. Upham is mentioned as the Liberal candidate, if the party decides to contest the election, while Hon. B. F. Smith is said to be the choice of the Conservatives. If either or both of these gentlemen decide to run it would seem that they should be making a start.

Fatal Shooting At Centreville

A fearful shooting accident is reported from Centreville, when on Monday evening John Conroy lost his life. Together with a neighbor, Frank Upton, had gone to the woods for small game. The two became separated from each other and Upton hearing a noise in the bushes mistook it for an animal's disturbance and fired point blank. Conroy got the bullet through the abdomen and died almost instantly. He was about 31 years of age and leaves a young wife and two small children. Funeral services were held at Tracey Mills yesterday and were attended by a large concourse of sympathizing friends.

Both young men were very well known and held in high esteem. Upton has been almost beside himself because of his friend's death in such a terrible manner. The hunting season has not yet opened and already come reports of mistaking men for game, an all too common accident which seems utterly inexcusable.

Mount Pleasant

Mr. and Mrs. David Pelky and family from Madison, Maine, have been visiting friends and relatives this week.

Quite a number of people of

this place, attended the Houlton fair.

A number of friends gathered at the home of Mr. and Mrs. Henry Campbell, Wednesday, to welcome their son Burr, who has been to France. A very delightful evening was spent in music and games. Ice cream and cake was served for refreshments, and after which they presented a ten dollar gold piece to Mr. Campbell.

Verner Clarke from Lowell, Mass., is visiting his parents, Mr. and Mrs. L. E. Clarke.

Miss Evelyn Hatfield of Houlton, Maine, has been visiting friends and relatives the past week.

Eddie Clarke, David Phillips and Oscar Hatfield went west on the harvest excursion.

Mr. and Mrs. Frank Mallory and daughters Ada, and Lyla from Lawrence, Mass., were visiting friends this week.

Mr. and Mrs. Millen Hawthorn from McAdam are visiting her parents, Mr. and Mrs. Howard Drake.

The friends of Bythia Burlock will be glad to know that he is gaining slowly.

Lee Clarke and Evelyn Hatfield, while returning from a party at Upper Brighton, were run into by an auto, smashing the wagon and throwing them out. No bones were broken, but they were badly shaken up.

KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Upper Kent Items

Mrs. Spear and her son Robert left on Wednesday last for Alberta. She bears with her the good wishes of many friends.

Harry Foren, who lately returned from overseas, has gone to U. S. for a short time.

Mr. and Mrs. Foren of Holmesville have moved to Upper Kent to spend the winter with daughter, Mrs. John Broad.

We regret very much that Upper Kent has been unable to secure a teacher this term. The Maplehurst school is under the care of Miss Dora Barker of Bath.

Mrs. Sam Ritchie is away, spending a few days with her daughter Mrs. Ira Burley.

Kenneth Squires, who is attending Business College at St. John, has been home on a visit to his parents, Mr. and Mrs. Handford Squires.

ROYAL YEAST CAKES

There is more energy in a pound of good bread made in the home with Royal Yeast Cakes than in a pound of meat. Bread making is a simple operation and requires no previous experience. Full instructions in Royal Yeast Bake Book, mailed free on request.

E. W. GILLET CO. LTD. TORONTO

Arthur Inman has opened up a blacksmith shop in this community. It is a great convenience to the farmers.

Mrs. Bean of Ashland who has been visiting her parents, Mr. and Mrs. William Cox, has gone to her sister's at Fredericton Junction.

Mrs. James Woodland of Perth is visiting her sister-in-law Mrs. James Smith.

Mrs. Ben. Springer of Fairfield spent a few days with her father, Edward Wharton.

Edwin Bird and family of McAdam spent their vacation at his home in Maplehurst.

Rev. Henry Penna and wife of St. John have been visiting his sister, Mrs. E. J. Thompson.

G. W. V. A.

Election Card

To the Electors of the Federal Constituency of Carleton-Victoria:

Having been nominated by a Convention of the UNITED FARMERS OF NEW BRUNSWICK, which was held in Woodstock on September 2nd, to contest the coming Bye-Election in the above Constituency to fill the vacancy caused by the resignation of the Dominion Minister of Public Works, and as the Election is to be held on October 27th and the time being so short, it will be impossible for me to personally call on all the Electors in the two Counties. I therefore, take this opportunity to state to you what the aims of the UNITED FARMERS are.

They are, in brief, as follows: THE UNITED FARMERS are strictly independent of both the old Political Parties, and their representatives will be perfectly free to support any measure that is for the best interests of the Farmers of Canada, and just as free to oppose any measure that they feel is not in the interests of the Farmers.

And Canada, being an Agricultural Country, we believe that any legislation that is beneficial to Agriculture is indirectly beneficial to every citizen of Canada.

THE UNITED FARMERS also stand for PURITY in elections, as they believe that the lack of this is the starting point of all the Political Graft and Corruption which is so much in evidence in Canada to-day.

We would therefore appeal to every loyal citizen of Canada to support the FARMER'S PARTY, and to the Electors of Carleton-Victoria, to support me as the UNITED FARMERS Candidate in the coming Bye-Election.

United Farmers' Convention, Con.

(Continued from page 2)

have farmers in parliament, but gentlemen, what good would a farmer be in parliament tied fast to either the old political parties? We wouldn't be here to day if the farmers of Canada had any faith in either of the old political parties, because they have each promised everything but the sun and moon. How many of these promises, I leave to you, have been fulfilled? As a safe guard that the United Farmers representatives will carry out the wishes of the farmers after elected, there is a provision made in the farmers platform to compel their representative to resign on the request of 60 per cent of the United Farmers of any constituency so electing farmer representative. Meeting was then opened for nominations.

T. W. Caldwell of Florenceville, and Coun. R. Tracey of Tracey Mills, and C. Gordon Sharpe, and Coun. Fred Smith of Windsor were put in nomination. After some discussion the three later resigned and the nomination of Mr. Caldwell were unanimous. The following committee was appointed: J. E. Flemming Debec, chairman, S. C. Merritt, Grand Falls, 2nd vice chairman, Harrison Rogers, Northampton, 1st vice chairman, Judson Corey, Red Rapids, 3rd vice chairman, Nathan Phillips, 4th vice chairman, Guy Dow, Northampton, Secretary, Treasurer County committee to arrange meetings etc., Geo. LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freeseone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off. When Freeseone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

Your druggist gladly will give you the genuine "Bayer Tablets of Aspirin" because genuine Aspirin now is made by Canadians and owned by a Canadian Company.

There is not a cent's worth of German interest in Aspirin, all rights being purchased from the U. S. Government. During the war and imitations were sold as Aspirin in pill boxes and various other containers. But now you can get genuine Aspirin, plainly stamped with the safety "Bayer Cross." Aspirin proved safe by millions for Headache, Toothache, Rheumatism, Lumbago, Colic, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monocaceticacid of Salicylicacid.

Torturing, Itching Eczema

Mrs. J. B. North, Paspebiac, Bonaventure Co., Que., writes: "Thanks to Dr. Chase's Ointment I have been completely cured of that horrible disease eczema. I was held as if in prison from going among other people, for I was ashamed of the raw, flaming sores. Doctors could do nothing for me and I was almost desperate with suffering when I began to use Dr. Chase's Ointment. In one month I was completely cured and think that this was little short of a miracle."

You May Be Skeptical

About What Dr. Chase's Nerve Food Will Do for You, But Here is the Evidence.

When the blood gets thin and watery, when the nerves become weak and exhausted, when your vitality is run down and you feel weak and tired it is because nourishment is lacking. You may be eating as usual but your digestive system fails to obtain from the food you eat the elements from which new blood and nerve force is created. Because Dr. Chase's Nerve Food supplies this element to the blood and nerves it is the most successful of restoratives. While personal experience with a medical treatment is the only absolute proof that it will benefit you still we are all similarly constituted and what will help one will help another under similar conditions.

This is why it is so interesting to read the experience of other people, and many will find in this letter their own conditions described. Mrs. Thomas Williamson, Pictou, Ont., writes: "For the last twenty years I have had trouble with my nerves. I suffered from sleeplessness, and, of course, my system was often in a run-down condition from nervousness. At different times when I would have severe attacks, I was under the doctor's care, but this only gave me temporary relief. Twice I was in a sanatorium in Toronto, where I secured some relief at the time. This past summer I suffered from another nervous breakdown, and it was then that I commenced using Dr. Chase's Nerve Food. I took a treatment of this medicine and can now get up in the morning and do my work, which was something I could not do previously, because I used to get strangely confused. My appetite is good, and I can sleep well, too. Generally speaking, I am so much better that I am proud of my improvement. I cannot speak too highly of the splendid results I have secured through the use of Dr. Chase's Nerve Food."

Dr. Chase's Nerve Food, 60 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edman-son, Bates & Co., Limited, Toronto.

Garage for Sale

F. Hagerman & Son offer for sale their garage business, including, stock-in-trade, good will, etc. The building is 35x70. The top floor is used as a public hall and moving picture house, known as The Star Theatre. The centre floor can accommodate 20 cars for storage, or can be used for battery work and tire repairing. The ground floor, which is of cement, is used as a garage, and is no doubt the best available business location in New Brunswick.

We fitted up for the Battery Business with everything except the lead burning outfit. For charging batteries we have a 900 watt generator and can easily care for 200 to 400 batteries this coming winter.

Our Garage Car is a Gray-Dort Special and has covered 3000 miles. It has been recently cleaned and fitted with new tires all round.

We are located on the corner of Main and Court streets, in the new and prosperous Town of Hartland which is located in the centre of Carleton county which is undoubtedly one of the finest agricultural districts in the maritime provinces.

In the meantime we are here to do business until we sell out. Best reasons given for selling.

LOCAL AND PERSONAL ITEMS

There passed away at the rectory, Stewiacke, N.S., on Sunday, August 31, one whose death will be generally mourned, Agnes Louise Parlee, wife of Rev. Henry T. Parlee, M.A. Mrs. Parlee was operated on for appendicitis on the last of January and never fully recovered. She was the daughter of the late Hon. Geo. W. White and is survived by two brothers, Leander of Denver, and Gilbert of San Diego, California, and three sisters, Mrs. A. C. Gibson and Mrs. S. W. Niles of this place and Mrs. John Humble of Moncton. Besides her husband, she leaves a family of three sons and two daughters. The sons are: Medley K. of Ottawa, Archibald C. of St. John and Percy L. of Stewiacke. Two of Mrs. Parlee's sons—George and Henry, lost their lives in the great war and the aforementioned three sons have recently arrived from active service in France. The daughters are Mrs. Horace Cronk of New York and Miss Ruth at home. The funeral was held from her former home here on Thursday afternoon and interment made in the family lot in the Episcopal burying ground. Rev. J. Rees Jones conducted the service assisted by his friend, the Rev. Mr. Richards.

Miss Annie Anderson returned on Wednesday from the fall openings in Saint John and has resumed charge of the millinery department of C. M. Sherwood, Ltd.

Lieut. F. B. Sonoley returned to Halifax on Thursday after a six-day leave spent with relatives here. He will spend the winter in the Canadian west.

Harley C. White of Amoscook, N.B., came down on Thursday to attend the funeral of his aunt, the late Mrs. H. T. Parlee.

A pleasant birthday party and supper was held on Saturday evening at the home of Mrs. G. L. White, it being the occasion of the birthday of Miss Mildred White.

Mrs. S. W. Burt entertained a party of friends to tea on Saturday evening.

Mr. and Mrs. Gerow and auto party from Fredericton were the week-end guest of Mr. and Mrs. G. G. London.

Mr. and Mrs. H. S. Burt of Woodstock are visiting friends in town.

Mr. and Mrs. John Humble left for their home in Moncton on Friday.

The Presque Isle Fair caught the holiday sport seekers last week and this week all roads have led to Woodstock.

Mr. Farjo of Saint John is the guest of Mr. and Mrs. L. L. Clark at their home here.

Mrs. Roy McCall and daughter Alice left on Wednesday to join her husband in Boston, where they will in future reside.

The farmers of the vicinity are having an interesting catch-as-

catch can bout with the weather man over the harvesting of the grain crop. They manage to get it out between showers but are experiencing considerable difficulty in housing it. The yield promises to be satisfactory but the straw will be rather black and of poor quality. The tubers are a real good crop and while the price hovers around \$3.00 they can wear the smile that won't come off.

Rev. and Mrs. Richards are visiting their friends, Rev. and Mrs. John Rees Jones at the Rectory here.

Dr. and Mrs. Geo. J. Burt and Mr. and Mrs. Peterson of Port Fairfield were guests of Mr. and Mrs. S. W. Burt on Sunday.

Mrs. S. T. Gallagher spent last week with her sister, Mrs. Rose Clark.

Miss Mary Harold and Miss Rovene D—ney are among those in attendance at the Provincial Normal School this year.

Miss Geraldine Humble left for her home in Moncton on Monday.

Mr. and Mrs. L. H. Baldwin and family spent a pleasant week's vacation at the former's home in St. George.

Miss Winifred Clark is spending a week with friends in Presque Isle.

Royalties

Miss Bird Crawford left on Tuesday to attend Acadia college.

Stiles Burt is building an addition to his house.

Miss Lucy Cummings is teaching in the upper district.

Miss Helen Crawford went to Long Settlement to take charge of the school there.

Several from this place attended the Fair at Presque Isle.

During the last few weeks several loads of potatoes have been marketed. A good crop seems assured and the farmers are satisfied with the prices.

Eugene Kierstead spent the week-end in Millville.

Heavy Fire Loss near Perth

James Stewart of Perth met with a heavy loss on Wednesday night last week when his large potato house with store room overhead was totally destroyed by fire. Several barrels of flour, wheat, about 50 hens, a rubber tired wagon, 19 sets of harness, several tents and all kind of railroad supplies were burned along with other things too numerous to mention. The fire had gained such headway when discovered by Mrs. W. Garvey, a neighbor at almost 10 o'clock, that it was impossible to save anything and it was by hard fighting that a large barn near by was saved. Fortunately no wind was blowing at the time and owing to the recent rain the other buildings were spared. There was no insurance.
