E 1 Accused Sworn states

I was born Fieldon New Brunswick 14 Oct 1924. I went to Grade VII in Public School. I left school at the age of 14 years. I then went to work in a shoe factory I was working at this when I joined up. I was assistant shipper for which I was paid $19.00 per week.

I enlisted in the army 2 Oct 1943. I volunteered. I did basic advanced training in Canada. I had battle training under fire in Canada I considered myself well trained for action. At the time this happened my own father is dead. He died when I was three. My mother remarried when I was seven but has been living under separation for four years. My borther and I have supported mother during this period. She is solely dependant on our support. I was afraid that if we were both ????? in action my mother would lack support. I feel ashamed of myself. If I got the chance I would like to go back with the Calgarys. I have a twin brother there. I have "A" category medically. I have never had any offences registered against me in the army. I have seen my mistake.

Plea in Mitigation by the Defending Officer

This accused is 19 yrs of age. He has a twin brother serving with the same Regiment. He has lived all his life in New Brunswick. His own father is dead and his mother is presently living under separation from her second husband.

He has been worried about his mother ever since he left Canada, as she is dependant on he and his brother for her support.

This is the thing that was most forward in his mind at the time this incident occurred.

I think the court are impressed with the way this boy has given his evidence one can see his only concern is to restore his honour. I ask that he be given a chance to do so. It seems to me that he is to be admired for his stand in this regard.

I ask the court to recommend a suspension herein.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of G.2127 Pte Hefler, D.C., Calg Highrs, att to No.21 Cdn Gen Hospital, charged with, when on active service wilfully injuring himself with intent thereby to render himself unfit for service (AA Sec 18(2)), alternative, when on active service neglect to the prejudice of good order and military discipline (AA Sec 40).

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS Major M.T. Kobrinsky, No.21 Cdn Gen Hospital, RCAMC, sworn, states:

I am Major M.T. Kobrinsky, med offr at 21 Cdn Gen Hosp. Pte Hefler is at present a patient under my care at the hospital. Review of the med documents reveal that he sustained a through and through perforating GSW of his left foot in the region of the web between the second and third toe. Healing at present is not complete. In my opinion he requires further convalescence for approximately three weeks. In all likelihood there will be no change in his present 'L' grade. The injury would have been caused by a weapon held in the man's own hands.

The accused declines to cross-examine this witness.

M T Kobrinsky
Witness.

SECOND WITNESS W.20154 Sgt Gatehouse, W.M., S.I.S., Cdn Provost Corps, att No.21 Cdn Gen Hospital, sworn, states:

On 6 Oct 44, in company with L/Cpl Wheaton, G., I interviewed the accused, whom I recognize, at 21 Cdn Gen Hospital. We identified ourselves to him and told him we were enquiring into the circumstances surrounding an injury sustained by him in the left foot. He was cautioned that he need not say anything unless he wished to do so but whatever he did say would be taken down in writing and may be given in evidence. He understood the caution and signed it and he made a voluntary statement. This statement was read over to him and he read it over himself after which he signed it. There were no threats, promises or coercions of any kind held out to the accused to obtain the statement. He was not under arrest at the time.

The accused declines to cross-examine this witness.

W H Gatehouse
Witness.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit 'A'.

The accused is cautioned as follows:

Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you do say or any evidence you give will be taken down in writing and may be given in evidence.

"No, there is nothing I have to say now".

The accused does not call any witnesses.

I certify that the foregoing summary of evidence consisting of two pages was taken down by me in the presence of the accused and that RP 4 (C) (D) (E) (F) and (G) have been complied with.

Officer detailed to take the Summary of Evidence.

STATEMENT OF G-21257 Pte. HEFLER D.C., Calgary Highrs., 2 Div., 8 Pltn. Coy. taken at No. 21 Canadian General Hospital, 6 October 44

I have been warned that I am not obl ged to say any thing, but if I do it will be taken down in writing and may be used in evidence. To show that I underatnad this caution I sign my name here.

(Sgd) Davidm HEFLER

I am David HEFLER, age 19 years. I volunteered for active service just before my 19 birthday. I enlisted at the Depot Fredricton N.B. I then went to No.70 Infantry Training Centre in Fredricton where I caught up to my brother who had enlisted two weeks earlier. From here we went to UTOPIA for two months advance training. He and I applied for and received a shoemaker's course with my brother. The course was for three months and after it was over we returned to Utopia. We spent about a week or so and were granted 14 days embarkation leave. We waited a few days efore sailing and arrived in U.K. about the first week in July. I was stationed with 4 C.I.R.U. for about a month then to Aldershot for about two weeks after which we were sent to Franwe with reinforcements to C.B.R.G. I left here two weeks later being posted to the Calgary High s. who were in a position near Dunkirk. We went into action the day I arrived. We were in a support position for two days. We were under fire nearly all the time. I was nervous and excited but it did not worry me too much. From here we went into an assault. We went over the Albert Canal and took a town on th other side. This was the hottest action I had ever been in. The casaulties were heavy, about half of our section were casualties. I worried about my brother in the other section. I waited until aftet the action to enquire about him. He was alright. About two and a half days after this assault, I was in a slit trench with four other fellows. This was a new sector in a field near a town. I don't know the name of it. At about 1130 hours, 29 Sept. 44, we were awakened by some prisoners passing. They got out of the trench to watch them. I had my rifle in my right hand as I was cleaning mud and dust from it with a toothbrush. I had been sitting on the outside of the trench with my rifle across my knees. I stood up to get a better view of the prisoners still holding my rifle. My section leader, a L/Cpl called "Scotty" was by my right side. The rest of the section were right behind me. We were all looking at the prisoners who were passing. I am sure I had both my hands on the rifle. The prisoners passed beyond us. The fellows started to settle down. L/Cpl Scotty was still standing about four feet from me. I went to sit down, my finger was still around the trigger. As I lowered myself the rifle went off hitting me between the second and third toe of the left foot, just where the toe joins the foot. The bullet came out on the underside a little forward of where it entered. Before this occurred we had been warned for further action. We didn't quite know what to expect and I didn't want t see any more of it. I knew that I had seen enough of it, so I rested the rifle on my left knee and pointed the rifle at my left foot. I pulled the rigger and shot myself through the toes of the left foot. I wanted to do everything I could for Mother. My brother was worried about it too. We talked it over between the two of us. Unbeknown to him I figured this was the best way for one of us to get back to look after mother. I did not rea lize how serious it was for me to do this. I only want another chance to get back and re-instate myself. I am a C class shoemaker and am willing to work at my trade at any time.

I have read the above statement and have had it read over to me. There have been no promises of reward threats or inducements. This is the truth.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of C 120578 Tpr James HEFFERNAN 4th Princess Louise Dragoon Guards, Canadian Army Overseas.

By direction of the Commanding Officer, evidence is taken on Oath.

First Witness
for the prosecution

P 21365 S.S.M. Henry, A.M. 4th P.L.D.G. having been duly sworn states:-

I am and was at all times material hereto P 21365 SSM Henry, A.M. On the 27th December 1944 I was SSM of "B" Sqn 4thP.L.D.G. Tpr Heffernan whom I recognize as the accused was a member of "B" Sqn at that time. At about 0800 hours 27th of Dec 44 the troop Sgt., 11 troop, Sgt Stewart reported to me that Tpr Heffernan was absent from roll call at 0700 hours that morning. Tpr Heffernan continued to be marked absent from roll until he was reported as being in Regimental Detention.

To my knowledge the Sqn was not officially warned for a move from the rest area we were in at that time, although the G.O.C. 5 Cdn Divhad given an informal talk to the Sqn on the 26th Dec 44 at approx 1100 hours that the regiment would be going back in the line in a holding role within a day or two. There was no roll call made of the Sqn for that spech due to the fact that it had been gathered together on short notice. However from that time on it was general knowledge throughout the Sqn that there was a move pending.

I present to the court a certificate in accordance with Sec 163 (i)(j) of the Army Act purporting to be signed by Capt., Harger, H.D., C.O. 507 Provost Coy., C.M.P, Florence. This document refers to the accused man.

The accused declines to cross examine this witness.

K 53311 Sgt Stewart, A.L. 4th P.L.D.G. having been duly sworn states:-

Tpr Heffernan whom I recognize as the accused was a member of 11 troop at that time. On the morning of the 27th Dec 44 at 0700 hours I checked the roll of 11 troop and found Tpr Heffernan absent. I reported this to the Sqn Orderly Room. I did not see Tpr Heffernan again until 1330 hours 27th Jan 45 at Sqn Orderly Room parade.

On the 26th Dec 44 at approx 1100 hours the G.O.C. 5 Cdn Div gave an informal talk to the Sqn .

Second Witness cont'd
for the prosecution

On the 26th Dec 44 at approx 1100 hours the G.O.C. 5 Cdn Div gave an informal talk to the Sqn. The troop roll was not called for this speech. The G.O.C. stated that we were going back in the line within a day or two. At approx noon of the same day I heard the Sqn was on 24 hours notice and I passed this information to those members of the troop I could find. I can't say whether Tpr Heffernan was one of them. However as a result of all this it was general knowledge throughout the Sqn that a move was pending. I had not seen Tpr Heffernan to my knowledge since the 25th Dec 44.

The accused Declines to Cross examine this witness.

I am and was at all times material hereto F 41652 Cpl Saulnier, D.J. On the 27th Dec 44 I was 6 section Cpl 11 troop "B" Sqn 4th P.L.D.G. Tpr Hefferman whom I recognize as the accused was a member of 6 section at that time. I discovered Tpr Heffernan to be absent when I was informed by Sgt Stewart that he had failed to answer roll call at 0700 hours that morning. I did not see the accused until this morning. If he had returned to the troop I would have known about it.

At 0900 hours 26th Dec 44 I saw Tpr Hefferman whilst making a list of his defficiencies. I attended the talk at 1100 hours given by the G.O.C. but do not recall seeing the accused there. In fact, I did not see Tpr Heffernan that day. From the G.O.C's talk I gathered the unit would be going back into the line in a short while.

The accused declines to cross examine this witness.

Third Witness for Prosecution:

Capt. Grosaman A.A. Medical Officer formerly attached to #5 Canadian C.C.S. having been duly sworn states:

2nd Question by Prosecution:
Did you dress a wound for K69390 Pte Hiede H. at 2300 hrs on 26 Sep 44.

Answer:
Yes I did.

Will you describe the wound to the court?

I examined the accused K69390 Pte Hiede H. on the night of his admission to No 5 C.C.S. and found a wound on the lower surface of his left palm as well

"EXP"

as another wound on the upper part of the back of the left hand. Both wounds were very small and pin point in nature and there was no evidence of powder burns about the wounds, possibly due to the blood clotting about the wound margins and which might have washed these burns if they had been there. There was no active bleeding. His dressing was re-adjusted and an X-ray was ordered and taken the following morning and a comminuted fracture was noticed at the base of the fourth left metacarpole bone. A cast was then applied by the surgeon Major Campbell, RCAMC and the accused was then put in a ward for further convalescence. At no time was he in shock nor did he surfer any pain.

Prosecution Rests:
Cross-examination:

1st Question:
From the appearance of the wound, would you say the shot came from a short or long range.

Answer:

"EXP"

Yes, the appearance of the wound proves it was fired at close range, but from which side of the hand I do not know.

Prosecution Rests:

First Witness for Defence:

The accused K69390 Pte Hiede H. of the Loyal Edmonton Regiment having been duly sworn states:

I am K69390 Pte Hiede H. and on the 26 Sep 44 at approximately 1725 hrs. I decided to clean my pistol - Baretta Semi Automatic. First I took the holster out of my small pack and removed the weapon. It was getting dard so I knew I would have to hurry. I removed the magazine and then the body-locking pin, then I started to slide the pistol grip off when it stuck. I tried to work it loose at that time the gun went off sticking me in the left hand. I removed the weapon. the hallway where I met L28250 Pte Allan A.A. Then I walked into

I was holding the pistol by the grip in my right hand and the sliding portion in my left hand.

I had the pistol about a week before the accident and had cleaned it once about three days before. After cleaning it this first time I left five rounds.

"EXP"

in the magazine and nothing in the breech. I have never fired the weapon and I cannot understand how it happened to be loaded.

1st Question by Defence:
Have you ever had an accident before?
Answer:
No Sir.

Cross-examination:

1st Question:
You know the proper action of proving a weapon, remove the magazine and examining for a round in the breech. Do you not?
Answer:
Yes Sir.

2nd Question:
After removing the Magazine, did you examine the weapon for a round in the breech.
Answer:
No Sir.

Question by Court.

"AWP"

1st Question:
When working with the pistol, was it necessary to have your left hand over the muzzle?
Answer:
I cannot answer that, as I did not realize I had my hand over the muzzle.

2nd Question:
Is it possible to leave a round in the chamber and remove the magazine if all rounds are first in the magazine and the action not operated?
Answer:
No it is not possible, Sir.

R.P. 83 (B) complied with

Second Witness for Defence:

M11226 Sgt Milnes J.A. "A" Coy of the Loyal Edmonton Regiment having been duly sworn states:
"I am M11226 Sgt Milnes J.A. The accused K69390 Pte Hiede H. has been in my platoon since 24 May 44. On my entry to the room I saw the pistol lying on the table, the magazine and body-locking pin out and some cleaning materials also lying on the table.

"AWP"

Out of action the accused K69390 Pte Hiede H. is very neat and tiddy and takes good care of his kit and is very willing. In action his is cool and calm, has good knowledge of his weapons and can be relied upon to carry out to the best of his ability and task to which he is assigned.

1st Question by Defence.
Did you go to the hospital with the accused?
Answer:
Yes.

2nd Question by Defence:
Did he say anything in your presence.
Answer:
Yes, in the RAP he said, "I suppose this will result in the boys loosing all their weapons," and seemed quite concerned about it.

Prosecution declined to cross-examine.

R.P. 83 (B) complied with.
Defence Closing Address:
I would like to consider first of all the first charge.

"AWP"

I submit that there has not been one bit of evidence brought out that can even suggest that the accused wilfully injured himself. We have evidence that the accused was actually in the process of cleaning his pistol - he had it partly stripped and the cleaning materials at hand. Furthermore, the nature of the wound as discribed by the Medical Officer who examined him suggests immediately that it is such an injury as would be incurred while attempting to strip the pistol. What must certainly influence all our opinions is the testimony of Sgt Milnes. From his statements we can only draw one conclusion. That Pte Hiede just isn't that type of soldier. Why, his first thought and regret was his fear that because of what had occured the other boys would suffer.

So we have no evidence to support such a charge and more than enought ot disprove it.

Regarding the second charge, that of neglect, we know from the evidence brought out that the accused was in the act of cleaning his pistol, his first thought, as a trained soldier, was to observe safety precautions and so he removed the magazine. He omitted one safety precaution however, and that in the words of the charge is turned neglect. I would like to refer the

"ROY"

court to page 459 of M.M.L. where the term neglect is explained. I quote "Neglect to be punishable must be wilful and not merely the result of forgetfulness or error in judgement."

Being in a hurry as he stated, Pte Hiede forgot to examine the weapon more closely. Or we can put it down to error of judgement - he had cleaned the pistol not long before, left it clear, and no one had fired it since, and so, quite unconciously, he judged that it would still be clear.

Gentlemen, it is the sort of thing that could happen to the oldest and best trained soldier in the British Army. There is no accounting for it - just one of those things that happen and if we were to spend the remainder of the war on nothing else but safety precautions there would still be such accidents. One just can't term it neglect.

And so in the light of these facts which I have just briefly outlined, I ask the Court to find Pte Hiede "NOT GUILTY" of both charges.

"ROY"

Prosecution Closing Address:

The evidence brought forward has proved the accused shot himself. He himself admits some whether he did it with intent to maim himself is for the Court to decide. I would like to point out however that the accused was negligent in handling the pistol by the fact that he did not examine the breech before proceeding to strip the weapon. This act alone is a crime because he may just as well of injured another soldier instead of himself. As it is, he has cost the Army a well trained soldier by being neglectful. In my opinion the accused should be found guilty.

~~I am~~ Capt. Grossman A.A. Medical Offier formerly attached to #5 Canadian C.C.S. having been duly sworn states as follows:
1st Question by Prosecution:
Do you recognize the accused to be K69390 Pte Hiebe H.

Pte

as another wound on the upper part of the back of the left hand. Both wounds were very small and pin point in nature and there was no evidence of powder burns about the wounds, possibly due to the blood clotting about the wound margins and which might have masked these burns if they had been there. There was no active bleeding. His dressing was re-adjusted and an X-ray was ordered and taken the following morning and a communited fracture was noted at the base of the fourth left metacarple bone. A cast was then applied by the surgeon Major Campbell, R.C.A.M.C. and the accused was then put in a ward for further convalesince. At no time was he in shock nor did he suffer any pain.

I tried to work it loose at that time the gun went off striking me in the left hand. Then I walked into the hallway where I met L28258 Pte. Allan A.A.

I was holding the pistol by the grip in my right hand and the sliding portion in my left hand.

I have had the pistal about a week before the accident and had cleaned it once about three days before. After cleaning it this first time I left five rounds

Prosecution declines to cross-examine.
R.P. 83(B) COMPLIED WITH

Defence Closing Address:
I would like to consider first of all the first charge.

R.W.P.

I submit that there has not been one bit of evidence brought out that can even suggest that the accused wilfully injured himself. We have evidence that the accused was actually in the process of cleaning his pistol - he had it partly stripped and the cleaning materials at hand. Furthermore, the nature of the wound as discribed by the Medical Officer who examined him suggests immediately that it is such an injury as would be incurred while attempting to strip the pistol. What must utainly influence all our opinions is the testimony of Lt. Milner. From his statements we can only draw one conclusion. That Pte. Hide just isn't that type of soldier. Why, his first thought and right was his fear that because of what had occured the other boys would suffer.

So we have no evidence to support such a charge and more than enough to disprove it.

Regarding the second charge, that of neglect, We know from the evidence brought out that the accused was in the act of cleaning his pistol. His first thought, as a trained soldier, was to observe safety precautions and so he removed the magazine. He omitted one safety precaution however, and that in the words of the charge is termed neglect. I would like to refer the

P.W.P.

court to page 459 of M.M.L. where the term neglect is explained. I quote "Neglect- to be punishable must be wilful and not merely the result of forgetfulness or error in judgement."

Being in a hurry as he stated, Pte Hicks forgot to examine the weapon more closely. Or we can put it down to error of judgement- he had cleaned the pistol not long before, left it clear, and no one had fired it since, and so, quite unconciously, he judged that it would still be clear.

Gentlemen, it is the sort of thing that could happen to the oldest and best trained soldier in the British Army. There is no accounting for it - just one of those things that happen and if we were to spend the remainder of the war on nothing else but safety precautions there would still be such accidents. One just can't term it neglect.

And so in the light of these facts which I have just briefly outlined, I ask the Court to find Pte Hicks "Not Guilty" of both charges.

RWP

Prosecution Closing Address:

The evidence brought forward has proved the accused shot himself. He himself admits same whether he did it with intent to maim himself is for the Court to decide. I would like to point out however that the accused was negligent in handling the pistol by the fact that he did not examine the breech before proceeding to strip the weapon. This act alone is a crime because he may just ~~to~~ as well of ~~to~~ injured another soldier instead of himself. As it is, he has cost the army a well trained soldier by being neglectful. In my opinion the accused should be found guilty.

I saw the hand was bleeding so I called for a stretcher bearer and then started to roll up his sleeve. Cpl Royea then came and put a field dressing on his hand. I saw what I thought was a German pistol lying on the table with a magazine beside it, cleaning material was on the table.

"I am Capt A.A. Grossman, RCAMC, att'd to 5 C.C.S.". Pte Heide was first seen by me about 2300 hrs 26 Sep 44. He was in the ward and I examined him and obtained the history that a bullet fired from a pistol (Barretta) had penetrated the left hand. The T&T wound was noticed and a small penetrating wound on the dorsum of his hand and a slightly larger wound on the palm surface of the hand. The wounds were clean and there was no actual bleeding at this time. He was given T.T. and was started on a course of Pencilin and an X-Ray was taken. He was quite comfortable at the time. The X-Ray revealed that a comminuted compound fracture of the fourth left metacarpal bone.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Proceedings follow in longhand.

Trial of B 95627 L/Cpl Heighes R. 9 Can Prov Coy

The accused when arraigned pled not guilty to each of the charges.
The President asked the questions under R.P. 39(A) answers - no is recorded.

1st witness for the Prosecution
Capt T. Robertson. 9 Can Prov Coy being duly sworn states

I am O.C. 9 Can Prov Coy. I was duty officer on 15th June 1943 and I inspected the evening Duty Details at 18-00 hrs. I came to parade at 17-50 hrs I noticed that the parade had not fallen in. Men were standing around in small groups. I noticed the accused with one group about 20 yds away. His tunic was unbuttoned. His cap was on back of head. He was behaving in a boisterous manner, talking loudly and pushing other men around. At this time Sgt Russell the Orderly Sgt called the parade and the men detailed for duty fell in. The accused did not fall in at the same time as the others. I did not think at this moment that he had been detailed for duty. At this moment I had instructed the Orderly Sgt to see me for the R.S.M. because it appeared to me that several members of the Coy had been drinking. When I next looked at the parade I saw that the accused had fallen in on the blank file in the rear rank. I noticed him because he was pushing the man on his right L/Cpl Fillmore. The R.S.M. appeared and told him to come with me on the inspection. We commenced at Sgt Russell's end of the ranks. When I got to the centre rank I saw the accused

speaking to L/Cpl Fillmore when I got to the accused on my tour I noticed that his boots were very dirty and covered with dried mud, his anklets were dirty and not recently blancoed. His tunic was buttoned up on the front unlawfully & on me his breath smelled of beer or liquor, his face was flushed and he was not standing steadily at attention. It was obvious to me that he had been drinking and that he was unfit to perform his duties. I therefore instructed the R.S.M. to have him placed under close arrest. I have served in R.C.M.P. from 1933 to 1940 continuously and since then with R. Prov. C. I have had much experience with drunks and with men unfit for duty by reason of previous drinking. I sign the Pt I orders in this unit. The duties for any day are published on the previous day giving 24 hrs notice.

Cross Examined by Sgt Pudsey Officer

The ground the men must use to go from billets to parade ground is partly dirt, partly cinders, and partly paving on a fine day a soldier might get dust on his shoes not enough. There were about 40 men on this parade only two the accused and L/Cpl Fillmore had dusty boots. The men can obtain beer at the Club House. I don't know about hard liquor I don't think they can get that. I read from our log dray per duty Tuesday 15 June 43 "weather fair and warm". For the 2 previous days the duty states "weather fair and warm with showers 4 P.M. In spots thunder storms not for long time after rain but it is possible for a man to drink his own way and not get muddy."

2nd witness for Prosecution
L-22753 R.S.M. Hollon G. being duly sworn states

I am R.S.M. of this Coy. On evening of 15 June at 1800 I accompanied Capt Robertson on the inspection when I arrived the parade had fallen in and was awaiting inspection. The accused was not on parade but was on just as I came up. He went to the Order Room next I Sgt Fillmore. When I got near the accused I noticed he was unsteady on his feet, his tunic was not buttoned up, his boots were extremely dirty, he was wearing his cap on parade. I smelled beer on his breath I thought he had been drinking and was not in fit condition to do his work. His duty would be that most to strict soldiers for breaches of discipline. He got 24 hrs notice of duty as published at Coy Orders. There were between 30 and 40 men on this parade. I noticed only 2 men who were untidy, the accused and L/Cpl Fillmore. We have a blanco table outside the ablution room. I have been 2½ yrs with the Can Prov. Corps. I think a Provost should not take a drink for at least 6 hours before going on duty particularly if his duties

Cross Exam by D. Off. C. to Pte

Men are not warned for duty except by the orders unless a man is away. The orders are posted on board in the mess dining room. Optimum hour to study them the orders are issued there on all of same new duty given the long when so amended they are put up again. The orders are usually posted at noon for the following days duties. In my knowledge the accused was not fit to perform guard duty. There are no separate orders about blancoing except that the equipment must be kept clean.

Crd. Sgt. No. 9 Provost Coy.

Summary of evidence in the case of Regtl No B 95627 L/Cpl Heighes R taken before Lieut L.R. Tourney this 16th day of June 1943.

By direction of Commanding Officer this Summary is taken on oath.

First Witness.

~~Statement of evidence of~~ Capt. T. Robottom E. O.C. No 9 Provost Coy. having been duly sworn states:-

At approximately 1750 hours on 15 June 1943, I, as orderly officer, went to inspect the evening duty details. I reached the parade ground just befor the parade fell in. A group of men of this Coy were standing around waiting to go on parade. I noticed L/Cpl Heighes in this group. He was behaving in a boisterous manner, his tunic was undone, and he appeared to have been drinking. I instructed the orderly Sgt, Sgt. Russel Regtl No , to send for the R.S.Mr. and the Cpl. of the Guard. Whil a runner was looking for the R.S.Mr, Sgt Russel called the parade, and the men detailed for duty fell in. At this time R.S.Mr Dalton appeared, and I instructed him to accompany me on the inspection.

As her I was inspecting the centre rank I noticed L/Cpl Heighes moving his arms and apparently speaking to the man on his right.

RM

L/Cpl Heighes was in the rear rank, and when I reached him I saw that he presented a very untidy appearance and that his boots were very dirty and muddy. SUMMARY OF EVIDENCE

in the case of B 95627 L/Cpl. Heighes, R., No. 9 Provost Coy taken before Lieut. L. M. Fourney this 16th day of June, 1943.

By direction of the Commanding Officer this Summary is taken on oath.

FIRST WITNESS: Statement of Capt. T. Robottom, O.C. 9 Provost Coy, having been duly sworn, states:

"At approximately 1750 hours on 15 Jun 43, I, as Orderly Officer, went to inspect the evening duty details. I reached the parade ground just before the parade fell in. A group of men of this Coy were standing around waiting to go on parade. I noticed L/Cpl. Heighes in this group. He was behaving in a boisterous manner, his tunic was undone, and he appeared to have been drinking. I instructed the Orderly Sgt., L22624 Sgt. Russell, R., to send for the R.S.M. and the Cpl. of the Guard. While a runner was looking for the R.S.M., Sgt. Russell called the parade, and the men detailed for duty fell in. At this time, R.S.M. Golton appeared, and I instructed him to accompany me on the inspection.

When I was inspecting the centre rank I noticed L/Cpl. Heighes moving his arms and apparently speaking to the man on his right. L/Cpl. Heighes was in the rear rank, and when I reached him I saw that he presented a very untidy appearance and that his boots were very dirty and muddy. It was obvious to me that L/Cpl. Heighes had been drinking and that he was in no condition to go on duty. I then instructed R.S.M. Golton to have L/Cpl. Heighes placed under arrest."

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE AND ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER.

The accused filed a written statement which was read to court by his Defending Officer and which is attached.

(Summary of Evidence)

The Defense Offered in Mitigation says
I interviewed the M.O. at 3 C A R's about
this mans health. He said in effect that
as his condition had not deteriorated
since his last board there was no
justification for a re-board and that
accused was not getting any worse
here. The accused's belief that he should
be boarded together with the M.O.
represents to grand reboard greatly
discounted the accused and this caused
him to go A.W.L. This man served in the
Merchant Marine for 15 years until he
was discharged in July 1940 and
joined the army. This fact as well as his
condition of health both mental and
physical should be considered by
the Court.

The Court is adjourned to consider its
Sentence.

here. Then he told me that we were going to give me an Release so that he could look [illegible] as I would be of any use overseas in this climate. My medical papers were made out & mailed to me. I have & signed them. Then he asked me if they were satisfactory & I replied they were but however I never went in front of the Board & was sent back to No 3 C.R.D. to wait for the return of my medical papers. When they arrived & found out that I had been put down to C2. Then as here I stand today I am but in No 3 C.R.D. with no hope of ever getting away from it so that Discharge is as far as my health goes I am not in the least any better I have been

But here is an explanation towards my conduct some think I am down. Was just to be a nuisance but believe me that is not my future & myself really think I take a reason. When War broke out I was in the Merchant Marine on an Oil Tanker well & stayed on that ship until July 8th 1940 the reason I am not out there today is because of my health & was discharged after being discharged from the Merchant Marine & myself to join the Navy but was rejected for the same thing later on & my Wife decided that I should try the Army & never thought for one minute that I would be taken as I was. & they would take me but

to the Hospital again since then which was in Mid Summer it was a different M.O. this time I spoke to him as usual telling what really was the matter with me well he told me that it was Chronic Bronchitis then I asked him if it could be cured which he answered no that I would always have it then told him that it was not a very nice thing for me to take knowing there was no cure for it then after he had told me that I asked him if I was in that condition why not do something to send me back home that they could do nothing for me his answer was you can still carry on over there well what could I do I just had to leave at that. Now at the present time I am still getting treatment in fact I have been getting it for

I thought at a Base Hospital but somehow or other I was classed as U. fit for service in the Army in Canada I was quite content I knew I was not to healthy but still I could stand it. Any how I stayed on in Calgary for almost 12 months then came the time for me to come over seas well I did not mind that but it so happened that no sooner I came over here I started to cough, at first I did not take much notice of it I reported to the M.O. just for a cold. Then after one month in No. 3 C.C.R.U. I was sent out to keep Troops on the Field in the meantime while I was there my cough got worse I was only there a little over 1 month before I was sent to Hospital in Hospital the M.O. told me that I had Chronic Bronchitis & that there was no place for me over

PLEA FOR MITIGATION OF SENTENCE

L-27830 L/Cpl Hein, A., the accused is charged with Negligence in that he (read charge) and awaits the clemency of the court. While this charge can be considered as serious there are several reasons why, in my opinion that the court should take a very lenient attitude towards the accused. This soldier was born in Canada of German parents and fought against a country connected in blood only to him.

Firstly the previous record of the accused is most excellent and theres is no entry of a crime on the MFM b of the accused. His previous conduct sheet was destroyed because of 2 years good conduct. Some might say that it is undetected crime and that may cause some amusement, but a man's future is at stake and to treat the matter lightly on the basis of assumptions or stock phrases common enough in the army but otherwise unproven is to deprive a man of any of the advantages of his good service and of his previous efforts to be a good soldier.

I submit that the incident was an accident and serious enough as the charge is ~~him~~ cold words in black and white give no indication of what the attendant circumstances are, and certainly, give no indication why an accused person should not be given the benefit of any and every doubt. L/Cpl Hein the accused is a man whose previous record has been faultless. It will be noted in the Summary of Evidence that the evidence of the injured man MacLeod discloses that he attaches no blame to Hein who was, if not his best friend, one of his best friends. Such being the case, and it is known that Hein and MacLeod were friends I leave it to the imagination of the court to consider how the accused felt and how he feels now after having wounded his friend.

I say that the man Hein has been tortured mentally to such an extent that a physical punishment for exemplary reasons will serve no useful purpose at this time and will only serve to ~~damn~~ a man whose previous conduct has been excellent, whose efforts to be a good soldier show on his conduct sheet in the form of a complete blank from the time he joined the army.

I submit to the court that the same thing might have happened to any member of the court, or to one, or to anyone, in the same manner, and all that should be considered in the findings. The Golden Rule in my opinion has a particular application here, " Do on to others as you would have them do onto you". When the court makes a decision it isto be hoped that they have asked themselves the question"Am I being fair to this man?" Am I prepared to make a finding under the circumstances which will stand in the way of this man in the future when he has returned to civilian life? The whole matter must be considered on the facts as they are (which are not denied) and the facts as they will be after a finding is made.

It is called to the attention of the court that the accused has been named on a repat draft for Canada dated 24 Nov 45which is tomorrow, a reward for service and good conduct, the first step towards rehabilitation and a normal life in Canada. I do not think that any punishment based on reasons of example will serve any useful purpose. Instead a good man may be ruined, if not actually, at least in his own mind if he is deprived of his privilege to return to Canada when his turn comes. In Canada a man's army record will be under scrutiny and upon that may depend in a large part the opportunities offered to a soldier in order to acclimate himself to civilian life. The question now is whether or not underthe circumstances the court will deprive L/Cpl Hein of his opportunity to return to Canada on draft, adminster one of the minor punishments or dismiss the case. That is the prerogative of the court and no presumptions are made otherwise, but in the use of the prerogative it is felt imperative that the points brought out should be most closely examined and considered from the point of view of justice in the long run to the accused, for, after all, he is the one who is to answer to any finding.

I would like to point out thatthe services of Hein in this Company have been considered excellent. His conduct has been exemplary and with the exception of this one accident has nothing to answer to in the way of army offences.

It is his first offence and it is hoped that being his first offence that it will be punished as first offences are i.e. lightly. Were we still in operations the incident could be no more serious but L/Cpl Hein is on the threshold of his first step to return to Canada, the war is over and upon the court rests the responsibility of deciding in his favour or not. Will he be deprived so soon of what is his future, what is his birthright? I trust the court will find the means to say "well done, thou good and faithful servant, well done.", and to send him back to his, and mine and your heritage, which he in his way contributed his services to preserve. The accused is anxious to return to employment which awaits him in Canada.

They proceeded up the road toward Bergen & one chap hit me over the head. I do not know where they took me as it was dark & I do not remember very much. I was taken to a farm & they took my uniform away from me. On the 6th day they brought a lady who could speak a little English & it was she who told me that the men were friends of the Germans. She asked me for my unit & location which I did not give to them. The lady looked at my shoulder patches & then said they had the wrong chap but she said something to one of the men & ~~almost~~ all I could make out was something about the police & they kept me there for 25 days. On the 25 day the lady told me that I was going to get my uniform back. She said something about the police but I did not understand her. They took me, as far as I can make out, between Roosendaal & Putte about 02.00 hrs & I went to where my unit had been located but it was not there. They took me to their camp for the night. In the morning I borrowed a razor & had breakfast there. Then they brought me as far as Bergen Op Zoom highway. I went to the Town Mayor in Bergen for the location of my unit. He sent me to Reich Hdq. in Breda. I found R.H.Q. & told the Provost that I wanted information on my unit & he sent me in for identification. A clerk in the building gave me information which led us toward my unit. I flagged a ride from Breda to Tilburg. I was walking towards the outskirts when I saw an "8 cwt" lorry & flagged it & asked if he was going to the boy lines.

Mobilization address in Case of
B 54 399 Pte Hembacher E. N.

The acc is 24 yrs of age. has been some three years in the army and has had a good record; he has some entries in his m/m C but they are of a rather minor nature — the C.S.M. has appeared before the court and given him a high recommendation as a Soldier.

Pte Hembacher is married, has two children and naturally wishes to return to Canada with an excellent military career — the court has reached their decision in this case but I ask that they be most lenient in their ~~findings~~ sentence in the case, that such punishment be the minimum in keeping with the necessities of discipline.

I would also ask the court that a recommendation be forwarded the Convening Officer as they that the man be interviewed by the personal selection officer.

FGCM proceedings in the case of
M-58720 Private I Heinrichs 1 Cdn Med Regt Pl RCASC

First Witness for the Prosecution:- C-21439 Cpl Boucher, L P, 1 Cdn AGRA Postal Detachment, having been duly sworn, is examined by the Prosecution:

Q-1 Will you identify yourself to the Court?
A-1 I am C-21439 Cpl Boucher, L P, 1 Cdn AGRA postal Det.

Q-2 Can you tell the court what you know of the events surrounding the second charge in this case?
Reads second charge ----------.
A-2 On the night of Dec 7 at about 2100 hours the accused Pte Heinrichs and L/Cpl Smith together with two other people one of whom was Pte Girard and the other whom I did not know came to our quarters. The came into the quarters where we were having a little party at the time. One of them asked one of the boys in the party for a drink and one of the lads I don't know which one gave one of them a drink. Cpl Carson and myself called Pte Girard aside and asked him to have the other men leave as we did not want them there. This he did. After they went out Cpl Carson went out a little later and apparently a fight started. Cpl Carson came in forcably, I don't know whether he was pushed or struck, and Pte Heindrichs and L/Cpl Smith came in after him.

Q-3 Can you describe more fully how they entered the room?
A-3 Cpl Carson wasblocking the door which is the entrance into our quarters and he was pushed or knocked, I am not sure which --- I know they came in forcibly anyway. The door was not locked at that time. The door was locked later on.

Q-4 On that occasion when the door was locked later on what happened?
A-4 After they had been there the first time they had gone out but came back a short time later. I had been out and when I came back in they were in the quarters. Pte Heindrichs was complaining about somebody hitting him over the head with a bottle and he was bleeding. At this time somebody threw a chair and broke the lamp and the room was cleared. Before the chair had been thrown there had been a fight and Pte Heindrichs had pulled a knife. After this there was only Pte Nichols and myself in the building. We had gone out but came back and had lit a candle. We heard somebody talking down the street. We looked out and could see two people. We figured that it was Heinrichs and Smith coming back. We bolted the door. I bolted the door and I believe Pte Nichols was there when I did. It was then that the door was broken in by Cpl Smith and Pte Heinrichs.

Q-5 Did you recognize them when they got in?
A-5 Yes, sir.

Q-6 Did you recognize on, or the other or both of them?
A-6 I recognized both of them.

XX'd by the Defence

Q-7 How many entrances did Smith and Heindrichs make?
A-7 Three.

Q-8 Tell what happened each time?
A-8 The first time the door was not locked and four of them came in. The second time was when the fight started outside and ended up inside. The second time Cpl Carson was pushed or knocked into the room followed by Pte Heinrichs and then L/Cpl Smith. I did not actually see Cpl Carson hit but I presume he was hit. He had a mark on his face where he had been hit. He came through the door at a fair speed. The third time was when the door was smashed down and Smith and Heinrichs entered.

Q-9 Who bolted the door?
A-9 I did and Pte Nichols was with me. I bolted the door and after I had bolted it they came along and smashed it.

Questioned by the JA

Q-10 You say the third time they entered the building they broke in the door? How did they break it in?
A-10 The accused and L/Cpl Smith broke it in by hitting against the door. By throwing themselves against it. I did not see them actually breaking it but I presume that that is what they did. The door was hit three or four times before it gave way.

Q-11 Had you had any drinks that night?
A-11 I had about two or three bottles of beer. I can drink more beer than that without much effect. I am quite positive of the events of that night.

Q-12 Was the door broken the second time when they entered?
A-12 The door was OK after they came in the second time. It did not close as easily as it had previously but I did not have any trouble in bolting it. It was the third time that the door was broken off its hinges.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Second Witness for the Prosecution: B-84586 Private H Nichols, 1 Cdn Med Regt Pl RCASC, having been duly sworn, is examined by the prosecution:

Q-13 Will you identify yourself to the Court?
A-13 I am B-84586 Pte H Nichols, 1 Cdn Med Regt Pl RCASC.

Q-14 Will you tell the court what you know of the events leading up to the circumstances surrounding the second charge in this case? Reads second charge ---.
A-14 On the evening of 7 Dec 44 at about 2[illegible] hours I was visiting at the Post Office and was talking to one of the boys and Cpl Bouchier. I heard someone say "what the hell do they want here". I looked around and saw Pte Heindrichs and L/Cpl Smith. They went out and I saw Cpl Carson follow them out and then come back in through the door. Whether or not he was pushed in I do not know. Cpl Carson then shut and bolted the door. I heard Cpl Smith and Pte Heindrichs say "Let's break it down" and then

"Are you ready" and the first thing I know they broke down the door.

Q-15 Who was in the room when you heard someone outside the door say "Let's break it down"?

A-15 There was Cpl Boucher, Cpl Carson, Pte Stephen and myself in the room at that time.

Q-16 What method of light was there in the room at that time?

A-16 There was a gaslight.

Q-17 At that time the room was lit by a gaslight. How many times previously that night had the accused and L/Cpl Smith been in the room that night?

A-17 Once. That was their second time in. The first time they had just walked in as the door was open and they came into the main part of the Post Office.

Q-18 How much did you drink that night?

A-18 Two or three bottles of beer. I can remember the events of the night clearly. I can swear on them.

Q-19 Did you see the accused and L/Cpl Smith come into the room through the door after it was broken down?

A-19 Yes.

Q-20 Do you know the accused well?

A-20 Yes.

Q-21 Do you know his voice when you hear it?

A-21 Yes.

Q-22 Do you know if it was he who spoke the words "Let's break it down"?

A-22 I presume it was one of them who said that as it was them who came through the door.

XX'D by the Defence

Q-23 The first time Heinrich and Smith came in they came in with someboyd else?

A-23 I did not see anybody else. I did not pay any attentio

Q-24 The second time they came in was after they had come out of the room and had come back in with Cpl Carson. How did they come in that time?

A-24 It was then they broke the door down.

Q-25 Were the hinges broken at that time?

A-25 I did not look at the hinges at all.

Q-26 Could you close the door?

A-26 I guess you could close the door the second time. The bolt was sprung right out of place.

Q-27 When Cpl Carson came in what happened when he got in the post office?

A-27 He closed the door and bolted it.

Q-28 Then you heard the conversation about breaking down the door and they broke down the door at that time?

A-28 Yes.

Q-29 Where was Cpl Boucher when this happened?

A-29 He was in the room where the door was broken.

Q-30 He was in the same room as you?

A-30 Yes, I think so.

Q-31 Were you there when the two accused came back the third time?
A-31 Yes.

Q-32 Who else was there the third time?
A-32 Cpl Boucher.

Q-33 Are you sure it was Cpl Carson who bolted it?
A-33 If I am correct I think I helpted him bolt it. It was Carson who was there and he bolted the door.

Questioned by the JA

Q-34 When did you leave the room for the last time that night?
A-34 I left the room the last time after we had brought Pte Edwards home and put him to bed?

Q-35 Was Boucher there at that time?
A-35 No, I do not think he was there.

Q-36 Did you leave it before that?
A-36 Yes, I went to the station before that.

Q-37 Who was with you?
A-37 Cpl Boucher was with me. We left together. L/Cpl Smith and the accused had gone when we left.

Q-38 After the third entrance?
A-38 Yes.

Q-39 In reconsidering the events of this night with reference to the second and third entrance it it possible that you may have made a mistake with reference to the sequence of events? Is it not possible that Cpl Carson did not lock the door but somebody else did?
A-39 I am pretty sure it was Carson.

Q-40 How did Carson come in the second time?
A-40 He backed in through the door. I could not see whether he was pushed or whether he came in himself. I was in the other room. It was then he bolted the door.

Q-41 How did you see him bolt the door if you were in the other room?
A-41 I seme around the counter.

Q-42 Are you sure that Cpl Carson bolted the door? Is it possible that the door was bolted the third time and not the second time?
A-42 Not to my way of remembering. What happened exactly I can't remember for sure.

Q-43 Were you pretty excited by all these events?
A-43 It was bound to jar your nerves.

Q-44 What did you do after you came around the counter and watched him bolt the door?
A-44 I just waited there for them to push the door in.

Q-45 When the door was pushed in what did you do?
A-45 I walked back into the other room. Pte Heinricks and Pte Connley started an argument and I went to stop it which I did. I returned to the back room and I picked up a rifle.to scare them.

Q-46 When did you look at the bolt of the door?
A-46 I saw the bolt after the whole thing had cleared up.

Q-47 When did you actually notice that the bolt was off?
A-47 I think that when the door first blew open was when I noticed the bolt.

Q-48 Are you sure of that?
A-48 No, I am not sure of that.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Q-60 Did you have any trouble opening or closing the door?
A-60 No.

Q-61 You say you were hit?
A-61 Yes. I was dazed and do not remember anything else that happened in the building after that.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

THE CASE FOR THE PROSECUTION IS CLOSED.

First Witness for the Defence: The Accused, being duly sworn, is examined by the defence:

Q-62 Will you tell the court what you know if anything of the events surrounding the breaking down of the door which evidence has been adduced was broken on the second or the third time you visted the FPO on the night of 7 Dec 44?

A-62 On that particular night Cpl Smith and I walked past the FPO. We heard a party going on inside. I went and knocked at the door. I asked a friend of mine Sfferin, if he would give me a drink which he did. We stood there and talked a while. Pte Girard told us to go outside. We went outside and I had gone about ten yards and had a leak. Cpl Carson came out and asked which one was Smith. Smith Walked back and Girard and I kept on talking. Cpl Carson and Smith were arguing and fighting. I walked over and Cpl Carson was inside the door and I followed him in. The moment I entered the door I was hit with a bottle. I was dazed and I walked outside and went away and left.

Q-64 Where did you go?
A-64 I went to the MA.

Q-65 It has been stated that you came back a third time? Did you come back a third time?

A-65 No, sir, we did not. I am sure. At least I do not remember going back. I was dazed. I was bleeding very much and I do not remember going back. A lorry took me back to the MA.

Q-66 You had been drinking?
A-66 Yes.

XX'd by the Prosecution

Q-67 Were you in the post office itself that night?
A-67 No, I was around the counter when Tom Sufferin gave me a drink.

Q-68 Do you know if Cpl Smith was in the Post Office?
A-68 No.

Questioned by the JA

Q-69 Did you have much to drink?
A-69 At the first place we had two bottles of bianco. On the way home we got two bottles of red stuff. We drank that. We went to a place where they had Marsala. It was too sweet to drink. We bought two bottles of vino rosso and poured it into the Marsala. We mixed the vino and the Marsala and as it was still too sweet we mixed in a bottle of Cognac which we bought.

Q-70 How did you feel after drinking all that?
A-70 Up to the time I was hit I felt good, After I was hit I felt dazed. I was bleeding heavily.

Q-71 You have heard the evidence of two of the witnesses with regard to the breaking of a door at the FPO. One says the door was broken on your second visit and the other says you and L/Cpl Smith broke the door when you were there a third time. Is it possible that you were there a third time?

A-71 Not that I remember.

Q-72 Have you a complete record in your memory of that evening and all the events which took place.

A-72 My memory was blank for sometime. It was blank until Cpl Mader detailed a lorry to take us home.

Q-73 Do you think that Cpl Carson and Pte Nichols are saying something which did not in fact happen either through lack of memory on their part or through willfully telling a falsehood to the court?

A-73 As far as I can make out after the time I was hit on the head by a bottle I did not remember anything for quite a while after.

Q-74 When did you start to remember again?

A-74 It was when we were on our way to the MA. Cpl Mader put us in a 60 cwt and was taking us back to camp

In the opinion of the Court and the JAit is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Summing up by the Prosecution

With reference to the second charge in this case, two witnesses have been brought by the prosecution who have described in detailed manner how the door was broken. The sequence of events as described by themmight be somewhat confused I believe but their minds I submit may have been somewhat cloudy by reason of the fact first that they had had a couple of bottles of beer which although not much might be sufficient to confuse them slightly and secondly that events happened so rapidly that they could not be quite sure of the exact sequence of events in which things did happen.

One thing which I would like to point out is that both witnesses have described in almost the same words that the door was forced in and that when the door was forced in L/Cpl Smith and Pte Heinrichs came into the room through the door immediately after. There is also evidence that the words "Let's break it down" were heard and L/Cpl Smith and Pte Heinrichs entered the room almost immediately.

I think that is fairly conclusive evidence of the actual act itself in that while the sequence of events is not quite clear in the evidence the events themselves are the same in the testimony of both witnesses.

Summing up by the Defence

I think on the matter of the breaking down of this door that the court must be impressed with the contradictory evidence which has been heard by the court today despite the close questioning of the JA which has taken place this morning.

Cpl Boucher tells us he bolted the door. Pte Nichols is equally as sure that Cpl Carson bolted the door after the second entrance. Cpl Carson says he did not bolt the door and he is very very vage on the events that happened.

If the court believe that the door was broken down by the accused and L/Cpl Smith Isubmit the court take into consideration the fact that Heinrichs had been hit on the head by Pte Connley for some reason which has not come out in evidence. Heinrich was hit on the head by this bottle and he says that he does not remember what happened after that. I submit that it is quite possible that a man who is hit on the head by a Canadian beer bottle is bound to be dazed and that along with the drinking which he had been doing is not going to have no recollection of what happened for some time.

In view of the extreme contradictory evidence and the fact that nobody knows or seems to remember very clearly what did happen there is a definite element of doubt and by the practice of british justice the accused must be given the benefit of that doubt.

Summing up by the JA

It is my duty in this court as Judge Advocate to advise the court on points of law. Your function on the other hand is to act as a fact finding body. You are complete masters of the facts arising out of the evidence in this case and if I should at any time during the course of the trial or during this summing up express any opinion on the facts of the case I must instruct you to disregard that opinion. You should on the other hand however follow my advice on points of law and should not disregard that advice exeept for very weighty reason.

We have here a charge under Sec 40 of the Army Act. Reads charge ----------. You have heard the evidence bearing on this charge and it will be up to you as masters of the facts to draw inferences from this evidence. You have in this case contradictory evidence. Pte Nichols and Cpl Boucher do not remember the events of the evening in the same sequence and do not give their evidence in the same manner. You may on that account test the credibility of either or both of the witnesses and you may also ask youself whether or not is is possible for persons for instance who see an accident to give various versions and different versions of the same happening. You also have a silent witness on this point. By that I mean the door itself. You have heard evidence as to its condition after the events in question had taken place. It will be up to you to determine how it got that way. If the evidence is such as to permit inferences to be drawn you may draw inferences in that respect. If you think that there is no evidence to support the allegation that the door was broken by the accused that you are not satisfied beyond a reasonable doubt an offence has been committed and that the accused is connected with the commission of that offence then the accused must be given the benefit of that doubt. By a reasonable doubt I mean not a doubt based on fancy or imagination, or speculation or a doubt arising out of undue sympathy for the accused, but a common sense doubt arising out of the evidance which you have heard in this court today.

It is a well known principle of British law that a man is presumed to be innocent until proven guilty and that the onus of proving his guilt rests entirely on the shoulders of the prosecution at all times. If the prosecution has failed to prove by evidence adduced by them that the offence was committed and that the accused was connected with the commision of the offence, beyond a reasonable doubt, then it is your duty to, acquit him of this charge.

Statement in Mitigation by Defending Offr.

When considering the amount of punishment to be given in this case I would just like to bring to your attention once again the fact that the accused had been drinking quite heavily prior to the alleged offences. He had also been hit on the head by a beer bottle in the hands of Pte Conley. This I submit must have had considerable effect on the mental condition of the accused. I should also like to bring to your attention that fact that all the witnesses had themselves been drinking, and that for no apparent reason Pte Heinrichs had been hit on the head by a beer bottle. In his condition I submit that Pte Heinrichs could not have helped but be dazed and effected by the happenings of that evening and it is quite natural also that in his condition he may have been angered by being hit on the head by a beer bottle. For this reason I would ask the court to be lenient when considering the sentence.

While on this occasion Pte Heinrichs has definitely slipped but he has and can be a good soldier. He held the rank of L/Cpl and Cpl . It is in the realm of possibility that if the court are lenient in awarding sentence in this case that the accused when he has completed his sentence will return to his unit and again be a good and useful soldier.

SUMMARY OF EVIDENCE

in the case of

M58720 Pte Isaac Heinricks, 1 Cdn Med Regt Pl RCASC., a soldier of the Canadian Army placed on active service.

The Commanding Officer directs that the evidence be taken on oath.

First Witness

C21439 Cpl Boucher, L.P., 1 Cdn AGRA Postal Detachment, having been duly sworn, states:-

I am C21439 Cpl Boucher, L.P., 1 Cdn AGRA Postal Detachment. At approximately 2230 hrs on the 7th Dec 1944 the accused and L/Cpl Smith forced their way into our quarters which are part of the M.A. Post Office, breaking down the door to do so. There was an argument and a fight started. I saw a knife in Pte Heinricks hand. During the fight a chair was thrown, knocking down the gas pressure lamp. This fell on my bed setting fire to my tunic. Everyone left then except Pte Nichols and I. Approximately 10 or 15 minutes later, the accused and L/Cpl Smith returned accompanied by six or eight men. When they reached the door the other men, realizing that it was a Post Office, left, but the accused and L/Cpl Smith again forced the door and passed through our quarters into the large room we use for the Post Office. I was in there but they did not see me. I heard them say, "this is the main Post Office, lets get out of here". I saw them again at the corner of the Post Office after the guard had been called out. I ordered them to halt and fired one shot in the air. There were several rounds fired from a tommy gun and everyone scattered. I saw the accused and L/Cpl Smith at the M.A. later on when they were being taken to their unit. That is all I know of the case, Sir.

QUESTION 1 - Would you say that the accused was drunk?

ANSWER 1 - He had been drinking but he definitely was not drunk.

The accused declined to cross-examine.

Second Witness

H51931 Pte Stephen, H., 1 Cdn Med Regt Pl RCASC., having been duly sworn, states:-

Sir, I am H51931 Pte Stephen, H. I was spending the evening of the 7 Dec at the Post Office quarters. At approximately 2100 hrs the accused and L/Cpl Smith came in. I was in the next room and I don't know if the door was damaged or not. They went outside and Cpl Carson went out to talk to them. All of a sudden he seemed to be pushed back through the door and I went back into the next room. As I went out I looked back and saw L/Cpl Smith break the lamp with a chair. Cpl Carson and I went up to the M.A. and I got Cpl Mader who was Guard Cpl and told him Cpl Carson wanted to see him. I took over from Cpl Mader and he went upstairs. Shortly after, the accused and L/Cpl Smith came along and asked me where all the boys were. I told them they were in Cpl Mader's room and they went up. That is all I know of the case, Sir.

The accused declined to cross-examine.

Third Witness

B84586 Pte Nichols, H., 1 Cdn Med Regt Pl RCASC., having been duly sworn, states:-

Sir, I am B84586 Pte Nichols, H. On the evening of 7 Dec., I went to the Post Office to visit Cpl Carson and Cpl Bouchier. I was sitting in the back room talking to Cpl Bouchier.and then walked into the second room. While there, I heard someone say, "what the hell do they want." I then saw the accused and L/Cpl Smith in the next room. Someone spoke to them and they went outside. Cpl Carson then went out and was talking to them. Cpl Carson came back inside and closed and bolted the door. I then heard someone outside say, "let's break it down" and the accused and L/Cpl Smith came through the door together, knocking it from its hinges. There was an argument started and the accused struck Cpl Carson in the face. I tried to stop them and the accused drew out a knife. I went back to the next room and picked up a rifle, thinking to scare them. L/Cpl Smith picked up a chair and threw it at the lamp, knocking it down. When it was dark, everyone left, except Cpl Bouchier and I. Cpl Bouchier and I got a flashlight and went to look for Cpl Carson. We were unable to find him and went back to the Post Office. I heard the accused and L/Cpl Smith coming back so we went into the main Post Office. They came through our quarters into the big room and I heard them say, "this is the main Post Office, let's get out of here." That is all I know of the case, Sir.

QUESTION 1 - Would you say they were drunk?

ANSWER 1 - I would say that they definitely were not drunk.

The accused declined to cross-examine.

Fourth Witness

A59907 Pte Edward, G.R., 1 Cdn AGRA Postal Detachment, having been duly sworn, states:-

Sir, I am A59907 Pte Edward, G.L. At approximately 2000 hrs 7 Dec., there were several of us in the Post Office quarters. The accused and L/Cpl Smith walked in. They went out shortly afterwards and Cpl Carson also went outside. Someone hit Cpl Carson and in the fight someone threw a chair, knocking over the lamp. As it was dark, I went outside and with Cpl Carson went up to the M.A. We went into Cpl Mader's room and shortly after Cpl Mader came in followed by the accused and L/Cpl Smith. There was a bit of scuffling and the accused struck me on the mouth, knocking me onto a bed. I saw both the accused and L/Cpl Smith strike Cpl Carson. Then someone kicked me in the testicles and I passed out. That is all I know of the case, Sir.

The accused declined to cross-examine.

Fifth Witness

L7270 Cpl Carson, E.T., 1 Cdn AGRA Postal Detachment, having been duly sworn, states:-

Sir, I am L7270 Cpl Carson, E.T. At approximately 2100 hrs 7 Dec the accused and L/Cpl Smith came to the front entrance to our billet. They knocked and we let them in.

Shortly afterwards they went outside and stood there talking. I went outside to see what the trouble was. I don't know what words were actually said, but the accused and L/Cpl Smith came back inside, L/Cpl Smith hitting me in the face.

I don't know what happened in the billets after that. We went up to the M.A. to Cpl Mader's room, and sat down to explain what had happened. Cpl Mader, the accused and L/Cpl Smith came in the room. I tried to explain to L/Cpl Smith that I had nothing against either of them, but he again struck me. The last I remember was being on the bed. That is all I know of the case, Sir.

QUESTION 1 - Were the accused and L/Cpl Smith drunk?

ANSWER 1 - I wouldn't say they were.

The accused declined to cross-examine.

On the night of the 7 Dec I was on Guard at the M.A. At approximately 2115 hrs, Pte Stephen came to the M.A. and asked me to go upstairs, as the accused and L/Cpl Smith were causing a disturbance and Cpl Carson wanted to see me. I went upstairs and tried to talk to the accused and L/Cpl Smith and have them go back to their unit. The accused struck me, knocking me to my knees. I got up and he hit me again. We finally got them quietened down. Sgt Glover told me to put them under arrest. I finally got them out and into a truck and took them back to their lines. That is all I know of the case, Sir.

QUESTION 1 - Would you say they were drunk?

ANSWER 1 - They were drinking, but I wouldn't say they were drunk.

Subject: Re: - Tobacco Act. 1842. s. 13.

I respectfully beg to report Mrs Rosa Ann RUSSELL, aged 21 years, of "Luern", Brighton Road, Hassocks, Parish of Clayton, for an offence under the above Act, on the 21st, July, 1942, at her address.

In consequence of information received and enquiries made, on the 24th, July, 1942, in company with Sergt BUCKLAND, Hurst, and Provost Sergt STROM, of the Princess Patricias' Canadian Light Infantry, "A" Company billets, which are in a wood in Hassocks, were visited and enquiries continued. Members of the "A" Company, P.P.C.L.I. were interviewed, including Privates Jack HEIPEL and Louis MANCINI.

Acting on the information contained in the attached Statement of Pte HEIPEL, a visit was made to "Luern" Brighton Road, and Mrs RUSSELL was interviewed. She stated that she had purchased several packets, number not known, of "Sweet Caporal" Cigarettes off a Canadian soldier, whose name she did not know on the 21st July, 1942, and paid the sum of £2.9.0. for same. When asked if there were any packets of these cigarettes left, three packets were produced from a cupboard in the kitchen and twenty five packets recovered from a shed on the premises. I told her that the facts would be reported.

The two Privates mentioned above were further questioned and it was admitted by Pte HEIPEL that he had received the Cigarettes about 46 packets from Pte MANCINI on the 21st, inst and he stated that they were given to him by Pte MANCINI to sell. After the sale of the cigarettes on the 21st, instant, Pte HEIPEL retained 5/- of the money, which he states was £3.5.0. and gave the balance, £3.4.0. to Pte MANCINI. The carton in which the complete 1,000 cigarettes came from Canada in was found in the tent of Pte MANCINI and gave the name of the sender thereon as a brother of Pte MANCINI.

It was by the subsequent assistance given by the two soldiers mentioned above that this matter was cleared up. Privates HEIPEL and MANCINI were taken into custody by the Military Police to be dealt with by ~~Court Martial~~. MILITARY AUTHORITY (AX Exh)

In view of information I have received, I respectfully beg to suggest that a copy of this report be forwarded to Col.LINDSAY O.C. Princess Patricias' Canadian Light Infantry, Hassocks, for his information and a copy also forwarded to the Customs and Excise Authorities, for their information.

"In February, 1942, I was stationed at Kemp Town, Brighton with my Unit and visited Brighton periodically. I came into contact with a Mr. PIERCE when I was waiting for a bus early one morning. The conversation turned to the subject of cigarettes. I told him that I got an issue from home at different times. He said he would buy any surplus I had, and gave me his address, Grafton Street, Brighton. About the beginning of March, 1942, I visited Mr. PIERCE at Grafton Street, and took about 300 "Sweet Caporal" Cigarettes. He paid at the rate of 1/6d a packet, there being 20 in a packet. I sold him various quantities of the same brand of cigarette at the same rate. It was approximately the end of April, when I disposed of the last lot to him. Shortly after this I moved to Hassocks. There was another man, Mr. BOND, Hairdresser, Bedford Street, Brighton, who had cigarettes at the same rate off of me. I moved to Hassocks about May, 1942, with my Unit. I visited Hassocks often and used to walk along the road, Brighton Road, into the town. I got friendly with a young man in a bungalow on the Bright Road, Hassocsk. I am not sure if he asked me if I had cigarettes to sell or whether I offered him some. On the 21st, July, 1942, Private MANCINI, of "A" Coy, P.P.C.L.I. gave me 46 packets of 20s "Sweet Caporal" cigarettes and told me to sell them for him. I went along to this Bungalow and saw a young lady, who is the wife of the man I had got to know there. I asked her if her husband was in, she told me he was out. I told her that I had got some cigarettes for him. She took the 46 packets and paid me £3.9.0. Of this sum I gave MANCINI £3.4.0 and kept 5/- for the trouble of selling them. I was quite aware at the time of selling these cigarettes that it was wrong. I gave MANCINI the £3.4.0. the same day in which I had disposed of the cigarettes:

Jan 7 Pl. Cmd. A.V. of Canada. On the night of 21 Oct 44 my Pl. was ordered to be ready to move off from the assembly area to the jumping off point at 2000 hrs. At that time I called the Platoon Sgts. and they reported all in present. Shortly before that hr. the Coy Cmdr. marked the F.U.P. Sgt. Kennedy, myself Pl. Sgt. came to me and told me that Sgt. Beatty had reported to him Pte. Helkenberg was not with the section. Sgt. Kennedy, Sgt. Beatty and I checked the section and Pte. Helkenberg was not there. I did not see him until the Sgt. mentioned it to me. She was under close arrest. I personally warned the Pl., ~~Sgt~~ ~~Helkenberg~~, that we were to move off to the F.U.P. Pte. Helkenberg was present at that time.

Cross Exam.

Q. On the night concerned was it dark.

A. Yes.

Q. Does close arrest consist during the move from the assembly area to the F.U.P.

A. No.

Q. Had you anticipated that during the action some of your men might possibly get lost.

A. Yes.

Q. Did any of them get lost.

A. No.

Q. Had you appointed a rendezvous in case some of them did get lost

A. An R.V. had been appointed by Major Clark. Nil

Q. Where was that R.V.
A. It was a house in R. Coys. area across the river.
Q. You say that no one got lost and yet when you arrived your evidence shows some were missing. How do you know they did not get lost.
A. The men that were missing were missing before we reached the F.U.P. The route to there was down a deep ditch - we moved in single file and the possibilities of getting lost were remote.
Q. But you cannot say that they did not get lost.
A. No.

By Court.
Q. Was the O.S. V. passed to all ranks.
A. Yes. We were in the F.U.P. for approx. 2 hours. There was no sign of the accused in spite of the fact that we were only a short move to there. The ditch was along the road — the only branches or paths were at right angles.
Q. How and when did you have to pass the information of location of O.S. V. to your men.
A. There was plenty of time. I checked around men who had the information.
Q. Who was to be at the O.S. V.
A. Our Coy. H.Q.

(R.P. 83 (1) complied with.)

2nd Lieut. James 37102 Cpl. Kennedy J.B. having been duly sworn states.
On the night of the 21 OCT 44 at approx. 20.00 hrs. Lt. Liddell, 3 Pl. Cmdr. made a personal check of his Platoon and they were reported all present. We then moved off from the assembly area to the F.U.P. We arrived there at approx. 21.30 hrs. At that time Cpl. Kenny reported to me that the accused was missing from the section. I reported this to Lt. Liddell

and he, together with Lt. Lesly and me, made a check of the section. The accused, when I was arriving, was missing. I did not see him again till the time assembly was made. He was under close arrest.

I heard Lt. Liddell order the Platoon to open ranks. That the Platoon was likely to move off.

Q. Was the accused present at the time.

A. I think so but there were no duplicate check made, but it was at meal time.

Cross Exam.

Q. Was it dark on the night concerned.

A. Not unusually so.

Q. How long did the run from the assembly area to the F.U.P. take.

A. Approx. one and a half hours.

Q. How many men were missing when you arrived at the F.U.P.

A. 4

Q. Do you feel it possible that they might have got lost.

A. A slight possibility.

Q. Did you see any of the missing men later.

A. I saw one man.

Q. What was the drill for men who got lost

A. Return to Coy. H.Q.

Q. In the several days preceding this night how many men reported at Coy. H.Q.

A. The Sgt. Major's attitude was not one to encourage men to return to Coy. H.Q. He [redacted] had previously [redacted] threatened men with a revolver. This information was common knowledge in the Platoon. To my knowledge no shot was ever fired.

Q. Would you expect a man in your Platoon who got lost to report to Coy. H.Q. during the Coy. [illegible]

Major was using a revolver in his own men.
A. Yes.

By the Court.
Q. What was the reason for the Sgt. Major's threat?

during shelling
& the F.U.P.
A. Slight harassing artillery and mortar fire. To my knowledge there were no casualties in the Coy during the move up.

"I am Lieut W. Tisdall, 7 Pl "A" Coy, Sask. of C. at approximately 2000 hrs on the night of 21 Oct 1944 when the Coy was in the assembly area before moving up to the F.U.P. for an attack, I checked with L9871 Cpl Bentz P., one of my section commanders, who reported that his section was all present. The accused was a member of this section. Some time after leaving the assembly area and before reaching the F.U.P., K37107 Cpl Kennedy, P. acting as platoon sergeant, told me that Cpl Bentz had reported to him that the accused was absent. I recognize the accused as a member of my platoon. I went back with Cpl Kennedy, and with Cpl Bentz, P. checked his section. The accused was not present. I reported his absence to the O.C. of "A" Coy, Major R.S. Clarke, when we arrived at the F.U.P. I did not see the accused again until the Bn came out of the line into rest. He was under arrest."

Officer for Defence

Plea of Mitigation of Sentence

The accused Spr. Hemmings joined the Canadian Army in May 1940 and commenced with 2nd Bn. RCE in September 1940.

He has served as a Moto Mechanic with 2 Bn. R.C.E. most of his 3¼ years in England. I would like to bring to the attention of the court, that for a man who has spent 3 years in the country, the accused has a fairly good conduct sheet - having only one crime of any importance.

The accused has been anxious to get in a theatre of operations. Most of his former friends are in Italy, and he is anxious to join them. He came to a new unit, 2 Cdn E. & M. Section, RCE recently and knows no one in this unit, and as a result is not particularly happy there.

We respectfully request that the above matters be taken into consideration by the court in considering sentence

3.

I examined H 39138, Spr Hemmings, L. this morning 17 Jan 44 and found him (fit) or (~~Unfit~~) to undergo trial by Field General Court Martial.

I then went to the Corner Cafe had something to eat and went to "O" Officers Mess, had a pint bottle beer from one of the boys in the Mess and I went back to "C" Hqrs. Had three or four drinks [illegible] that I brought out for an Officer, Capt Sillars and told me to tell the bartender that the beer I obtained was for him.

I decided then to get into civilian clothes, I went into Capt Sillars room and got a pair of his shoes to shine and got a pair of green pants from Rousseau's room that I had previously taken from the Mess [illegible]

from Caithness with Thankerton my [illegible] Sgt

CASE OF

C-57554 Pte HEMOND, P. H& CRU

STATEMENT BY ACCUSED
(UNSWORN EVID)

Well sir I am not in the habit of going out and getting tight or Drunk, it was just a bad break I had that night. I would like to stay in the army and see the war through as a soldier. I am married, sir, my wife is in Canada. I have no children. I have only 2 small offences on my AFW 6 which are for absences of hours only prior to this occurrence In civilian life I worked in an Aircraft factory before enlistment. I completed public school. I am 21 years of age. My category is P.4 for Hernia. I have nothing further to say sir.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

FURTHER PLEA IN MITIGATION
(BY DFC, OFFR)

I would like to bring to the attention of the court the fact that I have interviewed the WOO IC of "C" Mess H& CRU and he assures me the accused was a very good worker and never disobeyed him or carried out any order in a wrong way. He has always been a very good batman and quite trustworthy. In this plea of mitigation I would like to bring forth to the court several points which are worthy of your attention. First, Hemond has suffered considerable punishment already at the hands of the Civilian court and if we total up his detention under civil and military authority we find that he has already 90 days imprisonment. Not only has he suffered physically so far he has also had financial punishment in so far as he has lost already 90 days pay and will be required to pay £15/2/0 to Canadian Army Claims on account of the damage to the taxi. If I may bring this point to the attention of the Court both from the point of view of his past record and Hemonds character I think you will agree that if his sentence is considerably ~~xx~~lightened in the military court he will end this war as well as any other man who has not had any bad record against him and will be able to return to civilian life in the very near future in the same manner as any other soldier in the Canadian Army.

Plea in mitigation

ACCUSED : Pte HEMOND Philip.

I. The a/m pleads GUILTY and I,Capt F.A BURRELL defending offr,submit to the indulgence of the Court,a PLEA OF MITIGATION on Pte HEMOND'S behalf.

2. I submit respectfully to the Court that the following considerations are worthy of your attention insofar as they show that Pte HEMOND has under gone considerable punishment already,financially and physically.

a . Pte HEMOND has served a period of 90 days civil and military detention.

b . He has lost already 90 days pay ~~and marriage allowances~~.

c . He is required to pay the sum of 15 pounds sterling to Cdn Army Claims.

d .Out of a total of 3 years service two years have been served overseas.He has an excellent record,24 hrs AWOL in three years.

e. The NCO i/c batmen at "C" Mess HQ CRU assures me that Pte HEMOND is a willing worker and very obedient.

3. I will end this plea for the indulgence of the Court in this case by reminding the Court that Pte HEMOND's offence was not incurred after premeditation and is not the result of habitual drinking and bad behaviour.May I suggest that it is a"bad break" which may be mended if this man is given a chance to prove the Court right in their indulgence.

Respectfully submitted,

SUMMARY OF EVIDENCE.

Summary of Evidence in the case of C.57554 Pte HEMOND, Philip, on strength of Headquarters Canadian Reinforcement Units, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the Summary of Evidence is taken on oath.

FIRST WITNESS for the prosecution H.41427 Pte ST.GERMAIN F.L. on strength of Headquarters Canadian Reinforcement Units, a soldier of the Canadian Army Overseas, having been duly sworn states as follows:

I am a batman at "C" Mess HQ CRU. At 1800 hrs 19 Nov 44 I went with Pte Hemond to the NAAFI. We both had one pint of beer for supper. Later after 1900 hrs we walked to North Camp Hotel, Farnborough, and drank beer until 2045 hours. Pte Hemond left me then and I later found him at the Clock House, Farnborough. This is near the other Pub. I went up to him and asked him if he was ready to go home. He said he was not. His condition at that time, between 2130 and 2200 hrs I would describe as a happy mood. He was not staggering and I would not say he was drunk. I returned alone to "C" Mess at about 2215 hrs. I never saw Hemond again the rest of that night.

Q.(by Officer taking Summary) Do you recall what clothes Pte Hemond was wearing that evening?
A. When we went out Hemond was dressed in a brown windbreaker, khaki shirt collar and tie, and blue civilian trousers. He was not wearing a hat.

Q. Did Pte Hemond tell you what he was going to do for the rest of the evening when you left him at the Clock House?
A. No.

SECOND WITNESS for the Prosecution L.20747 Pte. CHOVIN J. on strength of No. 4 C.C.D. a soldier of the Canadian Army Overseas, having been duly sworn states as follows:

I am night Fireman at Lille Barracks Officer Mess No. 4 CCD. About 2200-2215 hours on 19 Nov 44 I can't remember the exact time now, I noticed a man dressed in civilian clothes at the back of Lille Mess coming from North Camp road, through the bushes. I saw him coming and went to meet him because he was having difficulties and called to me. I showed him the way with a flashlight as I thought he was an Officer in civilian clothes. The man, whom I now recognise as Pte Hemond was wearing a brown windbreaker, Officer's shirt and tie, and green pants. He was not wearing either a greatcoat or a hat, and had been drinking. He asked for Driver Brown and we looked around the barracks for him. We couldn't find him so I then showed the civilian the bar of the Officers Mess and he went in.

He stayed approximately 5 minutes and then left the Bar. At 2315 hrs Pte Brown who is a driver at 4 CCD came into the Bar for one of the officers who was to be taken to 4 Cdn Gen Hosp. The civilian who was in the Bar had not left more than 5 minutes before Dvr Brown came in. As it was then closing time I closed the Bar and proceeded to the kitchen.

Mr. Alfred Thomas Shorter, Taxi Driver, of 51 Haig Rd., Aldershot, Hants, having been duly sworn, states as follows:

I picked up some fares at Ash Vale Station at approx. 1130 pm 19 Nov 44, and started out for Mytchett Place. On the way, when about 150 yds from the George Inn, I noticed a lot of lights shining around the bend. I then saw two vehicles coming towards me. They appeared to be racing one another. Realizing that it was unsafe for me to proceed, I pulled in to my nearest side and stopped. The car on the crown of the road turned sharp right, mounted the footpath on its offside. The vehicle continued along the path towards me at what I would estimate to be about 50 mph. It crashed into my near side front and ended up with the back of the vehicle to the back of mine. I got out of the car and went straight round to the Army vehicle which was a Canadian Station Wagon and shone my torch inside. There was nobody in it. This was about half a minute after the collision, but the offside front door was open as though a person had gone out that side. I returned to the car and took down the names and addresses of my passengers. A short while later I saw the Police questioning a man in civilian clothes who had been brought out of a garden across the street.

Q.(by officer taking Summary.) Did you notice the number of the Army vehicle.
A. I did notice it and took down the number but I haven't got it with me now. I gave the number at the Farnham Police Court on 30 Nov 44. The vehicle had a red and green identity disc with the name of 1 Adm Tpt on it.

Q. Did you see anyone walking or running away from the Army vehicle?
A. No.

Q. Did you notice what clothes the man who was being questioned was wearing?
A. No I did not.

FIFTH WITNESS for the prosecution

Major A.S. STEWART [illegible] "E" Group Headquarters, an Officer of the Canadian Army Overseas, having been duly sworn, states as follows:

On the evening of 19 Nov 44 I was a passenger in a staff car proceeding from "E" Group Headquarters to Aldershot. At a point on the road leading from Frimley Green to Ashvale near the intersection with the road leading to North Camp a station wagon pulled in front of our staff car. I immediately detected the smell of burning rubber and suspected it to be from our own car. I then noticed smoke coming from the rear of the station wagon and concluded that it must have been driven with its brakes on. My driver sounded his horn and attempted to overtake the station wagon, but without success. I also noticed that the station wagon was swerving and had the appearance of being driven in a reckless manner. Shortly afterwards I observed the lights of another car approaching the station wagon in the opposite direction. There was a collision. Our driver stopped our car and we jumped out and ran to the scene of the collision. The car with which the station wagon collided and which was apparently blocking the road, turned out to be a taxi, and I found the station wagon bore the identification plate of No. 1 Adm Tpt and it was piled up in the hedge. I took down the number of the station wagon, but have since mislaid it. There was no sign of a driver either inside or near it. While I was talking to the passengers from the wrecked taxi, Capt. G.L. Atkinson 3 CACPU who was with me in the staff car came out of a garden adjacent to the wrecked station wagon and brought with him a man dressed in civilian clothes. He was wearing a grey tiffle cloth jacket, greenish trousers, low shoes, and was bare headed. Capt. Atkins also brought from the garden an officer's khaki coat. I questioned the man and he stated that he was [illegible] whom I now recognise, and he gave me his number and initials. He said that he was a batman in "C" Mess HQ CCG. He did not have any means of identification with him. He denied that he was the driver of the station wagon. His nose was bleeding and he was confused and excited. I could smell liquor on him. When the P/Con Adnett of the Ashvale Police arrived I turned Hammond over to him and drove both of them to the Police Station at Ash.

SIXTH WITNESS for the prosecution

No. B.74573 Pte BROWN W.A. on strength of 4 CCD, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:

On the 19 Nov 44 at 7300 hrs I was MX duty driver and had to pick up two officers in Little Mess and take them to No. 4 CCH. I was driving a Ford station wagon CM 420300 which is one of our vehicles on loan from No. 1 Adm Tpt Coy. I reported at the Mess at 2110 hours and left the Station wagon outside the Mess and went inside to assist one of the Officers who had a leg amputated. When the Officer and I got to the door I found my vehicle had disappeared. I immediately reported this to Lieut T.C. Dunby who was then Transport Officer. During the time I was in the Mess assisting the Officer I saw no one. Later on the Transport Officer and I searched the vehicle but we were unable to find the missing vehicle.

Q. (by Officer taking Summary) Did you give anyone permission to drive your vehicle that night?
A. No sir.

Q. Was the accused in any way connected with the Tpt at 4 CCH?
A. No he was not.

SEVENTH WITNESS for the prosecution

Capt O.J. Atkins, on strength of No. 3 C.A.C.R.U. an officer of the Canadian Army Overseas, having been duly sworn, states as follows:

At about 1130 pm on 19 Nov 44 I was a passenger in the same Staff car as Major Stewart returning to Aldershot from Blackdown. When we witnessed the collision I wentto the Station Wagon which was a Canadian vehicle with RCASC colours, which was one of the vehicles involved, and found no driver. I went around the car and into the yard behind the fence into which the Station Wagon had crashed, where I found an officer's trench coat. I flashed my light around the yard but did not make a thorough search. I then went out of the yard to look around the outside of. Upon investigation I found the yard was completely surrounded by a fairly high fence and I decided that if the driver of the car had gone in there that he was still there. I went back into the yard to search the bushes and met a man dressed in civilian clothes whom I now recognize as the accused. He was wearing a windbreaker, was bareheaded and his nose was bleeding. I asked him for his identification and he didnt have any. When I asked him if he was the driver of the car he stated that he was not but someone else was. He didnt deny being a passenger. I then turned him over to Major Stewart. A Police Constable came along and took down particulars.

Q.(by Offr taking Summary) In your opinion could any one else have got into the yard without your knowledge after the collision occurred?
A. Since the Station Wagon was blocking the entrance to the yard I do not think it possible for anyone to have entered without being seen.

Q.(by accused) If there were two of us in the front of the vehicle couldnt both of us have gone into the yard?
A. If there were two people in the car they must both have gone into the yard because the left hand door, which would open on to the road, had not been used as it was in full view of us all the time.

EIGHTH WITNESS for the prosecution

Police Constable Sidney James Adsett, of the Ash Vale Police, having been duly sworn, states as follows:

At approx. 11.40 pm on 19 Nov 44 I received information of an accident on Frimley Road, Ash Vale. I arrived at the scene at 1145 pm where I saw two vehicles extensively smashed on both near sides. One vehicle, a Canadian Station Wagon CM 4203000 and the other vehicle a Taxi No. BXV 337. At the scene I saw a person dressed in civilian clothes who told me he was in the Canadian Army and I asked his for his pay-book. He stated he did not have it with him. I made a thorough search at the scene of the accident in an attempt to find any other person who may have been in the Station Wagon, but no other person was found. The man was conveyed to Ash Vale Police Station where he told me his name was Pte Hemond, and he stated verbally that he was in the Station Wagon when it crashed.

He inferred he was not the driver but stated that he did not know who the driver was or the driver's name. Pte Hemond whom I now recognize was released on his own recognizance, The next day and on 30 Nov 44 he was charged at Farnham Police Court with driving vehicle CM 4203000 whilst under the influence of drink and driving in a dangerous manner. He was there found guilty of both charges and sentenced to 3 months imprisonment with hard labour on each charge, each to run concurrently.

Q.(By offr taking Summary) Did you notice what clothing this man was wearing at the time of the accident?
A. He was wearing a dark brown leather windbreaker, greenish pants, brown shoes, officer type collar and shirt with khaki tie. Lying at the side of the car was found an officer's trench coat.

At Farnham Police Court at about 1500 hrs on 20 Nov 44 I took over the custody of C57554 Pte Hemond P whom I now recognize. He had just been released on bail of £10 on his own recognizance, pending charges of drinking and negligent driving whilst in charge of a motor vehicle. I found Hemond, on his release from civil custody, dressed in civilian clothes. He was wearing a brown leather windbreaker, a green pair of trousers, officers dress shirt, collar and tie and a civilian pair of shoes. I asked him where he obtained the clothes and he stated that he had borrowed them from the officers' quarters at "C" Mess, HQ CRU. On asking him for his service book Part I he stated that it was in his other clothes, meaning his uniform. He was not in possession of a service book at the time I arrested him. I escorted Pte Hemond to his quarters at "C" Mess and he changed into his battle dress. I took possession of the civilian clothes he had been wearing. On instructions from the Camp Commandant I handed to Major Fosbery, who was being posted overseas shortly the leather windbreaker which he identified as his own. I then escorted Pte Hemond to HQ CRU Guard Room andhanded him over to the NCO i/c. On 22 Nov I interviewed Pte Hemond and after cautioning him and his signature of caution of having understood same he made a voluntary statement. I wish to produce Pte Hemond's statement as an exhibit. (attached as Exhibit "A"). I was present at the Farnham Police Court at 1000 hrs 30 Nov 44 when Pte Hemond appeared before Gen. Sir Robert Haining, Chairman of the Farnham Petty Sessional Bench. He was found guilty of being drunk whilst in charge of Ford Station Wagon WD No. CM4203000 and also found guilty of driving this vehicle in a negligent manner. He was sentenced by this Court to terms of 3 months imprisonment on each charge, to run concurrently and to be served at H.M. Prison Wormwood Scrubs.

STATES:

I am a batman for Major Morris, Capts Harris, Sillars and Rousseau at "C" Mess HQ CRU

On Sunday 19th Nov 44 I left "C" Mess at about 11:30 hrs and went to the North Camp Hotel, which opened at 1200 hrs. I did not have a drink there but went to the Clock Tower Pub House Farnborough. I drank mixed Ales and Beer to closing time at 1400 hrs.

I then went to the Corner Cafe had something to eat and went to "D" Officers Mess, had a pint bottle of beer from one of the boys I know and went back to "C" Mess. Had three or four drinks that I brought out for an Officer, Capt Milliken who told me to tell the bartender that the beer I obtained was for him.

I decided then to get into civilian clothes. I went into Capt Sillars room and got a pair of his shoes without permission. I got a pair of green pants from Pte Simmans' room that I had arranged to buy. In my room I had Major Fosberg's brown leather windbreaker in my room, also Capt Rousseau khaki tie. I doned this clothing and went to the NAAFI Canteen, this would be 1800-1815 hrs. I had a pint of beer at this place and my friend Pte St Germain of "C" Mess came in. We each had a pint and I had my supper.

I then went up to the North Camp Hotel with St. Germain, we started to drink. The last thing I remembered I was in the North Camp Hotel, drinking with him.

The next thing I can remember very slightly of seeing a car broken up and a lot of people arrived. I then remember I was in some Office with a Doctor. My nose was very sore, my handkerchief covered with blood. I do not remember being in a car or driving a car. I know a Capt Wallace but I'm sure I was not with him. I cant remember being at Lillie Mess. I cannot remember being found in a yard.

I know Driver Brown of 4 CCD. The last time I was in his billets was at Lillie Officer Mess. It could be possible I went to Lillie Officers Mess to see him.

I cannot remember anything about an accident.

I have read over this statement and given the opportunity to add to or delete any part of it and it is the whole truth.

commanders had called the rolls of their sections. Cpl Chandler of 7 section reported to me that Private Hemphill was not present. I then checked the platoon myself, also checked with the C.Q.M.S. and my platoon commander & they had seen Private Hemphill around the area. Third Witness for Prosecution Lt. C.E. Emerald, C.Y.R., having been duly sworn, states:

I am Lt. C.E. Emerald, commanding 15 fd coy of C.Y.R. On 18 Oct 44, while at rest, I was warned that my platoon was to move forward with the Div on actual operations. I called all of my N.C.O.'s and warned them that the platoon was to be ready to move on an hour's notice for this operation and I ordered the N.C.O.'s to pass on the warning to the men. At approximately 1630 hrs on 18 Oct the coy fell in ready to move off.

I checked with the NCO to see if everyone in the platoon was ready to go. On being told that the accused was absent I checked the platoon and the cookhouse and he was nowhere to be found. We embussed at 1650 hrs. when the accused was still absent. He has not been with my platoon since.

Cross-examined by Defence.

Q 1. Did you know the accused in your platoon for any length of time before that day?

A 1. I had him in my platoon for five days in the Gothic Line before I had him evacuated.

Q 2. Why did you have him evacuated?

A 2. The medical reason was for boils, but an additional reason was because I considered that his mental outlook had a bad effect on the platoon, due to his nervous attitude.

Q 3. When did he come back to you?

A. 3. While at rest at the Naval Barracks about the 4th or 5th of October, 1944.

Q 4. In what condition did he appear to be in at that time?

A 4. His attitude from the time he came back until the time we went back into action was such that I was glad to be rid of him when we went back into action.

Q 5. Did you think of counselling the accused officer on his attitude?

A. 5. I counselled the M.O. personally about the man's condition.

Closing Address for the Defence

The accused acknowledges the fact that he was warned that his Platoon was moving to active operations. But, in a case of desertion extenuating circumstances must be taken into consideration, and in this case, the man's nervous condition after undergoing days of the heaviest shelling the Canadian Corps has had in this country during the Somme Line is an extenuating circumstance.

After mulling over in his mind while at rest the hardships and dangers of those days, this man who is not too strong as can plainly be seen, could not find the

warned that the Platoon was moving he stayed with the Platoon for 4 hours and at the last minute his mental state was such that he could not control his will sufficiently to allow him to proceed with the Platoon.

Any man with the same mental set-up would have probably have left the Platoon before the last hour.

The accused at the time of leaving was not in control of his thoughts and therefore could not have the intention of deserting although on the surface the act of deserting appears

Hemphill

In passing sentence on Pte. Hemphill I wish the Court to take into consideration the mans youth. He is only now 19 years of age. He has been in the army 18 months. He was mailed over to England arriving there about January 4. Then on March 4 he landed in Italy. In April he came to the Carleton & York Regt. He was not able to become psychologically adjusted for front line duty. In the Gothic Line after very severe shelling he was evacuated for shock and came to the Regt again when we were on rest.

CLOSING ADDRESS
for the Defence:

The accused acknowledges the fact that he was warned that his Platoon was moving to active operations, But, in a case of desertion, extenuating circumstances must be taken into consideration, and in this case, the man's nervous condition after undergoing days of the most intense shelling the Canadian Corps has had in this country during the GOTHIC LINE is an extenuating circumstances. After milling events his mind while at rest the harships and dangers of those days, this man who is not too strong as can plainly be seen, could not find the

necessary energy to return to the front. After being warned that his Platoon was moving he stayed with the Platoon for 4 hours and at the last minute his mental state was such that he could not control his will sufficiently to allow him to proceed with the Platoon.

Any man with the same mental set-up would have probablmy have left the Platoon before the last hour.

The accused at the time of leaving was not in control of his thoughts and therefore could not have the intention of deserting although on the surface the act of deserting appears.

PLEA IN MITIGATION

for G 8232 Pte Alden Sellars HEMPHILL.

In passing sentence on PTE. HEMPHILL I wish the court to take into consideration the man's youth. He is only now 19 years of age. He has been in the army 18 months. He was rushed over to England arriving there about January 4. Then on March 4 he landed in Italy. In April he came to the Carleton & York Reg't. He was not able to become psycholggically adjusted for front line duty. In the GOTHIC LINE after very severe shelling he was evacuated for exhaustion and came to the regiment again when we were on rest.

---

(2) "DWM"

While on rest he mulled over the dangers of the front line and at the last minute he found it impossible to go forward.

The accused has had a good record previously in the Army.

Considering the accused's youth, his previous good record and what he had already gone through in the war in Italy. I'm sure the Court will make the sentence as light as possible.

Statement in Mitigation of Punishment.

Sir, you will observe that the offences noted on the record of the accused are all relatively minor ones for which none of the punishments have been severe.

You will recall, also, that C.S.M. Giles, in his statement as to character, stated that to his personal knowledge the accused lived with the C.P.R. for some two months in a most satisfactory manner. You will recall also, that C.S.M. Giles noted that at a later date, while in hospital he noted a change in the accused.

Just when that change took place, and for what reason only a qualified psychiatrist could say. I would suggest to you, that, in the interest of justice, that a psychiatrist should examine & report upon the present mental condition before sentence is pronounced.

I would point out also to you, that he has been tried on a most serious charge, under a technical section, and would ask, when considering sentence, that his past record of service, and his present mental condition, be taken into consideration along with the other evidence and statements submitted by the defence.

Having been duly sworn states - I am M16878 P.T. Hempstock D.W. Loyal. Edm. Regt. now on X-4 list 6 Coy 2 Bn 1.C.B.R.D. At approx 2200 hrs 30 May 44 my brother, the accused, arrived at the Pow camp where I was a patient. He appeared to be under the influence of liquor. He said nothing at that time about being warned for draft so I got him to bed. The next morning he told me he was on draft. His nerves were bad and he was stuttering when he talked. I got him something to eat and about noon 31st May he left the camp, as far as I know, to return to Bvellino.

Question 3. (by the prosecutor)

What did your brother say was his reason for coming to see you?

Answer 3.

He said he wanted to see me before going back into the line.

Address by Defence.

I wish to produce evidence that at the time the accused went A.W.L. he was incapable of forming an intent as a result of three things one, that he has an inadequate personality, secondly he was under the influence of liquor thirdly that he has what is known as a big brother complex in other words, in everything he does, he has the habit of running to his elder brother for advice.

Statement for accused by defending officer.

The accused came to the Edm Regt first in June 1941. and went to Sicily in July 1943. He actually came over as a reinforcement at that time and went up to the regt in Dec 43 just before the battle of Vino Ridge near Ortona. He was in "C" Coy in the regt as a rifleman and during the fighting was transferred to the scouts, serving as a scout until he was evacuated, sick, about the middle of Feb. He admits signing the draft warning order but states that both before and after signing he was drinking wine. His brother was in the Edm Conv. Camp at Salerno and he decided that before going forward to the Regt he wanted to see his brother

So he went out on the road in front of Canada Bks on the evening of 30 May and he asked a ride on a veh going through to Salerno. When he awoke the next morning he was sleeping with his brother in the Conv Camp

After a ~~(a)~~ discussion with his brother he left the Conv Camp with the purpose of returning to Avellino, once he was away from his brother he became nervous because he knew he would be in serious trouble and wandered around Naples until he was arrested by the Mil police.

He was properly dressed in his Army clothes and made no effort to disguise the fact that he was a Cdn soldier. He had no intention of deserting

Statement for the Defence. CLOSING ADDRESS
BY DEFENDING OFFICER

The defence admits that the accused was in fact A.W.L during the period stated in the charge. It also admits that the accused signed the draft warning order and was, in fact, at the actual time of signing, aware of its meaning.

But sir, the defence has produced the evidence of two witnesses who state clearly that at approx 2200 hrs on 30 May 44 the accused was in fact very drunk - so drunk as to be incapable of carrying on a conversation. This, it is submitted, bears out the submission of the defence, that, by virtue of his condition, at the time of going A.W.L., was not capable of forming an intention to desert.

It is submitted that what actually happened was this, that the accused, who is a weak-minded type, after having been warned for draft, decided to celebrate the occasion by going on a binge, which he did. Then, while under the influence of liquor, decided to go and see his brother, to whom he was very closely attached, and did — without at that time stopping to realize that by doing so he left himself liable to the serious charge for which he is now being tried.

When he awoke on the morning of 31 May 44, and realizing what the circumstances were he was greatly distressed and was afraid to go back like a man and accept the consequences - but in a fog of indecision wandered around until he met a C.M.P, to whom he readily admitted he was A.W.L.

He served with distinction in action with the C.A.R. which is shown by the fact that he was employed as a scout at a time when a scout's job was particularly important.

~~[illegible] on the above date, [illegible] drunk and [illegible] in hospital, he [illegible] struck by [illegible] and [illegible] thereby [illegible] to his [illegible] for [illegible] and [illegible].~~ Plac.

It is submitted, sir, that while the witnesses will support a conviction on a charge of A. W. O. L. that there has been no evidence presented to the court that shows an intention to desert - which must be the essence of the charge. On the other hand, there is evidence that he was drunk to the point of being incapable of taking orders. It is submitted, is surely evidence that he was too drunk to be capable of forming an intent. It is pointed out too that he gave no trouble to the police who apprehended him, and made no attempt to disguise his uniform or otherwise disguise his identity as a member of His Majesty's Canadian forces.

In conclusion, sir, it is submitted, that there must be, on the evidence before the court, at least a reasonable doubt as to whether the accused actually intended to desert, in which case, a conviction can must not be found.

Plac.

Closing Address By Prosecution

Summary –

The case against the accused is as follows –

1. The accused signed the warning draft roll of X Base 62 in the presence of Lt. Comiskey as shown by Exhibit "B". The accused was fully aware that a charge of desertion could be laid if he were absent from the draft at its departure.

2. Evidence produced by witnesses for the prosecution proves the absence of the accused when the draft departed.

3. The accused, although drunk when he arrived at the destination / Ctn Cor. Comp Salerno was not necessarily drunk incapable when he left Avellino. In fact, he was quite capable of knowing what he was doing and where he was going.

4. No reasonable excuse has been brought forward by the defence for the accused's absence from draft except that he wanted to see his brother before going forward to his battalion.

5. In the face of this evidence, the accused knowing the consequences of being absent from draft, deliberately left camp.

6. I submit that the accused is guilty of the offence with which he is charged, namely desertion with intent to avoid draft.

Character Witness for Defence

having been duly sworn states —

M 10756 C.S.M. Giles. N.L. Depot training school Canada Barracks C.B.R.D.

I first became acquainted with accused when he came to Edm Regt at battle of Vimy Ridge. I saw him several times before and during the battle for Ortona

I particularly noticed he seemed to be enjoying the battle. After the battle my Coy was stationed nearest Bn Hq and I spent a lot of time in BHQ which was also the station of the Scouts. At this time I saw the accused practically daily as he had been transferred from a rifle Coy to the Bn Scouts. He was doing a very good job with the battalion and had been on several patrols. The accused

Sometime in march I met Pte Comstock on 14 Cdn Gen Hosp He appeared to be nervous stutters badly. He made an appointment to go out with me that afternoon and failed to turn up. While in hosp he came into the ward several times looking for his mates. If he had been posted to my company at that time I would

not have accepted him as he was nervous erratic and definately unreliable. I had appointments several times to go out with him which he failed to keep. Whenever I saw him he was always eating where his brother was and seemed to be lost without him.

"I am Lieut J. G. Cormie, Acting Company Commander of the Loyal Edmonton Regiment Company, 2 Cdn Base Rft Bn., 1 CBRD. On 30 May 44 in the process of preparing draft X Base 62, I witnessed the signatures of all personnel on the draft warning roll which is headed, "I, the undisigned, acknowledge having been warned for draft to proceed foward. I realize that if I am absent without leave when the draft departs, I am liable to trial by Field General Court Martial for desertion." The name and signature of M50248 Pte Hempstock, G. Address by Defense

I wish to produce evidence that at the time the accused went A.W.O.L. he was incapable of forming an intent, as a result of three things one, that he has an inadequate personality, seconaly he was under the influence of liquor, thirdly that he has what is known as a big brother complex, in other words, in everything he does, he has the habit of running to his elder brother for advice.

Statement for accused by defending officer.

The accused came to the Edn Regt first in June 1941 and went to Sicily in July 1943. He actually came over as a reinforcement at that time and went up to the regt in Dec 43 just before the battle of Vino Ridge near Ortona. He was in "C" Coy in the regt as a rifleman and during the fighting was transferred to the scouts, serving as a scoute until he was evacuated, sick, about the middle of Feb. He admits signing the draft warning order but states that both before and after signing he was drinking vino. His brother was in 1 Cdn Conv. Camp at Salerno and he decided that before going forward to the Regt he wanted to see his brother
"JMMcC"

---

so he went out on the road in front of Canada Bks on the evening of 30 May and hitched a ride on a veh going through to Salerno. When he awoke the next morning he was sleeping with his brother in the Conv. Camp.

After discussion with his brother he left the Conv Camp with the purpose of returning to Avellino, once he was away from his brother he became nervous because he knew he would be in serious trouble and wandered around Naples until he was arrested by the Mil police.

He was properly dressed in his Army clothes and made no effort to disguise the fact that he was a Cdn soldier. He had no intention of deserting.

R.P. 83(b) complied with.

Defending officer decided not to place accused on the stand. "JMMcC"

Statement for the Defence CLOSING ADDRESS BY DEFENDING OFFICER

The defence admits that the accused was in fact AWL during the period stated in the charge. It also admits that the accused signed the draft warning order and was, in fact, at the actual time of signing, was aware of its meaning.

But sir, the defense has produced the evidence of one witness who states clearly that at approx 2200 hrs on 30 May 44 the accused was in fact very drunk - so drunk as to be incapable of carrying on a conversation. This, it is submitted, bears out the submission of the defence, that, by virtue of his condition, at the time of going A.W.L., was not capable of forming an intention to desert.

It is submitted that what actually happened was this, that the accused, who is a weak-willed type, after having been warned for draft, decided to celebrate the occasion by going on a binge, which he did, then, while under the influence of liquor, decided to go and see his brother, to whom he was very closely attached, and did--without at that time stopping to realize that by doing so he left himself liable to the serious charge for which he is now being tried.

When he awoke on the morning of 31 May 44, and realizing what the circumstances were he was greatly distressed and was afraid to go back like a man and accept the consequences--but in a fog of indecision wandered around until he met a CMP, to whom he readily admitted he was A.W.L.

He served with some distinction in action with the L.E.R. which is shown b the fact that he was employed as a scout at a time when a scout's job was particularly important.

"JK McC"

It is submitted, sir that while the evidence will support a conviction on a charge of A.W.L. that there has been no evidence presented to the court that shows an "intention" to desert--which must be the essence of the charge. On the other hand, there is evidence that he was drunk to the point of being incapable of talking which, it is submitted, is surely evidence that he was too drunk to be capable of forming an intent. It is pointed out too that he gave no trouble to the police who apprehended him, and made no attempt to disgard his uniform or otherwise disguise his identity as a member of his Majesty's Canadian Forces.

In conclusion, sir, it is submitted, that there must be, on the evidence before the court, at least a reasonable doubt as to whether the accused, actually intended to desert, in which case, a conviction must not be found.

"JKMcC"

CLOSING ADDRESS BY PROSECUTION "JKMcC"

Summary-

The case against the accused is as follows:-

1. The accused signed the warning draft roll of X Base 62 in the presence of Lt. Cornie as shown by Exhibit "B". The accused was fully aware that a charge of desertion could be laid if he went absent from the draft at its departure.
2. Evidence produced by witnesses for the prosecution proves the absence of the accused when the draft departed.
3. The accused although drunk when he arrived at 1 Cdn Con. Camp Salerno was not necessarily drunk or incapable when he left Avellino. In fact, he was very capable of knowing what he was doing and whenehe was going.
4. No reasonable excuse has been brought forward by the defence for the accused's absence from draft except that he wanted to see his brother before going forward to his battalion.
5. In the face of this evidence, the accused knowing the consequences of being absent from draft, delibertly left camp.
6. I submit that the accused is guilty of the offence with which he is charged, namely desertion with intent to avoid draft.

"JKMcC"

Character Witness for Defence.

Having been duly sworn states --

M10756 C.S.M. Giles, N.L. Depot Training School Canada Barracks, C.B.R.D.

I first became acquainted with the accused when he came to Edm Regt at xx Battle of Vino Ridge. I saw him several times before and during the battle for Ortona.

I particularly noticed he seemed to be enjoying the battle. After the battle my Coy was stationed nearest Bn Hq and I spent a lot of time in BHQ which was also the station of the Scouts. At this time I saw the accused practically daily as he had been transferred from a rifle Coy to the Bn Scouts. He was doing a very good job with the battalion and had been on several patrols.

Sometime in March I met Pte Hempstock in [redacted] Cdn Gen Hosp. He appeared to be nervous stuttered badly. He made an appointment to go out with me that afternoon and failed to turn up. While in hosp he came into the ward several times looking for his brother. If he he had been posted to my company at that time I would

---

not have accepted him as he was nervous erratic and definitely unreliable. I had appointments several times to go out with him which he failed to keep. Whenever I saw him he was always asking where his brother was and seemed to be lost without him.

R.P. 83(b) complied with.

"JKMcC"

Statement [redacted] in Mitigation of Punishment

"JKMcC"

Sir, you will observe that the offences noted in the record of the accused all all relatively minor ones for which none of the punishments have been severe.

You will recall, also, that C.S.M. Giles, in his statement as to character, stated that to his personal knowledge the accused served with L.E.R. for some two months in amost satisfactory manner. You will recall, also, that C.S.M. Giles noted that at a later date, while in hospital he noted a change in the accused.

Just when that change took place and for xxx what reason only a qualified psychiatrist could say. I would suggest, Sir, that, in the interests of justice, that a psychiatrist should examine a report upon this man's mental condition before sentence be promulgated.

I would point out, also, Sir, that he has been tried on a most serious charge, under a technical section, and would ask, when considering sentence, that his past record of service, and his present mental condition, be taken into consideration along with the other evidence and statements submitted by the defence.

1st Witness for the Prosecution.

Lieut. J. H. Chicoine, R 22e R, having been duly sworn, states,-

I wish to produce two checks drawn on the Bank of Montreal which are alleged to have been signed by Louis Deniset, as exhibits, as well as a laundry list in the writing of the accused and signed by the accused.

These checks here, the face of which the accused has already admitted writing. I wish to say in my testimonial that the signatures and endorsements on the cheques have been written by the same person who forged the cheques.

The Prosecutor produces for the Court, a cheque drawn on the Bank of Montreal, 9 Waterloo Place, Pall Mall, ~~for three pounds, to the order of Pte. Paul Landreau, dated November 26, 1940. This is marked Exhibit "B"~~

for two pounds, to the order of E.4690 Landriau, P., dated 28 October 40. This is Exhibit "A" and is signed by the President.

The Prosecutor produces for the Court a cheque drawn on the Bank of Montreal, 9 Waterloo Place, Pall Mall, for three pounds, to the order of Pte. Paul Landreau, dated November 26, 1940. This is marked Exhib "B", and is signed by the President.

The Prosecuting Officer produces a laundry list purporting to be signed by Pte. Henarie. This is marked Exhibit "C" and is signed by the President.

The witness explained that he had had several years experience with the R.C.M.P. in the detection of forgery and counterfeit engraving. The witness pointed out similarity in writing on the face of the cheques, the endorsements on the back of the cheques and the writing on the laundry lists. He further states "I am of the opinion that the person who wrote the cheques and signed them, also endorsed them."

The accused declines to cross-examine the witness.

2nd. Witness for the Prosecution.

Lieut. Louis Deniset, R 22e R, having been duly sworn, states,-

Question: "Do you know the accused?"
Answer: "Yes."

Question: "Was the accused at any time under your orders?"

Answer: "The accused was my batman from 15 Sep 40 until sometime in November."

Question: "Have you seen these documents before?"

Here the Prosecutor hands exhibits "A" and "B" to the witness.

Answer: "Yes."

Question: "I have in my hand a document marked Exhibit "A". Will you tell the Court what you know about it?"

Answer: "This is a cheque which came from my cheque book. Sometime around the end of November I received this cheque back from the bank and I noticed that the cheque was forged. Landrian was brought up for forging it but was found not Guilty as he was in detention at the time the cheque was cashed. Then, thinking it over, I thought that my batman could easily get to my blank cheques at the time they were made so I compared his writing with the writing on the cheque and found it was similiar. Then I thought he was responsible. I went to Lloyd's Bank in Croyden but it did not seem possible to identify the man who had cashed the cheque.

Question: " Do you mean the man who cashed the cheque or tracing the cheque?"

Answer: "It seemed difficult totrace the cheque."

Question: "Have you seen this cheque marked Exhibit "B" before?

Answer: "Yes."

Question: "Is it a cheque that came out of your cheque book?"

Answer: "The story is the same as applies to Exhibit "A"."

Question: "Were you successful in tracing this cheque marked Exhibit "B"?"

Answer: "Yes, I was."

Question: "Will you tell the Court what happened once you had traced this cheque?

Answer: "I went to Farm Shop in Addington, asked for the

Manager, Mr. Little. I asked him ifhe remembered this cheque, whic. according to Barkley's Bank, Selsdon, had been deposited by him. He said, 'Yes, I do remember', then I asked him, can you iden ify the man who cashed the cheque? He said, 'Yes I can', so I took Pte. Henarie with L/Cpl. Trudeau as escort and Pte. Doucette to Farm Shop. Mr. Little identified Pte. Henarie as the man who had cashed this cheque.

Question: "Was the accused alone at the time of identification?"

Answer: "There were several soldiers there in front of Mr. Little at the time he identified Pte. Henarie .X Mr. Little then wrote out a statement.

The accused declined to cross-examine this witness.

R.P. 83 (B) is complied with.

This witness produced a written statement which was marked Exhibit "D" signed by the President of the Court and read to th Court. The Court satisfy themselves that the cheque refered in Exhibit "D" is the cheque marked Exhibit "B".

Question: "Have you seen this paper marked Exhibit "C"?"

Answer: "Yes."

Question: "Will you tell the Court the story concerning Exhibit "C"."

Answer: "This is one of the laundry lists I asked my batman to make for my laundry. It is signed by him and I believe it is in his writing. It is the same writing as used by him on the acquittance rolls on pay day.

Question: "Were these cheques debited to your bank account?"

Answer: "Yes."

Question: "Dou you remember writing these cheques?"

Answer: "I never did."

Question: "Do you ever give blank ceques to any one?"

Answer: "I did, but not these. The account numbers were changed on them while I was there."

Question: "Did you miss these blank ceques?"

Answer: "I noticed the disappearance of these blank cheques but I did not think it necessary to advise the bank."

Question: "Were the stubs blank?"

Answer: "Absolutely blank."

Question: "When you loaned the cheques to your friends did you mark the stubs?"

Answer: "Usually I did."

The accused declines to cross-examine the witness.

XXX. Question by the Court: "Was the accused your batman on November 26th?"

Answer: "I don't know."

Question:" Do you remember if he was your batman when you missed the second blank ceque?"

Answer: "Yes he was."

R.P. 83(B) is complied with.

At 1210 hrs. the Court adjourns untill 1400 hrs.

The Court re-opened at 1400 hrs.

3rd Witness for the Prosecution.

Mr. C. A. Little, the Farm Shop, Addington, having been duly sworn, states,-

Question: "Have you seen the accused before this Court, at any other time?"

Answer: "Yes."

Question: "Will You tell the Court in what circumstances you saw the man?"

Answer: "He came into my store in November last and cashed a cheque."

Question: "I have here a cheque marked Exhibit "B" drawn on the Bank of Montreal for the amount of three pounds. Have you seen this document before?"

Answer: "Yes, that cheque was given to me to cash."

Question: "Who gave you that cheque?"

Answer: "The accused."

Question: "Did the accused receive anything in exchange for that cheque?"

Answer: "Three one pound notes."

The accused declines to cross-examine the witness.

Question by the Court: "How did you recognize the accused as the man who cashed the cheque?"

Answer: "I recognized him because he was cashing a cheque signed by an officer I did not know, and knowing he wasn't a local soldier I took particular notice of him." I cash quite a number of cheques for soldiers and officers."

Question: "Did you ask the accused for any identification of himself?"

Answer: "No."

Question: "Was the cheque already endorsed or did he endorse it in your presence?"

Answer: "It was already endorsed."

Question: "Are you sure that this is the man who cashed the cheque?"

Answer: "Yes, very sure."

Question: "Did you see the accused between the date of cashing the cheque and today?"

Answer: "Yes. I saw him about three weeks ago accompanied by an officer and an escort."

Question: "What was the occasion?"

Answer: "An officer accompanied him and asked if I could tell from the men at the table which one had cashed the cheque R.P. 83(B) Complied with.

The prosecuting officer does not wish to call further witnesses.

Question to accused: "Do you apply to give evidence yourself as a witness?"

Answer: "No."

Question: "Do you intend to call any other witnesses in your defence?"

Answer: "No."

Question: "Do you wish to call any witnesses as to character?"

Answer: "No."

The prosecutor then addresses the Court.

Question to the accused: "Have you anything to say in your defence?"

Answer: "No."

The President addresses the accused thus: "Pte. Hensire, you have pleaded guilty to the first charge which I will now read." (Presiden reads the first charge)

"You have pleaded guilty to the third charge against you which I will now read."(President reads third charge)

Question: "Do you wish to make any statement in mitigation of punishment?"

Answer: "I have nothing to say."

SUMMARY OF EVIDENCE

IN THE CASE OF

E-4568, Private Leonard Hénaire, Royal 22e Régiment.

1st witness for Prosecution: Lieutenant Louis Deniset, Royal 22e Régiment, having been duly sworn, states:

"At the end of December, I received from the Bank of Montreal two cheques, respectively No. A55594 and No. A55596 which I produce here. They had disappeared from my cheque book at the end of October, both at about the same time. I noticed that the signature was not mine. Those cheques had been cashed. I went to Barclay's Bank at Selsdon; I was told that the three pounds cheque had been brought to them by Farm's Café or Shop at Addington. I went to them and asked for the Manager, Mr. Little. I asked him if he remembered this cheque. He said he did and that he could identify the man who cashed it in. Because Pte. L. Hénaire could easily find his way to my cheque book in the month of October, I compared his handwriting with the one on the cheques and found it so similar that I took xx him to Farm's Shop for identification by Mr. Little. There, Mr. Little identified him as the one who had cashed the the cheque of three pounds. there were several soldiers in the café at the time of the identification. I also asked Hénaire to tell his name to Mr. Little and replied: "Hénaire". As for the second cheque, the handwriting is so similar to that of the other cheque that they both must have been written by the same person. From the 15 Sept till about the 15 Dec. 40, I was with the 3 Recce Sqn. Hénaire was my batman till sometimes in November; Landriau, to whose name the cheques are written out, was also a man of the 3 Recce Sqn. At the end of September or the beginning of October, I wrote out a cheque of £2-0-0 to Pte. Landriau; that cheque was cashed and finally returned to me by the Bank at the end of the month as is customary. When the other cheques, the exhibits here, were returned by the Bank of Montreal, I noticed that the first one, made to Landriau by me had disappeared. That was at the end of December. At first, I thought Landriau Had something to do with it and a charge was laid against him, but it was found that he was undergoing detention when the cheques were cashed and that the hadwriting was not his. It is then that I suspected Hénaire. I also produce a laundry list written by him when he was my batman to compare the handwriting."

This ticket was in my hat and was taken out by a Sgt in the R.T.O.'s office. This Sgt then called in the two escort and they took me to an office and called my Regt. then they put me under arrest.

While in the R.T.O.'s office I told the Sgt there that I wanted a warrant to pay my way from East Croydon to Brighton. They did not give me one

28.2.42

While on 48 hours leave home with my wife that was ill, she asked me if I could have my seven days leave and I told her that I could if I would see my Coy Commanding Officer, the reason why my wife asked me for my seven days leave is because she was staying with her folks and she was obliged to leave, so I left on Thursday evening for Croydon to take the first train Friday morning for Stafford and I slept at the Y.m.c.a. And the next morning I had my shoes stolen so I could not get back, I reported it to the manager of the Y.m.c.a. and he gave me a letter to prove to you that it is the reason I could not take the train, so I had borrow a pair of boots to return to my unite and a few days later I managed to get a pair from Gunner Hardwick of the R.E.A. and then I reported to Brighton to the R.T.O. and he put me under close arrest and I was brought down to my unite.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

E.4568 Pte Leonard Henaire "WdeCH"

Members of the Court
Gentlemen:

We have before us a '39er - one of the first '39ers. At the age of 22 yrs Pte Henaire joined the Army in the Fall of 1939. He was in England 17 Dec '39 long before the most of Canada realized we were at war. Many long years of waiting were spent in England - some or all of you probably know what it was like.

Pte Henaire did what many other of our Canadian boys did- he married an English girl with bright hopes of taking heyhome to Canada after the war. They had a baby, a boy, and things wer looking fine. However, as sometimes it happens things went wrong and they found it wouldn't work out. There were no grounds for divorce but they tried anyway. This was in the fall of 1943.

Just then Pte Henaire was sent on draft to Italy - that was Nov 43. Soon he was with the R22R and for seven months in and out of the line, including the Ortona Show.

In the meantime things were happening in England. The Germans were sending over the flying bombs. The south of England as you all know got it and so did the house in which his wife and child lived. Both were sent to the hospital but only scant news has come to Pte Henaire's ears, it was friends who told him most. Since November 1943 only two letters have come from Mrs Henaire and so he has to sit and wonder how his child is doing. How would you feel gentlemen?

The one impulse is to get there to find out - every red-blooded man would have it. Compassionate Leave! Many in the Regiment, same with more cause, were turned down so it was no use there. The only other thing was to make your own way there and see for yourself. He failed, gentlemen, but he still has his worry. Can not something be done? Pte Henaire has a worry, a legitimate one -- I ask you to consider that.

On the 30 March 43 I attended sick parade and was sent on to the Dental Clinic. L/Cpl McKelvie told me to go with Pte Fulsom as an escort. After we were through with the Dentist we went to Three Bridges where we were to be picked up by the lorry. We told the driver that we had to go to the Dentist again that afternoon.

My teeth were aching so badly that I thought if I had a couple of drinks it might ease the pain, but I fully intended to return to my unit when the lorry came to pick us up at 1630 hrs.

After having a couple of drinks, the next thing I knew, I was in Croydon and it was quite late at night.

When we realized what we had done we were too scared to come back and then we thought, over and decided that our charge was only getting worse the longer we stayed away and we didn't want to get picked up so we came back and reported in to our C.O.

Q. Were you suffering from toothache when you went to the Dentist

Katharine VEITH, single, resident: Hohebarg 37, born 15 Feb 23 in Hohebarg.

At approx 2330 hrs 22 May 45 when I was sleeping in my bed I suddently heard a noise at the door that aroused me. My parents got up to open the door. I heard how somebody outside told my parents that the daughters (my sister and I) should get up and I got up. I went into the kitchen and there were five soldiers of which there were one Negro and four white men. One of them who said he was an American asked me to sit next to him and when I did it, he put his arm around my shoulder and asked me to kiss him. I refused. Then he asked me to go outside with him. Then I wanted to run away and ran outside. One of the white men followed me. He dragged me into the house into the corridor and shut the door. He and the Negro pointed the pistol at my chest and asked me if I was willing, yes or no and I said yes. I was greatly afraid. Then they took me into the bedroom and on the point of a pistol they forced me to undress. I cried: "Don't shoot! Don't shoot!" The Negro went out. The other man took off his jacket, opened his trousers, lay down iwth me in bed and ~~xxxxx~~ had sexual intercourse with me. When he had finished, the Negro came in and did the same. After nim came a whiteman and raped me. After this one came a fat one (the driver of the car, then came in) and then the American. They all raped me, one after the other. then came the one who raped me first and the Negro and raped me a second time.
Then they left the house. I stopped in the bed and told my parents weeping what had happened.

Hinrich VEITH, married, resident: Hohebarg 37, born 17 Dec 1883 in Ardorf.

At approx 2330 hrs 22 May 45 I was aroused by vehement knocking at the door. I got up and opened the door and five soldiers came in. In front was a Negro who carried a bottle of Schnaps (brandy) and a pistol in his hands. They came directly into the kitchen and put the bottle and the two pistols on the table. My wife with me when I opened the door. By request of the soldiers my two daughters got up and dressed. The electric light was on in the kitchen. The soldiers sat down in the kitchen and at their request I gave them glasses and at their request I drank with them. Then my wife had to get some eggs and they fried eggs on the stove. In the meantime my two daughters came into the kitchen and were very scared by the soldiers who handled their pistols and aimed at objects in the kitchen. They ate and listened to the wireless. Then I went out to look for the horses that were running free as they left the gate open, when they drove through it. It was too dark and I gave up after a few minutes and went back into the house. One of the soldiers a short dark haired one was outside with me. When I got back I noticed that two soldiers (one of them was the Negro) and my daughter Katharine were not there. I saw one soldier standing in front of the bedroom door. That and voices I heard I heard in the bedroom made me think that two soldiers and my daughter Katharine were in the bedroom. I heard her cry. I could not come to the aid of my daughter because I was afraid they would shoot us. Besides, they wanted me to go to bed, My daughter Hilde was sick with fear and went several times to the barn. Then I saw how the soldiers relieved each other in the bedroom.. There were only two or three soldiers in the kitchen at any time.
At approx 0130 hrs they all left the house without saying anything. When my daughter Katharine was two years old she fell down from the stairs and was injured on her head and as a consequence of that she remained an idiot. In 1941, she was sterilized in accordance with the German laws of that time because she is idiotic.

Therese VEITH, married, resident: Hohebarg 37, born 3 Aug 1886 in Middege.

At approx 2330 hrs 22 May 45 when we all were already in bed asleep, I was woken up by vehemently knocking at the door. I sat up in bed and I could see a car through the opened bedroom door and the window opposite. Then my husband and I went to open the door. Five soldiers came in and I went quickly into the bedroom where my two daughters Katherine and Hilde were in bed. I advised them to stop in bed. When I was going back into the kitchen a soldier came out of it and said in broken German: "Girls get up!" The two girls got up and my daughter Hilde called out: "Mother, stay with me! I am so afraid!" I remained with her till she had dressed and went with her into the kitchen. There were five soldiers of whom two were blonde, two dark haried and one a Negro. They were in the kitchen, my husband, and my two daughters and I. The electric light was on and I could see two pistols lying on the table and two rifles were leaning against the wall. I sat down and put my arm protectingly around my daughter Hilde. Her whole body was shaking with fear and I did everything to protect her who is the youngest as I realized I could not protect both my daughters. The soldiers drank of the Schnaps (brandy) they had brought with them. Then Hilde was sick and I went into the barn with her. When I came back I saw Katherine and my other daughter sitting between two of the soldiers and I saw that they kissed her. After a few moments Hilde was sick again and I went out with her again. When I came again the one who could speak German asked want was the matter with Hilde and I said that she was ill. The Negro got up and felt her forehead and pulse and said in broken German "Not ill, only fear". Then he said something in Eglis and they all laughted. Then they wanted something to eat and I got some eggs, fat and a frying pan and they fried eggs. They ate and I had to go out with Hilde again and again. Once Katherine came with us but one of the soldiers stopped her and didnot let her go into the kitchen again. I told Hilde back into the kitchen and there were my husband and three soldiers. I heard voices from the bedroom and amongst them I recongised my daughters voice who cried "Dont shoot" Then they changed over in the bedroom and I saw that two of the soldiers were inside twice.
That went on till 0130 hrs., the next morning when they left without saying anything and drove off in the car I had seen previously. I then went into the bedroom and saw my daughter Katharine sitting in bed and weeping vehemently. The bed was all messed up and soiled and she had on a slip and pettycoat.
As a consequence of an accident she had when she was very young, my daughter Katharine is idiotic and in 1941 and she was sterilized according to the German laws of that time.

At approx 2330 hrs 22 May 45 when I was sleeping in my bed I was aroused by a noise at the door. I got up and dressed and lay on the bed like that. Through the open door I could see five soldiers go into the kitchen. I was scared and just when I had made up my mind to run away through the window one of the soldiers came in and told me to come into the kitchand and drink (Schnaps) brandy with them. He spoke in broken German. I obeyed and went into the kitchen where all five soldiers were as well as my father and mother and my sister Katharine. I refused to drink. The electric light was on in the kitche and I saw two pistols lying on the table, one rifle standing by the kitchen door and one by the window. I was greaty scared. I sat down with my parents on the bench.
One of the soldiers, a blond-one, kissed my sister Katherine. I was then sick with fear and went with my mother into the barn. When I came back I heard voices in the bedroom and I heard my sister Katherine, who was in the bedroom as well cry: "Dont shoot". I went quickly into the kitchen and there were two soldiers and my mother and I sat down again. Shortly afterwards my father came into the kitchen, who was outside to see to the horses. Then I could see how the soldiers relieved each other in the bedroom till they had all had their turn in going inside, two or three went twice. They left then the house and drove off in an Allied army car. I went after my mother into the common bedroom and I saw Katherine who was in bed weeping vehemently.

Miss Katharine Veith (VEITH) born 15 Feb 25, resident at Hohebarg was introduced to me for a medical examination. It is the case of a state after alleged rape by 5 (five) Canadian soldiers. In the presence of Major (DR.) Thompson and Capt Weinstock she refused twice to be examined. When I visted the family in commpay of Sgt Browning and L/Cpl Leger she could be persuaded by her mother to consent to a medical examination.
I found an old, vertical scar on the lower part of her body originating from the sterilization 4 years ago. (She is an idiot). There was no trace of any injury externally.

This is to state that Privat Henderson V.H. B18570 was competent and reliable in the discharge of duties, both in and out of action, and has always tried to carry out the tasks, asked of him in a soldierly way.

" L B Russell " Lt.
Pl Comdr #9 PL.
Royal Regt of Can.

STATEMENT IN MITIGATION ON FRATERNIZATION CHARGE

PTE HENDERSON

The accused B1857 Pte Henderson V.H. is 24 years of age - he joined the Cdn Army Active in Sept 41, came overseas in Jan 1942, and came into action in the European operational zone as an infantryman on 6 Jul 1944 and has been in action ever since.

In this case, it is submitted that the court must put out of its mind any reference to sexual intercourse, in the summary of evidence, was much as the statement to that effect was made by a person already found incompetent of giving evidence, so that on a plea of not guilty no reference to intercourse could have been placed before the court. The only facts to which the accused is pleading guilty are those which place him for a couple of hours in a German household, whether he had gone to procure eggs, during which time he drank some schnapps and fried some eggs. It is submitted that these facts can hardly be said to disclose a very serious charge of the non fraternization order.

Having served in the Cdn Army for over 3½ years a considerable portion of which was served overseas without a single serious offence, we now find the accused, as the result of a few minutes indiscretion, in a portion where he is liable to punishment for having been friendly with certain members of the local German civilian population. It is a well known fact that the Cdn soldier, is instinctively friendly, and the mere publication of an order, with its incidental sanctions, cannot be expected to change his nature overnight, Rather the effect of the order is to punish the soldier, who has risked his lefe for his country, for following his hereditary inclinations, not to punish the people who are responsible for his having to be in this country in the first place. No mere regulations can quench the naturally gregarious Cdn spirit and that fact is so well recognized that the non frat order has recently been modified so that fraternization with German children is no longer a contravention of it. It is generally accepted that this is only the first of a series of modifications in the order. It is also generally recognised that the Russian & Polish troops are not expected by their superiors to adhere to the letter of the non frat law. They have even gone so far as to authorize German - Russian football matches - the British papers have taken up the matter strongly, and accordingly it is probably only a matter of time until the orders will be altered to permit considerable latitude in connection with familiarity with German citizens. Were it not for the non frat order, the accused would stand completely discharged. It is submitted that it would be scandalous if the accused were, at some future time, to be undergoing a protrated sentence of imprisonment when, due to alterations in the non frat order, other soldiers were doing with impunity the same acts of which the accused is now pleading guilty.

Finally, the accused is very young - he is not a criminal in the accepted sense of the word and his army record discloses only a few minor offences. He has already spent 20 days in custody. Accordingly I would urge the court to bear in mind the words of MML P 60, "In deliberating on their sentence, a court martial should remember that the object of awarding punishment is the maintenance of discipline and that the proper amount of punishmentto be inflicted is the least amount by which discipline can efficiently be maintained."

E3

The J.A. advises the Def Offr that he now has the opportunity to call any witness to prove matters alleged in mitigation. The Def Offr said he understood this and declined.

Katharine VEITH, single, resident: Hohsberg 37, born 15 Feb 23 in Hohsberg.

At approx. 2330 hrs., 22 May 45 when I was sleeping in my bed I suddenly heard a noise at the door that aroused me. My parents got up to open the door. I heard how somebody outside told my parents that the daughters (my sister and I) should get up and I got up. I went into the kitchen and there were five soldiers of which there were one Negro and four White men. One of them who said he was an American asked me to sit next to him and when I did it, he put his arm around my shoulder and asked me to kiss him. I refused. Then he asked me to go outside with him. Then I wanted to run away and ran outside. One of the Whitemen followed me. He dragged me into the house into the corridor and shut the door. He and the Negro pointed the pistol at my chest and asked me if I was willing, yes or no and I said yes. I was greatly afraid. Then they took me into the bedroom and on the point of a pistol they forced me to undress. I cried: "Don't shot! Don't shoot!" The Negro went out. The other man took off his jacket, opened his trousers, lay down with me in bed and had sexual intercourse with me. And when he had finished, the Negro came in and did the same. After him came a Whiteman and raped me. After this-one came a fat-one (the driver of the car, they came in) and then the American. They all raped me, one after the other. Then came the one who raped me first and the Negro and raped me a second time.
Then they left the house. I stopped in the bed and told my parents weeping what had happened.

Hinrich VEITH, married, resident: Hohebarg 37, born 17 Dec 1883 in Ardorf.

At approx. 2330 hrs., 22 May 45 I was aroused by vehement knocking at the door. I got up and opened the door and five soldiers came in. In front was a Negro who carried a bottle of Schnaps (brandy) and a pistol in his hands. They came directly into the kitchen the door. My request of the soldiers my two daughters got up and dressed. and put the bottle and the two pistols on the table. My wife was with me when I opened The electric light was on in the kitchen. The soldiers sat down in the kitchen and at their request I drank with them. Then my wife had to get some eggs and they fried eggs on the stove. In the meantime my two daughters came into the kitchen and were very scared by the soldiers who handled their pistols and aimed at objects in the kitchen. Then I went out to look for the horses that were running free as they left the gate open when they drove through it. It was too dark and I gave up after a few minutes and went back into the house. One of the soldiers, a short, dark-haired one was outside with me. When I got back I noticed that the soldiers (one of them was the Negro) and my daughter Katharine were not there. I saw one soldier standing in front of the bedroom door. That and voices I heard I heard in the bedroom made me think that two soldiers and my daughter Katharine were in the bedroom. I heard her cry. I could not come to the aid of my daughter because I was afraid they would shoot me. Besides, they wanted me to go to bed. My daughter Hilde was sick with fear and went several times to the barn. Then I saw how the soldiers relieved each other in the bedroom. There were only two or three soldiers in the kitchen at any time.

At approx. 0130 hrs. they all left the house without saying anything.

When my daughter Katharine was two years old she fell down from the stairs and was injured on her head and as a consequence of that she remained an idiot. In 1942 she was sterilized in accordance with the German laws of that time because she is idiotic.

At approx. 2330 hrs., 22 May 45 when we all were already in bed asleep, I was woken up by vehemently knocking at the door. I sat up in bed and I could see a car through the opened bedroom door and the window opposite. Then my husband and I went to open the door. Five soldiers came in and I went quickly into the bedroom where my two daughters Katherine and Hilde were in bed. I advised them to stop in bed. When I was going back into the kitchen a soldier came out of it and said in broken German: "Girls get up!" The two girls got up and my daughter Hilde called out: "Mother, stay with me! I am so afraid!" I remained with her till she had dressed and went with her into the kitchen.
There were five soldiers of whom two were blonde, two dark-haired and one a Negro. They were in the kitchen: my husband, my two daughters and I. The electric light was on and I could see two pistols lying on the table and two rifles were leaning against the wall. I sat down and put my arm protectingly around my daughter Hilde. Her whole body was shaking with fear and I did everything to protect her who is the youngest as I realised I could not protect both my daughters. The soldiers drank of the Schnaps (brandy) they had brought with them. Then Hilde was sick and I went into the barn with her. When I came back I saw Katherine my other daughter sitting between two of the soldiers and I saw that they kissed her. After a few moments Hilde was sick again and I went out with her again. When I came back again the one who could speak German asked what was the matter with Hilde and I said that she was ill. The Negro got up and felt her forehead and pulse and said in broken German: "Not ill, only fear." Then he said something in English and they all laughed. Then they wanted something to eat and I got some eggs, fat and a frying pan and they fried eggs. They ate and I had to go out with Hilde again and again. Once Katherine came with us but one of the soldiers stopped her and didnot let her go into the kitchen again. I told Hilde back into the kitchen and there were my husband and three soldiers. I heard voices from the bedroom and amongst them I recognised my daughter's voice who cried: "Don't shoot!" Then they changed over in the bedroom and I saw that two of the soldiers were inside twice.
That went on till 0130 hrs., the next morning when they left without saying anything and drove off in the car I had seen previously. I then went into the bedroom and saw my daughter Katherine sitting in bed and weeping vehemently. The bed was all messed up and soiled and she had on a slip and pettycoat.
As a consequence of an accident she had when she was very young my daughter Katherine is idiotic and in 1941 she was sterilized according to the German laws of that time.

Miss Katharine Veith (VEITH), born 15 Feb 23, resident at Hamelburg was introduced to me for a medical examination. It is the case of a state after alleged rape by 5 (five) Canadian soldiers. In the presence of Major (Dr.) Thompson and Capt. Weinstock she refused twice to be examined. When I visited the family in company of Sgt. Browning and L/Cpl. Leger she could be persuaded by her mother to consent to an medical examination.
I found an old, vertical scar on the lower part of her body originating from the sterilization 4 years ago. (She is an idiot). There was no trace of any injury externally.

Statement — mitigation on fraternization charge.
(Pte Henderson)

The accused # B-1757 Pte Henderson V H is 24 years of age — he joined the Can Army active in Sept 41, came overseas in Jan 1942, and came into action in the Sicilian operations where he was an infantryman on 6 July 1943 and has been in action ever since.

In this case, it is submitted that the court must put out of its mind any reference to sexual intercourse, ~~mentioned~~ in the summary of evidence, inasmuch as the statement to that effect was made by a person already found incompetent to give evidence, so that on a plea of not guilty the reference to intercourse could then be replaced by the correct. The only facts to which the accused is pleading guilty are those which appear in the charge, namely, that he drank some schnaps and fired some shots. It is submitted that these facts can hardly be said to disclose a very serious breach of the non-fraternization order.

Having served in the Can Army for 3½ years a considerable portion of which was served overseas without a single ~~conviction~~ offence, we now find the accused as the result of a few ~~minutes~~ indiscretion in a position where he is liable to punishment for having been friendly with certain members of the local German civilian population. It is a well-known fact that the Can soldier is instinctively friendly, and the mere publication of an order, with its accidental sanctions, cannot be expected to change his nature overnight. Rather, the effect of the order is to punish the soldier, who has risked his life for his country, for following his hereditary inclinations, not to punish the people who are responsible for his having to be in this country in the first place. No such regulations can quench the naturally gregarious Can spirit, and that fact is so well recognized that the non-fraternization order has recently been modified so that fraternization with German children is no longer be contravention of it. It is generally accepted that this is only the first of a series of modifications in the order. It is also gradually recognized that the Russian & Polish troops are not expected by their superiors to adhere to the letter of the non-fraternization law

they have won your so far as to authorise German-Russian football matches. The British papers have taken up the matter strongly, and accordingly it is probably only a matter of time until the orders will be altered to permit considerable latitude in connection with fraternising with German citizens. Were it not for the non-frat. order, the accused would stand completely discharged. It is submitted that it would be scandalous if the accused were, at some future time, to be undergoing a protracted sentence of imprisonment when, due to alterations in the non-frat order, other soldiers were doing with impunity the same acts of which the accused is now pleading guilty.

Finally, the accused is very young - he is not a criminal in the accepted sense of the word and his army record discloses only a few minor offences. He has already spent 28 days in custody. Accordingly, I would urge the court to bear in mind the words of M.M.L. P 60:

" In deliberating on their sentence, a court martial should remember that the object of awarding punishment is the maintenance of discipline and that the proper amount of punishment to be inflicted is the least amount by which discipline can efficiently be maintained."

Ex. Sue Jo. admits that they offer has now had the opportunity to see any witness to prove matters alleged in litigation. She they offer sues by undersigned his and attorney.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Plea of mitigation of Punishment in the case of K#28330 Pte. Sanderson, E. G.

The accused pleads guilty to the charge of AWOL but has rather a peculiar story to relate in support of this.

For some time he has been having family trouble in that he wished a divorce from his wife and apparently could get but little satisfaction in this matter. Through unofficial sources he heard that if a soldier went AWOL his allowance that were assigned to his dependents automatically ceased. As he figured the Regiment to be only training for a scheme he took the opportunity provided to put this theory into effect.

Later, whilst in Scotland he heard that the Regt was moving and not wanting to be left behind he immediately reported to his Base at Brookham, to find that he was too late. There he surrendered himself in London.

The accused enlisted in the Active Service Force in Canada in July 1940 and has had no crimes since his arrival in England.

Since surrendering himself he has spent 46 days in custody and has gone through the proper channels to effect the necessary divorce from his wife through the Canadian Legion.

MEMORANDUM

K.42830 Pte. Kenneth, Gordon HENDERSON.
F.G.C.M.

It was noted by the court that exhibit "A" which is the certificate under Sec 163 (I) (J) of the A.A. described the accused as being K.41630 whereas he was otherwise described as K.42830. The accused was then recalled and in the presence of the Prosecution and the Defending Offr this defect was pointed out. The remainder of the certificate was also read to him and it was then pointed out to him that to remedy this defect might mean the necessity of an adjournment for a few days. On the other hand it was explained to him that he would have the privilege of admitting the certificate in that he was the person described therein. It was carefully explained to him by the court that he had nothing to fear and there was no promise of anything to be gained. Also that he did not have to make any explanation or statement. He was then given the opportunity of consulting with the Defending Offr and on his advise admitted that statement and its contents as true with the exception of the number which is apparently a typographical error.

President.

TRIAL OF

F-37040 PTE HENDERSON TB CIC - 10 CDN REPAT DEP

PROSECUTION

FIRST WITNESS

CAPT WL PERCIVAL, RCAMC, att to No 10 Cdn Repat Dep, sworn, states:-

Q. Were you attached to No 10 Repat Dep, "C" Wing on or about 30 Aug 45?
A. Yes, Sir, for about ten days.

Q. During that period did you miss certain articles?
A. Yes, Sir, quite a number of things - chocolate bars, underwear, socks, one towel and one of the things that made me very mad is that I lost a fruit cake which had come from home. There was also money that was missing.

Q. Did you take any steps to check up as to why these things were missing or as to whom might have taken them?
A. We had been missing things regularly, almost every day. On 30 Aug, we came in at noon-hour and we noticed that some things had gone, presumably during the last three hours. We went and saw the secretary of the mess committee and he called a kit inspection and we went through the kits of all the batmen, all the cooks and all the persons that had access to our kits in any way. When we went through the kits of all the other batmen we found nothing but when we came to the accused's kit, we found all sorts of things belonging to other officers as well as to myself. The accused was present during this kit inspection. We went into his room and the accused was there; we started to go through his kit. We found a pair of socks of mine which had my name on them. I recognized them as mine because I had sown a tag on them with my initials personally. These socks were right in the accused's kit amongst some socks which I presume were his own. We also found a towel of my own with a laundry mark on it, "PERL", which is the laundry mark for my name, "Percival"; in addition there were some underwears; I had one suit which just came over from Canada but which had not any name on it. I have an exact duplicate of these underwears. There was also a pair of underwears which he was wearing which were mine at the time we caught him.

Q. Do you recognize the accused in this Court?
A. Yes, Pte Henderson sitting over there (pointing to the accused).

Q. Are these the socks which you claim are yours?
A. Yes, Sir, and this is the small tag which I had sown on personally (pointing to a tag with the initials WLP on it); the initials are still there.

(SOCKS MARKED EX 1 BY THE COURT)

Q. Do you recognize these? (pointing to some underwears which the Pros Offr hand over to the witness)
A. Yes this is the suit of underwear which we found in the kit of the accused and which belongs to me; they are acutally shorts. These are also two suits of shorts of mine. When the accused was taken to the guard-room, he was stripped and searched in my presence and he was wearing this pair of underwear.

I asked him as I noticed them immediately inspite of their filthy condition if they were his and he said, "These are mine, these are my underwear." and I asked him if he was sure to which he replied, "Yes, I'm sure they are mine." I said "That's a funny thing, is your name Percival?"

(UNDERWEAR MARKED EX 2 BY THE COURT)

The witness said:-

This is my towel with the letters, "PERL", on it. It was found in the accused's kit all of which was laid out on his bed. We asked the accused where he got it and he gave a very indefinite answer.

(ONE TOWEL MARKED EX 3 BY THE COURT)

Q. Did you give the accused permission to borrow this kit?
A. I have never given any batman any permission to use my kit. I also never gave him my clothes to wash as he was not my batman.

Q. How many officers were there in that room?
A. Capts Aldous, Kent, Richards and myself, and Lt Poole.

CROSS-EXAMINED

Q. Did you see the accused take any of these articles?
A. No, Sir.

Q. Would you say that the only reason which led you to believe that the accused took these items is because they were found in his kit?
A. No, that is not the reason entirely, well I think it is because when I found him wearing my underwear and said they were his.

Q. Do you as a rule when you put a new or clean pair of underwear see if your name is on them?
A. I always know that I am putting on my own underwear.

Q. Is it sufficient for you to know they are the same type each time you put it on?
A. I always know they are my own.

Q. During the kit inspection when you were checking the accused's kit, was it on his bed or in his kit bag?
A. Some parts of his kit were on his bed, in his kit bag and some were in the cupboard.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

SECOND WITNESS

Capt GG ALDOUS MC, 48N RNR of Canada, att to No 10 Cdn Repat Dep, sworn, states:-

Q. On or about the 30 Aug were you missing certain articles ofkit?
A. Yes, Sir, I was missing a tobacco pouch.and some other articles. Prior to 30 Aug, I didn't notice that I had much missing but some of the other lads that were in my room with me had noticed that their kits had been opened and they did complain to the mess secretary and on Aug 30 when I came back at noon I found that my bed-roll had been tampered with and then I found that my tobacco pouch [redacted] was held.

After the kit inspection was over, several articles had been found in the kit of Pte Henderson whom I recognize in this Court as the accused (pointing at the accused). We accompanied the accused to the guard-room and at that time I asked the accused if he had a tobacco pouch and he said, "No." We came to the guard-room and he threw my tobacco pouch on the guard-room table.

Q. Can you identify the tobacco pouch?
A. Yes, it is the only pouch that I know like that. The pipe fits in the end. (The witness shows where the pipe fits in the end of the pouch) I had previously been looking for it. Previous to that I asked the accused if he had any tobacco pouch and hesaid, "None at all".

(TOBACCO POUCH MARKED EX 4 BY THE COURT)

The witness continues:-

That's all that happened on 30 Aug. On the next day, Capt Richards went down in the morning to the guard-room where I accompanied Him. Capt Richards had been missing several articles too. We was not present on 30 Aug. We examined the accused's kit. We went through it and that's when a handkerchief of mine came to light. It was picked up in the accused's kit by Capt Richards and he asked me if it was mine; I said, "Yes, it's mine." It had the initial "A" in the corner. This initial was embroidered. I recognize the handerkerchief as mine in this Court (pointing at a handkerchief on a table in the court-room)

(ONE HANDKERCHIEF MARKED EX 5 BY THE COURT)

Q. Did you have any other conversation with the accused?
A. No, Sir.

Q. Did you know the accused?
A. Yes, he is sitting over there in this chair (pointing to the accused)

Q. Did you know him before the 30th of Aug?
A. No, Sir.

Q. Did the accused have any reason to borrow your handkerchief or your tobacco pouch?
A. No, Sir; he was not my batman and I gave nobody permission to take these things.

CROSS-EXAMINED

Q. You say one of your handkerchiefs was found in the accused's kit?
A. Yes, Sir.

Q. Would you say that the only reason which led you to believe that the accused took this handkerchief is because it was found in his kit?
A. I have no idea at all, Sir. I think he took it because it was found in his kit.

Q. How many officers are there sleeping in your room?
A. Four others besides myself.

Q. Do either of these officers, Capt Poole or Capt Richards, sleep near you?
A. Yes, Lt Poole sleeps about four feet away from me, that is his bed is about 4 feet away from mine.

Q. Is it possible that at any time you could have placed some of your clothing on Lt Poole's bed?
A. No, as I keep all my clothes in my bed-roll.

Q. Is it possible that some of your kit could have found their way on Mr Poole's bed?
A. They could, yes.

Q. How long was your tobacco pouch missing?
A. I don't know how long it was missing; the last time I packed it away in my bed roll was on 30 Aug. I found it was missing on 30 Aug before the kit inspection.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83 (B).

THIRD WITNESS

LT JP POOLE MC, 4 BN RWR of CANADA, att to No 10 Cdn Repat, "C" Wing, sworn, states:-

Q. Were you stationed at 10 Repat around 30 Aug 45?
A. Yes, Sir.

Q. In "C" Wing?
A. Yes, Sir.

Q. Did you miss certain articles around that time?
A. Yes, a couple of pairs of grey socks and a suit of brown striped shorts, size 32, broadcloth material. They had never been worn.

Q. After these articles were missing did you take any steps to see if they could be located?
A. We informed the mess secretary and on 30 Aug there was a kit inspection of Pte Henderson's kit. The accused, Pte Henderson whom I recognize in this Court was my batman, was present at this kit inspection. We found the shorts in question.

Q. Can you identify the shorts? (showing the witness a pr of sh

Q. You recognized only one item amongst the accused's kit which belonged to you?
A. Yes, Sir.

Q. Did you see him take the shorts?

Q. The fact that he had access to your kit leads you to believe that he took them?
A. Yes.

Q. How long has he been your batman?
A. From 22 Aug 45 to 30 Aug.

Q. How did you leave your laundry for him to pick up?
A. It was tied together and left on the bed; I wrapped up my laundry in a shirt; there was no list made of the laundry at all.

A. Yes, Sir.

Q. On or about that time, did you miss certain articles?
A. I lost some money. One day I changed battle-dress and left some money behind and an issue watch and I missed both the watch and the money and after not being able to find it I didn't think I had lost any kit.but I found that I had lost some dress black hoses and a pr of fox puttees.

Q. Did these articles turn up eventually?
A. After the three offrs came back from the inspection on 30 Aug, I had a conversation with them and as a result of that conversation, I went to the unit guard-room and found the accused wearing my puttees; they are khaki puttees, Sir. I asked him if he had anything of mine and he said, "No.". I said, "Turn out your kit", as I was really looking for the watch. I told him to take my puttees off and he said they were not mine.

Q. Did he take off the puttees?
A. Yes.

Q. How could you tell they were yours?
A. The string that ties them is badly frayed about 2 to 3 inches at the end. Then I recognize in the kit a pr of black hose which were mine; they had been dyed from khaki to black by my batman.

Q. Are these your puttees?
A. Yes, there is a knot at the end too.

A. No.

Q. Did you ask him to wash your socks?

Q. Did you see the accused take these articles?
A. No.

A. There is a knot in the tape; I don't think anyone else does that.

A. No, anyone who has the coupons can buy them, Sir.

Q. Any offr in the Cdn Army could have fox puttees in his possession?

THE DEFENCE IS CLOSED.

STATEMENT BY THE DEF OFFR ON THE FINDINGS

In summarizing, the defence for the accused would like to bring out a few facts and go over the case once more. Now, I divided the case up in three sections; first is the section which envelopes all the articles of clothing;

There has been no proof given by anyone that the accused was seen taking these articles. The defence has shown that there was a possiblity for a batman to have in his possession articles not belonging to him and not necessarily to officers that he bats for. In this case they could have been mixed up in the officers' room; also they could have been re-arranged or mixed up in the closet in the batmen's room. As far as the puttees are concerned, I tried to point out that the puttees could belong to any officer. I don't know how much proof there is in the identification. However, the accused says that he got them from Lt Norwood and he has since left the camp. The question of the tobacco pouch is self-explanatory. The accused needed some tobacco and went and got the tobacco pouch; in the meantime there is a kit inspection called. I'd like to read one para of the MML to the Court. (The Def Offr quotes para 50, p. 118 of the MML to the Court).

STATEMENT BY THE PROSECUTING OFFICER TO THE COURT

I contend that it is not necessary for the prosecution or the Court to prove that the accused has actually been seen taking the articles to find him guilty of stealing the said articles. The accused, while he had not admitted that he stole anything, has admitted that he took the tobacco and pouch without permission of the officer, the owner. As far as the fox puttees are concerned, it is very unusual, unless he were in a rifle bn, to have such puttees; he has no right to wear them in the first place; he also could have returned the puttees by returning them to some officers, friends of Lt Norwood. The only witness that the defence called was one to prove that certain articles of officers' kits get mislaid. There has been indication in this case that these articles were in the cupboard; they were all found in the accused's kit; if they had been found in the cupboard, it would be a different story. The articles were all private and personal articles made by commercial firm. I think that the accused has been in the army long enough to know that he is only allowed to have army kit in his kit; the accused knew that the articles were not his by the identification tags and initials on the articles and he made no effort to return them or to attempt to find their owner; he said he knew they were not his in certain cases and he said that on oath.

In making plea of mitigation for F-37040 Pte HENDERSON, T.B., I would ask the Court to consider this man's background and record of War Service.

F-37040 Pte HENDERSON, T.B. was born on 18 Aug 27 and only last month turned 18. He stopped school at the age of 11, having reached Grade V, because his family could not support him. He worked at odd jobs from the age of 11 to 13. At age 13 he started at regular work and shovelled coal for six months prior to employment in a Fish Plant. At age 14 he joined the Merchant Navy and made over twenty trips on the Halifax - Manchester run through U-Boat infested waters. At age 16 he joined the Army, giving his age as 18. His mother re-married when he was a baby and he has lived in a house with six other children of varying ages, and as his father's occupation was Merchant Seaman, and away from home for long periods, he did not get proper upbringing and training. The poor financial condition of the home made it necessary for his mother to seek employment in a factory in order to keep the family alive. She worked until failing health prevented her from doing so. Recently Pte HENDERSON, T.B. has been trying to finance a serious operation which she requires. His PULHEMS are 2Z lllll2l. With his lack of training and low mentality, I submit that the Court cannot demand the same standard from this boy as it would of a normal soldier.

I submit to the Court that this youth's age and background be given every consideration and that he be dealt with as leniently as possible.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of F37040 Private Thomas Burton HENDERSON, Canadian Infantry Corps, on the strength of No 10 Canadian Repatriation Depot, a soldier of theCanadian Army Overseas.

By direction of the Commanding Officer the Summary is taken on oath.

FIRST WITNESS: for the Prosecution — Capt W.L. Percival, Royal Canadian Army Medical Corps, attached to No 10 Canadian Repatriation Depot, an officer of the Canadian Army Overseas, having been duly sworn, states:

I am Capt W.L. Percival and am attached from No 1 C.G.H.U. to No 10 Cdn Repat Dep. I live in a room with Capt G.G. Aldous, Capt H. E. Kent, Capt R.W. Richards and Lt J.H. Poole. The accused, F37040 Pte Henderson T.B., whom I now recognize, was a batman for Lt Poole and Capt Kent up to the 30th Aug 45. The door to the room is not locked at any time. I have noticed since coming to 10 Cdn Repat Dep quite a number of personal articles disappearing from among my belongings almost every day. These articles included chocolate bars, socks, underwear, a towel, and money. On the 30 Aug 45 I noticed again that articles were missing: even from an old grip which I keep locked, but which can be readily opened by a would-be theif. Several other offrs who are living in the same room also had missed new articles, and it was decided to call a kit inspection. On 30 Aug 45, the kit of the accused was examined in my presence and I noticed a pair of socks which were mine, and were identifiable by a small tag of cloth in which my initials were still visible, and which I personally had sewn on. Further search revealed a towel shown to be mine by the word "P.RL" printed on it by laundry markings. There were also two pairs of underwear shorts which did not have my name in them, but I am able to produce exact duplicate in size and make, which are my own. I know these are my own underwear. When the accused was searched by the Unit R.P.'s I noticed the underwear which he was wearing looked familiar in spite of the filthy condition they were in. I asked the accused if they were his. He said, "Those are my underwear, I know they are mine". I asked him if he was sure they were his and he said, "Yes, I am sure they belong to me". I then pointed out to him that my name was clearly printed on the underwear in indellible ink and asked him, "Is your name Percival by any chance?". The accused had nothing to say so I placed the underwear in question with the other evidence. The other articles which I have missed have not yet been found. I produce the pair of socks, the towel and the last mentioned underwear shorts which are tied together and marked Exhibit "A".

The accused declines to cross-examine this witness.

SECOND WITNESS For the Prosecution — Capt G.G. Aldous M.C., 4 Bn R.W.R. of Canada, attached to No 10 Canadian Repatriation Depot, an officer of the Canadian Army Overseas, having been duly sworn, states:

I am Capt G.G. Aldous of the 4 Royal Wpg Rifles and at present attached to "C" Wing, No 10 Cdn Repat Dep. I live in a room with Capt W.L. Percival, Capt H.E. Kent, Capt R.W. Richards and Lt J.H. Poole. The accused, F37040 Pte Henderson T.B., whom I now recognize, was batman for Lt Poole and Capt Kent up to the 30 Aug 45. At approx 1230 hrs on the 30 Aug 45, I returned to my quarters and found that my bed-roll had been tampered with. I checked my kit and found several articles

missing. These included my tobacco pouch, some shirts and Handkerchiefs. As several other Offrs had also missed article s of clothing, a kit inspection of the accused was called at which I was requested to be present. I did not find any clothing I could identify. I then accompanied Pte Henderson, who was under escort, to the Unit Guard Room where he was searched by the Unit Provost. My tobacco pouch was produced by the accused from his pocket at this time. I now produce the tobacco pouch marked Exhibit "B". Then on the morning of 31 Aug 45, I accompanied Capt R.W. Richards while he checked Pte Henderson's kit. At this time one of my handkerchiefs with my inital "A" embroidered on one corner was found in the accused's kit. I now produce this handkerchief marked Exhibit "C".

(G.G. Aldous) Capt

The accused declines to cross-examine this witness.

THIRD WITNESS — Lt J.H. Poole, M.C. 4 Bn R.W.R. of Canada, attached to No 10 Canadian Repatriation Depot, an officer of the Canadian Army Overseas, having been duly sworn, states:

For the Prosecution

I am Lt J.H. Poole of the 4 Royal Wpg Rifles and attached to No 10 Cdn Repat Dep. I live in a room with Capt W.L. Percival Capt H.E. Kent, Capt G.G. Aldous, & Capt R.W. Richards. On 29 Aug 45 on looking through my kit bag, I found that two or three pairs of grey socks as well as a suit of brown striped under shorts size 32 were missing. On 30 Aug 45, I attended a kit inspection of the equipment of F37040 Pte Henderson T.B. whom I now recognize and who is my batman as well as the batman for Capt Kent, and found the shorts, brown stripped amongst his personal kit. The shorts in question have never been worn and are of a broadcloth material. Laundry taken on the 28 Aug 45 by the accused definitely did not contain the shorts in question as I personally checked my laundry on the 28 Aug 45. I produce the shorts marked Exhibit "D".

(J.H. Poole) Lt

FIFTH WITNESS — Capt R.W. Richards, HQ CRU, attached to No 10 Canadian Repatriation Depot, an officer of the Canadian Army Overseas, having been duly sworn, states:

For the Prosecution

I am Capt R.W. Richards of H.Q. CRU, and attached to No 10 Cdn Repat Dep. I live in a room with Capt H.E. Kent, Capt G.G. Aldous, Capt W.L. Percival and Lt J.H. Poole. The accused, F37040 Pte Henderson T.B., whom I now recognize, was batman for Lt Poole and Capt Kent up to the 30 Aug 45. On 30 Aug 45, at Fairmile Camp, I had noticed various articles had been missing from my kit, which had been ransacked. The kit of the accused was searched in front of me in the Gd Room of "C" Wing, No 10 Cdn Repat Dep on 31 Aug 45. A pair of my brown woollen socks were among his effects. The accused had never been employed as my batman and had no right to be in possession of my socks. I am positive the sockks mentioned are mine as they were specially knitted for me at home. I now produce the brown socks marked Exhibit "P".

R.W. Richards Capt
(R.W. Richards) Capt

The accused declines to cross-examine this witness.

The accused was cautioned as follows: Do you wish to make a statement or to give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but anything you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused declines to make a statement or to give evidence on oath.

I certify that the foregoing Summary of Evidence consisting of THREE (3) pages was taken down by me in the presence and hearing of the accused and that rules of procedure 4 (c) (d) (e) and (f) have been complied with.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). being duly sworn, is examined by the Pros:—

Q Are you as above. A Yes. Q Were you orderly clerk for 81 Fd. Bty. A I remember the night of 19 Aug 45. Q On this night Gnr. Goulet & I caught the accused & another soldier Gnr. White going thro' the kit of Gnr. Goulet. At approx 2215 hrs I stepped out of Q M stores & saw that room was tampering with the 81 Bty orderly room window & looking in cautiously. I observed what I thought came from the 81 Bty orderly room so I turned back into Q stores & called to Gnr. Goulet to come with me. On approaching the building we saw the light came not from orderly room but from Bty Comds office which was just next door to orderly room. We saw thro the window Gnr. White & the accused standing in front of a locker which was open & which contained Gnr. Goulets equipment. Gnr White had in his hand a brown leather shoving kit & the acc. who was standing on White's left, had in his hand a large pack which I thought he was in process of opening. Gnr Goulet went into the Bty Comds office immediately & I unlocked door in orderly room to see if anything had been touched in there. Nothing had been disturbed so I went into the battery Comds office. Gnr Goulet asked the acc & Gnr White for an explanation why they were there & what they

were doing. The acc answered that he thought the equipment was officer's equipment & not Goulet equipment. Gnr. Henderson was then made to turn the contents of his pockets on the floor & there was nothing there that Gnr Goulet claimed as his. Gnr. Goulet & myself then made the acc search white from whose shirt pocket was removed 3 packages of cigarettes & one pipe & nailfile came from white's pocket. Lying on the floor at accused's feet was a large pack which was open and the contents looked as though they had been rummaged thro. Lying beside the pack on the floor were a pair of brown socks. On the table was the shaving kit which I had seen previously in white's hand when I looked thro' window. Gnr. Goulet left the room & returned with R.O.C & R.O.S. He left room because I phone did not work Sgt. Rowley, the Bty O.S came down & talked with R.O.S & R.O.C & then placed Gnrs White & acc. under arrest. I sleep normally in Bty office. I had a clear view thro' Bty Comdrs office as windows were not fogged at all, but had fallen in and were very wet & there were clear places where you could see thro quite clearly. Gnr. Goulet said home in the presence & hearing of acc that the acc had some pipe tobacco of his, but I did not see any on acc. I did see two flat tins of Edgeworth tobacco in Goulets cupboard.

The acc. was sober in my estimation.

XX

I had a thorough look around Orderly room. I may have been 2 minutes in there. It may have been less or it may have been more than 2 minutes. When I went into Comdr. Office, Henderson was standing ~~at the~~ beside the locker & almost the same position as when he was when I saw him from outside Grs. White was half sitting on table on other side of room. Gnr. Goulet was midway between the two. Goulet was arguing with both men when I came in. I noticed a fleck of fresh blood on each corner of the mouth of Henderson. I couldn't say if Goulet & Henderson had been fighting. When I first came in they were still arguing. Acc. kept repeating that he thought it was office kit. I didn't search Henderson. We told him to turn his pockets out. Remember the Summary of Evidence. It is true that I compelled search by making him feel himself. I am satisfied he had nothing on him. When I entered room I did not hear Goulet accuse acc of stealing pipe tobacco. I heard that after I entered room. At time I came in Goulet was in front of cabinet, & while he was arguing with them he was rummaging some of his kit. The acc. had no right to be in the office.

Second entries for Prosecution

D 3967 Gnr. Goulet J. 14 Cdn 7d Regt RCA being duly sworn is examined by Pros:

I am as above. I am employed as DR & Room Orderly in 81 Bty offices & Bty Comds's office. I remember the night of 19 Aug 45. On that evening at approx 2015 hrs Gnr. Duncan & myself saw a light which I thought came from battery office. However on getting outside we saw that it came from Bty Comds office right next to Bty office. On passing in front of office I could see Gnr. Henderson, the acc, and Gnr White who were standing thro' my bit. Immediately went inside & into the office & asked the acc what he was doing there. He ~~would~~ said "I didn't know it was your stuff. I thought it was an offis's stuff." I searched the acc & on his person I found 1 tin of Players Gold Leaf pipe tobacco & also 1 tin of cut Golden Bar pipe tobacco & two packages of sweet Caporal cigarettes. All these were inside his shirt. After I finished searching the acc. I provided ~~to search~~ acc search White and found on White some of my property. I asked Gnr Duncan to contain the guardroom & as he could not reach them. I went & got the OC & ROS who came back with me. The two tins of tobacco were of ordinary type. I had 1 tin of Players Gold Leaf pipe tobacco & 1 tin of cut Golden Bar

pipe tobacco and two packs of sweet Capnal cigarettes in my cupboard. There were also three packages of Macdonald Export cigarettes in my cupboard. There was also in the cupboard 1 package of old Virginia pipe tobacco. There were two packages of Edgeworth pipe tobacco in my small pack. I had last seen these articles that same evening after supper approx 1900 hrs. The Players Gold Leaf pipe tobacco + Cut Golden Bar tobacco + cigarettes were on the shelf in the cupboard at 1900 hrs. When I came in at 2215 hrs the two tins of tobacco, ie the Players Gold Leaf + the tin of Cut Golden Bar pipe tobacco, two packages of Sweet Cap. cigarettes, 3 packages of Macdonald Export cigarettes, a pipe and a nail file and also 50 Players cigarettes were missing, when I checked. On acc. of person I found 2 tins of pipe tobacco. These tins produced I believe to be the two tins I found on acc.

2 tins of tobacco produced + marked exhibits "A" + "B", initialed by Pres.

Exhibits "A" + B look identical with the two tins I had in my cupboard at 1900 hrs + which were not in my cupboard at 2215 hrs or shortly afterwards.

The two packages of Sweet Capnal cigarettes which I found on acc were identical in all respects to the two packages I had in my cupboard which were missing. I smoked these cigarettes after I took them away from

acc. When the tobacco & cigarettes were removed from acc I don't know whether Gns. Duncan was present or not. The acc is just a member of the Bty as far as I'm concerned. acc had absolutely no yat tobe in Bty Comdr. Office, as it is out of bounds to personnel of battery who are not on duty. I am the room orderly. I was supposed to sleep in Bty Comdr. Office, but I had not as yet moved in my bed. That is why my hat was there. When I came into room the acc seemed to be quite sober. When I removed the 2 lbs of tobacco from acc they were placed on table in Bty Comdr's office

XX

Beside the tobacco which I say was stolen I had, on shelf in cupboard, ~~2 packages~~ 1 package of old Virginia pipe tobacco & in my small pack I had two packages of Edgeworth tobacco. The tobacco said to be stolen was all on shelf beside the package of old Virginia. I felt inside of acc's shirt. I remember seeing through his shirt. I don't remember seeing his pockets, but I believe I told him to empty his pockets, but I'm not sure. I don't remember whether Gn Duncan was in room. I don't remember asking Henderson to put his own pockets. I just saw them when missing from cupboard. Acc looked very surprised when I came in. I ran in. acc's mouth was swollen. I hit ~~Gunner~~ acc. I went into room, and asked the

acc. what he was doing. He did not give any reply for a moment, then he said "I did not know it was your stuff, I thought it was officials stuff" He also said he was sorry. I looked in the cupboard & I could see my cigarettes & pipe tobacco were missing & my pit was down floor & in bottom of cupboard. Then I hit the accused. The acc. did not put up a fight. Then I took off the articles off acc I hit white too I don't remember if I hit White before or afterwards I took articles off accused. I could see lumps in accuseds shirt. Most likely I told acc to empty his pockets. After I put cigarettes & pipe tobacco on table a lot of things happened & Jim Duncan was around. I remember asking acc to search White; this was after placing pipe tobacco on table I remember there were a few things on floor ~~after~~ I told Anderson to empty White's pockets. ~~I don't remember if~~ I couldn't say for sure if Duncan asked me if anything in pile on floor belonged to me. The Edgeworth were not on shelf in cupboard. I saw them when I checked my ~~pit~~ case what was missing. I saw acc in canteen earlier sitting down drinking beer. I couldn't say whether they were sober or not. At the summary of Evidence I did say that earlier in the evening they were not sober. I was under oath. I do not wish to

Cont'd. that answer, but I didn't mean to say that when I saw them in Pyt Canteen that they were drunk, but whether they were sober, drunk in Canteen I don't know. When I saw acc in office in my opinion he was sober, but had been drinking. I had no quarrels with acc before this. I don't know acc as a member of Bty. I have no feelings against him. Acc. told me that he was on report days next morning in the Bty Comdr's office.

J.A.

The acc did not object to tobacco & cigarettes being taken off him by me. He did not claim them. I don't think Klein was in room when I took tobacco off his person.

Court

After he said he didn't know it was my stuff, he said he was sorry. He was repenting of the fact in the cupboard, I think.

Submission of No Prima Facie case.

There are two witnesses one of whom is reliable & one who is not so reliable. Duncan says when he entered room Goulet was still dancing with acc. Duncan then states that he was ordered to empty pockets & empty pockets on floor. He also stated he assisted in search of Henderson.

Goulet's recollection is very hazy. He also had a fight with acc - reluctant to tell about it. He then claims he found articles on accused. It seems weird that these articles were not seen by Duncan. Goulet was not sure if acc was made to empty pockets or not. Goulet contradicted himself on Condition of acc in car here. Goulet most unreliable. Goulet probably inflamed & not impossible that he tried to plant articles on acc. Taking into acc. comparable reliability

Answer of Pros.

Goulet was confused on certain points. But the main points on which case rests, he is quite definite. He had previously seen articles & when he searched he put in presence of acc they were missing & on person of acc he found identical articles. Ample support evidence.

I was in reg canteen on 19 Aug 45. I recognize the acc. He was in canteen. I was seated at his table. Acc. was drinking beer first & then open a bottle he had a bottle of blueish liquid which he had a drink of. I believe one person said it was a concoction of methylated spirits. I left at approx 9 O'clock. I didn't notice if acc. was drinking this liquid when I left, but I know he was still drinking beer. I couldn't say if anything was left in bottle when I left. I would say acc. was feeling very good when I left.

XX. I am not a personal friend. I have known him since we both were in Hoves. I have had a few beers with him. I don't know him well enough to know if he is type liquid upsets easily. I can't say that I've seen him had too much. It takes a lot of beer in reg canteen to upset a person. There was no label on bottle. It could have been a medicine bottle or a same bottle. It was a fairly small bottle. Approx held 12 to 14 oz. They were drinking it right. I know of no drinks of a blue color. When I last saw acc I wouldn't say he was drunk. He was still carrying on a conversation.

14 Can Fd Regt being duly sworn is examined by Def Offr:-

I saw acc. in wet canteen on night of 19 Aug 45. I was at same table. The acc. was drinking what looked like methylated spirits. He had been drinking beer. I left about 9 o'clock. At that time acc. was under influence of liquor.

XX. I have known acc. about a month. I have never gone out with him. I say he was under the influence because I saw him drink several drinks of this liquid. I would not say he was drunk but his actions looked as though he was under influence. - Talking freely. He had a slight stagger when he was walking. I think he went to laundry once. - He had a slight stagger. - There were no other indications.

R.P. 83 (b) complied with.

Closing address by Kly Off.

The only evidence addduced by Crown in support of the chages is evidence of Goulet. The reliability of this witness must be seriously questioned in view of not only his manner in answering questions, but also the fact that the evidence he gave in connection with the sobriety of the acc. did not agree with evidence he had previously given in Summary of Evidence. Also it seems that Gnr. Goulet got into a short fight with acc. before the claims to have found certain of his possessions on acc's person. It might well be Goulet became inflamed & pretended he found certain articles on acc's which were not actually there. The evidence of Gnr Duncan would seem to be reliable & seems to support this contention. Duncan claimed when he called Bty Comds. office Goulet was still questioning the two men. It would seem thereafter that the fight had just subsided & that Gnr. Goulet was preparing to search the two men. In fact Duncan's evidence states that acc was made to turn out his pockets on floor & that his body was felt over nothing was hidden — and in fact nothing was found. Duncan also stated that he did not see anywhere in room, the 2 tins of tobacco & cigarettes allegedly found on accused. The only tobacco he saw in room were 2 tins of Edgeworth which he saw in cupboard.
In view of this evidence I believe the Court must come to conclusion that acc is not guilty of both chages. Gnr. Henderson on the evening before leaving for Canada apparently decided to have a celebration in course of which he was eventually found in drunken condition in his Bty

Coroner's office. As the evidence of the prosecution has not proved the acc was in possession of articles which did not belong to him, the acc. should be found not Guilty.

Closing address of Pros

Two witnesses saw acc in Bly Condis room when he had no right to be. Two witnesses saw him going thro a kit in that room. Goulet swears that he found the tobacco & cigarette corresponding to that was missing from his kit on the person of the acc. Then were then hands altogether & it would be a great coincidence if they happened to correspond to the then missing hands. Hen can did not recall seeing the loss of tobacco & cigarettes but that is not unlikely in the excitement. All then witnesses state the acc to be sober. Goulet was neither a friend nor enemy of acc & it is exceedingly farfetched to believe that he would try to frame him. The only defence is that of drunkenness which could be a reason but not an excuse. ~~The acc made no complaint of~~

~~time of assault~~

At

On the afternoon of the 19th of August I bought a bottle of what is known over here as ouzo, which I proceeded to drink in celebration of my good fortune, for on the 20th of August, which was the next morning I was on repatriation draft. I had waited over four years for that eventful day, the day I would be released from the army. I was feeling in a very **** spirits, and in a mood for more celebration, so I headed for the grosscantine, where I met quite a few of the boys I knew, and who knew I was on draft, they all insisted on buying me a drink. Two boys from 12th field bde whom I do not know gave me three drinks of gin. Needless to say I accepted all drinks, buying quite a few myself. Later I met Gnr White in the canteen after a few rounds of beer, Gnr White ordered a bottle of methylated spirits, then and running to be any other kind here around, I good naturedly and very fondly accepted the invitation. I remember drinking the first bottle and going for a second one, but I don't remember finishing the second bottle. I awoke the next morning,

not to find my self on draft, but on the guard room charged with theft. I cannot understand even with my mind crazed with poison alchohol, why I would ~~stoop~~ lower, and degrade my self by stooping so low, after hearing my statment, and the evidence against my self for review. I ask the court to take into consideration the fact that I have given over four years of the best part of my life to the army, and want only to get home, where I can live more like a normal life, with my wife and child.

DU7481 Leon V. Henderson

Statement in Mitigation

There is little I can add to statement of acc. I would like to draw attention of Court to fact that when acc. joined army he could hardly write his own name. During term in Army he has learned how to read & write but has studied arithmetic & spelling. His conduct sheet is not clear, the only ones are AWL & loss of Pit. Surely serving no good purpose, to punish a man with a long prison term, who on night before leaving for Canada, decided to celebrate, became drunk & eventually found in a room accused with theft. He has never been charged with dishonesty during his career in Army. Surely he must be treated as leniently as possible for guilty so drunk & not realizing what he was doing. Heavy prison sentence would make civil life more difficult, but also seriously affect life of wife & child waiting so long for his return. Already the acc. has had to write to his wife to say that his return that looked so close, must now be delayed because of this trial. I hope the Court may find it possible to make this delay as short as possible.

Summary of evidence in the case of D 118481, Gnr. Henderson, V. 14th Field Reg't. R.C.A., 81st Field Battery.

By the direction of the Commanding Officer, the summary of evidence is taken on oath.

First Witness: D 7516, Sgt. Rowley, W.C. 14th Field Reg't. R.C.A., 81st Field Battery.
having been duly sworn states:

That I, Sir, in the Field, on August the 19th, 1945, was B.O.S. At approximately 2245 hours, I heard there had been a disturbance downstairs. I went to investigate and I met Gnr. Goulet, who told me that he had caught Gnr. White and Gnr. Henderson stealing tobacco and certain articles from his kit. I saw his equipment strewn on the floo.
The Orderly Officer was there at that time and after talking it over with him I placed Gnr. White and Gnr. Henderson under close arrest. Sir.

Cross examined by the Accused:
Q. I would like to ask Sgt. Rowley who was acting as Orderly Sergeant, if at the time and place mentioned, we were noticeably under the influence of liquor?
A. Sir, They had been drinking. I think Gnr. White had been drinking, and and they had been drinking, but knew what they were doing.

W.C. Rowley

Second Witness: D 3967 Gnr. Goulet, Y. 14th Field Reg't. R.C.A., 81st Field Battery.
having been duly sworn states:

That I, Sir, in the Field, on August the 19th, 1945 at approximately 2215 hours, Gnr. Duncan, W.A. brought my attention to the fact that the lights were on in the 81 Battery Office. We immediately ~~xxxxx~~ went out and on getting nearer the building we found that the lights were coming from the Battery Commanders Office. Then I immediately went in the building and into the office and found Gnrs. White and Henderson who had in their hands my large pack and who were searching through it and on their persons I found cigarettes, pipe tobacco and other of my personal belongings such as my pipe, nail file, and that's all I found. I went over to R.H.Q. and informed the Orderly Officer of what had taken place. Then the Orderly Officer and the Orderly Sergeant came over.

Q. Why was your kit in the Battery Commanders Office?
A. Because I am the room orderly for the Battery Commanders Office and the Battery Orderly Room.
Q. Will you specify which articles that you state above, you found in the hands or on the person of Gnr. Henderson.
A. On Gnr. Henderson, I found two packages of Sweet Capsoral cigarettes and also two tins of pipe tobacco. That is all, Sir.

Cross examined by the accused:
Q. At the time and place mentioned, were we, Gnr. White and myself under the influence of liquor?
A. I had seen them in the Regimental Canteen, earlier in the evening and they were not sober.

Y. Goulet

Third Witness: K 68912, Gnr. Duncan, W.A. 14th Field Reg't. R.C.A., 81st Field Battery.

having been duly sworn states:

That I, Sir, in the Field, on the night of August 19th, 1945, at approximately 2215 hours, noticed that the light was showing from what I thought was the Battery Office. Being the clerk in charge of the Office, and knowing that the light should not be on, I called Gnr. Goulet, to go over with me and investigate. We found on approaching the office that instead, it was the Battery Commander's Office. We looked through the window, and could see Gnrs. Henderson and White rummaging through the personal equipment of Gnr. Goulet. Gnr. Goulet went into the office immediately, and I followed him on. Gnr. Goulet asked them what they were doing there, and they could give no reasonable answer. Both parties had articles of Goulet's kit on their person, namely cigarettes, pipe tobacco, pipe and nail-file. Gnr. Goulet then went over to H.Q. to inform the Orderly Officer.

Q. Will you specify which of the articles you found in the hands or on the person of Gnr. Henderson.

A. I found nothing in the hands or on the person of Gnr. Henderson, Sir.

Q. Did you search or assist in the search of Gnr. Henderson.

A. Yes Sir, Gnr. Henderson was made to take everything from his pockets and his body felt to see that nothing was hidden and there was nothing there.

Cross examined by the accused:

Q. At the time and place mentioned were we, Gnr. White and myself under the influence of liquor.

A. Sir, I would say that Gnr. White was under the influence of liquor, but not drunk, and that Gnr. Henderson may have been drinking, but that his actions and his speech at the time mentioned was coherent.

Gnr. Duncan, W.A.

The accused was cautioned as follows:

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given in evidence.

The accused declined to make a statement.

Certified that the foregoing summary of evidence, consisting of two pages was taken down by me in the presence and hearing of the accused, and that rules of Procedure 4 (c) (d) (e) and (f) have been complied with.

re statement in mitigation of punishment
in the case of D 118481 Gnr. Henderson, J.

The accused, having pleaded guilty to both charges, wishes me to make this statement on his behalf, before the Court adjourn to consider his punishment.

I would ask the Court to consider first the evidence submitted by the prosecution, namely Form A.F.B. 255, and Form A.F. A. 6. This evidence discloses but two minor offences in nearly two years of service. One offence was awarded an unusually severe punishment. I refer to the entry where 20 days Field Punishment and 20 days pay was awarded for an absence of only 1 day, 22 hours. Henderson tells me that this absence took place during a period of training and not at a time when he was in a position of responsibility such as on a gun site.

For the offences to which Henderson has just pleaded guilty, he makes no excuse other than being "fed up" due to reasons, some times within his control at other times not. He had had no leave in England since Dunkirk. Having come safely to Land at the end of March and being unable to get leave at the moment he went ahead and in due course surrendered himself in a soldierly fashion. He now stands before the Court ready to take his punishment as a soldier.

I ask the Court to give full consideration to this man's good record, his willingness to accept just punishment for his offence and his desire to return eventually to his unit to do his job as a soldier.

Plea of mitigation for D118481 Pte Henderson V.

Pte. Henderson has pleaded guilty to the charge of being absent without leave, and is prepared to undergo his punishment. But I would like to point out to the court the circumstances that led to his offence.

He received word from his family doctor that his wife, living here in England, was dangerously ill from a nervous break-down. He asked for and was granted a mere 3 days compassionate leave. He found his wife in a far more serious state that he realized, and asked for an extension. This was granted, but he was given only an additional three days, but which time had to be spent in travelling back to his unit. Having endured similar sickness in the past in his family he was well aware how serious it might be for his wife, especially due to the fact that they have a five months old son.

Pvt. Henderson has been overseas well over three years, and during that period of time has had no serious crimes. He is categorized fully trained, and desires to be sent into action as soon as possible.

In addition Pvt. Henderson gave himself up voluntarily, and did not have to be arrested by military police.

TRIAL OF

F.96666 Pte William Erskine HENDERSON --- 1 Cdn Repat Depot

PROSECUTION

FIRST WITNESS

K.40935 Pte Rozander J., on strength of 1 Cdn Repat Depot (4 Wing), sworn, states:-

My job is with the Auxiliary Services in Ontario Camp and on the morning of 10th Oct 45 I was with Pte Henderson.

Q. Is Pte Henderson present now?
A. Yes, sir (Witness indicates accused).

We went to Hindhead to get the morning papers at approximately 0830 hrs on 10th Oct 45 in W.D. vehicle CM-164543. I was riding in the front seat and Pte Henderson was driving the vehicle. Upon returning from collecting the papers we passed a slow moving or stationary English van. When we passed and were turning into our left side of the road our vehicle went into a skid. The driver tried to straighten out but our vehicle went over the curb, struck a tree and then turned over into another tree about 10 or 15 yards away. There was no trouble with the English van. We were going approximately 35 to 40 miles an hour and the English van, if it was moving, was only going 5 or 10 miles an hour. This was down on the Portsmouth Road right in front of the Bramshot Hospital. The road was straight but the surface of the road was slippery.

Q. Was the road wet from rain?
A. No, sir, but as it was early morning the road was covered with a sort of mist.
Q. What type of vehicle was it?
A. It was a Ford Chad.
Q. What did you think made you skid?
A. Our tires were in poor shape. They were worn quite smooth and were baldheaded. After we got out of the car I went around one side of it and I noticed the front tire was flat and there was a hole in it although the fender was not jammed into it. If we had been speeding at all we would have landed up in the hospital pretty seriously hurt. He tried his best to stop and avoid the accident but could do nothing on account of the tires. I have been in the workshop quite a while and tires half as bad are condemned. Anybody who had the vehicle should not have loaned it out. He reported the tires to our Transport Sgt before the accident. Neither of us were hurt in the accident.

CROSS-EXAMINED

Q. You mentioned a curb on the side of the road. Is that a curb in the general sense of the word, such as you would find in city streets?
A. No, sir. There is only a cinder pathway on the side of the road and the road goes into a kind of a slant on the cinder pathway.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS

A-68012 Pte Jewell, M.D., on strength of 22 Canadian General Hospital, sworn, states:-

On the morning of the 10th Oct 45 I was proceeding on leave and was in front of No 22 Canadian General Hospital about 0810 hrs. I saw a station waggon coming down the road from Hindhead pull out to go by an English commercial vehicle which was proceeding in the same direction. The English vehicle was going about 15 miles an hour. When the Canadian station waggon pulled out to go by I saw it start to skid as it started to turn in in front of the vehicle. He was out of control and hit the concrete curb on the left side of the road. The station waggon grazed a tree and ended on its side beside me. The station waggon was travelling about 35. The condition of the road was fairly wet. It was a wide road.

Q. Were the English van and the station waggon the only two cars you could see?
A. Yes, sir, there was nothing else on the road.

CROSS-EXAMINED

Q. In connection with this curb. You mentioned a concrete curb. Can you describe it?
A. The road had an asphalt surface and as far as I remember the curb is seven or eight inches high but it slants up from the road.
Q. What caused the accident?
A. I could not say, but the tires were worn down smooth for one thing and they could not get much traction.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

THIRD WITNESS

Supervisor Sparrow, N.A., on strength of 1 Cdn Repat Depot (1 Wing) sworn, states:-

On the morning of 10 Oct 45 Pte Henderson was driving vehicle CM 164543 and was working for us picking up the papers. I saw the scene of the accident and took the measurements.

Q. What measurements did you take?
A. The measurements of the skid marks, from where they started to where they stopped at the curb, were 55 feet long.
Q. How wide was the road there?
A. The accident occurred in front of 22 Canadian General Hospit al on the Portsmouth Road. It was a straight road with possibly a slight slope downwards.

CROSS-EXAMINED

Q. This vehicle was on loan, was it not?
A. I borrowed this vehicle from the Senior Supervisor of Auxiliary Services and I expected to get another one to take its place in a day or two.
Q. What was the condition of the tires?
A. I noticed at the accident that they were completely bald and there was no tread on any of them.
Q. How long had you been using this vehicle?
A. Between a week and two weeks.
Q. Had you any trouble with it skidding before?
A. I did not notice it.
Q. Did you make any attempt to have the tires changed?
A. No, sir.

CROSS-EXAMINED (CONTINUED)

Q. Were any complaints ever made to you about the tires?
A. No, sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

PROSECUTION IS CLOSED

DEFENCE

FIRST WITNESS

The Accused, F-96666 Pte Henderson, W.E., 1 Canadian Repat Depot (4 Wing) sworn, states:-

On the morning of 10th Oct 45 I went into Hindhead for the papers. When I was returning an English van which was either stationary or slow moving was in front of me. I passed the van and as I was pulling into the left side of the road my vehicle went into a skid and I lost control of it. It seemed to me that the front tire was flat then, but I did not hear it blow out. The road from Hindhead up as far as the Hospital has a gravel surface and just near the Hospital they have been fixing the road and it is smooth with no gravel. The day after we borrowed the vehicle I reported the poor condition of the tires to the Transport Sergeant at 4 Wing 1 Canadian Repat Depot.

Q. What is his name?
A. Sgt Watt.
Q. Where is he now?
A. He has been repatriated to Canada.

He looked at them and told me he could not do much about them but just hang on to them with the vehicle.

Q. What caused the accident?
A. The condition of the road, the condition of the tires and the fact that the front left tire might have blown out.
Q. Was that the tire nearest to the part of the vehicle that hit the tree?
A. Yes, sir.
Q. When did you join the Army?
A. 1st May 1942. I landed in England on 8th December 1942 and went to the continent in August 1944.
Q. How were you employed during your time in the Army.
A. As a driver or dispatch driver.
Q. Had you ever driven a vehicle before you joined the Army?
A. Yes, sir, for three years.
Q. So you have had approximately seven years driving experience?
A. Yes, sir.
Q. Have you ever had an accident?
A. No, sir.
Q. What is your point score?
A. Between 90 and 100.
Q. Why have you not been repatriated?
A. I am getting married in February in England.
Q. How fast were you going when you passed the English van?
A. About 35 miles an hour.
Q. How fast was it going?
A. It was not going more than 15 miles an hour.

CROSS-EXAMINED

Q. You had been driving this vehicle before the morning of the accident?
A. Yes, sir.
Q. And you knew the tires were bald?
A. Yes, sir.
Q. The road was wet?
A. Yes, sir.
Q. Had you any trouble with the vehicle skidding before?
A. No, sir. I never drove it on a wet pavement before.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS FOR THE DEFENCE

G.23193 S/Sgt Watling, 122 LAD, RCOC, sworn, states:-

Q. Where are you employed in the Army?
A. In 122 LAD in Huron Camp.
Q. What is your official position?
A. I estimate damages of all wrecked vehicles in that area.
Q. What are your military qualifications?
A. Vehicle Mechanic MV.
Q. You say you examine all wrecked vehicles. Did you examine the Ford Chad, No CM 164543.
A. Yes, sir.
Q. In what condition did you find the tires?
A. There was a hole in the left front tire which was flat.
Q. What sort of a hole?
A. About three or four inches long. It could have been blown out or it could not have been.
Q. Can you describe the condition of the left front wheel of that vehicle?
A. The wheel was in good condition and there was no damage to it.
Q. Can you describe the condition of the left front fender?
A. It was dented some but not near the tire.
Q. Then neither the wheel nor the tire could have caused the hole in the tire.
A. No, sir, it would have been impossible.
Q. Where was the hole in the tire?
A. It was on the curve of the tire.
Q. In your opinion what could have caused a hole like that?
A. It could have been caused by different ways. It could have been a sharp rock, or something in the tire before the accident could have worked through the tube at that moment.
Q. Was this hole in the tire on the part of the tire which would contact the surface of the road?
A. The hole could have been made by something on the surface of the road. The majority of blowouts are on the side of the tires. Of course, if a tire hits something it could be cut anywhere

THE DEFENCE IS CLOSED

THE DEFENDING OFFICER ADDRESSES THE COURT

Mr President and Members of the Court

It is my opinion from the evidence that Pte Henderson was not guilty of negligence in that he did report the poor condition of the tires to the Transport Sergeant, having no success in having the situation remedied, the fact that he was not speeding which was brought forth by witnesses and the fact that the tire apparently blew out causing the vehicle to go out of control and into the accident. In my opinion he took all normal precautions and it may have been a blowout which caused his car to go out of control. It is clear from the evidence that all the tires on this vehicle were without tread. I suggest that had the tires had a proper tread on them this accident would not have happened. It may be that at this stage of this war it is necessary for our Army to run some of its vehicles with tires on which the tread has been worn, but if the Army decides to do this they must assume the loss created by accidents caused by tires in that condition. They should not ask the driver to pay such costs. In fact, it is fortunate that the driver and his companion were uninjured. It is the opinion of S/Sgt Watling, an expert, that the hole found in the front left tire was similar to the holes usually found in a tire which was blown out. There must be some explanation of why this car on a flat road suddenly went completely out of control, pulling to the left. The only reasonable explanation given is that it was caused by a blowout of the left front tire. In any event, can the court be sure beyond a reasonable doubt that this may not have been the cause of the accident. That is the problem the court has to decide.

THE PROSECUTING OFFICER ADDRESSES THE COURT

Mr President and Members of the Court

I would like to quote from para 2 of RO 3511 on speed limits, which reads: "Compliance with the above maximum speed limits will not absolve any driver from his obligation to drive with due care and regard for safety, having regard to prevailing conditions at the time." Now, here we have Pte Henderson driving a strange vehicle and he knows that the vehicle has poor tires. He is driving on a wet road which he knows is slippery. This road is at least 18 feet wide and is a regular through highway from London to Portsmouth. There is only one vehicle on the road. The road is perfectly straight and yet after Pte Henderson passes this vehicle he leaves a skid mark, travels 55 feet, strikes a tree and from striking the tree the vehicle topples on its side. Pte Henderson has been driving seven years and I contend that the condition of his car and the condition of the road certainly did not warrant him driving between 35 and 40 miles an hour. This subject of a tire blowing out, well, that could just as easily or more likely have happened after he went over the sidewalk and it is quite possible that he hit something rough on the other side of the sidewalk before striking the tree, and I personally don't think the tire was blown out when the vehicle went into the skid.

FIRST WITNESS — Lt N.B. KEITH, 18 Cdn Armd C Regt, having been duly sworn, states:

During the time Tpr Henderson, W.H., served in the Sqn of which I am 2 i/c, his work and conduct were quite good. He had three very minor offences charged against him, but at all times he was willing, cheerful and obeyed his orders well. His appearance was excellent.

SECOND WITNESS — Capt K.F. GAREN, 18 Can Armd C Regt, having been duly sworn, states:

Sir, I present a statement as to character and particulars of service of the accused, B.76205 Tpr HENDERSON, W.H., of "D" Sqn, 18 Cdn Armd C Regt which is as of the date 17 Apr 45, and AFM.6 which is a certified true copy of the original record, held in my custody of this date.

J.H. Ellis major

Gentlemen:

1. When Tpr Henderson went on leave, it was not with the thought of remaining away or of overstaying that leave.

2. He was, however, "Browned Off" after having spent a number of weeks in a Blitz Tp. He had other worries: his father is a 100% pensioner from the last war and it was against his mother's wishes that he came over here.

3. Being young, just 21, and when on leave he tasted the joys of good living, gay times and plenty of rest, he was reluctant to leave them. He overstayed the first day and from there on the fear of punishment kept putting off his return. Every day made things that much worse, so that when he did turn himself in, it took plenty of courage.

4. When brought in by members of the Provost Corps, his appearance was still a credit to this Regt.

5. His kit was practically complete. This, combined with the fact that he wore his uniform during his entire absence, proves that he did intend to come back.

6. During the time the accused served with this Regt, he was found to be a good soldier and a cheerful, willing worker, well thought of by his fellow Tprs and NCOs. His appearance at all times was excellent.

7. Tpr Henderson has two wishes. The first - to get back to this Unit in time to get properly trained and go into action with them. Secondly - that his mother again receives the money assigned to her from his pay and which is badly needed at home.

8. Gentlemen, I ask that his sentence be as light as possible in order that he may achieve this. Thank you.

J. H. Ellis

The findings of the Court were approved by the C.O., 18 Cdn Armd C Regt, stating Tpr Henderson, the accused, illegally absented himself without leave in the Field, at 0600 hrs, 23 Jan 43, and did not return between that date and the date of the Court, 17 Feb 43, and was still so absent on that date. on the 23rd. I intended to return to my Unit shortly, but after 21 days I became afraid to return and did not nerve myself to return until early in Apr. Throughout this period I remained in uniform at all times, having at no time any intention of deserting. I finally decided to take my punishment and return to my Unit and consequently surrendered myself to the Police in Leeds. I admit being absent from 0600 hrs 23 Jan 43 to 1700 hrs 5 Apr 43. F-82631 Pte J.E. Hendrican.

Gentlemen:-

I would like to bring out a few facts gentlemen, for your consideration in pedging sentence of the accused that at present he is but 20 years old and has been on Active service since the beginning of 1943. Since that time he has had but two small offences of AWL 1 day & few hours as you can gentlemen he is not one of the perpetual offender type.

Furthermore gentlemen, the reason for his absence was that he had asked to be on draft 3 or four times, but never was put on. This time a draft left and away he was not on it, got discouraged and was easily influenced by an older friend to take leave seeing that he was doing nothing in C.B.R.D.

Therefore gentlemen I would ask you to consider these few facts and be extremely lenient in passing your sentence.

First Witness for the prosecution:

Dr Herbert Muller, 20 Katharinen St, Oldenburg, having been duly sworn states: (through the interpreter)

I left the theatre on 30th of Dec 45, at appro 2100 hrs, with my brother and our two wives, to visit a restaurant on Wall St. The restaurant was closed and before the door there were two English soldiers. The soldiers accosted us and we did not understand what the soldiers wanted. Because I was afraid for the women I asked them to move away, and then go home. Then I went back to my brother to try to take him away but we were hindered. One of the soldiers seized me by the front of my coat. One of the soldiers asked the time, but I said I had no watch with me. One of the soldiers then seized my right hand and then my left hand. When he discovered a watch on my left hand, he seized it and put it in his pocket. Then the other soldier tried to do the same thing with my brother but my brother resisted and cried for assistance. Afterwards, I too cried for assistance. When I called for assistance the soldier who took my watch hit me in the face and broke my spectacles. Then two Provost soldiers approached and our two wives told the Provost what was happening. Then we were taken away by these two Provost soldiers. On the way my wife told one of the Provost that one of the soldiers had taken my watch. I was taken to the HQ and I gave my statement. The soldier was checked but they couldn't find the watch on him. Then my wife went with one of the Provost to the place where we met the two soldiers to see if they could find the watch. They found the watch there and about 15 metres from

the place they found my spectacles.

Ques by defence - Dr Muller, can you definitely identify this man as the man who struck you?

Ans. - No, I cannot definitely say, as it was pretty dark and the only place I really saw him was at the Provost HQ.

Ques by prosecution - When the Provost arrived on the scene was the soldier still molesting you?

Ans - They were not molesting me but they were molesting my brother.

Ques - How close was the soldier who was molesting you, to you, when the Provost arrived?

Ans - about 2 or 3 steps.

Ques - How close was your brother and the soldier molesting him, to you?

Ans - close to me, 2 or 3 metres.

Ques - Did the Provost conduct you and the soldier molesting you to their HQ?

Ans - One of the Provost soldiers took me and the soldier who molested me and my wife. The other Provost took my brother and the soldier who molested him and my brothers wife to the HQ.

Ques - Were you and the soldier kept separate from your brother and the other soldier?

Ans - Yes.

Ques - In the light of the Provost HQ could you recognize the soldier that accompanied you and the Provost to the HQ?

Ans: Yes it was the soldier who sits beside me.

(The soldier sitting beside the witness is Pte Hendsbee, James Lee).

Ques by the court:

Are you certain that the soldier escorted Weed you to the Provost HQ was the one that struck you?

Ans - yes, we were not separated and I am quite sure, he is the soldier, who molested me and took my watch.

Second Witness for the Prosecution

Fritz Muller, 68 Achtern st Oldenburg, having been duly sworn states: (through the interpreter)

At approx 2100 hrs, 2 hrs after I left the theatre in company with my brother and our two wives to visit a restaurant on Mill st. We found the restaurant closed and we decided to go home. We were accosted by two soldiers at the door of the restaurant. I was afraid that our wives would be molested by the soldiers and I asked the soldiers to let our wives go home. My brother started away with the wives but came back after walking about 30 yards. I did not know what the soldiers wanted from me. I tried to continue on my way, but I was hindered by one of the soldiers. During the conversation one of the soldiers was with my brother and the other soldiers was with me. I beg the soldier to let me go but he seized me by the front of my coat. The soldier asked me for the time and I told him that I had no watch and I put my hand in my pocket. The soldier grabbed my arm and attempted to pull my hand from my pocket. Then I cried loudly for assistance. By the light of the window from across the street I could recognize the soldier who was molesting me. When I cried for assistance the soldier struck me in the face several times. (at least four times) My face was swollen, my eye was bloodshed and I had two bruises on my head.

I defended myself as well as I could, and then two Provost soldiers approached. We were taken to Provost H.Q. and gave them a statement. On the way to the Provost H.Q. my brother told me that the soldier who struck him had taken his watch, and during the fighting had lost his glasses. ~~The watch and glasses were later found~~ near the door of the ~~restaurant~~ ~~and~~ the red hair soldier was taller than the other one, and I noticed his complexion by the light of the window from across the street and later in the Provost H.Q. I could see the reddish complexion. It was the reddish hair soldier who had struck me.

Ques by defence

Q. Is the accused the soldier who had struck you? (Pointing to Pte Henderson)

A. No.

Q. At the time when your brother returned after escorting the two women up the street could you tell what was happening between the other soldier and your brother?

A. Not exactly, but I saw there must be something wrong.

Q. Did you see the other soldier strike your brother at any time?

A. No.

Ques by Prosecution

Q. What was the other soldier doing when the one soldier was molesting you?

A. At first both soldiers were with me but after my brother came back the other soldier went to my brother.

Q. Did the other soldier lay a hand on your brother?

A. I did not see him.

Q. During the whole trouble did the soldier who attacked you break off and attack your brother?

A. No

Third Witness

H. 17615 Sgt. Baldwinson, J.B. - "B" Coy. 2/4 Bde. Prov. Coy. having been duly sworn states:-

On night of 30 Dec. 45 I was in the Orderly Room of 2/4 Prov. Coy. in Aldenbrugh. Two German women came rushing in and said their husbands were being assaulted by two soldiers. Cpl. Parles and myself immediately went with them to the scene of the fracas. Upon nearing the scene of the fracas I heard cries for help. Cpl. Parles was approx. 30 yds. ahead of me. When I got there, there were two soldiers and two civilians engaged in some sort of a fracas. I took the two soldiers and civilians back to the Orderly Room. The civilians said that the soldiers had taken a watch from them. I searched the soldiers and found no watch in their possession. Cpl. Parles then went back to the scene of the fracas where he found the watch on the street. Both the civilian men had a sweating on their cheeks. I could smell a slight odour of liquor on the two soldiers. I then placed the soldiers under arrest and had them escorted to the guard room. I obtained a written statement from the two civilian men.

Question by Defence

Q. Did you actually see a blow struck by either of the two soldiers?
A. No. I did not actually see a blow struck.

Question by Prosecution

Q. What order did you go to the Orderly Room in?
A. I escorted Dr. Muller and one soldier, and Cpl. Parles escorted the other soldier and the other civilian.
Q. Was the soldier that you escorted, closer to Dr. Muller at the scene of the fracas than the other soldier?
A. Yes Sir.
Q. When you came into the light of the Orderly Room did you recognize which of the two soldiers you had escorted?
A. Yes, Sir.

R.P. 83 (B) complied with

Fourth Witness. (61)

3149279 Cpl. Parker, J.B. "B" Sec. 2/4 Bdn. Mtr. Bty. having been duly sworn states:

On the night of 30 Dec 45 at approx. 2100 hrs. I was with Sgt. Baldwinson in the Orderly Room of 2/4 Mtr. Coy at Aldenburgh. Two women came running in & requesting our help that there were some trouble on the street in front of the cafe. As soon as we went onto the street we heard some commotion and cries for help. We all ran down the street in the direction of the noise. When I arrived at scene I noticed saw a soldier whom I now know as Pte. Fitzgerald in the act of striking a man. Fritz Muller I stopped the fight and we all proceeded to our Orderly Room. On the way Frau Muller told me about a watch being stolen from her husband by one of the soldiers. On arriving at the Orderly Room we searched the soldiers but did not find the watch in their possession. With Frau Muller I returned to the scene of the fight and with the aid of a flash light I found the watch about 10 yds from the entrance of the cafe. Further down the street I found a pair of spectacles which were broken belonging to Mr. Muller. Returning to the Orderly Room I took particulars from the soldiers, informed them of the charge and placed them under close arrest. They were taken to the guard-room and live-body receipts obtained. In my opinion both soldiers were slightly under the influence of liquor.

Questioned by Defence

Q. Did you see at any time one of the soldiers other than Pte. Fitzgerald strike one of the civilians

A. No Sir.

Questioned by Prosecution

Q. To whom did you escort back to the Orderly Room?

A. I escorted the whole group back, but more or less assisted Pte. Fitzgerald

Questioned by Court

Q. When did you first identify the soldier that you escorted back to the Orderly Room?

A. I could recognize the soldier from the light in a door-way across the street

K. P. 85(B) complied with

Closing address by Prosecution

Dr. Muller stated that he was detained and struck by a soldier. The Provost state that both Germans had swellings under the eyes which bares out Dr. Mullers statement. Fritz Muller states that the red-headed soldier who is Pte. Fitzgerald was engaged with him (Fritz Muller) during the whole time of the trouble. I therefore maintain that it follows that the accused (Pte. Hendobee) must have been the one that assulted Dr. Muller.

Closing address by Defence

According to the first charge the accused is charged with assulting Dr. Muller with striking him with his fist. We have heard three witnesses who were present at all or sometime during the alleged assault and not one of them stated that he saw an actual blow struck or an attempt made to strike Dr. Muller. The chief witness (Dr. Muller) whose evidence was contradicted by interpreter on certain points on being questioned by the Defence could not identify the accused as the soldier who struck him. Previous testimony of Dr. Muller would lead us to believe that if he were struck by a soldier it was one other than the accused. Taking these various facts into consideration I believe the accused has not been proven guilty as charged.

Summary of evidence in the case of F 57204 Pte Fitzgerald G.J., 3/Nth NS Highrs, CAOF and F 56688 Pte. Hendsbee J. L., 3/Nth NS Highrs CAOF. 12 A

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS:

Dr. HERBERT MULLER, 20 Katharinen Street, Oldenburg, having been duly sworn states:

I am Dr. Herbert Muller, 20 Katharinen Street, Oldenburg. On the evening of the 30 Dec 45, at approximately 2100 hrs, I and my brother and our wives were coming out of the theatre and proceeding to the restaurant. When we reached the restaurant (Grosser Kaiser, Wall Street) two soldiers were standing in fron of the door. The soldiers spoke to us but we could not tell what they wanted. I escorted our wives a few steps farther up the street and I then returned and stood alongside of my brother. We wanted to proceed on our way but we were stopped as one of the soldiers grabbed my brother by the coat. Then one of the soldiers asked us what time it was. We claimed that we had no watches. The taller of the two soldiers (The taller is Pte. Fitzgerald G.J.....) was standing nearest to me and first pulled my right arm from my pocket and looked for a wrist watch and then did likewise with my left arm. As he discovered one on my left arm he tore it off and put it in his pocket. Then the other soldier tried to do the same with my brother but my brother offered resistance. We than called for help. When I called for help the tallest of the two soldiers struck me in the face breaking my glasses. In the dark I could not identify the faces of the soldiers but could distinguish the difference in neight. Military Police came and took the two soldiers, ourselves and our wives to their Headquarters. While we were proceeding to H.Q. I told my wife to tell the M.P. that the soldiers had taken my watch from me. My wife and the Military Police returned later to the restaurant and found my glasses lying broken near the door. The also found my watch several metres up the street.

SECOND WITNESS:

FRITZ MULLER, 68 Achtern Street, Oldenburg having been duly sworn states:

I am Fritz Muller, 68 Achtern Street, Oldenburg. On the evening of the 30 Dec 45 at approximately 2100 hrs, my brother and I with our wives were proceeding out of the theatre to Kleiner Kaiserhof Restaurant on Wall Street. We came to the Restaurant, found the door locked, and as we turned around to go back we were stopped by two soldiers who were standing there. The soldiers took hold of us and we did not offer any resistance in order to give our wives chance

SECOND WITNESS CONT'D:

to get away. I wanted to follow our wives but the taller of the two soldiers took hold of me and held me back. He kept hold of me and was talking to me but I could not understand what he wanted. While this was going on my brother was being held by the other soldier but I could not see what they were doing. Then the soldier who was holding me asked me for the time. I told him I did not have a watch. The soldier then tried to pull my left arm from my pocket but I offered resistance. As the soldier became more persistant I called for help. When I called the soldier hit me in the face at least four times. The soldier let go of me when our wives, with two Military Police, came to the scene. I was not molested the whole time by the shorter of the two soldiers. When we were enroute to the Provost Headquarters, my brother told us in German that his watch had been taken from him and his wife told the Provost in English.

Due to my being struck in the face by the soldier I had a black eye which was painful for several days.

THIRD WITNESS: B-149279 Cpl PAVLOS, J., 2/4 Provost Coy, having been duly sworn states:

I am B-149279 Cpl. Pavlos, J. of the 2/4 Provost Coy.

At approximately 2100 hrs, 30 Dec 45, I was in the Orderly Room of 2/4 Provost Coy, when two German women came running in telling us that their husbands were having trouble with two soldiers. Sgt Baldwinson and I immediately left with the women to the scene of the trouble in fron of the Kaiserhof Restaurant on Wall Street. We heard cries for help and on arriving at the scene I saw a soldier whom I now know to be Pte. Fitzgerald in the act of striking Fritz Muller. I stayed his arm and put a stop to the fracas. I ordered them all to accompany me to our Headquarters. As we were moving off Frau Muller told me that a wrist watch had been stolen from her husband. Arriving at our Headquarters the Sgt. and I searched the soldiers but could not find the watch. Then accompanied by Frau Muller I returned to the scene of the trouble with the aid of a flashlight found the wrist watch in question about 10 yards from the door of the restaurant. I also noticed that the wrist band was broken. A few yards farther away from the door I found Dr Muller's spectacles which were broken.

Back in the Orderly Room I took the soldiers'

FOURTH WITNESS: H-15615 Sgt. BALDWINSON, S.B., 2/4 Provost Coy, having been duly sworn states:

I am H-15615 Sgt. Baldwinsen S.B., of the 2/4 Provost Coy.

At appreximately 2100 hrs, 30 Dec 45, I was in the Orderly Room of 2/4 Provost Coy, when two German women came dashing into the Orderly Room asking us to come and help them, saying that their husbands had been assaulted by two soldiers. ~~Cpl,~~ Pavlos and I immediately proceeded with them to where the trouble was. When we got there I saw two soldiers and two civilians engaged in some sort of a fracas. The fracas ceased upon our arrival and the whole party accompanied us to the Orderly Room. One of the civilians claimed that one of the soldiers had taken a watch from him so we searched the soldiers but could find no watch on their person. We placed the soldiers, F 57204 Pte. Fitzgerald, G.J. and F 56688 Pte. Hendsbee, J.L., under arrest and had them escorted to their guard room. Both the German civilians had a swelling under the eye.

Neither Fitzgerald nor Hendsbee made any attempt to resist arrest.

When we were appreaching the fracas in the first place with the German women, we could hear the men calling for help.

I actually did not see either of the soldiers strike one of the civilians but did see Cpl. Pavlos prevent a blow being struck by holding one of the soldiers arms. In the darkness I could not distinguish which soldier it was.

I definately smelled alcohol on the soldier's breath but did not consider them drunk.

Pte. Hendsbee declines to cross examine this witness.

NOTE E-3

Plea for Medigation in the defence of Pte. Henery, F., B-82934. I would like to call the attention of this Court to consider a few points in respect to Pte. Henery's conduct. He enlisted in the Army in May 1940 and has been overseas since August 1940. His conduct during this period has been a very good one considering his M.F.M. & which shows only a few, very minor offences and no A.W.L. charges since his enlistment. In considering this man's case I would like the Court to examine closely the reasons for this man's going A.W.L. and to be lenient in determining his sentence. This man has been with No.1 Cdn.Adm.Trt.Coy., for one year, employed as a D.M., and paid as such. About one and a half month's ago, this man ceased to be employed as a D.M., and was employed as a driver. Consequently, losing his D.M's pay. When this happened, Pte. Henery asked for a transfer to a Unit where he could be employed as a D.M., and draw Trades Pay. He was told that in view of the great shortage of drivers in this company, it would be of no use for him to submit his application for a transfer, because it would not be considered. The result being, like many men in the Army, even with the best conduct's, became discouraged and discontent and went A.W.O.L. In view of these facts which I think are worth considering, I would again ask the court to consider them, and be lenient to this man in determining his sentence, and recommend for him a transfer to a Unit where he could be employed in his trade and be happy in the service.

Summary for the Prosecution.

Summing the case up under the heading of the three charges, the prosecution offers the following and Memoranda Con Vehicle

① AWL Charges - The charge reads AWL from 1830 Hrs 13 Mar 45 to 0900 Hrs 14 Mar. At 1810 Hrs 13 Mar Staff Sgt Barnes saw the accused driving a jeep, after the jeep left the guard room the S/Sgt saw the accused move off in a long a road which could lead either to the highway or H.Q at the camp rear. There is no evidence to prove that the accused or the vehicle was seen from that time until 0900 the following morning when he was apprehended by Sgt Davis about 5 miles from camp.

Sgt Locker gave evidence to the effect that the accused and the jeep were not in the lines at 2300 hr roll call. Lt Hansen and Sgt Locker state that they authorized no trips for the A/M between 1830 13 Mar 45 and 0900 Hrs 14 Mar 45. The morning of 14 Mar the jeep belonging to HQ Co and Sgt Herring was apprehended by Sgt Davis after he had been informed of their whereabouts by S/Sgt Allaire. The prosecution contends that the evidence proves beyond doubt that the accused was AWL between the times mentioned and that during that time he misused one vehicle, number Con Veh CM 5833498.

② Charge of being unfit for duty at 0800 14 Mar is substantiated by S/Sgt Allaire and Sgt Davis who both stated that they would not trust the accused to drive a vehicle. Similarly the previous evening Sgt Herring stated that the accused had been drinking heavily. This was at 1830 Hrs. At 1030 Hrs 14 Mar 45 Capt Davis Vaillancourt stated that the accused was still not in a condition to be founded & that was for all the A/M witnesses smelled liquor on the accused's breath. The jeep was damaged when found leading to the assumption that the accused was not capable.

A. Kaffer Lieut

Summing up of defence.

I – With regard to charge 1 – AWOL

There is no evidence to show that the accused was AWOL on the 0900 hrs 14 May 45. Sgt Leckie was not aware of which tent in A Sec lines the accused slept. He stated on checking the tents at 2300 hrs, he (Sgt Leckie) checked a tent in A Sec lines. This tent was occupied by Spr Clancy and Hicks – NOT by the accused. The accused slept in a tent of his own next to the tent checked.

He missed NO duties until 0900 hrs parade, and it was impossible for him to attend this parade as it was ordered at 0745 hrs (approx) he remained with some vehicles 5 miles from Camp.

Just as he was on the count was NOT guilty of AWOL but guilty of a minor charge – exceeding Camp limits.

II Charge 2 dealt with the unauthorised use of military vehicle. The court must realise the fact that NO one saw the vehicle leave Camp. It NOT 7030 was even checked, by anyone, a jeep by Sgt Leckie. Though whether the jeep being sought was Cnf 5833498 the sergeant can not say, as he only, apparently, counted his jeeps. It in all likelyhood was in Camp in the wrong lines.

The accused woke next morning in Camp, and had a terrific hangover. So, he went down the road 5 miles to a bootlegger he knew. Whether he or someone else took the jeep through the bush – can NOT be proven. Though admittedly he was found by the vehicle in the morning.

Also with reference to the evening of 13 May. Sgt Barnes stated the guard Commander told him, to the best of his knowledge the vehicle went to the Camp area. Yet, Sgt Leckie states the guard Commander, at approx the same hour, reported to him a Jeep was missing. This evidence is Contradictory!

III Charge 3 – Unfit for duty due to previous alcoholic indulgence. By Chap IV, Sec 15, sub sect IV of MIML states: "Opinion is NOT evidence."

F-3

Plea of Mitigation –

I wish the Court will take into account the great number of days spent in close arrest – some thirty days.

I am K92174, S/Sgt Barnes, GW of 2 Platoon, 2 Cdn Fd Svy Coy, RCE. At 1810 hrs 13 Mar 45 I had warned the guard commander to check and sign out any vehicles leaving the camp area. At about 1830 hrs 13 Mar 45 I saw accused and Spr Clancey drive up to the guard tent in a jeep and stop. I asked the guard commander (L/Cpl Dodds) whether accused had signed out because it looked from where I was standing that the accused had driven out of camp. I told the guard commander to report to me the time accused returned. I reported the incident to Sgt Leckie (the Section Sergeant of the accused).

The accused declines to cross examine the witness.

Second Witness B114437, Spr Clancey, SL of 4 Topo Section, 2 Cdn Field Survey Company, RCE sworn states:

I am B114437, Spr Clancey, SL of 4 Topo Section, 2 Cdn Fd Svy Coy, RCE. About 1800 hrs 13 Mar 45 I got in the jeep with the accused and rode past the guard tent. The guard commander stopped us and asked where we were going. Accused told him we were just going to park the jeep in 1 Pl MT Lines. We got to the shoemaker's tent in HQ Area and stopped. I got out of the jeep and did not see accused until the next morning. Accused was under the influence of liquor while I was with him in the jeep.

Question - Is shoemaker's tent in HQ Area on the route from guard tent to 1 Pl MT Lines?

Answer - No 1 Pl, as far as I know, had vehicles with HQ vehicles therefore my answer is yes.

Question - Did you see or speak to anyone other than Spr Henery when you stopped at the shoemaker's tent?

Answer - No one that I can remember.

Question - Where did accused go with jeep after you got out?

Answer - I don't know.

Question - What was the accused doing the last time you saw him?

Answer - He was just sitting there when I turned my back on him and walked away.

Third Witness B40294, L/Cpl Dodds, JA, 4 Topo Section, 2 Cdn Field Survey Company, RCE sworn states:

I am B40294, L/Cpl Dodds, JA, 4 Topo Section, 2 Cdn Field Survey Company, RCE. I was guard commander from 1800 hrs 13 Mar 45 until 1800 hrs 14 Mar 45. Shortly after guard mounting S/Sgt Barnes instructed me to sign out and in all vehicles leaving or entering the camp area. At 1830 hrs 13 Mar 45 accused and Spr Clancey drove up in a jeep from the direction of 2 Platoon HQ and turned left past the guard tent. I stopped them but did not sign the vehicle out since accused told me he was going to park the jeep in 1 Pl MT Lines. I did not observe the WD No. of the jeep nor bother to observe whether they were going to 1 Platoon MT Lines. Shortly after this S/Sgt Barnes told me to report to him the time that accused returned with the jeep. A jeep was towed in about 0930 hrs 14 Mar 45 by Sgt Dares who handed over accused to me under close arrest.

Question - was accused under the influence of liquor when he drove the jeep away?

Fourth Witness B26788, L/Cpl MacLennan, RM, 1 Topo Section, 2 Cdn Field Survey Company, RCE sworn states:

I am B26788, L/Cpl MacLennan, RM of 1 Topo Section, 2 Cdn Field Survey Company, RCE. The accused is in my Section and vehicle CM 5833498 is a vehicle belonging to 1 Topo Section. At about 1800 or 1830 hrs 13 Mar 45 my section sergeant asked whether I knew of any section vehicles going out. I didn't know, so we walked around the camp area and found jeep 1T3 (CM 5833498) missing. I did not see this vehicle until 0900 hrs 14 Mar 45. Accused was the driver assigned to this vehicle. At about 0900 hrs 14 Mar 45 I accompanied Sgt Dares to a point on the "Maple Leaf Down Route" (about 5 miles from camp) where we found the missing jeep. I found that all survey equipment on the jeep was intact. I saw Sgt Dares pull out three liquor bottles from the back of the jeep but couldn't say whether they were full or empty.

Question - Had the trip of this jeep 1T3 been sanctioned by anybody?

Answer - Not to my knowledge.

Question - Did you see accused anywhere in camp between 1830 hrs 13 Mar 45 and 0900 hrs 14 Mar 45?.

Answer - No sir.

The accused declines to cross examine the witness.

Fifth Witness C25804, L/Sgt Allain, WJ, 2 Cdn Field Survey Company, RCE duly sworn states:

I am C25804, L/Sgt Allain, WJ, of 2 Cdn Field Survey Coy, RCE. At approximately 0745 hrs 14 Mar 45 I took leave personnel to OSS along Maple Leaf Down Route. About 5 miles from camp I noticed a jeep with survey equipment and tactical number 431 stuck on the left hand side of the road. Recognizing this as a unit vehicle I stopped my vehicle to investigate. The rear left wheel had sunk in a filled-in fox hole and accused was trying to get the jeep out of the hole with the help of two civilians. Being in a hurry I

told accused to remain there and that I would be back shortly to pull his jeep out. I returned about 20 minutes later, pulled the jeep out, parked it on the side of the road and immobilized it. I told the accused to remain with the equipment until I returned with some help to tow the jeep in. I returned to HQ and reported the incident. About 0830 hrs Sgt Dares and I with three other men went back to tow the jeep in. Sgt Dares placed accused under close arrest. Accused smelled heavily of liquor and did not appear to be capable of performing any duties. The jeep was damaged so it could not be driven but had to be towed back. We returned to camp at about 0900 hrs.

Question - Did you notice what the WD No. of the jeep was?

Answer - No sir. All I noticed was that it was a unit jeep.

Question - What do you mean when you say accused was incapable of performing any duties?

Answer - Accused being a driver, I would not have driven with him as a passenger and felt safe.

The accused declines to examine the witness.

I immediately took L/Sgt Allain, L/Cpl MacLennan and two sappers with me and went to pick up accused. On arrival I searched the jeep and found three full bottles of liquor in the back of the jeep. Accused came out of a nearby farmhouse. He smelled heavily of liquor. The WD No. of the jeep was CM 5833498. It suffered damage to the extent that the bottom pulley on the motor was bent and the fan belt broken. I do not know what time it was when we got back to camp.

Question - Would you say accused was drunk when you picked him up?

Answer - No sir. He smelled of liquor, looked tired and sleepy as if he had been up all night but I wouldn't say he was drunk.

Question - Are these the three full bottles of liquor that were found in the jeep?

Answer - Yes sir.

Pte Hunley came out and told me the shot came from his rifle while he was cleaning it. - I placed him (Pte Hunley D) under close arrest. - The day before the accident I examined Pte Hunley D's rifle and found it empty - I told him his rifle must be loaded and to do so.
Q Do you know anything else about the accident

Q Do you recognize the accused
A Yes (pointing to accused Pte Hanley D).
Q Will you tell the Court what happened on the 16 May 45
A. Around 3 o'clock just before Pte Hanley D was to go on guard that were in the barrack room - I was standing about 2 feet from him and he was standing sideways to the door. - He picked up his rifle and was manipulating the bolt of his rifle which was at an angle of about 45 degrees. - suddenly a shot went off and I froze on the spot - then I heard someone yell "He's fallen" and then the Cpl and myself both went out of the barracks to the fellow who was shot - and then we started to apply first aid with field dressings Cpl. Langevin told a fellow to go and phone for the MO and then we took a blanket to cover his body and another one to keep the sun away from him - when the doctor arrived he was dead.

Q when he (Pte Hanley) was manipulating his bolt was he talking to you

Having been duly sworn states

Q could you tell the court what happened on the 16 May 45.

A. On the afternoon of the 16 May 45 I was called to an out post of Q Bay — when I arrived there I found Pte Legault dead — He had a large hole about 3 inches in diameter in front of the right chest exposing the lung and

7. a small hole below the left shoulder blade.

R. P. 83 D ~~complies with~~.

The defending offr submits that the evidence for the prosecution does not establish a prima facie case against the accused on the following reasons.

1. Pte Henley is accused under AA sec 40 of having been neglectful in that he ~~he~~ negligently handled his rifle.

Neglect according to AA sec 40 NOTE Ammendment Number 20 June 1942 must be blameworthy and I fail to see where the prosecution proved the accused blameworthy.

1st witness of prosecution ~~by~~ Sjt Langwin did not see anything relating to this charge. of negligently handling a rifle simply saw the results of it

2nd witness Pte. Curtain R. saw the accused holding his rifle properly and preparing it to go on his tour of duty at 2 oclock.

I cannot see anything blameworthy in that. — Unfortunately an accident happened but we are not dealing with the results but simply with the fact that Henley has done something blameful and this has not been proved. So I ask of the court to dismiss the charge.

Special Plea for the defence.

According to his pl cond the accused has always been a good soldier - An accident happened to him - according to the prosecution he negligently handled his rifle - not one witness came in this court to prove that fact - On the contrary The Guertin a witness of the prosecution states the accused was holding his rifle properly - The accused himself confirmed this statement under oath - It has been proved the accused had a new rifle The accused was sure there was no ammunition in his own rifle - Lt Sgt

9. Lainguin himself said the day before he checked the accused for not having ammunition in his rifle – The accused took a rifle to go on guard duty – By mistake he took the wrong one just the same he was careful enough to keep it in a proper position – Of course he does not remember all the details of what happened – while manipulating his belt the muzzle of the gun was lifted a little – The victim was standing on a lower floor outside of the view of the accused and unfortunately was hit – Do you think you can really find guilty of such an accident a man who has always been a good soldier especially when he knew that the victim was one of his best friends.

10/ The court is addressed by the prosecution.

Gentlemen of the court.

The charge reads as follows (see charge) The witnesses for the prosecution have stated & proved that on 16 May 45 the accused killed Pte Legault with a rifle while in the process of cleaning it - It was stated that just prior to take his post as a sentry the accused took his rifle and manipulated the bolt which caused the rifle to be discharged thereby killing Pte Legault - While manipulating the rifle it was stated that the accuseds rifle was pointing in direction of the door at an angle of 45° It was stated that from the spot the accused was standing at that time he could see outside and therefore he must have seen Legault if not There is negligence on the part of the accused One cannot ~~safely~~ manipulate a rifle without first taking the necessary safety precautions is certainly to look around to see if anybody is standing near - another precaution prior to cleaning a rifle is to make the ease springs four or five times and upon being satisfied there are no more bullets in the magazine Then pull the triggers - The accused only manipulated his bolt once and then pulled the triggers - There again is negligence - He states he does not remember whether he checked the rifle or not - there again is negligence on the part of the accused.

The defence was based on the fact

11/ that the accused made a mistake in
taking a wrong rifle - well isn't that negligence
in itself - Nobody apparently made a claim
for the rifle with which Henley shot Legault.
Did the defence prove it was not his rifle
Well Gentlemen the prosecution is
now closed an it is up to the court to
decide upon the finding of this Court Marshall
I thank you.

2. Plea of Extenuation of Sentence by the defending officer.

The accused has a clean conduct sheet. His Pl. Sgt testified to the fact that he was a very good soldier. He is already very much affected by the fact that the victim of the accident was one of his best friend. I asked the court to be as lenient as possible

SUMMARY OF EVIDENCE

In the case of No D-654833, Private Donat HENLEY, of the Royal 22nd Regiment, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken under Oath.

First Witness for the Prosecution — E\101420, Cpl Langevin J.P., of the R22eR., having been duly sworn, states as follows/

On 16 May 45, I was in charge of No I guard post of "C" Coy; There were twelve men under my command and the accused whom I now recognize, was one of them; At approx 1455 hrs, I was in my sleeping quarters when I heard a shot; I immediatly got out and found No D-66163, Pte Legault M, R22eR lying on on the ground in front of the door; He was badly wounded on the right side of his chest; I asked for somebody to call the doctor and immediatly proceeded to give first aid to Legault; He died a few minutes later. I was told by the accused that he was cleaning his rifle when a shot went ont; I placed him under close arrest and later he was escorted to the Regt guard room. I had instructions from the OC "C" Coy, whom we were under command that all weapons were to be loaded; I notified all my men about this. I once examined the accused rifle that day and noticed that it was empty; I had to tell him that he would have to load it before going on duty;

The accused declines to cross examine this witness.

Langevin J.P. .....Cpl

Second Witness for the Prosecution — M-156365, Pte Guertin R., of the R22eR, having been duly sworn, states as follows:

On 16 May 45, I was on duty at No 1 Guard post of "C" Coy. At about 1455 hrs, I was in the sleeping quarters of the guard room in compeny with the accused, whom I now recognize. The latter was getting ready to take his turn of duty at 1500 hrs and he started to clean his rifle. As he was manipulating the bolt of his rifle, I heard a shot coming from the rifle of the accused. The muzzle of the rifle was pointing in direction of the open door of the room at an angle of about 45°. I cannot certified if the accused could see outside the house by the open door from the position he was when the round was fired. Hearing the shot, I fromze on the spot until I heard somebody sa ying: He has fallen". Thinking it was a joke, I runned to the door and found No D-66163 Pte Legault M., R22eR. The accused and Cpl Langevin also arrived running and Cpl Langevin applied first aid to Legault, assisted by the accused and myself. Pte Legault M., died a few minutes later. We had no specified place to lay our rifles while not on duty.

The accused declines to cross-examine this Witness

.....Pte

In the case of No D-654893, Private Donat HENLEY, of the Royal 22nd Regiment, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken under Oath.

Third Witness for the Prosecution — Capt I. Goldstein, RCAMC., of the R22eR., having been duly sworn, states as follows:

At approx 1500 hrs 16 may 45, I was called to proceed to No 1 Guard post of "C" Coy. There I found No D-66163, Pte Legault M., lying on his back in front ofthe guard room. He was already dead. He had a large wound, about 3 inches in diameter, front of right chest, exposing the lung and a small wound below left scapula. Pte Legault M., had a pocket watch in his right breast pocket of which only a part was found. I presume that the remainder of the watch was driven into the chest by the impact of the bullet. The bullet went into its exit through the left posterior chest.

The accused declines to cross-examine this Witness

Capt Goldstein Capt.

The accused was then warned in French as follows: "Do you wish to make a statement or to give evidence on Oath? You are not obliged to say anything or to give any evidence unless you wishto do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used in evidence.

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of two pages was taken down by me in presence and hearing of the accused and that Rules of Procedure 4 (c), (d), (e) and (f) have been duly complied with.

"At SCOTLAND on 30 November 1942, at about 1035 hours, I was detailed to proceed to DUMFRIES to escort H.12191 Gunner Henning, D.W. to LONDON. At about 1930 on 30 Nov 42 I entrained for LONDON arriving at EUSTON STATION at 0730 hrs. During the journey down nothing unusual occurred to indicate the intent of H.12191 Gnr.Henning, D.W. to escape. After arriving at EUSTON STATION I proceeded to LYONS CORNER HOUSE at St.GILES CIRCUS to have breakfast for myself and the accused. At 0830 hrs we then left the CORNER HOUSE to proceed to H.Q. On the way HENNING asked my permission to purchase shaving equipment and a comb. I then proceeded to the AMERICAN EAGLE CLUB when I handed HENNING ten shillings to purchase the aforementioned articles. While proceeding up the stairs he was walking along by my side. Here he made his escape owing to the very crowded stairway. After thoroughly searching the premises I confirmed the fact that he had escaped and the proceeded to Coy.H.Q. reporting the matter to R.S.M. The S.I.S. were immediately notified, as well as the Woking Civil Police as he is supposed to have a lady frien in WOKING. I received permission from the R.S.M. to visit all the places he might be found but having no results in my search I returned to H.Q.

Opening address by the Prosecutor:-
The charge before the court is a serious one, and if you find the accused guilty on this charge, it will be necessary to find that the accused cut his wrist with intent to take his own life. Evidence has been taken from persons who were on the scene at 15th General Hospital where the accused was a patient, and from persons who were in the room and it is on this basis that the charge has been laid. A Medical Officer will give evidence as to the state of mind this man was in at the time this offence was attempted.

1ST WITNESS FOR THE PROSECUTION:- H.16490 Pte. BEVERIDGE, E.R. 15th C.G.H. sworn, is examined by the prosecutor:-
Q1:- Do you know the accused?
A1:- I do sir, (pointing tothe accused)
Q2:- Where do you remember seeing him?
A2:- At 15th C.G.H., Bramshott, on the 6th of February I first saw him
Q3:- Did you have any conversation with him?
A3:- Yes, sir, regarding wives, sir. It was either on the 6th or 7th of February, I came in to find Henning there and we discussed wives. He said he was having trouble with his wife, and I said I was having trouble with my wife back home. Pte. Henning brought out a letter and I got quite a shock when I saw this letter that Pte. Henning had, as it was very identical to my own wife's handwriting. After some discussion in this matter, I spoke to the accused and asked him if he would mind, to clear the doubts in my mind, if he would let me describe my wife, her friends, mother, and just where she lived, which the accused agreed to. It coincided perfectly with Pte. Henning's wife. This being so, we both came to the conclusion that we were both married to the same woman. Pte Henning came to that conclusion from the details which I gave him. He said "that is the exact description of my wife and her friends". Unfortunately neither one of us had a photo, and we could not prove it, and as I told the accused at that time, not to jump at conclusions in case we were wrong, it would spoil his life. The Government has checked up, and she has had two children by another man, but I have had no final definite proof that my wife has been married before to Pte. Henning and myself. Pte. Henning afterwards then was quite shocked by it and I myself was severely shocked, as I had known her about a year before. On or about the 8th of February the accused could not eat anything nor hold any conversations with me. Pte Henning had taken this seriously. In fact

very seriously at the time. I told him that I did not think it advisable to take the matter in such a way unless we were both positive of such a thing. It was on the night of 8-9th of February before midnight I was awakened by the footsteps of a guard coming over to Pte. Henning's bed. When I looked over to the bed it was empty then.
Q4: - Did you see anything?
A4:- I saw nothing but the guard and the sister by the bed, sir. Pte. Henning was not there then
Q5: - Did you notice the condition of the accused's bed or the floor or furniture?
A5: - There was quite an amount of blood on the floor, and also on the sheets of the accused's bed
Q6: - Was there any fighting or struggling that night?
A6: - I saw nothing of that
Q7: - Do you know what time the lights were put out that night?
A7: - Between 10 and 1030 sir. I tender to the court a photo of my wife

PHOTO OF BEVERIDGES WIFE MARKED EXHIBIT I

Defence declines to cross-examine this witness.

2ND WITNESS FOR THE PROSECUTION:- G 17556 PTE. MOORE, R., 15th C.G.H., sworn Is examined by the prosecutor:-
Q8: - Do you know the accused?
A8: - Yes sir
Q9: - Do you remember where you saw him before?
A9: - Yes, sir, I saw him in ward SJ at 15th C.G.H. sir, on the night of the 8th of February at approximately 2300 hours, I was on guard duty at ward SJ. Pte. Shangro informed me that there was some trouble. I stood over the entrance there to keep watch on the ward while I notified the sister in charge that night. The sister came down to the ward and turned on the lights. I saw Henning lying on his bed with a gash in his wrist. He was lying with his left hand hanging over the bed, and I noticed blood on the floor. The blood was coming from his wrist, and I saw a gash in his left wrist. The sister and myself removed the locker from Henning's bed and his small kit, etc.,
Q10:- Did you take any notice of any articles in that kit?
A10:- No, sir, I did not
Q11: -Was there any noise or commotion that night?
A11:- It was very quiet that night. There was a movement after lights out. Henning went to get a light for a cigarette. He appeared to go in the direction of Shangro's bed. I saw the light of the cigarette. That was about 15 minutes before the lights were turned on the again
Q12:- What time did the lights go out for the night?
A12:- From 1020 to 1030 sir

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q13:- You say you heard some commotion, what was that?
A13:- Well, a movement, sir
Q14:- But you did not see anything
A14:- There was a light in the hallway, which shows any movement
Q15:- You were sent for help
A15:- As soon as I was notified that somebody had cut their wrist
Q16:- But you did not know that?
A16:- No, not till after

3RD WITNESS FOR THE PROSECUTION:- C 40296 GNR. SHANGRO, P.J., 15th C.G.H., sworn, is examined by the prosecutor:-
Q17:- Do you recognise the accused Gnr. Henning?
A17:- Yes, sir
Q.18- Where do you remember seeing him?
A18:- In Ward SJ Bramshott Hospital, on February 8th
Q19:- What happened then concerning the accused?
A19:- On February 8th at approximately 2230 hours, the accused came to me and showed me his wrist, which had been cut, and wanted to know what to do. I immediately informed the guard, who informed the nurse
Q20:- Did he explain to you how his wrist had been cut?
A20:- No, sir, no explanation whatever
Q21:- Do you remember any noise or struggling in the area of his bed at the time?
A21:- No, sir
Q22:- Were the lights out at the time?

A22: - Yes sir
Q23: - Then how could youtell he cut his wrist?
A23:- I struck a light to light his cigarette, and could see his wrist. He went back to his bed. I informed the guard and I informed the nurse. The nurse and other people came and took him away

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q24: - Did Henning ask you for help when he came to you?
A24: - Yes in a way, sir
Q25: - That is what he meant?
A25: - Yes, sir

4TH WITNESS FOR THE PROSECUTION:- MAJOR J.R.F. MILLS, 15th C.C.H., sworn, is examined by the prosecutor:-

Q26: - Do you recognise the accused, Gnr. Henning?
A26: - I remember seeing him, I only saw him once, and am not certain I would know him again. I was attached to 15th C.C.H. for a time. I believe I tended to Gnr. Henning on February, approximately the 8th
Q27: - What time of day was that?
A27: - It would be approximately 11.30 at night. He had a laceration to his left wrist
Q28: - Do you remember any explanation being given as to how the wrist was cut?
A28: - Gnr. Henning had a laceration about 1½ inches long, slightly irregular It was just through the skin, it was not very deep. That was on the volar surface, the other surface on the wrist is the dorsal surface
Q29(Pres) Are there any arteries or veins near the volar surface?
A29: - Yes, radial arteries, and some tendons and muscles going to the wrist and hand. It was just through the skin. I did not see any vital structures reached or exposed by the laceration.
Q30: - If the radial artery had been severed, what would the consequence have been?
A30: - I don't think it would make any difference. It could possibly have ended in death, though I have never seen any die that way, even if it had not been controlled. It is quite possible that had a radial artery been cut it may have clotted before it lost too much blood to prove fatal
Q31: - Were any articles found in the accused kit?
A31: - There was a sealed letter turned over to me
Q32: - Did you read that letter?
A32: - I did
Q33: - Can you tell me whether or not that is the letter?
A33: - Yes I believe that to be the letter I read that night. I recognise some of the phrases and peoples names. Yes, I believe it to be the letter

Defending Officer:- I think it is up to the prosecution to prove that this letter was written by the accused, and it certainly looks to me as though the first page is missing. No one would start to write a letter right at the top of the page.

Q34: - Who found this letter?
A34: - Some one of the attendants handed it to me, I believe it was one of the nursing sisters

The prosecutor said that the nursing sister and S/Sgt Sparks knew about the letter, but that Sparks could not be here to give evidence today, due to hospitalization. An attempt was made to obtain this witness, but the hospital authorities advised against it

QUESTIONED BY THE PRESIDENT

Q35: - Were you the only medical officer present in the ward at the time this happened?
A35:- I did not see him in the ward, I saw him in the operating room
He did not say anything to about the letter
Q36: - You had no discussion with him about the letter?
A36: - I do not recall having questioned him, he may have said something about it, I don't recall any definite conversation.
Q37: - Will you tax your memory about this letter, it is very important
A37: - I remember it being handed to me, I believe by a nursing sister, and opened it up in the presence of the nursing sister. I certainly did not have any lengthy conversation about it
Q38: - It is a very important thing, this letter

A38: - I know, sir
Q39: - Are you satisfied you cannot go any further than that?
A39: - I think I saw the accused medically on that night, and I do not recall going into the details with the accused about the letter.

Prosecutor:- I suggest that the court compare the signature on that letter with the signature made by the accused on the statement requesting an officer be appointed to represent him at this trial, which statement is included in the summary.

President: - Defending Officer, I am very much inclined to let this letter in as an exhibit (To Pros) Have you the accused's pay book?
Pros: - I have one part with the accused's signature on it
Defending Officer: - Those were the only two reasons I had for objecting to it, proof that it was the accused's handwriting, and the fact that one page is obviously missing
President: - There seems to be no sound reason for keeping it out
The court will admit the letter, and it marked Exhibit 2

Q40: - Can you remember whether the two sheets were beatiched when you saw them?
A40: - I do not recall one being there, sir
Q41: - Can you remember how many sheets there were in the letter you saw?
A41: - I am sorry, I don't remember, sir, It was in a white envelope; I am not sure if it was an Auxiliary envelope or not. I gave it to one of the nurses for safe-keeping, when I went to suture the wound

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q42: - To your knowledge, did the accused seem to be in any mental condition when you examined him?
A42: - He was very quiet, and did not speak at all. I did not go into any examination of him at that time as to his mental state. He did not exhibit any mental condition as far as I could see
Q43: - Did you not think it unusual for a man not to say something while you were treating him?
A43: - I think he knew what he was coming there for, and expected it. I did not feel that I should broach the matter any further that night, having read the letter, I purposely avoided any reference to it.

5TH WITNESS FOR THE PROSECUTION:- NURSING SISTER A.E.PRESCOTT, 16TH C.G.H. sworn, is examined by the prosecutor:-
Q44: - Were you attached to 16th General Hospital for a time?
A44: - I was
Q45: - Do you know Gnr. Manning, would you recognise him?
A45: - Yes, I recognise him here
Q46: - Do you remember attending him at any time?
A46: - I was on night duty while he was a patient there. I was in charge of ward 8J. About supper hour, one of the guards came over and told me that one of the patients in 8J ward was in trouble. That was about 11.15 P.M. We went and put the lights on, and we found the patient with his arm over the bed, he was bleeding. I applied first aid, and called the medical officer, Major Mills. Major Mills took him to the operating room
Q47: - What part of the accused was bleeding?
A47: - His wrist. Did you see anything there to indicate how it might have happened?
A47: - There was a razor blade on the floor. It was broken. It was on the floor in a pool of blood
Q48: - Was any explanation given as to how the accused's wrist was cut?
A48: - No
Q49: - Did you see any other articles there belonging to the accused?
A49: - Just his bedside belonging, on his table
Q50: - You remember nothing about them?
A50: - No
Q51: - Did you see a letter relating to the accused?
A51: - Yes. It was given to the night supervisor. I did not see the letter till after, when it was shown to me by the night supervisor. That was miss Carsons
Q52: - Do you remember how many pages there were?
A52: - No, I don't. It was red ink, I think. I could not say how many pages it was. I read it over very hurriedly, and could not be sure what it looks like

Q53: - What time were the light turned out?
A53: - About 10.30
Q54: - Do you recognise this letter, exhibit 1, is this the letter you read?
A54 (Witness read the letter) I think it is the same letter, yes this is the letter
Q55: - How can you tell that?
A55: - I remember parts of it

Cross-examined by the defending officer

Q56: - Can you give some explanation as to how the accused's wrist was cut?
A56: - I don't think I could. His wrist was cut, but I could give no explanation as to how it was cut.

5TH WITNESS FOR THE PROSECUTION: CAPTAIN C.H.GAUDRY, Attached 15th C.G.H., sworn is examined by the prosecutor:-
Q57: - Do you know the accused?
A57: - Yes
Q58: - In what capacity are you attached to 15th C.G.H.?
A58: - As regional neurological physciatrist
Q59: - Did you attend the accused?
A59: - Yes on the 10th of February. He gave evidence of belonging in a group of phycopathic personalities, and he was mildly depressed. That is really the extent of my diagnosis
Q60: - Was there any indication of how long such a state might have existed?
A60: - It impressed me as long standing condition. The depression is more temper He was depressed when I saw him. Apparently the depression had existed some days. The implication of the dignosis of phyciatric personality is a tendence to act injudiciously, showing instability, easily disturbed emotion, containing a tendency to act impulsively.

CROSS-EXAMINED BY THE DEPENDING OFFICER

Q61: - Could that impulsiveness of a man result in an act to attract attention to himself?
A61: - It might be
Q62: - It is not necessarily an attempt at suicide that the accused is charged with in this particular instance?
A62: - I cannot say whether or not this attempt was genuine or intentional, or how strong the purpose of suicide, or whether it was just to make a gesture, I could not say

RE/EXAMINED BY THE PROSECUTOR

Q63: - Would your examination show the degree of responsibility of the patient, or the sense of responsibility implied by the condition?
A63: - It is a matter of opinion

7TH WITNESS FOR THEPROSECUTION:- CAPT. H. P. MARSHALL, RCAPC, 1 CARU, sworn Is examined by the prosecutor:-
Q64: - What unit are you stationed with?
A64: - No. 1 Paymaster, 1 CARU
Q65: - Can you identify this book?
A65: - As far as I know, it is the pay book of the person whose name it bears, that is, Gnr. Henning. It bears my signature
Q66: - It is customary for the soldier to putnhis signature on a certain page of that book?
A66: - Yes, it is compulsory. On page 6 of this pay book the man's signature appears. If a paymaster is in doubt, he gets the man to sign on a slip of paper
Q67: - Would you go so far as to say that if that is not his signature it is a forgery?
A67: - Yes, sir, I think I would say that. In accordance with the regulations, in the ordinarly course of events, the signature on page 6 should be the signature of the owner, in this case, the accused, unless it has been improperly put there by someone else

CLOSE OF CASE FOR THE PROSECUTION

Defending Officer:-

I move to have the charge dismissed, because a prima facie case has not been established. There is only one fact before the court, which is the letter. It has been proven to a certain extent that it was written by the accused. For the rest of the evidence, you have heard evidence which only shows that Gnr. Henning had a cut on his left wrist. There is no proof from any witness that he cut his wrist, neither is there any witness who had supported a charge of attempted suicide, therefore I submit to the court that this charge should be dismissed.

Prosecutor:-

As to say the accused cut his wrist, I would say that the consensus of what the witnesses say is that it happened about 2300 hours, so that the room was dark, and it would be difficult for anyone there to see him do it. We have this much from the evidence: the patient lying in bed with his wrist bleeding, his wrist was cut, and there wasblood on the floor, and blood near his bed. There was no noise or struggling amonth the patients to indicate he was fighting with anyone, no explanation from theaccused, and this is strongly suggestive that the accused cut his wrist. As to attempted suicide it is not for anyone to say that. There must be facts before the court, to let the court infer for themselves. That is what has to be established for the court to infer for themselves, whether suicide was attempted or not.

Defending Officer:-

The prosecutor implied that we should consider this case on suggestions. On my limited knowledge of law, a man can only be convicted on facts or very strong circumstantial evidence, of which we have neither here

The court is closed to consider the application

The court re-opens, and the president annnounces that the application is not allowed.

R.P. 40(A) note 2 complied with, and the defending officer stated that he did not wish the accused to give evidence under oath, as he would break down too easily, but that he would make a statement not on oath.

Statement by the accused:-

As far back as I can remember sir, I don't remember my mother at all. I remember living with my father and brother, who had to work during the day and another lady used to look after us. We did not see much of him. This was in Winnipeg. When I was about two years old mother died on account of Scarlet fever. My father definitely held that against me, and gave me that impression all the time. I started to school, and did not like mixing with anyone. I used to play hookey quite a bit. I used to get clothes handed down from otherpeople, and resented that other people could have things, and I could not, so I started to steal. When I was about 11 or 12 an insurance man came to live at our place, and I had a stepmother then, and she beat me for playing hookey from school. I ran away once when I was 10. This insurance man was staying at our house, and he missed a large sum of money from his room. I was blamed for it, andwas taken to court, and did two years in the reformatory. I was let down on that. I had to do something, so I stole small things and was sent back for another two years. I got about two months off. I came out, and was sent back again for two years. The third time I came out my stepmother would have nothing to do with me. I could not get a job that I could stick to on the farm. I met some fellows and went to Portage and stole a car and broke into a clothing store to get some clothes, and got two years in the penitentiary. When I came out my people said they were through with me. I joined the army, and went to the same unit as my brother. My father heard I joined the army, and took me back home, and then I met my wife. From the time I met here, I had never been so happy in my life. I had a friendship that I had never had before. I came overseas in 1940, in December. As soon as I left my wife I started drinking again. I just lose control over myself. I got over here and had two M.C. accidents. I went AWL a couple of times, but twice came back myself. After being away for awhile, I thought about my wife and came back. I was grounded for all M.T. vehicles for the accidents in 1941. The last time I was away, I was away 46 days, and was arrested in Scotland. I got in trouble and was sentenced to 8 months hard labor. My wife stuck to me, wrote me, and sent me mail. I escaped from the Provost corps and then handed myself in to 1 CARU. I was court-martialed for AWL and given 180 days detention. When after serving 2 or 3 weeks of my sentence I got appendicitis and went to Bramshott, where I met Beveridge. He started talking to me, and he saw one of my letters, and asked where it was from, saying the writing was familiar, and asked if he could read it, and I said "Yes". He said it looked like his wife's handwriting. He said his wife came from the same place as mine, and his brother in law and mother in law were the same. Everything fitted perfectly. When I decided that this man was married to my wife too, I asked for the padre on Saturday morning, but he did not come, and I could not eat or anything. I wanted to convince them that I was in earnest. I did not intent to take my life. I just wanted to be able to see my wife

Accused submitted a photo of his wife, which was annexed to the proceedings.

1ST WITNESS FOR THE DEFENSE; CAPT. H. LEWIS, P.S.C., I C.A.R.U. sworn, is examined by the defending officer:-

Q'72: - I ask you to recall Saturday, the 8th of this month, tell the court what happened that day

A'72: - On Saturday the 8th of April I administered the "G" test to the accused, in which he scored 153, grade C, quite above the average for the ranks in the army. We filled out a qualification card "Q". During the course of the interview I elected a certain amount of information from him which led me to believe that his was a case of mal-adjustment. I also administered a test which has not been standardized yet, which brought out to my satisfaction the fact that the accused's response indicated something which is diagnosed as pathological personality

PROSECUTION DECLINES TO CROSS-EXAMINE THIS WITNESS

2ND WITNESS FOR THE DEFENSE:- CAPT. C.W. MCCORMACK, RCAMC, "O"Group, sworn Is examined by the Defending Officer:-

Q'73: - When you had this case brought to your attention, you looked at a let of the evidence, and drew certain conclusions, tell the court about that

A'73: - In a case of this kind, there are certain times when a man may be depressed below the average, when he may do things for which he is not res-

ponsible. I think in Gnr. Hannings case there are strong indications that this was so.

Q74: - Tell the court, is there a possibility, wholly or partially, or curing this case by home life, steady job, proper environment, and proper supervision?

A74: - Yes, I think that is the only way to get an improvement or cure to a certain extent.

PROSECUTOR DECLINES TO CROSS-EXAMINE THIS WITNESS

Closing address by the defending officer attached hereto:

Closing address by the Prosecutor:-

I am sure you are all agreed that this case is one which calls for a remedy. Much of the evidence we have just heard from the defending officer would be much better said in mitigation than on the facts of the finding. No one can say what the accused's intent was. On the evidence of what happened, I submit that the court may find the accused guilty of cutting his wrist with intent to take his own life. It rests with the court, if they find the accused guilty, to attempt whatever remedy they may.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE FINDING

The court re-opens, prosecutor presented to the court AFB 296 and MEM 6 stating that they both referred to the accused
R.P. 46 (B) complied with, and neither the accused nor defending officer had any objection to these two documents.

Pursuant to R.P. 87(C) the defending officer stated that he would call two witnesses as character reference

1ST CHARACTER WITNESS:- H/CAPT. S. D. RIGES, Padre, 1 CARU' sworn, states:
I was called to the guard room to visit the accused, he had returned from the detention barracks. I found him in considerable distress, but as time went on I got his confidence. He was a man who wanted to find friends, and his work could be taken. He was treated very well and allowed to go out of the guard room in the evenings to a show, and he never abused the privilege. I think he was happy when he was at home. He leads a respectable and useful life with his wife at home. I think it would be beneficial to him and to the court and to all of us if we could return him to that life, and I feel sure that he could be re-established.

2ND CHARACTER WITNESS:-B 6323 S/SJT COCKER, F, 1 CARU, sworn, states:-
Gnr. Henning has been detained in the unit guard room for approximately 26 days and his behavious without exception, has been excellent

D.C. - I think I have covered everything pretty well, and I have nothing to add in mitigation to the character evidence which was given

R.C. 3262 complied with

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE

"D. L. Redman" Lt. Col.

In summing up it will not be necessary, I'm sure, to go over the evidence again which you have now had presented to you. I feel too that I have proven beyond a doubt why the accused should not be found guilty, but I would like to direct the attention of the court to certain salient features in the life story of the accused which have a direct bearing on the situation in which we find him today.

I am convinced, and am assured by much competent medical opinion that this man presents a case of serious maladjustment. Here are the contributing factors. At the age of two years by her death he was deprived of the greatly needed care of his Mother. She contracted scarlet fever from him, and as the lad grew up he came to feel that in some way he was guilty of causing the death of his Mother. His father, unreasonably and cruelly persisted in laying this charge upon his son. You can, I'm sure, appreciate the effect this would have on a young boy's mind. Instead of guidance and inspiration, such as most of us have enjoyed, there was an insidious persecution, and the gradual driving home of a conviction of guilt. The father married again and the last state was perhaps worse than the first; the bias against the young boy was never removed, and a steadily increasing resentment grew up between the boy and his home, fostered by the unreasoning and harsh attitude of the stepmother. It is known that at an early age the accused was made to stand punishment for a crime for which his stepmother claimed him to be responsible.

It is hardly conceivable, gentlemen, that a youngster could grow up in an atmosphere of this sort and not have his mind seriously injured. Now the evidence of the psychiatrists shows that this man is, and moreover has been for years, mentally ill. Therefore, it should be clear to all of us that this man needs our help, and I know that when you are convinced of this you will give your help most generously. I feel that were I in the position of the accused at this moment I should discover in myself, after a long and anxious wait, a growing confidence in the outcome of this court-martial. Let me say at this point that the conduct of the accused, since he was first detained in the guard room upon his return to this unit, has been both cooperative and exemplary. When he finds people he can trust he accepts direction from them, and I am disposed to lay stock in his given word.

Now he does, I am sure, trust this court. We are here, all of us in his interests; otherwise there would have been no court-martial. He needs our help. What can we do to help him? Is a verdict of Guilty the answer? The answer must, most emphatically be "NO". Were a sentence of Guilty to be returned, the mental condition which must be cured if at all possible would greatly deteriorate and punishment would defeat its own purpose since it is an accepted fact that punishment should be a corrective process.

What then may be done to dispose of this case? Medical evidence has reboarded Gunner Henning Category "E". The natural consequence of this is that he should be returned to Canada. Capt. Gaudry's evidence points out that this man could be cured, if not wholly at any rate in part. The cure will be progressive under the proper influences and in the proper environment. The strongest influence for good in the accused's life is undoubtedly his wife. You may think perhaps that a woman who might (though there is no certainty of this) be married to another man, is not a fit companion for Gunner Henning's future life. I am disposed to think otherwise, and the Padre does not disagree. It has been proven without doubt that this woman took what was his life, and made it vital and directed it into the right path. She gave this man the social companionship, and the home that he needed. In his record it shows that as long as she had him in hand he lead a normal and straight life, and a happy one. This was a new experience I am fairly certain that a proper adjustment can be made in his domestic life and we are working to that end.

I remember Henning in the Winnipeg Training Centre in Canada. He was normal and applied himself well. It was obvious that when he was away from his wife for any length of time he was sometimes depressed. I could inject "Aren't we all?" She definitely had the capacity to re-establish a happy state of mind and judging by her letters I have ample evidence of her continued loyalty to him, and this at a time when she might have been excused and permitted some indifference. This has not been the case and

their correspondence one with the other has been regular and a bright spot i
a somewhat dismal period spent by the accused in this country.

We have to think of a positive way of making this man a useful citizen. It would appear that this man's usefulness to the Army has ceased for a time to exist. The problem which faced us at the outset was one of maladjustment to which we have found at any rate part of the answer. By returning a verdict of "Not Guilty" you set in motion the processes by which we have real hopes this problem will eventually be solved. Remember the medical evidence shows that given the proper environment this man's psychopathic condition can be adjusted. The proper environment is his home, the company of his wife, and a job under good supervision. We can establish this environment for him.

A verdict of "Guilty" will introduce the question of subsequent punishment which should not, I most earnestly plead be entertained by this court. Further it will retain this man within the framework of the Army when his Category "E" is the technical equivalent to a discharge and finally and most effectively will tie the hands of all those who seek to restore this man to the proud status of a good Canadian citizen. Of those who strive to this end I am sure each one of you wishes to be included. It will be to the lasting credit of this Court to have set this man's feet upon the road to a life of privilege and happiness for which wise act we shall retain his gratitude and trust.

Gentlemen, this is the case before you. I submit to you that in view of the facts now before you I trust that you will return a verdict of "Not Guilty"

Please try and understand I am not a coward.

I did this because I can see nothing left for me to do. It is hard for me to put into writing the feeling I have in my heart, I don't believe anyone could explain it.

When I was back home I met and married a girl whom I loved, she to me was everything noone else could ever take her place. Whilst in conversation with one of the men he stated that the writing on one of my wifes envelopes looked familiar to him, soon I learned he knew all about my wife and later he told me he was trying to get a divorce from his wife. I soon learnt after speaking to him that they were the same girl.

Surely you can understand how I feel and why I have taken my own life. I am only one of many millions so I feel I shall not be missed and sooner than try to cause anyone any trouble I have decided to end it this way. Tell my wife I loved her to the last and right to the end I couldn't believe it to be true.

God bless you all. Regards to Mrs. Tucker and many thanks to her for her understanding and kindness shown to me when she learnt of my bad news. She is a wonderful woman.

Love to my brother now serving in the 6th Fld Regt R.C.A. in England

Mister President and Members of the Court: In offering a plea of leniency for the accused, Pte. Henri, A.J., I would like to state that he is a married man with a wife and a girl, sixteen (16) months old, and a boy, nine (9) weeks, and I respectfully submit that in your findings and award you will take into consideration the Dependents Allowance which would automatically be cut off the wife and two children after a period of six months.

On the 23rd of May, 1944, the accused was interviewed by Captain E.C. Armstrong who is a Psychiatrist, at present attached to No. 1 Cdn A.S.C. R.U., and in his examination of the accused he reports the following:

"His judgement is immature and poor comprehension, etc, limited. He is emotionally unstable, impulsive, immature reactions. Little sense of discipline control or responsibility. Outlook anti-social. His adaptibility is low. Adjustments immature and inadequate. Has never adjusted in civil life or during service. Moral low and is egocentric in outlook and behaviour. He appears of little use to the Canadian Army Overseas. Contributes little useful service and punishment has little useful results. Recategorization M-4, S-5."

That is all I have to say in my plea for mitigation.

SUMMARY OF EVIDENCE

IN THE CASE OF C-11595 Pte. Alfred Joseph HENRI, of 1 Cdn ASC Rft Unit, a soldier of the Canadian Army Overseas.

1st WITNESS (For the Prosecution)

D-139931 Pte. Boysen, J., having been duly sworn states:-
"I am D-139931 Pte Boysen, J. of 1 Cdn ASC Rft Unit
" On Saturday, 20 May 1944, about 1300 hours when I came back to my hut No. 16 of B Coy I found my kit bag out of place and as I pushed it back I noticed that the kit bag was cut open and that my cigarettes were missing. There was nine packages of British Consols of 50 cigarettes each. The rest was made up of Sweet Caporals and Black Cats. (The witness was shown a kit bag and contents marked Exhibit "A" which he identifies as his own and was able to produce the key to unlock the lock on this kit bag.) I hollared out that my cigarettes were gone, then Ptes Prowse and Robinson said that they had seen somebody in the hut asking for a palliasse and the boys said, "That must have been him, lets go and look for him." A bunch of us went out and we went from hut to hut and at last we went into an empty hut and saw Pte Henri enter another hut and Robinson said that that was the man that was in the hut. The accused went out and we followed him and I went into the empty hut he left to see if he had left anything behind. I looked through everything and I found an empty container of British Consold and I knew that we were on the right trail. In the meantime the boys had caught up with Pte Henri and they bought him back to our hut and they took the nine packs of British Consols out of his tunic. After that he ran out of the door and all the boys followed him down to Victoria Square where Robinson caught him. We took him back again and I asked him where the rest of the cigarettes were and he took us to the Boiler Room of No. 4 Kitchen where Sweet Caporals and Black Cats were lying on the bench. From there he was taken to the Guard Room along with the part of the cigarettes. The R.P. there called for the kit bag and the empty carton. I brought the cigarettes in question on the boat coming from Canada, having arrived in camp about 7th May."

2nd WITNESS (For the Prosecution)

A-29167 Pte. Robinson, L.B., having been duly sworn states:-
"I am A-29167 Pte Robinson, L.B. of 1 Cdn ASC Rft Unit,
" On Saturday, 20 May 1944, at approximately 1230 hours on returning to my hut, No. 16 of B Coy, in Wolfe Lines, I met Pte Henri, whom I now recognize as the accused, in the hut with a palliasse. I asked him what he was doing and he said that he needed a palliasse and since the bunk in the corner was empty he took the palliasse. At about this time Pte Prowse entered and Pte Henri went away. I watched out the window to see where he went and sort of forgot about it until Pte Boysen came in and noticed his kit bag was slit. (The witness was now shown the kit bag marked Exhibit "A" which he identifies as that belonging to Pte Boysen which was slit open.) We decided that it must have been the fellow that took the palliasse and we started going through the huts in Wolfe Lines. We went into one of the huts that was completely empty and while in there I noticed Pte Henri coming up the walk and entering the hut opposite to us.

.....cont'd

2nd WITNESS (cont'd)

I sort of had an idea that it was the man who was in the hut. When he came out we followed him he must have been suspicious of us because he kept on looking around. He cut through back of the huts towards No. 3 Kitchen and went through the door into the Kitchen. Pte. Robinson, E.J. and Pte Sutherland went around to the opposite end of the Kitchen and caught him as he came out. When we came up he admitted to taking the cigarettes and had nine packages on him. We took him over to our hut where he emptied them on the bed from inside his tunic. He then broke away and ran acrossby the Sally Ann towards Victoria Parade Square where he was caught by Pte Robinson again. Pte Henri then took us to where he had the rest hidden at the Boiler room of No. 4 Kitchen. An R.P. happened to be there at the time and saw the cigarettes. I saw some Sweet Caporals and Black Cats on a bench to the right of the door covered with something in the Boiler room. Pte Henri was then taken to the Guard Room where Boysen made the charge. The accused when caught had nine packages of 50 to a package of British Consols cigarettes. I sleep about three beds from Pte. Boysen. Pte Henri did not belong to our hut. I did not know that Pte Boysen had any cigarettes until he told us that they were gone. (A package of British Consosl was shown this witness who claims it was the same as found on Pte Henri.)

3rd WITNESS (For the Prosecution)

K-69327 Pte. Prowse, L.J., having been duly sworn states:-

" I am K-69327 Pte Prowse, L.J. of 1 Cdn ASC Rft Unit
" On Saturday, 20 May 1944 I came back to my hut No. 16 of B Coy at approximately 1215 hours and I met Pte Henri, the accused, whom I now recognize, going out of the door with a palliasse under his arm. I thought nothing of it at that time until Pte Boysen had discovered that his kit bag was slit open. (The witness was now shown Exhibit "A" which he identifies as the kit bag which was slit and belonging to Pte Boysen.) Then we went out looking for the party who had taken the palliasse. We went into an empty hut in Wolfe Lines there was nothing in there so we crossed to another empty hut and we saw Pte Henri going into the hut we just came out of, so we stayed in the hut until he came out and followed him where Pte Robinson, E.J. and Pte Sutherland stopped him at the corner of No. 3 Kitchen and found nine packages of British Consosl each containing 50 cigarettes, on him. They were in his tunic where Pte Sutherland had felt them. We took him back to our hut where he emptied the cigarettes on a bed. (The witness identifies that the cigarettes were the same as a package shown to him at this time.) Then Pte Henri made a run for it and was caught again down on Victoria Square. We then asked him where the rest of the cigarettes were and he took us to the boiler room of No. 4 Kitchen where I saw a number of packages of Sweet caporals on a bench covered with a sack. He was then taken to the Guard Room. I sleep across from Pte Boysen. Pte Henri did not belong to our hut.

4th WITNESS (For the Prosecution)

K-69877 Pte. Robinson, E.J., having been duly sworn states:-

" I am K-69877 Pte Robinson, E.J. of 1 Cdn ASC Rft Unit

" On Saturday, 20 May 1944, at approximately 1230 to 1300 hours I came back to hut No 16 of B Coy after dinner. Pte Boysen was standing beside his bed and he said that somebody had ripped open his kit bag and taken his cegarettes. (The Witness was now shown Exhibit "A" which he identifies as the kit bag belonging to Pte Boysen that was ripped.) (Pte Robinson sleeps a few beds from Pte Boysen.), Sutherland and I were left behind in the hut to clean up and straighten kits so when Pte Boysen made that remark we thought that he would think we knew something about it. Then Pte Prowse and Robinson said they had seen someone not belonging to the hut take a palliasse so we asked them which way he went. About ten of us got together and went searching through the lines. We went through all the huts up to the empty ones up the linewhile in one empty hut Pte Henri, the accused, whom I now recognize was seen coming out of a hut and Pte Robinson said he thought it was the fellow. Sutherland and I went around the huts to get ahead of him, meanwhile, the rest followed up the sidewalk I noticed that his tunic was puffed out and looked suspicious. He went pass the N.A.A.F.I. and we went around to try and catch him in front. We went around to the entrance of the Mess Hall. Pte Henri came up to the corner and we stopped him Sutherland felt his tunic and felt packages of cigarettes under it. When we asked him where he got them he tried to talk to us to bribe us. The rest of the fellows came up and we took him to the hut. He took the cigarettes out of his tunic and put them on the bed. He took out about eight or nine packages of what I think were British Consols of 50 per package. He walked to the door and ran towards the Sally Ann. Sutherland caught him at the end of the Sally Anne, he got away, I ran after him towards the Victoria Square where I caught him and Sutherland and I took him along and after asking him where the rest of the cigarettes were he said he would show us. He took us to the boiler room of No. 4 Kitchen where we found packages of Black Cat and some other kind on a bench covered up. From there he was taken to the Guard Room. I know Pte Boysen as long as I was in hut 16."

5th WITNESS (For the Prosecution)

H-103822 Pte Sutherland, J.L., having been duly sworn states:-

" I am H-103822 Pte Sutherland, J.L. of 1 Cdn ASC Rft Unit,

" On Saturday, 20 May 1944, at approximately 1220 hours on returning from lunch to hut 16, B. Coy, on entering the hut, and finding that one of the boys in the hut had had his kit bag slit open and was missing cigarettes. Inquiring as to who has seen anyone leaving the hut with anything, two of the boys Robinson and Prowse, saw a fellow leaving the hut with a palliasse. We immediately started to look for a fellow carrying a palliasse. Going through most of the lines we came to two empty huts, seeing a fellow entering one of the huts, the two boys identified him as being the fellow seen leaving hut 16. We proceeded to follow this fellow back of No. 3 Kitchen where Robinson, E.J. and I stopped him asking him what he had in his tunic. I felt his tunic and felt what seemed to be packages of cigarettes. Immediately he told us he was hard up and that he would fix it up with us if we said nothing about the incident. Waiting till the other boys had arrived we asked him where the rest of the cigarettes were hidden. He took us to Hut 16 where he emptied his tunic of cigarettes which were identified as belonging to Pte. Boysen.

5th WITNESS (cont'd)

(The witness was shown some packages which he says were the kind found on Pte. Henri,) We found approximately nine packages of British Consold containing 50 cigarettes to a package. Telling us that he would show us where the remainder of the cigarettes were he proceeded to the door and started to run towards the Fawcett building. I chased him and caught him beside the Sally Ann where he got away from me. Pte Robinson, E. J. and I chased him around to the rear of the Fawcett building where Pte Robinson caught him. He then took us to No. 4 Kitchen Boiler room where we found the remainder of the cigarettes hidden underneath a sack on a bench. We then proceeded to take this fellow to the Guard Room where he was taken over from us. Returning to the Boiler room of No. 4 Kitchen we inquired as to how the fellow had gotten the cigarettes hidden in there but had no satisfaction. I identify Pte Henri, the accused, as the man we caught with the cigarettes." (Exhibit "A" was shown to this witness and he identifies the Exhibit as the kit bag belonging to Pte. Boysen that was slit.) "When I entered the boiler room and the cigarettes were uncovered I think that they were packages of Black Cat and Sweet Caporals.

I saw that Pte Henri was doing something and I saw blood on his wrists. I shouted to the other chap then I took the razor blade away from him and stopped him. He seemed to be in a sort of a daze at the time so I held on to hom. The other chap knocked on the door for the Guards. I saw Pte Henri starting to cut his wrists the other was already bleeding. " On the 21st May 1944 I was on duty in the Unit Guard Room of No 1 Cdn ASC Rft Unit. About 1600 hrs I heard a knock on No. 3 cell door, I went to the door and opened it and two other men that were confined with the accused, Pte. Henri, whom I now recognize, were holding on to Pte Henri. One of the, Pte Graham, told me that Pte Henri had cut his wrists with a razor blade which he handed to me. I immediately called for L/Cpl Blackburn and told him what had happened. I questioned Pte Graham and Pte Conlin if they had seen him do it, they replied that they did not see him do it as they had been looking out the window and had their backs turned to him. They turned and noticed drops of blood on the floor. I asked Pte Henri what he had done and all that he replied was that he was all right. L/Cpl Blackburn immediately put some adhesive tape on the wounds and rushed him over to the R.A.P. where the Medical Officer tended to him. We destroyed the razor blade and all other loose blades or glass to prevent any further accidents. I saw the wounds on Pte Henri's wrists they were cuts that were bleeding. I did not see the blood on the floor because I was in a hurry to get him to the M.O. If a man leaves the Guard Room he is thoroughly searched when he gets back. Pte Henri did not leave the Guard Room that day. All S.U.S. shave every morning and have access to their own shaving kits. Pte Henri must have taken one blade into the cell with him after shaving as they are not searched after shaving and going back to cells. One R.P. always watches the men shaving an washing in the morning."

I immediately rushed over to him and grabbed him by the arm and saw that he was bleeding. I went to our cupboard and took a roll of adhesive tape and placed a piece on his wrists. I immediately detailed to escorts to rush him to the Medical Officer. I saw the wounds that were on Pte Henris wrists, they were cuts that were bleeding. I saw the drops of blood on the floor and also had some on my uniform. I did not see the razor blade because I was only thinking of getting this man to the M.O. The R.Ps detailed to watch the men in the ablution room are there to see that the men get through with their washing and shaving, they do not check to see if a man has taken anything out with him. SUMMARY OF EVIDENCE

'C' 1 Canadian Base Pers.

In the case of C-11595 Pte HENRI J.A. of 1 Canadian A.S.C. Reinforcement Unit, Blenheim Barracks, Farnborough, Hants.

The Commanding Officer Colonel M.V. McQueen, 1 Canadian A.S.C. Reinforcement Unit, Blenheim Barracks, Farnborough, Hants, directs that the evidence be taken on oath.

1ST WITNESS

M-55791 Dvr. Lister, W. having been duly sworn states:

I am M-55791 Dvr Lister, W. of 15 Coy, R.C.A.S.C., 2nd Armoured Brigade, Tournay Barracks, Aldershot, Hants. On Friday 14 August 1942 at 1230 hrs. I was called to the Coy Orderly Room and was shown a pocket book by the Adjutant, Lieut. R.T. Fraser and which I identified with the contents as being my own. The last time I had seen the pocket book was just before dinner at approximately 1145 hrs when I placed it in the left breast pocket of my battle dress blouse which was hanging in my locker in Workshop quarters in "D" Block. The locker was by my bed, the door closed but not locked. The description of the pocket book is as follows:

Black leather pocket book with zipper fastener Initials " W.L. " on one corner. The pocket book contained one ten shilling note and two farthings in cash. A ration card unused with the name W. Neal on it. Several soap coupons (about seven) One snapshot of a lady.

The accused declined to cross-examine this witness.

2ND WITNESS

D-115427 Cpl Proctor J., having been duly sworn, states:

I am D-115427 Cpl Proctor, J. of 15 Coy, R.C.A.S.C., 2nd Armoured Brigade, Tournay Barracks, Aldershot, Hants. Upon entering my barrack room at approximately 1145 hrs I observed a man closing the door of a locker. This locker belonged to Dvr. Lister, W. Seeing that this man was a stranger I immediately asked him what he was doing in the barrack room and why he was looking in the locker of Dvr. Lister. This man stated he was looking for a friend of his by the name of Dvr. McLean. He stated he had asked some of the men of this Coy if there was a Dvr by that name in this Coy. He stated that the men said there was and that he slept in the quarters where he was caught. He also stated that there being no one around he was looking at Dvr Lister's Kit Bag to see if there was a name written on it. I took this man to the M.T. Office to see S/Sgt Smally, but on the way I met S/Sgt Burley and I told S/Sgt Burley of what occured. S/Sgt Burley and I immediately started for the office with the accused and we met S/Sgt Smalley just as he came out and was locking the office. I then told S/Sgt Smally what had occured. S/Sgt Smalley immediately went to report to C.S.M. Finlayson who was just on his way to his quarters from the Orderly Room. S/Sgt Burley and I remained with the accused but upon seeing S/Sgt Smalley going for the C.S.M. he immediately attempted an escape. We hollered for him to halt and he paid not attention. We immediately gave chase. Being a faster runner than S/Sgt Burley, I was able to catch the man after he had got around the corner. He tried very hard to get away but I was able to handle him until S/Sgt Burley came and assisted me. We then marched him back to where C.S.M. Finlayson and S/Sgt Smalley were. The C.S.M. then ordered

us to take him to the guard room. We took the man to the guard room and placed a guard on him and waited the arrival of Lieut Fraser and C.S.M. Finlayson. On their arrival he was ordered to remove all the articles in his possession. These were all put on the floor and a list made of them by Lieut Fraser. This list consisted of the following articles: (See attached list).
As they were checking these things and making the list the accused then attempted another escape. This was by the window. As he went through the window S/Sgt Smalley went through it after him. Three of us went out the door and ran around the building. As he was no place in sight I climbed a ladder which took me up to the top of the wall which forms a small court yard for the guard room. It was in there where he was caught by S/Sgt Smalley. As soon as I saw this we went back into the guard room. As we entered the guard room we observed that the man was under guard and the windows were closed. I was then ordered to get two men from "D" Platoon and place them on guard. This was carried out and I returned to my quarters.

The accused declined to cross-examine this witness.

3RD WITNESS

M-55445 M/S/Sgt Smalley, J.E. having been duly sworn, states:

I am M-55445 M/S/Sgt Smalley, J.E. of 15 Coy, R.C.A.S.C., 2nd Armoured Brigade, Tournay Barracks, Aldershot, Hants. At approximately 1145 hrs on 14 Aug 42 I was locking the Workshop Office Door when M/S/Sgt Burley, C.M. and Cpl Proctor, J.W. came to me with the accused whom Cpl Proctor, J.W. had caught rummaging in a locker of our barrack room. After hearing the facts I told them to watch the accused until I brought CSM Finlayson. J.W. M/S/Sgt Burley and Cpl Proctor took the accused to the guard room. After locking the office, I went to the Guard Room where Lieut Fraser, R.T. and CSM Finlayson were questioning the accused. All the articles in his possession had been listed, one wallet of which he was unable to describe and one being questioned by Lieut Fraser, the accused admitted having stolen it from our Barrack Room. While CSM Finlayson was kneeling checking the articles as listed, the accused bent down to adjust his trousers. I saw him make a dash for an open rear window from this position and ran after him. Just as he got through the window I dove through striking him in the back with my shoulder and at the same time grabbed the back of his web belt with my left hand. I think that I knocked his wind out when I struck him with my shoulder as he made no further attempt to escape. On returning through the window he was placed against a wall with an armed guard on either side. Then I proceeded to dinner.

The accused declined to cross-examine this witness.

At approximately 1145 hrs. 14 Aug 42 Cpl Proctor reported to me that he had caught a man tampering with a locker in "D" Block. He had the man with him. As Cpl. Proctor and I were escorting the man to report to the CSM he attempted to get away by running from us. Cpl Proctor overtook him. We then escorted him to the guard room. While being questioned in the guard room the prisoner made a short dash and jumped through a window. M/S/Sgt Smalley caught him and returned him to the guard room. On being ordered to turn out the contents of his pockets he produced the following articles. (See attached list)

Just then M/S/Sgt Burley and Cpl Proctor appeared escorting the accused. I ordered them to take him to the guard room and I reported the matter to my Adjutant, Lieut Fraser R.T. SUMMARY OF EVIDENCE IN THE CASE OF C-11595 PTE HENRI J.A.

6TH WITNESS

Lieut R.T. Fraser, having been duly sworn, states:

I am Lieut R.T. Fraser of 15 Coy, R.C.A.S.C., 2nd Armoured Brigade, Tournay Barracks, Aldershot, Hants. At 1150 hrs, Friday 14 Aug 1942 CSM Finlayson informed me that a soldier had been apprehended by Cpl Proctor, J.W. of Workshop Platoon in the quarters of Workshop Platoon in "D" Block and was at present held in the Guard Room under close arrest. I accompanied the CSM to the Guard Room where I found C-11595 Pte Henri J.A. of Administrative Wing 1 Cdn A.S.C. Reinf Unit. He was dressed properly except that he did not have a battle dress blouse on. He did not have his Pay Book nor identity discs with him, but had a silver RCASC wristlet on his right wrist with the name C-11595 J.A. Henri engraved on the reverse side. From the smell of his breath I judge that he had been drinking. When questioned he stated that he had been looking for someone named McLean and had been directed to "D" Block. On further questioning he did not believe he could identify the man in question if confronted with them. I instructed the CSM to have his pockets turned out and catalogued the articles as follows:

Zipper Fastener Note Case Containing: Cash 10/- 2 Farthings

Loose articles in pockets:
2 keys, cash seven pence half penny, one handkerchief, one pencil, one comb.

While I was writing, Pte Henri, who was standing between the CSM and Cpl Proctor made a break to get away and dove head first through a window in the guard room. W/O/Sgt Smalley who was also present dove out the window after him and caught him at once. I collected the contents of his pockets, told him they would be taken to the Orderly Room. I then took them to the Orderly Room and reported the incident to the Officer Commanding and then telephoned the Adjutant of No 1 Cdn A.S.C. Reinf Unit, reporting the matter and asked that Pte Henri be picked up under escort. All the articles held appear to belong to Pte Henri with the exception of the Zipper Fastener Note Case and contents which have been identified by Dvr Lister of Workshop Platoon 2 C.A.B. Coy, as his. It was while rummaging in Dvr. Lister's locker that Pte. Henri was caught.

The accused declined to cross-examine the witness.

At 1150 A.M., on Saturday 7-2-42 I was on patrol on Station Road, Rustington, when I saw a lad, Brinley Smith walking towards Rustington. I saw that he was carrying a sand bag over his shoulder. I stopped him and asked him where he had came from. I asked what he had in the bag, and examined the contents. I found it contained one pound packet of butter, two tins of corned beef, one tin of milk, one tin of marmalade: which I recognized as not being civilian food stuffs. I took possession of this property at 1205 P.M. On the same day I saw E4917 Pte J. Henri in the Officers Mess in presence of the Major in charge of the Company. I questioned and asked if he gave the boy the foodstuffs. He replied, "I did not give the boy anything". He was cautioned and shown the foodstuffs in the sand bag. He then made a statement which I took down in writing and read over to him, and he signed. Before taking the statement I asked him if he could understand English and he replied, "I understand it allright". The statement I took from him reads as follows:

Mr. Brinley SMITH, 15 Conber Ave, Rustington, having been duly sworn states:-

I am Brinley Smith, aged 14 and I live at 15 Conber Avenue, Rustington.

On Wednesday afternoon, the 4 Feb 42 I was waiting for the cook, Private Henri, to come to Mrs Tiplady's place. Mrs Tiplady and the children were out. When he came they were still out and while waiting for them we played the gramophone. Then I went out to the Recreation Ground where I met Mrs Tiplady and the others, and told her that the cook was there. So they came along and myself I went home.

On Friday morning, the 7 Feb 42, at about 1030 a.m. I went to the cook's billet to deliver some messages from Mrs Tiplady. The cook told me that he expected Mrs Tiplady to meet him that evening at the bottom of the road by the white gate. I went to Mrs Tiplady's place and told her about it.

The next morning, on Saturday, I went back and the cook told me that he had been waiting for me the previous night. He then told me that he had left the parcel by the white gate and that it was on the left hand side. I went down and collected the parcel, and while I was going back to Mrs Tiplady's place the policeman stopped me and asked me what was in the parcel. I said I didn't know what was in it but that I had picked it up by the white gate and that I was taking it to Mrs Tiplady's place. The policeman then took the parcel away from me and told me that he was going to Mrs Tiplady's place himself.

Question 1- Did you know that there was a parcel to be picked up for Mrs Tiplady at the billet when you went there on the Saturday morning?

Answer. I did not know that there was a parcel to be picked up, but I had heard the cook mention on Friday morning that Mrs Tiplady had a parcel to pick up in the evening at about eight o'clock.

Question 2- Had you ever taken any parcels from the cook's billet to Mrs Tiplady's before?

Answer. Only cigarettes, that's all.

Question 3- Did you know that there was food in the parcel that you took on the Saturday morning.

Answer. No, I didn't.

The accused cross-examines this witness:

Question 1- Do you remember telling me on Friday morning that Mrs Tiplady had nothing for her children that day?

Answer. No, I don't remember.

Question 2- Did I tell you to take the parcel to Mrs Tiplady's place when you came on Saturday morning?

Answer. No, you didn't, but I thought you meant me to take it as Mrs Tiplady was supposed to collect it the night before.

Brinley Smith.
(Brinley SMITH)

The accused was duly warned in compliance with R.P.4(e) but declined to make a statement and reserves his defence.

The evidence was taken down by me in the presence and within the hearing of the accused, on the 19 Feb 42. The evidence of the fourth witness was taken down on the 10 Mar 42.

Compliance wit R.P.4(c),(d),(e),(f) certified.

The Defense declines to make a closing address.

Closing Address by Prosecutor "TP"

The evidence given by the witnesses proves that Pte Henri received an order from his CSM to proceed forward to his platoon and Pte Henri neglected to do so. He was reported absent without leave to the CSM and five days later he was apprehended in Rome. By these facts I ask that Pte Henri be found guilty on the charge against him

Plea in Mitigation of Sentence

I would kindly ask the court in mitigation of sentence in this case Pte Henri who has been in the army for 16 months as the court has a white sheet. Henri has been in Italy for four months and has participated in the battle of the Gothic line. It was told before this court by the witnesses ofthe prosecution that he did a good job in this battle. It was also told that he did a good job in that attack of 20th Octob er, but looked very nervous. His platoon commander certainly found out that he was nervous because as it was said by a witness for the prosecution he gave him a break by detailing him as escort of German prisoners.

I will also ask the court to take into consideration that Henri has family troubles. His mother diid last January.

The accused has good character. He is a volunteer. He was a fool rather than a knave and he apologizes.

DEFENCE ADDRESS

The accused, Pte.Henry,A.W.is charged with breaking out of barracks etc. Proof is required that he broke out of billets on 8th April,1945, and that he was duly warned for duty. I contend that neither of these have been complied with. The evidence of Pte.Moon, the accused, and Sgt. Carswell is not complete enough to prove anything. Sgt.Carswell's evidence is contradictory and he was not sure of dates. He may have thoughthe warned the accused, but actually did not do so.

COURT ADJOURNED FOR FINDING
