SCHEDULE OF CONVICTIONS BY A COURT-MARTIAL OR CIVIL COURT.

Description of Court by which tried.	Date and Place of Trial.	Charges upon which convicted.	Sentence of the Court.	Punishment remitted or sentence suspended.

I HEREBY CERTIFY that the foregoing particulars, which have been extracted from the regimental books in my custody, are correct to the best of my knowledge and belief.

Signed this 11th day of January 1945

"M.R. Coverhill" Lt Col

Statement in mitigation of sentence in the case of F 67651 Pte Hayes FA 22 Cdn Fd Amb RCAMC.

The Court is respectfully requested to consider the following points when decidin the sentence to be awarded to the accused.

1. Age The accused is a ma of forty three years, well past his prime. While his health is gone, yet it is reasonable to assume that he cannot stand rigorous punishment as well as a man half his age, the age of the majority of first class soldiers.

2. Marital States During the past eighteen months the accused has had a great deal of distress in his family. His wife whose health has never been good has been hospitalized, and although she is now at her home yet she is far from well. His eldest daughter, shortly before the commission of his offence died from Diphtheria. His youngest daughter was a this time also in hospital with diphtheria. Hardships which may be the last of the family of the accused are brought ot the attention of the Court.

3. Length of Service This man enlisted on the 2 Sep 39 before state of war was actually declared. He embarked for England in Jul 41. He has been with the 22 Cdn Fd Amb throughout. During his service in canada he was absent without leave on ten occasions and in these occasions he applied for leave to attend to his family affairs and was refused. He went absent from his unit to straighten up affairs which were beyond the scope of his ailing wife. From Jul 41 when arrived in England until Mar 44, he was absent only one day. He is not, apparently, a chronic deserter.

4. Time under arrest The accused has been under close arrest since 30 Nov 44 a total of forty three days. The Court is requested to consider this period when awarding sentence.

5. Finally, may it be brought to the attention of the Court that the accused voluntarily surrendered to the civil police, and that did not resist to be apprehended. As a soldier of five years service he appreciates the seriousness of his offence and has desired to plead guilty and is quite prepared to serve the sentence which the Court will award.

In view of the above facrs it is requested that the Court show such leniency as lies within its powers.

(John E. Barr) Capt.

Statement in mitigation of sentence in the case of F 67651 Pte Hayes FA 22 Cdn Fd Amb RCAMC.

The Court is respectfully requested to consider the following points when decidin the sentence to be awarded to the accused.

1. Age The accused is a ma of forty three years, well past his prime. While his health is gone, yet it is reasonable to assume that he cannot stand rigorous punishment as well as a man half his age, the age of the majority of first class soldiers.

2. Marital States During the past eighteen months the accused has had a great deal of distress in his family. His wife whose health has never been good has been hospitalized. and although she is now at her home yet she is far from well. His eldest daughter, shortly before the commission of his offence died from Diphtheria. His youngest daughter was at this time also in hospital with diphtheria. Hardships which may be the last of the family of the accused are brought ot the attention of the Court.

3. Length of Service This man enlisted on the 2 Sep 39 before state of war was actually declared. He embarked for England in Jul 41. He has been with the 22 Cdn Fd Amb throughout. During his service in canada he was absent without leave on two occasions and in these occasions he applied for leave toattend to his family affairs and was refused. He went absent from his unit to straighten up affairs which were beyond the scope of his ailing wife. From Jul 41 when arrived in England until Mar 44, he was absent only one day. He is not, apparently, a chronic deserter.

4. Time under arrest The accused has been under close arrest since 30 Nov 44 a total of forty three days. The Court is requested to consider this period when awarding sentence.

5. Finally, may it be brought to the attention of the Court that the accused voluntarily surrendered to the civil police, and that did not resist to be apprehended. As a soldier of five years service he appreciates the seriousness of his offence and has desired to plead guilty and is quite prepared to serve the sentence which the Court will award.

In view of the above facrs it is requested that the Court show such leniency as lies within its powers.

Summing up by defence - Lieut Middleton

When men are charged with creating a disturbance under M.A. Act 40 the statements taken from the civilians and then men and the evidence given in Court is contradictory and it is for the Court to decide whether or not the men are guilty

Lieut Middleton

In summing up the prosecution for this case I would like to point out that it has been shown in evidence by the four civilian witnesses, Marie Barrevoets, Franciscus Spaenenborgh, Marcellus Spaenenborgh and Paulus Spaenenborgh and the witness called in defence (Sgt Love) that these four accused, three of whom have been conclusively identified were present at Café de Dennen at 2400 hours 22-23 April 45 and did engage in a disturbance which resulted in damage to civilian property

Ref. 81/SIS/ANT/525/45.

SUBJECT: Alleged burglary and malicious damage.

TO: D.A.P.M.
81 Special Inventigation Section,
Corps of Military Police.

Sir:

I have to report that on the 24th April, 1945, in consequence of a complaint received at this office, in company with C.S.M. Dunn and Sergt. Whell, of this branch, I visited Hotel "Dennen", Casterlee, near Turnhout, and from the occupier Mdm. Barrevoets, Maria, learned the following facts.

On the night of the 22nd and 23rd of April, 1945. sometime around midnight, Mdm. Barrevoets was in herbedroom which is situated immediately above the cafe-premises, when she heard a vehicle stop at the rear of her premises. A few moments later she heard the sound of breaking glass and looking out of her window saw several soldiers standing at the back-door, one of whom she recognized as a Canandian soldier known to her as "BODGE".

Although Mdm. Barrevoets had no intentions at that particular moment of allowing these soldiers to enter her cafe, she alleged that she afterwards decided to do so, as she believed that further damage would be committed had she remained upstairs. Consequently she went to the back-door and upon opening it saw four Canadian soldiers who were apparently under the influence of drink, at the same time she noticed that the kitchen window has been broken.

Mdm. Barrevoets permitted the soldiers to enter in order to ascertain their requirements. Immediately these men arrived in the bar of the cafe, they demanded champagne. Mdm. Barrevoets endeavoured to pacify these men and a slight altercation arose. The Canadian known as "BODGE" then picked up a chair and crashed it down onto a table causing the chair to break. The remaining three soldiers having witnessed this incident commenced to do likewise and this resulted in quite a considerable amount of damage being committed to the cafe furniture.

Upon hearing the commotion in the cafe below and the screams of Mdm. Barrevoets, her son andhusband arrived on the scene. I might point out that the reason for Mdm. Barrevoets screams was due to the fact that she had been punched in the face by one of the Canadians (the Sergeant).

The son seeing his mother's condition immediately went to her assistance and whilst doing so was set upon by the soldiers in question. Being a person who had for a long period been under medical care, he was soon overpowered and, in consequence, when the opportunity presented itself ran from the scene of the disturbance and hid.

It was apparent to Mdm. Barrevoets that the only method that could be adopted under such extenuating circumstances, was to give to these soldiers the champagne they had asked for in the first instance. Whilst endeavouring to do this the Sergeant made his way upstairs to the sleeping quarters. This was brought to the notice of Mdm. Barrevoets by hearing a terrific crash of glass being broken and the sounds of angry voices.

Mdm Barrevoets immediately left her wine cellar and ran up the stairs to see what was occurring. On arrival she noticed that a large mirror on the wall had been broken and observed the Canadian Sergeant struggling with one of her guests, a doctor Dupuis, whose room had been forcibly entered by bodily pressure.

Realizing the seriousness of the situation Mdm. Barrevoets attempted to assist Doctor Dupuis and his wife, and it was while this fight between the doctor and the Canadian Sergt. was ensuing the Sergeant attempted to strike the doctor with the leg of a chair. Before the blow could materialize the doctor's wife warded it off and the chair/leg fell to the ground. Taking advantage of this change of events the doctor's wife picked up the chair-leg and struck the Sergeant on the head with it. The Sergeant was then ejected from the bedroom to the passage.

Eventually the remaining soldiers came upstairs and conveyed the Sergeant to the truck, which was stationary at the rear of the cafe. They then came back into the cafe and stole 8 bottles of champagne and a wireless set and then drove away.

Statements were taken by the official interpreter from the agrieved persons and witnesses, which are attached hereto. It will be seen upon perusing these statements that they corroborate each other in most of the details, and all the soldiers can beidentified.

Enquiries were commenced and numerous persons interviewed, the results of which enabled me to ascertain the identity of the Canadian soldier known as "BODGE." Consequently arrangements were made to have this soldier together with his accomplices brought to these Headquarters for interrogation.

Whilst awaiting the arrival of the soldiers in question viz. W. B 23218 S/Sergeant HAYES, No . B 58050 Corporal HULL, No 7089 Craftsmen PORTER, No F 24307 Private MEMOER, all of the 2nd Canadian Tanks Troops Workshops R.C.A.M.E., I again visited the attacked premises and there caused photographs to be taken of the damage to property and personal injury to Mdm. Barrevoets, (Photographs attached).

On Tuesday, 1st May, 1945, I interviewed Cpl. HULL (BODGE) told him who I was and that I had reasons to believe he was concerned with other soldiers in stealing and damaging certain property at the Hotel "Dennen" at Casterlee, near Turnhout. He replied, "Was there much damage done?" I cautioned him and he volunteered a statement which I took down in writing and which he afterwards read over and signed. (Statement attached, marked "A")

It will be seen in the statement made by this N.C.O. that he admits being in the Hotel on the night in question with other members of his Unit, and taking part in an affray which occurred therein. He alleges, however, that the champagne which had been taken by him had been drunk paid for. This I might point out is contrary to the statement made by Mdm. Barrevoets. He goes on to say that the window was broken by one of his colleagues by means of a broom.

I later interviewed S/Sergt. HAYES, told him who I was, the nature of my enquiry and cautioned him. He replied, I&ll help you all I can, but I was very drunk." He then volunteered a statement which is attached and marked "B"

HAYES in his statement admitted being with other soldiers of his Unit in a cafe in the Turnhout area, when a disturbance occurred, whereby he received a blow on the head. He alleged that he was very drunk at the time and did not know exactly what transpired.

Craftsman PORTER was then interviewed by me and a statement obtained under caution. (Attached marked"C"). This soldier alleges that the first he knew of the incident was when he was awakened by a noise coming from a cafe. He was asleep in the back of a W.D. truck at the time. He entered the cafe and saw Cpl HULL assisting S/Sergt. HAYES, who was bleeding from a cut in the head. He then alleges that he returned to the truck and went asleep.

Private MERCER was interviewed and after explaining to him who I was and the nature of my enquiry he volunteered a statement under caution which is attached, marked "D".

It will be observed upon perusing the statement that he not only corroborates the statements made by the other soldiers involved, but goes further and admits stealing the wireless-set and conveying it back to his Unit's location.

In consequence of arrangements made, the wireless-set in question was brought to this office and subsequently identified by Mdm. Barrevoets as her property and that which was stolen from her hotel on the night of the 22nd/23rd April, 1945.

A detailed list of damage is enumerated hereunder :

1 automatic radio-gram broken, together with an unknown number of gramophone records.
4 chairs.
1 table
1 door-panel
1 mirror (small)
1 mirror (large)
1 China vase.
  picture frames.
1 table lamp.
2 chair-seats.
1 door.
1 window-pane
1 electric bell.

I understand that Mdm. Barrevoets has submitted a claim to the value of 34.650 francs for property damaged and stolen from her hotel.

At this stage may I respectfully bring to your notice the fact that this investigation has been successfully concluded mainly through the assistance rendered by the Officer Commanding 2nd Canadian Tanks troops Workshops.

In view of the fact that the claim submitted by Mdm. Barrevoets is now in the hands of Claims & Hirings, I respectfully suggest that copy or this report be forwarded to this departement for their information.

Who saith:

As a result of enquiries made, on Tuesday, 1st May, 1945, I saw No B 58050, Cpl HULL, 2nd Canadian Tank Troops Workshops at this office.

I told him who I was and that I had reason to believe that he was concerned with others in the larceny of a radio and 8 bottles of champagne, and damage to property at the Hotel "Dennen" Casterlee, Nr. Turnhout.

He replied, "Was there much damage done?"

I immediately cautioned him and he then elected to make a voluntary statement which I took down in writing at his dictation and after he had read it over he signed it. (Produced)

I am employed as a mechanic at the above unit.

On Sunday, 2nd April, 1945, accompanied by S/Sgt HAYES and Ptes MERCER and PORTER of my unit, I left my present location in a three ton lorry. After we had got the spare parts we went into different cafes and had some drinks. When the cafes in Turnhout had closed, I remembered that I had previously visited the cafe "Deumen." It was decided that we should go on to this cafe. Upon arrival it was discovered that the cafe was closed. One of the men with me hit a rear window with a broom. The window broke. A few minutes later the proprietress came to the door and asked what we wanted. I told her we wanted twelve bottles of champagne as we had money to pay for it. The Madam then let us go inside the kitchen where an argument took place about the price. We counted our money and found we had enough to get about ten bottles. She took the money, while I was waiting for the champagne I noticed a bit of a scuffle in the bar. I went over and separated them. I don't know exactly who was there but I did see Madam's husband, her two sons and the staff Sergeant and two Privates who had come to the cafe with me. They were not exactly fighting then. Things seemed to calm down a bit and I then went to the lavatory. When I returned to the cafe, about five minutes. I joined the two Privates, Mercer and Porter, but the Staff Sergeant and the civilian had gone somewhere. I started looking and eventually found the staff sergeant in an upstairs empty room. He had a bad cut in his head and seemed to be bleeding rather badly. I called to one of the boys to give me a hand to get the sergeant downstairs as I did not know how badly he was hurt. Pte. MERCER came upstairs and gave me a hand and together we got the sergeant downstairs and into the truck. I then went back into the cafe to getthe champagne. I looked down the cellar and saw nine bottles on a table at the bottom of the stairs. I took these bottles and returned to the truck. We then drove back to our unit. I am certain that I left the money for the champagne with the madam. at least I did not get it back I did not see a radio at all.

The champagne has since been drunk.

On Sunday, 22nd April, 1945, I left my unit location to goto Turnhout in order to get some spare parts. I was accompanied by Cpl. HULL and C/Sgt PORTER and Pte MERCER of my unit. After we had got the spare parts we had a few drinks in different cafes in Turnhout. When the cafes had closed in Turnhout, Cpl HULL said he knew a place where we could get some champagne. We went to this cafe. When we got there the cafe was closed. I was very drunk at this time and I am not clear on what really happened after this. However I do remember being in the cafe and that a disturbance happened. I do remember having a struggle with someone and that I received a blow on the head. After that, everything went black.

I did not see anyone take any champagne from the cafe but I did drink some a day or two after. I don't know where the champagne came from. It is possible that I did some damage in the cafe but I do not remember. I am not denying it.

I was woke up by a noise and when I got out of the truck I found it had been parked at the back of the cafe. There was no sign of the staff sergeant, the Cpl or Mercer. MERCER shouted to me and said the staff sergeant had gone. I went into the cafe. A few minutes later I saw Cpl. HULL coming out of one of the doors. I gave Cpl HULL a hand to get the sergeant into the truck. I got in the back of the truck and lay down. About five or ten minutes after the truck started on the way back to the unit. When I saw the sergeant he was bleeding from a cut in the head. On the way back to my unit we took the wrong road and in turning round the truck backed into a ditch and we would have to get a tow out. We then looked for the champagne in order that we could have another drink. We found the champagne some of the bottles were broken. I also saw a radio of some sort in the back of the truck. This radio is now in a closet at my unit.

When I went into the cafe I remember seeing some damage but I can't just remember what it was.

On Sunday, 22nd April, 1945, accompanied by Sergt HAYES, Cpl. HULL and Oftsm PORTER, I left my unit to go to Turnhout in order to get some spare parts. We travelled in a three ton lorry. After we had got the spare parts we went into different cafes and had some drinks. When the cafes closed Cpl. HULL said he would take us to another cafe where we could get some champagne. When we got to this cafe we find it was closed. Either the sergeant corporal or myself tapped on a windowX and it broke. A few minutes after a lady came and asked us what we wanted. We told her we wanted some champagne and she let us in the kitchen. Cpl. HULL and myself were talking to this lady about the champagne. I don't know where the staff sergeant went. We gave her the money and then we heard a noise upstairs and went to look for the sergeant. We found him lying in an upstairs room bleeding from the head. We carried the staff out and put him in the truck and then Cpl. HULL and myself went back and got the champagne. At the same time I took the radio from the cafe and put it in the truck. This radio is now at my unit. On the way back to the unit we took the wrong road and got stuck in a ditch. We could not get out without a tow so we looked for the champagne so that we could have another drink. At least one bottle of champagne was broken.

I am not really clear on what did happen at the cafe because I was very drunk at the time but I did see a little "pushing around" going on.

Who saith:

On the night of 22nd to 23rd April, 1945 at about 24 hrs, I heard a truck stopping at the back of my house. Suddenly I heard some noise. I opened the window of my bed-room and I saw four soldiers, in front of the door of my kitchen. I recognized the face of one of these men, because I had already seen him before in my establishment. This soldier is called DODGE. At first I did not intend to open the door, but when I heard that these soldiers broke a window-pane, I got up and went down to the kitchen. DODGE was the first who entered this room. He asked me for some bottles of champagne because, as they said, they were thirsty. I gave him to understand that it was too late in the night to go and fetch these bottles in the cellar, but I offered him some sandwiches. DODGE did not answer but he seized a chair and broke it into pieces on the table. This action was immediately imitated by the other three soldiers. The four went then into my bar. As I saw that they were drunk and furious I promised them to fetch some bottles of champagne. Suddenly and without warning I was struck by one of the men, by a sergeant. Alarmed by my screaming, my son Marcel came out of his bed-room, when he was in the bar the four men set upon him. My son tried to escape by hiding himself behind my hsuband, who stood behind the counter. The sergeant struck him in his eye. In the menatime my son locked himself in his bed-room situated on the ground floor. The sergeant ran upstairs thinking to find my son hding in a room. He began with his acts of vandalism in breaking a mirror. In the meantime the three other Canadian soldiers remained in the cellar. DODGE was amongst them.

On a certain moment, the sergeant opened the door of a bed-room, which was occupied by doctor DUPUIS and his wife, both of these persons are residing in Brussels. A fight took place in which the Canadian sergeant was injured by the doctor's wife. As I heard, the sergeant fall on the ground, the doctor pushed him in another room, whilst he escapted with his wife in another bed-room which looks out on the small terras.

The three other soldiers stole a radio-set in my bar and eight bottles of champagne from my wine-cellar. A little while later DODGE went upstairs and called the sergeant, bothof these men went back to the ground-floor where they joined their comrades After that, they loaded the radio-set and the bottles on the truck and rode away.

I am able to recognize these four soldiers, at the least DODGE and the sergeant.
I have read over the above statement and it is true.

BODGE struck a violent blow with his rist on the nose, another just above the left eye and on theupper lip. As I bled abundantly, my pyjamas was soon covered with blood. Immediately afterwards the three other soldiers set on me, striking me from all directions. In the thick of the fight I noticed that BODGE wore 2 stripes. I tried to ward off the blows in hiding myself behind my father, who stood on the counter, but the sergt. seized may arm and pulled me back inthe bar, he threw me on the ground. I fell under a table in the right corner of the room, the brutally he struck me different times on the army. Ina moment of confusion I escaped, and locked myself in my bedroom, I intended to jump through the window in order to go and find some assistance by neighbours, whilst dressing I heard noise on the first floor. I opened the door ajar in order to see what happened, but I could not see anybody in the bar. In the meantime I heard somebody sacking the first floor. I shut my door, opened the revolving shutters of my bed-room and I escaped outside. When I stood in the garden, I saw the truck belonging to the four Canadians, this vehicle was parked behind my hotel, but the engine and the cabin stuck out. At a certain moment, I noticed one of the soldiers loading some articles in the cabin, but I cannot say which soldier loaded them.

Who saith:

In the night of 22nd to 23rd April, 1945 I heard some noise outside the hotel "De Dennen" at about 24.30 pm. We i.e. I and my wife, had rented a room on the first floor. At a certain moment I heard an unknown voice shouting "Charlie". I suppose they were calling for somebody in the hotel, whilst looking outside I saw soldiers throwing some tiles on the dog, which was in its kennel, a bit later I heard a window-pane crash. Somebody opened the kitchen door afterwards I heards cries. From that moment I know the visitors were Englishmen or Canadians, because I heard speaking English. I did not go downstairs for I ignored these men were armed. I supposed it was much safer to stay upstairs.

One of the two sons of the hotel owner, came upstairs, and knocked at the doors, but nobody answered. Somewhat later somebody else went on the first floor and broke everything which was in the passage. This person stopped in front of our door, went away and came later on, knocked brutally in order to open it. I ordered my wife to dress herself, whilst I covered myself with a raincoat, at the very moment the door was broken open. We saw a Canadian sergeant before us, he was very excited and pale his eyes were glittering and his mouth dry, he brandished a heavy seat-leg in his right hand. I approached him and told who I was but he seized me by the left arm and pulled me out of the bed-room, the sergeant raised the seat-leg, my wife warded off the blow and esteeming to be in lawful defence, took the wooden leg and knocked it several times on the sergeant's head, he fell heavily on the floor and rose again. I seized him by his hair and pushed him against the door of an opposite bed-room; the door gave way and the sergeant fell in the bed-room. Fearing the arrival of the other soldiers, who were still downstairs. We, I and my wife, escaped in another bed-room and locked the door.

A few moments later somebody else knocked at our door, but I did not open it. I was looking after my wife who was in a state of nervous depression.

I heard the truck leaving the garden at about 1 am. Somewhat later, one the sons of the hotel owner, asked me to convey him to the C.M.P. post at Turnhout. I am convinced that the Sergeant was drunk. I am able to recognize this man.

As we, I and my ~~XIFX~~ were sleeping in our bed-room of the hotel "De Dennen", in the night of 22nd and 23rd April, 1945, I heard suddenly some noise outside the building between 24 pm and 1 am. A truck stopped at the back of the hotel, then afterwards I heard somebody throwing any instruments on the dog, which was looked up in its kennel. An unknown voice shouted, "Charlie, Charlie, but I did not hear any answer.

A few minutes later I heard the crash of a window pane. Somebody opened the kitchen-door and later I heard the cries, "help help, they will kill Marcel." these alram cries were distinctly audible and wereimmediately followed by noise. My husband ordered me to dress because he foresaw that the situation became more and more alarming. Whilst waiting we heard somebody coming upstairs, that person stood still in the passage and touched the door, he then by rough fits and starts succeeded in opening it.

I saw a sergeant before us, he was tall and well built, had dark brown hair (curled) his complexion was tauny. My husband approached him and siad, "I am doctor." but I suppose that the man did not understand what my husband said, because he grumbled "no, no" At once he threatened my husband with a thick seat-leg, which he held in his right hand, seized my husband with his left hand, a fight ensued in which my husband tried to stop his aggression At a certain moment the sergeant raised the seat-leg and would strike my husband, I warded off the blow and the instrument fell on the ground. I picked it up and struck the sergeants head, but as he resisted I dealt another blow. At the very moment my husband seized him and pushed him in the passage, in the meantime we fled in another room and locked the door behind us. The sergeant bled.

A few moments later we heard somebody ascending the stair case. This person spoke to the sergeant and both of them went again downstairs. At about I am I heard the truck leaving the garden.

DECLARATION

FOR SUSPENSION OF RULES UNDER RULE OF PROCEDURE 104

In my opinion:-

(i) Military exigencies, namely:-

(a) This unit commences on 4 Apr 45 to move forward to deploy in active operations against the enemy.

(b) The evidence of civilian witnesses is necessary. These civilian witnesses are resident in our present area. It would not be practicable to bring these civilians forward to give evidence in our position in action. Nor would it be practicable to excuse the officers comprising the Court from operations, in order to return to this area to obtain civilian evidence.

and (ii) Necessities of Discipline, namely:-

(a) It is most important that these cases be disposed of as soon as possible as one of the accused holds authority and command over men.

SUMMARY OF EVIDENCE in the case of B.100525 Pte Frederick William HAYES RCASC att 8 Cdn Fd Regt (SP) RCA, Canadian Army Overseas charged with AA Sec 41.

The Commanding Officer directs that the evidence be taken on oath.

1st Witness — Raymond VANDAMME
"Au Vieux Duc de Brabant"
78 Rue de la Gare, COMINES, BELGIUM having been duly sworn states:-

" I am Raymond VANDAMME lesee of the cafe "Au Vieux Duc de Brabant" 78 Rue de la Gare, COMINES, BELGIUM. On 29 Mar 45 two Canadian soldiers whom I now identify as being M.2150 Gnr MAY, W and B.100525 Pte HAYES, F W asked me if I would be interested in five automobile tires. They assured me that the tires were not stolen. An arrangement was made whereby upon delivery of these five tires I would loan these soldiers the sum of five thousand francs. I would hold the tires as security for this loan. My wife informed me that shortly after 1630 hrs 29 Mar 45 these two soldiers arrived at my place by jeep with five tires. The tires were delivered to me and I later gave each of the two soldiers the sum of twenty five hundred francs. The tires were stored in an army truck which is permanently stationed in the back yard of my cafe. At about 2030 hrs I discovered that the tires had been removed from their storage place. Upon making a search I found them in the back of a jeep parked in the lane beside my cafe. A third Canadian soldier, whom I now identify as H.59524 Sgt McFADDEN, F L joined me at the jeep as did M.2150 Gnr MAY, W and B.100525 Pte HAYES, F W. I asked to have the tires returned to me as they were my security for the money I had advanced. The N.C.O. threatened me and said he would report me to the police. I said that was alright but the police should be brought here. H.59524 Sgt McFADDEN, F L and M.2150 Gnr MAY, W then got into the jeep and drove away. I could not stop them. I stood in front of the jeep but they drove forward and I had to jump aside to prevent myself being run over. B.100525 Pte HAYES, F W returned with me to my cafe and gave me back the twenty five hundred francs which I had loaned him. M.2150 Gnr MAY, W has not as yet returned the money I gave him. About twenty minutes after McFADDEN and MAY had left, MAY returned with the jeep and the tires. He said he would return the twenty five hundred francs I had given him if I would accompany him in the jeep to his billet. I went out to go with him when an officer stopped me. "

The driver left the jeep, entered the cafe and returned with a civilian. I can now identify the driver as M.2150 Gnr MAY, W and the civilian as Raymond VANDAMME, lessee of the cafe. SUMMARY OF EVIDENCE in the case of B.100525 Pte Frederick William HAYES.

2nd Witness (continued)

..... A moment later the two re-entered the cafe and I examined the jeep and found that it contained five automobile tires. I stood aside to await developments. In due course MAY and VANDAMME came out of the cafe and got into the jeep and were about to drive off. I stopped them. Upon being questioned VANDAMME stated that he had bought the tires from M.2150 Gnr MAY, W and B.100525 Pte HAYES, F W and had paid them a total of five thousand francs for them. He stated that the tires had been removed and that HAYES had returned his share of the money. Gnr MAY stated that he had obtained the tires from WERVICQ. I asked him what he was doing with the tires and he said that he would not talk. I asked him if he had authority for driving the jeep at this time and he said that he did not have such authority. I placed MAY under arrest, had the tires stored at the Regimental Command Post and had the jeep returned to the vehicle park.

On 30 Mar 45 the tires were examined in my presence by Abel CATRY of WERVICQ, a Belgian citizen who identified them as his property stolen from his premises in WERVICQ on the night of 19/20 Dec 44."

Les pneus ont été délivrer à moi et j'ai donné a chacun des deux soldats le montant de deux milles cinq francs. BRIEF SUMMARY OF STATEMENT IN MITIGATION OF PUNISHMENT AND EVIDENCE AS TO CHARACTER.

Lieut. W.D. Careless (sworn) produces A.F.B. 296 and N.F.B. 6.

C-11374, Pte. Hayes, G.A., being duly sworn, is examined by the defending officer.

Would you tell the Court your story from the time of enlistment?
A5 - On the 5th September, 1939, I enlisted in the A.S.C. and posted to No. 1 Corps Petrol Pk. and completed my training and came overseas with the Corps Pet. Pk. and landed February 10, 1940. I was taken ill some time after I got over here and taken to hospital. After being released from hospital I was reboarded on 1st April, 1940. I was C-2. Then on the 26th April, 1940, I was transferred to Canadian Base Depot. From there I went to the General Holding Unit and when the RCASC holding unit was formed I was automatically transferred to them. Since then I have been in almost constant hospitalization. My work consisted mostly of room orderly and at times I worked in company orderly rooms. Because I was C-2 I was told that I was a crock and no use and my one ambition was to get back to the field and soldier and get a re-board and there was nothing they could do for me. During a moment of weakness I went A.W.L. from the RCASC holding unit. When I left I was afraid to go back. This is the first time I have been tried and it is the finest offence I have committed in the army. I realize now I made a very bad mistake. While I was away I was thinking of my people all the time and the distinguished service of my father who won the D.C.M. in the last war and so I came back and gave myself up.

Cross-examination by the prosecutor.

Q6 - When you were in the A.S.C. at Borden you made the statement that you were working in the orderly room and were nearly always room orderly?
A6 - Yes, sir.
Q7 - Did you or did you not request to be put into the R.A.P. as clerk there?
A7 - Yes, sir, I did.

Q8 - How long were you working there?
A8 - I don't know, sir; about a week.
Q9 - Did you like the work there?
A9 - No, sir, I didn't.
Q10 - You asked to go on that job and then you went a.w.l. from the job? You didn't have permission to leave the camp, did you?
A10 - No, sir.
Q11 - You were working in the R.A.F. when you went a.w.l?
A11 - No, sir.

Second witness for the defence, Major K.K. Thompson, No. 1 M.T.V.R.D., No. 1 R.C.A.S.C. Holding Unit, being duly sworn, is examined by the defending officer.

Q12 - Would you tell the Court what you know of Hayes' record and service and character?
A12 - Hayes enlisted in the unit of which I was adjutant, The Corps Petrol Park, on the 5th September, 1939. While he was with me he was employed in my orderly room. I have nothing but the very best to say for his character. His associations and family are excellent. All the time he was with me in the Corps Petrol Park and when I was company commander in the A.S.C. Holding Unit his character was exemplary. Had it not been that he was a category man I would have had him in my own unit. I think that is all I have to say. It is a pleasure for me to come as character witness. This soldier was an excellent one.

The prosecutor declines to cross-examine.

The Court is closed for the consideration of the sentence.

Plea by the Defence

The Prosecution has not proved against the accused that the accused has any personal knowledge of the shooting affray or the Police and without the personal knowledge the accused could not be guilty of desertion & therefore submit that no Prima Facie case has been made against the accused.

Ruling by Presidents

Sir, the plea made by the defence is one which the tribunal is bound to consider. It has definitely been proved that the man was A.W.L. That in itself constitutes a Prima Facie case as A.W.L. is an alternative charge to desertion.

Closing Address by Prosecutor

Sir it has been definitely proved that the man is A.W.L. Now although this man on account of a technicality will probably not be found guilty of desertion yet I uphold that he did desert his comrades at a critical time, making void such a section of men who depended on him. There is no doubt but that the man did receive the warning & he must certainly received credit of it

C. Bellevance resp

V

so he was up promptly at reveille. If he meant so he must have advised the ~~order~~. He certainly must have turned Cowardly. The accused ~~was not guilty of~~ did & testify correct and due as other witness of the Court cannot find it clear & find the man guilty of desertion I submit that it was definitely one of the worst cases of A.W.L. and the man should be punished severely & present and ~~warden~~ ~~warden~~ serving again.

Proper

The Prosecution says that was for him a technicality A man's reputation and his whole future good name is involved in this case and I submit that unless the Court is convinced upon all records doubt that the accused was duly warned and definitely had full knowledge of the attack that the case be dismissed as the very most treated as an ordinary case of A.W.L.

I am G32047 Sgt Ullock - H.Q. - 'A' Coy Carleton & York Regt - C.A.O. On the morning of 22 May 44 at approx. 2015 hrs after attending a Coy Group I returned to #7 platoon which I was then commanding and warned them collectively that our company was participating in an attack on the following morning. On the morning of 23 May 44 at 0445 hrs. my platoon lashed in their small packs and formed up to proceed to our start line. After arriving at the start line I checked my platoon and found Pte Hayes was not present. There were no shells falling in the area at the time so I knew Pte. Hayes had not become a casualty. The next time I saw Pte. Hayes was at 1000 hrs 3 June 44.

"C. Bellevance" Major.

RECORD OF TRIAL OF F.60182 Pte HAYES, G.A.

FIRST WITNESS for Prosecution

C.22047 Sgt. Allock, H.J. having been duly sworn is examined by the Prosecutor.

I C.22047 Sgt. Allock, H.J. recognize the accused. The 22nd May 44 I attended an "O" Group, at the time I was acting platoon Commander, 7 Platoon "A" Coy, Carleton and York Regiment, we went forward to make a recce to the place we were going next morning. I returned from the recce and informed the Platoon collectively that we were making an attack on the Hitler line the following morning 23rd May 1944. We had reveille at 0430 hrs, the platoon turned in their small packs, then moved off to the start line. Pte Hayes was there when we moved off and moved off with us, when we arrived at the start line I checked the Platoon and found Pte Hayes absent. I next saw Pte. Hayes the 3rd June 44.

"C. Bellevance" Major (2)

Cross-examine by Defence.

Sgt Allock, H.J. you say you checked your Platoon collectively. Was Pte Hayes present then? Yes Sir, there are four or five men I keep tabs on. Do you know of your own knowledge that Pte Hayes was warned? Not by me Sir.

"C. Bellevance" Major (1)

Re-examined

Sgt Allock that night you warned the platoon, will you tell exactly how you warned them?

Our slit trenches were in a semi-circle and I passed the word that reveille was 0430 hrs and we were making an attack the following morning, the message went around from man to man and back to me, I was close enough to hear it being passed from man to man.

Where in that circle was Pte Hayes?

He was right at the end.

How far from you was he?

Approx. 20 yards.

Do you remember who stood next to him?

Yes Sir, but all of them were killed.

The defence objects to the last two questions.

Was the accused up at reveille next morning?

Yes Sir, he moved off with us.

Did the warning order get around the complete circle the night before?

Yes Sir, I heard it go all the way around but I could not swear if the accused was there at the time.

Certified that R.P. 83(b) have been complied with.

SECOND WITNESS for the Prosecution

I hereby produce certificate of apprehension under Army Act 163 (1)(j) Mark Exhibit "A" and attached to the proceedings. The certificate relating to the accused F.60182 Pte HAYES, H.A.

Plea by the Defence

The Prosecution has not proved beyond a reasonable doubt that the accused had any fare knowledge of the pending attack on the Hitler line and without this fare knowledge the accused could not be guilty of desertion. I therefore submit that no Prima Facie case has been made against the accused.

By Prosecution:

Sir, the plea made by the defence is somewhat reduction, it has definately been proven that the man was A.W.L. that in itself establishes a Prima Facie case, as A. .L. in an alternate charge to desertion.

Closing Address Prosecutor

Sir, it has been definately been proved that the man is A.W.L. Now although this man on account of a technicality will probably not be found guilty of desertion, yet I uphold that he did desert his comrades at a critical time, making much weaker a section of men who depended on him. There is no doubt but that the man did receive the warning as he most certainly received one half of it, as he was up promptly at revaille. If he received one half, he must have received the other. We certainly must have turned cowardly. The accused didn't testify himself and had no other witness. If the Court cannot find it clear to find the man guilty of desertion, I submit that it was definately one of the worst cases of A.W.L. and the man should be punished severely to prevent such incidents occuring again.

Defence.

The Prosecutor says that there has been a technicality a man's reputation and his whole future good name is involved in this case and I submit that unless the Court is convinced upon all reasonable doubt that the accused was duly warned and definately had fare knowledge of the attack that the case be dismissed or at the very most treated as an ordinary case of A.W.L.

D

The prosecution is closed.

Defence.

Question to the accused. Do you apply to give evidence yourself as a witness ?

Answer. No Sir

Question. Do you intend to call any other witness in your defence ?

Answer. No Sir

Question. Is he a witness as to character only ? *Answer.*

INSTRUCTIONS TO THE COURT.

(i) When the answers to the above questions have been recorded, the Court will follow the provisions of Rules of Procedure 40 and 41 respecting the order of evidence and addresses which is applicable to the circumstances of the case.

(ii) All addresses by prosecutor, counsel or defending officer, whether recorded by the Court or handed in in writing will be attached to the proceedings in the order in which they are made. Any address which the accused is entitled to make pursuant to Rules of Procedure 40 (C) (iv) and 41 (A) (i) and (iii) will be similarly dealt with. Written addresses will be read to the Court, marked and signed by the President. If any person who is entitled to make an address declines to do so, a record will be made to that effect.

(Where any evidence is given for the defence.)

The evidence of the accused (and of the witnesses for the defence including witnesses as to character) is recorded on a separate page (*see overleaf*).

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex C, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Field General Court Martial.

Iain M. Mackay (Capt)
No 5/Nth Ns Highrs CAOF

Statement by Capt. H. M. Cashaback 3/Mtl NS Highrs having been duly sworn states:

I am Capt. H. M. Cashaback 3/Mtl NS Highrs. On 19 June 45 the accused was reported as being AWL. On 11 July 45 the accused was SOS 3/Mtl NS Highrs, (CASOF), being absent without leave for a clear 21 days. A court of inquiry was convened to enquire into the illegal absence. I present a certified true copy of the declaration of the court. I also produce certificate of apprehension from #7 Edm Pro Coy.

Statement by A/Maj D. Wilkinson 3/N Shore R:

The defence would like to have the defending officer as character evidence, as defence is based on plea of mitigation only.

Character evidence by Maj. Wilkinson:

The accused was posted to my Coy, "D" Coy 6 Bde Bn at Farnhile Camp, Eng. together with a number of other men from the C.M.H. for leave, approx 14 days. These men including the accused were not given any leave in the U.K. but were sent to the 6 Bde Bn as rfts, as the unit was under strength and had to be composed of Maritime personnel or English speaking personnel from M.D. 4.

The matter of this personnel was taken up with higher authority with a view to their being SOS. However last minute reports received indicated they were to proceed. On the authority of the Bn C.O. they were given a 24 hr pass and all returned prior to the move.

The accused I regret to say took matters in his own hands and went absent prior to the passes being issued, and was disciplined, but returned prior to the date of move.

However, subsequently these personnel were given every administrative attention including the accused and until reposting were ideal soldiers.

Plea of Mitigation entered by Page 4 Maj Wilkinson

The defence fully appreciates its situation, - the record of the accused is self-explanatory and is not conducive ordinarily to a plea of mitigation.

In consequence the defence has only one plea for mitigation and that is it respectfully asks the Court to consider one factor and one factor alone.

What the accused has done is done, and he has paid the penalty for his misdemeanor, (all military), insofar as overall policy is concerned, insofar that personnel are now being released from detention to serve C.A.O.F., which is not applicable in this case.

May this infraction of Military Law be considered on the basis that Pte Hayes has appropriately 160 points, even taking into consideration his detention for detention.

He was returned to the U.K. for leave prior to the termination of hostilities. He did not receive that leave but was posted to a unit proceeding overseas. He went absent but returned prior to the move. His conduct was good after the situation had been explained and when he knew his case was being looked after.

However on posting from 6 Para Bn to 3/ Nd Highland (CAOF), he again took matters into his own hands thinking that he would be C.A.O.F. May it be released.

The defence regrets the Court considers his case solely on this case in particular. Pte Hayes was sent on leave, did not receive it, was sent to Belgium and Holland, and when expecting repatriation in view of his point score, was again posted to another C.O.F. unit. The defence feels that Pte Hayes' worst offence was that he took matters in his own hands without relying upon proper channels of communica

Plea of Mitigation entered by A/Maj Wilkinson

The defence fully appreciates its situation, the record of the accused is self-explanatory and is not conducive ordinarily to a plea of mitigation.

In consequence the defence has only one plea for mitigation and that is it respectfully asks the Court to consider one factor and one factor alone.

What the accused has done is done, and he has paid the penalty for his misdemeanor, (all military), insofar as overall policy is concerned, insofar that personnel are now being released from detention to serve C.A.O.F. which is not applicable in this case.

May this expiration of Military Law be considered on the basis that Pte Hayes has approximately 160 points, even taking into consideration his detentions for detention.

He was returned to the U.K for leave prior to the termination of hostilities. He did not receive that leave but was posted to a unit proceeding overseas. He went absent but returned prior to the move.

His conduct was good after the situation had been explained and when he knew his case was being looked after.

However on posting from 6 Gen Bn to 3/ N.S. Highlrs (CAOF), he again took matters into his own hands thinking that he would be C.O.F. May it be noted, please, that the accused was not released on suspended sentence to serve C.A.O.F.

The defence requests the Court consider his case solely on this case in particular. Pte Hayes was sent on leave, did not receive it, was sent to Belgium and Holland, and when expecting repatriation in view of his point score, was again posted to another COF unit. The defence feels that Pte Hayes' worst offence was that he took matters in his own hands without relying upon proper channels of communication.

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. We don't (5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex B, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. PLEA IN MITIGATION OF PUNISHMENT

I am, F 60182 Pte. Hayes, George Austin, 3/North Nova Scotia Highlanders. I joined the Canadian Army in June 1940. At this time I was 16 years of age. I served in Canada and Newfoundland until June 1943. During this period I received only minor punishment. I proceeded overseas in June 1943 and went to Italy in September 1943. I was posted to the Carleton and York Regt and served with them until 23 May 44. During this period of eleven months overseas had only one minor crime. On 9 June 44 I was found guilty of being A.W.L. for two days and sentenced to two years imprisonment with hard labour. I served 311 days of the sentence during which time I earned 2480 marks or 100% of the possible for good behavior. My sentence was then suspended and I was sent to England. There I was posted to 6 Garrison Bn. At this time I received word from Canada that my father and mother were both ill and were entirely dependent upon me. Although I had over 120 points toward repatriation at this time I found I could not return to Canada as I was under suspended sentence. Instead I was sent to Germany with the Occupation Forces for an indefinite period. During June I heard that fellows with less points than myself were going to be sent home. If I had served my full sentence I would have been released and ready to go home about Oct or Nov instead of while I was in Germany for possibly a year or more due to the suspended sentence. After I realized this fact everything seemed to go wrong. I am sure it was the trouble at home and the suspended sentence which were the cause of me being in my present difficulties and beg the court to take this statement into consideration.

I am entitled to wear the 1939-45 Star, the Italy Star and the C.V.S.M. with Clasp.

THE PROSECUTION'S OPENING ADDRESS

Mr. President and members of the court: The accused is charged with two offences under Sec. 40 of the Army Act. The first, of attempting to purchase from the ships canteen when he knew he was not entitled to do so - and the second, making a statement well knowing such statement to be false.

The prosecution faces a rather difficult situation, namely, the court must either take the word of an officer, in this case, the Provost Marshal of the ship, or the word of the accused. This is the story:- Two people saw a man at the same place for the same length of time, later one picked out the man on an identification parade and could swear by his powers of recognition:- the other could not swear that it was the same man. To sum up, it is the word of one person against that of another.

Be for e the prosecution presents this case I refer the court to page 83 Para 45 of M.M.L. which states in part, "the law admits as sufficient the uncorroborated testimony of one credible witness". I leave it to the court to judge whether or not the officer is a credible witness.

PROCEEDINGS OF A FIELD GENERAL COURT MARTIAL IN THE CASE OF REGIMENTAL NUMBER F-88414 Private HAYES, James of Serial 357/1.

COURT CONVENED AT 1125 hrs
AT SEA this 4 day of Nov 43

PROSECUTION OPENING ADDRESS - See APP "C"

FIRST WITNESS FOR THE PROSECUTION

Major Herbert R Fullerton, Serial 357/1, having been duly sworn, proceeds to to give evidence as follows:-

Q-1 What is your position on Board Ship?
A-1 Provost Marshal.

Q-2 What occurred on 26 Oct 43, at approximately 1430 hrs?
A-2 I was present at the aft PX in my capacity as Provost Marshal, checking on the canteen line-up that was formed. My attention was drawn to a discussion between one of my provost staff and a soldier in the line up, and who was not wearing his regimental cap. I heard the soldier say he was a signaller, and heard him give some excuse why he was not wearing his headdress. Looking over, I recognized the man as being a member of the C.B.H., in fact, a member of my own coy. I said "This man is a C.B.H.", and he looked me in the eye and said he was a signn. Thereupon, I asked him to come out on the open deck where we would check on this further. We started out, and he said to me " I am a member of the C.B.H. I then turned the matter over to Captain TYLER, A.P.M., and instructed him to charge the man.

Q-3 Why did you turn the case over to Capt TYLER?
A-3 For two reasons. Firstly, as I was Provost Marshal I did not wish to become involved personally into any individual case. Secondly, as the man was a member of my coy I preferred the charge, if possible, to be handled by somebody else.

Q-4 What happened after that?
A-4 The following day I received a call from Capt MACLACHLAN, Acting O.C. of "B" Coy, Serial 357/1, stating that the charge which he received bore the name of one Pte MACDONALD, but the individual that he had up on this charge stated that he was not the correct man. I thereupon went down and saw Pte MACDONALD, who was not the man, therefore, obvious that the soldier had committed an offence is giving an incorrect name and number.

CROSS EXAMINED BY THE DEFENCE

Q-5 What led you to believe that the accused was going to make a purchase?
A-5 He was in the PX.

Q-6 How far was he from the PX.
A-6 About four or five.

Q-7 Four or five what?
A-7 Four or five individuals.

Q-8 Did he have any money in his hand?
A-8 I didn't see it.

Q-9 Has the Sergeant-Major of "B" Coy identified the accused?
A-9 Not as far as I know.

Q-10 Was anyone absent from "B" Coy at about 1430 hrs, 26 Oct 43?
A-10 I have no idea.

Q-11 In order to identify the accused, was a muster parade held for all of Ser 357/1?
A-11 No, only "B" Coy.

QUESTIONED BY THE COURT

Q-12 The discussion you heard was between a soldier in the line and one of your staff?
A-12 That's right.

Q-13 Do you know the name of that member of your staff?
A-13 No sir, there were quite a number of Provost on duty. It may have been an APM, a Provost, a Provost Sergeant. There were a number of Provost staff there at the time due to the balls up there was at the PX the day before.

R.P. 83 (b) has been complied with.

SECOND WITNESS FOR THE PROSECUTION:

Captain J.E. TYLER, Serial 571/1, having been duly sworn proceeds to give evidence.

Q-1 What is your position on board ship?
A-1 Presently I am employed as Assistant Provost Marshal of the traffic control branch on board this ship.

Q-2 Would you tell the COURT where you were on 26 Oct at approximately 1430 hrs?
A-2 At 1430 hrs, 26 Oct 43, I was assisting, in the capacity of Assistant Provost Marshal at the art PX, to control traffic, while units authorized were making purchases.

Q-3 Will you tell the Court what happened then?
A-3 At about that time a soldier appeared, presumably to make a purchase, stating that his unit was RCCS, serial 573/1, and at that time that unit was authorized to make purchases. The man was wearing no headdress or badges distinguishing his unit, so I questioned him again on his unit, and he told me again that he was RCCS. About that time the Provost Marshall, Major FULLERTON, appeared on the scene. He had apparently heard my last question to this soldier, and he said, "That man is not a Signm, he is a C.B.Highr". The man still denied he was a C.B. Highr, stating again that he was a signaller. Major FULLERTON, the Provost Marshal, told the man to come outside where it was a little more light, which we did. Major FULLERTON again said "That man is a C.B.Highrs, he is in my own coy" and this time the man admitted that he was a C.B. Highr, and not a signaller. The Provost Marshal, Major FULLERTON, directed me to lay a charge against this man, which I proceeded to do. The man gave me his name as MACDONALD, and an "F" Regimental Number which I don't recall at the moment, and with this information I wrote out acharge against the man and handed it into the Ship's Orderly Room to be typed and handed to the Provost Marshal. I believe it was 2 days later, Major FULLERTON sent for me, and at the time he had the accused, Pte HAYES, in custody. Major FULLERTON showed me the man and asked me if this was the same man whom I laid the charge against on 26 Oct 43. I looked at the man, but could not state definitely that he was the same man. The following day I attended Orderly Room with the C.B. Highrs where the accused, Pte HAYES, was up on a charge. While giving my evidence I was again asked if Pte HAYES was the same man who had given me his name as MACDONALD. I again stated that I could not swear that he was the same man.

CROSS-EXAMINED BY THE DEFENCE

Q-4 Capt TYLER, were you the first one to interrogate the unknown man in the line-up?
A-4 I believe I was.

Q-5 How long were you with him at this time?
A-5 About three minutes.

Q-6 Was that longer than Major FULLERTON was with him, or not?
A-6 I believe it was.

Q-7 When you were called to "B" Coy to identify the accused, was the whole coy there or just the one man?
A-7 One man with his escort, apparently under close arrest.

Q-8 What number was in the men's Pay Book?
A-8 I didn't look at the Pay Book.

Q-9 Or the identity discs?
A-9 I didn't look on the identity discs.

Q-10 Do you have any reason to believe that this man was going to make a purchase at the canteen?
A-10 Well, he appeared at the canteen stating that he was a signm, and I presumed that he intended to make a purchase.

Q-11 How far away was he from where the goods were being dispensed at the counter?
A-11 I would say about six feet.

Q-12 Did you notice if he had any money in his hand?
A-12 Not that I noticed.

Q-13 Did the CSM or COS of "B" Coy identify this man?
A-13 Not to my knowledge.

Q-14 Was anybody absent from "B" Coy at 1430 hrs, 22 Oct 43?
A-14 I am in no position to know that.

NO RE-EXAMINATION BY THE PROSECUTION

EXAMINED BY THE COURT

Q-15 Do you now recognize the accused as the man whose name and number you took on the day in question?
A-15 I can't swear to it sir.

Q-16 Do you think he is the man?
A-16 I would not like to venture that statement, sir, it is pretty broad.

R.P. 83(b) has been complied with

PROSECUTION CLOSES

THE DEFENCE ADDRESSES THE COURT

I think that there is no Prima Facia case against the accused on both charges, here are the reasons:-

Take the First Charge, it reads "Did attempt to purchase from the aft PX Canteen. There has been no evidence whatsoever that shows that this man attempted to purchase from the canteen. The only evidence that was brought out was that he was in the line-up on men who were buying. To illustrate that a man may be in the PX line up without actually intending to make a purchase, I might state that if you go aft on "B" Deck of this ship there are latrines, and there you might be in a line up to go to the back of the ship, but still not want to go to the toilet. Further, with reference to the First Charge I quote "well knowing that he was not entitled to do so". There has been no evidence brught by the Prosecution to show that any orders whatsoever were given on this ship forbidding anyone to purchase at the canteen at any time, and since the Court tries the accused according to the evidence given before, I can't see any charge against the accused at all.

Now, with reference to the second charge, the Prosecution brought out in the opening address, that when two witnesses disagree on a point, precedence is given to the witness who should know what he is talking about. In the case, the Provost Marshal did not do the elementary things that a lance corporal would do to identify the accused, nor did his assistant. Capt Tyler, who was actually with the accused for a longer length of time that the Provost Marshal, cannot swear to the man's identity. Also very great discrimination was displayed in my opinion, when the Assistant Provost-Marshal was asked to identify the accused, not at a muster parade, but as an individual, and they cannot do it.

That is all sir.

THE PROSECUTION REPLIES TO THE DEFENCE

In answer to the first charge, to use the exact words of my learned friend, "might stand in a line up without wanting to go to the toilet" my learned friend should also have said "a man might stand in a line-up and want to go to the toilet". Now, when a man is about six feet from a purchase wicket and is standing in a line-up leading to that wicket, we can assume that the man was going up to the wicket to purchase goods. The majority have seen the location of the aft PX canteen will see that when a man is in a line up, six feet from the counter, he is in a position whereby there is no doubt that he was not going anywhere else.

As concerns the Second Charge. The Defence brought out that there is conflicting evidence as to the man's identity. The accused is charged under Sec 40 with making a false statement to Major FULLERTON, saying, "I am a member of the RCCS" He is not charged with making a statement to Capt TYLER, and I think that the prosecution brought out that it was in a difficult situation in that it did not have corroborated evidence to produce.

COURT IS CLOSED FOR CONSIDERATION OF APPEAL

COURT DOES NOT GRANT APPEAL FOR DISMISSAL OF CHARGES

FIRST WITNESS FOR THE DEFENCE

F-86414 Pte HAYES, James, Serial 357/1, having been duly sworn, is interrogated as follows:-

Q-1 On 26 Oct 43, at approximately 1430 hrs, will you tell the court in your own words, where you were, and what you were doing.
A-1 I was on boat drill, and I came off boat drill and I went back to my coy lines on 'B' Deck, and me and Pte FLYNN went back on 'B' Deck and were reading a book, and then we came in for supper at a quarter to five.

Q-2 Where there any coy parades that day?
A-2 Yes sir.

Q-3 After boat-drill?
A-3 No sir.

Q-4 There were no coy parades?
A-4 No sir.

Q-5 Your time was your own?
A-5 Yes sir.

CROSS EXAMINED BY PROSECUTION

Q-6 Pte HAYES, you say at 1430 yrs you finished boat drill, you went up on deck and read a book?
A-6 Yes sir, after I came from my coy lines.

Q-7 What were you wearing on your head?
A-7 I was wearing my Tam-O-Shanter.

THE DEFENCE ADDRESSES THE COURT

I don't want to reiterate what I did say when I asked the case be dismissed, pointing out that both charges were not prime facia, but I do want to point out that precisely what he was doing all afternoon cannot be said definitely. The same as I cannot tell now what this man has been doing all morning, in spite of the fact we have been in the room now over two hours and fifteen minutes. I have nothing further to say.

THE PROSECUTION ADDRESSES THE COURT

I haven't very much to say sir. Just this question of Capt TYLER and the Provost Marshal. Let me say in Capt TYLER's case that first sights are usually deceiving. We all know that when you met a person you may not recognize him again later on, but if you see him that person on various occasions you can safely say that you can pick out his face again. Now, I think that was the case with the Provost Marshal, that he being coy commander of theman knew him, and Captain TYLER, having not seen the man before was in doubt. It is admitted that the matter should have, and could have been handeled more efficiently, in that the man's pay book should have been checked at the time. The court can only decide who was right. In closing I am only to say that Major FULLERTON, being an officer of field rank, must be responsible for any statement which he may make.

END OF ADDRESS.

THE ~~A.D.C.~~ J.A. ADDRESSES THE COURT.

It is my duty at this time to sum up the case which is before the Court.

I wish to make it clear before starting my summing up, that in my capacity of Judge Advocate I advise and instruct the Court in matters of law only. The Court is a sole judge of the facts. Any opinion which I may express is my own, and is to be regarded as an opinion only. The Court must not be swayed or influenced by it.

The facts of this case are comparatively simple, but are in violent dispute although there are only four witnesses. According to the evidence adduced by the prosecution, it is alleged that the accused man presented himself in a Canteen parade, which parade was to consist only of R.C.C.S. personnel. According to the first witness for the Prosecution, Major Fullerton, the accused man presented himself in that parade, well knowing he was not to be there. Major Fullerton is quite definite about the identification of the accused inasmuch as he is a member of Major Fullerton's own coy. The other witness for the Prosecution, Capt TYLER, cannot say whether the accused man was in fact found in the line up. I think I may safely say, without prejudice to anyone, that the evidence of Capt TYLER, therefore must be disregarded. However, that is a matter, as I have stated before, for the Court to decide opinion.

Now we come to the evidence adduced by the Defence. The accused swears that he was not present at any time in the canteen parade, and he produces a witness FLYNN to corroborate the fact that he spent the pertinent times in his cabin or on "B" deck aft. Here again occurs what is known in law as a direct conflict of evidence. It becomes the duty of the court to decide which evidence is correct. If the witness for the accused is telling the truth it may be, in as much as Major Fullerton isconcerned, there was a case of mistaken identity. On the other hand, the accused and the witness Flynn may be lieing. That is also a matter for the Court to decide. The worst liar in the world may at times be telling the unadulterated truth.

Before closing, it is my duty to advise the Court that the accused must be given the benefit of any reasonable doubt. This has been the right of the accused person since time immemorial. This doubt, however, must be no fanciful or fleeting doubt, but must be truly reasonable. I therefore leave these matters in the hands of the Court for it to decide upon.

COURT IS CLOSED TO CONSIDER THE FINDING.

SUMMARY OF EVIDENCE P.T. Kennedy Capt.

Summary Of Evidence in the case of F80414 Pte HAYES, James of "B" COY,357/1 a soldier of the Canadian Army Overseas, charged with two offences under Sec. 40 of the Army Act.

The Commanding Officer directs that the evidence be taken under oath.

FIRST WITNESS: Major H.R.Fullerton Serial 357/1 Provost Marshal on board ship, the S.S.Monterey, having been duly sworn states:

I am Major H.R.Fullerton 357/1. On the 26 Oct 43 at 1430 hrs I was and still am Provost Marshal on board ship. I was present at the PX Canteen in the aft part of the ship along with several of my Provost Staff during the time that purchase was being made. As specific times were being allotted to specific units,we wished to be quite certain that no men other than those authorized made purchases from the PX Canteen to the detriment of their fellow soldiers While watching the proceedings my attention was attracted by a discussion being carried on by a member of my Provost Staff and a soldier.I noticed that the soldier was not wearing the proper regt'l headdress as laid down for units authorized to purchase at the PX at that time.I heard my assistant ask this man to which unit he belonged and I heard the man reply that he was a signaller at the same time giving some sort of an excuse as to why he was not wearing his regt'l headdress. The man's face struck me as being familiar and I walked over and said,"That man is not a signaller, he is a C.B.H." Whereupon the man looked me in the eye and stated flatly, that he was signaller. At that point I said,"We will go out on the open deck" As we started to go out the man changed his story and said,"I am a C.B.H." I then turned to Capt Tyler and told him to charge the man.The following day Capt MacLachlan A/C.C."B"Coy,Serial 357/1 stated that the man had given his name as MacDonald along with a regt'l number and that the MacDonald that he had picked up on the charge denied that he was the man.I thereupon visited Pte MacDonald and he was not the man in question. I had Capt MacLachlan call a muster parade of "B" Coy,357/1 the following day and on that parade I checked over the entire Coy and identified the accused,Pte Hayes as being the man who had represented himself as being the signaller at the PX Canteen and who I turned over to Capt Tyler to be charged.Pte Hayes was fallen out of the Coy and as I did not wish to spend time personnaly on the case and as I was also the man's Coy Commander, I sent for Capt Tyler to complete the identification and to act a s witness in the case. Capt Tyler did not complete the identification therefore the charge entered with myself as witness.

Signed...H.R.Fullerton Major.....

The accused declines to cross examine the witness.

SECOND WITNESS:Capt J.E.Tyler 571/1 having been duly sworn states:

I am Capt J.E.Tyler of Serial 571/1 Assisting Provost Marshal on board S.S. Monterey.On the 26 Oct 43 at approximately 1430 hrs I was acting in the capacity of Assisting Provost Marshal,assisting in traffic control at the PX Canteen.At this time a soldier appeared presumably to make a purchase.He was not wearing any badges and I asked him for the name of his unit.He replied that he was of the R.C.C.S.,a unit which was at that time authorized to make purchases.While the discussion was going on the Provost Marshal appeared on the scene and apparently he heard my question to this man,because he said this man was a C.B.H. We moved outside to the open deck where Major Fullerton again said,"This man is definitely a C.B.H.,he is in my Coy",or words to that effect.At this time the man admitted he was a C.B.H.,and Major Fullerton instructed me to lay a charge against him.The man gave me his name as MacDonald and regt'l number and initials I do not remember now.I made out the charge and put it on the Provost Marshal's desk.Two days later I was sent for by the Provost Martial who had the accused Pte Hayes in custody.He (PM) asked me if this was the man for whom I had made out the charge on 26 Oct 43. Having only seen the manfor a very few minutes I could not swear that the accused was the same man.Later that day I attended Orderly Room at 357/1 and was still unable to identify Pte Haye s as the same man who had given me the name of MacDonald on 26 Oct 43

Questioned by the accused:

Q.1. Are you sure that you cannot identify the man that you saw at the PX Canteen that day.

A.1. Yes,I am sure that I cannot identify him now.

Signed...J.E.Tyler...Capt.....

The accused was warned as follows:

Do you wish to make any statement or give evidence under oath? You are not obliged to say anything or give evidence unless you wish to do so. But whatever you say or whatever evidence you give will be taken down in writing and may be given in evidence.

The accused: "I have nothing to say at this time"

Signed..H.O'Brien.....

I certify that RP 4 has been complied with.

SUMMARY OF EVIDENCE: In the Case of

the Cdn Army Overseas.

FIRST WITNESS: For the Prosecution

B.9048 Sgt. Williams, W.T.
2 Provost Coy, 2 Cdn Div, Not Sworn states:

In the course of my duties as Orderly Sergeant on 19 Aug 43 I checked the pass list at 0800 hrs. One pass was missing. It was an overnight pass that had been issued to L/Cpl. Hayes. I checked with the Section NCO who could give me no information as to the whereabouts of L/Cpl. Hayes. I then reported L/Cpl. Hayes absent to my Coy Orderly room. The next time I saw the accused was in this Coy Orderly room. Lieut. Embury turned him over to me at approx 1100 hrs 24 Aug 43 and informed me that the accused was under close arrest.

Plea of mitigation of Sentence CC1

Witnesses Lt Embury

I joined the Can Army 16 of July 1941 with the 2nd Fld Ambulance which later became part of 1st Army Tank Brigade On 1st of April 1942 I was transferred to RCASC Att to 2nd Fld Ambulance employed as an ambulance driver. I had never requested a transfer from the unit but shortly before the unit proceeded overseas On 28th of April 1943 I was transferred to No 1 C.A.R.U. Adv Provost Corps where I was trained in Provost duties. I did not ask for a transfer there at the holding unit because I would of had a lot of kitchen duties & I thought if I went to the field I would be able to get back to driving a lorry. I was posted to No 2 Provost Coy. approximately the 20 of June & made an A/ T/Cpl on the 25 of June

my duties consisted partly of riding M/C. on road patrol. Prior to an accident I had on M/C on my first road patrol I was put on Swaddle to transfer me from a M/C to driving a lorry. Due to the accident I was off of the M/C for a week. After the accident I again requested to be taken off of the M/C. this request was made to Lieut Swaddle, Lieut Ebbeny & Sgt Mitchell. I was very nervous while riding a M/C. & was better suited to drive a lorry since I had been driving for over two years with my original unit. A few days later Lieut Ebbeny came to me when I was duty F.L. & told me I would be changed to a lorry however when a new man came to the unit he was given a lorry & I continued on a M/C. I drove a lorry on exercise Pick-Me but afterwards was put back on M/C. I received an overnight pass on 18 of August to go to Brighton & was told I would be on road patrol next day 19 of August. p.t.o.

missed my train from Brighton + went to report to the R.T.O. There was no one at the R.T.O. office so I left the station, I knew I would miss my road patrol duty which was what I wanted so that I would be taken off of road patrol entirely.

I remained away the extra three days to make sure I didn't get road patrol again. All I wanted was to get away from M/C + I could only think of this way to do it.

Dec 24 Sep 24 at Selection 6 - 6.30 hrs I saw soldiers entered my shop. They were drunk. The accused was one of them. They asked something in English which I did not understand. They asked for food. The accused had his elbows on the writing machine, broke the glass with his first, and then shook the hand machine. My husband came from behind the counter and told the accused not to do it. I went to the door and called for help. Another Czar soldier came in and then left. One of the 2 Czar soldiers and and the accused followed him. The accused fell between the counter and the door. He lifted himself up. and took all the paper money out of the till. I ran out and called for help. The accused put the money in his pocket.

Just before going out of the shop the accused took out his pistol.

He took about 1200 francs

more or less.

The money belonged to my husband and myself.

FIRST WITNESS - Mme Werner ROELS, 21 Rue de la Academie, Bruges, sworn states:

"I am Mrs. Werner ROELS, 21 Rue de la Academie, Bruges. On 28 September, 1944 between 6 and 6.30 P.M. I was in my shop. Two Canadian soldiers came in and the accused fell on the ledge of the store window. The other one helped him up. The accused said "have you anything to eat?". He had his arm on the weighing machine and I said,"If you take your arm away from the weighing machine I will give you something to eat". The accused went from the counter to the ham machine and he put his hand in his pocket and took out a bottle of rum. During that time I went to the door and called for help. Then another Canadian came in the store and went to the accused and the bottle of rum fell on the floor. This third Canadian then left the shop and went away. After this, the accused ran after his comrade who had disappeared behind the counter into the house, running after my husband. While the accused was running he fell between the counter and the wall. He lifted himself and in so doing he took hold of the till and opened it. He took all the paper money that was in it. There was about 1200 frands more or less in the till and this was the property of my husband and myself. He put it in his pocket and while doing so I ran to the door and called for help. While I ran to the door I noticed the accused put his hand on his holster. He then left the shop and staggered down Spanish street. The accused was dead drunk. The weighing machine in the shop was damaged. I cannot say which of the two men damaged it."

1st Witness for Prosecution (3rd Charge)

D 106552 Sgt. white H.J. having beensworn was questioned as follows:-

Do you recognize the accused?
"I do Sir"
What is his name?
A/Cpl Hayes J.J.
Can you remember 13 Jan 44 and accused at the time?
A//Cpl Hayes J.J. reported to Guard Room for period ofA.W.L.
Were you given any orders that day concerning A/Cpl Hayes J.J.?
About 1900hrs on 13 Jan 44 I was detailed by the Coy S.M to exercise A/Cpl Hayes J.J. for a period of 1 hour
When didyou commence to put that order into form.
At 0830 hrs 14 Jan 44
What order did you give at that time
I detailed Sgt Bolduc to proceed to Guard Room to get A/Cpl Hayes J.J. and to parade him in front ofM.O..~~xx~~ From the M.O. he was to go to unit parade square.
Was this order carried out.
Yes Sir.
When did you next see accused?
When Sgt Bolduc ~~in~~formed me that he had paraded the man to the M.O. and due to his absence Cpl Hayes was onthe parade sq.
Did you go to parade sq.
Yes Sir.
What did you see ~~their~~ there?
I found that accused had broken from his escort and was lounging around inan unsoldier manner
Can you give more detail?
The escort was standing fast the accused was wandering around with his hahds in his pockets.
Was the accused marching up and down?
~~xx~~ No "ir
Didyou give any order at that time.
I ordered him back under escort?
Did he go?
After I had repeated order 2 or 3 times
Did you issue any further order?
The accused demanded to know the reason why he had been brought to parade sq. I told him of my instuctions and he answered me ina very insobordinate manner.
How?
He saidhe would not take any exercise because he had not seen the M.O. then he demanded to know who inthe hell did I was and what bloody right had I to give him exercise, He then demanded that he be returned to Guard Room , that he was sick, and the weather was too cold.
Did you issue any more orders?
No Sir.
What did you do then?
I Left accused under escort between two soldiers and then I prodeeded to Orderly Room to get Sgt Knott, L.C. to witness the order I was about to give.Sgt Knott accompanied me back to parade square and again I found that accused had broken escort and was again wandering around on his own with his hands in his pockets.
What order did you then give?
I ordered him back under escort
Where was Sgt Knott then?
About 10 paces away.
What order was then given?
After the accused had been placed under escort again I ordered him that he would take 1 hrs exercise.
Can you remember exact words or as near as possible?
I have been detailed to give you 1 hrs exercise, you will do it now or words to that effect.
What did Cpl Hayes say?
He said, No, I will not do any exercise until I have seen the M.O.
What did you say?
I ~~ad~~ made no reply, I handed the escort and accused over to Sgt Bolduc.
Was there another prisoner under escort at that time?
Yes, A/Cpl Curphey
Were these two prisoners acting in concert with one another?
I do not know!
Who did the talking?
Cpl Hayes did most of it.

Cross Examined by Defence

Sgt White when you detailed Sgt Boldac to go to Guard Room and get Cpl Hayes did you give any instructions other than take him to M.O.?

Sgt Boldac was detailed to take the accused to M.O. and from there to parade square.
Therefore up to this time Cpl Hayes had no idea what he was on parade square for. Is that Correct?
I don't know whether Sgt. Boldac told him or not.
~~Is it true that Sgt. Boldac could not have informed him what he was there for when he had only been told to take him to the parade square?~~
What order did you actually give and to whom was it addressed?
The order was you have been detailed to take one hours exercise, You will do it now, and was given to Cpl. Hayes and Cpl. Curphey and the escort would have to accompany the accused.
The accused stated he was sick did he not?
Not on the issue of the second order.
On one of the refusals he did say he was sick.
Yes Sir.
If a man claims he is sick what is the practise?
Parade him to M.O.
Did you?
The M.O. was not available at that time.
But you still ordered in spite of accused saying he was sick and knowing he should see the M.O. that he do one hours exercise?
I was carrying out instructions issued to me.
Is it not true that you stated to accused that you told them you received particulars from the C.S.M. to give them one hours exercise?
It was Sir, and at the same time I gave the order.
Did this order include anybody else?
It included the other accused there at that time.
How long after you gave the second order was it before you gave orders to march back to guard room?
About five minutes Sir.
You march the guard back under whom?
It was taken from parade square to vicinity of Orderly Room by Sgt. Knott, L.C. and then handed over to Sgt. Boldac.
Did you not just say that they were taken back to the guard room by Sgt. Boldac?
Sgt. Boldac returned them to guard room.
What was weather like?
Bright, cold and wet underfoot.

Re examination by Prosecution.

Was it or was it not on a superior officers order that all orders were given by you?
Yes Sir.
Did you know he was sick?
No Sir Cpl. Hayes said he was sick but I did not know nature.
Do you know if there was any sickness prior to order given?
Non.
What was your purpose of repeating order in front of Sgt. Knott,?
Because the accused had refused the first order.

Questioned by the Court

Sgt. White you issued an order to a group of men saying they would do one hours exercise but did you give an order as to what type of exercise or what specific exercise?
I did not order any specific exercise.

(1. RP 35 fn 2. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). Lieut. C. H. Capstick, 61 Coy 9 C.B.R. Bn. sworn states:-

I was duty officer at 9 C.B.R. Bn. The accused in court is B-36602 Sgt. Joseph, Henry Thomas Hayes. At 1945 hrs. 23 Dec 44 I was ordered by Sup. H.Q. to supply two guards for a German P.O.W. I sent for the guard Sgt. and ordered him to provide two guards & have them ready in ten minutes at the front gate when they would be picked up & to report back to me when this had been done. He did not report. About 20 mins later I went out to the picquet room to find why he had not reported but he was not there. I sent one of the guards to find him. This guard reported back about ten minutes later and stated that he could not find the guard Sgt. I went to the Sgts mess and the Sgts quarters but he was not there. I called into the picquet room twice after that at about 2030 & 2100 hrs. but he was still absent. At 2130 hrs. I went to the Sgts' Company which was 57 Coy and told D-3207 Sgt. ~~Tu~~ Tupling H.E. that the guard Sgt was absent and that I could not find him. ~~Sgt Tupling visited the picquet room at 2200.~~ Objection - granted. He asked me if I would make the necessary arrangements for placing another guard commander in place of Sgt. Hayes. I contacted C.S.M. I also informed him that Sgt Hayes was under close arrest & to send Sgt escort down to the detention room where the Sgt was being temporarily detained & to take him removed to his own quarters and kept under close arrest. The accused in court is Sgt. Hayes.
I am R.S.M. of 9 CBR Bn, on the evening of the 23 Dec 44 at approx 2315 hrs. I was proceeding to my office as we were called to Action Stations. I was stopped in the Hall way by Lt Leapstick and informed that he had placed the guard Sgt, Sgt Hayes under close arrest as he had found him guilty of absent from his guard room and secondly, drunk upon his return. He asked me if I would make the necessary arrangements for placing another guard commander in place of Sgt. Hayes. I contacted C.S.M. Travers of 57 Coy & instructed him to place another Sgt on the guard. I also informed him that Sgt Hayes was under close arrest & to send a Sgt escort down to the detention room where the Sgt was being temporarily detained & to have him removed to his own quarters and kept under close arrest. I then proceeded to the detention room where I saw the accused sitting on the table with a provost escort next to him. Sgt Hayes' head was resting on his chest & his movements &c

while seated were unsteady. A few minutes later the 2nd escort arrived and I then left to take up my normal duties.

sworn states

Sir, on the 19 Dec 44 I went to the M.O on sick parade with a head & chest cold I received some pills from the M.O. to be taken every four hours. I did not go on sick parade again as I was in charge of sick parades & could obtain the pills without going on sick parade. On the afternoon of the 23 Dec 44 I was given a pass till 1500 hrs & then relieved the guard Sgt in the guard room at 1600 hrs. The guard was not changed it had been on for 72 hrs. I went to supper & did not feel like eating I just had two cups of tea & took two pills I then went back to the guard room until the orderly officer Lieut Capstick C sent for me to go to the orderly room & he told me to supply two

HH.

guards for German P.O.W.'s to have them ready in 10 mins. I sent them away on a car then went back into the guard room I stayed in the guard room for awhile & not feeling too good walked up to visit the other guard in the car park. I walked around the car park for awhile & then returned to the main gate. I stayed there with the sentry while he checked all incoming personnel. At approx ~~2245~~ 2145 I again walked up to the car park & took two more pills. There was no water & the pills were broken so it was not hard to swallow them. About 10 mins later my head started to spin & I felt very ill so I walked around the car park & then went back to the guard room when the orderly officer Lt Capstick found me.

I didn't go on sick parade in the afternoon of the 23 Dec 44 because we had cut cards to see who the guard dog handler would be & so the ones that were not on guard could go out and make arrangements for Christmas, & I did not want to spoil their chances of having a good Christmas.

Question by defence.

Q Did you go on sick parade the following morning.

A. No but I sent down for the medical orderly.

Q. What caused the delay between 24th and 29th when you finally went to hospital.

A. I was under close arrest and did not get tried for three days. I then wanted to fill out the summary of evidence. The officer taking the summary

Lt. Anderson, bawled me out for not going on sick parade for I could not talk so he took me to the M.O. on the 28 Dec 44 & had me examined. The M.O. immediately sent me to hospital.

Q. How were you feeling during the first period in the school house, just after 2000 hrs.

A. I was not feeling very good.

Q. Did you have trouble with your head & chest.

A. Yes sir.

Cross exam.

Q. What time did you go on duty

A. I went on duty at 1600 hrs.

Q. When you saw Lt. Capstick at 1945 hrs did he tell you to report back to him after changing out the two guards.

A. I do not remember Lt Capstick saying to return as I tried to get my guard from going as a guard for the P.O.W. Lt Capstick said that they had to go & he would have them replaced.

Q How long were you in the car park the first time.

A. I was there about half an hour.

Q. At what time were you back at the gate with the sentry.

A. Approx 2110 hrs.

Q. Can you account for the time from 1945 to 2110 excluding the ½ hr spent in the car park.

A. The car for the POW was late in coming for the two guards, when they left I went back into the guard room for a period of time & then went to the car park.

Q. Did you have a junior N.C.O. on 2/c
the guard.

A. No sir. There was no other N.C.O on
the guard.

Q. Did you tell anyone that you were
going to the car park.

A. When I left I put a man whom
I thought was senior in charge of
the guard.

Q Did you tell that man you were
going to the car park.

A. No sir.

Q. Did you know it was your responsibility
to do so.

A It is the responsibility of the guard
Sgt to visit his posts hourly or when
ever he sees fit so when I left a man
in charge it was naturally presumed
that I was going to check the posts.

Q. While in the car park you felt sick.
Why did you not go to the M.O.

A. There is no M.O. stationed there.

Q. Is there an M.I.R.

A. Yes sir.

Q. Did you go to the M.I.R. to see if the
M.O. happened to be there.

A. No sir.

Q. When Sgt Rees escorted you to your
quarters, why did you not ask for
an M.O then.

A. I repeat, there is no M.O stationed
in the building, and also I thought
that a rest and the trouble would
disappear as it had before.

Q. Why did you not see the M.O the next
morning.

A. I sent for a medical orderly who came
up to see me. He said he would

return with medicine, but did not.

Q. Do you think the medical orderly was satisfied to diagnose your illness.

A. The medical orderly had no need to examine me as I had lost my voice & was coughing all the time.

Q. When you saw the M.O on the 19th did he tell you to report back.

A. No sir.

Q. Did he tell you how many pills to take and for how long.

A. He gave me so many pills and told me to take two every four hours.

Q. Approx how many pills did he give you.

A. About 8 or 10 and some brown pills to take for my throat, about 12 of the latter. The 8 or 10 pills being A.P.C & C.

Q. Where did you get the balance of the pills you were taking until the 23rd Dec.

A. From the M.S.R.

Q. Did the M.O give you permission to get extra pills.

A. No, but I was in charge of the sick parades and instead of going sick I got the pills from the orderlies.

Q. Why did you take two pills in the car park when there was no water.

A. Because I was feeling very ill.

Q. ~~If you~~ Row.

No cram - none.

Cram by Court.

Q Have did you attempt to inform your guards of the P.O.W. escort duty.

A. I didn't think it was my guards job and it would mean me two men

short. I told Lt. Capstick this.

Q. Did you have any harsh words with Lieut. Capstick.

A. No sir.

Q. Did anyone of the guard at any time inform you that someone had been looking for you.

A. The first time I returned no one mentioned it as I didn't go into the guard room. The second time when I went into the guard room the guard ? left in charge told me that the orderly officer had been looking for me, also a sgt. I had to finish making out the guard list to their time of posting ? when I was going to see the orderly officer.

Q. How did it come about that there was no Cpl or N.C.O as 2/c guard on the night of the 23rd when orders (Exhibit A) state there will be.

A. companies supply personnel for and mount their own guards. I could not state whether or not there was a junior N.C.O. as 2/c that particular night. ~~or not.~~

Q. Is it ~~so~~ normal practice for a guard to remain on duty for 72 hours.

A. No, but under company arrangements and circumstances it is possible for such a thing to take place. Some companies asked to take the guard duties for long periods of time because the men knew their duties better and that they were agreeable to the system.

Summary of Defence.

(Note – all times given are aprox)

On the evidence of the accused backed by the sick report of 19 Dec 44 he had been suffering from a head and chest cold for some time, it gradually getting worse. On the 24 Dec 44 he claims he had practically lost his voice. On the 29 Dec 44 he was evacuated to hospital with Atypical Pneumonia. (Evidence Capt Martin MO)

On the day in question (23 Dec 44) he is warned for duty as guard commander and accepts same, (feeling – as he states – that otherwise he would be doing one of the other sergeants out of his evening off (this being two days before Christmas)) He was given the afternoon off up till 1500 hrs. He apparently takes over his duties at 1600 hrs (according to his own statement and there is no evidence to the contrary). At 1945 hrs he is sent for and instructed to detail two men to act as escorts for a German P.W. This he carries out. (Evidence of Lt Capstick) At 2015 however Lt Capstick finds him absent from the Guard Room (#1 Post according to standing orders for Guard commanders). At aprox 2120 hrs he is again found to be definitely at #1 Post by Sgts Riddock and Storey. At aprox 2200 hrs Sgt Tupling, carrying out a

general check of the serjeants mess lounge and quarters, and finally at #1 post finds that Sgt Hayes is not there. At aprox 2230 he checks again but the serjeant again is not there. Sgt Tupling however questioned the sentry at 2200 hrs and found that Sgt Hayes had been with him (the sentry) a few minutes previously. At 2255, Lt Capstick, going to check if the picket had been doubled at "Relief Stations", finds Sgt Hayes again at #1 post. This leaves two periods during the evening, each of aprox ½ hour & 1 hour duration unaccounted for. However on Sgt Hayes own evidence he claims he spent both these periods walking in the area of the vehicle lines (#2 Post in the Guard Orders). The ~~defence~~ prosecution has brought forward no evidence to throw doubt on these statements. Sgt Tupling, when questioned, definitely stated he did not look in this area, also that he did not call the accused's name. He also admit he thinks the night was dark. (In any case the area is fully enclosed by high buildings and would be quite dark) Lt Capstick only proves that he (the accused) was not in the mess or quarters. Lt Capsticks statement "The Guard commander is required near #1 Post at all times" does not conform to the

Standing Orders for Guard Commanders that state that he must visit these vehicle lines. In fact Mr Capstick did not seem to be aware there was a second guard post. Mr Percival stated that the time and number of these visits was at the discretion of the Guard commander. Mr Percival further stated that these visits would normally take the guard commander 8 minutes. Sgt Hays, however, has stated that he took two pills at 2200 hrs and felt slightly unwell and that at 2300 hrs he took two more pills around 2330 hrs and shortly afterwards had felt worse and quite dizzy, and so had kept walking around in the area of #2 post to try and overcome this feeling. In support of the statement that Sgt Hays was feeling more unwell is Lt Capstick (the only witness to see Sgt Hays both at 2000 hrs and 2235 hrs) statement that he, the accused, appeared unsteady at the latter time. Quite possibly the accused should have reported sick, on the otherhand it is quite understandable for a man to want to stay out of sick bay or hospital at christmas time.

In conclusion I maintain that the prosecution has not proven that the accused has contravened any of the orders contained in the Orders For the Guard Commander and consequently should be found Not Guilty.

PROSECUTOR CLOSING ADDRESS

CASE: B-36602 Sgt Hayes J.H.T.

To sum up the case on the charge of leaving his guard, the witnesses have shown that Sgt Hayes was NOT available between appx. 1945 hrs and 2250 hrs. Superior officers and N.C.O.s were looking for him, at different times during the evening of the 23 Dec 44, and he could not be found anywhere, until he himself reported back to the Guard Room. As a Guard Commander, he knew that his duty was to advise the 2 i/c of the guard exactly where he would be in the case of his being absent. That he did NOT do.

From his own saying, he spent appropriately one and a half hours in the car park and the balance of the time at the gate, where only two sergeants saw him, even though several times during the evening the Orderly Sgt. went to look for him, in the Guard Room. He complained of illness (but 6 pills and yet the M.O. states that the treatment Sgt Hayes was taking, would not ordinarily affect a person. The same night and for the six days following, he never asked to be seen by the M.O.

The evidence only shows that Sgt Hayes was definitely NOT available to his duty and superior officer.

Remarks by the Court

The court find after due consideration of the evidence submitted against you ~~and the~~ that the charge of leaving your guard without authority has NOT been proven. Your own testimony given on Oath has explained to the satisfaction of the court - there having been no evidence submitted to contest or disprove your statements - your apparent absence from the Guard Room and the basis of the charge against you.

The court must point out to you however that your actions were most unsoldierlike and draws to your attention the importance of one or two matters.

(a) That it is your duty to ensure that your Command, whatever it may be known where to find you if you leave the place where one would normally expect to find you - in this case the guard room.

(b) When a soldier is sick it is his duty to take steps to make himself well by going through the normal channels - i.e. officially being paraded on Sick Report - in that way only can proper treatment and attention be given to any particular individual by those under whose command that soldier happens to be. If for instance you had paraded sick on the 25 Dec it is probable, judging from the evidence that this mother would not have reached the present stage.

in the case of

B36602 Sgt Joseph Henry Thomas HAYES, X-4 List CAC on strength 9 Bn, 2 Canadian Base Reinforcement Group a soldier of the Canadian Army Overseas who is charged with:-

(1) WHEN ON ACTIVE SERVICE, LEAVING HIS GUARD WITHOUT ORDERS. A.A. Sec 6(2)(f)

(2) WHEN ON ACTIVE SERVICE, WHEN ON DUTY, DRUNKENNES. A.A. Sec 19.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS Lieutenant E.H. Capstick, X-4 List RCE on strength 9 Bn 2 C.B.R.Gp., having been duly sworn states:-

I am Lieut E.H. Capstick, R.C.E., I was duty officer 25 Dec 44 at 9 Bn H.Q. at 1945 hours I was ordered by Group H.Q. to supply two guards for a German P.O.W. I sent for the guard sergeant and told him to have two of his men ready to leave in 10 minutes and to report back to me as soon as they had gone, and I would find him replacements. He did not report. At 2015 hours and I went to the piquet room to find out why he had not reported, but he was not there. I sent one of the guards out to look for him. He reported back 10 minutes later and stated he could not find the guard sergeant. I visited the sergeant's mess and the sergeant's quarters looking for him, but could not find him. I called into the piquet room at about 2030 hours and 2100 hours, but he was still absent. At 2130 hours I went to 57 Coy Orderly Room and advised D-3207 Sgt Tupling, F.E. that the sergeant of the guard was absent. Sgt Tupling looked for him but could not find him. Sgt Tupling visited the guard room at 2200 hours and again at 2230 hours, but Sgt Hayes, the guard sergeant, was still absent. At 2255 hours, I visited the guard room to warn the guard of "Action Stations". I found Sgt Hayes had returned and was in my opinion definitely under the influence of alcohol. I went to the detention and told A-42212 L/Cpl Carnegie, E.M. to place the sergeant under close arrest. He was escorted to the detention by M-65723 L/Cpl Radcliffe, A.E., and A-42212 L/Cpl Carnegie, E.M., and placed in custody. Later I informed D-26001 RSM Percival, W.C., who later removed Sgt Hayes to his quarters under close arrest.

Witness cross-examined by the accused, as follows:-

Q.1. Sir, when you came into the guard room did I look sick or ill?
A.1. In my opinion you were merely intoxicated.

Q.2. Did you, Sir, ask me to do anything that would show I was intoxicated?
A.2. No.

The accused declines to cross-examine the witness further.

SECOND WITNESS D-3207 Cpl (A/Sgt) Tupling, F.E., PE 9 Bn, 2 C.B.R.Gp. having been duly sworn, states:-

"On the night of the 23 Dec 44 while acting in the capacity of duty N.C.O., the duty officer, Lieut. E.H. Capstick, informed me that B-36602 Sgt Hayes, J.H.T. the guard commander, was not in the guard room. He ordered me to make a tour of the barracks to see if I could find Sgt Hayes. I visited the Sgt's Mess, the Sgt's quarters, and the Sgt's reading room at approximately 2145 hours. I could find no trace of him in any of these places. I then visited the guard room as a last resort at approximately 2200 hours but foudn that he was not there either. After that I returned to the Orderly Room reporting to the Orderly Officer that I could not find him. He then told me to visit the guard room at regular intervals. At 2230 hours I returned to the guard room and found that Sgt Hayes was still absent. About 25 minutes later I heard that Sgt Hayes was back in the guard room. I do not know how long after 2230 hours it was before he returned"

The accused declines to cross-examine this witness.

"At 1800 hours the 23 Dec 44 I was detailed for duty at the desk of H.Q. 9 Bn, 2 CBRG Guard Room. At approximately 2305 hours Lieut Capstick, the duty officer of 9 Bn, 2 CBRG., came to the desk informing me that the sergeant of the guard was in the guard room at the entrance to the Seminary and was in no condition to be in charge of the guard, and that he wanted him placed under close arrest. I then proceeded

FOURTH WITNESS (cont'd)

to the guard room accompanied by M-65723 L/Cpl Radcliffe, where the guard commander was found sitting on a chair. I placed him under close arrest, disarmed him, and then escorted him to the desk of the H.Q. guard room. I established his identity from MFM I pt 1 which he produced as B-36602 Sgt Hayes, J.H.T. He was detained at the desk until suitable arrangements could be made for an escort. He was then released under the instructions of D-26001 R.S.M. Percival, W.O., to Sgt Neve.

At the time of placing him under close arrest the sergeant's breath smelled of intoxicating beverages, but he was capable of walking and talking".

FIFTH WITNESS D-26001 R.S.M. Percival, W.O., PE 9 Bn, 2 C.B.R.Gp. having been duly sworn states:-

"At approximately 2315 hours 23 Dec 44, "Action Stations" had been called. I was proceeding to my post when I was stopped by the Bn duty officer, Lieut Capstick, E.H., who informed me that he had placed the Bn guard sergeant under close arrest for being absent from his post and further upon his return he was drunk. I immediately informed C.S.M. Travers that he would have to post another sergeant as guard commander. I then visited the Bn detention room where I found the guard commander who I recognized as B-36602 L/Sgt Hayes, J.H.T. to be in no condition to carry on with his duties due to intoxication. Shortly afterwards, Sgt Neve reported to me that he had been sent as an escort for Sgt Hayes. I ordered him to take Sgt Hayes to his quarters and to remain with him during his time of close arrest. Immediately afterwards I reported to the Bn duty officer that I had appointed another guard commander."

Witness cross-examined by accused, as follows:-

I informed the Provost that I had come as an escort, then escorted him to his quarters where he went to bed. We sat and talked awhile and he seemed to be quite alright. I left him then and reported to the C.S.M. as we were on "Action Stations". About fifteen minutes later I returned. Sgt Hayes was still in bed and awake. We sat and chatted and smoked a cigarette. During this time he was talking quite normally. I then left him again to report to the Orderly Room to see if there was any further orders. Sgt Hayes who was standing there recognized me and said that it was O.K. for us to pass. I said a few words to him, the exact words I do not recall, but it was something in the line of kidding him for having to be on guard.

Witness cross-examined by accused, as follows:-

Q.7. When we were talking did it appear that I was under the influence of liquor?
A.7. When I was talking to you it did not appear to me that your had had anything to drink.

On 23 Sept. 43 I was on duty at about 2220 hrs. in the Detention Office. Pte X. Y. Z was brought in drunk and incapable, searched and lodged in a cell. The large blot in the property book covered some of the property taken away from this X. Y. Z. On this X. Y. I have been cautioned by Cpl. P.W. Clearwater, C C31002, of the Special Investigation Section, C. M. P. S. that I need not say anything unless I wish to and anything I do say may be taken down in writing and used as evidence. To show I understand this caution I sign my name here.

I am B-73546 Cpl. S. C. HAYES of no 6 coy, 6 Edn Pro corps. at 0800 hrs of the 21st Sep 43, I was detailed for duty as 2 i/c Detention Room at 30 Henrietta Street London. M-17146, Sgt. W. T. Boyce was the N.C.O i/c. When first going on duty I checked the charge book and saw that there were forty prisoners in custody. I then put all property bags for men going back to the Holding Units on the window sill. I then checked the evidence Book and found all to be correct.

at about 1000 hrs Sgt. M-17146, Boyce, W.T. and I were looking through the property Book, and we saw the entry concerning the property of D-13660 Fus WELLS, P. W2, that is Sgt Boyce and I, saw that included in Fus WELLS' property were TEN one pound notes. The word TEN was not written very clear in the property Book. After discussing this point for a

Cpl Hayes S.C.

few minutes, Sgt BOYCE asked how the entry in the property Book in connection with Pte WELLS' money, could be changed to read FIVE instead of TEN. I then changed the word TEN to FIVE by putting a stroke in the centre of the letter "T" and dotted the "E" to make the word TEN into a FIVE. Sgt BOYCE said that this was not good enough and said that it would have to be blotted right out. He then took the Property Book over to the window and with his back to the door, blotted out the entry in the Property Book in respect to the property of Pte WELLS. During this time I was ~~watching~~ standing at the door with my back towards the elevator facing inside watching one prisoner cleaning up the Office. I think this prisoners name was PAUL, but I am quite sure he had no knowledge of what was taking place. I do not think that any other members of the Detn Room staff were present at this time. I do not know what method Sgt BOYCE used to blot out the entry in the Property Book of Pte WELLS as his back was towards me. A few minutes later when the Office was clear he drew it to my attention. No one handled the Property Book after Sgt BOYCE picked it up and took it over to the window and a few minutes later drew my attention to the large ink blot over the list of Pte WELLS' Property.

I then went over to where the property bags were, and picked up Bag #32, which contained the property of D-13660, WM. I took FIVE of these and I handed them to Sgt BOYCE and he put the FIVE one pound notes in his trousers pocket, but in a few minutes he handed the money back to me and said that I had better hold it for awhile, until all the men were booked out. After the alteration or Alot, was put in the property Book by Sgt BOYCE he told me that a new Property Slips would have to be made out, so I took the original property slips which had been made out by Cpl FREENIE and destroyed it and made out a new one which showed five one pound note instead of TEN. I gave him two one pound notes at this time and about ten or fifteen minutes later I went out to "FRED'S" Cafe on Bedford street and got the other pound note changed and gave him another ten shillings. We made it up between ourselves that we would not say anything under any circumstances, but after seeing his statement I decided to tell the truth. at approximately 2300 hrs of the 22 Sep 43, I handed over to S/Sgt DURRANT £2.10.0, which was my share of the money Sgt BOYCE and I had taken from Mrs WELLS property

Statement in Mitigation

Strange that two men should be so sorely exercised twice. Family trouble in both cases caused mental anguish. Posters people prove to commit offences. Legal Aid Branch set up to do away with soldiers domestic worries + make him more efficient.

Has perfectly good record. Has handled money for long time. Efficient and reliable. Must off depend. Not a large amt. Explanation is the worries Hayes had. At enlistment was supporting mother + invalid brother. Believed he would get D.A. as a married man. 6 mos. before his mother got anything. She got 20/- a month + he arranged 30/- Kept trying longest more for her. That girl over here + wanted to marry her. Worried as he could not do this + part her mother had little to live on.

Didn't actually need the money. Just took it. Forgot. Not a time in his life he acted this way. Spirit perfect record. Not a criminal type at all. Crime has been done but Court should be lenient. Takes away stripes. That plus time in custody to date enough.

Summary of Evidence in the case of Reg.No. B/73546, Cpl. Stanley George Hayes, of No.6 Cdn.(Area)Provost Coy., Canadian Provost Corps, a soldier of the Canadian Army Overseas.

By the direction of the Commanding Officer, this Summary of Evidence is taken on oath.

Witness No.1 for the Prosecution.

C/31002, Cpl. Paul Wellington Clearwater, Special Investigation Section, Cdn.Provost Corps, C.M.H.Q., a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:-

At approx. 1400 hrs of 22 Sept.43 I was instructed by S/Sgt Durrant, S.I.S., C.M.H.Q. to investigate a complaint which had originated in the Detention Office of No.6 Cdn.(Area) Provost Coy. As a result of enquiries I requested Sgt. Rutter and Cpl. McConnell to submit written statements as to the condition of records and documents in the Detention Office during their tour of duty from 2359 hrs 20 Sept.43 to 0800 hrs 21 Sept.43. Acting on information contained in these statements I had Cpl. Hayes detained for interrogation. After a lengthy interview with Cpl. Hayes I obtained information from him to the effect that he had participated in the theft of money from a soldier under arrest. Cpl. Hayes then produced the sum of £2.10.0 in two £1.0.0 notes and one 10/ note stating that this amount was his share of the stolen money.

Cpl. Hayes next offered to give a voluntary statement. He was duly warned and cautioned and a signed statement obtained from him on the morning of 23 Sept.43. I would like this statement, Sir, to be admitted as an exhibit.

In view of the information contained in the statement of Cpl. Hayes I interviewed Sgt. Boyce on the morning of 24 Sept.43. I explained to Sgt. Boyce the allegations made against him by Cpl. Hayes.

After being duly warned and cautioned Sgt. Boyce volunteered to make a signed statement. I would like this statement, Sir, to be admitted as an exhibit.

As a result of my investigations it was considered expedient by me to take into my keeping a leaf from the Detention Room Property Book, which listed the property of the S.U.A. from whom the money was stolen, and a property receipt for the same S.U.A. I would request, Sir, that these documents and the £2.10.0 received from Cpl. Hayes be used as exhibits.

A complete report covering my investigation was submitted by me to the Officer i/c S.I.S.. On instructions of Capt. Fern, D.A.P.M., I placed Cpl. Hayes under close arrest at 1130 hrs 23 Sept.43.

The accused declines to cross-examine the witness.

C/31002 .....Cpl (Clearwater, P.W.)

Witness No.2 for the Prosecution.

B/73556, Sgt. John Miller Baird, No.6 Cdn.(Area) Provost Coy., Canadian Provost Corps, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:

On 21 Sept.43 at about 1545 hrs when reporting for duty as N.C.O. i/c Detention Office, Cpl. Keenie drew my attention to a very large blot on a page in the property book.

On 20 Sept.43 I was on duty at about 2220 hrs. in the Detention Office. An S.U.A. was brought in drunk and incapable, searched and lodged in a cell. The large blot in the Property book covered some of the property taken away from this S.U.A. On this S.U.A.s person was found ten (10) one pound notes, one (1) ten shilling note, six shillings sixpence silver and sixpence halfpenny bronze. This money was listed in the personal property book and both Cpl. Keenie and I witnessed the same by signing it. The bank notes were placed in the S.U.A.'s wallet and put into Property Bag No.32 along with the rest of his personal property. Cpl. Keenie then made out a property slip which was attached to the rest of his documents. I later saw a Property slip made out covering this S.U.A.'s property which was not the property slip made out when this prisoner was booked in on my shift. I noticed that the amount listed thereon was five pounds and not ten pounds as was listed whilst I was in charge.

The accused declines to cross-examine the witness.

Witness No.3 for the Prosecution.

A/3797, Sgt. Sidney Garde Rutter, No.6 Cdn.(Area) Provost Coy., a soldier of the Cdn. Army Overseas, having been duly sworn, states as follows:-

At about 2345 hrs 20 Sept.43 I took over duty as N.C.O. i/c of Detention Office. During my tour of duty I have to check all documents, envelopes, body receipts and property receipts, and to see that all is in readiness for the day shift.

On checking the documents it was found that Sgt. Baird, whom I relieved had all documents made up.

At about 0745 hrs 21 Sept.43 Sgt. Boyce and Cpl. Hayes took over from me. At that time all was in good order. There was no ink blot on Gnr. Wells property list which was listed in the property book.

At no time during my tour of duty was I out of the office for more than a few minutes. In my absence Cpl. McConnell was in charge.

Witness No.4 for the Prosecution.

H/16082, Cpl. Peter Keenie, No.6 Cdn.(Area)Provost Coy., a soldier of the Cdn. Army Overseas, having been duly sworn, states as follows:-

At about 1640 hrs 21 Sept.43 whilst on duty as 2 i/c of the Detention Office I noticed a large blot of ink in the property book on the list of personal property belonging to D/13660 Gnr. Wells, P., 8th Field Bty. R.C.A. This S.U.A. was booked in at about 2220 hrs 20 Sept.43 as drunk and incapable, his property being checked by Sgt. Baird and myself.

In his possession were ten (10) one pound notes, one (1) ten shilling note, six shillings sixpence silver and sixpence halfpenny bronze.

At about 1750 hrs 21 Sept.43 I contacted the escort of this S.U.A. (L/Cpl Adams) and enquired if he could give me any information as to the ink blot on the property book. He handed me a property slip which I was unable to recognize as the original one which I had made out. Noticing that it was made out for five (5) one pound notes I told him to submit a report concerning the escort of Gnr. Wells to his Unit paying particular attention to the personal property he (Wells) signed for.

At about 1800 hrs 21 Sept.43 I contacted S/Sgt Durrant, S.I.S., and informed him of the circumstances and requested an investigation be made.

On 21 Sept.43 I was detailed to escort three soldiers and D/13660, Gnr. Wells, P. to Pulborough, Sussex. The following is the property which Gnr. Wells signed for on leaving the Detention Office.

MBM Parts 1,2 & 3, wallet, letters, braces. Five one pound notes, 1 ten shilling note, , 6/6 silver, 6½d bronze.

Lanyard, whistle, photos, rabbit foot, 2 combs, 2 pencils, Fld. dressing, F.S. cap and badge, laces, gaiters, respirator.

Upon returning to Henrietta St. at about 1750 hrs 21 Sept.43 Cpl. Keenie enquired as to the ink blot on the property book. I handed Cpl. Keenie instructed me to submit a report on Gnr. Wells property.

Q. Was the frontage there wide or narrow?
A. Wide.

Q. You stated there were between 50 and 100 when you arrived on the square on the morning of the 9th and you did not pay much attention?
A. No sir.

Q. Was anybody paying any attention?
A. I don't know I was just walking along.

Q. You weren't excited by the presence of 50 men on the square?
A. No sir.

Q. You weren't frightened by 50 rioting men?
A. No sir.

Q. No fear of harm to yourself?
A. No, sir.

Q. You didn't notice if any of the staff were trying to lead them on the Square?
A. No sir.

BY THE COURT:

Q. Was there any distinguishing marks on the accused so that you could recognize him when they passed you. Was he dressed the same as the rest?
A. Yes but he had been there for two years and I knew him.

BY THE PRESIDENT:

Q. You states Hayes was on the square. On that day all the SUS came out and were on the square. It was against regs?
A. Yes.

Q. But on that day you apparently relaxed everything - you had no orders to keep them in the huts?
A. Yes sir.

Q. Hayes at that time had no bar or anything in his hands?
A. Not that I remember.

Q. What was he doing on the square?
A. He was talking loud and shouting.

Q. You said he was jumping up and down?
A. Yes.

Q. In what way was he jumping?
A. From exuberance or something I guess.

Q. Somebody trod on his toe?
A. I don't know.

Q. You state you saw Hayes marching out towards the E Gate?
A. Yes.

Q. The area he went through is out of bounds?
A. No sir it was still A Compound.

Q. That procession was quite orderly?
A. It was just a mob.

Q. Did they do anything on the way?
A. Not when they passed B2.

Q. They moved quietly down the road?
A. They were all talking and shouting and hollering.

Q. Is it out of the ordinary to shout on VE Day?
A. Rules of the Det Bks say there should be silence.

Q. The Rules said they should be kept in the hut?
A. After all there are only 2 staff allotted to 50 men and 2 couldn't stop 50.

BY THE JA:

Q. Was any permission given by anyone for the SUS to assemble on the parade square on morning of 9th May?
A. No sir not that I know of.

Q. So this assembly of the mob as you call it was unauthorized?
A. Yes.

Q. Some had iron bars?
A. Yes.

Q. Some were carrying sticks?
A. Yes.

Q. Had they been issued with bars and sticks?
A. No sir.

Q. Were they quiet and orderly or were they noisy and turbulent?
A. Noisy.

Q. Why didn't you yourself make an effort to have them return to their huts or cell blocks?
A. I had no jurisdiction - there was a SM in charge of the compound.

Q. Did the SUS on the parade square appear to be out of control or still capable of being brought under control in your opinion by the available staff?
A. I think there would have been trouble.

Q. Did you think then that there would have been trouble?
A. Yes.

Q. Why?
A. From the way the men were acting themselves.

Q. In what way were they acting?
A. They were exuberant over VE Day and all going round hollering and yelling which was something they had never done before.

Q. This was on the morning of the 9th?
A. Yes.

(IN THE OPINION OF THE COURT AND THE JA IT IS NOT NECESSARY TO COMPLY WITH RP 83(B)).

CLOSE OF DEFENCE

CLOSING ADDRESS BY DEF OFFR

The accused faces 4 charges 2 of which he pleaded G to. I content the prosecution did not offer any evidence as to the 1st and 2nd charges. He was improperly concerned in a disturbance in the said Det Bks - 1st charge - on the evening 8th May. SUS D'Aoust gave evidence to the effect that Hayes was in hut 1 at the time. He also stated that was the hut in which Hayes was supposed to be. He stated further that there was a group around SUS Kelly who was handcuffed; but he did not see the accused do anything except be in that group. He then stated that each time he looked at the window Hayes was there yelling "phooey" at the offrs. His answer before that was that the group that were at the windows were yelling "phooey". He did not state in his examination in chief that Hayes had said anything. He also stated that the staff present in the hut were doing nothing to keep the yelling down or stop the interference with the handcuffs.

I would ask the court to consider the natural consequences of leaving an SUS handcuffed with a group of other SUS. It is my contention that the man who left him that way should have known better than to leave him unattended and handcuffed. As far as the yelling is concerned no attempt was made whatsoever to stop the noise. That is all I have to say about the first offence.

On the second offence evidence was given by S/Sjt Thomson that the accused was in a group of between 50 and 100 on the square. He then stated "I did not pay much attention". He also stated that nobody was making any attempt to stop the group. On questioning by the court he said he thought there would be trouble if anybody tried to stop them after already stating that he paid no attention. How he could be thinking and pay no attention at the same time is beyond me. They weren't interested in stopping these men.

He further states he saw the accused in front of Hut B 2 and that is the only evidence of the accused's activities on the morning of May 9th. He was with a group who were marching round the square under no guidance, no one trying to leave them, no one trying to stop the trouble. As the staff said, "I paid no attention".

I ask the court therefore to bear in mind when they consider the 1st and 2nd charges, the attitude that the staff had in this connection. I would refer to the Note under Sec 40 MML p 45b at the foot of the pay. (quotes "a charge ------ discipline"). The accused is being charged with being improperly concerned, no neglect or disorderly conduct is mentioned. Further, the last four lines of that Note("and the court ..... took place"). These events all took place on VE Day or the day following.

CLOSING ADDRESS BY DEF (CONTD)

Rules must have been relaxed because the staff weren't interested enough to pay any attention when the group paraded on the Square on May 9th, or tried to stop yelling and shouting in the hut on May 8th. There was no order in that hut. So I fail to see how the conduct of the accused has been to the prejudice of good order and mil discipline. There was no discipline - the lads were completely on their own - nobody tried to control them. They are not there because they are Sunday School pupils.

I ask the court to find the accused NG of the 1st and 2nd charges.

CLOSING ADDRESS BY PROS:

As to the 1st charge. The disturbance, which the court may consider on the evidence, is one which occurred inside living hut 1 and the evidence on that is simply boiled down to the fact you have a hut larger than this room and inside there was a small group always moving around and shouting. The accused was identified as being part of that group, and it is this group, including the accused, continually at the windows (where they should not have been) and who did a lot of shouting from them.

As to the other point that should be considered in connection with that disturbance is the un-handcuffing of Kelly and Hayes' part in that. It isn't necessary that Hayes be the person who held the poker or shovel. I ask the court to keep this picture in mind - that here is a hut of 50 SUS and only 2 members of the staff, and if the size of the group that surrounds Kelly with a common purpose of getting the handcuffs off is sufficient to prevent the staff from taking necessary action, then if Hayes is part of that group that is sufficient to make him improperly concerned. It is not necessary to fasten him with the actual act of un-handcuffing, but sufficient to make him improperly concerned in that part of the disturbance which took place in living hut 1.

On the 2nd charge the picture is not as the Def suggests that some specific act must be alleged; but I saw the Pros has shown that there was some disturbance and then the accused's identity in that disturbance; and if he is identified as being in that disturbance then we have sufficient basis for saying that he was improperly concerned in it - and that is what the charge is. The disturbance for which there is evidence on the 9th, is the milling mob on the parade square. Again I ask the court to keep in mind the relative proportions of staff to SUS there, and I also ask the court to accept the evidence that a number of those SUS on the parade square were carrying bars. This evidence of Kelly that nobody was carrying bars can be treated with the disrespect it deserves. The milling mob on the parade square there is evidence that Hayes was identified in it and that he drew attention to himself by jumping up and down and by shouting, so that is being a party to the mob whether their purpose at that particular moment was unlawful or not or had some specific object in mind - he was a part of it at that point. I ask the court to take the view of that mob that it was of such a number and so armed that it was not just a celebration group but it is a mob who felt its "oats", and they took over control. Feeling they were in a position to wilfully defy the prison authorities they continued to do so and marched out towards the E Gate. Evidence is that in his plea of Guilty to the 4th charge of being AWL from 0900 hrs that fixed the time on his own admission from which he left the gate. On top of that we have Kelly's evidence that he ran out and the accused also left at the same

time. Kelly says he was in the middle and from that position he saw damage done to the windows of the cook house on the way out of the E Gate. That is further evidence of a disturbance on the 9th what the court can take notice of as regards this 2nd charge.

I say that on the evidence it is a fair inference to say that the accused can be identified as being part of this mob when the disturbance took place. We have the evidence of S/Sgt Thomson saying that he saw him on the parade on the way up to the E Gate, and the time he left, and Kelly's evidence that he escaped at the same time.

SUMMING UP BY THE JA

Under our system of mil law the court are the judges both of the law and facts relating to this case. The court should follow my advice on all questions of law. The court however are the sole and absolute judges on all questions of fact. They should disregard any opinion given by me on a question of fact arising in this case. It is a fundamental principle of British Justice that the accused must be presumed to be innocent until proven guilty beyond a reasonable doubt. The accused does not have to prove he is innocent of the charges - on the contrary the onus is upon the prosecution of proving the guilt of the accused, beyond a reasonable doubt and that onus rests upon the prosecution throughout the trial. If, after careful consideration of the evidence before the court the court is either convinced of his innocence or left in reasonable doubt as to his guilt on any charge, it is the duty of the court to find the accused NG of that charge.

The 1st charge against the accused is a charge under Sec 40 AA of conduct to the prejudice etc. Before being justified in finding the accused guilty of that charge the court must be satisfied beyond a reasonable doubt that on 8 May 45 a disturbance took place in the Det Bks and that the accused was improperly concerned in it. Furthermore that under all the circumstances the conduct of the accused was such as to constitute conduct to the prejudice of both GO & MD.

The 2nd charge is likewise a charge under Sec 40 of conduct to the prejudice etc, and is the same in all respects as the 1st charge except that it relates to the 9th May and not 8th May 45. What I have said with respect to the 1st charge and the elements necessary to constitute the offence alleged in the 1st charge apply equally to the 2nd charge.

With respect to the 3rd charge, that is a charge under Sec 22 AA, when inconfinement escaping. The accused has pleaded G to the 4th charge, in the particulars whereof the accused is charged with having gone AWL while a SUS 1 Cdn Det Bks. In view of the allegation in the particulars of the 4th charge that the accused went absent while undergoing sentence, the 4th charge embraces actually the 3rd charge and the court considers it advisable to treat the case as though the prosecution has not offered any evidence on the 3rd charge. Consequently the court should bring in a finding of NG on the 3rd charge. In conclusion I wish to repeat that the court are the sole and absolute judges of the facts of the case and the accused must be given the benefit of any reasonable doubt.

Are there any further matters upon which the court, the Pros or Def Offr wish me to advise the Court?
Pres: No Pros: No. Def Offr: No.

COURT CLOSED TO CONSIDER ITS FINDINGS

COURT REOPENS

PRESIDENT: The court finds you NG on the 1st and 3rd charges. Findings of the court on the 2nd charge being subject to confirmation will be promulgated later.

JA: Do you wish to make any statement to the Court relating to the 4th charge?

Accused: No sir.

The JA: In that case the court records a finding of Guilty on the 4th charge. The next stage is reading of the Summ of Evidence.

(JA reads that part of the Summ of Evidence with relation to the 4th charge only - the accused's own admission).

MFM 6 and AFB 296 produced.

PLEA IN MITIGATION BY DEF OFFR

The accused has a medical category of M-3 and has not served on the continent because of his category he was unable to do so. He is 21 yrs of age. I am asking the court to consider his age and circumstances under which the accused was at the time of the disturbance at Headley. He went out of the gate with some larger group. This group had been parading on the square - no one paying any attention to them. He stayed AWL until 0200 hrs following day when he gave himself up at Borlon. There has been no evidence of any violence or bad temper on the part of the accused He was in a group that was celebrating without leadership. A young man of only 21 I would ask the court to be lenient in awarding its punishment.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans No S.R. (5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

A. Yes sir.

Q. Did you estimate the damage?
A. Yes sir.

Q. What was the amount of damage?
A. £3.10.0d.

Q. Will you give a detail of the damage?
A. The material require: 1 grill guard £2.; 1 draft ventilator window 10/0d; 1 headlamp blackout shield 5/0d; 5 hours labour required 15/0d making a total of £3.10.0d.

Q. What is your job?
A. I am in charge of inspections carried out on all vehicles received from our park.

NO CROSS EXAMINATION.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

PLEA IN MITIGATION

I would like to point out to the Court the following points. First the evidence before the Court is purely circumstantial, it all hinges on two statements made voluntarily by the accused. We have two statement not taken under oath and it may well be that the accused have exaggerated in their second statements. Outside of their statements the evidence for the Prosecution is very weak and I would ask the Court for leniency for these two men on account of their youth.

I am O i/c Storage & Maintenance Park, 1 V R D, 1 C C O D. On Sunday 14 Jan 45 acting on information received I ascertained that the wire fence on Peper Harow, East Park 1 V R D, had been cut and the wire pulled back allowing sufficient room for a vehicle to pass through. On further inquiry I found that Ford Sedan CM 195419 was missing. This vehicle was on charge to 1 V R D, and my records showed it to have been parked in the zone allotted to sedans and station wagons in Peper Harow East Park. This vehicle has since been returned to 1 V R D, 1 C C O D.

Both accused decline to cross examine this witness.

SECOND WITNESS for the Prosecution: C42004 Sgt Hammond H F on strength of SIS CMHQ, a soldier of the Canadian Army Overseas, having been duly sworn states as follows:

Pursuant to information received on 18 Jan 45 I proceeded to the R E Power Station, Bordon and found a Canadian Army Vehicle Ford Sedan C D No CM 195419 Parked behind the rear of the main power shed. On examinating this vehicle I found that the ignition lock was off and the ignition wires had been joined together. The right front door was locked and the left front door was locked from the inside. On releasing the hood cover I found the main lead to the battery disconnected and also the spark plug wires. I then arranged for the car to be under surveillance and set a trap for anyone about to use the vehicle. I left the car in the same condition that it had been left.

At 1800 hrs 18 Jan 45 I placed L/Cpl's Darby and McKenna of No. 9 Provost Coy behind a packing case approximately 10 feet from the car, and I placed L/Cpl McGladdery also of 9 Provost Coy behind a large cable spool 50 feet from the car where he could have a vision of the road leading to the entrance to the plant and vision of the vehicle. I kept watch at the power plant office.

At 1850 hrs 18 Jan 45 I saw two Canadian soldiers pass by when I was standing and go down the road turning the corner of the building in the direction of the place where the vehicle was. I proceeded very slowly to give ample time and when I reached the end of the building the arrest of K 1207 Pte Poelzer R P J of 1 C O M E R U, and L28378 Pte Hayes T E of 4 V R D 1 C C O D had been effected. I now recognize Ptes Poelzer and Hayes in this room.

I escorted Pte Hayes to 4 V R D Guard Room, and Pte Poelzer to 1 C O M E R U Guard Room pending further investigation.

On 19 Jan 45 I interviewed Pte Poelzer and cautioning him and having him sign the caution as having understood it, he made a voluntary statement. I introduce this statement of Pte Poelzer. (Exhibit 1).

On 20 Jan 45 I interviewed Pte Hayes T E, and after cautioning him which caution he signed, he gave a voluntary statement which I introduce as (Exhibit 2).

On 25 Jan 45 I again interviewed Pte Poelzer in regard to the discrepencies between his statement and Hayes' statement. Pte Poelzer then admitted his participation in the theft of Vehicle CM 195419. I then cautioned Pte Poelzer, which cuation he signed, and he made the following additional voluntary statement which I introduced as Exhibit 3.

On 25 Jan 45 I then interviewed Pte Hayes T E, who was implicated in the theft of vehicle CM 195419 according to statement of Pte Poelzer, and I read over Poelzer's last statement to Hayes, and he admitted that Poelzer's statement was true. and after being cautioned which caution he signed, he made an additional voluntary statement, which I introduce as (Exhibit 4).

On 20 Jan 45 in the presence of Pte Hayes I examined his small haversack. He did not have this haversack with him on the night of his arrest. He stated to me that it was his haversack. I found in the haversack one pair of wire cutters, and a key ring containing fifteen vehicle keys. I introduce wire cutters as (Exhibit 5) and the key ring andkeys as (Exhibit 6).

On Thursday 18 Jan 45 at approximately 1800 hrs I was detailed by Sgt Hammond to remain covered behind an upturned platform approximately 10 ft to the right of vehicle CM 195419 located at the rear of the R E Sub-Station, Bordon. With me at that point was L/Cpl McKenna of No 9 Provost Coy.

At approximately 1850 hrs I saw a soldier whom I now recognize as Pte Hayes, coming around the rear part of this vehicle to the right front door which he opened. He reached in and leaned across the front seat and knocked down the door catch on the left front door. He turned back out of the car and went to go around the open front right door and as he did so the beam of his flashlight fell on my riding coat and he stood still with the beam of light on me. I close in on him and grabbed him by the arms and asked him who he was. His reply was "Just a guy". I then arrested him.

On 18 Jan 45 at approximately 1815 hrs I was stationed by Sgt Hammond at a point about 10 ft away from vehicle CM 195419 Ford Sedan which was parked behind Bordon R E Substation.

About 1850 hrs, 18 Jan 45 I noticed two soldiers whom I now recognize as Pte Poelzer, and Pte Hayes coming around the corner of building and stop about 11 paces behind this vehicle. Then Pte Hayes went to the right of the vehicle and Pte Poelzer went to the left of the vehicle. Pte Hayes opened the door of the vehicle and reached across the front seat. I couldn't see what he was doing. Pte Hayes then came out of the vehicle and his flashlight shone toward L/Cpl Darby. L/Cpl Darby stepped out from behind the packing case and arrested Pte Hayes. I came out from the other end of the packing case and arrested Pte Poelzer.

On 18 Jan 45 at approximately 1800 hrs I was posted by Sgt Hammond about 51 feet from Ford Sedan CM 195419 which was parked behind the R E Sub Station, Bordon.

About 1850 hrs, 18 Jan 45, I saw two soldiers whom I now recognize as Pte Hayes and Pte Poelzer walking up the road leading to the RE Sub Station which is "Out of Bounds" to all troops. There is a large sign at the entrance saying "Out of Bounds".

They came up the road within 51 feet of the car; then they stepped in the shadow of the building; they paused momentarily and then proceeded on within 21 feet of the car and paused momentarily again. As they paused on both occasions, they talked to each other. The second time they paused they were in the shadow of the trees and I couldn't see them very well. I then stepped out from where I was, and by that time they had been arrested by the car. From where I was standing originally I couldn't see this vehicle at 1850 hrs.

STATEMENT OF K1207 PTE POELZER R P J

I have been cautioned by Sgt H F Hammond of the Special Investigation Section, CMHQ, that I need not say anything unless I wished to do so but anything I do say will be taken down in writing and may be used as evidence. I clearly understand this caution and wish to make a statement. To show I understand this caution I sign my name here.

(Sgd) "R Poelzer Pte K 1207"

On the 14 Jan45, I was on strength of No 4 V R D. I left camp with Pte Hayes T of 4 V R D at 1800 hrs 14 Jan 45 and we proceeded to Bordon Railway Station. We purchased railway tickets from Bordon to Guildford. We left on the 1830 hrs train from Bordon to Bentley, changed trains to Aldershot and again changing trains from Aldershot to Guildford. Arriving at Guildford at 2030 hrs. we went to the Guildford Y M C A to get something to eat and went out and caught the bus to Woking. We stayed in the Y M C A a few minutes to see if we could pick up some gash. We saw we couldn't and went outside and took a bus. When we left the Y M C A we turned right from the door, walked straight up the hill to the Bus Stop near the Rly Station. It is just a common Bus Stop. We got on the bus and went to Woking. The fare, single, cost me 9d, Hayes and I paid our own fares.

When we arrived at Woking at about 2125 hrs and went to the Red House Hotel and drank beer, about 5 or 6 pints to closing time at 2200 hrs. We both bought beers. After closing time we walked to the Rly Station, purchased a ticket from Woking to Bentley for 2/6 single, we caught the 2228 train from Woking and arrived at Bentley at 2330 hrs. When we got off the Alton train at Bentley, the ticket puncher told us that there was no more trains to Bordon and we had to walk. We were bust. We walked down the tracks about ½ mile and then turned left on a road, we then got to the New Inn on the Bordon - Farnham Road, and then turned right to Bordon. It took us from 2330 hrs to 0600 hrs to walk from Bentley to Bordon. We stopped twice about 5 or 10 minutes. When we arrived back at 4 V R D there being no Roll Call we were not posted AWL. I washed up and had breakfast. I was on fatigues on 15 Jan 45 shovelling coal. I was paid that day and drew £1.0.0.

On Monday 15th Jan 45 I went to the Palace and saw Bing Crosby, I went to the show alone. After the show got out at 2130 hrs I went to the Cdn Y M C A for coffee and there until 2200 hrs. the YMCA closed and I went back to my billets and went to bed.

On Tuesday 16 Jan 45 I slept in until 0900 hrs. The Q/M Stores Officer came to my bunk and woke me up and I was taken to the Guard Room and locked up, stayed until 1630 hrs and a Cpl from the Orderly Room told me I was released. He told me the Sgt Major wanted to see me, I saw the Sgt Major and he told me I was on draft to 1 C O M E R U. the next day at 1530 hrs. He told me to get my equipment together. I went back and had my supper, put my equipment together after supper and I went to the NAAFI at 1900 hrs and wrote letters. I left the NAAFI at 2200 hrs and went to my billets and went to bed. I was alone at the NAAFI.

On Wed 17 Jan 45 I went to the MO, also dentist for inspection, to PO and QM Stores. I drew gaiters, drawers, shorts, 2 pair of stockings, gas cape, mess tins and helmet net and a pair of braces. I have no Greatcoat, I lost in the Greyhound Pub at Mansfield, Nottingham on 10 Dec 44. I have not had a greatcoat since. They did not query my kit shortage at the QM Store at 4 V R D as I did not have my Part 111. I was transferred to 1 C O M E R U at 1330 hrs 17 Jan 45 and have not had a kit inspection. At 1800 hrs 17 Jan 45 I went alone by bus from Bordon to a dance in a hall off the main street on the side, coming from the traffic lights towards Bordon, this is at Farnham. DLR

I stayed at the dance to 2330 hrs. I did not know anyone there, I had a few dances, I left the dance alone and went back to the street lights and hitch-hiked a ride to Borden. Arriving back to my billets at midnight. I was checked by the Guard at L O M E R U, I showed my paybook, I did not have a pass and was let go. I was up on orders on Thursday and received one days' stoppage of pay.

At 1715 hrs 18 Jan 45 I left L O M E R U and went down to see Pte Hayes, I waited for him in his billet to 1800 hrs and we were going to go to a show. We walked through the bush and saw a car, we walked over to see it and what it was doing there and were arrested. I don't know the place we walked through, it is across the road from 4 V R D,. I have seen the place in daylight but don't know what it is. I heard this was a short cut to the show (Palace) and I walked through there once before. There is one building to the right up further down the road there is one more building on the left, the car was parked behind this building on the left.

I have not had this car out, I do not know nothing about it.

When we approached the car I went to the rear side and Hayes went to the offside, I was not inside the car. I told Hayes to release the door catch on the rear door for me as I could get in. He released the catch from the inside of the car and I was just getting in when I was arrested.

I have read over this statement and been given the opportunity to add to or delete any part of it and it is the truth.

STATEMENT OF L28378 Pte Hayes T E of 4 V R D

I have been cautioned by Sgt H F Hammond of the Special Investigation Section, C M HQ, that I need not say anything unless I wish to do so, but anything I do say will be taken down in writing and may be used as evidence. I clearly understand this caution and wish to make a statement. To show I understand this caution, I sign my name here.

(Sgd) T E Hayes Pte L28378

I am on strength of 4 V R D as a hut orderly, my category is U-3, I have been at 4 V R D for two or three months, I have never been stationed at 1 C C M E R U.

On Sunday 14 Jan 45, I borrowed 5/ from Pte Carter of "E" Block, I had owed him 15/, this made a £1.0.0. I was with Pte Poelzer, then of this unit. We had supper at 1630 hrs, Poelzer and I caught a bus at Bordon Cross Roads, and went to Aldershot, this cost us 1/2, we each paid our own fare. We changed buses at Aldershot and caught a bus to Woking. I don't remember what the fare to Woking was, but we each paid our own fare, arriving at Woking about 1900-1930 hrs. We had 1/2 pint of beer each, I paid for the beer. Poelzer did not buy any beer. We were both short of money. We had the 1/2 pint of beer at the Red House. We then left went to a dance at the Hall near the Six Cross Roads, it is some kind of a church affair. We left the dance with the idea of catching a train which left at somewhere around 2330 hrs. When we got to Woking Rly Station one of the train officials told us that the last train had gone. Poelzer and I then walked up the road, caught a ride in a Can Truck from Woking to Guildford By Pass. We got off at the By Pass and waited for another hitch-hike. We waited and got a ride from Guildford By Pass over the Hogs Back to Bordon. This was a Can Army Truck. We arrived at Bordon, this would be around four o'clock on Monday morning. We got off the truck by the Fire Hall, the truck continued straight up the road, we turned right and went to our unit cook house. The cooks were preparing to get breakfast. We had a piece of bread and butter and we went over to the hut. I left Poelzer by his hut. I laid down on the top of the bed for awhile.

On Monday 15 Jan 45, we were paid in the afternoon, I drew £3.0.0, I paid Carter the £1. I owed him. Poelzer came over to my hut, we were sitting talking for a while and Poelzer and I went by bus to Aldershot. We went to a show (picture) and then to the Palais Dance Hall, we returned to Bordon on the 2228 train from Aldershot to Bordon. We got off the bus at the Police Station at Aldershot and went to the first picture show from the Police Station. I don't remember what was on at the show. When we got off the train at Bordon, Poelzer and I walked back to our unit and went to bed about 2330 hrs.

On Tuesday 16 Jan 45, Poelzer and I went to Aldershot at about 1715 hrs, we went by bus. We just mucked about the town, had a few drinks, walked around Aldershot and we both came back to Bordon on the 2228 hrs train and walked back to our unit and went to bed.

On Wednesday 17 Jan 45, Poelzer and I went again to Aldershot leaving at 1730 hrs. We again mucked about all evening we were not drinking that night. We went inside of the Palais Dance Hall, talked to the doormen. We did not dance, I don't know if Poelzer did or not. We again caught the 2228 train from Aldershot to Bordon and went to bed.

"D.L.R."

Poelzer had been transferred to 1 C O M E R U on 17 Jan 45. I wish to add on the night of the 17 Jan 45 Poelzer left me at my billet and went on to 1 C O M E RU his new unit.

On the night of 18 Jan 45 Poelzer came from 1 C O M E R U to my billet and as we had no place in particular to go, we left our camp area at 1830 hrs to go to the Methodist Home. When we left our unit lines we crossed the Street and went through the R E Yard going towards the Methodist Home. I don't know why we went this way, I have never been through this way before. We passed some buildings of the R E and following the road and Russ Poelzer saw a car standing beside a big building. We stopped and then went to have a look at it. I went to the right hand side of the car, Poelzer went to the left hand side of the car. The car was a Ford Staff Car. The door was closed on my side but not locked. I opened the front door on the right side and looked into it. Russ Poelzer said his door was locked and I released the catch on inside of Poelzer door. I then turned around, I had a flashlight on and swinging around I noticed by my light a Provost standing near the car. He came up and grabbed me. He said what have I got there, I said a flashlight. He said OK boys, others came from the bush and then he called Hammy and Poelzer and I were taken into custody.

I have been given the opportunity to add to or delete any part of this statement and it is the truth as far as I can recollect.

STATEMENT OF K1207 Pte Poelzer R P J

I have been cautioned by Sgt H F Hammond of the Special Investigation Section, CMHQ, that I need not say anything unless I wish to do so, but anything I do say will be taken down in writing and may be used as evidence. I clearly understand this caution and wish to make a statement. To show I understand this caution I sign my name here.

(Sgd) K 1207 Pte Poelzer R P J

I now wish to make a further statement giving the true facts of the stolen vehicle, and that my statement to Sgt. Hammond on the 19 Jan 45 was untrue.

I was in Pte Hayes billet on Saturday at 1400 hrs, 13 Jan 45, and we decided to go out and as we did not have any money, we didn't have money to get transportation. Hayes and I talked the transportation angle over and we decided to get a car from 1 C C O D at Peper Harow. We had supper at our unit and then we hitch-hiked to 1 C C O D. We got to 1 C C O D after dark. Hayes had a pair of wire cutters with him. We went up the hill towards 1 V R D and cut through a pasture to 1 V R D Park. When we reached the wire fence, I took the wire clippers from Hayes and cut the wire fence. This was a middle fence in the pasture, we then went up to the Park fence and there was a gate, we swung the gate open and there was a protection roll of wire at thi's gate and I cut through this roll and then we were inside of 1 V R D Park. Hayes and I walked down towards the staff car park. Hayes had been with the Convoy Section and knew the parking places. We got up to the staff cars. We got to a Ford Staff car, the one we were arrested at. I opened the front door on the left hand side and released the front hood catch, we looked in to see if there was a battery in it, there was no battery. There was no ignition lock but the wire were connected up to start. Hayes looked at one of the other staff cars and got a battery from a car and installed it in the one we had. Hayes at first said "We'll take another one". I said "No", there's a good light on this one". After we got the battery in, Hayes started the motor. I got in with him and drove up to some fire pails in the park and filled the radiator with water. Hayes drove out the way I had cut the fence and through the pasture and out to the highway. We then drove to Staines. The petrol tank was full. We stole the car at 1830-1900 hrs. 13 Jan 45. We picked up a couple of broads at Staines and went for a little ride, with the two girls. We parked for a while and took them to near their home, about 2230 hrs. Hayes and I then drove back to Bordon about 2400 hrs. We wanted to use the car on Tuesday night, so we thought about the Power Station and drove the car in and parked it against the door of a big shed at the rear. It looked to be out of sight. I gave Hayes back his wire clippers and we went to bed.

On Sunday 14 Jan 45 at 1830 hrs Hayes and I went to the place where we parked the car, it was still there. We had disconnected the main battery cable and the spark plug wire on Sat. night. Hayes connected the battery and I the spark plug wires. Hayes started the car and drove to 4 V R D by "B" Kit trucks, we had a piece of rubber hose and siphoned petrol from one of the trucks, filling our car's tank. The oil seemed to be alright.

We found a 4 gal petrol can, filled it also and placed it in the back compartment. We then got another 4 gal petrol can and filled this. We then had about 18 gals of petrol. We got the gas from a Diamond T truck.

After getting the petrol we went to Aldershot, Hayes driving and arrived there at 1930 hrs. We went out on the Hogs DLR

Back to the Doone Cafe and picked up Haye's girl friend "Titche" and took her home. She lives above a pub near the Purple Heart at Tongham. I went in the pub and Hayes stayed in the car talking to the girl. At 2015 hrs Tich went inside and Hayes and I drove to Woking. We had one or two beers in the Red House. We went out and sat in the car for three quarters of an hour, wondering what we should do. A soldier came along and said he was broke and asked us if we would take him home to Horsham. He was a Cdn and stationed at Horsham. We drove him to Horsham, got there very late as we got lost going there. We got to Horsham about 0400 hrs 15 Jan 45. After we got rid of this soldier we returned to Bordon and put the car the same place, after disconnecting the wires.

On Monday, Tuesday and Wednesday we took the car out and went to Aldershot, Sunningdale and Farnham and each night we parked the car at the same place.

On Thursday 18 Jan 45, Hayes and I went to get the car again at 1850 hrs and I went to the left side. Hayes released my door that was locked, from his side of the car. I opened the door and pulled out the lever that releases the radiator top bonnet. We were both then arrested for being in possession of the car. We did not use a flashlight to going to the car.

This is the only car we have stolen. We have not been at 1 V R D together. This was my first trip.

I have read over this statement and have been given the opportunity to add to or delete any part of it. It is the truth and given of my own free will, voluntarily.

STATEMENT OF L 28378 Pte Hayes T E

I have been cautioned by Sgt H F Hammond of the Special Investigation Section, CMP, that I need not say anything unless I wish to do so, but anything I do say will be taken down in writing and may be used as evidence. I clearly understand this caution and wish to make a statement. To show I understand this caution I sign my name here.

(Sgd) T E Hayes Pte L28378

I have had the statement of Pte Poelzer R P J read over to me and I also know his signature, and the statement he gave on 25 Jan 45 is the truth. I now wish to give a voluntary statement of the truth of the stolen vehicle.

On Sat 13 Jan 45, Pte Poelzer came to my billet, we had no money and wanted to go out and as we did not have any transportation we decided to go to H Q 1 C C O D at Leper Harrow and steal a staff car from the Storage Vehicle Park. When I was with H Q 1 C C O D in 1943, I had been on Guard Duty at this park and knew the area. I had a pair of wire clippers that I got when I was with 2 C I R U at the unit salvage dump and I had them in my kit bag. I got the clippers from my kit bag and Poelzer and I proceeded to H Q 1 C C O D. We got a bus to Hindhead and hitch-hiked from Hindhead to Milford Cross Roads. We arrived there at about 1830 hrs. We walked down the Guildford By Pass and came to a gate of a farmers fence and cut across his pasture to another fence. I gave Pte Poelzer the wire cutters and he cut the pasture fence. We then went up to the Vehicle Park to the gate and opened the gate and Poelzer cut the wire and we pulled the wire back to make passage for a car.

We went up to the staff cars, we looked at one that there was no battery in it. I looked inside of another one there and there was a battery inside of it. I took this battery and put it in the car we were stealing. Started the car up, we got some water out of some fire buckets and put it in the rad. We then drove out of the park, closing the gate behind us and pulling the wire back in position. We drove through the pasture through the gate to the Guildford By Pass. I was driving the stolen vehicle.

We then proceeded to Staines, we picked up two girls and went for a little drive, then took them home and returned to Bordon during the night. We had decided on leaving the car so that we could find it in the morning. We had no money or transportation so we thought we would keep the car. We then hid it in behind the R E Power Plant near 4 V R D and went to bed.

On Sunday 15 Jan 45, Poelzer and I had supper at the unit and went over to where the car was at 1800 hrs. We connected the battery up and I drove the car to the 4 V R D Car Park Square, and we proceeded to siphon some gas out of a Diamond T Truck. We filled the car tank also a 4 gal and a 2 gal petrol tins and put them in the back compartment. We then drove to Aldershot, then to the Doone Cafe, Hogs Back to meet my girl, Marie Tuck, and drove her to the Anchor Pub in Tongham, where she lives. After I took her home we went to Woking, drove around Woking for a while and then met a Cdn who was broke and he wanted to go to Horsham. We told him we would take him to Horsham and in going there we got lost and we arrived at his camp at 0400 hrs. This soldier was a French Canadian. We then returned to Bordon placing the car at the R E Power House as we did the previous night. This was about 0600 hrs.

On Monday, Tuesday and Wednesday we took the stolen car

DLR

to Aldershot, Sunningdale and Aldershot. It was Wed we made out last trip to Aldershot 17 Jan 45. I got out of the car at Aldershot and Poelzer took the car back to Farnham to a dance. He picked me up at 2145 hrs. I had picked up my girl friend intending to go to a show at Aldershot, but there was to big a queue, so we had fish and chips and walked around. When Poelzer picked us up, I drove the girl back home and we returned to Bordon and parked the car at the same place.

On Thursday 18 Jan 45, Poelser and I went down to the Power Plant at 1845 hrs to get the car again. We were at the car. We did not use a flashlight going to the car, but I turned it on in the car, released the door for Poelzer to release the hood catch on his side. I turned around with the flashlight and saw a Provost standing quite close. I and Poelzer were then arrested for being in possession of a stolen vehicle.

I never been around 1 C O M E R U and did not go there Sunday night.

The car that we were found in possession of is the car we stole from 1 V R D Park.

I have read over this statement and have been given the opportunity to add to or delete any part of it and it is the whole truth.

I wish to add that this is the first and only car I have stolen.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

27 MAY 1944

DEFENDING OFFICER STATES

Sir,

I wish to offer a plea in bar under RP 36(A)(1), that he has been previously dealt with summarily by his Commanding Officer for this offence under AA 46.

The Defending Officer read foot note to AA 46 as follows:

"15. Where a case of absence without leave is dealt with summarily by the company, etc, commander acting as commanding officer, he must, of course, comply with the provisions of this sub-section, and should in every case, before awarding any punishment, inform the soldier of the number of days pay he forfeits under the P.W. in respect of his absence, and ask him whether he wishes to be tried by district court-martial.

16. A C.C. must never omit to ask the question prescribed by this sub-section, otherwise he acts without jurisdiction and any award of punishment could be invalid."

The Defending Officer stated that he proposed to call evidence to prove these facts under RP 36 (B).

1st WITNESS FOR THE DEFENCE on the plea in bar

A 55082 C.S.M. McADAM, S., on strength 1 CCOD, having been duly sworn states:

Q 1 On the 15 May 44 did you attend orderly room at 1 CCOD?
A 1 Yes Sir.

Q 2 Do you recall Pte Hayes on my left?
A 2 Yes Sir.

Q 3 Was he up on orders at the orderly room that day?
A 3 Yes Sir.

Q 4 During that orderly room is it true that the accused, Pte Hayes, was awarded 28 days detention without being asked whether he would accept the CO's punishment or elect to be tried by FGCM?
A 4 Yes Sir.

Q 5 Would you tell the Court just what took place at that time?
A 5 There was four men for orders as I recall it, four men in this whole parade, three were given five days and their pay, Pte Hayes was given 28 days detention.

Q 6 What were they charged with?
A 6 AWL in each case.

Q 7 Do you remember how long the absence was in the case of the accused?
A 7 It started from Tattoo on the 14 May until they reported on parade the next morning, I would say they were charged with being AWL for a little over six hours, but I would hesitate to swear the exact length of their charged absence on oath.

Q 8 It was the same charge that the accused is being tried for today as far as you know?
A 8 Yes Sir, if he is being tried for being AWL from Tattoo on the 14th until the next morning, it is the same charge.

Q 9 Are you certain that he was not asked whether he wished to be tried by FGCM.
A 9 I am absolutely certain, in fact I called the Adjutant's attention to it afterwards.

Q 10 Where is the charge sheet?
A 10 I do not know Sir.

Q 11 Was there a charge sheet?
A 11 Yes Sir.

Q 12 What happened when you drew the attention of the Adjutant to this?
A 12 He called it to the attention of Major Kelly.

Q 13 What was done then?
A 13 I do not know but I was warned to have Pte Hayes paraded again next day.

Q 14 What happened next day?
A 14 Major Kelly admitted that he had forgotten to ask if he, Pte Hayes, would be tried by him, Pte Hayes said "no sir, he would be tried by FGCM.

Q 15 Was that the same day?
A 15 No Sir, that was the next day, the 16 May.

Q 16 Was any Part II Order issued?
A 16 I am not sure Sir.

Q 17 Had the accused been marched out before you mentioned this omission to the Adjutant?
A 17 Yes Sir.

Q 18 Was he marched in again that day?
A 18 No Sir.

Q 19 When was he marched in again?
A 19 The next day Sir.

Q 20 What was the accused given 28 days detention for?
A 20 That, Sir, I can't say.

Q 21 Where did this take place?
A 21 HQ 1 CCOD, Pepper Harrow, at the orderly room, at about 0900 hrs Sir.

PROSECUTOR DECLINES TO CROSS-EXAMINE THIS WITNESS

In the opinion of the Court it is unnecessary to comply with RP 83(B)

2nd WITNESS FOR THE DEFENCE

The Accused (L 28378 Pte Hayes, T.E.) on strength 1 CCOD, having been duly sworn states:

Q 22 Pte Hayes will you tell the Court, in your own words, just what happened in the orderly room on the 15 May 44, on Monday?
A 22 Sir, I was warned for orders at 1400 hrs on 14 May, I went up and was paraded in with two other chaps, Ptes Gower and McKnight, were all on the same charge, being AWL nine hours and 20 minutes, I was paraded on the same charge that is before you now. Major Kelly took my crime sheet and looked it over and said "You know what I told you", I said "Yes Sir". He gave me 28 days detention, but he did not ask me if I would be dealt with summarily or whether I wished to be tried by court martial.

Q 23 Did he say anything about that at all?
A 23 No Sir.

Q 24 What happened after that, after he awarded you 28 days detention?

A 24 We were marched out as I started to say that I should be given an opportunity to ask for court martial, we turned left as ordered and marched out, and when the parade was outside in the hall-way I asked the sgt major if the O.C. ought to ask if we would accept his punishment. He said "Yes he would have to ask that", I asked to be paraded back in and see Major Kelly but the CSM told me he would take it up for me and we were marched away to the guard room.

Q 25 When were you next paraded in?

A 25 The next day Sir, it was in the morning.

Q 26 What did Major Kelly say this time?

A 26 He told me that he had made an error by not asking me whether I wanted to take his punishment or not and then asked me if I wanted to take his punishment. I said "No Sir, I would take a court martial" and I was remanded for a summary of evidence.

Q 27 Why did you elect trial by court martial?

A 27 I wished to plead not guilty as I felt that I was not guilty I was in camp, I was not at the hut at the exact time the tattoo roll was called, I had gone to the bath room and then to the mess and was there when the roll was called. I had no warning that a Tattoo report would be taken, it had never been called before since I was there, and nothing was said about one being called this night. I came back between 2245 and 2250 hours that night, soon after the completion of the roll call and went to bed, I remained there AT ~~until~~ reveille which was at 0630 hours. There was no roll call then, the first roll call was at the parade at 0800 hours and I was there to answer my name when called.

THE PROSECUTOR DECLINES TO CROSS EXAMINE THIS WITNESS
In the opinion of the Court it is unnecessary to comply with RP 83(8)

THE DEFENDING OFFICER - stated that he had this morning phoned to the Adjutant HQ 1 CCOD and had told him of the nature of the plea in bar which he intended to make and had asked the Adjutant to send over CSM McAdam to give evidence which the Adjutant had done.

THE PROSECUTOR AND DEFENDING OFFICERS each stated that they had received no instructions from any officer at HQ 1 CCOD to produce to the Court any evidence against the evidence which has been given by the accused and CSM McAdam.

THE DEFENDING OFFICER said that was his plea in bar and his evidence in support thereof.

THE PROSECUTOR said - I do not think there is any thing for me to say respecting the plea in bar.

EXHIBIT"C2"

The Charge Sheet is signed by the President, marked "B" and annexed to the proceedings.
EXHIBIT "B"

The accused is arraigned upon each charge in the above mentioned charge sheet.

Q.1. Are you guilty or not guilty of the first charge against you, which you have heard read?

A.1. Guilty, Sir.

Q.2. Are you guilty or not guilty of the second charge against you, which you have heard read?

A.2. Not Guilty, Sir.

J.A. Private Hayes, you have pleaded Guilty to the first charge and Not Guilty to the second. The first charge is Absent Without Leave for a period of four hours.

Q.3. Do you understand the nature of that particular charge?

A.3. Yes, Sir.

J.A. And owing to the fact that you have pleaded Guilty to the first charge, the procedure to be followed is that the charge on which you have pleaded Not Guilty will be tried ahead of that particular charge. There will not be a regular trial in respect to the charge to which you have pleaded Guilty but merely a consideration of sentence to be awarded, after you have been given an opportunity to make a statement in reference to the charge, call wit

as to character and make an address in mitigation of punishment.
We will now proceed on the other charge.

Pres. Q.4. Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence?

A.4. No, Sir.

J.A. Do you wish to make an opening address on the second charge?(to the Prosecutor).

Pros. Mr. President, Gentlemen of the Court, I have been so authorized by the Convening officer and I do not intend to produce any evidence in this case.

Def. Mr. President, in view of the Prosecutor's submission, I move, therefore, that the second charge be dismissed.

The Court is closed to consider the motion.
The Court allow the motion.
The Court is re-opened, the accused again brought before it, and their decision announced.

Pres. The Court has allowed the motion as proposed by the Defending Officer, and therefore, Private Hayes, you are found Not Guilty on the second charge.

J.A. You will now take your seat and we will proceed with the trial on the charge to which you have pleaded Guilty. Private Hayes, the Court will now receive any statement you desire to make in reference to the charge. If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty, or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined, we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.

Q.5. Do you wish to make a statement?
A.5. No, Sir.

J.A. I will now read the Summary of Evidence as it affects this charge - Sergeant Parker's evidence and Lieut. Murphy's. (Reads same).

Summary of Evidence - EXHIBIT "D"

Q.6. Do you wish to give evidence yourself or to call any witnesses as to your character?
A.6. Yes, Sir, a character witness.

1st Witness Defence — Lieut. G.C. Murphy, Officer i/c Kiltarlity Mill, No. 15 Coy Canadian Forestry Corps, being duly sworn, is examined by the Defending Officer:

Q.7. Will you give your name, rank, and unit?
A.7. Gerald Cecil Murphy, Lieutenant, No. 15 Coy Canadian Forestry Corps.

Q.8. And you are the Officer in charge of Kiltarlity Mill, are you?
A.8. Yes.

Q.9. Do you recognize the accused?
A.9. Yes, Sir.

Q.10. And who is he?
A.10. Private Hayes.

Q.11. Can you tell the Court how long Hayes worked for you?
A.11. Sir, I was - as I said - officer in charge of Kiltarlity Mill for six months and I have known Private Hayes during that time.

Q.12. How have you found him; tell the Court something of his character.
A.12. Private Hayes always worked in the yard, Sir, and carried out whatever duties he was assigned to, and I - at no time did I ever see Hayes doing anything wrong, particularly around the yard, and I always found him carrying out his duties as he should do. He always seemed to me to be a very cheerful soldier.

The Prosecutor declines to cross-examine this witness.

In the opinion of the Court and the Judge-Advocate it is not necessary to comply with Rule of Procedure 83(B).

The witness withdraws.

Def. The Defence has no more witnesses.

The Prosecutor produces Statement as to Character and Particulars of Service, and certified true copy of Conduct Sheet, purporting to refer to the accused, which he submits to the Defending Counsel for examination, and then to the Court for admission in evidence.

Statement as to Character and Particulars of Service of Accused. EXHIBIT "E"

Certified copy of Conduct Sheet EXHIBIT "F"

J.A. Do you wish to address the Court on the Statement and Conduct Sheet, and in mitigation of punishment?

Def. I do want to say something in mitigation, briefly. I would ask the Court to deal leniently with the accused on this offence, because it appears from the reading of the Summary that in a sense the offence was condoned, inasmuch as he was allowed to stay absent even after being found there. It also appears from the reading of the Summary that the mill had been closed down partially throughout that day and there was apparently no urgent need for this man's services; it was in effect something bridging on a holiday for the yard crew of which the man was a part. I would ask the Court to consider that, and also the time that he has already spent under arrest, and his character and conduct as described by Mr. Murphy.

J.A. At this moment I feel it is my duty as Judge-Advocate to advise the Court as follows. In viewing the ~~statement~~ plea in mitigation of the Defending Officer he has brought up that in the case of Absent Without Leave there may be the question of condonation somewhat, and that the men were permitted to have a holiday.

That discloses to me, as Judge-Advocate, that the accused has a defence to this charge of Absent Without Leave, and I therefore recommend to the Court that they change the plea of the accused from Guilty to the charge of Absent Without Leave to Not Guilty, and proceed with the trial on the first charge accordingly, and that the Court be now closed to consider what I have just recommended.

13

The Court is closed to consider the statement.
The Court decides to advise accused to change his plea of Guilty to Not Guilty on the first charge.
The Court is re-opened and the accused again brought before it, and their decision announced.

Pres. The plea of Guilty on the first charge has been changed to a plea of Not Guilty by the Court. The trial will proceed.

Def. Sir, may I ask the Judge-Advocate, would it be possible to have my remarks in regard to condonation struck from the record?

J.A. That would be impossible at this stage; you have already made them and the Court have already made a decision

1st Witness Prosecution — Lieut. G.C. Murphy, Officer i/c Kiltarlity Mill, No. 15 Coy Canadian Forestry Corps, is examined by the Prosecutor on his former oath:

Q.13. Mr. Murphy, you have already been sworn in this case. What is your full name, rank, and unit?
A.13. Gerald Cecil Murphy, Lieutenant, No. 15 Coy Canadian Forestry Corps.

Q.14. I believe you told my learned friend before that your duty in No. 15 Coy was officer in charge Kiltarlity Mill?
A.14. Yes, Sir.

Q.15. Do you recall on the afternoon of 14th September a closing down of the Kiltarlity Mill?
A.15. Yes, Sir.

Q.16. Do you know the accused?
A.16. Yes, Sir.

Q.17. Where did the accused work?
A.17. The accused worked, Sir, in the yard.

Q.18. Where?
A.18. Sometimes, Sir, he would pile lumber, other times stripping gangs, you know.

Q.19. Where?
A.19. All I can say to that, Sir, is in the yard.

Q.20. In the yard of what?
A.20. The millyard, Sir.

Q.21. Was he working there on the 14th September?
A.21. Yes, Sir.

Q.22. Did he work there all day?
A.22. No, Sir, he, due to a misfortune to the mill where we had to close down the mill for repairs, all hands were ordered to carry out other duties other than their own, and in the - what shall I say - excitement some men weren't able - we were not able to give supervision to all men, therefore Private Hayes with several other men went Absent Without Leave.

Q.23. You were the officer in charge of that party at the mill?
A.23. Of the whole party.

Q.24. Did you give authority to Hayes or any other soldier to leave the millyard?
A.24. No, Sir.

Q.25. Did you say Private Hayes did leave the millyard?
A.25. Yes, Sir.

JMP

15

Q.26. Did you at any subsequent time during the afternoon give authority to Private Hayes to remain away from the millyard?
A.26. No, Sir.

Q.27. Did you during the afternoon know where he was?
A.27. Yes, Sir.

Q.28. What steps if any did you take to have him brought back?
A.28. At three o'clock, Sir, when I was told of his absence I gave orders to one of the several mill sergeants to order him back, along with his companions, to the mill. On being told that this order.

J.A. Don't say what you were told; say as a result of what was reported to you.

A.28. As a result of the failure of Hayes and his companions cont'd. to return, I, on my own authority, decided that at that late time they would be of no use to me at the mill and would be a hindrance to the remainder of the men with whom they were working.

Q.29. Why would they be a hindrance?
A.29. Because a man who has been drinking as long as they were drinking naturally would be of no use on a job.

Q.30. Yes; was it, do you know, or can you tell the Court whether or not it was your intention at that time to permit them to carry on there, by way of condoning their absence.
A.30. No, Sir, I did not condone their absence, but as I say I decided in my own mind that that was the only course I could adopt then, and I decided to report their absence to Officer Commanding, 15 Coy at the close of the day - which I did.

Q.31. And what action was taken as a result?
A.31. The O.C. gave the necessary orders for their apprehension.

Witness cross-examined by Defending Officer.

Q.32. You discovered, Mr. Murphy, that Hayes had gone at three o'clock?
A.32. Yes, Sir.

Q.33. And it was at what time that you sent the sergeant out to pick him up?
A.33. At three o'clock, Sir.

Q.34. And when did he come back?
A.34. The sergeant you mean?

Q.35. Did Hayes come back?
A.35. No, Sir.

Q.36. Do you know why he didn't come back?
A.36. I only know what I assumed to be the reason, Sir.

Q.37. But you decided that he was of no use to you that afternoon?
A.37. I decided, Sir, in my own opinion, that these men would be of no use to me.

Q.38. Were any other men away from your crew?
A.38. Three others.

Q.39. Were they charged as well?
A.39. Yes, Sir.

Q.40. All charged?
A.40. Yes, Sir.

The Prosecutor declines to re-examine this witness.

J.A.M.

Witness questioned by Judge-Advocate.

Q.41. Did Private Hayes return to work during the course of that afternoon?
A.41. No, Sir.

Q.42. What time did the mill close down that day?
A.42. 5:30.

Q.95. You didn't put them under arrest for drinking, or anything like that?
A.95. Not then, no.

Prosecutor declines to re-examine this witness.

In the opinion of the Court and the Judge-Advocate it is not necessary to comply with Rule of Procedure 83(B).

The witness withdraws.

The Prosecution is closed.

J.A. As that concludes the case for the Prosecution, I will now address a few remarks to the accused. You will now proceed with your defence. You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination. You may,however, make a statement without being sworn, and you will not be subject to cross-examination. But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony. You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Q.96. Do you wish to give evidence yourself as a witness?
A.96. No, Sir.

Q.97. Do you wish to make a statement?
A.97. No, Sir.

Q.98. Do you wish to say nothing?
A.98. Yes, Sir.

Q.99. Do you mean to call any witnesses on your behalf?
A.99. No, Sir.

Q.100. Are you going to call any other witnesses as to character?
A.100. No, Sir.

J.A. In view of the accused not making a statement, the Prosecuting Officer makes his closing address first and the Defending Officer follows.

Closing address by the Prosecutor.

Mr. President, with regard to this charge, it has been conclusively shown in the evidence both of Mr. Murphy and Sergeant Parker that on the 14th day of September, 1943, when the mill was temporarily broken down - at Kiltarlity - the accused along with other soldiers left the mill site without permission. As Mr. Murphy says, they assigned jobs of work to the men whose work was being held up because of temporary failure of the mill; but owing to the amount of work that was required of the officers and N.C.O's in order to get the mill in running order again, individual supervision of each man could not possibly be made.

As a result the accused together with two or three other men took advantage of that lack of supervision and went off through the woods to the MacKenzies Pub, which is off the mill site and a few hundred yards away from the mill. They left their jobs without permission. They went absent from the job without leave.

Mr. Murphy, in his evidence, says that some two hours later having missed these men when the mill resumed operation, he sent Sergeant Parker over to order them back to work. Sergeant Parker, who is a technical Sergeant, possibly misinterpreted the instructions he received and went over to the pub and suggested that the men come back, went back to Mr. Murphy and reported that the men had been over there drinking. Mr. Murphy realized that a mill or a millyard is no place to have men who are under the influence of liquor and consequently made a mental note of the fact that they had gone A.W.L., had been drinking, that he preferred that they weren't on the mill site for the remainder of the afternoon, and he was to take the matter up with the C.O. that night; certainly no condonation of the Absence Without Leave.

They left the premises without permission, were absent without permission. The fact that they remained absent from three o'clock on, that they remained absent even

though Sergeant Parker had gone over and spoken to them, still does not amount to condonation of the offence of Absent Without Leave. They went absent without any authority whatsoever at 1:30 when they did. The subsequent actions of Mr. Murphy and the subsequent instructions of the C.O. No. 15 Coy definitely establish that there was no intention on the part of the officer in charge of the operation or the Officer Commanding the Company to condone the Absence Without Leave.

I submit on the evidence as presented that a conviction must be registered.

Closing address by the Defending Officer.

I agree, Sir, that there is no question that the accused was certainly absent at the time, but I still maintain that he was allowed to be absent. There seems to be some doubt about the type of orders given, both by Mr. Murphy and Sergeant Parker. It seemed very clear that in fact there were no orders given at all, but merely suggestions.

I don't think we need to concern ourselves very much with Mr. Murphy because the only superior officer who had contacted Private Hayes throughout this time was Sergeant Parker, and Sergeant Parker gave no direct orders whatever to the accused. He said flatly in fact that he allowed them to stay there. I submit that the word "allowed" means pretty much the same as the word "condoned", and he can't be considered to be Absent Without Leave during that time when the Sergeant took no steps whatever to bring him back or to point out what his responsibility was in that particular regard.

I therefore submit that the offence was condoned, and that he is Not Guilty.

J.A. Does the Court consider a closing address by me necessary.

In the opinion of the Court and the Judge-Advocate a summing up by the Judge-Advocate is considered unnecessary.

The Court is closed for consideration of the finding. The Court find the accused Guilty of the first charge. The Court is re-opened and the accused is again brought before it.

J.A. Major Shillington, as Prosecuting Officer, you have previously produced as Exhibits "E" and "F", Statement as to Character and Particulars of Service of Accused, and certified copy of Conduct Sheet. I presume there is no change and that you wish them to remain as Exhibits "E" and "F".

Pros. Exactly.

J.A. Q.101. (To accused) Do you wish to address the Court on the Statement and Conduct Sheet, and in mitigation of punishment?

A.101. No, Sir.

Pres. The Court is closed to consider sentence. The finding and sentence being subject to confirmation will not be announced now but will be promulgated later. The proceedings in open Court are accordingly terminated.

SUMMARY OF EVIDENCE

IN THE CASE OF

C.48055 PRIVATE HAINES, J.L. (27), No. 15 Coy Canadian Forestry Corps, Kiltarlity, Parish of Kiltarlity, Inverness-shire.

- - - -

-- SUMMARY OF EVIDENCE IN THE CASE OF --

G.48055 Pte. HAYES, J.L.
NO. 15 COY C.F.C.

By direction of the Officer Commanding, No. 5 District, C.F.C., all evidence is to be taken under oath.

1st WITNESS

Lieut. C.C. Murphy, Officer i/c Kiltarlity Mill, No. 15 Coy C.F.C., having been duly sworn, states:-

I am the Officer in charge of Kiltarlity Mill, Can. Forestry Corps. When we went to start back at work on Tuesday 14th of Sept. at 1 o'clock we had a breakdown which necessitated closing the mill for upp. two hours, during that time all the men were put to work at various jobs to keep them busy. When we were ready to resume operations, I was told by the Mill Sergeant that several of the men were absent. I asked him to round them up, which he did with the exception of four particular men, Privates. Cripps, Miles, Owens and Hayes. With the numerous duties that had to be carried out, I paid no more attention to the absence of these men except to instruct the Sergeant, Sgt. Parker to do his best to get them back. When I found that they had not come back I instructed Sgt. Parker to lay a charge of Absent without Leave, which he did so. Shortly before closing time, we had a slight accident which made it imperative for me to go back to the mill after tea. When we had finished repairing the trouble I went down to have a look at the engines which had given us trouble previously, and noticed Owens and Hayes making a rather hurried trip through the mill yard. I thought no more about it except to make up my mind to ring the Sgt. Major at 15 Coy and ask him to have these two men picked up. That was the only thought that went through my mind.

I then proceeded through the engine room and noticed as I was passing through that a number of belts had been cut, my only thought then was to ring up 15 Coy and report the damage with the intention of ringing up Major Kennedy with the same idea in view. I then proceeded to carry out measures to remedy the situation. I have no idea who caused the damage.

On my way to the telephone kiosk, I noticed Hayes coming out of the road from McKenzie's store. I also noticed Owens crossing the field towards the same road. When I arrived at the telephone, I had to wait a few minutes while Hayes carried on a private telephone conversation. When he came out I suggested to him, rather firmly, that he go back to camp. I asked him, "Have you been in the mill yard tonight", he told me he had not. I then got through to 15 Coy and went back to the mill.

Q. When you asked Hayes if he had been in the mill, this was after you said you saw Hayes and Owens going hurriedly through the mill yard?

A. Yes, sir. By this time the mill office was open. I telephoned Major Kennedy, explained to him the extent of the damage and asked for his assistance. Shortly, I was shown considerably more damage to other parts of the mill, namely three motors. I telephoned Major Kennedy again and he sent the necessary mechanics and the District Transport Officer to repair the motors and I proceeded to repair the belts.

Q. You mentioned McKenzies Store, is that also a pub?
A. Yes, sir.

Q. The damage done to the belts, could that have been accidental?
A. No, sir.

Q. What instrument or instruments were used to damage the belts, would you say?
A. All the damage was done b a very sharp knife, there were signs of an attempt being made to damage one belt with a handsaw, but it was a very futile attempt and all the damage was done by a sharp knife.

Q. The damage to the engines, could it have been accidental in your opinion?
A. No, sir.

Q. Who was with you when you were working in th mill previous to discovering the damage?
A. Sgt. Blissard of No. 5 Dist. and Pte. Walsh of No. 15 Coy.

Q. And were they with you when you discovered the damage or did you call them?
A. I called them sir, they were not with me.

Q. Did you hear any noise that evening when you arrived to do your repair work?
A. Yes sir, but I knew that the district mechanics should be there repairing or examining the motors, so I attributed any noise to their presence.

Q. Did you see the district mechanics there that evening?
A. Not to name any of them, sir.

Q. Did you see their vehicle with their tools and equipment there that evening?
A. I saw the vehicle that they usually use leaving the mill.

Q. Was that before or after you discovered the damage?
A. Before, sir.

Q. How much before?
A. I would say half an hour.

Q. You stated you saw Hayes and Owens walking quickly through the mill yard towards the scotch mill?
A. I saw them walking from the log pool to the scotch mill.

Q. In your opinion did they see you?
A. No, sir.

Q. Did you see anyone else there, the night watchman?
A. No sir, I sent Pte. Walsh to find the night watchman and he found him at his duties at the steam boiler.

Q. You stated a saw was used, did you identify this saw as part of the mill equipment?
A. Yes, sir.

Q. When you instructed Sgt. Parker to get these men back, back to where?
A. Back from McKenzie's pub, sir.

Q. What did Sgt. Parker report to you on his return?
A. He reported that they promised him to get back as soon as possible, but he also reported that they had considerable beer which they intended to drink, so I decided it was no use bringing them back because I didn't see that they would be in a fit shape to work for the rest of the afternoon.

Q. Did Sgt. Parker at any time suggest or report to you that these men had suggested to him that they were not getting a square deal at the mill?
A. I wouldn't interpret Sgt. Parker's remarks that way sir, he did say that they wished to have a tlak with me about working conditions, and my reply was that he should know and they should know that they could talk to me at any time, either on duty or off.

Q. Had these men ever complained to you that they had a grievance of any kind?
A. No, sir.

Q. Did you hand over to the civil police any articles which were considered might be evidence in this matter?
A. Yes sir, several pieces of belt which had been cut and the handsawx in question.

Q. Lieut Murphy, Do you recognize these articles here?
A. Yes, sir. They are the slashed belts, etc., given to Det. Sgt. Urquhart for his investigations and are listed as follows:-

One piece 6" balatta belting.
One piece 4" balatta belting.
Two pieces 12" balatta belting.
Number of pieces pigskin leather lacing.
Hand saw.
Three pieces copper piping.
One 12" Corner drive balatta belt apprex.45' long.

About 3.30 p.m. I was told to go to McKenzies's pub to see if any of the boys were over there still, and if they were, ask them if they were coming back.

Q. Did you go into the pub?
A. Yes, sir.

Q. And what soldiers from Kiltarlity Mill were in the pub when you arrived?
A. When I arrived, outside were Owens, Hayes, Cripps and Miles.

A. No, sir.

Q. Why not?
A. My instructions were to go and find out why they weren't coming back.

Q. And what did you find out?
A. They said they were coming back as soon as they had finished their beer.

Q. Had they much beer with them outside the pub?
A. Yes, sir.

Q. Did they appear to be under the influence of liquor?

Q. Did they appear to be congenial, happy, or were they in a stubborn mood and antagonistic?
A. Well when I was there they were quite happy, singing and had a scotch tinker dancing for them.

Q. And when you asked about coming back, did they resent you being there?
A. No, sir.

Q. In other words they were having a party and just didn't feel like going back to work that day?
A. Yes, sir.

Q. What did you report back to Lieut. Murphy regarding these men?
A. I think I told him they would be over after they had drunk their beer.

Q. Did you have occasion later in the day to see Ptes. Owens or Hayes?
A. I went over again around 5 o'clock, I didn't want them in the mill under the influence of drink, but they said there was only 5 more minutes before the pub was opened.

Q. Is that the last time you saw them that day?
A. Until I had instructions to pick them up.

Q. Who instructed you?
A. The Sergeant Major.

Q. And what were his instructions,
A. To pick up Owens and Hayes.

Q. Where?
A. He didn't say, - around the mill.

Q. Tell us what you did?
A. I left the camp and proceeded to the mill and met Lt. Murphy, who told me that Owens was at the Nurses. I went over and picked him up, the Nurse said he needed medical attention, so I took Owens to the M.R.D. at 18 Coy, got the Orderly Sergeant there and gave him instructions that Owens was under arrest.

Q. And did you tell Owens that he was under arrest at the time?
A. I can't remember if I did or not.

Q. Was Owens behaving himself when you saw him?
A. Yes, sir.

Q. Was he in complete control of himself, not creating a disturbance?
A. Quite normal, sir.

Q. Did he show that he was under the influence of liquor whilst he was at the nurses home?
A. He showed slight signs of it sir.

Q. What did you do then, after you left the M.R.D. at 18 Coy?
A. I went looking for Pte. Hayes, returned to the mill, saw Capt. Curry to get a work ticket to go to Beauly. Went to Hayes home and picked him up.

Q. Who was with you?
A. Ptes. Hewitson and Scott.

45

Q. Did you go into the house of Hayes?
A. Yes, sir.

Q. Who went in the house with you?
A. The truck driver.

Q. What was his name?
A. Oh, I can't remember it.

Q. Where was Hayes in the house and who was with him?
A. He was sleeping in front of the fire place and his wife was with him. I woke him up and got him dressed, had a cup of tea and came back to camp.

Q. Did you bring Hayes bicycle back with you?
A. No, sir.

Q. Was Pte. Hayes, in your opinion, under the influence of liquor when you woke him up?
A. Yes, sir.

Q. You state you picked up Owens at theNurses?
A. Yes, sir.

Q. Why was he at the Nurses ?.
A. He had a cut on his thigh.

Q. Did you enquire as to how he cut himself?
A. Yes, sir.

Q. And what was his reply?
A. He said he fell in a ditch.

Q. When you picked up Owens at the Nurses Home, did his clothes bear any evidence of dirt, or leaves, such as would be there from a fall
K. into a ditch hard enough to have cut himself?
A. I couldn't say, sir.

Q. On your way back from Beauly with Hayes, did he appear to be quite normal, or so much under the influence that he was unable to understand you?
A. No, sir. He could understand me.

Q. He appeared quite normal?
A. Yes, sir. perfectly normal.

Q. Did Hayes or Owens at any time complain to you that they were not getting fair treatment at Kiltarlity Mill?
A. Well, in a way sir. They tried to explain to me that they needed a Sergeant from 15 in the yard. They said if they had a Sergeant from 15 in the yard they wouldn't get so many dirty jobs.

Q. This conversation took place at the pub?
A. Yes, sir.

Q. Did they express that as one of the reasons for not coming to work?
A. No sir, as far as I can remember.

Q. There was no question at the pub when you were there that afternoon that Hayes or Owens said they would not be allowed to work together?
A. Yes, sir. I think there was.

The accused declines to cross-examine the witness.

Sarah K.R. Gray
.....
(Sarah Kirkpatrick Ruth GRAY)

20th WITNESS

Detective Sergeant Urquhart, Gregor Calder, Inverness-shire, Constabulary, having been duly sworn, states:-

Q. You are a Detective Sergeant in the Inverness-shire Constabulary?
A. Yes, sir.

Q. You were called to investigate an accident which occurred at Kiltarlity Mill in the Canadian Forestry Corps at Kiltarlity, Inverness-shire on the 14th of September?
A. I was, sir.

Q. Were you called by Lt. Col. N.C. Ferguson, O.C., No. 5 Dist. C.F.C.?
A. Yes.

Q. Were you accompanied by any person during your investigations?
A. By Constable McLean of Kirkhill.

Q. This is rather a long proceeding we have here, and I will ask you to tell in your own words what you did and the result of your investigations in this matter at Kiltarlity Mill?
A. I called on Lt. Col. N.C. Ferguson and he handed me a knife, which I now produce sealed and signed by Lt. Col. Ferguson, Major McPhail and Pte. Brown. We proceeded to the mill where we saw Lt. Murphy, the mill officer, and he handed over to us some further productions in the case, these are pieces of belting, 1 piece of 6", piece of 4", 2 pieces of 12", and a number of pigskin leather lacings, all now produced, we marked all these articles and got Lt. Murphy and Sgt. Jewell to sign them. At the same time Mr. Peake handed to me two pieces of pipe line from No. 2 Engine, and the feed pipe line of No. 1 Engine, he signed the labels which I attached. I myself found three ignition leads lying around in the engine room, now produced and identified by Lt. Peake as three of the ignition leads which were cut. We interviewed a number of witnesses and took statements from them, Pte. Brown, Miss. C. Mckenzie, Elizabeth White (Mrs. McGregor), Miss K.A. Bain, that was at Raigmore, that was all I took that particular day. I saw Hayes the accused and charged him with the offence.

Q. You stated on the 18th you saw the accused Hayes and charged him with the offence in the presence of his C.O., and Constable McLean, was that charge the result of your investigation?
A. Yes, sir.

Q. And did you feel reasonably sure that the result of your investigations compelled you in your duty as an Officer of the Crown to lay these charges?
A. Yes, I certainly did.

Q. How long have you been a Police Constable?
A. 20 Years.

Q. And you have been in charge of investigations in the Inverness-shire Constabulary for some time?
A. I have been a Detective Sergeant for the past two years and I have investigated all cases which occurred in my own beat since I joined the Police.

Q. In the exhibits which you have produced here, we note that the belting is very cleanly cut. Would you say that this knife was sharp enough to have cut the clean cuts in that belting?
A. Yes, sir.

Q. This knife has been identified?
A. Yes, sir.

Q. By Whom?
A. By Pte. Brown.

Q. And that is his signature as having identified the knife?
A. Yes, sir.

Q. This saw, did you see any evidence of any belting that was cut by a saw?
A. Yes, sir. I saw a belt in the mill which showed signs of attempts being made to cut it with a saw.

Q. Is that belt here?
A. No, its in use in the mill, and I understand the saw was found almost immediately beneath the particular belt.

Q. This wiring that you have produced is identified by Mr. Peake as wiring from one of the engines in the mill?
A. Yes.

89

Q. And it shows evidence of having been pulled roughly out of the engine?
A. Probably cut with a knife.

Q. Now please go on again?
A. Hayes was duly warned, cautioned and charged with the offence and he replied 'I have nothing to say' Sergeant. Before then of course I had duly cautioned him that he was not obliged to say anything in answer to my question and I told him that whatever he might say, might be used in evidence. I then asked him if he had anything further to add to his statement which he had already made at the Court Of Enquiry, and he informed me that he had nothing to add to that statement. I asked him if he could tell us where Owens met with his injury and he maintained that it was in the woods behind the beer shop. I asked him if he could point out the place to us, but he maintained that he was so much under the influence of drink that he could not remember the exact spot. He was quite definite about Owens coming by his injury in the woods behind the beershop.

Q. Did Hayes tell you what caused the wound?
A. He couldn't say definitely, he thought it was glass, but couldn't say what glass, whether a bottle or any other broken glass. He was asked if he could describe the glass, but he led me to understand he didn't see the glass himself.

Q. Was Hayes manner frank and above board in giving you this information or was he concealing anything in your opinion?
A. I should say that he was concealing something.

Q. Please go on again?
A. On Monday the 20th I continued my enquiries at Kiltarlity Mill and took statements from Pte. Stuart Brown and got him to identify the knife and he sealed the label which is attached to it. I also took statements from Charles Lawrence Reggin, Sgt. Raymond Arnold Parker, Major Kennedy and a further statement from Lt. Murphy. I also took statements from Major Robertson, Cpl. Bowker and Pte. Jones, I think that was all. Oh, then I took a statement from Dr. Gray at Raigmore.

Q. I will show you a sketch signed by yourself.
A. That is a rough sketch by me.

Q. I will show you a brown print sketch, which are true copies of the sketch.
A. They certainly appear very much similar, yes.

Q. Now go on again please.
A. On the 30th September I saw the accused Owens at Raigmore Hospital when he was being discharged from there and in the presence of his C.O. I warned, cautioned and charged him with the offence. He replied, "I never had nothing to do with wrecking that mill", I might say here that I asked him if he could explain how he came by his injury and he told us that he fell on the road in front of the beer shop, he was quite definite about that. When asked what caused the cut he was unable to say.

Q. You state that Owens told you he fell on the road in front of the pub?
A. Yes, sir.

Q. And you state that Hayes told you he fell in the woods at the rear of the pub?
A. Yes, sir.

Q. You state that Hayes said he was unable to say what cut Owens and Owens according to evidence taken today, said he was cut by glass and now you state he told you he was unable to say what was responsible for the cut on his leg?
A. That is so.

91

Q. In other words the two statements are conflicting?
A. Absolutely.

Q. Did you have this knife examined for fingerprints?
A. Yes, sir.

Q. And were there none on it?
A. There were no fingerprints on it.

Q. The belting we have in court here before us, roll of belting, there is a slit shown on the belting, showing evidence that the ~~kix~~ knife slipped, is it possible in your opinion that this was the cause of the wound to Owens' thigh?
A. Yes, sir. It is quite possible.

Q. Did you obtain the clothing of Owens from Raigmore Hospital?
A. I did, sir.

Q. I will show you a pair of trousers with a cut in them, are these the trousers?
A. They are the trousers which were handed over to me by Nurse Bain.

Q. And in your years as a Detective Sergeant would you say that they were cut by a sharp knife?
A. Yes, I would.

Q. From the position of the cut, would you say it was possible for the knife to have slipped and torn into the thigh of the wearer of these trousers?
A. Yes, sir.

Q. Have you any other information which would enlighten or assist us in any manner in arriving at a reasonable conclusion as to the cause of this wilful damage done at Kiltarlity Mill on Tuesday September 14th. We defer to you with your many years of experience and ask if you could assist us in arriving at some conclusive result?
A. Yes, sir. I do feel reasonably sure on the strength of the evidence obtained by me.

Q. And on the strength of this evidence you so charged them?
A. Yes, sir. I did.

Q. If the civil authorities wished they could proceed with this charge under the Defence of the Realm Act?
A. Yes, sir.

The Accused declines to cross-examine the witness.

Defending Officer - Lieut. G. C. Cormier, 1 Mob Wksp, RCASC.

Q.2 - Do you object to Tpr. Parks as Court stenographer?
A.2 - No, sir.

The Court Reporter, D-36570 Tpr. R. V. Parks, 1 C.A.P.B., is duly sworn.

D.A.:

Pte. Hayes, you are here on a charge which will be read to you later. You are the person named in the Schedule of the Convening Order. There are three charges against you which will be read in due course. I will now read the Convening Order.

The Convening Order is read, signed by the President, marked Exhibit A and attached to the Proceedings.

The names of the President and Members of the Court are read over in the hearing of the accused and they severally answer to their names.

Court

Q.3 - Do you object to be tried by me as President, or by any of the Officers whose names you have heard read over?
A.3 - No, sir.

The Court, as above, is duly sworn.
The Judge Advocate is duly sworn.
The Waiting Member, Lieut. R. W. Webb, 85 Cdn Bridge Coy, RCASC, is directed to attend as an Officer under Instruction and is duly sworn.

A.4 - Yes, sir.
Q.5 - You have heard the charges against you. On the first charge how do you plead?
A.5 - Guilty, sir.
Q.6 - You have heard the second charge. How say you on that charge, are you guilty or not guilty?
A.6 - Guilty, sir.
Q.7 - You have heard the third charge read. On that charge how do you plead, guilty or not guilty?
A.7 - Not guilty, sir.

The provisions of R.A. 35(B) are complied with in respect to the charges on which the accused has pleaded guilty as follows.

D.A.A.

Q.8 - You have pleaded guilty to the first charge and to the second charge. You understand what that plea of guilty means. That means you admit every fact and every circumstance in each of these charges against you. You are not permitted to give any evidence or to make any answer to these charges at all. Evidence will be taken as to your character only and in mitigation of punishment. The procedure is entirely different to that on a plea of not guilty. You can call witnesses as to character only on a plea of guilty. Your pleas of guilty is in effect a judicial confession, the highest type of confession. If you think you should change your plea of guilty to not guilty you can do so now. Do you wish to change these pleas?
A.8 - No, sir.

The trial proceeds on the plea of not guilty.

Court

Q.9 - Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?
A.9 - No, sir.

The Prosecutor makes an opening address.

Prosecutor

Mr. President and Members of the Court, I hardly think it is necessary for me to make an opening address. The witnesses that I will call in this case are those who are named in the Summary of Evidence, and in addition to these I will call two men, O'Gorman and McAvoy, to tell what they know about this case. I understand that they know a great deal about it so far as this man is concerned.

D.A.A.

Has the Defending Officer had notice?

Defending Officer

Yes, sir. I was notified and make no objections.

D.A.A.

Are these the only two witnesses not mentioned in the Summary that you intend to call?

Prosecutor

Yes, sir.

J.A.

Do you intend to call the Corporal who apprehended the accused?

Prosecutor

I don't but would like to reserve the right to call him.

1st Witness for the Prosecution, Joseph Beard, Manager of the Navy Army and Air Force Institute Canteen at Marden Park Camp, Caterham, being duly sworn, is examined by the Prosecutor.

Q.10 - Your are Joseph Beard, Manager of the NAAFI Canteen at Marden Park?
A.10 - Yes, sir.
Q.11 - Will you tell the Court what you know about the alleged breaking and entry into the NAAFI Canteen?
A.11 - Yes, sir. On Thursday night, on closing the Canteen, on the 27th of August, the Canteen was locked up and left secure.

J.A.

Q.12 - Which Canteen?
A.12 - The NAAFI.

Prosecutor

Q.13 - Where is the Canteen?
A.13 - At Marden Park.

J.A.

You had better now bring out the location of the Canteen and any other points in respect of which objection is not likely to be made.

Prosecutor

Q.14 - Where is the canteen situated?
A.14 - The situation of the Canteen is at the end of Marden Park, the South end.
Q.15 - How far is it from the rest of the Camp or from the barracks?
A.15 - At the end of the barracks, sir, and there are two or three surrounding huts. One in front and one at either end, and the NAAFI cookhouse is directly outside it.

J.A.

Q.16 - Are there any other buildings or objects which will come into this case which he sould describe?
A.16 - There is a latrine at each end.

J.A.

What about the trees and hills, and so forth?

Prosecutor

Q.17 - Can you describe the surroundings of the Canteen?
A.17 - The Canteen is directly under a chestnut tree. The cookhouse is by the front door. And beside the Canteen and cookhouse there is a road. Across the road is a hut and at the end of the Canteen another hut and a latrine, and another living quarters.
Q.18 - Is there a hill?
A.18 - The hill comes up from the west side of the Canteen, and there are some trees on the hill.

Q.19 - Is the Canteen at the bottom of the hill?
A.19 - Yes, sir, at the bottom.
Q.20 - How far is the top of the hill and the trees from the Canteen?
A.20 - Approximately, I should think, about 200 yards.
Q.21 - Then will you go on with your story about the night in question?
A.21 - We cleared up Thursday evening, left the Canteen locked and secure.

[illegible]

Q.22 - What date was that?
A.22 - The 27th of August, sir. On Friday morning my charge hand and myself - .
Q.23 - What is a charge hand?
A.23 - He directs the staff to do their work. We went to the Canteen as we usually did that morning and on entering went around to my desk and saw the safe was missing. Then we rolled up the blackouts and found a window had been broken. We came back to the counter and gave a look in the showcase and saw cigarettes which had been in the showcase on the evening before were missing. Likewise I saw some Gillette razor blades were missing.

Prosecutor

Q.24 - Please describe the safe?
A.24 - It was a metal safe, painted green, with a nameplate on the front with the maker's name.
Q.25 - Was it, would you say, small, medium or large size?
A.25 - I would say medium sized, sir.
Q.26 - What was its approximate weight?
A.26 - I should imagine about a hundred-weight. I never tried lifting it on me own.
Q.27 - What were its approximate dimensions? Six feet high, two feet or what?
A.27 - Well, sir, it would be about two feet high and not quite two feet wide.
Q.28 - How did you determine exactly what was missing?
A.28 - Well, sir, my books. I have to take a cash conciliation every morning in my final ledger.
Q.29 - Did you then look round the room?
A.29 - No, sir, I looked round the room to see what I could see was missing and all I could discover at that time was the cigarettes and razor blades from the showcase.
Q.30 - What kind of cigarettes?
A.30 - Top Score and Woodbines.
Q.31 - Approximately how many cigarettes?
A.31 - Sixty packets, sir.
Q.32 - How many are in a packet?
A.32 - Twenty in the Top Scores and five in a Woodbine.
Q.33 - About how many cigarettes were missing?
A.33 - Somewhere between 800 and 1000.
Q.34 - After you found the things were missing, what did you do?
A.34 - I told my charge hand to lock up the place and immediately went to the Transport Office and asked them to ring up Sgt. Terry to come to the Canteen.

The Witness is cross-examined by the Defending Officer.

Q.35 - You mentioned you took the blackouts up?
A.35 - Yes, sir.
Q.36 - What type of blackouts are they?
A.36 - We use paper blinds.
Q.37 - How are they kept up?
A.37 - They are tacked at the top.
Q.38 - Explain how you took them up.
A.38 - We rolled them up.
Q.39 - When you left the Canteen on Thursday night were the blackouts up?
A.39 - Every blackout was down, sir.

Q.40 - This window that you mentioned was broken. How wide is it?
A.40 - The window is about the same width as one of those over there (pointing to Courtroom windows).
Q.41 - How wide would you say that is?
A.41 - about one foot seven inches.
Q.42 - How wide did you say the safe was?
A.42 - I said not quite two feet, sir.
Q.43 - Was it square?
A.43 - Not exactly square, sir. Squarish, I'd say.
Q.44 - Would the safe go through that window that was broken when it was opened?
A.44 - Yes, sir.
Q.45 - The cigarettes you say are missing. Did you give a list of this stuff to the Police?
A.45 - Yes, sir.
Q.46 - Do you remember that you told them how many cigarettes were missing and how many packets?
A.46 - Yes, sir, I told them about 400 Top Score cigarettes.
Q.47 - In how many packets?
A.47 - Forty packets.
Q.48 - How many Woodbines?
A.48 - There was about 200 Woodbines in packets.
Q.49 - How many are in a packet?
A.49 - Ten are in packets of five's.
Q.50 - Didn't you tell the Prosecutor a few minutes ago that there was 40 packets of Top Scores stolen?
A.50 - Yes, sir.
Q.50 - Are you sure that was the exact number of cigarettes missing?
A.50 - The Top Scores were in a NAAFI box under the counter. The Woodbine box on the counter had approximately 200 in it.
Q.51 - Going on then, could anyone cover up any shortages you have had?
A.51 - No, sir, I don't stand for shortages.
Q.52 - I didn't suggest that, but a shortage could have been covered up?

J.A. to Defending Officer.

Are you going to call evidence along this line?

Defending Officer

No, sir.

J.A.

Then you should not cast aspersions on this witness.

Defending Officer

I am not casting aspersions, merely making the suggestion that shortages could have been covered.

J.A.

You wont get very far with this Court unless you are prepared to substantiate suggestions.

Defending Officer

Q.53 - Now before this offence took place. Was the 27th of August pay night?
A.53 - Yes, sir.
Q.54 - Were there a great many men in the Canteen that night?
A.54 - A decent many, sir.
Q.55 - Do you recognize the accused as one of the men in the Canteen that night?
A.55 - Yes, sir.
Q.56 - Was the Accused drinking?
A.56 - Yes, sir.
Q.57 - Have you any idea how much he drank?
A.57 - I couldn't say, sir.

Q.58 - Would it have been very much?
A.58 - I can't answer that question. I go in and out of the NAAFI too much of a night to see.
Q.59 - Well, this night was there a keg of draught outside the Canteen?
A.59 - Yes, sir.
Q.60 - Was this keg full?
A.60 - Yes, sir.
Q.61 - It was left full when you went home that night?
A.61 - Yes, sir.
Q.62 - When you arrived in the morning was it empty?
A.62 - It wasn't empty but it was well down below the bung. I imagine there was three or four gallons left in it.
Q.63 - How many gallons did the keg hold?
A.63 - Approximately nine gallons.

Court

Q.64 - Mr. Beard, the blackouts you recall were fastened at the top and hung down over the window?
A.64 - Yes, sir.

Q.65 - Was the door locked when you came in next morning? It had not been tampered with?
A.65 - Yes, sir.
Q.66 - You have seen the accused. Did you know him any better than you know others?
A.66 - No better, sir.
Q.67 - How many men are there in the unit?
A.67 - I was given to understand, when the Canteen was opened, there would be approximately 500 men, but I couldn't say if there is or not.

Court

Q.68 - You say the safe was two feet wide?
A.68 - Well sir, that would be its approximate width only. I do know there was room for it to go through the window.
Q.69 - Did the Canteen door have a spring lock?
A.69 - Yes, sir, a master lock.
Q.70 - You don't have to turn a key outside to lock it?
A.70 - No, sir.
Q.71 - You afterwards recovered this safe?
A.71 - Yes, sir.
Q.72 - How did you find it?
A.72 - After a search, sir.
Q.73 - Had it been opened?
A.73 - No, sir.
Q.74 - You got the contents back?
A.74 - Yes, sir.
Q.75 - Where was the safe found?
A.75 - Up on top of the hill, sir.
Q.76 - You saw it was the same safe?
A.76 - I did, sir.
Q.77 - You had it brought down?
A.77 - The Police did, sir.
Q.78 - Did you notice anything about the safe in respect to its condition than when you saw it the night before?
A.78 - The only difference later on was I could see the bolts had been either chiselled or sawn through.
Q.79 - There were marks on it?
A.79 - Yes, sir. Also the bottom had been badly mauled.
Q.80 - As I understand, near the missing safe was a metal cash box. Was the cash in this box intact?
A.80 - No, sir. It was missing.
Q.81 - This cash amounted to about £2?
A.81 - Yes, sir.
Q.82 - And Top Score cigarettes, Woodbine cigarettes and razor blades were missing?
A.82 - Yes, sir.

2nd Witness for the Prosecution, Police Constable Harry Maurice Harding, No. 347, stationed at Caterham, Surrey, being duly sworn, is examined by the Prosecutor.

Q.83 - Are you P.C. Harry Maurice Harding, No. 347, stationed at Caterham?
A.83 - That is right.
Q.84 - Will you give your evidence regarding this case at the NAAFI Canteen at Marden Park which you investigated?
A.84 - At 8:50 a.m. on Friday, the 28th of August, 1942, in consequence of information received, I visited the NAAFI Institute Canteen at Marden Park Camp, where I found that a pane of glass near the catch of a casement window at the south west side of the Canteen had been broken. There being some loose Woodbine cigarettes on the ground outside and directly under the window, I then commenced inquiries and learned that a safe containing a sum of money from the Canteen cash box, also a quantity of cigarettes and razor blades were missing from the Canteen premises. Later a search was made for the missing articles.

Q.85 - By you?
A.85 - By me, sir. And the safe was found.
Q.86 - By you?
A.86 - No, sir, by the search party which I had organised. Upon examining the safe - .
Q.87 - Where was it found?
A.87 - I found the safe in a small copse about 400 yards from the Canteen in question. Upon examining the safe I found that an attempt had been made to open it.
Q.88 - Was it examined by you?
A.88 - Yes, sir. But this attempt to open it had been unsuccessful. The door was still secure. And upon being opened in the presence of the Police the money was found to be intact.
Q.89 - How much money was found in the safe?
A.89 - I didn't actually check that over, sir. On Monday, the 7th of September, 1942 - .

Prosecutor

Q.90 - Does this apply to this accused?
A.90 - It has some connection, sir. In consequence of further inquiries made with the aid of Sgt. Terry and the C.I.D. I later obtained under caution statements from Pte. Hoyt and Pte. McAvoy. That is my evidence, sir.
Q.91 - Can you give us any further information about the pane of the broken window?
A.91 - Yes. The pane of glass situated near the catch had been broken enough to get an arm through to release the catch.
Q.92 - Did you notice anything about the situation of the blackout on it?
A.92 - That was not there, sir, when I examined it.
Q.93 - When you found this safe in a small copse, where was it in relation to the hill?
A.93 - Coming up the hill nearly all the way, about 400 yards from the Canteen on the west side.
Q.94 - Half way up the hill or at the top?
A.94 - More than half way, approximately.

The witness is cross-examined by the Defending Officer.

Q.95 - Did you question the accused at all?
A.95 - I did not.
Q.96 - Were you present when he made a statement?
A.96 - I was not, sir.

Court

Q.97 - How high was the sill from the ground, of the window where you saw the pane of glass broken?

A.97 - Roughly about two feet, sir.
Q.98 - Then it was low to the floor?
A.98 - Quite low, sir.
Q.99 - Could the safe have been passed through the window?
A.99 - It could, sir.
Q.100 - How wide could the window be opened by undoing the catch?
A.100 - Roughly about two to three feet, sir.
Q.101 - How large a party did it take to lift the safe into the truck to bring it down the hill again?
A.101 - Definitely more than one man, sir.
Q.102 - Did you see it put on the truck?
A.102 - Definitely not, sir.
Q.103 - How heavy is the safe?
A.103 - About 200 pounds, sir.
Q.104 - You saw some Woodbine cigarettes on the ground near the safe?
A.104 - Yes, sir, trodden in to the ground.
Q.105 - Was there any money around the safe?
A.105 - No, sir, no money.

J.A.

Is there any reason why the Court should not view the locus? The Canteen isn't far from here is it?

Court

No, sir. Mr. Defending Officer, have you any objection?

Defending Officer

No, Sir.

Court

This Court will adjourn to view the locus. The accused and escort will accompany us. And Constable Harding, will come with us, please, in case there are any further questions there. I think also Mr. Beard should come with us, the NAAFI Manager.

The Court is closed until arrival at the Canteen where it is re-opened and the accused is again brought before it.

J.A. to Constable Harding, 2nd Witness for the Prosecution.

Q.106 - Where is the window you saw broken?
A.106 - This is it (shows window to Court who examine it).

Court

Is the safe still in here?

J.A.

Q.107 - Is that the safe (pointing to green, metal safe, lying on back near the window)?
A.107 - I will identify that, sir.
Q.108 - About two feet by two feet six inches?
A.108 - About two feet by three, sir.

Court

Q.109 - Were any fingerprints taken from the safe?
A.109 - It was tested for fingerprints, sir.
Q.110 - Were any found?
A.110 - Only glove smudges, sir.

Court - moving to behind Canteen counter.

I would like to see the original position of the safe.

J.A.

Q.111 - Constable Harding have you been in this Canteen before the night of the alleged breaking in?
A.111 - Yes, sir.
Q.112 - Where was the safe?
A.112 - Approximately the same position as it is now (indicating new safe against Canteen wall).
Q.113 - That is to say?
A.113 - At furthest end of Canteen behind the counter.
Q.114 - At the far end from the window which was broken?
A.114 - That is right, sir.
Q.115 - Were you in this Canteen the morning after the robbery?
A.115 - Yes, sir.
Q.116 - The counter was in the same position as it is now, approximately?
A.116 - Yes, sir.

Defending Officer

Q.117 - Now let us fix the position of the counter absolutely clear. The next morning was it just like this?
A.117 - It might have been moved a few inches from the wall, sir.
Q.118 - Were any objects behind the counter undisturbed or disturbed?
A.118 - Not that I noticed any disturbance but I don't know if there were as many objects then as there are now.

J.A.

Q.119 - Was the passage from the Manager's desk to the front of the Canteen the same as it is now?
A.119 - Approximately, sir.

Members of the Court raised the damaged safe from the Canteen floor to test its weight.

The Court exits from the Canteen to the west side, looking up the hill.

J.A.

Q.120 - Mr. Witness, where is the copse where you found the safe?
A.120 - About on a level with my finger, sir (pointing).

Prosecutor

Q.121 - Where did you find the cigarettes?
A.121 - On the cinders here, sir, and one or two were scattered about underneath the broken window.

Court walks to copse near hill top.

J.A.

Q.122 - Where was the safe found?
A.122 - There behind a tree (indicating).
Q.123 - It is about 200 to 250 yards from the Canteen to this spot where we are standing now?
A.123 - Yes, sir.

The Court adjourns to return to the Courtroom.

The Court is re-opened and the accused is again brought before it.

3rd Witness for the Prosecution, Detective Sergeant Tom Harris, No. 33, Caterham Police, having been duly sworn, is examined by the Prosecutor.

Q.124 - You are Sgt. Tom Harris, No. 33, of the Caterham Police?
A.124 - Yes, sir.
Q.125 - Will you tell the Court what you know about this case in relation to the accused?
A.125 - On the 28th of August this year I was called to the NAAFI Canteen at Marden Park Camp where I assisted in the investigation of breaking into the Canteen and the theft of certain property. Later that day a search was conducted on the grounds at Marden Park and a safe was found. The safe had been damaged near the hinges. The contents were intact. On the 11th of September, this year, in company with other officers, I saw the accused man, Hayes, in London being detained. I told him who I was, that I was making inquiries concerning the offence at Marden Park. That I had reason to believe he could assist me in this matter. He at first denied knowing anything about it. Later that day he was conveyed to Caterham Police Station. I further questioned him about it and told him I was satisfied he had some knowledge of it, asked him if he cared to give me any information he might know. We had some discussion with another escorting man who was present, the man, Lee. I got him then to make a statement.
Q.126 - Was he under caution at this time?
A.126 - At that stage, no, sir. After this discussion with Lee he said he would be glad to make a statement. Present at the time were the other prisoner, Lee, and Sgt. Frost and Sgt. Terry. After his discussion with the prisoner Lee he agreed to make a statement. I cautioned him and wrote the caution down. The words of the caution were, you are not obliged to say anything, but anything you may say will be taken down in writing and may be given in evidence. I explained to him the meaning of the caution.
Q.127 - At this time you say he had agreed to make a statement.
A.127 - He had agreed.
Q.128 - Before the caution from you?
A.128 - Oh, yes, sir.
Q.129 - Were you quite satisfied he understood the caution?
A.129 - I was quite satisfied, sir. I then wrote his statement down in the presence of Sgt. Frost, Sgt. Terry and Pte. Lee.
Q.130 - They were all present?
A.130 - Yes, sir. He signed the statement after it was taken down.
Q.131 - And then what happened?
A.131 - Later that day I accompanied Hayes to a spot in Marden Park, made a search of the spot indicated by him, and there found certain packets of Top Score cigarettes. He took us to another spot and in the arm of a tree and on the ground we recovered 42 razor blades. The cigarettes and razor blades were similar in kind to those reported stolen.
Q.132 - Did you know where these things were before you were told?
A.132 - No, sir. The accused man Hayes took us to the spot
Q.133 - Can you identify this package?
A.133 - Yes, sir. These are the packets of cigarettes found.
Q.134 - And that was found where?
A.134 - Near the top of the hill about thirty feet from where the safe was found, in a sort of undergrowth.
Q.135 - Who was it told you where to go?
A.135 - The accused man, Hayes.

The package is produced by the Prosecutor, signed by the President, marked Exhibit "D", admitted in evidence and attached to the Proceedings.

Q.136 - Can you identify this package?
A.136 - These are the razor blades found on the ground and in the arm of the tree indicated by the accused.

The package is produced by the Prosecutor, signed by the President, marked Exhibit "E", admitted in evidence and attached to the Proceedings.

Q.137 - Can you identify that document?
A.137 - This is a statement in my handwriting made to me by the accused man Hayes, signed by him and myself.

Defending Officer

I object to this document purporting to be a statement signed by the accused.

J.A.

On what grounds?

Defending Officer

Grounds that I shall attempt to bring out in my cross-examination.

Prosecutor

May I explain to the Court how what I have done and what I intend to do. Sgt. Harris has produced to you two packages as exhibits as a result of what the Accused told him. I contend that statement to which the Defending Officer has objected has been properly produced. I direct attention to the Manual of Military Law.

J.A.

May we leave arguments of law aside. What you are going to do is attempt to prove the voluntary nature of the statement. If you have any more questions to ask Sgt. Harris about the statement ask them now.

Prosecutor

Sir, I have one question to ask. I wanted a ruling on it first.

J.A.

We cannot give you a ruling until you ask it.

Prosecutor

Q.138 - What did the accused say to you in order to allow you to find these packets, the razor blades and cigarettes.
A.138 - His exact words I do not recall but in effect he told me where some razor blades and cigarettes were.

J.A.

Q.139 - Which cigarettes and razor blades?
A.139 - Some cigarettes taken from the Canteen.

J.A.

Q.140 - The witness has said not something he knows but what the accused told him. What did the accused tell you on this?
A.140 - We did not discuss the question. I was endeavouring to recover some of the missing articles.

J.A. to Defending Officer

What objection have you to that?

Defending Officer

I understood the witness to say some cigarettes and razor blades of the same kind as those stolen.

Court

The answer is admitted subject to the objection.

J.A.

I understand the whole question of the admissibility of this last question and its relation to the statement will be ruled upon after we have heard every witness who knows about the accused.

Defending Officer

Yes, sir.

The Witness is cross-examined by the Defending Officer.

Q.141 - Sgt. Harris, did you tell the accused that others had blamed him for the crime?
A.141 - I told him I had taken statements from other men.
Q.142 - Did you at any times in the accused's presence tell him in words to the effect that he would be tried by the Courts for the crime?
A.142 - No, sir.
Q.143 - Did you have any conversation in the presence of the accused with anyone discussing the punishments of Civil Courts and Military Courts?
A.143 - There was conversation regarding trial by Civil Courts and trial by Military Courts mainly by the accused man, Lee. The accused was present. It was brought up by Lee who said he would rather be dealt with by a Civil Court than a Military Court.
Q.144 - Any conversations that took place on this subject, then, took place in the presence of the accused, Hayes?
A.144 - Yes, sir, they did.

J.A.

Q.145 - Prior to statement or afterwards?
A.145 - After, sir.

Defending Officer

Q.146 - Did you state that in a Civil Court for an offence of this kind a fine would be charged?
A.146 - No, sir. The question of punishment was raised by the man Lee. He was not acquainted with the law in this country. He asked what punishments were given out here. I went into various offences and told what punishments I knew had been meted out on a few of them.
Q.147 - Did anyone say Civil Courts are much more lenient than Military Courts?
A.147 - No, sir.
Q.148 - Were you present all the time this conversation took place?
A.148 - I was one of those present at the conversation with Lee.
Q.149 - Did anyone else make statements on this subject?
A.149 - I don't recall, sir.
Q.150 - You don't recall?
A.150 - I don't.
Q.151 - Were you present?
A.151 - I was when the accused man Lee was talking to Hayes and myself.
Q.152 - Was this conversation before or after the caution?
A.152 - After the caution.
Q.153 - You took down the accused's statement yourself?
A.153 - I did, sir.
Q.154 - Did you question the accused?
A.154 - Not when the statement was being made.
Q.155 - Not on any words in the statement?
A.155 - No.
Q.156 - Did anyone else question him?
A.156 - No, sir.
Q.157 - How long did the questioning take?
A.157 - I didn't time it but I should say approximately half an hour.

J.A.

Q.158 - Sgt. Harris, why did you convey the accused to the Police Station at Caterham after you saw the accused in London?
A.158 - It was a matter of convenience, sir.

Q.159 - What do you mean?
A.159 - I mean it was more convenient to see the accused and talk to him in my office than standing on the street or somewhere else.
Q.160 - You were in London yourself?
A.160 - Yes, sir.
Q.161 - Why not question him there?
A.161 - He would not make a statement there.
Q.162 - You then brought him down to Caterham?
A.162 - Yes, sir.
Q.163 - And on the same day he was brought down the questioning took place?
A.163 - Yes, sir.
Q.164 - Now these cigarettes and razor blades were recovered by you in the place where the safe was located?
A.164 - Yes, sir.
Q.165 - What was the relation of the spot where they were found to where the safe was found?
A.165 - The cigarettes and razor blades were found approximately 30 to 35 feet from where the safe was found.
Q.166 - Which was found in the open?
A.166 - The cigarettes were on the ground and the razor blades in the centre of the hedge.
Q.167 - In the centre of the area outside this copse where the safe was found?
A.167 - Near the copse but approximately 200 to 300 yards from the Canteen.
Q.168 - Was it in consequence of statements made by the accused that he had lead you to these cigarettes and razor blades?
A.168 - Yes, sir.
Q.169 - Some evidence has been given that Lee in the presence of the accused said he preferred to be tried by a Civil Court, or spoke about trial by a Civil Court?
A.169 - He said he preferred being dealt with by a Civil Court because he felt he would receive a lighter sentence.
Q.170 - Did the accused join in this?
A.170 - No, sir. He was very quiet and allowed Lee to do the talking.
Q.171 - The accused took no part in this talk nor expressed any opinion or preference there?
A.171 - Took no part at all, sir.
Q.172 - Didn't join in the discussion?
A.172 - No, sir.

4th Witness for the Prosecution, W-21172 Sgt. J. R. Frost, of the Special Investigation Section of the Canadian Provost Corps at Canadian Military Headquarters, attached to H.Q., First Canadian Army, being duly sworn, is examined by the Prosecutor.

Q.173 - You are W-21172 Sgt. J.R. Frost of the Special Investigation Section of the Canadian Provost Corps?
A.173 - Yes, sir.
Q.174 - Can you tell the Court what you know about this investigation?
A.174 - At about 0800 hours on the 28th of August, 1942, I was informed by the Adjutant of the 65 Cdn Bridge Coy that the Canteen had been entered and some property removed. I proceeded there at once and made arrangements to question all guards and picquets who were on duty during the night. By that time the Civil Police had arrived. I proceeded to the Canteen and went on with the questioning of the guards and picquets. I organized a search party to look for the safe which was found a few hundred yards from the Canteen. The money was intact. There were few cigarettes lying around the safe. On the 13th of September, 1942, I accompanied Sgt. Harris to No. 6 Provost Coy in London where Pte. Hayes was detained as an absentee. In company with Sgt. Harris I brought him back to Caterham Police Station. I was present there when Sgt. Harris questioned Hayes and was present when Hayes made a statement which he signed. Later, in company with Sgt. Harris, Pte. Hayes took us to a spot where there were five or six packets of cigarettes and some razor blades of the type that had been stolen from the Canteen. That is all.

Q.175 - Who was present at this questioning at Caterham besides yourself and Sgt. Harris?
A.175 - Sgt. Terry was in and out at the time in part of the questioning. Pte. Lee was also present.
Q.176 - Were all these persons present during all the questioning of the accused?
A.176 - Yes, sir, that is to say except that Sgt. Terry was in and out.
Q.177 - Were the statements of Hayes made within the hearing of Lee?
A.177 - That is right. Yes.
Q.178 - Was the accused cautioned?
A.178 - He was.
Q.179 - At what stage?
A.179 - Before he made any statement.
Q.180 - Had he been questioned?
A.180 - No.
Q.181 - Was he questioned at London?
A.181 - He was told about the investigation and that he was being taken down to Caterham Police Station for questioning.
Q.182 - Can you give us any further information regarding the voluntary nature of this statement?
A.182 - Well, the statement was taken from Lee first, after Lee had some discussion with Hayes. Lee made a statement, at which time he said to Hayes, "You don't have to say the same as me".

Defending Officer

Sir, is that admissible - what Lee said?

J.A.

If it was said in the presence of the accused.

A.182A- Lee said, "I am going to make a statement. You (Hayes) can say what you like".

J.A.

That is not relevant unless it involved the accused.

Defending Officer

That is what I mean, sir.

Prosecutor

Q.183 - After the accused had spoken with Lee what was his attitude?
A.183 - He was willing to make a statement.
Q.184 - Was Hayes questioned in the Police Station regarding this offence?
A.184 - Yes, sir, he was.
Q.185 - What was the nature of that questioning?
A.185 - It was a routine to see if he was involved.

J.A.

You are speaking of the questioning before the caution?

Prosecutor

Yes, sir.

Q.186 - He was questioned to a considerable extent?
A.186 - Yes, sir, he was.
Q.187 - To take you back to when you were at the Canteen. Did anything there indicate the breaking into or entry or taking away?
A.187 - Yes, sir. The glass in a casement window had been broken. There were some loose cigarettes lying around outside. The safe apparently had been removed.
Q.188 - You told us that the accused led you to a place where certain articles were found, the cigarettes and razor blades. Can you tell us the words that were said that resulted in leading to the cigarettes?

A.188 - I am not just sure what was said. He gave us the impression he knew where they were.

The Witness is cross-examined by the Defending Officer.

Q.189 - How many people questioned the accused?
A.189 - Two people.
Q.190 - Who were they?
A.190 - Sgt. Harris and myself.
Q.191 - Did Sgt. Terry have anything to say to the accused?
A.191 - He may have had something to say.
Q.192 - Was the accused in your presence all the way from London
A.192 - Yes, sir.
Q.193 - Was there any conversation going on?
A.193 - There was nothing material.
Q.194 - At that stage, was the accused definitely suspected in this case?
A.194 - He was thought to be connected with it, to know something.
Q.195 - Where was Hayes picked up in London? At Henrietta Street?
A.195 - That is right.
Q.196 - Was he told that if he didn't make a statement he would be implicated by others?
A.196 - He wasn't told he was implicated.
Q.197 - How much was he told?
A.197 - Merely that he was to be questioned about the case.
Q.198 - Was he told, "Don't you take the rap for the others"?
A.198 - I don't think so.
Q.199 - Do you recall Sgt. Harris saying, "We might as well break the news to them now as they are going to be remanded to a Military Court"?
A.199 - There was something said to that effect.
Q.200 - Do you remember what it was?
A.200 - Something to that effect.
Q.201 - Can you recall anything else?
A.201 - I can't recall anything else, sir.
Q.202 - Do you remember a conversation taking place regarding punishment?
A.202 - Not to do with the accused. I may have discussed it with Sgt. Harris.
Q.203 - In the accused's presence?
A.203 - I could not say if it was or not.
Q.204 - When you were in this room at the Caterham Police Station with the accused, the man Lee, and Sgt. Harris, was this subject of trial and punishment mentioned?
A.204 - At some time, yes.
Q.205 - Did you, Lee and Hayes discuss Civil Courts?
A.205 - We discussed it from this point of view; it was said that Civil cases in the Army were dealt with by Civil Courts and Military Courts.
Q.206 - Did you mention punishments in Civil Courts - did you say "They give you fines for offences like this in Civil Courts"?
A.206 - No.
Q.207 - Are you sure?
A.207 - Definitely.
Q.208 - When you discussed the matter, did you talk about the maximum punishments for offences of this nature?
A.208 - Not to my knowledge.
Q.209 - You were discussing other offences?
A.209 - We were just discussing the subject.
Q.210 - But you did mention something about punishment?
A.210 - I don't think it was at that time.
Q.211 - When was it?
A.211 - On the following day.
Q.212 - After the statement?
A.212 - Yes, sir, after the statements were made.
Q.213 - Now in Sgt. Harris' room at the Caterham Police Station, would not this matter of punishments by Civil Courts have been discussed?
A.213 - No, it would not have been. At that time I was not sure whether the accused would be tried in a Civil or Military Court, and until I knew there was nothing to discuss.
Q.214 - Was this discussion before or after the statement was taken down?

A.214 - It was after the statement was taken.
Q.215 - Before the caution was given or afterwards?
A.215 - After. The statement was not taken until after the caution.
Q.216 - You can't recall anything that was said in reference to this crime and the Civil Courts?
A.216 - No, sir, on that, no.
Q.217 - But you admit it was discussed?
A.217 - Yes, sir.
Q.218 - Did you discuss anything about the punishment for this crime in Civil Courts?
A.218 - I don't think so. It was definitely not discussed before the statement was taken.

The Witness is re-examined by the Prosecutor.

Q.219 - About this discussion on Civil or Military Courts. Do you remember how the subject came up? What lead up to it? Did you bring it up?
A.219 - Yes, sir, I did.
Q.220 - You introduced the subject?
A.220 - I did.
Q.221 - Can you tell us why?
A.221 - From previously talking to the D.A.P.M.

J.A.:

Is this relevant?

Prosecutor

Some suspicion has been thrown on it.

J.A.:

What the D.A.P.M. said isn't relevant. There is some doubt in the mind of the Defending Officer but I don't see why you should worry about it.

Prosecutor

I thought the witness might bring out something else which would tell us clearly what this conversation was.

J.A. to Defending Officer

Did you finish cross-examining Sgt. Marris?

Defending Officer

No, sir. On the trial within a trial, no, I have not. Is Sgt. Terry going to be called?

Prosecutor

No, Sgt. Terry is not going to be called.

J.A. to Defending Officer

Do you, Mr. Defending Officer, want Sgt. Terry called?

Defending Officer

Either that or permission to speak to him for a few minutes.

J.A. to Prosecutor

Do you wish to call any other witnesses?

Prosecutor

Yes, sir.

J.A.

Are they named in the Summary of Evidence?

Prosecutor

No, sir.

J.A.

Who are they?

Prosecutor

McAvoy and O'Gorman, sir.

J.A.

On the question of admissibility?

Prosecutor

No.

J.A.

Mr. Defending Officer, do you want Sgt. Harris recalled now on the question of the admissibility of the document? The reason I ask that is that I thought perhaps the Court determined the admissibility of Sgt. Harris' evidence at my suggestion last time. Do you want to say anything else to him?

Defending Officer

No, I wont take him, sir.

J.A.

On the question of admissibility. Have you any evidence?

Defending Officer

That is what I want to see Sgt. Terry about.

Court

The Court adjourns for lunch until 1:15 o'clock.

At 1320 hrs the court is re-opened and the accused is again brought before it.

The document produced by the Prosecutor is marked for identification by the Court Reporter.

Production of the document in evidence is objected to by the Defending Officer.

Court

Has the Prosecutor any more witnesses to bring forward on the admissibility of the statement?

Prosecutor

No, sir.

Court

Very well, proceed. You are going to submit this evidence,

Prosecutor

I have shown that this statement was given voluntarily. From the time these men were detained in London and Sgt. Harris and the Provost Sergeant, Sgt. Frost, saw them and took them to the Caterham Police Station they were not questioned. Both Lee and Hayes were taken together and questioned at Caterham. I submit here that the police questioned this accused merely in regard to his connection with this offence until satisfied he was implicated, than obtaining a written statement from him. At that time I submit that caution was given. There has been no evidence brought forward that threats were made and as both witnesses have given evidence that the caution was made it must be taken that the accused understood the nature of that. I wish to point out both of these Police Officers were present - Sgt. Harris and Sgt. Frost, representing different branches of the Police - the Civil Police and the Provost, whose duty it is to bring back persons who are apprehended. I submit this confession in evidence after two witnesses representing the Military and Civil Police have sworn that the statement was made voluntarily. That is all I have to say on that point. There is one other point on which I have something to say. That is the situation from the Manual of Military Law on the admissibility of confessions, page 93, section 99.

D.A.A.

All right we have noted that.

Court

Has the Defence anything to say?

Defending Officer

I don't think this answers the definite of voluntary in regard to the statement. I submit here in this case that an inducement was put forward to the accused. I will say in a few minutes support this. I want to point out that a promise or inducement can be implied. I submit that this conversation that took place between the two Police Officers in the presence of the accused, talking about crime, punishment, the Courts, jurisdiction and maximum and minimum penalties, was definitely put forward in the hearing of the accused as an inducement. It gave him an idea he was to be tried by a Civil Court, held out a definite hope to him that he would be tried by a Civil Court, and convinced him that if he were tried by a Civil Court he would get off with a light sentence. Sgt. Frost told you this conversation took place definitely in the presence of the accused. I have before me - and will ask for a ruling from the Court - the Summary of Evidence. May I quote from that Summary?

D.A.A.

You should put somebody in the box.

Prosecutor

I have no objection.

Defending Officer

I asked Sgt. Frost if he heard the questions.

D.A.A.

If everything you refer to can be produced in evidence there is nothing to prevent you from referring to it. If not you can't refer to it. If you want to have a witness recalled you can do so.

Defending Officer

That is what I am not sure about.

D.A.A.

Which witness is it?

Defending Officer

Sgt. Harris.

3rd witness for the Prosecution, Detective Sergeant Tom Harris, No. [illegible], is recalled and questioned by the Defending Officer.

Q.222 - Do you remember being asked by Cpr. Lee in the taking of the Summary of Evidence against him on 28 Sep 42, "Did I ask if I was to be tried in a civilian or Military Court and did I say thank I was under the impression I was to be tried in a civilian Court when I made my statement?"? Did he ask you that question?

A.A.

And was that in the presence of the accused?

A.222 - At the Summary of Evidence it was not in the presence of the accused.

Civilian Officer

Q.223 - Was that question asked you in the presence of the accused?
A.223 - Not at the Summary of Evidence.

D.A.

Q.224 - Was that question referred to by Lee asked by Lee in the presence of the accused?
A.224 - A similar thing was said by Lee at the Police Station when the accused was present.
Q.225 - And this answer. Was it made in the presence of the accused?
A.225 - No, sir, not at the Summary of Evidence. At the Police Station, yes, sir.

Defending Officer

Q.226 - Was you answer similar at the Police Station?
A.226 - A similar answer, yes, sir.
Q.227 - Did you say you might as well break the news to them now that they were going to be remanded to a Military Court?
A.227 - Something was said to that effect in my presence of the accused at the Police Station. I had up to that time thought he would be brought before a Civil Court. However, the Civil Court ordered that they be handed over to the Military authorities. Then it was only fair to tell the accused about it.

Defending Officer

That is just about all I have to say except to submit a temptation was indirectly put forward to the accused in the police station to make his statement so that he was surprised when he found he was not to be tried by a Civil Court. I quote on this Phippson, page 290, a promise or threat need not be direct but can be inferred. I also cite Rex vs Thompson, 1907, 2 Queens Bench, 13. It need not be expressed and the way this conversation was brought on was with the direct purpose of getting this confessing or statement from the accused. The statement was made after the caution was given. But this was the inducement put forward by the Police Officer to get that confession.

Prosecutor

I would like to point out one sentence coming out of the passage read in the Summary of Evidence. "Lee brought the matter up." That is all I want to say.

The Court is closed to consider the submission.

The Court re-opens and the accused is again brought before it.

Court

The Court rules that the alleged confession is admissible as evidence.

Prosecutor

I submit this document, which has been marked for identification and identified as the statement made by the accused, in evidence.

The statement is read by the President, signed by the President, marked Exhibit "P" and attached to the Proceedings.

Prosecutor

J.A.

Does the accused wish to make any statement under oath or in his own behalf?

Defending Officer

No, sir.

Court

Then will you make your closing address.

Defending Officer

May it please the Court, what I shall have to say briefly is this. There has been this one fact that has been proved to the Court. On the night in question the accused was very drunk. You have heard the NAAFI Charge Hand tell of his drinking. You have heard Cpl. Dunsmoor tell of putting him to bed. You have heard Pte. Foley who saw him staggering at the beer party. And I submit that night the accused was so drunk as to be incapable. I leave the Court to judge this. In the first place, supposing he committed this crime in such a state of incapability, unable to anticipate any consequences, then I maintain such a state should be considered as somewhat in the same light as insanity. In such a state the essential motive is lacking. And such a state has definitely been proven in this case. You have heard the evidence. How much beer was consumed, how many glasses were drunk in the Canteen and on the hill we can only imagine. But at least the accused was drunk. That is one thought. The second point of some basis is that if he was so drunk how could he possibly carry that safe or have had anything to do with that actual crime. I will leave you with that. The accused is given the benefit of the doubt in this case. I submit that there is grave doubt that he was capable. We have an account of his condition that night. We have heard something about his work and behaviour before this case. When a man is as drunk as he was that night it would be a pretty difficult job for him to have participated in this crime. And many witnesses have told you of his condition. I leave the Court with these points, then. His incapability of knowing what he was doing, that he could not anticipate his actions, and that he was incapable of having carried out any part in this offence.

Court

Has the Prosecution any more to say?

Prosecutor

Mr. President and Members. To sum up. The evidence of several witness has been brought before the Court and exhibits have been produced. The accused admits in his statement that he entered the Canteen and that he helped carry something away. We wont question the record. With regard to his drunkenness. That we do not know. We have heard he was drunk before this crime was committed. But if he was drunk earlier he was still capable of getting up after the Orderly Corporal made his rounds and he went for a walk passed the Canteen. We have Waye's evidence on this. At this time it was decided to enter the Canteen. He carried the safe away or helped carry it. No matter how drunk he may have been, at this stage he was still able to talk and to come to a decision, and know what he was doing. I submit this is the essential ingredient of a man's guilt.

J.A.

It is my duty to advise you on the law involved in this Court-Martial. You are the judges of the facts of the case. You will take my direction as to rules of law and will then judge the facts. You have heard and have followed the evidence. It is sufficient for me to say, I think, that there must be evidence before you of the facts alleged

in the particulars of this charge and you must be satisfied these have constituted the offence as charged. There are two or three other things. First, that the Court must be satisfied that the Prosecution has satisfied the burden of proof which rests upon it throughout this case. It always rests upon the Prosecution to prove this offence was committed by the accused. A very great British jurist in one of our very important cases has summed this matter up in these words. "Throughout the web of English Criminal Law one golden thread is always to be seen, that it is the duty of the Prosecution to prove the prisoner's guilt, subject to what I have said already about the defence of insanity and subject also to any statutory exception. If at the end and on the whole case there is a reasonable doubt created by the evidence given by either the Prosecution or the prisoner as to whether the prisoner killed the deceased with malicious intention, the Prosecution has not made out the case and the prisoner is entitled to an acquittal. No matter what the charge or where the trial the principle that the Prosecution must prove the guilt of the prisoner is part of the Common Law of England and no attempt to whittle it down can be entertained." Secondly, you must be convinced of the guilt of the accused beyond reasonable doubt. That doubt must be properly a common sense doubt. As reasonable men, that does not mean any fantastic doubt you might conjure up in your mind from the facts of this case. Now on the matter of the charge being established. The Defence has suggested drunkenness. Drunkenness is not an excuse for crime save to this extent. If it can be proved that a man was so drunk not to know the nature of his act and the difference between right or wrong then he may not be held responsible for what he does. The only Defence put forward in this case is that this man was drunk and didn't know what he was doing. Mr. Prosecutor and Mr. Defending Officer, are there are other matters on which you wish me to advise the Court?

Prosecutor

As to the burden of proof. They must be completely satisfied that I have fulfilled the burden of proof on the whole of the evidence. And my second point is that drunkenness must be proved by the Defence.

J.A.

I think I referred to that point on the matter of burden of proof. Mr. President and Members of the Court, are there any other matters on which you wish to be advised?

Court

No, sir.

The Court is closed to consider its findings.

The Court is re-opened and the accused is again brought before it.

J.A. to accused

On the pleas of guilty, I will now read the Summary of Evidence.

The Summary of Evidence is read, signed by the President, marked Exhibit G , and attached to the Proceedings.

J.A. to Prosecutor

Q.359 - Have you any evidence to produce as to the character and particulars of service of the accused?

Lieut. C. B. Kirk, the Prosecutor, of First Cdn Army Signals, being duly sworn, is examined by the Court.

A.359 - I have a statement of character and particulars of service of the accused and his field conduct sheet known as M.F.M.6, which I submit as evidence.

The State of Character and Particulars of Service of the Accused, M.F.B.355, is read, signed by the President, marked Exhibit "H", and attached to the Proceedings.

The M.F.M.6 is read, signed by the President, marked Exhibit "J", and attached to the Proceedings.

Q.360 - Does this Statement which you have just heard read relate to the accused?
A.360 - Yes, sir.
Q.361 - Have you compared the contents of the above statement with the regimental books?
A.361 - Not of my own knowledge, sir, but it has been certified by the Adjutant.
Q.362 - Are they true extracts from the regimental books and is the statement of entries in the field conduct sheet a fair and true summary of those entries?
A.362 - They have been certified as such by the Adjutant, sir.

J.A. to Defending Officer

Has the Defence any objection to the production of this evidence into the Proceedings?

Defending Officer

No objections.

Court

Has the accused anything to say in mitigation of sentence?

Defending Officer

Very briefly, sir. I ask the Court before determining the guilt of the accused in this case to remember one thing, that the offence mentioned on the charge sheet would not have been drawn up against this accused if he had not been drunk on one night, and committed the crimes for which he is before this Court. In awarding sentence, I would ask the Court to award sentences to run concurrently, and take into consideration the month already spent by the accused under close arrest awaiting trial. That is all, sir.

The Court is closed to consider the sentence.

Certified to be a true transcript of the shorthand notes taken by me at the trial described on 1st page.

On the night in question we were in the canteen drinking. We left there when it closed and we were walking up and I walked down the road to our hut, we couldn't sleep so decided to get up and take a walk down the road and while we were passing the canteen we heard noises in the bushes so we thought we would go up and investigate and when we got up there we met Hoyt and he asked us if we wanted a drink which we accepted. One of the men there suggested that we go into the canteen. I do not know who put the tape on the windows but Hoyt and I went in. I thought it was only a few of beer he wanted but he

He handed the safe out of the window and it was lowered to the ground. We then carried it up to the top of the lines. One of the fellows went down and got a jack I don't know who it was. One of them knocked off the hinges and when they found it couldn't be opened we all went down the lines.

"I am D-123160 Pte. Malouin, G. of No. 85 Cdn. Bridge Coy. R.C.A.S.C.

On 1 Nov. 42, I was posted as guard at the Main Guard Room at 1815 hours by Cpl. Guard. I checked the prisoners and found Pte. W.A. Hayes and Pte. Leblanc in the prisoner's Room. I then checked the bolt on the door. Soon afterwards Pte. Orsleau, R.P., brought in Pte. Hoyt through the rear door. I then checked the bolt on the outside of door to make sure it was locked. I then took my post in the Guard Room outside the prisoners room. The prisoners were making considerable noise and beating time like a drum; this was around 1835 hours after a short while the noise stopped, after listening for a few minutes I called out to the prisoners but received no answer and opened the door to investigate and found the back door open and Pte. Hayes and Leblanc missing. Pte. Hoyt was still in the prisoners room. I immediately ran around the outside of the building, bolted the door, got into the lorry used by the Guards and went to notify Sgt. Terry at M.H. Sgt. Terry came with me to the Guard Room and he instructed me to stay there on guard. Later on Sgt. Weston and Pte. Orsleau brought in Pte. Hayes who was placed in the prisoners room. Later on Cpl. Guard and Pte. Orsleau took Pte. Hayes out of prisoners room so he could be placed in Civil Custody".

At about 1900 hours on 1 Nov 42 Pte Maloin, R.P., reported to me at M.H. that Pte. Hayes and Leblanc were missing from the Guard Room. I immediately returned to Guard Room with Pte. Maloin and investigated and found the prisoners in question to be missing; the back door was still open and Pte. Hoyt still in the prisoners room. I bolted the

door on the outside and left to report to the Orderly Officer. On the way I met the Orderly Sergeant, Sgt. Weston. We decided to organize a search at once and started off on foot to obtain a lorry. We discovered a Station Wagon on the side of the road in "G" Section Lines. The driver of the Station Wagon was engaged and gave us permission to use the vehicle within Camp limits. In company with Sgt. Weston and Cpl. Evans, (the Orderly Corporal) we drove towards the south gate. On the way to the South gate we overtook a 15 cwt lorry which had no tail lights. We stopped this lorry and I found Pte. Hayes and Leblanc in the cab with Pte. Leblanc behind the wheel. I got out of the station wagon and went around to the side of the 15 cwt where Pte. Hayes was sitting. Hayes got out of the cab with every apparent intention of doing what he was told, when suddenly the 15 cwt started off. Hayes broke away and ran after it. Sgt. Weston, Cpl. Evans and myself climbed into the station wagon and gave chase. The 15 cwt lorry was driven within a few yards of the south gate where it was abandoned. We searched the area and not finding any trace of the escaped prisoners returned to the H.Q. Orderly Room in the station wagon and left Sgt. Weston to drive back the 15 cwt lorry".

"I am D-123389 Sgt. Weston, G.W., of No. 85 Cdn. Bridge Coy. R.C.A.S.C.

While carrying out my duties as Orderly Sergeant on 1 Nov. 42, the Orderly Corporal reported to me at about 1900 hours that Pte. Hayes and Leblanc had escaped from the Guard Room. In company with the Orderly Corporal I immediately proceeded with him to the Guard Room. On our way to the Guard Room we met Sgt. Terry who had been to the Guard Room already, and the three of us decided to go to the Canteen to see if Hayes and Leblanc were there. On our way there, we passed the duty station wagon. Cpl. Evans borrowed it from the driver and we drove on towards the Canteen. On the road just outside the Canteen we noticed a 15 cwt lorry proceeding slowly ahead of our station wagon. It had no rear lights showing and so we decided to stop it and warn the driver. We pulled up alongside the 15 cwt lorry and Sgt. Terry yelled for it to stop. Both Sgt. Terry and myself jumped out of the station wagon as we had recognized Pte. Leblanc behind the wheel of the 15 cwt lorry which had obeyed the order to stop. I ran around the front of the 15 cwt at which time I saw the door on the rear side of the lorry was open and Hayes standing on the side of the road with Sgt. Terry. As I stood in front of the 15 cwt to prevent it from moving, Sgt. Terry asked for my pistol. While I was taking the pistol out of the holster and handing it to him the lorry moved off. Both Sgt. Terry and myself got back into the station wagon and drove after the 15 cwt lorry. About 100 feet north of the south gate

we came upon the 15 cwt lorry which was parked on the side of the road with the lights on, and motor shut off. There was no one in or around the lorry, so I went to warn the sentry on guard at the mouth gate. I then drove the 15 cwt back to my section Orderly Room, ('B' Section) and turned off the lights and motor, then went inside the Orderly Room to get ammunition and a work ticket for the 15 cwt lorry. Upon opening the door to come outside, the light from the door revealed someone standing on the opposite side of the 15 cwt lorry. I yelled "Stop!", went around to the opposite side of lorry and saw that the person was Pte. Hayes. I called to the Cpl. on duty in the Orderly Room and for two men to assist in escorting Hayes back to the Guard Room. I handed Hayes over to the R.P. at the Guard Room who placed him in the prisoners room and cautioned the R.P. to watch Hayes closely. While escorting Hayes to the Guard Room he threatened to burn the Guard Room down. I then accompanied Sgt. Terry to Caterham to make arrangements with Civil Authorities to place Hayes in Civil Custody. When Sgt. Terry and I came back to Camp to get Hayes from the Guard Room it was brought to our attention that all the screws had been removed from the hinges of the back door of the Guard Room. We then took the prisoner to Caterham and handed him over to Civil Police, then returned to Camp and reported to Orderly Officer."

Duncan, Guard Commander, that two prisoners had escaped. On questioning him he said they were Pte. Hayes and Leblanc. I immediately asked him what time it was by his watch and he answered 1900 hours. I immediately reported back to the Orderly Sergeant. Sgt. Weston and I started out to search the Camp, when we met Sgt. Terry just outside the Guard Room. The three of us started along the road for the Canteen and on the way there we asked permission of Pte. We then proceeded to drive along the road towards the Canteen when we saw a 15 cwt lorry travelling in the same direction without any rear lights showing. Sgt. in the spare drivers seat. Sgts. Terry and Weston got out of station wagon and ordered Pte. Hayes and Leblanc to get out of the 15 cwt. Hayes obeyed the order and dismounted. In the matter of a few moments the 15 cwt pulled away. I saw Pte. Hayes run after the lorry by the light from the headlights of the station wagon and he disappeared in the blackness with Sgts. Weston and Terry in pursuit. Sgts. Terry and Weston came back and got into the station wagon and we drove along the road towards the south gate. At approximately 100 yards north of the south gate I saw the same 15 cwt with section number 'D-1' painted on the back of the lorry. We pulled up alongside the 15 cwt and found it empty. Sgt. The accused prior to his entry into army, did enjoy a very good reputation, his family life has been perfect so too his actual life, a short time during which he was employed in Toronto there has never been a complaint against him. He Volunteered for the army early in the war and due to bad influence got himself into trouble which has continued throughout his military history. This same influence regretably has made his history go from bad to worse. In connection with case before the court, the act committed was not pre-meditated - it was unplanned done on the spur of the moment due again to bad influences. The accused is young at present time only twenty one years of age and suffers from a more than usual dose of head strongness, which has been easily directed by this same bad influence.

I therefore submit that the accused is not basically bad as his military history may suggest but he being influenced by bad companions in the army and thus been allowed to follow his own youthful head strongness without ever receiving the guidance of a father or like advisor. I put he himself at the mercy of Court and pleads that the degree of punishment may be considered in the light of the above facts.

Questioning defending officer: Do you recognize the accused?

Answer: Very well sir.

Questioning defending officer: How well do you know him?

Answer: I know Bill Boys as more or less a brother. I have been with Bill practically all my life. We attended Church, also we belong to the Broadview Y.M.C.A. in Toronto. We also worked together. Bill was delivering boy there & I was clerking behind the counter. As far as I know Bill was always good he never got into trouble back home. I believe he was one of the best liked boys in the neighborhood all the time that I knew him. I also know he had never got in trouble. I also knew his mother & father & they were very fine. I don't think Bill ever caused his father or mother any trouble. We were always occupied in sports & had no time to get into trouble. I believe that the reason Bill is getting into trouble now is that he has had very little to do with bad company since he has been in the Army.

Statement of Character, Service and Conduct in further mitigation of punishment, made by:

Lieut. K. J. Cuber. 85th Bn. Can. Tpt Coy. R.C.A.S.C.

One point which I would like to bring to the attention of the Court, that all things the evidence submitted in the Summary, that the accused when apprehended came willingly. I wish this to support my previous statement the act which the accused is now being tried is due entirely to thoughtlessness & bad influence & was not premeditated by him & was quickly repented and committed.

The accused has been a good soldier whilst with this unit - there are not petty crimes against him. He was a good citizen before joining the army & would have continued his good record & his military record had he received able & proper direction.

He submits these facts to the Court and puts himself at its mercy

BRIEF SUMMARY OF STATEMENT IN MITIGATION OF PUNISHMENT AND EVIDENCE AS TO CHARACTER.

Defending Officer:- Haykus seems to be laboring under a persecution complex. During time he has been here he has definitely had the impression he has been unfairly treated. He has started a number of training courses while here and unfortunately has never completed any of them. Each time he comes back he has to start again at the beginning, therefore he is consistently put back on the square and each time something happens and the thing repeats itself all over again. He also has an idea that he is being unfairly treated in the Holding Unit. It is probably that feeling which has made him go AWL in these cases.

Prosecutor, sworn, produces AF B296 and MFM-6.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans.....(5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

SECOND WITNESS

Mr. Hens Albert, 5 Guldensporenzei Turnhout, Belgium, sworn states:

Last Thursday night about 11o'clock I was going home and in Reniers-nieder Strast I met a soldier, The soldier put his hand inside his coat and said "Give me your money". I said Ionly had 7 francs. I said I have no more. Then the soldier said "I want more". I said I have no more. The soldier said "Come on". Then I took out my pocket-book. I took out of it a 100 franc note and gave it to the soldier. The soldier then took my pocket-book and took out 3-100 franc notes. The soldier said "its not enough I want more". Then the soldier went away with my pocket-book. I followed him and saw talking with another soldier. I told my story to the other soldier who told the first soldier if you have the money you have to give it back. The soldier who took the money brought out a bottle of cognac. He asked the other soldier to drink but he didnt. I told my story again but the soldier said he had not stolen my money. He said here is a cigarette for you and now go home and I thought it was the best thing to do so I went home arriving about half past eleven. The following morning I went and informed both civilian and military polic. Then I came here to pick out the soldier. I had no trouble identifying him. That is the soldier who robbed me. Points to accused. There were two big 100 franc notes and 2 small ones and 7 one franc pieces. It is a small black pocket-book witha place for papers on each sides. My identity card and some other papers were in it.

Black-Billfold pocket book produced marked EXHIBIT B

Green identity card #71284 produced marked EXHIBIT C

The soldier went up the right side of the street and I went up the side. I had no difficulty following him. There was no one else on the street.

Cross-Examination

He said "Give your Belgium money". I understood and can speak a little English. He said "Give your Belgian money" and he said "I want more" and I understood.

I did not see any gun. I saw that the soldier took the bottle from the same place as he put his hand before. The soldier had been drinking. He did not walk as well as other soldiers but he was not drunk. The soldier put his hand on my shoulder and his hand inside his blouse and the first thing he said was "Come give me your Belgian money".

BY THE COURT

I thought the soldier had a pistol inside his coat and because of that I gave him the money.

I thought the second soldier was a military policeman. He was dressed the same as a military policeman.

R.P. 83 (b) complied with.

THIRD WITNESS

M-66562 Dur Weigel, S.A. 66Cdn Tps Coy RCASC sworn states:

About 23 00 hrs 21 Dec 44 I was on Regtl Police duties at Coy HQ. I saw a soldier run into a doorway. I walked up to him and asked what was wrong. He asked me where #9 F.D.S. was. A civilian came running across the road and grabbed me by the arm and pointed to the soldier and said in English that the soldier had his identification , wallet and 400 francs. I asked the soldier if it was true and he said no that he didnt have it. Then I asked him to give it back to the civilian if he did have it. The soldier was going to strike the civilian. I was standing between them so he let him go. He offered the civilian a cigarette and the civilian walked off. When the civilian was gone the soldier said probably I have got the money and wallet and showed me 400 francs- 2 large ones and 2 small ones. Then he pulled out a black wallet and an identification card. I told him to give them to me but he threw them into the street. He picked up the identity card and gave it to me. I picked up the wallet.

On 22 Dec at about 1000 hrs I gave the identification card and wallet to L/Cpl Corston of the Provost Corps.

At 1300 hrs on 22 Dec I came down here and identified the soldier among thirteen others. That is the soldier who was there that night-Points to accused. This is the wallet Ex. B.and this is the identity card Ex. C.

I was wearing white webbing that night. There were very few people on the street. The civilians name was Hens.

Cross-Examination:

He said "Probably I have got it" and pulled out 400 francs. He wasnt drunk. Icouldnt say whether he was doing it as a joke or not. He offered me a drink but I would not take it. I was going to give it back to the civilian in the morning. I knew the civilian was going to the Provosts so I was going to hold onto it until morning. He gave it to me and told me to get rid of the fingerprints on it. I said I'd see about it. He didnt offer me any money. I was going to lock him up but I could'nt do it myself. I knew where he was going. I did'nt ask him his name or unit.

R.P. 83(b) complied with.

FOURTH WITNESS

D-81529 S/Sgt Bishop,K.W. 9 Cdn F.D.S.sworn states:s

He just pointed at him and said thats' the man. The accused was placed under arrest and taken to the guard room.

I arranged the accused with 13 other Ptes of this unit and when Dur Miegel entered the guardroom he immediately picked out the accused.

At about 1800 hrs 22 Dec L/Cpl Corston turned over to me 1 black pocket book, Exhibit B, 1 identification card, Exhibit C and 3-100 francBelgian notes small type, 3-100 franc Belgian notes large type and 7-one franc coinsand one brown billfold, a pay book Part I 2 & 3 of the accused Pte Hayman, R. Mr Hens did'nt identify anyone on the unit parade but on the patients parade he identified the accused who is sitting there (points to Pte Hayman) Pte Hayman was put under arrest. Shortly after at another identification parade he was picked out again by Dur Meigel. I searched the accused and found 807 francs Belgian ins brown leather wallet. There were 3 large bills and 5 small ones, all 100 francs notes and 7 one franc coins.

DEFENCE

FIRST WITNESS

B-46355 Pte Hayman, R sworn states:

I went out right supper drinking. I bought a bottle for 45 giulders. I drank in cafes and from the bottle until the cafes closed. I met this civilian tapped him on the shoulder and at the same time I put my hand on the bottle in my tunic. I guess the civilian thought i was going to rob him. He nervously started to hand me the money, first the change, then the bills, then his wallet. He moved away pretty fast. I did'nt think much of it. If he wanted to hand me his money it was all right with me. I just walked up the street and I do recall jumping into the doorway when the lights caught me because I knew I was out late and did'nt want to be caught by the Provosts. Pte Meigel came up and asked me what I was doing. I did'nt answer that but asked him where 9FDS was. The civilian came and grabbed his arm and right away accused me of robbing him. We argued back and forth I got kind of angry because he accused me of robbing him.

He finally left still thinking it a big joke. I did pull the money out in front of Drvr Meigel. I also pulled the wallet and said I had not better not hang onto this it might be the stolen wallet and threw it out into the centre of the road. Drvr Meigel said don't leave it there. I'll take it in and burn it. So I went [illegible] and picked up what I could findof it and handed it over to him. I was half DRUNK The robbery was not intentional. Then I asked Drvr Meigel how to get back to 9 FDS and he told me and I left. I was not altogether sober or altogether drunk. I was just feeling good enough not to care. I did offer Drvr Meigel a drink but he did'nt take it.

Cross Examination:

I was going to ask him where 9 FDS was. I did'nt get a chance to ask him anything. I don't think I said "Give me your money". He just started handing his money over. I asked what It was all about. I havent made any statement since.

By the Court

I heard the civilian say "I have been robbed". I did'nt want to be caught with the wallet so I threw it on the street. I did'nt think It strange to be given 400 francs. I had close to 600 Belgian Francs and 120Dutch Guilders when I went out that night.

R.P. 83 (b) complied with.

PROSICUTING OFFICERS CLOSING ADDRESS

No doubt about a theft. Taking,intent both shown by the evidence.

DEFENDING OFFICERS CLOSING ADDRESS

Point out evidence to show that there was no pre-meditation. It may have been improper possession from the stupidity of the civilian but it is not theft. He was not reaching for a gun but a bottle. The civilian jumped to conclusions. Hayman had ample money with him. He did not need money. The whole affair is discreditable but it does'nt amount to stealing . No intent.

CHARACTER EVIDENCE

Capt L. V. Perry sworn state.

I have known the accused for about 2½ to 3 months and he has been a member of my Coy for that time. He has only on e occasion of A.W.L. and I made a point then to find out what sort of a soldier he was and had been in the past. I am convinced that he is a well trained and capable soldier who has through nothing more than boyish foolishness (reason to believe that he is vicious or evil) been involved in minor offences in the army. I have found no reason to believe that he is vicious or evil. He has always performed his military duties well and willingly.

No Cross-Examination

R.P.83(b) complied with

DEFENDING OFFICER IN MITIGATION

Accused has had a number of drunkenness offences, The other offences although numerous are all of minor nature and I would the court to take consideration these facts and that the accused is not a criminal type. The accused is a well trained soldier. He came to France with the unit and served well in action.

Fourth Witness Mr Hens Albert Belgian Civilian 5 Guldensporenel Turnhout, Belgium. having been duly sworn states:-

At approximately 2300 hrs 21 Dec 44 as I was walking from the Zeshoek to my home, a soldier, who I believed to be a Canadian, came out from Station St. and said "Give your money". At the same time he put his hand inside his coat as if he was holding a pistol, but he did not bring any out. I answered "I have no money, only seven francs". I have him these seven francs, but he said that he wanted more. I took out my pocket-book containing four one hundred franc notes. Of these were two of the large type and two the smaller type. In the pocket book there was also my passport, number tag from civil labour, and a few papers. I intended to give him one hundred francs but he took my pocket book and disappeared in the direction of the Zeshoek. I started to look for him and found him with a soldier on Rinierslaeder straat, who I believed to be a policeman. I told him my story. The soldier who took my pocket book said that he did not have my money. We stood there talking for approximately twenty minutes. The soldier had been drinking and took a bottle of cognac out of his pocket. He then got very angry and I thought the best thing I could do was to go home. I arrived home at approximately 2325 hrs.

Question- Were you on an identification parade at this unit on 22 Dec 44?
Answer- Yes
Question- No. There were two parades. I did not find him in the first
Answer- company, but I found him in the second company. I identified him again in this group in a different position.
Question- Did you have any difficulty in identifying the accused?
Question- Do you identify Exhibits "C" and "D" as your pocket-book and your identity card?
Answer - Yes
Question- Can you identify any of the 806 Francs (Exhibit "B") as your Money?
Answer- Not for certain.

Cross-examined by the accused

Question- At what time was the accused supposed to have robbed you?
Answer- At night at approximately a few minutes past eleven.
Question- At what time was it dark?
Answer- Yes, it was dark. I could see persons thirty yards apart.
Question- Could you see distinct features of any persons?
Answer- I could not see it when it was dark, but I could see it in the lights of trucks that were driving along the street.
Question- At the time of the robbery you said you believed that it had been a Canadian, but were not sure.
Answer- At the time of the robbery I could not see that it was a Canadien soldier. I found the soldier and I saw the soldier by the light of a truck talking to another soldier.
Question- Was the robbery in a different place than where the accused was talking to the other soldier?
Answer- It was not the same place.
Question- Why do you think that the man who robbed you was the same man who you found talking to the policeman?
Answer- I was sure. I followed the soldier and I could always follow him by the light of the trucks driving in the street.

Fifth Witness- M66562 Dvr Meigel S.A. 66 Cdn Tpt Coy RCASC having been duly sworn states:-

At approximately 2330 hrs 21 Dec 44 I was on Regt Police duty at the entrance to my H.Q. orderly room on Reniersnieder Straat Turnhout. At this time two vehicles drove by, and by their headlights I could see a soldier running into a doorway. I walked over and asked him what he was doing, He did'nt answer my question but asked me where 9 Cdn F.D.S. was. At this point a civilian came over and held on to my arm and pointed at the soldier and said that he had taken his identification card and four hundred francs from him. I asked the soldier if this was true and he said he did not have it. The soldier then grabbed the civilian and motioned to strike him, as I stood between them, the soldier let go of him. The soldier then gave the civilian a cigarette and the civilian walked away. As soon as the civilian left, the soldier told me that he probably had the money and he showed me four one hundred franc notes. Two of them were the large type and the other two were the smaller type. He then showed me a black bill fold and an identification card which he then threw on the street. I told him to pick them up and give them to me. He picked up the identification card but could not find the wallet. I searched for the bill fold and found it on the street. The soldier then walked away. I turned the bill fold and identity card over to the Sgt-Major and found the name on the identification card to be Hens Albert Guldensperenlei 5 Turnhout.

At approximately 1000 hrs 22 Dec 44 I have the bill fold and card to L/Cpl Corston of the Canadian Provost Corps and I informed him of what happened.

At approximately 1300 hrs 22 Dec 44 I was requested by L/Cpl Corston to attend an identification parade at 9 Cdn F.D.S. At the parade amongst 14 soldiers, I identified the soldier whose Name I was told was B46355 Pte Hayman R.

Question- Do you identify the identity card (Exhibit "D") and the pocket book (Exhibit "C") as the same as mentioned in your statement?

SECOND WITNESS

Mr. Hens Albert. 5 Guldensporenzei Turnhout, Belgium, sworn states:

Last Thursday night about 11o'clock I was going home and in Reniersnieder Straat I met a soldier, The soldier put his hand inside his coat and said "Give me your money" I said I only had 7 francs. I said I have no more. Then the soldier said "I want more". I said I have no more. The soldier said "Come on". Then I took out my pocket-book. I took out of it a 100 franc note and gave it to the soldier. The soldier then took my pocket-book and took out 3-100 franc notes. The soldier said "its not enough I want more". Then the soldier went away with my pocket-book. I followed him and saw talking with another soldier. I told my story to the other soldier who told the first soldier if you have the money you have to give it back. The soldier who took the money brought out a bottle of cognac. He asked the other soldier to drink but he didnt. I told my story again but the soldier said he had not stolen my money. He said here is a cigarette for you and now go home and I thought it was the best thing to do so I went home arriving about half past eleven. The following morning I went and informed both civilian and military polic. Then I came here to pick out the soldier. I had no trouble identifying him. That is the soldier who robbed me. Points to accused. There were two big 100 franc notes and 2 small ones and 7 one franc pieces. It is a small black pocket-book witha place for papers on each sides. My identity card and some other papers were in it.

Black-Billfold pocket book produced marked EXHIBIT B

Green identity card 71284 produced marked EXHIBIT C

The soldier went up the right side of the street and I went up the side. I had no difficulty following him. There was no one else on the street.

Cross-Examination

He said "Give your Belgium money". I understood and can speak a little English. He said "Give your Belgian money" and he said "I want more" and I understood.

I did not see any gun. I saw that the soldier took the bottle from the same place as he put his hand before. The soldier had been drinking. He did not walk as well as other soldiers but he was not drunk. The soldier put his hand on my shoulder and his hand inside his blouse and the first thing he said was "Come give me your Belgian money".

BY THE COURT

I thought the soldier had a pistol inside his coat and because of that I gave him the money.

I thought the second soldier was a military policeman. He was dressed the same as a military policeman.

R.P. 83 (b) complied with.

THIRD WITNESS

[redacted] Bar Weigel, S.A. 660dn Tpt Coy RCASC sworn states:

About 23 00 hrs 21 Dec 44 I was on Regtl Police duties at Coy HQ. I saw a soldier run into a doorway. I walked up to him and asked what was wrong. He asked me where 9 F.D.S. was. A civilian came running across the road and grabbed me by the arm and pointed to the soldier and said in English that the soldier had his identification , wallet and 400 francs. I asked the soldier if it was true and he said no that he didnt have it. Then I asked him to give it back to the civilian if he did have it. The soldier was going to strike the civilian. I was standing between them so he let him go. He offered the civilian a cigarette and the civilian walked off. When the civilian was gone the soldier said probably I have got the money and wallet and showed me 400 francs- 2 large ones and 2 small ones. Then he pulled out a black wallet and an identification card. I told him to give them to me but he threw them into the street. He picked up the identity card and gave it to me. I picked up the wallet.

On 22 Dec at about 1000 hrs I gave the identification card and wallet to L/Cpl Corston of the Provost Corps.

At 1800 hrs on 22 Dec I came down here and identified the soldier among thirteen others. That is the soldier who was there that night-Points to accused. This is the wallet MEx B and this is the identity card MEx C.

I was wearing white webbing that night. There were very few people on the street. The civilians name was Hens.

Cross-Examination:

He said "Probably I have got it" and pulled out 400 francs. He wasnt drunk. Icouldnt say whether he was doing it as a joke or not. He offered me a drink but I would not take it. I was going to give it back to the civilian in the morning. I knew the civilian was going to the Provosts so I was going to hold onto it until morning. He gave it to me and told me to get rid of the fingerprints on it. I said I'd see about it. He didnt offer me any money. I was going to look him up but I could'nt do it myself. I knew where he was going. I did'nt ask him his name or unit.

R.P. 83(b) complied with.

FOURTH WITNESS

D-81529 S/Sgt Bishop,K.W. 9 Cdn F.D.S.sworn states:

At about 1230 hrs 22Dec 44 I held an identification parade of 9 Cdn FDS personnel. At about 1245 hrs I held another parade of ward patients. I had all the patients m/file in the courtyard. I went down the lines with L/Cpl Corston a civilian Mr Hens, and a Sht Provost. On going down the second file the accused was picked out by the civilian. He just pointed at him and said thats' the man. The accused was placed under arrest and taken to the guard room.

I arranged the accused with 13 other Ptes of this unit and when Dur Miegel entered the guardroom he immediately picked out the accused.

At about 1800 hrs 22 Dec L/Cpl Corston turned over to me 1 black pocket book, Exhibit B, 1 identification card, Exhibit C and 5-100 francBelgian notes small type, 3-100 franc Belgian notes large type and 7-one franc coinsand one brown billfold, a pay book Part I 2 & 3 of the accused Pte Hayman, R. On 22 Dec 44 Pte Meigel, E.A. gave me a black wallet, and an identity card. I came to 9 FDS and arranged an identification parade. Mr Hens did'nt identify anyone on the unit parade but on the patients parade he identified the accused who is sitting there (points to Pte Hayman) Pte Hayman was put under arrest. Shortly after at another identification parade he was picked out again by Dur Meigal. I searched the accused an found 807 francs Belgian ins brown leather wallet. There were 3 large bills and 5 small ones, all 100 francs notes and 7 one franc coins.

Cross Examination

DEFENCE

FIRST WITNESS

B-46355 Pte Hayman, R sworn states:

I went out right supper drinking. I bought a bottle for 45 guilders. I drank in cafes and from the bottle until the cafes closed. I met this civilian tapped him on the shoulder and at the same time I put my hand on the bottle in my tunic. I guess the civilian thought i was going to rob him. He nervously started to hand me the money, first the change, then the bills, then his wallet. He moved away pretty fast. I did'nt think much of it. If he wanted to hand me his money it was all right with me. I just walked up the street and I do recall jumping into a doorway when the lights caught me because I knew I was out late and did'nt want to be caught by the Provosts. Pte Meigel came up and asked me what I was doing. I did'nt answer that but asked him where 9 FDS was. The civilian came and grabbed his arm and right away accused me of robbing him. We argued back and forth,I got kind of angry because he accused me of robbing him.

He finally left still thinking it a big joke. I did pull the money out in front of Drvr Neigel. I also pulled the wallet and said I had not better not hang onto this it might be the stolen wallet and threw it out into the centre of the road. Drvr Neigel said don't leave it there. I'll take it in and burn it. So I went over and picked up what I could findof it and handed it over to him. I was half DRUNK The robbery was not intentional. Then I asked Drvr Neigel how to get back to 9 FDS and he told me and I left. I was not altogether sober or altogether drunk. I was just feeling good enough not to care. I did offer Drvr Neigel a drink but he did'nt take it.

Cross Examination

I was going to ask him where 9 FDS was. I did'nt get a chance to ask him anything. I don't think I said "Give me your money". He just started handing his money over. I asked what It was all about. I havent made any statement since.

By the Court

I heard the civilian say "I have been robbed". I did'nt want to be caught with the wallet so I threw it on the street. I did'nt think It strange to be given 400 francs. I had close to 600 Belgian Francs and 120Dutch Guilders when I went out that night.

R.P. 83 (b) complied with.

PROSECUTING OFFICERS CLOSING ADDRESS

No doubt about a theft. Taking,intent both shown by the evidence.

DEFENDING OFFICERS CLOSING ADDRESS

Point out evidence to show that there was no pre-meditation. It may have been improper possession from the stupidity of the civilian but it is not theft. He was not reaching for a gun but a bottle. The civilian jumped to conclusions. Hayman had ample money with him. He did not need money. The whole affair is discreditable but it does'nt amount to stealing . No intent.

CHARACTER EVIDENCE

Capt L. V. Perry sworn state.

I have known the accused for about 2½to 3 months and he has been a member of my Coy for that time. He has only on e occasion of A.W.L. and I made a point then tofind out what sort of a soldier he was and had been in the past. I am convinced that he is a well trained and capable soldier whohas through nothing more than boyish foolishness (reason to believe that he is vicious or evil)
been involved in minor offences in the army. I have found no reason to believe that he is vicious or evil. He has always performed his military duties well and willingly.

No Cross-Examination

R.P. 83(b) complied with

DEFENDING OFFICER IN MITIGATION

Accused has had a number of drunkenness offences, The other offences although numerous are all of minor nature and I would the court to take consideration these facts and that the accused is not a criminal type. The accused is a well trained soldier. He came to France with the unit and served well in action.

Fourth Witness Mr Hens Albert Belgian Civilian 5 Guldensporenei Turnhout, Belgium, having been duly sworn states:-

At approximately 2300 hrs 21 Dec 44 as I was walking from the Zeshoek to my home, a soldier, who I believed to be a Canadian, came out from Station St. and said "Give your money". At the same time he put his hand inside his coat as if he was holding a pistol, but he did not bring any out. I answered "I have no money, only seven francs". I have him these seven francs, but he said that he wanted more. I took out my pocket-book containing four one hundred franc notes. Of these were two of the large type and two the smaller type. In the pocket book there was also my pass-port, number tag from civil labour, and a few papers. I intended to give him one hundred francs but he took my pocket book and disappeared in the direction of the Zeshoek. I started to look for him and found him with a soldier on Rinierenlaer straat, who I believed to be a policeman. I told him my story. The soldier who took my pocket book said that he did not have my money. We stood there talking for approximately twenty minutes. The soldier had been drinking and took a bottle of cognac out of his pocket. He then got very angry and I thought the best thing I could do was to go home. I arrived home at approximately 2325 hrs.

Question- Were you on an identification parade at this unit on 22 Dec 44?

Answer- Yes

Question- Did you have any difficulty in identifying the accused?

Answer- No. There were two parades. I did not find him in the first company, but I found him in the second company. I identified him again in this group in a different position.

Question- Do you identify Exhibits "C" and "D" as your pocket-book and your identity card?

Answer - Yes

Question- Can you identify any of the 806 Francs (Exhibit "B") as your Money?

Answer- Not for certain.

Cross-examined by the accused

Question- At what time was the accused supposed to have robbed you?

Answer- At night at approximately a few minutes past eleven.

Question- At what time was it dark?

Answer- Yes, it was dark. I could see persons thirty yards apart.

Question- Could you see distinct features of any persons?

Answer- I could not see it when it was dark, but I could see it in the lights of trucks that were driving along the street.

Question- At the time of the robbery you said you believed that it had been a Canadian, but were not sure.

Answer- At the time of the robbery I could not see that it was a Canadian soldier. I found the soldier and I saw the soldier by the light of a truck talking to another soldier.

Question- Was the robbery in a different place than where the accused was talking to the other soldier?

Answer- It was not the same place.

Question- Why do you think that the man who robbed you was the same man who you found talking to the policeman?

Answer- I was sure. I followed the soldier and I could always follow him by the light of the trucks driving in the street.

Fifth Witness- M66562 Dvr Neigel S.A. 66 Cdn Tpt Coy RCASC having been duly sworn states:-

At approximately 2330 hrs 21 Dec 44 I was on Regt Police duty at the entrance to my H.Q. orderly room on Reniersnieder Street Turnhout. At this time two vehicles drove by, and by their headlights I could see a soldier running into a doorway. I walked over and asked him what he was doing. He did'nt answer my question but asked me where 9 Cdn F.D.S. was. At this point a civilian came over and held on to my arm and peirted at the soldier and said that he had taken his identification card and four hundred francs from him. I asked the soldier if this was true and he said he did not have it. The soldier then grabbed the civilian and motioned to strike him, as I stood between them, the soldier let go of him. The soldier then gave the civilian a cigarette and the civilian walked away. As soon as the civilian left, the soldier told me that he probably had the money and he showed me four one hundred franc notes. Two of them were the large type and the other two were the smaller type. He then showed me a black bill fold and an identification card which he then threw on the street. I told him to pick them up and give them to me. He picked up the identification card but could not find the wallet. I searched for the bill fold and found it on the street. The soldier then walked away. I turned the bill fold and identity card over to the Sgt-Major and found the name on the identification card to be Hens Albert Guldensporenlei 5 Turnhout.

At approximately 1000 hrs 22 Dec 44 I have the bill fold and card to L/Cpl Corston of the Canadian Provost Corps and I informed him of what happened.

At approximately 1300 hrs 22 Dec 44 I was requested by L/Cpl Corston to attend an identification parade at 9 Cdn F.D.S. At the parade amongst 14 soldiers, I identified the soldier whose Name I was told was B46355 Pte Hayman R.

As normal, drafts arrived with two blankets at C.A.G.T.U., they were then issued with two more blankets. In the middle of June I called in one blanket from all drafts. The accused, whom I recognize, turned in one blanket according to the records.

Q. On the 6 JULY 44 were you on a patrol during a period of time effects belonging to Govt. such as equipment, clothing etc. were disappearing. Every draft going out, generally on previous nights — had articles missing. You started out tours of duty approx. 1730 hrs. 6 JULY 44 which carried you on a road and area surrounding the Camp to ROCCA SAN FELICE, it had been reported that all equipment upon information received we were ordered to check all equipment personnel going from Camp. Upon returning to Camp at approx. 2020 hrs. on 6 JULY 44, I encountered the accused approx. 200 yds. from Camp walking in the direction of ROCCA SAN FELICE. I stopped the accused as he looked out of proportion with regard to the top half of his body, from the waist up. He was wearing a khaki shirt, also had a gas cape rolled under his arm. I asked him if I could see inside the gas cape. It was empty. I then asked him to open his khaki shirt. The accused accompanied me back to the Camp to the Officers Mess had another prisoner to take over to the detention tent. That was the last I saw of the accused that evening. The accused opened two of his buttons on khaki shirt and

to my leaving. I saw what looked to me like a blanket. I thought it similar to W.D. property.

No Cross Exam. by Defending Officer.

Questions by Court -

I did not check to see whether or not the accused had a pass. The weather was cloudy. (RP 83-B complied with)

2ND WITNESS PROS. { F21633 SSgt. KIDD A.J., A/R.S.M. of P.E. C.A.C.T.U. duly sworn is examined by Pros. Officer. —

On the evening of 6 JULY 44 I accompanied Sgt. Reardon and myself left on a routine patrol from Camp, in order to curb sale of W.D. property and equipment by natives, as quite a lot of this was going on. At approx 2020 hrs. as Sgt. Reardon and myself were proceeding back to Camp we met the accused coming down the road from Camp. He looked very bulky around the waist. We stopped the accused and had him return to Camp with us. I took the accused to my room and had him remove a blanket from underneath his shirt. I recognized the blanket as W.D. property. I recognize the blanket (Ex "A") as being the blanket in question. This blanket has been in my possession since taking it from the accused. After taking the blanket from the accused I had Sgt. Webber, A/S.Sgt. of Tank Sqn., give the accused a bath inspector.

He reported to me that the accused was deficient one blanket. I kept the blanket and had accused placed under close arrest and sent to detention Camp.

CROSS EXAM. by Defending Officer. —

To my knowledge the accused did not attempt to sell the blanket. (RP 83 D complied with)

3RD WITNESS PROS. { 6205 Sgt. Webber C.H., A/S.S.M.S. for the Tank Sqn. at C.A.C. T.U. duly sworn is examined by PROS. Officer.

During the evening of 6 JULY 44 I received an order to check the list of L/Cpl. HAYNES. I asked the accused for Pt. "A" of Part 3 of A.B. 64 Form No. 1. I found no blanket in Pt. "A". I asked accused, whom I recognize, I asked him how many blankets he brought to C.A.C.T.U. He admitted he brought three blankets. The records showed that L/Cpl. Haynes had been issued two blankets upon arrival at C.A.C.T.U. The records also showed that one blanket had been called in. Upon checking the accused's blankets I found only three blankets.

NO, CROSS EXAM. by Defending Officer (RP 83 B complied with)

Address by the Defence.

In reviewing the case, the witnesses for the defence and the Prosecution, I will take the First Charge, "Using violence to his Superior Officer" There is nothing to show that Haynes was the man who took hold of Gill's wrist, Gill says he did and Haynes says he did not, nobody knows. The C.S.M. then asked Noades to go outside and arrest a man, he did not know who. If he had the name if could have gone straight to the man and arrested him, and it is evident that there was a man arrested and put in the Guard Room.

J.A. There is no eveidence to show that he had anything to do with the accused?

Defence. As to the time, Gill says it was at 2225 and at 2240 he went to the Medical Room and McGowan says it was 2230, and if that is the case he would arrive there in the middle of the argument if it had been at that time. As for violence that night, I am sure it was just an argument and Haynes did not know who it was, and in the heat of the argument, he may have said, "Oh just go away or something" but there is no proof that he held anybodys wrist or used insubordinate language, it must have the intention and I am sure he had no intention to be insubordinate, had he known who it was he would never have used them and in that case I think "Insubordinate Language to his Superior Officer" is not proved.

Prosecution has nothing to say.

By concensus of opinion of the Court the Summing up of the Judge Advocate can be dispensed with.

Court is closed for consideration of the Finding.

Court adjourned at 2120 hours until 0915 hours Wednesday 3rd. December 1941.

Court re-opened at 0920 hours 3rd. December 1941.

The accused is brought before the Court.

Pres: Q.215 Have you any evidence to produce as to character and particulars of Service of the accused?

Lieut. S. King, No.1. Cdn. Conv. having been duly sworn states:-

A.215. I produce A.F.B.296 and M.F.M.6 in the matter of Corporal Haynes with the qualifying statement that these records cover the period he has been at No.1. Cdn. Convl. Depot inasmuch as no documents accompany these soldiers to this camp.

Q.216. Is the accused, the person named in this document?
A.216. Yes Sir.
Q.217. Have you compared the contents of the above statement with the regimental books,
A.217. No Sir they are not available.

Has the Defence any questions to ask this witness?
Def; No Sir.

Pres: Have you anything to say in mitigation of sentence?

Def: I would like to say to the Court in the case of Corporal Haynes. All the witnesses you heard brought out the facts as fair as possible to get the truth of the facts which were brought before the Court as clearly as they could remember. There is one thing I would like to impress upon the Court that there is no doubt but that it was very dark, they were not sure of the amount of light. The doors did not open on the same side and the light cannot shine through easily and the doors were blocked and it was not proven that the man that was arrested, and was supposed to be the man who made the statement alleged, and it was not proven that that man was Corporal Haynes, and that fact before this Court must cause doubt. It is also known that the man arrested and who was known around this Camp and released the next morning was supposed to be Corporal Haynes and we know it was not. The accused Corporal Haynes has been a member of the Army since September 1939, he has had no crime since he enlisted in the Army. He is now in the Tank Corps and all men in that have to work hard and if one man is a bad egg then all the work is upset. They are all disciplinarians and must have respect and that is how Corporal Haynes got his stripes, but I must say he should have known better than to make such statements.

J.A. How long has he been a Corporal?
Def: Since June 1941
J.A. When did he enlist?
Def: September 1939.

Had he known who this man was, a Corporal with his training, would have immediately have apologised and returned to his billet, and he has given his story of his own free will.

Court closed for consideration of the sentence.

STATEMENT BY ACCUSED

On the afternoon and evening 15 Feb 44 W.O. + Sgts of the 11 Coln armd Regt were issued with an amount of Wiskey to which we drank considerable in the late afternoon and evening. I was in a pretty drunken condition due to this when the Military Police were investigating a complaint at our Quarters and more or less was in a stupor as to what occured. I holds nothing against the MPs and words or actions were due to liquor consumed. If sober I can truthfully say this would not have happened.

I am sorry about the whole business.

NOTES E1.

Major H.A. Smith having been duly sworn states:-

I am Major H.A. Smith 11 Cdn Armd Regt and O.C. 'C' Sqn. During the 4 years I have been with the unit I have known the accused quite familiarly. The last six months he has been SSM of 'C' Sqn during all the time he has worked for me he carried out his duties in a very efficient manner. He has set a good example to all under him and at no time has he been any source of trouble.

During periods when we were in action he has again set a very high standard.

During the time of his service in the unit he has always been held in very high esteem by everyone.

SUMMARY OF EVIDENCE

in the case of

B60979 S.S.M. Rodman, Delmar, HAYNES, The 11 Canadian Armoured Regt.

At the direction of the Commanding Officer the evidence is taken on oath.

1ST WITNESS FOR THE PROSECUTION: 7689937 Cpl. BRADBURY, Eric, Special Investigation Branch C.M. Police, Eighth Army, having been duly sworn states:-

"At LANCIANO, about 1900 hrs 15 Feb 44, a complaint was received by an Italian civilian. In answer to this complaint, I accompanied the civilian back to the house in which he lived. This civilian pointed out an upstairs room in which four or five Canadian soldiers were billited. I went into the room and spoke to one Sgt. and informed him who I was and the nature of the complaint. I asked the Sgt. if I could see an Officer, but was told that there were none residing in the house. I then asked if I could speak to the Senior N.C.O. Then a soldier, who was dressed in a pullover, not showing any badge of rank, shouted, "We are all bloody Sgts. in this joint. Get the hell out of here, I will shoot the lot of you bastards." I didn't answer but continued to question the Sgt. This soldier who was dressed in the pullover then began to argue with and swear at L/Cpl. Tyler. I instructed L/Cpl Tyler not to speak or answer him. The soldier then became excited and walked over to me and shouted, "I have told you once to get the hell out of here." He struck a blow at my face which I partly warded with my hand. It struck me on the mouth however, cutting my lip and making it bleed. At this point I thought it unwise to take any further action in the matter as it was obvious some of the Sgts were drinking whiskey and were in an aggressive mood. The soldier dressed in the pullover attempted again to come to blows with me. At this stage the Sgt I had previously spoken to and who seemed quite sober got hold of the soldier in the pullover and restrained him. I instructed the L/Cpl to leave the house and followed myself." Upon my return I immediately reported the matter to Coy S.S.M. Glynn, SIB, CMP. I recognize the accused as the soldier who was wearing the pullover." Attached is a copy of statement made by the accused.

The accused declines to cross-examine the witness.

2ND WITNESS FOR THE PROSECUTION: 6015121 L/Cpl. Tyler, W., ~~Special Investigation Branch~~, C.M. Police, Eighth Army, having been duly sworn states:

"At LANCIANO, on the 15 Feb 44, at approximately 1610 hrs I accompanied L/Cpl Marks to the house in question to investigate a complaint made by a civilian. On arriving we went into the room occupied by the civilians and found that no damage had been incurred to the room or persons there. We then went upstairs to the room the soldiers occupied as a billet and found four men present drinking. I spoke to one of them and told him what the civilian had reported and warned him not to let any more disturbance occur that night. He promised to do so. I then returned and reported the matter to the SIB. At approximately 1930 hours, I accompanied Cpl. Bradbury and L/Cpl Marks to the same house. Cpl. Bradbury interrogated the civilian and then accompanied by L/Cpl Marks and myself, he proceeded upstairs to the room occupied as a billet.

2ND WITNESS FOR THE PROSECUTION: (CONTINUED)

The four men were still present. Cpl. Bradbury asked if there was an officer at hand. One of the soldiers replied no. Cpl. Bradbury then asked who was the Senior man present. The soldier replied we are all bloody Sgts here. One man present, wearing a pullover shouted, " Get the hell out of here or I'll shoot the bloody lot of you bastards." One of the other soldiers present in the room restrained him and asked Cpl. Bradbury what he wanted, stating that he was willing to collaborate with him. Cpl. Bradbury then began to question him. The soldier with the pullover on, then came over to me and began to argue. He said, "What the hell do you want, get out of here." I replied that the Italians below had sent in a word of complaint. He replied, "What word", and repeated this two or three times, and then he went on and said, "The Royal Corps of Military Police do not like us Canadian Armoured Corps." He argued a bit more. He had been drinking and his conversation did not make sense. I then referred him to Cpl. Bradbury who was in charge of the case. He then turned around to Cpl. Bradbury and spoke but I did not hear what he said. Then he struck Cpl. Bradbury on the mouth. Cpl. Bradbury ordered L/Cpl Marks and myself downstairs. I recognize the accused as the soldier wearing the pullover.

The accused elects to cross-examine the witness as follows:

3RD WITNESS FOR THE PROSECUTION:

5621205 L/Cpl Marks, R., ~~Special Investigation Branch~~, C.M. Police, Eighth Army, having been duly sworn states:-

"At LANCIANO, 15 Feb 44, at approximately 1630 hours, I was reporting to the Orderly Corporal for town patrol when I was told to proceed with L/Cpl Tyler to a house where there had been reported some trouble. Arriving there we found everything in order and then reported back to the SIB. We were then ordered to proceed with Cpl. Bradbury to the house were trouble had been reported. We went upstairs and found a room full of Canadians. Cpl. Bradbury asked the Sgt. if he could see an officer. He was informed that there were no officers living there. He then asked for the Senior N.C.O. and a soldier wearing a pullover, whose rank could not be identified, said that they were all Sgts. He then said, "Get out or I'LL shoot the lot of you bastards". While Cpl. Bradbury with the aid of the Sgt., was getting things straightened out, the soldier wearing the pullover was using obscene language to L/Cpl Tyler. Cpl. Bradbury then told L/Cpl Tyler to back out of the door, when he was struck on the mouth, by a blow from the soldier wearing the pullover. We then came out and reported back to the SIB H.Q. I recognize the accused as the soldier in the pullover."

The accused elects to cross-examine the witness as follows:

Ques: "What colour was the pullover?"
Ans: "It was an ordinary army pullover."

The accused was cautioned as follows:

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

After the above caution the accused declined to make a statement.

The accused does not call any witnesses for the defence.

D 6 1st Witness for Defence. F54931 PTE HAYWARD C.H. the accused, duly sworn is examined by the Defence Counsel:

I came to NOLA on 25 Nov 44 at about 1000 hrs. There I met my girl friends sister who told me that my girl friend was in goal. I then went to the police station at Chiminida and surrendered myself to a Sgt of 69 Bde Coy. I didn't meet any M.P.s in NOLA prior to this time. The Sgt told me that it was good for me to turn myself in and said that he would help me at my court martial. At the time another L/Cpl was talking over the telephone and told whoever he was speaking to that they had arrested Pte THIBEAULT at 2400 HRS 24 Nov 44 and that they also had HAYWARD who had surrendered, himself at about 1015 hrs 25 Nov 44. CHIMINIDA is about half a mile from NOLA.

Prosecutor's Address:

The evidence as to the length of absence is the same both in the prosecution and defence evidence, the only question is whether or not the accused surrendered himself or was apprehended.

Defence Counsels Reply:

The accused states he surrendered himself and that he was not apprehended. I submit the evidence of the accused should be excepted on this point.

E 1 1st Witness for Defence. The accused recalled is examined by Defence Counsels

At 7 CIRU in England, after being discharged from the Detn Bks Headley Downs. I passed a cooking course and was transferred to the Catering Corps. When I arrived at 7 CIRU I paraparaded before the O.C. and asked about my transfer, to that corps. He said it had been granted but that I couldn't go to the Catering corps. I asked why and he told me that as I was a driver Mech. I was to go on draft to the C & Y Regt. I told him I was not a qualified Dr Mech but a qualified cook. He then told me it made no difference but to see my coy comd in my unit wherever I landed. In North Africa I got no satisfaction, in Italy it was the same. I then went AWL. On 12 Mar 44 I was arrested by the Can Prov Corps. After a few days under arrest I was taken to be identified by some Italians. While being identified I was in the centre of two M.P.s Thus I figured I wasn't getting a right deal so I went AWL a second time. Every Identification since was the same way. If I had been given a square deal I would have been here and done my time long ago.

No Cross-Exam:

By COURT:

I am not married.

I have never served in this theatre with the C & Y Regt.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(1)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination : and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans ..... (5)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). D'Angelo Giovanni having been duly sworn states:-

I am D'Angelo Giovanni Via Barra

18 Naples. I am a chauffeur - a driver -

I was driving a car, I was coming from the hospital. I was going towards San Genaro Vesuviano. It was 10 p.m. 3 soldiers dressed as police stopped me and asked for a permit. They said this Italian permit is no good. Let us go to our commander. We want a warrant there are two women in the car. Let two get down & we will take the car to his house in San Genaro. and ~~one man~~ to his house in San Genaro. and then we will come back & pick up the other two. They made the other 2 people get into the car & we went towards Naples. at ~~the~~ Brusciano in a country lane they told me to stop the car, they ordered the car to be stopped. They made us get down from the car & they stuck a revolver into the stomach of all three - one revolver for each person. They made us put our hands up & they took everything. They took the car & we were left standing on the ground. What I said to the men with me was such words, this wife of ~~mine~~ & this son in law. ~~Those~~ only was in the car belonged to Mortone Gennaro. Mortone was not in car. It was a Fiat 15 w. My towns were stolen from me 8, 4 or 5 lire from my pocket & a gold ring which I had put into my pocket

from the two other persons I saw stuff taken. They were Francesco Caputo and I have forgotten name of other person. I saw taken from where name I don't know one suit of the other one pair of trousers. Could you recognize any of those who held up the car - yes - They have turned - one of one trousers, the other of English, I cannot those were those. The was dressed just the same as the Eyelet. Two had shirts like Eyelet shirts. Witness identifies 4 points out the two accused in court as two of the three who held up the car on the night in question. The two accused were dressed as follows - the shirts of the two was dressed as Eyelet's dress, same cap, same shirt & a khaki uniform, almost the same as Eyelet's. That's all. I can identify the one who stuck the revolver into my stomach. I can identify him in this court room. Witness points out Abbruzzi as the one who stuck the revolver in his stomach. All three had revolvers & when two accused in court were two of the three. I can identify in court the person who took the suit & coats from the person whose name I forget & from Francesco Caputo. I can identify in court the one who took trousers. The three bandits went away with the car. It was bright light when the events were taken.

~~Cross examined~~ Witness stood aside to be recalled shortly as it was necessary to call another witness at this moment due to the exigencies of the service.

Pte Gerard Lynch duly sworn states;-

I am Asst. Cdy. 1 Bn 1 CIS R Sgt.

A sgt has been detailed to round up the Italian witness in this case. He was present 14 Cdo hrs yesterday & could have sworn a full report.

I do not wish to give evidence owing to the availability of the Italian witnesses in this case. I detailed the sgt to round them up. To the best of my knowledge he did so through fact of his work. The was detailed at 1 Cdo hrs Sunday 11 Mch 45, a veh. was placed at his disposal & he reported to me at 2 Cdo hrs that same day. I was informed (via Argentina by defence) that one witness is dead, another witness was brought in, one witness was sick in bed and one witness could be picked up at 0 7 Cdo hrs next morning (and on checking the available Italian witness to 1 Bn HQ he would then proceed to obtain the other witness. I have not questioned the Sgt. as to the report of the last witness. My reason for not questioning him was that I was not present in Cdo's yesterday afternoon as I was engaged in preparing other witnesses i.e. Canadian witnesses. On my return to 1 Bn yesterday evening I was informed that it would be necessary to try and produce the available Italian witness, which was done. The Sgt detailed was present in this court room at 14 Cdo hrs yesterday & a full report could have been obtained from him by the prosecution. The Sgt is Sgt Belsiano is employed in Civ Internees Office 1 Bn 1 CIS R Sgt & can speak Italian fluently. The Italians to be picked up after 1 Cdo hrs on 11 March 45 my a certificate witness.

Carello Francesco of San Donato Vesuviano, Italy being duly sworn states:- ~~He was~~ we were ~~at~~ on the hospital in Naples, I, my father in law, brother in law and the driver. On the return Highway Naples we were stopped by three soldiers who were the Military Police and they asked us for our documents. They asked us we could not speak

the word tunnels signs to them. They just signalled for us to halt. When they signalled me I stopped. I stopped ~~from the~~ when I noticed along side of them, on the right, 3 soldiers there. They had revolvers at that time. When I saw the revolvers I went afraid. I that they were police. ~~Did~~ ~~you recognise the man~~ When I stopped the car a soldier came near me and asked for my permit. I showed him my permit for the purpose. The soldier said this is no good - we want true permit from our commander. I felt out of car at this time also. They wanted me get in back seat of car. Two tunnels two got down from car, Total 3 soldiers pleased themselves in front. One soldier drove car. One soldier drove car with sick woman to his home. I told soldier where sick woman lived. I and sick woman came and then came back & parked up the two on the road. Sick woman got out of car, some woman helped him into house. I was parked by one of three soldiers from getting out of car. He sat in front seat. Military identity I believe one produced. The other soldier then did not get out of the car. One returned after 2 min. Then went to Brusciano. Then took many turns, car & suit. I was aware that in 4 turns & found - no accident. We went back & picked up the 2 men at Brusciano. In Brusciano went to pick up 2 men, ~~at~~ on the bridge & then went to Brusciano. From where picked up the two men we then drove about 7 or 8 kilometer. Went to Brusciano & went into a lane. From Brusciano this would be near. stopped the car in the lane. ~~Naples~~ People forced to go further away from village.

~~How car went astray~~ How pr did you go from car. We didn't go further into the enemy side. Why dont you tell me I write you that when you got into the car you were ~~turned~~ further up the lane away from the village. We I got out of the car the car was there, was the car on the left hand side, there they took off the clothing, unifs, and then they (three soldiers) re entered the car & we remained on the ground. We were found by the car. In relation to the car we went were the car was on the left hand side. ~~two~~ all were on left hand side of car in front of car. all to the left in front of the car. The lights were on the car. ~~They~~ We were about 2 the car on the left. ~~Them~~ all three soldiers had revolvers. They handled them in order to make us stays. The pursuit made us stays. I had taken from me - Crosses, money & the ring which was in my left trousers pocket. a pair of trousers & a whole suit was also taken. They made us lie down on the ground. Can say who took the suit. I don't remember anything at all because I have been ill. after the accident I ~~felt it~~ did not feel well at all. I was ill.

I remember being questioned by the presentor, ~~I don't remember~~ I don't remember what I have told him, what I have said to the presentor is the truth.

Do you remember telling Presentor I can identify in this court the person who took the suit & points from Capito & the other man whose name I do not know. Yes I remember I said it. It is the truth. Why dont you just say you couldn't see as we were ~~attacked~~ to lie down. How can I remember, more than a year has passed. It is right.

~~I can identify in court~~ at the moment all three took the things. How can I identify them. I can identify the things. I am ~~not certain~~ certain as to what happened that night.

After the accident I went very well. I was escorted. After car drove away we went under an English Sentinel & told what happened. Sentinel said could do nothing as nobody was there. We went home. That is to my own home, my temporary home.

Next morning I reported Dr as to the car being stolen.

~~At the hospital~~ Dr Manuel Guerra told that on 15 Jul I lent my car to my driver for the week end about 3 or 4 days after my driver came back without the car saying that 3 soldiers took car. That is the truth. I did not tell the Dr directly I told the ~~brother~~ in law at 5 a.m. because I ~~brother~~ had to go there on foot. after I saw the ~~brother~~ in law I went to my home as I have a wife & 6 children. ~~I did~~ I didn't stay to see the Dr as I was naked.

In my temporary home I have a pair of old trousers. I told the ~~Dr~~ brother in law as soon as I arrived in the morning. After I left English Sentinel I went on foot to the village of San Sebastian de Gomera Vesuvious. That is the village where my temporary home is. After that I went to my home to the ~~doctor~~ relatives of the doctor. why didn't you get a pair of pants when you went to your home — I took a pair of trousers I.

dark. The two were war ms. witness nodded his head towards the two accused in court. I do not recognize the 3rd man because he was further away. I only saw him in prison when he was making his statement. That is when I was making a statement. I identified him at that time. How could you identify him when you didn't know who he was. I identified him because he was talking, right of Nyang I did see the 3rd soldier & when I saw him in prison I recognized him. First of all he was rather distant, then he came near to me, I was able to see him there as he was in the lights of the head lights. After turned into lonely road first thing we did was to go straight ahead on the lonely road. The car was turned & stopped near a small house & they made us get out. They put us in a row in front of car & made us undress. They began to search us. From my wife in law they took watch & fountain pen, pocket book & keys. During this the car was on the right, witness & companions to left of car & the three soldiers were in front of them. The lights were shining in the soldiers faces. After they finished searching me I stayed in company with wife in law & chauffeur. We were threatened after they had stolen from us. To go down the lonely road we went straight ahead without turning around. We walked towards the country side. Car was pointed towards main road. When I was searched I was in front of the car. Took 10 steps towards country side & then turned to the left to go behind a wall. We were afraid they would fire. Soon as we got behind wall they got into car & went away. We looked to see which way they went. From time falling out of car was in rows, stripped us, threatened us,

the necessary documents given to us by the headquarters of the commune. They said, they the documents were not good, & they wanted to take us to their commune. We insisted that the sick man could not stay in the car but it was not possible. They made me & my wife in law get out & the three of them got into the car & took my father in law home. When they returned they made me & my wife in law get into the car, saying that they were taking us to their commune. On the road was the village of Bourciaux they took us into a lonely road say their commune was there. All the three got out of the car, they stood us up in a row in front of the car and began to strip us. and take away from us everything we had in our pockets. With the revolvers in their hands they threatened us, ordering us to go away from the car, so that we be going few meters away from the car after which they were going to shot us in front of. We went away & they got into the car and went away. That's all. The three soldiers were dressed in English uniforms - all three in English uniforms. When car stopped it was about 11 h 11.30 p.m. Can you identify anyone in this court room as some of those who stopped the car yes - witness identifies both accused in court ~~that three soldiers were armed with~~ I saw two soldiers with revolvers, third has - witness pointed to Hayward as being one with weapon and Thibault not with a weapon. When the soldiers took car up the lane rushed us to get out my car what did they take from you - from me they took my trousers, then money, then a pocket book. I had about 8 or 10 kilos. The 2000 kilo was taken from me.

The money was in the form of cheques - 5 or 6 in each packet in cheques, and in packet both was documents & nothing else. Had two cheques each of 5 or 6 lire and all the rest around about 5 or 6 or 8 lire in each.
How was the money taken from you — The chauffer was stood — an witness kept the witness from where their hands in chauffers pocket & packets & I took out my packet book, & gave it to them.
There is nothing forth. The soldiers held the revolvers in their hands at that time, witness ~~identified~~ several emergency soldiers who took stuff from chauffer because two soldiers only stood us. Stood about Thirlwall, one ~~of~~ second, was standing behind me (the witness) but he had no revolver in his hand.
Name of chauffeur is Giovanni d'angelo. Can you identify soldier who took money from you — No I cannot. Make of car was a Fiat 15 or. ~~Name of car was Or~~ I don't know name of owner of car but ~~he is~~ ~~this~~ he is a penal doctor and lives at avenzo Di San Felice

was examined by defence:-

When did you go after ~~you~~ last you or would want to have ~~for~~ help & to clothes ourselves. Afterwards went to consulate of English police. Went to police before getting clothes. After go to police went to Brescia because it was at Brescia we were stood. We saw us we there as it was my first time. From Brescia went to the workshop of the Carabinieri. It was after they stole from us. It was the same eve — When went to workshop there was a soldier from the English examined I, my wife in law & the chauffeur. This after losing clothes was about ½ hour. Name of chauffeur, car is D'Angelo from

Our party 15 of last year he was living as a refugee in San Severa. He had a house there & lived there. ~~It was certain~~ Stayed at Carbonara, made our statement there. There was a room in general. Workshop called. I, my wife & Charles walked to the Carbonara - One only made statement. My wife in law walked to workshop. Chauffeur did not walk to workshop. He was now when my wife in law walked to workshop. Conversation took place in station. Wife in law made declaration because they had stolen from us. Stayed in station quite awhile. We went to Salo by railway with Carabinieri. Stayed at Salo railway about 5 minutes. Then I went home. The three of us went together. I lived in same village as chauffeur or 15 quite. From Salo railway bridge where I live is about 16 kilometres. To village where I live about 5 a.m. Then went to our home. ~~All three~~ Each one went to his own home. Next saw chauffeur the same day as we live near other. ~~chauffer told truth is~~

I understand emergency Italian soldier. Only emergency two of them. Did you ever point out those soldiers that stood you - No -
~~I made by [illegible]~~

Witness is handed original [illegible] and identifies it as the statement of his signature. Answered yes. We turned down road leading into country, they arrived at at certain point where they stopped the car. They told us to get out and that we were arrested at the police Commandos place. They ordered us to get in line. He (pointing to Thirlwall) was behind me. He (pointing to witness) was searching us. He took from me five lire in money and 5 or six in receipts.

I told the truth at that time. I saw 3rd man in prison but later I forgot him. I don't see the 3rd man in court. Why did you tell me a moment ago you were identified the 3rd man — Because I was sure him I was

belongs to Dr Gerard. This car identified by both witnesses as a Dodge 15 cwt, of which Gerard was the chauffeur. The facts, Case are that both accused were present at both car & subsequently. Both accused took part in assault on both witnesses & both accused drove away in the Dodge 15 cwt. Both witnesses pointed out accused in court & stood to gross in main facts on cross examination no advantage to them to lie. Before produced no witnesses. Asks court to find accused guilty on all three charges.

Summing up by Defence Counsel:-

This Case involves 2 Italians & 2 Can soldiers. Two witnesses agree on one point i.e. they come to court to identify two men sitting with hats off. On basis a single fact do both witnesses agree. What happened subsequent to alleged robbery. This must be in their minds. One witness said they went to see an English sentry & from there to his home. Then he went to Dr's both in town & reported car stolen. Why stayed at Dr's both in town time for 5 or 10 minutes was because he was worked & had a wife & kids. Other witness said they went & saw English soldiers & from there to cenotaph & stayed there time to make declaration & then to scene of crime & from there to Gen Gerard. Are these two statements compatible with truth-givers. If they lie about one thing might they not lie about two things. Just witness on identification said he could identify one who took money from unknown englishman, he said he could identify who took the money. Said he could remember any thing at all as he was ill. He said how can I remember when more than a year has passed

we took 10 steps, ~~they~~ got behind would on left hand side. They drove away.

Were at any time were compelled to lie down on our backs or faces. I could see all the men well. Chauffeur did not have to lie down on the ground. If the chauffeur said we had to lie down on the ground on our backs he would not be telling the truth. We were not forced to lie upon the ground.

I am a bus driver. My car is situated in Via Nola San Gennaro, Vesuvius. During occupation I did not see any Canadian soldiers. Each soldier looks different.

The 3 soldiers I saw might be 18 but were dressed as soldiers. Don't know difference between English & Canadians. Know difference between American uniforms, some of the three that might were dressed in American uniforms. I know difference between American Cap & English & Can Cap.

Soldiers were dressed as follows - as soldiers - three American, one had ~~sgts stripes on sleeve~~ sgts stripes on his arms, and on arm band with letters MP on it. Didn't pay much attention to rings. Can't say if he had gunbat as it was dark, didn't pay attention to trousers. But I am sure all were dressed as military men, cannot say if English or not. I do not say they were English soldiers but I say they were dressed as military men. Can't say if they were dressed as americans or Canadian Soldiers. ~~They were dressed as military men, neither as English or Canadian~~

About the 3 men I remember one had an arm band with MP on it & that they were dressed in khaki clothes. I just know about colour. I don't remember if they had hats on or not.

I identify him because he asked me for my documents & I saw his face. I did not pay attention if were caps or not. I do not remember.

Defendg' counsel proceed to examine witness further as to Exhibit A. Accepted by Court & marked Exh "A" as re encounters

Summing up by Prosecuting Officer

All accused were identified by Giovini & Francesco first & second witness & points out on this Ct. as 2 of the 3 soldiers that held them up & what them that night. 1st witness stated all soldiers had revolvers which were pointed at the witness in order they are seated to left. Second witness said 2 of soldiers had revolvers in their hands. Both witnesses were confused as to details of dress of soldiers, the second one stating they were dressed as soldiers. This is natural as affair took place 8 months ago. A civilian is not an authority on military uniforms which changes frequently similar. At time of offence 1st witness said he was afraid of 8 4 or less & his pants. Said all 3 soldiers were there & had revolvers in their hands. Francesco stated he had 5 or 6,000 lire & two shillings of 5 or less & states from him at same time. Both witnesses identified Habanek. 1st witness said he accidentally took money from him & had a revolver to his stomach & the 2nd witness stated Habanek was standing behind him when he handed over his wallet & money. Hayward is identified as being there at that time with a revolver in his hand by Francesco. Both witnesses said all 3 soldiers, having already identified the accused as 2 of the 3, took the car

He has a car - reported it was a.m. He didn't say [illegible]
Several witnesses - Re uniforms. - ~~1st witness~~ said all dressed in English uniforms. 1st witness said ammo + English. 2nd witness finally said they were dressed as soldiers. Remember his evidence re Watson - said he doubted see Watson right of robbery. When I showed him his own statement he changed his story. Said he couldn't recog 3rd soldier, I only saw 2. Identified Watson because he was taller.
~~Couldn't tell~~ 2nd witness said we were forced to say ~~again~~ again. Several witnesses said we were not forced to say down. In their consistent with the truth.
~~Submitted statements not possibly true.~~ Perhaps they don't love car + money. ~~Well Sorry~~
Submitted there is not sufficient evidence to warrant conviction. Doubts of innocence or guilt. Court go by evidence that we believe exactly as ought to exist, must go by evidence which has been produced before the Court.

Summing up by JA
Explained duties of JA. Take law from him. Duties for the court. Burden of proof - reasonable doubt - Presumptions - Intent - Definition of robbery and ingredients necessary Several principals - Credibility of witness - Reasons of points.

Capt F. W. Taylor DAPM 63 Sec 5 I.B. C.M.P

having been duly sworn states:-

I recognize the two accused in court today. On 6 Oct 44 I obtained statements in writing from both accused. I saw the two accused detained in Police HQ in Salerno. I interviewed them separately. I interviewed T Hobart first. I told him who I was & that I had reason to believe they had been concerned together in a series of thefts in the area of Salerno. I asked them if they would give me a statement as to their movements on the days in question. I had obtained to write a statement. I cautioned them separately by saying "you are not obliged to say anything unless you wish to do so, but anything you do say may be used in evidence. I made out the particulars of each man together with the caution and they signed it. I made the statement at their dictation & after reading it, they each signed their statement. I interviewed them. When they were first brought in & to ~~them~~ I made any statement they cared to make. I told them into my office. Capt Stoby was in the office at that time. Capt Stoby did not say anything to either time. Capt Stoby did not say anything to either of the accused. Hobart came into my office first & I obtained his statement. At that time Hayward was in custody of one or two sgts of my section in an outer office. I took the individual statements of the accused. After I got T Hobarts statement I did not give it to Hayward to read now when I got Haywards statement did I give it to T Hobart to read. When Hayward came into my office Capt Stoby was there. He did not speak on that occasion. It was sometime between 2 & 3 pm & 4 pm When I obtained the statements from T Hobart & Hayward. It took about 15 or 20 minutes to complete the T Hobarts statement & also the Hayward statement. The statements were written down by me as they were dictated by both T Hobart & Hayward. To the best of my knowledge

before they went back a copy of the accused's statement while executing the warrant. The accused's statements. Both accused were present at the time I obtained their statements.

Cross examined by defending counsel:-

The caution I gave was the ordinary police caution. When they came into the office I told them who I was etc. Both were together at the time. I told them before they were arrested in thefts in the area. I put them to office to make statement - I obtained print. I put the heading on the paper & also his particulars. The caution was written on the top of the paper. accused read it & signed it. Then went on with his statement. I wrote the statement in long hand. I read it back to him & he signed it. I invited & invited him if he wanted to explain it. I read it & invited him if he wanted to explain it. I told Then I sent the statement out & put to Haywood. I told Haywood what I took statement & he agreed to make a statement. statements were the chief. I was interested in. after I got the two statements the two accused were put in guard room at Salerno. I don't know if accused ever got a copy of the statement.

The prosecution has no other witness to call from the facts surrounding the obtaining of the two statements (

the accused.

The defending counsel is asked if he wishes to call the accused or any other witness to testify concerning the facts surrounding the obtaining of the two statements from the accused. Defending counsel does not call any witness nor does he wish to call either or both the accused.

(10) The soldiers had told the owner to wake them at 1200 hrs. and at 1300 hrs. to have the dinner ready but before I came to the house someone "tipped" them off and they ran into the country. Near the house I found one soldier with three stripes, who was stopped by the civilians. The other soldiers with the two girls ran away. I saw the girls and soldiers were getting far away. So I put the soldier in the car and went to MONTELLA. The two soldiers which ran away, fired four shots against the people who were there.

On the road I met the Provost from Avellino. I turned the soldier and the car over to them. In the afternoon about 1530 hrs. I picked up the two women who were in the country. The other soldier I turned over to the Provost explained to me that the other soldiers were deserters and that they had paid 50,000 lire for the car.

I broke out about a month ago, in not sure of the date, out of the Avellino central guard room. Hayward also broke out the same time. From then until we stole the "Jeep" I was living with friends, I knew and was not doing a damn thing. About three days ago I was with Hayward an American and a South African, at a place somewhere near Nola. Whilst I was there a guy, an Italian civilian, came to us and said he wanted to go to Maddaloni. We all went with him in a horse and cart to Maddaloni and when we got there he took us to a place and told us that if we went to a house that he knew, dressed as American police that there was a man there who was making counterfeit money, and we would be paid a lot of dough for going there. We went, and went upstairs in the house three of us I should have said, and the other fellow and the civilian stayed downstairs. In the house we found nothing. When we came down the fellow that was at the door had two American military police or may be three held up. I asked them what was happening he told me that someone had called the cops. He caught them as they were coming in. We took them

guns and their Jeep and left the Police there. By the three I mean myself, Hayward and the American. The South African stayed down here. From there we drove up the back road towards San Severino. We drove anywhere to pass the night away and after daylight we did not do anything that day. On the way to San Severino I and since then I know we stopped people but I cannot remember where or at what time, but if the people who have said that we stopped them were here I could remember it. One I can remember was when we stopped a horse and cart about mid day today and got two bags of spaghetti from it. We stopped several civilians today but I do not know if anything was taken. I know I took nothing myself. Some of the money that was found in my possession must have been a share of what has been taken by us. [illegible]

I have been cautioned that I am not obliged to say anything unless I wish to do so and that anything I do say will be taken down in writing and may be given in evidence. C.R. Hayward.

I broke out of gaol or the guard room at Avellino the same time as Thirkettle. We very seldom we ever went to hole but about two weeks ago I met an Italian named and two other soldiers, one American and an Italian. This Italian-American speaks perfect English and the three of them said they had a job to do. I asked them what the job was and they told me that it was a hold-up. Just for us to go into a house and tell the people that there was counterfeit money there. The five of us left in a horse and waggon to the town named Maddaloni. We reached the house and there were four more Italian gangsters there. They told us the same thing, it was not a hold-up. At approximately eight o'clock we reached the house where the money was supposed to be. We found nothing there and coming out one of the others, a south African had two or maybe three American police held up at the door entrance. I took the holster, the whistle, and the hat off of one policeman, and someone suggested we could take the "Jeep". We got into the Jeep and went away. We travelled all night to a town I can't remember

the names but Kiebell knows where it is. Then we travelled all night as there was nothing else to do until the next day when we held up a few people. Today approximately, 2o'clock, we met one man on a horse and wagon that we were American police. We asked him if he had any contraband and he said, "no." We looked and found two bags of spaghetti, and the money they found on me tonight must have been some of the money we made on the road. Also I've bought one pair of civilian pants, one civilian jacket and one pair of civilian shoes which was also found in the bags. Thats about all I can say about it. C. P. Hayward

Statement of No. 34101515 P.F.C. LOYD G. ROWE 205 M.P. COY. U.S.A. Army. A.P.O.512.

On the 4th October 1944 at about 7.45 p.m. we were patrolling in our jeep, Maddaloni, and we checked in our station there. There was two women there who told us that four soldiers was at a certain house giving trouble. So together with an Italian interpreter and P.F.C. STARR, J and an Italian civil policeman, I went to the house. I do not know the address. I was driving the jeep and I stopped the jeep in front of the door. I got out of the jeep on one side and P.F.C. Starr and the interpreter were getting out on the other side and by the time Starr and the interpreter got round to me on the near side of the jeep, ~~by this time they left~~ a soldier put one foot out of the doorway of the house and pointed a Tommy gun at us and told us to put up our hands. He made us stand with our backs to a wall in an archway with our hands up. Just then three more soldiers in uniform ~~came~~ came into the archway. They asked the man with the tommy gun what he had got here and he replied "American Military Police" and told the three other fellows to disarm us. They took from me my lanyard and pistol, belt and cap, and from my pocket one of the fellows took the jeep keys. They then started up our jeep. They then all went out to the jeep

and the man with the tommy gun stayed behind in the doorway until the last man was out and in the jeep. It was as they were leaving that I saw a civilian with them. The soldier who had the tommy gun then slammed the door to and I then heard the jeep move away. The two men that searched Starr and myself both wore M.P. armbands. I could not identify any of these personel as it was to dark. The pistol .45 Colt No 38858 and the lanyard which you show to me now are the ones which was stolen from me on that night the 4th of Oct.

At about 7.45 p.m. on the 4th October 1944 I was patrolling in our jeep together with P.F.C Rowe ~~and an Italian Civil Policeman~~, in the village of Caddeisi. We checked in at our station there and two women complained to us that some soldiers were down at a house giving trouble. So we took with us our interpreter from the station. Rowe was driving the jeep and on arrival at the house the jeep was stopped in front of the doorway. So he got off the vehicle and was going into the house a soldier held me up with a Tommy Gun. The Italian Civil Policeman must have been behind the jeep and got away. We were made to stand with our backs to the wall with our hands up, and the soldier with the Tommy Gun stood over us. Then three more soldiers came on the scene and the fellow with the Tommy Gun, after telling them that we were American Military Police, told them to disarm us. Two of these three soldiers were wearing M.P. armbands. They took from me my revolver No. 52890 of Smith & Wesson make, my leather holster and leather equipment, and left. I then heard the jeep start up and eventually the soldiers left. They did not touch the interpreter. He man with the Tommy gun kept us covered whilst

all the rest left. He then slammed the door to and left. I then heard the jeep move away. One of the soldiers were wearing British Army Uniform with Corporals stripes. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The Defence Counsel asked the Court that 4, 5 and 6 Charges on Charge Sheet No 1 be tried first on the grounds that if the first Charges were tried together it might be embarrassing to their defence on 4, 5 and 6 Charge.

The Court closed to consider the plea.

The request of accused granted and accordingly the accused are arraigned on the 4th 5th and 6th Charges on Charge sheet No 1.

First Witness for prosecution | Capt T.W. Taylor, D A P M and O.C. 63 Sec. S I B C M P duly sworn is examined by the prosecution.

On 6 Oct 44 I was O.C. 66 Sec. S I B C M P at Salerno. On that day I saw the accused whom I recognize in Court at 66 Sec S I B HQ. I interviewed each of the accused separately, telling them who I was and that I had reason to believe that they had been concerned in a series of thefts. I asked them if they would care to give a statement as to their movements on the 3 or 4 days prior to the 6 Oct 44. They each elected to make a statement whereupon I cautioned them and after they signed the written caution I wrote down their statement at their dictation. On the formal caution I said "You are not obliged to say anything unless you wish but anything you do say may be used in evidence". They signed the formal caution which I wrote on the sheet of paper and which I read over to them. They read the caution over themselves before signing it. They signed it before making any statement at all & I state, no promises or inducements were made to either of the accused before they made their statements.

Defence Counsel objects to the statements being introduced.

Cross-exam on method etc of taking Statements

The accused were in custody when I first saw them.

The accused were brought into the HQ by 3 A/Cpls of C & P who handed them over to my custody and then left the bldg.

I left one of the accused in custody of several of my sgts while the other one I took into my office along with one of my sgts - Sgt Stokes. Sgt Stokes is on his way to the U.K. at the present time.

The room in which Hayward, the accused, who was first left in custody of the Sgts was on the same floor as my office.

I believe it was Thibeault who was first interviewed by me.

I identify statements taken by me because they are in my own writing and my signature is appended as witness.

Statements are taken down in accordance with a pro forma which I have to adhere to in accordance with police regulations.

The procedure adopted by the S I B is exactly the same as adopted by the civil police in England and the statement is written down in accordance with instructions issued by the D.P.M. S I B AFHQ.

The evidence on a statement taken two weeks ago would be similar to the present evidence on these statements.

I remember taking the statements - I can remember most of the things that happened.

I think Thibeault was first in my office.

I explained who I was to him.

I told him that I had reason to believe that he knew something about some thefts which occurred in the 3 or 4 days prior to 6 Oct 44 and I asked him if he cared to give any statement of his movements over those four days.

I cautioned him because there was a possibility that a charge might be laid as the result of any statement he might make.

I made a statement in reference to the accused on 18 Nov 44.

I never said "I would like you to make a statement to either of the accused.

I never said to Hayward "that your friend has made a statment very satisfactory to me."

I never said to Hayward "There are some rackets going on and if he knew anything about them".

It was after 2300 hrs 6 Oct 44 when these statements were made.

I did not say to either accused "you have nothing to hope for, nothing to fear by reason of any threats or inducements."

The warning that each accused received was that "you need not say anything unless you wish to but that anything you say may be used in evidence".

That is the caution used that night before making the statements.

The statements were taken separately from each accused.

The statements of one accused were not shown or read to the other accused.

The Court adjourned at 1130 hrs. The Court reassembled at 1400 hrs the same members being present.

DM

Defence Counsel moved that the Statements obtained by Capt Taylor, the 1st Witness, from the accused be not produced in Court or allowed in evidence.

Prosecutor's reply

The statements were given voluntarily by the accused to the witness after they had been cautioned in a proper manner. Not only were they cautioned but they had the opportunity to read the caution and signed it. There is no evidence to indicate that the statements not properly given. Therefore I would ask Court to allow the witness to enter them into the evidence.

Defence Counsel's reply

It lies upon the prosecution to prove that the statements are voluntary. see Chipman P 448. Onus of proof rests on prosecution. Attention drawn to rules laid down by Judges at P. 91 of M.L. I maintain that the onus of proof has not been satisfied by the prosecution and submit that the motion be allowed and the statements be ruled inadmissable.

The court closed to consider the motion. The court disallowed the motion.
The Court reopened.

First witness recalled. examined by Prosecutor.

I produce a statement made by F40943 Pte Thibeault B.J. to me on 6 Oct 44. The statement is signed by Thibeault. Witness reads caution and starts into main body of statement.

The Court closed considered the objection and disallows it.

(Signed) B.J. Thibeault

I broke out about a month ago - I'm not sure of the date, out of the Avellino Central Guard Room. Hayward broke out the same time. From then until we stole the Jeep I was living with friends I knew and was not doing a darn thing. About three days ago I was with Hayward, an American, and a South African, at a place somewhere near Nola. Whilst I was there a guy, an Italian Civilian, came to us and said he wanted to go to Maddaloni. We all went with him in a horse and cart to Maddaloni, and when we got there he took us to a place and told us that if we went to a house that he knew, dressed as American Police that there was a man there who was making counterfeit money, and we would be paid a lot of dough for going there. We went, and were upstairs in the house three of us I should have said, and the other fellow and the civilian stayed downstairs. In the house we found nothing. When we came down the fellow that was at the door had two American Military Police or maybe three, held up. I asked them what was happening. He told me that someone had called the cops. He caught them as they were coming in. We took their guns and their Jeep and left the Police there. By the three I mean myself, Hayward and the American. The South African stayed downstairs. From there we drove up the back road towards San Severino. We drove anywhere to pass the night away and after daylight we did not do anything that day. On the way to San Severino and since then I know we stopped people but I cannot remember where or at what time, but if the people who have said that we stopped them were here I could remember it. One I can remember was when we stopped a horse and cart about mid-day today and got two bags of spaghetti from it. We stopped several civilian cars today but I do not know if anything was taken. I know I took nothing myself. Some of the money that was found in my possession must have been a share of what has been taken by us.

I have read over the above statement and have been given the opportunity of making any alteration or additions where necessary. It is true and is made voluntarily.

I broke out of goal or the guard room at Avellino the same time as Thiebault. Very seldom we ever went to Nola but about two weeks ago I met an Italian and two other soldiers, one American and an Italian. This Italian American speaks perfect English and the three of them said they had a job to do. I asked them what the job was and they told me that it wasn't a hold-up. Just for us to go into a house and tell the people that there was counterfeit money there. The five of us left in a horse and waggon to the town named Maddaloni. We reached the house and there were four more Italian gangsters there. They told us the same thing, it was not a holdup. At approximately eight o'clock we reached the house where the money was supposed to be. We found nothing there and coming out ~~of~~ one of the others, a South African had two or may be three American Police held up at the door entrance. I took the holster, the whistle, and the hat off of one policeman, and someone suggested we would take the "Jeep". We got into the Jeep and went away. We travelled all night to a town, I can't remember the names but Thiebault knows where it is. Then we travelled all night as there was nothing else to do until the next day when we held up a few people. Today approximately 12 o'clock we told one man on a horse and wagon that we were American Police. We asked him if he had any contraband and he said, "No". We looked and found two bags of spaghetti, and the money they found on me tonight must have been some of the money we made on the road. Also I've bought one pair of civilian pants, one civilian jacket and one pair of civilian shoes which was also found in the Jeep tonight. Thats about all I can say about it.

CONJOINT SUMMARY OF EVIDENCE

In the case of,

F. 40943, Pte. THIBEAULT, B.J., F. 54931, Pte. HAYWARD, C.R. and A. 11665, Pte. WATSON, F.M., 1 Battalion, 1 Canadian Base Reinforcement Depot, soldiers of the Canadian Army Overseas :-

The Commanding Officer directs that the evidence be taken on oath:

B. 89757, Sgt. MARSHELLO, A.G., 8 Battalion, 1 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, is sworn in as interpreter.

FIRST WITNESS For the Prosecution.

D'Angelo Geovanni, Tourist driver, via Ferravia, San Gennaro Vesuviano, Provincia di Napoli, having been duly sworn states:-

On the 15 July 1944 at approximately 2359 hrs, while en route from Naples to Nola, three soldiers, dressed as American Military Policemen stopped me whom I recognize here. They asked for my permit. I showed them my permit of curfew. They told us "this permit is no good and you need a permit from Allied Government". We were five passengers in the car. The soldiers told to two of us to get out the car. Michele Capulto and Francesco Carrello got out and were told to wait because there were too many people in the vehicle. We had a sick man whom we took at home, at San Germaro Vesuviano. Then I was told to return and get the other two men left on the road. Then we picked up the two men above mentioned and we were told by the three soldiers that we have to proceed to their Commander. We halted at a town Brusciono. They said "we have arrived at our Commanders". They told us to get out the car and then they searched us. They told me to take off my pants, so I did. Then on their order I took the money I had in my pants and handed it to the soldiers. I did not before taking off my pants. Then they did the same with the other. They took from me 8400 Lire. The three soldiers during all that time were pointing revolvers at us. Then they took the car and drove away leaving us there. I am driving for Dr. Mortone Gennaro. The car is a 1500 Fiat the property of my boss Dr. Martone.

Sgd. D'Angelo Geovanni.

I certify that this statement is a true translation from Italian into English to the best of my ability.

Sgd. A.G. Marshello.

The accused soldiers decline to cross-examine the witness.

~~SECOND WITNESS~~ For the Prosecution

Capulto Michele di Francisco, Professor of Elementary School, Gennole Vesuviano, 78 via Napoli, having been duly sworn states:-

On the 15 July 1944 as approximately 2359 hrs I was coming from Naples in a Fiat car belonging to Dr. Montone Geranoro, driven by D'Angelo Giavanni. I was accompanying my father, who was sick, to hospital. Just before arriving to Nola those three soldiers whom I now recognize here, dressed in American Military Police stop us. This soldier here (the witness points to Thibeault) asked for our permit. I showed him a permit for curfew from the Italian Government for the purpose of taking my father to hospital.

SECOND WITNESS (Continued)

The same soldier told us that the permit was no good and that I must a permit from Allied Government. I was told that I have to go to Nola where their Commander was. I was told that there were too many persons in the car and that I had to get out along with another passenger, Fravieseo Carrello, my brother-in-law. We both got out of the car and were searched by this one (the witness points to Hayward). They searched us as policeman. They did not take anything from me. They left me and my brother-in-law there and said they were going to see their commander, and told us to wait. Thibeault was driving the car. After awhile they returned with D'Angelo Giovanni only then they told us to get in the car. We stayed there for about ten minutes then we drove towards Naples . Onthe way the three soldiers were looking right and left telling that they were not sure if it was the commanders place , then they turned around and drove in the opposite direction. When we arrived at Brusciono where we turned off on to a road that leads in the country they then turned around again and stopped the car. We were told to get out of the car. They told us to get near the wooden path of a house near them. They were pointing revolvers at us. This soldier (pointing at Hayward) took my sun glasses and my wallet. This other one (pointing at Thibeault) took my money out of my left trousers pocket. I had in my pocket a little more than 2000 lire and in the wallet was there 1000 lire in the wallet. Altogether not less than 2800 lire and(still pointing at Thibeault), he took off my wrist watch. My wrist watch is Longines. They ordered me to take off my trousers and jacket. "On the 20th July at apprex 0400 hrs, I heard that German Paratroops were in a house in TAVERNARESA I went there and saw a civilian car without any number. The soldiers, three of them, were inside the house with two girls

(Continued on page 5)

(10) The soldiers had told the owner to wake them at 1200 hrs and at 1300 hrs to have the dinner ready but before I came to the house someone "tipped" them off and they ran into the country. Near the houseI found one soldier with three stripes, who was stopped by the civilians. The other soldiers with the two girls ran away. I saw the girls and soldiers were getting far away. So I put the soldier in the car and went to MONTELLA. The two soldiers which ran away, fired four shots against the people who were there.

On the road I met the Provost from Avelline. I turned the soldier and the car over to them. In the afternoon about 1530 hrs, I picked up the two women who were in the country. The other soldier I turned over to the Provost explained to me that the other soldiers were deserters and that they had paid 50,000 lire for the car.

No. 34101515, P.F.C. Lloyd G. Rowe,

On the 4th October, 1944, at about 7.45 P.M., we were patrolling in our Jeep, Maddeloni, and we checked in our station there. There was two women there who told me that four soldiers was at a certain house giving trouble. So together an Italian interpreter and P.F.C. Starr and an Italian civil policeman, I went to the house. I do not know the address. I was drivin g the Jeep and I stopped the Jeep in front of the door. I got out of the Jeep on one side and P.F.C. Starr and the interpreter were getting out on the other side and by the time Starr and the interpreter got round to me on the near side of the Jeep, a soldier put one foot out of the doorway of the house and pointed a 'Tommy Gun' at us and told us to put up our hands, he made us stand with our backs to a wall in an archway with hands up. Just then three more soldiers in uniform came into the archway. They asked the man with the 'Tommy Gun' what he had got here and he replied "American Military Police" and told the three other fellows to disarm us. They took from me my lanyard and pistol, belt and cap, and from my pocket one of the fellows took the Jeep keys. They then started up our Jeep. They then all went out to the Jeep and the man with the (Tommy Gun' stayed behind in the doorway until the last man was out and in the Jeep. It was as they were leaving that I saw a civilian with them. The soldier who had the 'Tommy Gun' then slammed the door to and I then heard the Jeep move away. The two men that searched Starr and myself both wore M.P. arm bands. I could not identify any of these personnel as it was too dark. The pistol .45 Colt #38838 and the lanyard which you show to me now are the ones which was stolen from me on that night the 4th of October 1944.

No. 3409083 P.F.C. Carl A. Starr,
205 M.P. Coy, U.S.Army, A.P.O. 512.

At about 7.45 P.M. on the 4th October, 1944, I was patrolling in our Jeep together with P.F. C. Rowe, in the village of Maddeloni. We checked in at our station there and two women complained to us that some soldiers were down at a house giving trouble. So we took with us our interpreter and an Italian civil policeman from the station. Rowe was driving the Jeep and on arrival at the house the Jeep was stopped in front of the doorway. As we got off the vehicle and was going into the house, a soldier held us up with a 'Tommy Gun'. The Italian civil Policeman must have been behind the Jeep and got away. We were made to stand with our backs to the wall with our hands up in an archway and the soldie with the 'Tommy Gun' stood over us. Then three more soldiers came on the scene and the fellow with the 'Tommy Gun', after telling them that we were American Military Police, told them to disarm us. Two of these three soldiers were wearing 'M.P.' armbands. They took from me my revolver No. 152896 of Smith & Wesson make, my leather holster and leather equipment, and hat. I then heard the Jeep start up and eventually the soldiers left. They did not touch the interpreter. The man with the Tommy Gun kept us covered whilst all the rest left. He then slammed the door to and left. I then heard the Jeep move away. One of the soldiers were wearing British Army Uniform with Corporals stipes. When the soldiers were leaving I noticed that a civilian was with them also. I recognise the leather holster and leather equipment which you show to me now as being mine and which was stolen from me when I was held up on the night of the 4th of October. I cannot identify any of the soldiers owing to the fact that it was dark.

REPORT

To:- The Officer Commanding
116 Provost Company.

Sir,

I have to report that at San Severino Rota (MR.N6544) on the 6th. October, 1944, I was NCO i/c duties on a Check Post in search of unidentified personnel, believed to be soldiers responsible for several armed holdups and a stolen US Military Police Bantam No.2045022. At about 2130 hrs a Bantam approached from the direction of Avellino and the driver, when ordered to stop, swerved and continued in the direction of Salerno for about 40 yards where I stopped him with an order "Stop or I fire".

I approached the vehicle and found two Canadians dressed as Americans and wearing American MP armbands, and one civilian. When asked why he did not stop when ordered to do so, the driver said, "We are American MPs and we are out on a job".

I checked the vehicle number and found it to be the above mentioned stolen vehicle. I then ordered the three occupants out of the vehicle, and they were very argumentative until I ordered them to be quiet. I disarmed the two Canadians who were in possession of loaded .45 pistols. The civilian was in possession of a considerable amount of money. None of the three were in possession of any means of identification.

All three persons were arrested and conducted to 68 Section SIB. Salerno and handed over for the necessary investigations to be made.

President to accused

Q. 1 Do you object to A57385 Cpl B.W. Henheffer, CMSC, HQ 5 Cdn Armd Div acting as shorthand writer?

A. 1 No, sir.

The shorthand writer is duly sworn.

Q. 2 Do you object to be tried by me as President or by any of the officers whose names you have heard read over?

A. 2 No, sir.

The President, Members and Judge Advocate are duly sworn.

The Charge Sheet is signed by the President.

The Charge is read to the accused and he is asked as the charge is read whether he pleads guilty or not guilty. He pleads as follows:

First Charge - Guilty

R.P. 35(B) is complied with, by the President ascertaining that accused understands the nature of the charge and his plea thereto, explaining the difference in procedure by the Plea and advising him to withdraw his plea if he thinks the accused ought to plead 'Not Guilty' thereto.

President to accused

Q. 3 Do you desire to make any statement of the circumstances, in reference to the charge?
A. 3 No, sir.

President to accused

Q. 4 Do you wish to make any statement in mitigation of punishment?
A. 4 Yes, sir.

The accused makes the following statement in mitigation of punishment:

"When I was in Canada, I went before Lt-col Small and told him that if I were given a chance I would soldier. When I came to England I told him that I would try my best to soldier and a month later I was made an NCO. I was placed in charge of transport in "B" Coy.

I was sent away on a driving and maintenance course and when I came back I was sent away for a trade test. About a week later it was reported to me that I had failed my trade test when in fact I had not received one, and that I would have to leave the transport. The facts about the trade test are that the day I went up there to be trade tested, I was told that I could not be tested that day as there was someone there taking a picture of the unit.

I was put in a rifle company and turned my stripes in for I could not get along with the officers. From there I went to the hospital and then to the Holding Unit where I had my first charge in this country. This is the third charge against me since I came to England in November 1941. I am unmarried and have $20 per month assigned to my mother."

President to accused

Q. 5 Do you wish to give evidence yourself or call any witnesses as to character?
A. 5 No, sir.

Statement of Character and Service and Field Conduct Sheet, signed in the manner required by A.A. 163(1)(h) and purporting to refer to the accused by his number, rank, name and Corps, are produced to the Court, read, signed by the President and attached to the proceedings.

President to accused

Q. 6 Do you wish to address the Court on your Statements of Character, Service and Conduct in further mitigation of punishment?
A. 6 No, sir.

The Court is now closed to consider sentence.

Statement in Mitigation of Punishment

B-76097. Pte George HAYWARD

Tor. Scot. R. (M.G.)

When I came out of Witley after serving nine months I was in a terribly nervous state. My nerves were "all shot". Then I had my I.Q. Test, after which I told the fellows I was sure I had failed. They then began "razzing" me all the time about it, saying that I was sure to wind up in Basingstoke. They kept this up and it really got on my nerves. It started me thinking of how my mother was in the Ontario Hospital at New Toronto for eight years this November, and finally had me so worried I couldn't stand it any longer. I knew I had to get away from it, and that is when I went absent for the six days.

by me in the presence of several witnesses to appear weekly for treatment until told not to do so. He was further warned that failure to appear for treatment might lead to a charge under the Army Act, Sec; 16, para 3. It was explained to him that failure to appear for treatments was delaying the cure of his disease. In brief, syphilis could be cured only by repeated treatments at regular intervals and that going A.W.L. or in other ways missing such regular treatments would delay his cure. These facts were explained to him at some length.

From his records, I am perfectly satisfied tht he is still suffering from syphilis as an original disease. He failed to appear for treatment on 24 June 1942, and it was reported to this treatment centre that he was Absent Without Leave.

On the 20 May 1942 I was present when Major Overholt spoke to the accused, whom I recognize, and said words to the effect that if the accused was A.W.L. or missed treatment, which would effect his definite cure in time, that he would be liable for a serious charge. The Major ordered the accused to appear weekly. I can personally certify that he failed to appear for his weekly treatment on 24 June, 1942.

J.C. Merry.

The accused declines to cross-examine this witness.

DEFENDING OFFICER'S PLEA . - Pte. HAYWARD, C.

This man is a complete misfit in the army. He has never soldiered, and has been a constant source of trouble ever since his first few months in this country.

To punish him in the usual way appears to be useless and a waste of time for all concerned.

A few days ago (26 June) he was sent to #1 Neurological Hospital for an examination. I quote from the report of Lt.Col J.C. Richardson, the examining officer:-

"Opinion - Psychopathic Personality with Mental dullness.

1. Would consider him unfit for military service and recommend him for reboarding.

2. Consider him fit to stand trial and serve detention.

3. Would not expect him to improve by punishment or example."

The examiner also states:-" On Ex'n he is intellectually below average. - definitely dull but not in a certifiable defective grade. Judgement shallow. Irresponsible attitude. Anti-social trends. His mother is insane and has been in the Ontario Hospital, New Toronto for the past 10 years. The man blames his behaviour on worry about his mother, fear of insanity and worry and anger about his grandmother whose dependant's allowance has been cut off.".

In civilian life, while he was employed, he was never in trouble and one firm is holding a job open on his return. In view of the man's background and the report of the neurological specialist I feel that the normal punishments which would be meted out in this case is a waste of time and money for all concerned.

A reboard is the only solution that will have satisfactory results - a reboard that will let him get back to a civilian enterprise when the man can do something for the National War effort and look after his dependants.

TORONTO SCOTTISH
ALDERSHOT

SIR,

At MANCHESTER on 12/6/43 at about 0530 hrs. I was on duty accompanied by L/C KENDALL in PICCADILLY where I saw the above named soldier. I asked him if he was on leave and he stated; "Yes". I then asked to see his pass for which he pretended to search. Suddenly he started to run and crossed the road. I gave chase and closed with him in AUBURN STREET. When L/C Kendall attempted to take his left arm on the opposite side of him to myself he started to struggle violently and several times kicked L/C Kendall on the front & back of the leg below the knee. He struggled violently the whole distance to the truck and as he was being put in the back of the vehicle he again kicked out at L/C Kendall.

I conveyed him to the DRILL HALL ARDWICK GREEN where I cautioned him and stated "I am Absent since FEBRUARY". I asked him to produce his MBMl in order to verify his particulars but he was unable to produce same. I then informed him of the offences with which he would be charged and handed him over to the M.C.O. i/c guard to be detained.

He was sober and wearing military uniform.

The following is an extract from the Orderly Officer's Report dated 19 Jun - 20 Jun 43.

L/Cpl Caton reported to me that a prisoner had just escaped from detention via shower room window. I made enquiries and learned that the prisoner escaped from North window of shower room while the escort had left his post but took no action as L/Cpl Caton had reported the escape with particulars to the Adjutant. I checked the shower room and found the window could be opened easily and that the only thing which previously had secured same was one nail. If an escort is present at all times there is no excuse for this escape and the sentry should be investigated.

SIR:-

While on duty this morning at 1045 hrs I was the escort for Pte Hayward, B-76097 while he was taking a shower. The shower room was very stuffy so as I thought it would do no harm I stepped outside of the shower room door for a breath of fresh air. I stood outside for close to five minutes, then, went back to find the prisoner had left by means of an open window. All windows were checked the last time we had a bath parade here and all were secure. I reported this to L/Cpl Caton who is senior N.C.O. of this shift. Sir.

FIRST WITNESS

For the Defence

The accused, No. B76097 Private Hayward, G., Toronto Scottish Regiment, on strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army overseas, having been duly sworn, states as follows:

"D.L.R."

On second charge I plead guilty. Some few days before going A.W.L. I reported the loss of Brown part of pay-book to C.S.M. of "B" Coy., 4 C.I.R.U. The white section was at the Paymaster's. The C.S.M. told me that he would report the loss and that I would have to wait. The book had not been returned at the time I went A.W.L. I joined the army on Sep. 13, 1939. I was anxious to get into the army and did not disclose the fact that my mother had been for five years in the Ontario hospital at New Toronto, Ontario. Before going A.W.L. I had news from home that my mother was not as well as usual. This worried me because my mother had periods of violence. I have always been worried because I have always had a bad temper myself. I was worried during my absence about being sent to Hedley and so continued to remain absent because of the fear of confinement which might affect me mentally. As to the details of striking the C.M.P. my mind is not clear. All I can remember about my arrest is that I was forcibly hauled from a truck. I do not remember when or under what circumstances I was arrested. The last thing I remember was going to the Y.M.C.A. for a cup of tea. They told me it would not be ready for sometime and I dropped off to sleep in a chair. I was sober at the time.

(SIGNED) F. G. HAYWARD, . B.76097.

First Witness For the Defence

The accused, No. B76097 Private Hayward, G., Toronto Scottish Regiment, on strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:-

On second charge I plead guilty. Some few days before I went A.W.L. I reported the loss of Brown Part of paybook to C.S.M. of "P" Coy., 4th C.I.R.U. The white part was at the Paymaster's. The C.S.M. told me that he would report the loss and that I would have to wait. The book had not been returned at the time I went A.W.L. I joined the army on Sep. 13, 1939. I was anxious to get into the army and did not disclose the fact that my mother had been for five years in the Ontario hospital at New Toronto, Ontario. Before going A.W.L. I had news from home that my mother was not as well as usual. This worried me because my mother had periods of violence. I have always been worried because I have always had a bad temper myself. I was worried during my absence about being sent to Hedley and so continued to remain absent because of the fear of confinement which might affect me mentally. As to the details of striking the C.M.P. my mind is not clear. All I remember about my arrest is that I was forcibly hauled from a truck. I do not remember when or under what circumstances I was arrested. The last thing I remember was going to the Y.M.C.A. for a cup of tea. They told me it would not be ready for some time and I dropped off to sleep in a chair. I was sober at the time.

At about 1600 hrs 20 Sept. 44 I came home from work. There was a procession going by on the street. My wife asked me to look after the business while she watched the Procession. There were 3 soldiers in the Cafe, 2 went out to look at the procession, 1 remained,. The soldier that remained is the one sitting in this room with us now. I was standing at the door of the Cafe and heard glass breaking. I turned around and saw the soldier coming from behind the counter. When I came near him he asked for another glass of beer. I went behind the counter and saw that a bottle of Gin had fallen to the floor and had broken also that my cash drawer had been forced open. I opened the cash drawer and saw that money had dissapeared. As I looked up the soldier rushed out of the door and I followed him. He stopped behind a car standing in fronte of the Cafe. I went up to him and asked him to come back to the Cafe but the soldier rushed across the street into the building used by the Canadian Medical Corp and passed through it into the courtyard behidd. A Canadian soldier stopped him and brought him back to me and immediately the soldier returned the Belgian money to me. In the mean time my wife also came over. I handed her the Belgian money. She took it back to the Cafe and returned to me saying that the French money was not with it. The Canadian M.P's came and took the soldier into a room searched him and found the French money along with the Electric Light bill. He told me he admitted taking the boots and sold them but not to worry as he had another pair to replace them. He walked over to his bed and returned them.

Prosecuting Officer interrupts and produces a pair of boots which the Court admits and marks as Exhibit "A."

Witness continues: He said I could turn them in and get another pair for them. In the morning I investigated the boots and turned them into the Orderly Room and told them they were not mine.

Pte. Gourlay didn't say anything, he just listened to the accused who was in a talkative mood. At the end of the conversation, the accused told Pte. Gourlay not to worry that he had a pair of boots to replace the ones he took.

THIRD WITNESS

K-37856 Pte. Whitehead, C.J., R.C.A.S.C. on strength of No. 1 C.A.S.C., R.U. being duly sworn states:

I am, K-37856 Pte. Whitehead, C.J., No. 1 C.A.S.C., R.U. KP

Prosecuting Officer questions witness.

1. On the night of 11 JUN, this year, were you sleeping in the same hut as Pte. Gourlay and Pte. Hayward?

   No, Sir.

2. What is your connection in this case?

On the night of Sunday, June - not sure of the date there was a disturbance in the hut which woke me up, and as I got up out of bed I noticed my boots were missing. I tried to find out what happened to them. I tried to get some information from the corporal, and acting on this information I inquired in "H" Orderly Room on the whereabouts of Pte. Hayward. Acting on this information I had found out that a pair of boots were turned in by Pte. Gourlay, and I was also asked if these boots had anything to do with me. I replied, Yes, and I was told that Pte. Hayward had been placed under arrest for taking these boots. I was then told that if I could identify these boots that they would be given back to me.

3. When was it that you went to the Orderly Room?

   It was the next day, Sir, Monday.

4. There is some way in which you can recognize your boots?

   Yes, Sir.

5. Explain it to the Court?

About three weeks ago my hob nails were wearing down. I put new hob nails in, these were entirely different to the hob nails that were already on the boots. They were also scattered all over the boots and very uneven. I identified the boots by the nails.

Witness cross-examined by the Defending Officer.

1. You say you went outside and a corporal gave you some information about your boots or something. You do not say what, you just say some information. What information was given you by the corporal?

   The Corporal told me that a Pte. Hayward was seen in the lines and that he did not belong to these lines. It was that information that I acted on.

Court questions witness.

1. Do you recognize these boots?

   Yes, Sir.

2. Will you come forward and examine these boots and tell us if you recognize them.

   Yes, Sir. I do.

3. Are they your boots?

   Yes, Sir.

FOURTH WITNESS
for the Prosecution

F-97994 A/Sgt. David, J., R.C.A.S.C. on strength of No. 1 C.A.S.C., R.U. being duly sworn states:

I am, F-97994 A/Sgt. David, J., No. 1 C.A.S.C., R.U.

Prosecuting Officer questions witness.

1. How are you employed in this Unit?

I am Sgt. Clerk in "H" Company Orderly Room, Sir.

2. You were in the Orderly Room on Monday morning, 12 JUN 44?

I was, Sir.

3. Tell the Court what happened at that time?

At approximately 0830 hours on Monday, 12 JUN, I was on duty in "H" Company Orderly Room. Pte. Gourlay entered carrying a pair of boots. He told me that his boots had been taken during the night and that another pair had been substituted. I asked him if he suspected who had taken his boots. He told me that during the night Pte. Hayward had awakened him and had asked if hed had missed a pair of boots. Pte. Gourlay then left the boots with me and reported to his classed. Later on in the day Pte. Whitehead came to me and asked if somebody had left a pair of boots in the Orderly Room. I referred him to Pte. Gourlay and he went to see him. Later on during the day Pte. Whitehead again came back with a chit from "G" Company. The chit stated that Pte. Whitehead could identify the boots. He took them.

4. Did Pte. Whitehead identify the boots in your presence?

Yes, Sir.

5. Do you now recognize the boots before the Court as being the same boots - will you take a look at them?

Yes, Sir.

6. They are the same?

Yes, Sir.

7. Are you sure?

Positive, Sir.

Witness cross-examined by the Defending Officer.

1. Sgt. David, could you tell us how you identified those boots as being the same as those in the Orderly Room?

By the hob nails, Sir.

2. The hob nails on those boots look the same?

They are different hob nails, Sir. The shoemakers are not accustomed to putting those one.

3. If you had seen these boots here and mine, could you tell the difference?

No, Sir. If your boots had those hob nails on them I

couldn't tell the difference.

4. They have the same hob nails?

They are the same.

Questions by the Court to the witness.

1. Did you know the accused?

Yes, I did.

2. These boots were given by you to Pte. Whitehead and he took them away?

Yes, Sir.

R.P. 83(B) complied with KF

Defending Officer requests through the Court the recall of the third witness for the Prosecution, K-37856 Pte. Whitehead, C.J.

The Court agrees and recalls K-37856 Pte. Whitehead, C.J.

Defending Officer questions the witness through the Court.

1. Will you explain to the Court how you recognize these boots as being your own?

I recognize the boots by the two different types of hob nails on the soles of the boots and by the way they are placed in. Also the heel plates are nearly worn to the level at the back. I have seen these boots day after day and I could recognize them anywhere by the way the hob nails are scattered around.

2. Was the hob nailing of these boots done by a shoemaker, or was some of it done by you.

One set was put in by the shoemaker and I put the other in myself, Sir.

Court questions the Defending Officer.

1. Have you any further evidence?

I have no further evidence.

R.P. 83(B) complied with KF

Submission of no case on both charges by the Defending Officer.

The first charge against Pte. Hayward is that when on Active Service stealing property belonging to a person subject to Military Law, in that he in the Field on 11 JUN 44 did steal a pair of boots ankle, the property of K-37856 Pte. Whitehead, C.J., a person subject to Military Law.

KF

I would like to point out to the Court, if I may, of the four witnesses called by the Prosecution there was no evidence given by any of those witnesses that Pte. Hayward had stolen a pair of boots from Pte. Whitehead. There was absolutely no proof whatsoever that those boots were stolen from Pte. Whitehead. All that was proven was the fact that Pte. Gourlay had lost a pair of boots, or a pair of boots were missing from his bed, and also that Pte. Whitehead had lost a pair of boots. That is the first charge.

Second charge: That he was improperly in possesion of a pair of boots. None of the witnesses stated that they had seen Pte. Hayward with those boots. One of them was not certain that he could recognize the boots that had been brought to the Orderly Room, and the boots that are on display there as Exhibit "A." The owner said that he recognized those boots by the hob nails in them which I can assure the Court would be a very difficult thing to do. The main point centres around these boots as I take them and show the Court where these boots which Pte. Whitehead claim were his and which he identified as his could belong to anybody. I have a pair on that are very very similar.

The testimony of the four witnesses is practically the same, and all it shows is that Pte. Gourlay and Pte. Whitehead were both missing a pair of boots, and the testimony does not prove the charges against Pte. Hayward in any manner. This charge was stealing in one case and improperly in possesion of a pair of boots on the second charge, and the Prosecution has not brought forward any complaints that back those charges up. Therefore, I ask the Court that both charges against Pte. Hayward be dismissed.

The Court adjourns at 1800 hours, 26 JUN 44.

The Court is reopened at 1000 hours, 27 JUN 44.

The Court is closed.

Acting on this information I went to "H" Coy. Orderly Room the following morning and enquired as to what hut Tpr. Hayward slept in. I was asked if my enquiry was in regards to a pair of boots and I answered yes. CHARGED-:

2.

The Commanding Officer directs that the evidence be taken on oath.

First Witness - Mr Cyrlle Cooman proprietor of the St'Christopher Eecloo having been duly sworn states:

At about 1800 hrs 20 Sep 44 I came home from work. There was a procession going by on the street. My wife asked me to look after the business while she watched the Procession. There were 3 soldiers in the Cafe, 2 went out to look at the procession, 1 remained. The soldier that remained is the one sitting in this room with us now. I was standing at the door of the Cafe and heard glass breaking. I turned around and saw the soldier coming from behind the counter. When I came near him he asked for another glass of beer. I went behind the counter and saw that a bottle of Gin had fallen to the floor and had broken also that my cash drawer had been forced open. I opened the cash drawer and saw that money had disappeared. As I looked up the soldier rushed out of the door and I followed him. He stopped behind a car standing in front of the Cafe. I went up to him and asked him to come back to the Cafe but the soldier rushed across the street into the building used by the Canadian Medical Corp and passed through it into the courtyard behind. A Canadian soldier stopped him and brought him back to me and immediately the soldier returned the Belgian money to me. In the meantime my wife also came over. I handed her the Belgian money. She took it back to the Cafe and returned to me saying that the French money was not with it. The Canadian M.P's came and took the soldier into a room searched him and found the French money along with the Electric Light bill. The Canadian M.P's took the French money and the Electric Light bill.

OPENING ADDRESS

It is intended to prove that the accused, No.A3187, Private W.A.Hayward, The Royal Canadian Regiment, committed sodomy with No.A3325, Private G.J.Trudeau, The Royal Canadian Regiment, during the night of 15/16 Mar 40.

The following is an outline of events relevant to the act:

Pte.Trudeau came into No.13 Pl.Barrack Room about 2220 hours, 15 Mar 40 and went to the washroom where he met the accused, Pte. Hayward. Later, both men went back to No.13 Pl.Barrack Room and sat down on Pte.Trudeau's bed (about 2345 hours). About this time Pte.Menzies, who was in this barrack room, switched out the lights and went to bed. At about 0110 hours, 16 Mar 40, Pte.Menzies and Pte.Hayes, another occupant of this barrack room, heard sobs and moans coming from the direction of Pte. Trudeau's bed, and Pte.Menzies got up and switched on the lights. Pte.Hayward was seen standing alongside Pte. Trudeau's bed, doing up his underwear. Pte. Trudeau was lying naked on his bed. Pte.Menzies awakened Cpl.Hopgood, Company Orderly Serjeant, sleeping in that barrack room, and told him what he had seen. Pte.Hayward had by this time gone to bed and Cpl. Hopgood awakened him, told him to get dressed, and took him to the Guard Detention Room where he was handed over to the n.c.o.i/c Guard.
