Live Stock Markets.

Toronto, June 21.—At the western cattle yards there was a heavy run of stuff, as 70 loads came in this morning and 25 yesterday, and a considerable portion of yesterday's receipts were on sale to-day. Trade was fairly brisk though prices were as a rule, with difficulty maintained at all. We had many buyers from Montreal, Kingston, Ottawa and other outside points, and while trade generally had an air of dullness and dragged, the bulk of the stock was sold by noon.

Export cattle—The small quantity of export cattle of any kind of quality fetched its price to-day, but we had little that could be classed as first-class here, and the bulk of the stuff being of secondary quality dragged somewhat. Prices on an average could not be quoted above 5c, but one-eighth more was several times paid, and occasionally one-quarter was touched; but these latter prices were exceptional. Among the sales were these:—A load of 21, averaging 1,275 lbs, sold at 4½c per lb; 18, averaging 1,300 lbs, sold at \$5.15 per cwt; Bulls for export sold at from 3¼ to 4½c per lb, but there were not many here.

Butchers' cattle—Out of the large quantity of stuff in to-day we did not have more than five or six loads of good stall-fed cattle, and these fetched from 3¼ to 4½c per lb; in fact one lot of nine, averaging 1,025 lbs, sold at 4½c per lb; a load averaging 1,020 lbs, sold at \$3.50 per cwt; a load averaging 1,000 lbs, sold at 3½c per lb; a load of 21, averaging 975 lbs sold at 3½c per lb. Choice butchers' cattle were firm but inferior stuff was slow of sale and weak of price and as the supply consisted chiefly of poorly-fed grassers trade dragged a good deal.

The trouble to-day was the large run and unusually poor quality. We had 70 loads in this morning and 25 yesterday; and as much of yesterday's supply was left over till to-day the market was flooded with stuff mostly of very poor quality. There were close on three thousand sheep and lambs; 1,100 hogs, and 100 calves. In butchers' stuff the supply consisted chiefly of grassers, and sold at 3 to 3½c per lb. Much of the stuff sent in was, to put it plainly, half starved and quite unfit to kill; hence the apparent weakening in prices. Of course if farmers will not or cannot feed their cattle with either grain or grass they must not wonder if live stock is off when we have a heavy run of it here.

Milk cows—Close on fifty came in, and as no one wanted them prices still remain nominal.

Stockers—None here and practically no enquiry.

Sheep and lambs—Prices to-day were off. In a few instances 4c was paid for very superior shipping sheep, but the range was from \$3.75 to \$3.80, and prices will be no better for some time. The best we can expect, in view of the prices paid in the English markets, is that present value may in favorable circumstances be maintained. Lambs were in ample supply, and inclined to weakness; choice sold at from \$3 to \$3.50 each; good lambs at from \$2.50 to \$3; and common at from \$2 to \$2.25 each.

Calves—Good calves are wanted at from \$4 to \$6 each; common are slow and scarcely quotable; 40 averaging 130 lbs sold at \$5 each.

Hogs—The best price paid was \$4.40 for very choice, weighed off cars; the ordinary price was \$4.30; choice fat were fetching \$4.25 to \$4.30; stores scarcely brought 4c and are not wanted at present.

East Buffalo, June 21.—Cattle—Receipts, 3 cars; prospects fair; veal in plenty; good to prime \$4.75 to \$5.55 few fancy, \$5.75; light to fair \$3.25 to \$4.50. Hogs—Receipts liberal, 50 cars; about all sold at 10 to 15c decline; Yorkers \$4.65 to \$4.70; mixed packers, \$4.75 to \$4.80; mediums, \$4.80 to \$4.85 good to choice heavy, \$4.85 to \$4.90; roughs, \$3.75 to \$4.50; stags, \$3 to \$3.75. Sheep and lambs—Receipts fair, 20 cars. Market was lower than ever for ordinary mixed sheep, with good lively demand for export grades. Sheep—Export \$3.75 to \$4.25; good to prime wethers \$3.50 to \$3.75; fair to good mixed, \$2.75 to \$3.25; culls, \$1 to \$2.
