Unificately and severe colds, discretes dependent on humons in the blood, so the masserofili, chronic crystplits, etc., Pick Fills give a healthy glow to pale the positive proofs have been presented. Unificately and severe cold, and severe cold, and severe cold.

Killod.

trait, by Miss Helen M. Knowlton, and there is a dainty bit of verse which tells the picture's story. The Columbian serial, 'The House that was Made for Me,' and the 'Three Little Gold-Diggers' are each charming in their way, and the charming in the charming i their way. And the shorter stories, with their to it. I owe my present good health to pretty pictures, the rhymes, verses and a cround glance at a newspaper, and a articles which tell jast what children ought to know, are well calculated to entertain, instruct and please. 'The Clock o' the Year' is an exquisite setting of verse and art. Price \$1.00 a year; 10 cents a number. D. Lotbrop Company, Peblishers, Boston. Lothrop Company, Publishers, Boston.

The Pansy for March is strong, terse and energetic. It is entertaining besides. There are excellent short stories, and there are serials whose worth can only be estimated by reading. The American Literature paper this month concerns itself with the poet Leng fellow, and a valuable paper it is, too. The shorter timely articles, verse and poems are sborter timely articles, verse and poems, are supplemented by the popular Paasy Society of Christian Endeavor, everywhere well-known and highly prized. Price \$1.00 a year;10 cents and highly prized. Price \$1.00 a year;10 cents a number. D. Lothrop Company, Publishers, Boston.

Record in the time helpless. The local physicians said I had been effected by all of which will be sold at a small control of the time helpless.

The March WIDE AWAKE is a vigorous and malatial and intermittent fevers. breezy number, as suits the month it marks. continually grew weaker and finally That delightful describer, Rose G. Kingsley, went to be Dr. McAvey of Clinton, I., who is reputed to be one of the ablest physicians in the Mis is-ippi Valley. tells about the quaint 'Rog Market at Bruges, artist, Joseph Penneil, add interest to the tex Marion Harland has one of her characterist Marion Harland has one of her characteristic stories, 'Miss Butterfly; Mrs. M. E. M. Davis has a thoroughly charming New Orleans Carnival story, 'Indee, Newli Crew, N. Ed. W. Barry, 'Indee, Newli Crew, N. Ed. W. Was not to be thought of. If able to go was not to be thought of. If able to go about I had to look after my household about I had to look after my household attention ander the Little's Fereign Mission. Nora A.

Smith fornishes a typical March tale, 'A tetain the medicine he gave me and he

Stoddard, Molly Elliot Seawell, and Theodora R. Jenness are at the high tide of interest. Tello d'Apery, the boy editor, tells about his labors 'Among the Barefoots' of New York: Frederick A. Ober continues his Columbus papers by a sketch of his travels along the discoverer's track, 'On the Shores of Cath y, and Annie Sawyer Downs tells, in 'Young Folks at the Eddy,' how children can act as real hosts. Wide Arcake Athletics has a brief paper on 'H: ndling and Training a College Base-ball Team,' by Captain 'Leurie Bliss of Yale, and a description of 'Hare and Hounds Runs,' by David W. Fenton, 21, of Harvard. The poems are strong and varied, and the boys and girls will open their eyes with surprise at the blood had left my veins. I was pale as death; my hips wete blue and cold and I had a continual feeling of the seemingly the blood had left my veins. I was pale as death; my hips wete blue and cold indy Story,' and the three serials by W. O. came to the conclusion that my stomach

The poens are strong and varied, and the boys and girls will open their eyes with surprise at the story of 'The Real Casabianca, the bero of Mrs. Hemons's poem, as told by Henry Bacoo. Mr. Bacou's picture of Casabianca and his father is a splendid frontispiece to this splendid March number of Wide Awake.

Price 20 cents a number \$2.40 a year. On sale at news stands or sent postpaid on receipt of price. D. Lothrop Company, Publishers.

Harper's Magazina foe March presents the following table of contents:—'Dunc at the Ponce de Leon, with frentispiece illustration; Our Own Riviera; The Face on the Wall; The Escurial; Monochrones; My Upper Shelves; The Refugees; Washington Society; Horace Chase; Slavery and the Slave Trade in Africa; An American in Africa; Editor's Study, Monthly Record of Current Events, Literary

Horizona dentise by the bolod had left my veins. I was pale as death; my lips were blur and cold and I had given up all hope of everteing better. About the first of April Logard with us as death; my lips were blur and cold and I had given up all hope of everteing better. About the first of April Logard with us as death; my lips were blur and cold and I had given up all hope of everteing better. About the first of April Logard with us received a Fulten, Il., paper. It was his home paper sent him by his mother. I picked it up one day and in glancing casually over its columns came across an account of a matvellous cure through the use of Dr. Williams Pink Pills for Pale People. Candidly, I did not be left to the story, and when my husband suggested that it would do no harm for me to try the pills I laughed at the idea. He insisted and I sub mitteel, but I had no faith whatever in the pills. My husband sent for two bears of two bears of the look them. When I had used these I was somewhat improved in health. I continued their use and I felt that I was growing stronger, my death of the boys and I took them. When I had used these I was somewhat improved in health. I continued their use and I felt that I was gro

UNNECESSARY VENTILA-

TION. So far as the dairy house is conerned, ventilation depends somewhat upon the method tollowed in setting the milk. I, deep cans are used, and the room is kept clean, there can be little if any, need of ventilation in hot weather. The air of the room should not be allowed to get at the mik, and sucely the daily room ought to be cooler than ! the outside a mosphere while the of insertion.

There can be no need the year at the rate of \$6.00 per inch. of ventilators that stand open all the time, as if the milk was set out the time, as if the milk was set out to enter into yearly contracts.

In the cow stable over-ventilation does will more barn. Our forefathers, in the dairy, were thoroughored vent laters. They thought that nature took charge of warming the cow by giving her an extra thickness of hair in cold weather, while it was their duty to see that she utilized hat buir to its full capacity. To secomplish his they kept her out of doors all winter long, even if her hoofs froze off. By degre s, we we getting over that notion and

have learned that if the come e kept warm, they will give milk all winter, and, what is more, we are finding out that more heat makes more milk. Just where to s'or the heat without curtailing the supply of milk may eas ly te ascertained. There is nothing that frightens he average person so much as a onstipation. Syrup of Figs is the and smell Hascen's danger in the rly remedy of its kind ever pro-need, pleasing to the taste and ac-bacteria which liberate odors are not action and truly beneficial in its all, bad smeds are on y we cealthy and agreeable substances, its factory, or shovels manure all day is many excellent qualities commend it of sensitive to the dors, and is o all and have made it the most general y a model of health.
